PROXY STATEMENT

SPECIAL MEETING OF SHAREHOLDERS

August 15, 2008

This proxy statement is furnished to the shareholders of AdCare Health Systems, Inc., an Ohio corporation (the Company), in connection with the solicitation of proxies to be used in voting at the Special Meeting of Shareholders to be held at our executive offices located at 5057 Troy Road, Springfield, Ohio 45502 on August 15, 2008 at 10:00 a.m., and at any adjournment or postponement thereof (the Special Meeting). The enclosed proxy is being solicited by our Board of Directors to the shareholders eligible to vote at the Special Meeting. This proxy statement and with respect to eligible shareholders the enclosed proxy will be first sent or given to our shareholders on approximately July 21, 2008.

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, fax, or personal interview.

The shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by us prior to the Special Meeting. If no directions are made to the contrary, the proxy will be voted **FOR** the issuance of warrants (the Warrants) to purchase up to 1,092,305 shares of the Company's common stock to certain officers and directors of the Company and to transact such other business as may properly come before the meeting or any adjournment thereof. Any shareholder voting the accompanying proxy has the power to revoke it at any time before its exercise by giving notice of revocation to us, by duly executing and delivering to us a proxy card bearing a later date, or by voting in person at the annual meeting. The officers and directors of the Company are the beneficial owners of 19.9% of the Company's issued and outstanding shares. **The Warrants to be considered are in lieu of the**

warrants which were to have been considered at the annual meeting of shareholders which took place on June 6, 2008. Prior to the annual meeting the Board of Directors of the Company elected not to consider votes with respect to the warrant issue so that they could obtain feedback on the terms of the warrants at that meeting. The Warrants contain changes based on that feedback. Since the terms of the Warrants have been amended, whether or not you voted for or against the warrants as presented at the annual meeting you need to now vote again or your vote will not be counted. Approval of the issuance of the Warrants shall require the affirmative vote of a majority of the Company's disinterested shareholders, which for purposes of the Special Meeting shall mean any shareholder of the Company who is not also a recipient of the Warrants. Warrant recipients who are also shareholders of the Company shall not be entitled to vote with respect to the issuance of the Warrants but will be counted for purposes of establishing a quorum.

Only holders of record of our common stock at the close of business on June 20, 2008 will be entitled to vote at the Special Meeting. At that time, we had 3,786,128 shares of common stock outstanding and entitled to vote. Except as noted above, each share of our common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Special Meeting.

The presence, in person or by proxy, of one-third of the outstanding shares of our common stock is necessary to constitute a quorum for the transaction of business at the Special Meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on routine matters, which typically include the election of directors.

The proposal to approve the issuance of the Warrants is not considered a routine matter and broker/dealers who hold their customers' shares in street name may not vote such shares on this matter.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

Meetings and Compensation of the Board of Directors

Our Board of Directors had a total of three (3) meetings during the year ended December 31, 2007. During 2007, all but one director attended all of the meetings of the Board of Directors. Additionally, all but one director attended all meetings held by all committees of the Board of Directors, on which he served. Directors who are not employed by us received \$1,000 for each meeting attended in person and \$500 for each meeting attended via conference call; however, two directors elected to defer their compensation in 2007. During the first two calendar quarters of 2008, our Board of Directors had a total of four (4) meetings. All but two directors attended all meetings. The two directors each missed one meeting however not simultaneously. Additionally, all directors who served on committees of the Board of Directors attended all meetings of such committees during the first two calendar quarters of 2008.

Compensation Committee of the Board of Directors

The Compensation Committee of the Board of Directors was authorized in 1995, and a charter was adopted in December, 2005. During 2007, this committee was comprised of Messrs. Radcliffe, Sturtz and Peterson. Mr. Jeffrey Levine replaced Mr. Peterson on the Compensation Committee for 2008. Our Compensation Committee is responsible for establishing our compensation plans. Its duties include the development with management of benefit plans for our employees, the formulation of bonus plans, and incentive compensation packages. The Board of Directors has designated Philip S. Radcliffe as Chairman of the Compensation Committee.

The Compensation Committee of the Board of Directors advises the Board with respect to the compensation of each senior executive and Board of Directors member. The Committee is also charged with the oversight of compensation plans and practices for all employees of the Company. The Committee relies upon data purchased for the purpose of providing information on organizations of similar or larger scale engaged in similar activities. The purpose of the Committee's activity is to assure that the Company's resources are used appropriately to recruit and maintain competent and talented executives and employees able to operate and grow the Company successfully.

Compensation Committee Interlocks and Insider Participation

None of our executive officers has served:

.

as a member of the compensation committee of another entity which has had an executive officer who has served on our compensation committee;

.

as a director of another entity which has had an executive officer who has served on our compensation committee; or

.

as a member of the compensation committee of another entity which has had an executive officer who has served as one of our directors.

Compensation Committee Report

Presently, the Committee has determined that low executive compensation, based upon the data we have examined on comparable operations, poses some risk to the Company. If, for any reason, the Company had to replace any of our current four senior executives or expand our executive staff, the Company could reasonably expect to experience a significant increase in executive expenses in order to attract competent persons with executive qualifications from organizations engaged in like activities. The Committee has discussed its conclusions with management and has recommended that the Board of Directors authorize issuance of the Warrants. Based upon its review and the discussions referred to herein the Committee has further recommended to the Board of Directors that the disclosure of compensation paid or awarded to executive officers and directors as required by Item 402 of Regulation S-K be disclosed pursuant to the filing of this proxy statement.

Indemnification of Directors and Officers

Our Articles of Incorporation and Code of Regulations limit the liability of officers and directors to the extent currently permitted by the Ohio Revised Code.

While indemnification for liabilities under the Securities Act of 1933 is permitted to our directors, officers, and controlling people, we have been advised that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim of indemnification against such liabilities (other than our payment of expenses incurred or paid by one of our directors, officers, or controlling people in a successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with our securities, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, ask a court of appropriate jurisdiction to decide whether or not such indemnification is against public policy as expressed in the Act. We will be governed by the final adjudication of the issue.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth additional information as of June 30, 2008, concerning shares of our common stock that may be issued upon the exercise of options and other rights under our existing equity compensation plans and arrangements, divided between plans approved by our shareholders and plans or arrangements not submitted to our shareholders for approval. The information includes the number of shares covered by, and the weighted average exercise price of, outstanding options and other rights and the number of shares remaining available for future grants excluding the shares to be issued upon exercise of outstanding options, warrants, and other rights.

(1)

The total number of shares available under the option plan is 120,000. The options were granted in August 2004 and vest over a five year period contingent on continued employment. At June 30, 2008, 94,800 options had vested with no remaining options to vest. Due to separation of employment, 19,400 options have been forfeited during the five year vesting period.

(2)

During May, 2007, we granted 199,000 options under our September 2005 stock option plan. The total number of shares available under this option plan is 200,000. The options vest over a five year period contingent on continued

employment. At June 30, 2008, 77,600 options had vested with an additional 116,400 remaining to vest. Due to separation of employment, 1,000 vested options and 4,000 unvested options have been forfeited.

(3)

On November 16, 2007, our Board of Directors authorized the issuance of warrants to officers and directors of the company. A total of 1,102,710 warrants were authorized subject to a five year vesting period. The authorized Warrants are exercisable for a period of ten years following issuance. The initial terms of the Warrants provided that each holder would be entitled to purchase shares of AdCare common stock equal to a price of \$1.21 per share (the closing price two business days after the approval of the Warrants by the Board of Directors). The terms of the Warrants have subsequently been modified by the Board of Directors, as described below, so that the exercise price for the first year will be \$1.21 per share and will be \$2.25 per share for the second year. Thereafter, for years 3, 4, and 5, the exercise price of the Warrants will float based on the average closing price of the Company's common stock on AMEX but not less than \$3.00 per share. The weighted average exercise price of the Warrants in the above table is based on the \$1.21 exercise price for year one, \$2.25 exercise price for the second year and, since the actual exercise price for years three, four, and five is not currently known, the minimum price of \$3.00 was used. The Warrants are subject to shareholder approval at this special shareholder meeting August 15, 2008.

ISSUANCE OF WARRANTS TO MANAGEMENT

At the Special Meeting, the shareholders will be requested to consider and act upon a proposal to approve the issuance of warrants to purchase up to 1,092,305 shares of the Company's common stock to certain officers and directors of the Company (the Warrants). The issuance of 1,102,710 warrants with an exercise price of \$1.21 per share (the closing price of the Company's common stock two days after the approval of the Warrants by the Board) was authorized by the Board of Directors of the Company on November 16, 2007. The purpose of the issuance of the Warrants is to recognize that the Company is dependent on its management team and directors and that the loss of any of these individuals could harm the business of the Company. Based upon information gathered by the Compensation Committee of the Board, management of the Company is compensated in the lowest quartile of comparative businesses. The low compensation of the management team and the Board puts the company at risk since the Company is dependent on its management team and directors and that the loss of any of these individuals could harm the business of the Company. The Compensation Committee of the Board reported to the full Board that, based on information that they had gathered, management of the Company has historically been under compensated and owns less stock than would be ideal. Investment bankers engaged by the Company have also expressed a concern that the low compensation and low stock ownership of management and the Board can be perceived as a negative in the investment community as they are perceived as not being adequately tied to the Company. In general, the investment community believes that a

management team and Board that is more heavily invested in the Company will have an increased incentive to perform at a higher level.

The issuance of the Warrants was originally to be voted upon at the Annual Meeting of Shareholders which was held on June 6, 2008. However, prior to the meeting, management received a request to delay the vote on this issue from certain shareholders of the Company who expressed a concern about some of the terms of the Warrants as originally proposed. As a result, management elected not to have the Warrants voted upon at the Annual Meeting and instead conducted an open discussion of the terms of the Warrants at that meeting. As a result of that information, the Board of Directors of the Company has amended the terms of the Warrants as set forth below.

Therefore, to provide greater incentives to management and the Board and to improve the likelihood of retention of the management team and Board, the Board of Directors of the Company has authorized the issuance of the following Warrants to the following officers and directors:

Name	Number of Warrants
David A. Tenwick	472,832
Gary L. Wade	254,330
J. Michael Williams	222,314
Scott Cunningham	8,800
Andy Wade	13,638
Jacqueline N. Potter	8,000
Sharon L. Reynolds	7,600
Kimberlee A. Henry	8,000
Carol Groeber	7,600
Merle G. Kearns	2,000
Peter Hackett	4,000
Jeffrey L. Levine	14,000
Laurence E. Sturtz	43,840
Clarence Peterson	3,101*
Philip S. Radcliffe	22,250

The exercise price of the Warrants in each of the five years following the issuance of the Warrants is determined as follows:

Year	Exercise Price
2008	\$1.21
2009	\$2.25
2010	Price equal to the greater of (i) the average closing price of the Company's common stock on AMEX during the month of January, 2009; or (ii) \$3.00.

Edgar Filing: ADCARE HEALTH SYSTEMS INC - Form DEF 14A

- 2011 Price equal to the greater of (i) the average closing price of the Company's common stock on AMEX during the month of January, 2010; or (ii) \$3.00.
- 2012 Price equal to the greater of (i) the average closing price of the Company's common stock on APEX during the month of January, 2011; or (ii) \$3.00.

*Since Mr. Peterson left the Board June 6, 2008, his warrants are all fully vested with an exercise price of \$1.21 per share.

The Warrants are exercisable for a period of 10 years and vest equally over a period of five years; provided, however, that the vesting would be accelerated in the event that there is a change in control of the Company or in the event that the recipient is terminated by the Company without cause.

The Company's common stock is traded on the American Stock Exchange under the symbol ADK. Pursuant to Section 7.11 the Company guide of the American Stock Exchange, approval of the shareholders is required pursuant to any arrangement by which options or stock may be acquired by officers, directors, employees or consultants of a listed company. Therefore, a vote of the shareholders is being requested to approve the issuance of the Warrants in accordance with the requirements of the American Stock Exchange.

Executive Compensation

The following summary compensation table sets forth information regarding compensation paid during 2007 to our Principal Executive Officer, our Principal Financial Officer and our three most highly compensated officers other than the Principal Executive Officer (PEO) and the Principal Financial Officer (PFO).

(1) No element of All Other Compensation exceeded \$10,000 for the year ended December 31, 2007.

Employment Agreements

We entered into employment agreements with Mr. Tenwick, Mr. Wade, and Mr. Williams. The employment agreements were identical and provided for an initial employment term of three years starting April 1, 2005 and ending April 1, 2008, with base salaries of \$10,000 per month, a minimum salary increase of five percent per year, fringe benefits such as health and life insurance and inclusion in any option program that we may institute in the future. We are currently considering extensions of these employment agreements at this time.

The employment agreements with Mr. Wade, Mr. Williams, and Mr. Tenwick each provide that if they are terminated for any reason other than cause (which is defined as dishonesty in transactions with us, material disloyalty and/or the express refusal to perform services for us which may be properly requested), we are required to compensate them from the remaining term of their employment agreement plus one additional year. The employment agreements also provide that if Mr. Wade, Mr. Williams, or Mr. Tenwick leave voluntarily, or are terminated for cause, they may not compete with us within the State of Ohio for a period of one year following the termination.

Stock Incentive Plan

In August 2005, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The Option Plan authorizes the grant of options to purchase an aggregate of 200,000 shares of our common stock (adjusted for stock splits) both as incentive stock options as that term is defined under Section 422(A) of the Internal Revenue Code of 1986, as amended, and stock options which do not qualify as incentive stock options (non-qualified stock options). The Option Plan provides that the Board of Directors or the Compensation Committee appointed by the Board of Directors may grant options and otherwise administer the Option Plan. The exercise price of each incentive option must be at least 100% of the fair market value of the shares of our common stock at the date of grant, and no such option may be exercisable for more than ten years after the date of grant. However, the exercise price of each incentive stock option granted to any shareholder possessing more than 10% of the combined voting power of all classes of our capital stock on the date of grant must be not less than 110% of the fair market value on that date, and no such option may be exercisable more than five years after the date of grant. The exercise price of

each non-qualified stock option may be established by the Compensation Committee. As of the date of this proxy, 157,000 incentive stock options and 42,000 non-qualified stock options have been granted at an exercise price of \$1.50 per share under the 2005 option plan. A total of 5,000 of these options have been forfeited due to routine staff attrition.

In August 2004, we adopted a Stock Option Plan to secure for us and our shareholders the benefits arising from capital stock ownership by our officers, directors, employees, and consultants who are expected to contribute to our future growth and success. The terms and conditions of this plan is exactly the same as the August 2005 Option Plan. As of the date of this proxy, 98,200 incentive stock options and 16,000 non-qualified stock options have been granted at an exercise price of \$2.50 per share under the 2004 Option Plan. A total of 19,400 of these options have been forfeited due to routine staff attrition.
