**Item 1.01. Entry into a Material Definitive Agreement.**

On January 30, 2013, Scientific Games Corporation, a Delaware corporation ( Scientific Games ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with WMS Industries Inc., a Delaware corporation ( WMS ), Scientific Games International, Inc., a Delaware corporation and a wholly owned subsidiary of Scientific Games ( Financing Sub ), and SG California Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Scientific Games ( Merger Sub ). The board of directors of each of Scientific Games and WMS unanimously approved the Merger Agreement.

The Merger Agreement provides for the merger of Merger Sub with and into WMS (the Merger ), with WMS surviving the Merger as a wholly owned subsidiary of Scientific Games. In the Merger, each outstanding share of common stock, par value \$0.50 per share, of WMS ( Share ), other than any dissenting Shares, restricted Shares, Shares held by Scientific Games or Merger Sub and WMS treasury shares, will be cancelled and converted into the right to receive \$26.00 in cash, without interest (the Merger Consideration ).

At the Effective Time (as defined in the Merger Agreement), each outstanding WMS stock option granted prior to January 30, 2013 will be cancelled in exchange for the right of the holder to receive a lump sum cash payment equal to the number of Shares underlying the WMS stock option multiplied by the excess of the Merger Consideration over the exercise price, if any. In addition, each outstanding award of WMS restricted Shares, restricted stock units or phantom units will be cancelled as of the Effective Time, in exchange for the right of the holder to receive a lump sum cash payment equal to the Merger Consideration multiplied by the number of Shares underlying each award, except for certain equity awards that are permitted to be granted by WMS following January 30, 2013 (including employee stock options), which will be converted into equivalent awards of Scientific Games using a customary exchange ratio of WMS stock price to Scientific Games stock price on the closing date. As of the Effective Time, each outstanding award of WMS performance units will be cancelled in exchange for the right of the holder to receive a lump sum cash payment equal to the Merger Consideration multiplied by the number of Shares underlying the performance units at the applicable payout percentage, which will be 100% unless the relevant performance targets are met or exceeded as of the Effective Time, in which case the payout percentage will be determined based on actual performance.

The closing of the Merger is subject to customary closing conditions, including but not limited to (i) approval of the Merger by WMS stockholders, (ii) absence of any change, effect, development or circumstance since January 30, 2013 that, individually or in the aggregate, constitutes or is reasonably likely to constitute a Company Material Adverse Effect (as defined in the Merger Agreement), (iii) expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and (iv) receipt of specified licenses, permits, and other approvals relating to WMS gaming operations issued by certain governmental authorities. The parties have agreed that receipt of gaming approvals from approximately 50 jurisdictions is a condition to closing of the Merger, provided that receipt of gaming approvals from approximately 30 of these jurisdictions will cease to be a condition to closing from and after October 31, 2012. We believe that the approximately 50 jurisdictions include the material jurisdictions from which gaming approvals will be required prior to closing. We believe that the approximately 20 jurisdictions with respect to which approvals are a condition to any closing include the material jurisdictions where we anticipate longer lead times for obtaining approvals. Scientific Games is entitled to a 20 consecutive business day financing marketing period if all gaming approvals are received prior to October 31, 2013. Closing is not subject to any financing condition or a vote of Scientific Games stockholders.

Under the Merger Agreement, WMS may not initiate, solicit or knowingly encourage competing proposals or participate in any discussions or negotiations regarding alternative business combination transactions.

The Merger Agreement contains certain termination rights for both Scientific Games and WMS and further provides that, in connection with termination of the Merger Agreement under specified circumstances, (i) Scientific Games may be required to pay to WMS a termination fee of \$100,000,000 if all the conditions to closing have been met and the Merger is not consummated because of a breach by Scientific Games lenders

of

their obligations to finance the transaction, (ii) Scientific Games may be required to pay to WMS a termination fee of \$80,000,000 if Scientific Games is unable to obtain the gaming approvals that are conditions to closing prior to the termination date, and (iii) WMS may be required to pay to Scientific Games a termination fee of \$44,300,000 under specified circumstances, including, but not limited to, a change in the WMS board's recommendation of the Merger or termination of the Merger Agreement by WMS to enter into a written definitive agreement for a superior proposal (as defined in the Merger Agreement).

The Merger Agreement contains customary representations, warranties and covenants by Scientific Games, Merger Sub, and WMS, including (i) covenants generally requiring WMS to operate its business in the ordinary course prior to the closing, (ii) covenants generally requiring the respective parties to use reasonable best efforts to cause the transaction to be consummated, and (iii) subject to certain exceptions, covenants requiring WMS to call and hold a special stockholders' meeting and recommend adoption of the Merger Agreement.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated into this report by this reference.

In connection with the Merger Agreement, Scientific Games and Financing Sub entered into a commitment letter, dated January 30, 2013 (the Debt Commitment Letter), with Bank of America, N.A. (BOA), Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill), Credit Suisse AG (CS), Credit Suisse Securities (USA) LLC (CSS), UBS AG, Stamford Branch (UBS) and UBS Securities LLC (UBSS), and together with BOA, Merrill, CS, CSS and UBS, the Commitment Parties), pursuant to which the Commitment Parties have agreed to provide the financing necessary to fund the consideration to be paid pursuant to the terms of the Merger Agreement (the Debt Commitment Financing).

The Debt Commitment Financing is anticipated to consist of borrowings by Financing Sub under the following facilities:

- a senior secured first-lien term loan facility in a total principal amount of \$2,300 million; and
- a senior secured first-lien revolving credit facility in a total principal amount of \$300 million.

The funding of the Debt Commitment Financing is contingent on the satisfaction of certain conditions set forth in the Debt Commitment Letter.

The foregoing description of the Debt Commitment Letter does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Debt Commitment Letter, a copy of which is filed herewith as Exhibit 10.1 and is incorporated into this report by this reference.
