### Item 3. Source and Amount of Funds or Other consideration.

On July 14, 2004, and effective as of June 30, 2004, Tenet Information Services, Inc. ("Tenet") and Let's Go Aero Inc., Colorado Springs, Colorado, ("LGA") entered into a definitive agreement for LGA's shareholders to acquire a controlling interest in Tenet through a stock-for-stock exchange. All of LGA's shareholders will exchange all of their 2,640.93 shares of LGA common stock for a total of 5,762,232 newly issued shares of Tenet's \$.001 par value common stock. The 14 former LGA shareholders will then own in the aggregate 85% of the issued and outstanding shares of Tenet.

Mr. Williams obtained his 1,855,000 shares of Tenet (in joint ownership with his spouse) through exchange of his 850.18 shares of LGA (in joint ownership with his spouse) and obtained 386,742 options to acquire Tenet shares of common stock through exchange of his options to acquire 180 shares of LGA common stock (90 of which are owned by his spouse).

### Item 4. Purpose of Transaction.

The purposes of the acquisition were (1) for the former shareholders of LGA to acquire control of a public company that had no business operations, yet which had some cash that could be used to fund operations of LGA, (2) to improve LGA's ability to raise additional working capital, and (3) to provide an incentive for holders of LGA convertible notes to convert the approximate \$1.3 million in principal and interest due on such notes to common stock. Mr. Williams was a note holder (with his spouse) and received 127.18 shares of LGA as a consequence of the conversion.

The former Directors of Tenet appointed Marty Williams and Sara Williams as Directors of Tenet pursuant to the terms of the Acquisition Agreement, Stock for Stock. Marty Williams was appointed by the new Tenet Board of Directors as President, Chief Executive Officer and Chairman of the Board of Tenet and Sara Williams was appointed as Secretary, Treasurer and Chief Financial Officer of Tenet. Under the terms of that same agreement, Jerald L. Nelson and Fred J. Anderson resigned as officers and Directors of Tenet. Eric J. Nickerson continued his position as a Director of Tenet.

As a result of the exchange of shares, Tenet now holds LGA as a wholly owned subsidiary. Therefore, Tenet has effectively acquired all of the assets of LGA. Tenet will also move its principal office and business operations to 3380 North El Paso Street, Suite G, Colorado Springs, Colorado 80907.

Prior to the acquisition, Tenet, as a result of the sale of all its remaining operations on October 22, 2003, was a publicly traded company with no business operations, but with approximately \$200,000 in cash and receivables after subtraction of liabilities. Tenet had 1,016,860 shares of common stock outstanding at June 30, 2004, just prior to the effective date of the acquisition.

LGA was a privately held company and is a product design and engineering company based in Colorado Springs, Colorado. It develops and sells novel cargo management solutions for the automotive, recreational vehicle and recreation industries.

Mr. Williams personally is not a party to the Acquisition Agreement, but has executed a Subscription Agreement between Tenet and him with respect to the exchange of his shares of LGA.
