Item 1.01. Entry Into a Material Definitive Agreement.

Private Placement of Additional 6.375% Senior Notes due 2021

On March 11, 2014, Select Medical Corporation (the "Company"), a wholly owned subsidiary of Select Medical Holdings Corporation, issued and sold \$110.0 million in aggregate principal amount of its 6.375% senior notes due 2021 (the "Additional Notes") as additional notes under the indenture pursuant to which it previously issued \$600.0 million of 6.375% senior notes due 2021 (the "Original Notes" and, together with the New Notes, the "Notes"). The Additional Notes are senior unsecured obligations of the Company and are fully and unconditionally guaranteed by certain subsidiaries of the Company. The Additional Notes were offered in the United States to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act pursuant to the Indenture (the "Indenture"), dated May 28, 2013, by and among the Company, the guarantors named therein and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by the Supplemental Indenture (the "Supplemental Indenture"), dated March 11, 2014, by and among the Company, the guarantors named therein and the Trustee.

The Supplemental Indenture permits the Company to issue the Additional Notes under the terms of the Indenture, at an issue price of 101.500% of the principal amount.

Interest on the Additional Notes accrues at the rate of 6.375% per annum beginning on March 11, 2014 and is payable semi-annually in cash in arrears on June 1 and December 1 of each year, commencing on June 1, 2014. The Notes are the Company's senior unsecured obligations and rank equally in right of payment with all of its other existing and future senior unsecured indebtedness and senior in right of payment to all of its existing and future subordinated indebtedness.

The Notes are guaranteed on a full, joint and several basis by each of the Company's existing and future domestic restricted subsidiaries that is a borrower under any of the Company's credit facilities or that guarantees any of the Company's debt or that of any of its restricted subsidiaries, in each case incurred under the Company's credit facilities.

The Company may redeem some or all of the Notes prior to June 1, 2016 by paying a "make-whole" premium. The Company may redeem some or all of the Notes on or after June 1, 2016 at specified redemption prices. In addition, prior to June 1, 2016, the Company may redeem up to 35% of Notes with the net proceeds of certain equity offerings at a price of 106.375% plus accrued and unpaid interest, if any. The Company is obligated to offer to repurchase the Notes at a price of 101% of their principal amount plus accrued and unpaid interest, if any, as a result of certain change of control events. These restrictions and prohibitions are subject to certain qualifications and exceptions.

The Indenture contains covenants that, among other things, limit the Company's ability and the ability of certain of the Company's subsidiaries to (i) grant liens on its assets, (ii) make dividend payments, other distributions or other restricted payments, (iii) incur restrictions on the ability of the Company's restricted subsidiaries to pay dividends or make other payments, (iv) enter into sale and leaseback transactions, (v) merge, consolidate, transfer or dispose of substantially all of their assets, (vi) incur additional indebtedness, (vii) make investments, (viii) sell assets, including capital stock of subsidiaries, (ix) use the proceeds from sales of assets, including capital stock of restricted subsidiaries,

and (x) enter into transactions with affiliates. In addition, the Indenture requires, among other things, the Company to provide financial and current reports to holders of the Notes or file such reports electronically with the U.S. Securities and Exchange Commission (the SEC). These covenants are subject to a number of exceptions, limitations and qualifications set forth in the Indenture.

Registration Rights Agreement

In connection with the issuance of the Additional Notes, the Company entered into a registration rights agreement on March 11, 2014 with certain guarantors of the Additional Notes named therein and J.P. Morgan Securities LLC, on behalf of itself and the other initial purchasers named therein (the Registration Rights Agreement). Pursuant to the Registration Rights Agreement, the Company has agreed to file an exchange offer registration statement to exchange the Additional Notes for substantially identical notes registered under the Securities Act unless the exchange offer is not permitted by applicable law or the policy of the SEC. The Company has also agreed to file a shelf registration statement to cover resales of notes under certain circumstances. The Company has agreed to file the exchange offer registration statement with the SEC within 150 days of the issue date of the Additional Notes and use commercially reasonable efforts to have the exchange offer registration statement declared effective within 240 days of the issue date and to complete the exchange offer with respect to the Additional Notes within 30 days of effectiveness. In addition, the Company agreed to use commercially reasonable efforts to file the shelf registration statement on or prior to the later of (i) 120 days after a filing obligation arises and (ii) 270 days after the issue date, and to use commercially reasonable efforts to cause such shelf registration statement to be declared effective by the SEC on or prior to 210 days after such filing. If the Company fails to satisfy its registration obligations under the Registration Rights Agreement, it will be required to pay additional interest to the holders of the Additional Notes under certain circumstances.
