PART III
NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Force Protection, Inc. (Force Protection or the Company) has determined that it is unable to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2008 (the 2008 Form 10-K) by the prescribed due date. As previously reported in the Company s Current Report on Form 8-K filed with the Securities and Exchange Commission (the Commission) on January 16, 2009, the Company was informed by the staff of the Commission (the Staff) on December 23, 2008 that, as a result of the deregistration of one of the Company s prior auditors, Jaspers + Hall, PC in October 2008, the Staff believed that the Company should have a firm currently registered with the Public Company Accounting Oversight Board (the PCAOB) re-audit the Company s consolidated financial statements for the fiscal year ended December 31, 2006, if such audit report is required to be included in any future filings with the Commission. The audit report of the Company s consolidated financial statements for the fiscal year ended December 31, 2006, is required to be filed with the Company s 2008 Form 10-K. On January 12, 2009, the Staff denied the Company s request for relief from the requirement to obtain a re-audit by a registered public accounting firm currently registered with the PCAOB with respect to the Company s consolidated financial statements for the fiscal year ended December 31, 2006.

In response to the Staff s decision, on January 24, 2009, the Company s Audit Committee engaged Grant Thornton LLP (Grant Thornton), the Company s current independent registered public accounting firm, to re-audit the Company s consolidated financial statements for the fiscal year ended December 31, 2006. Grant Thornton is currently registered with the PCAOB, and on April 10, 2008, was engaged as the Company s independent registered public accounting firm for the fiscal years ended December 31, 2007 and ending December 31, 2008.

As a result of the timing of the notification by the Staff of the requirement to obtain a re-audit of the Company s consolidated financial statements for the fiscal year ended December 31, 2006, as well as the required procedures and time to conduct such re-audit, the Company was unable to provide all the necessary work papers to Grant Thornton in time to permit such re-audit to be completed by the prescribed due date. Therefore, it is not practicable for the Company to file the 2008 Form 10-K by the prescribed due date without unreasonable effort or expense. The Company is working as expeditiously as possible to provide all the necessary information and obtain the re-audit of the Company s consolidated financial statements for the fiscal year ended December 31, 2006 which is required to be included in the Company s 2008 Form 10-K, and intends to file the 2008 Form 10-K with the Commission promptly upon the completion of such re-audit.

Forward-Looking Statements

The information provided in this notification includes forward-looking statements, including statements regarding Force Protection s ability to file the 2008 Form 10-K and the ability of Grant Thornton, the Company s independent registered public accounting firm, to complete the re-audit of the Company s consolidated financial statements for the fiscal year ended December 31, 2006.

Statements that are not historical facts, including statements about the Company s beliefs and expectations, are forward-looking statements. These statements are based on beliefs and assumptions by Force Protection s management, and on information currently available to management. Forward-looking statements speak only as of the date they are made, and Force Protection undertakes no obligation to update any of them publicly in light of new information or future events. The increase in net sales was primarily due to contracts awarded to the Company under the United States military's Mine Resistant Ambush Protected vehicle program.
