We expect that delivery of the notes will be made against payment therefor on or about June 19, 2018, which is the seventh business day following the date of the pricing of the notes. Pursuant to Rule 15c6-1 under the Exchange Act, trades in the secondary market are required to settle in two business days unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the notes more than two business days prior to the scheduled settlement date will be required, by virtue of the fact that the notes will initially settle in T+7, to specify an alternative settlement arrangement at the time of any such trade to prevent a failed settlement.
