Committee but shall not be less than 100% of the fair market value of a share on the date of grant. The term of each option will be fixed by the Stock Option Committee, but may not exceed 10 years from the date of the grant in the case of an ISO or 10 years and two days from the date of the grant in the case of a Non-Qualified Stock Option. In the case of 10% stockholders, no ISO shall be exercisable after the expiration of five (5) years from the date the ISO is granted.

4. Stock Appreciation Rights. Non-transferable stock appreciation rights ("SAR's") may be granted in conjunction with options, entitling the holder upon exercise to receive an amount in any combination of cash or unrestricted common stock of the Company (as determined by the Stock Option Committee), not greater in value than the increase since the date of grant in the value of the shares covered by such right. Each SAR will terminate upon the termination of the related option.

5. Restricted Stock. Restricted shares of the common stock may be awarded by the Stock Option Committee subject to such conditions and restrictions as they may determine. The Stock Option Committee shall also determine whether a recipient of restricted shares will pay a purchase price per share or will receive such restricted shares without, any payment in cash or property. No Restricted Stock Award may provide for restrictions beyond ten (10) years from the date of grant.

6. Performance Stock. Performance shares of Common Stock may be awarded without any payment for such shares by the Stock Option Committee if specified performance goals established by the Committee are satisfied. The designation of an employee eligible for a specific Performance Stock Award shall be made by the Committee in writing prior to the beginning of the period for which the performance is based. The Committee shall establish the maximum number of shares to stock to be issued to a designated Employee if the performance goal or goals are met. The committee reserves the right to make downward adjustments in the maximum amount of an Award if, in its discretion unforeseen events make such adjustment appropriate. The Committee must certify in writing that a performance goal has been attained prior to issuance of any certificate for a Performance Stock Award to any Employee.

13

7. Bonus Stock. The committee may award shares of Common Stock to Eligible Persons, without any payment for such shares and without any specified performance goals. The Employees eligible for bonus Stock Awards are senior officers and consultants of the Company and such other employees designated by the Committee.

8. Transfer Restrictions. Grants under the Plan are not transferable except, in the event of death, by will or by the laws of descent and distribution.

9. Termination of Benefits. In certain circumstances such as death, disability, and termination without cause, beneficiaries in the Plan may exercise Options, SAR's and receive the benefits of restricted stock grants following their termination or their employment or tenure as a Director as the case may be.

10. Change of Control. The Plan provides that (a) in the event of a "Change of Control" (as defined in the Plan), unless otherwise determined by the Stock Option Committee prior to such Change of Control, or (b) to the extent expressly provided by the Stock Option Committee at or after the time of grant, in the event of a "Potential Change of Control" (as defined in the Plan), (i)

Edgar Filing: SIRICOMM INC - Form DEF 14A

all stock options and related SAR's (to the extent outstanding for at least six months) will become immediately exercisable: (ii) the restrictions and deferral limitations applicable to outstanding restricted stock awards and deferred stock awards will lapse and the shares in question will be fully vested: and (iii) the value of such options and awards, to the extent determined by the Stock Option Committee, will be cashed out on the basis of the highest price paid (or offered) during the preceding 60-day period, as determined by the Stock Option Committee. The Change of Control and Potential Change of Control provisions may serve as a disincentive or impediment to a prospective acquirer of the Company and, therefore, may adversely affect the market price of the common stock of the Company.

11. Amendment of the Plan. The Plan may be amended from time to time by majority vote of the Board of Directors provided as such amendment may affect outstanding options without the consent of an option holder nor may the plan be amended to increase the number of shares of common stock subject to the Plan without stockholder approval.
