TO THE STOCKHOLDERS OF iLINC COMMUNICATIONS, INC.

You are cordially invited to attend the 2005 Annual Meeting of Stockholders (the "Meeting") of iLinc Communications, Inc. (the "Company"), to be held on August 19, 2005, at 9:00 a.m., local time, at the Company's offices, 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018.

At this meeting in addition to the election of directors and the appointment of auditors, you are being asked to approve the amendment to the Company's stock option plan that would increase the number of shares of the Company's common stock that are available for issuance under the plan to a total of 5.5 million shares and would extend the term of the plan until 2015. The Company is proposing to increase the number of shares available to allow it the ability to provide necessary incentives to its employees and directors. The Company has issued almost all of the maximum number originally available under the plan. Without approval of this amendment little to no further options may be issued to our employees, directors or others eligible under the plan. THE COMPANY'S BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE PROPOSALS TO AMEND THE PLAN AND RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE PROPOSAL.

All shares represented by properly executed proxies will be voted in accordance with the specifications on the enclosed proxy. If no specification is made, proxies will be voted for approval of the proposals. The affirmative vote of a majority of the outstanding shares of common stock is required to approve the proposals. Detailed information concerning the proposals are set forth in the attached proxy statement which we urge you to read carefully and promptly return your proxy.

Please read the enclosed 2005 Annual Report to Stockholders and Proxy Statement and take the time to vote. Whether or not you plan to attend the Meeting, please sign, date, and return the proxy card in the enclosed envelope as soon as possible so that your vote will be recorded. If you received a proxy card with a Web site address and voting codes, we urge you to vote on the Internet at the Web site indicated in the materials, found at www.proxyvote.com.

PROXY STATEMENT

GENERAL INFORMATION

The enclosed proxy is solicited by and on behalf of the Board of Directors of iLinc Communications, Inc., (the "Company"), for use at the Company's 2005 Annual Meeting of Stockholders (the "Meeting" or the "Annual Meeting") to be held at 9:00 a.m., local time, on August 19, 2005, at 2999 North 44th Street, Suite 650, Phoenix, Arizona 85018, and at any and all adjournments thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the stockholders of the Company on or about July 14, 2005.

The Company is mailing its 2005 Annual Report to Stockholders, including consolidated financial statements, simultaneously with this Proxy Statement to all stockholders of record as of the close of business on July 1, 2005. That report does not constitute a part of this proxy solicitation material.

INFORMATION CONCERNING SOLICITATION AND VOTING

All voting rights are vested exclusively in the holders of the Company's common stock, par value \$0.001 per share. Each share of the Company's common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the Meeting, when present in person or by proxy constitute a quorum. On July 1, 2005, the record date for stockholders entitled to vote at the Meeting, 24,144,875 shares of the Company's common stock were issued and outstanding.

Proxies in the enclosed form will be effective if properly executed and returned prior to the Meeting in the enclosed envelope either to ADP Investor Communication Services, 51 Mercedes Way, Edgewood, NY 11717 or to the Company at 2999 N. 44th Street, Suite 650, Phoenix, Arizona 85018. The Company's common stock represented by each effective proxy will be voted at the Meeting in accordance with the instruction on the proxy. If no instructions are indicated on a proxy, all common stock represented by such proxy will be voted (a) FOR election of the two nominees named in the proxy as Class A directors; (b) FOR approval of the amendment to the Company's Stock Compensation Plan to increase the number of authorized shares available for issuance under that plan from 3,500,000 to 5,500,000 and to extend the term of the Plan until July 1, 2015; (c) FOR approval and ratification of the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2006; and (d) as to any other matters of business which properly come before the Meeting, by the named proxies at their discretion.

Any stockholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company, by voting in person at the Meeting or by filing at the Meeting a later executed proxy.

When a quorum is present, in the election of directors, the nominees having the highest number of votes cast in favor of their election will be elected to the Company's Board of Directors. With respect to the proposal to approve the amendment to the Company's Stock Compensation Plan to increase the number of

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

authorized shares available for issuance under that plan from 3,500,000 to 5,500,000 and to extend the term of the Plan until July 1, 2015, the affirmative vote of a majority of the shares present or represented by proxy at the meeting is required. With respect to the proposal to ratify the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2006, the affirmative vote of a majority of the shares present or represented by proxy at the meeting is required. With respect to any other matter which may properly come before the Meeting, unless a greater number of votes is required by law or by the Company's restated certificate of incorporation, a matter will be approved by the stockholders if the votes cast in favor of the matter exceed the votes cast in opposition.

Abstentions, broker non-votes (i.e., shares held by brokers or nominees as to which the broker or nominee indicates on a proxy that it does not have discretionary authority to vote) and any other shares not voted will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Abstentions and broker non-votes which may be specified on the proposal to ratify the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2006, will have the same

-4-

effect as a vote against that proposal. Abstentions and broker non-votes which may be specified on the proposal to approve the amendment to the Company's Stock Compensation Plan to increase the number of authorized shares under that plan to 5,500,000 and to extend the term of the Plan until July 1, 2015, will have the same effect as a vote against that proposal. For purposes of determining the outcome of the election of the directors, or of any other matter which properly may come before the Meeting, abstentions and broker non-votes will not be considered as votes cast for or against the matter. Thus, abstentions and broker non-votes will have no impact in the election of the two Class A directors, or any other matter which properly may come before the Meeting so long as a quorum is present.

The Company will pay the cost of soliciting proxies in the accompanying form. The Company has retained the services of ADP Investor Communication Services to assist in distributing proxy materials to brokerage houses, banks, custodians and other nominee holders. The estimated cost of such services is approximately \$5,000 plus out-of-pocket expenses. Although there are no formal agreements to do so, proxies may be solicited by officers and other regular employees of the Company by telephone, telegraph or by personal interview for which employees will not receive additional compensation. Arrangements also may be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred by them in so doing.

PROPOSAL ONE: ELECTION OF DIRECTORS

GENERAL

The Company's restated certificate of incorporation provides for the classification of the Company's Board of Directors into three classes. The term of office of the Class A directors expires at this Annual Meeting of Stockholders; the term of office of the Class B directors expires at the Company's 2006 Annual Meeting of Stockholders and the term of office of the Class C directors expires at the Company's 2007 Annual Meeting of Stockholders. Two Class A nominees are proposed to be re-elected at this Annual Meeting to serve for a three-year term to last until the 2008 Annual Meeting of Stockholders or until their successors are duly elected and have been qualified.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

The nominees for Class A directors will be elected by a plurality of the votes cast, assuming a quorum is present at the Annual Meeting. Accordingly, abstentions and broker non-votes will have no effect on the election of the nominee director.

Proxies cannot be voted for a greater number of persons than the number of nominees named therein. Unless authority to vote is withheld, the persons named in the enclosed form of proxy will vote the shares represented by such proxy for the election of the nominee for director named below. If, at the time of the Meeting, the nominee shall have become unavailable for any reason for election as a director, the persons entitled to vote the proxy will vote for such substitute nominee, if any, as they determine in their discretion. Management is currently unaware of any circumstances likely to render the nominee unavailable for election or unable to serve.

VOTE REQUIRED AND BOARD RECOMMENDATION

WHEN A QUORUM IS PRESENT, IN THE ELECTION OF DIRECTORS, THE NOMINEES HAVING THE HIGHEST NUMBER OF VOTES CAST IN FAVOR OF THEIR ELECTION WILL BE ELECTED TO THE COMPANY'S BOARD OF DIRECTORS. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINATED DIRECTORS. PROXIES SOLICITED AND GATHERED BY THE BOARD WILL BE VOTED IN FAVOR OF THE NOMINEES UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL TWO: AMENDMENT OF THE STOCK OPTION PLAN

The Board of Directors has adopted and recommends the approval of an amendment to increase the number of authorized shares available for issuance under the Company's Stock Compensation Plan from 3,500,000 to 5,500,000 and to extend the term of the Stock Compensation Plan until July 1, 2015 (the "Amendment"). A copy of the Stock Compensation Plan as amended and approved by the Board of Directors is attached as Exhibit "A." The approved and amended Plan includes amendments to provisions of the Plan that relate to the elimination of definitions and references related to the Company's Discontinued Operations that did not require stockholder approval. Since inception of the Plan and as of May 31, 2005, the Company had granted total stock options and restricted stock awards to purchase 3,111,381 shares of the Company's common stock, of that amount the Company granted incentive stock options to purchase 1,500,026 shares of common stock, nonstatutory stock options to purchase 1,161,355 shares of common stock, and a restricted stock award to purchase 450,000 shares of common stock. There are currently 3,500,000 shares authorized for issuance under the Stock Compensation Plan leaving 207,251 shares available for issuance. As of May 31, 2005, a total of 181,368 of stock options have been exercised. The closing price of the Company's common stock on the American Stock Exchange was \$0.30 on May 31, 2005.

THE STOCK COMPENSATION PLAN

Subject to stockholder approval, the Board of Directors has adopted the Amendment to the Stock Compensation Plan. The purpose of the Stock Compensation Plan is to strengthen the ability of the Company to attract and retain

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

well-qualified executive and managerial personnel, to furnish additional incentive to those persons responsible for the successful management and operation of the Company, and thereby to enhance stockholder value. The Company's plan includes the utilization of options in its acquisition strategy and the issuance of options to all employees.

The Stock Compensation Plan requires that the exercise price for each incentive and nonstatutory stock option must not be less than 100% of the fair market value per share of the common stock at the time the option is granted. No incentive stock option, however, may be granted to an employee who owns more than 10% of the total combined voting power of all classes of outstanding stock of the company unless the option price is at least 110% of the fair market value of the common stock at the date of grant and the option period is not more than five years from the date of grant. No employee may be granted incentive stock options that first become exercisable during a calendar year to purchase common stock, or stock of any affiliate (or a predecessor of the company or an affiliate), with an aggregate fair market value (determined as of the date of grant of each option) in excess of \$100,000. An incentive stock option counts against the annual limitation only in the year it first becomes exercisable. Incentive stock options may be granted only to employees of the company. The Plan permits the granting of restricted stock awards in addition to incentive and nonstatutory stock options.

The time period during which an option may be exercised by the holder may not be more than ten years from the date the option is granted. Options may be exercised as provided in the option agreement and as may be specified by the full Board or the Compensation Committee if so authorized. All vested portions that become exercisable are cumulative and may be exercised at any time after they become exercisable until the option expires. Options are not assignable or transferable other than by will or the laws of descent and distribution or between spouses or incident to divorce.

Full payment for shares purchased upon exercise of an option must be made at the time of exercise. No shares may be issued until full payment is made. The Stock Compensation Plan provides that an option agreement may permit an optionee to pay by means of cash, check or cashless exercise involving the sale of shares by, or a loan from, a broker. Unless sooner terminated by action of the Board of Directors, and unless the Amendment is authorized, the Stock Compensation Plan will terminate on July 1, 2007.

-7-

The Board of Directors has retained the right to amend or terminate the Stock Option Plan, as it deems advisable. However, no amendment shall be made to materially increase the number of shares of stock which may be optioned under the Stock Compensation Plan or the number of options that may be granted to any individual optionee, materially modify the requirements as to eligibility for participation in the Stock Compensation Plan or materially increase the benefits which may accrue to participants under the Stock Compensation Plan without submitting such amendments to the stockholders for approval. In addition, no amendment to, or termination of the Stock Compensation Plan shall impair the rights of any individual under options previously granted without such individual's consent.

FEDERAL INCOME TAX CONSEQUENCES

No tax obligation will arise for the optionee or the Company upon the granting of either incentive stock options or non-qualified stock options under the Stock Compensation Plan. Upon exercise of a non-qualified stock option, an optionee will recognize ordinary income in an amount equal to the excess, if any, of the

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

fair market value, on the date of exercise, of the stock acquired over the exercise price of the option. Thereupon, the Company will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee. Any additional gain or loss realized by an optionee on disposition of the shares generally will be capital gain or loss to the optionee and will not result in any additional tax deduction to the Company. The taxable event arising from exercise of non-qualified stock options by officers of the Company subject to Section 16(b) of the Securities Exchange Act of 1934 occurs on the later of the date on which the option is exercised or the date six months after the date the option was granted unless the optionee elects, within 30 days of the date of exercise, to recognize ordinary income as of the date of exercise. The income recognized at the end of any deferred period will include any appreciation in the value of the stock during the period and the capital gain holding period will not begin to run until the completion of such period.

Upon the exercise of an incentive stock option, an optionee recognizes no immediate taxable income. The tax cost is deferred until the optionee ultimately sells the shares of stock. If the optionee does not dispose of the option shares within two years from the date the option was granted and within one year after the exercise of the option, and the option is exercised no later than three months after the termination of the optionee's employment, the gain on the sale will be treated as long term capital gain. Subject to the limitations in the Stock Compensation Plan, certain of these holding periods and employment requirements are liberalized in the event of the optionee's death or disability while employed by the Company. The Company is not entitled to any tax deduction, except that if the stock is not held for the full term of the holding period outlined above, the gain on the sale of such stock, being the lesser of (i) the fair market value of the stock on the date of exercise minus the option price, and (ii) the amount realized on disposition minus the option price, will be taxed to the optionee as ordinary income and the Company will be entitled to a deduction in the same amount. Any additional gain or loss realized by an optionee upon disposition of shares prior to the expiration of the full term of the holding period outlined above generally will be capital gain or loss to the optionee and will not result in any additional tax deduction to the Company. The "spread" upon exercise of an incentive stock option constitutes a tax preference item within the computation of the "alternative minimum tax" under the Internal Revenue Code. The tax benefits, which might otherwise accrue to an optionee, may be affected by the imposition of such tax if applicable to the optionee's individual circumstances.

Other than the options to acquire 2,661,381 shares and a restricted stock award to purchase 450,000 shares of common stock that have been issued under the Stock Compensation Plan as of May 31, 2005 no additional options have been conditionally granted by the Company. Currently, only 207,251 shares of the Company's common stock are available for grant under the Plan. If the Amendment to increase the number of shares available under the Plan is approved, there will be 2,207,251 shares available for future option grants by the Company.

VOTE REQUIRED AND BOARD RECOMMENDATION

THE AMENDMENT TO THE STOCK OPTION PLAN MUST BE APPROVED BY THE HOLDERS OF A MAJORITY OF SHARES PRESENT OR REPRESENTED BY PROXY AT THE MEETING AND VOTING ON THE PROPOSAL. THE BOARD OF DIRECTORS RECOMMENDS A VOTE "TO APPROVE" THE AMENDMENT TO INCREASE THE NUMBER OF AUTHORIZED SHARES AVAILABLE FOR ISSUANCE UNDER THE STOCK COMPENSATION PLAN FROM 3,500,000 TO 5,500,000 AND TO EXTEND THE TERM OF THE PLAN UNTIL JULY 1, 2015. PROXIES SOLICITED AND GATHERED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL THREE: APPROVAL AND RATIFICATION OF INDEPENDENT ACCOUNTANTS

CHANGE IN INDEPENDENT ACCOUNTANTS: On December 14, 2004, BDO Seidman, LLP

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

resigned as the Company's independent accountants. BDO Seidman, LLP audited the consolidated financial statements of the Company for the fiscal years ending March 31, 2003 and March 31, 2004. On December 16, 2004 the Company engaged

-8-

Epstein Weber & Conover, PLC as the Company's independent accountants. The Company's Audit Committee and Board of Directors participated in and approved the decision to engage Epstein Weber & Conover, PLC as independent accountants of the Company. Epstein Weber & Conover, PLC audited our financial statements for the fiscal year ending March 31, 2005. The Audit Committee and the Board of Directors unanimously recommends that stockholders vote to approve and ratify the appointment of Epstein Weber & Conover, PLC as the Company's independent accountants for the fiscal year 2006. Representatives of Epstein Weber & Conover, PLC are expected to be present at the Meeting, will have an opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The reports of BDO Seidman, LLP on the consolidated financial statements for the fiscal years ended March 31, 2003 and 2004, respectively, contained no adverse opinion or disclaimer of opinion and were not qualified as to audit scope or accounting principle except that the report for the fiscal year ending March 31, 2003, and 2004 contained an explanatory paragraph expressing substantial doubt regarding the Company's ability to continue as a going concern. In connection with its audits for the fiscal years ended March 31, 2003 and 2004, respectively, and through December 14, 2004, there have been no disagreements with either BDO Seidman, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of BDO Seidman, LLP would have caused them to make reference thereto in their report on the consolidated financial statements for such years. During the fiscal years ended March 31, 2003 and 2004, respectively, and through December 14, 2004, there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)). COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

OVERVIEW

The Compensation Committee is responsible for establishing a general compensation policy for officers and employees of the Company, preparing any reports that may be required relating to officer compensation and approving any increases in director's fees. The Compensation Committee consists of Mr. Petzold, Chairman, and Mr. Stull. In the fiscal year 2005, the Compensation Committee approved, or in some cases recommended to the Board for the Board's approval, remuneration arrangements and compensation plans involving the Company's directors, executive officers and certain other employees whose compensation exceeds specified levels. The Compensation Committee recommends to the Board the level of stock options that should be granted to employees, including executive officers under the Company's Stock Compensation Plan.

The Company's executive compensation program has been designed to assist the Company in attracting, motivating and retaining the executive talent necessary for the Company to maximize its return to stockholders. To this end, this program provides competitive compensation levels and incentive pay levels that vary based on corporate and individual performance.

The Company's compensation program for executives consists of three key elements: a base salary, a performance-based annual bonus, and periodic grants of stock options.

-16-

The Compensation Committee believes that this three-part approach best serves the interests of the Company and its stockholders. It enables the Company to meet the requirements of the highly competitive environment in which the Company operates while ensuring that executive officers are compensated in a way that advances both the short-term and long-term interests of its stockholders. Under this approach, compensation for these officers involves a high proportion of pay that is dependent on maximizing returns to stockholders. The annual bonus payable for the fiscal year 2005 had not yet been determined or accrued as of March 31, 2005, but will depend on the Company's operational performance in the fiscal year 2005 and other individual factors including certain revenue targets.

BASE SALARY

Base pay is designed to be competitive with salary levels for comparable executive positions at other companies and the Compensation Committee reviews such comparable salary information as one factor to be considered in determining the base pay for the Company's executive officers. Other factors the Compensation Committee considers in determining base pay for each of the executive officers are that officer's responsibilities, experience, leadership, potential future contribution and demonstrated individual performance. The Company has employment agreements with its Chief Executive Officer and certain of the other Named Executive Officers. These agreements provide for a minimum annual base salary the Company may increase, but cannot decrease. Any increase in these base salaries of the Company's executive officers will be based on recommendations by the Company's Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the executive officer. Performance for base salary purposes will be assessed on a qualitative, rather than a quantitative, basis. No specific performance formula or weighting of factors will be used in determining base salary levels.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

ANNUAL BONUS

For the fiscal year 2005, the Company determined that it was their preference to compensate the executive officers both with cash bonuses and in the form of long-term, equity-based compensation through the award of stock options. Cash bonus payments related to fiscal 2005 performance had not yet been determined or accrued as of March 31, 2005. The Compensation Committee expects to base future annual bonuses on the Company's financial performance and the individual performance of the employees, and intends to use qualitative and quantitative factors for this purpose that will include the level of revenues, operating profit and other financial measures appropriate to each position.

STOCK PLAN

The objectives of the Stock Plan are to (i) attract and retain superior personnel for positions of substantial responsibility and (ii) provide employees, non-employee directors and advisors with an additional incentive to contribute to the success of the Company.

Stock options align the interests of employees and stockholders by providing value to option holders through stock price appreciation only. The Compensation Committee expects that it will make future stock option or other long-term equity-based incentive awards periodically at its discretion based on recommendations of the Chief Executive Officer. Stock option grant sizes, in general, will be evaluated by regularly assessing competitive market practices, the overall performance of the Company, the size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including that executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company. This posture with regard to stock options is intended to focus management's efforts on maximizing stockholder returns. The number of options granted to a particular participant will also be based on the Company's historical financial success, its future business plans and the individual's position and level of responsibility within the Company, but these factors will be assessed subjectively and not weighted.

During fiscal year 2005 the Company issued 297,000 incentive and 335,900 non statutory stock option to employees under the Stock Plan providing for the purchase of shares of the Company's common stock, par value per share of \$0.001 as follows: 22,000 shares were issued at an exercise price of \$1.10 per share; 41,000 shares were issued at an exercise price of \$1.00 per share; 225,000 shares were issued at an exercise price of \$0.80 per share; and 344,900 shares were issued at an exercise price of \$0.50 per share. All the options granted vest as follows: twenty-five percent (25.000%) of the options shall be vested six (6) months from Date of Grant; and thereafter beginning on the first day of the following month one thirty-sixth (1/36) of the remaining portion shall vest on the first day of each month, from month to month, until fully vested.

-17-

FISCAL YEAR 2005 CHIEF EXECUTIVE OFFICER PAY

As described above, the Compensation Committee considers several factors in developing an executive compensation package. For the Chief Executive Officer, these factors will include competitive market pay practices, performance level, experience, contributions toward achievement of strategic goals and the overall financial and operations success of the Company.

Edgar Filing: ILINC COMMUNICATIONS INC - Form DEF 14A

The Company entered into an initial employment agreement with Mr. Powers, the Company's Chief Executive Officer, in November 1998. The Company entered into a subsequent employment agreement with Mr. Powers in November 2000 upon expiration of the initial agreement. That agreement has a continuous two-year term at an initial base compensation rate of \$225,000 per annum. Mr. Powers is eligible to receive an annual cash bonus in an amount up to 35% of his base salary upon achievement of certain performance targets. The Compensation Committee monitors trends in this area, as well as changes in law, regulation and accounting practices, that may affect either its compensation practices or its philosophy. Accordingly, the Committee reserves the right to alter its approach in response to changing conditions.

The entire principal balance of the loan remains outstanding. The loan bears interest at the rate of 5.62% per annum. All principal and accrued, but unpaid interest shall be due and payable on April 12, 2012. No interim payments on principal or interest are required. The loan and the obligations arising thereunder are secured by a first lien security interest in and to the 450,000 shares of the Company's common stock granted to Mr. Powers in his Restricted Stock Award Agreement dated December 3, 2001. The Company recognized a \$179,000 charge to income at the date of the grant.
