PROXY STATEMENT

GENERAL INFORMATION

INFORMATION ABOUT PROXY SOLICITATION

This Proxy Statement is furnished to the holders of the common stock, \$.01 par value per share (the "Common Stock"), of Aceto Corporation, a New York corporation (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on December 6, 2001 at 10:00 a.m. (Eastern Standard Time), at the Company's offices, One Hollow Lane, Suite 201, Lake Success, New York 11042, and at any adjournment thereof. The purposes of the meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Shareholders. At present, the Board of Directors knows of no other business which will come before the meeting.

The Notice of Annual Meeting, Proxy Statement, and form of proxy will be mailed to Shareholders on or about October 25, 2001. The Company will bear the cost of its solicitation of proxies. The original solicitation of proxies by mail may be supplemented by personal interview, telephone, telegram, and telefax by the directors, officers and employees of the Company. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held by such persons, and the Company may reimburse such custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the meeting and a return envelope for the proxy are enclosed. Shareholders may revoke their proxies at any time before being voted. Shares of Common Stock represented by executed and unrevoked proxies will be voted in accordance with the instructions specified thereon. If no instructions are given, the proxies will be voted FOR the election of management's seven nominees for election as directors; FOR the amendment to the Company's 1998 Omnibus Equity Award Plan; and FOR ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending June 30, 2002.

1

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on September 14, 2001 are entitled to notice of and to vote at the meeting or any adjournment thereof. On September 14, 2001, the Company had outstanding 6,514,507 shares of Common Stock, each of which is entitled to one vote upon matters presented at the meeting.

Votes cast at the meeting will be tabulated by persons appointed as inspectors of election of the meeting. The inspectors of election will treat shares of Common Stock represented by a properly signed and returned proxy as "present" at the meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. Likewise, the inspectors of election will treat shares of Common Stock represented by "broker non-votes" as present for purposes of determining a quorum.

Edgar Filing: ACETO CORP - Form DEF 14A

The nominees for election to the Board of Directors receiving the greatest number of affirmative votes cast by the holders of Common Stock, up to the number of directors to be elected, will be elected as directors. Accordingly, abstentions or broker non-votes as to the election of directors will have no effect on the election of directors.

The affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy and entitled to vote at the meeting will be required to approve the amendment to the Company's 1998 Omnibus Equity Award Plan, and to ratify the selection of independent public auditors. In determining whether such proposals have received the requisite number of affirmative votes, abstentions and broker non-votes will have the same effect as votes against the proposal.

A list of shareholders entitled to vote at the Annual Meeting will be available at the Company's office, One Hollow Lane, Lake Success, New York 11042, during business hours, for a period of 10 days prior to the Annual Meeting for examination by any shareholder. Such list will also be available at the Annual Meeting.

QUORUM

The presence, either in person or by proxy, of the holders of a majority of the shares of common stock outstanding on September 14, 2001 is necessary to constitute a quorum at the Annual Meeting.

The Company has no employment agreements with any of its senior executives.

LIMITS ON LIABILITY AND INDEMNIFICATION

The Company's Articles of Incorporation eliminate the personal liability of its directors to the Company and its shareholders for monetary damages for breach of the directors' fiduciary duties in certain circumstances. The Articles of Incorporation further provide that the Company will indemnify its officers and directors to the fullest extent permitted by law. The Company believes that such indemnification covers at least negligence and gross negligence on the part of the indemnified parties. Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers, and controlling persons of the Company pursuant to the

8

foregoing provisions or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION.

Members of the Executive Compensation Committee, with the exception of Leonard S. Schwartz, have never served as officers or employees of the Company or any of our subsidiaries. During the last fiscal year, none of our senior executives served on the Board of Directors or Compensation Committee of any other entity whose officers served either on our Board of Directors or Compensation Committee.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

Edgar Filing: ACETO CORP - Form DEF 14A

The Executive Committee of the Board of Directors, whose members are Leonard S. Schwartz (Chairman), Stanley H. Fischer, Samuel I. Hendler and Robert A. Wiesen, functions as the Executive Compensation Committee, and makes recommendations to the Board with respect to the remuneration of the Company's executive officers.

The Company's compensation policy has been designed to enable the Company to attract, retain and motivate executives whose enthusiasm and abilities will contribute to the growth of its business and result in maximum profitability to the Company and its stockholders, by providing salaries and benefits competitive with those offered by other companies in the chemical industry. The executive compensation program includes base salary, annual incentive compensation (cash bonuses), and long term incentive compensation (awards under the Company's 1998 Omnibus Equity Award Plan).

Base salaries are set at levels competitive with the chemical industry. Because of the way the Company operates its business, the contributions of its executives significantly affect corporate profitability. Bonuses (which can exceed base salary) are paid to reflect the extent of such contributions. The Chief Executive Officer (CEO) also is the Chairman of the Board, President and Chief Operating Officer of the Company. The bonuses paid to the CEO and to the Secretary/Treasurer, who is the Chief Financial Officer (CFO), reflect the Company's overall performance (excluding extraordinary events).

The three highest paid executives, other than the CEO and CFO, are each responsible for the performance of one of the Company's principal profit centers. Internally generated performance records are kept on a monthly and yearly basis for these profit centers, and each center's profitability is compared in the current year to the previous year. Other factors considered in determining the bonuses of individual executives are the individuals own performance and the overall performance of the Company. The Executive Compensation Committee determines each bonus primarily based on this data, also taking into account the long term contributions of each individual.

The CEO's compensation was determined on the basis of the same factors utilized to compensate other executives, taking into consideration total compensation comparisons of top executives of corporations considered to be in the Company's peer group.

REPORT OF THE AUDIT COMMITTEE

We operate in accordance with a written charter adopted by the Board of Directors, a copy of which was disseminated to stockholders as Appendix 1 to the Proxy Statement for the December 7, 2000, annual meeting of stockholders. We met with KPMG LLP ("KPMG"), the independent auditors and with management, to review the scope and results of the audit engagement, the system of internal controls and procedures, and the effectiveness of procedures intended to prevent violations of laws and regulations. We reviewed all services performed by KPMG for the Company in the fiscal year ended June 30, 2001, within and outside the

Edgar Filing: ACETO CORP - Form DEF 14A

scope of the quarterly reviews and annual auditing functions.

We received the following information concerning the fees of the independent auditors for the fiscal year ended June 30, 2001, and considered whether the provision of these services is compatible with maintaining the independence of the independent auditors:

- (a) AUDIT FEES (including review of 10-Qs) \$251,000;
- (b) FINANCIAL INFORMATION DESIGN AND IMPLEMENTATION FEES \$ -0-;
- (c) ALL OTHER FEES \$860,000
for advisory services related principally to tax consultation
services, business consulting services and transaction support
services.

We reviewed and discussed the audited financial statements for the fiscal year ending June 30, 2001, with management, and discussed with KPMG the matters required to be discussed by SAS 61(Codification of Statements on Auditing Standards, AU Sec. 380) as amended. We also received the written disclosures and letter from KPMG required by Independence Standards Board Standard No. 1, which letter states that they are independent accountants with respect to the Company. We discussed with KPMG their independence. Based on our review and discussions, we recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ending June 30, 2001, for filing with the Securities and Exchange Commission.

We have reviewed our charter and determined that it continues to state appropriate guiding principles for us.

Our committee is composed solely of members who are independent and have the expertise to serve on the Audit Committee pursuant to all relevant criteria including Rule 4200(a)(15) of the NASD listing standards.

PROPOSAL TWO

APPROVE AN AMENDMENT TO THE COMPANY'S 1998 OMNIBUS EQUITY AWARD PLAN TO INCREASE THE NUMBER OF AWARDS AUTHORIZED TO BE GRANTED THEREUNDER FROM 500,000 TO 1,000,000 AND TO PERMIT THE GRANT OF INCENTIVE STOCK OPTIONS THEREUNDER.

We are asking for your approval of an amendment to SECTION 4(a) of the Aceto Corporation 1998 Omnibus Equity Award Plan (the "Plan") to provide that the number of shares of our common stock with respect to which options, restricted stock awards, or other stock based awards ("Awards") may be granted under the Plan be increased from 500,000 to 1,000,000 and that SECTION 6 be amended to permit the issuance of incentive stock options. The Board adopted this amendment to the Plan, subject to your approval at the Annual Meeting.

The Company's shareholders approved the Plan on December 10, 1998, under which a total of 500,000 shares of common stock (subject to adjustment for changes in our capitalization) were authorized for issuance. Of the 500,000 shares authorized only 180,000 shares are presently available for grants.

SUMMARY OF THE PLAN, AS AMENDED

We summarize below certain key provisions of the Plan, as amended. Because it is a summary, it may not contain all the information that is important to you. Before you decide how to vote, you should review the full text of the Plan, as amended, which we have included as Exhibit A.

DESCRIPTION OF THE 1998 OMNIBUS EQUITY AWARD PLAN, AS AMENDED

PURPOSES AND ELIGIBILITY

The purposes of the Omnibus Equity Award Plan are to attract, retain and motivate eligible participants to compensate them for their contributions to our growth and profits and to encourage them to own Aceto common stock. The Omnibus Equity Award Plan authorizes the issuance of certain awards to such individuals. Eligible participants are employees (including officers and directors of the company or its affiliates), non-employee directors, advisors, consultants or independent contractors to the Company or its affiliates.

SHARES AVAILABLE, OVERALL LIMIT

A total of 1,000,000 shares of common stock will be authorized for issuance under the Plan, as amended. (Prior to the amendment a total of 500,000 shares was authorized). We will adjust the number of shares available for issuance under the Plan if there are changes in our capitalization, including (but not limited to) stock dividends, stock splits, a merger, reorganization or similar transactions. We may issue new shares or treasury shares or both. Treasury shares are shares that we previously issued and subsequently repurchased and are holding in our treasury.

ADMINISTRATION

The Plan is administered by the Board. The Executive Committee of the Board ("Committee") makes recommendations to the Board as to which participants from among the eligible participants shall receive awards and determines the form, terms and conditions of awards. The Board makes all awards under the Plan, and has sole discretion with regard to any award.

AWARDS GENERALLY

The Plan authorizes the following awards based upon Aceto common stock: stock options; restricted stock; or other stock-based awards the Committee determines to be consistent with the purposes of the Plan and the interests of Aceto. The Board determines vesting, exercisability, payment and other restrictions that apply to an award. Vesting means the individual has the right to the award.

CHANGE IN CONTROL

A change in control of Aceto (generally a merger or consolidation into another company or a "person" becoming beneficial owner of 20% or more of Aceto's voting stock without concurrence of the Board) will cause all outstanding awards to vest, become immediately exercisable, and have all restrictions lifted. (The change in control provision could be viewed as having an anti-takeover consequence, in that it could have a deterrent effect against a hostile takeover).

STOCK OPTIONS

All stock options issued will be either incentive stock options or non-qualified stock options. The exercise price per share shall be not less than the fair market value of Aceto common stock on the date of grant and may not be exercisable less than six months from the date it is granted. The exercise price of a stock option may be paid in cash or previously owned stock or both.

Under the Plan, options to purchase the Company's Common Stock may take the form of incentive stock options ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") or non-qualified stock options ("NQSOs"). As required by Section 422 of the Code, the aggregate fair market value (as defined in the Plan) of shares of Common Stock (determined as of the date of grant of the ISO) with respect to which ISOs granted to an employee may not exceed \$100,000 in any calendar year. The foregoing limitation does not apply to NQSOs.

Initially, each option will be exercisable over a period, determined by the Board of Directors in its discretion, of up to ten years from the date of grant. Options may be exercisable during the option period at such time, in such amounts, and in accordance with such terms and conditions and subject to such restrictions as are determined by the Board and set forth in option agreements evidencing the grant of such options.

The exercise price of options granted pursuant to the Plan is determined by the Board, in its discretion; provided that the exercise price of an ISO may not be less than 100% of the fair market value (as defined in the Plan) of the shares of the Company's Common Stock on the date of grant. The exercise price of options granted pursuant to the Plan is subject to adjustment as provided in the Plan to reflect stock dividends, splits, other

recapitalizations or reclassifications or changes in the market value of the Company Common Stock. In addition, the Plan provides that, in the event of a proposed change in control of the Company (as defined in the Plan), the Board is to take such actions as it deems appropriate to effectuate the purposes of the Plan and to protect the grantees of options, which action may include (i) acceleration or change of the exercise dates of any option; (ii) arrangements with grantees for the payment of appropriate consideration to them for the cancellation and surrender of any option; and (iii) in any case where equity securities other than Common Stock are proposed to be delivered in exchange for or with respect to Common Stock, arrangements providing that any option shall become one or more options with respect to such other equity securities. Further, in the event the Company dissolves and liquidates (other than pursuant to a plan of merger or reorganization), then notwithstanding any restrictions on exercise set forth in the Plan or any grant agreement pursuant thereto (i) each grantee shall have the right to exercise his option at any time up to ten days prior to the effective date of such liquidation and dissolution; and (ii) the Board may make arrangements with the grantees for the payment of appropriate consideration to them for the cancellation and surrender of any option that is so canceled or surrendered at any time up to ten days prior to the effective date of such liquidation and dissolution. The Board also may establish a different period (and different conditions) for such exercise, cancellation, or surrender to avoid subjecting the grantee to liability under Section 16(b) of the Exchange Act.

The shares purchased upon the exercise of an option are to be paid for by the optionee in cash (or cash equivalents acceptable to the Committee) or by such other means as the Committee may prescribe.

Except as permitted pursuant to Rule 16b-3 under the Exchange Act, and in any event in the case of an ISO, an option is not transferable except by will or the laws of descent and distribution. In no case may the options be exercised later than the expiration date specified in the option agreement.

RESTRICTED STOCK AWARDS

Restricted Stock awards may be awarded to an eligible participant in lieu of a portion of cash bonus earned by the participant. These restricted shares will vest over a period of years as determined by the Board at the time of grant and will not be transferable until vested. In addition, awards of Restricted Stock may have a premium paid in additional shares when fully vested. There may be other restrictions as the Board may determine.

OTHER OMNIBUS EQUITY AWARDS

The Board upon recommendation of the Committee has the authority to specify the terms and provisions of other forms of equity-based awards or equity-related awards not described above which the Committee determines to be consistent with the purposes of the Plan and the interests of Aceto.

STOCK OWNERSHIP GUIDELINES

One of the objectives of the Plan is that certain designated employees be stockholders. The Plan contains guidelines for stock ownership, to be attained in five years, relative to the positions and base salaries of the employees involved. Restricted Stock awards can be used to satisfy these requirements.

TERMINATION

No awards shall be made after ten years from the December 10, 1998, date that the Plan was first approved by the Company's stockholders.

AMENDMENT

We may amend or terminate the Plan at any time. However, we must obtain stockholder approval to increase the maximum number of shares issuable or reduce the exercise price of a stock option.

Also, we may not amend or terminate the 1998 Omnibus Equity Award Plan without an employee's consent if it would adversely affect an employee's rights to previously-granted awards.

FEDERAL INCOME TAX CONSEQUENCES

The following is a brief summary of certain Federal income tax aspects of awards under the Plan based upon the Federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

INCENTIVE STOCK OPTIONS. An optionee will not realize taxable income upon the grant of an ISO. In addition, an optionee will not realize taxable income upon the exercise of an ISO, provided that such exercise occurs no later than three months after the optionee's termination of employment with the Company (one year in the event of a termination on account of disability). However, an optionee's alternative minimum taxable income will be increased by the amount that the fair market value of the shares acquired upon exercise of an ISO, generally determined as of the date of exercise, exceeds the exercise price of the option. If an optionee sells the shares of Common Stock acquired upon exercise of an ISO, the tax consequences of the disposition depend upon whether the disposition is qualifying or disqualifying. The disposition of the shares is qualifying if made more than two years after the date the ISO was granted and more than one year after the date the ISO was exercised. If the disposition of the shares is qualifying, any excess of the sale price of the shares over the exercise price of the ISO would be treated as long-term capital gain taxable to the option holder at the time of the sale. If the disposition is not qualifying, i.e., a disqualifying disposition, the excess of the fair market value of the shares on the date the ISO was exercised over the exercise price would be compensation income taxable to the optionee at the time of the disposition, and any excess of the sale price of the shares over the fair market value of the shares on the date the ISO was exercised would be capital gain.

Unless an optionee engages in a disqualifying disposition, the Company will not be entitled to a deduction with respect to an ISO. However, if an optionee engages in a disqualifying disposition, the Company generally will be entitled to a deduction equal to the amount of compensation income taxable to the optionee.

NON-QUALIFIED STOCK OPTIONS. An optionee will not realize taxable income upon the grant of an NQSO. However, when the optionee exercises the NQSO, the difference between the exercise price of the NQSO and the fair market value of the shares acquired upon exercise of the NQSO on the date of exercise is compensation income taxable to the optionee. The Company generally will be entitled to a deduction equal to the amount of compensation income taxable to the optionee.

(B) AUTHORITY OF BOARD. All Awards under the Plan shall be made by the Board, which shall have full authority to accept, reject or modify any recommendations of the Committee. All designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Board, may be made at any time and shall be final, conclusive, and binding upon all Persons, including the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any stockholder.

SECTION 4. SHARES AVAILABLE FOR AWARDS.

(A) SHARES AVAILABLE. Subject to adjustment as provided in Section 4(b), the number of Shares with respect to which Awards may be granted under the Plan shall be one million (1,000,000). If, after the effective date of the Plan, any Shares covered by an Award granted under the Plan are forfeited, or if such an Award terminates or is canceled without the delivery of shares, then the Shares covered by such Award, or the number of Shares otherwise counted against the aggregate number of Shares with respect to which Awards may be granted, to the extent of any such, forfeiture, termination or cancellation, shall again become Shares with respect to which Awards may be granted. In the event that any Option or other Award granted hereunder is exercised through the delivery of Shares or in the event that withholding tax liabilities arising from such Award are satisfied by the withholding of Shares by the Company, the number of Shares available for Awards under the Plan shall be increased by the number of Shares so surrendered or withheld.

(B) ADJUSTMENTS. In the event that any dividend (other than regular dividends) or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares, or other similar corporate transaction or event affects the Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then adjustment shall be made, in such manner as shall be equitable, of (i) the number of Shares with

respect to which Awards may be granted, (ii) the number of Shares subject to outstanding Awards, and (iii) the grant or exercise price with respect to any Award, provided, that with respect to any Award no such adjustment shall be made to the extent that such adjustment would be inconsistent with the Plan's meeting the requirements of Section 162(m) of the Code, as from time to time amended.

(C) SOURCES OF SHARES DELIVERABLE UNDER AWARDS. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of treasury Shares.

SECTION 5.
ELIGIBILITY.

Any employee (including an officer, Executive Officer or director) of the Company or any Affiliate, including any non-employee director, advisor, consultant or independent contractor to the Company or any Affiliate, shall be an Eligible Participant. To the extent the Board deems it necessary, appropriate or desirable to comply with foreign law or practice and to further the purpose of this Plan, the Board may, without amending this Plan, (i) establish rules applicable to Awards granted to Participants who are foreign nationals, are employed outside the United States, or both, including rules that differ from those set forth in this Plan, and (ii) grant Awards to such Participants in accordance with those rules.

SECTION 6.
STOCK OPTIONS - TERMS AND CONDITIONS.

All Options granted under the Plan shall be either Incentive Stock Options or Non-qualified Stock Options and shall be evidenced by Award Agreements which shall be subject to applicable provisions of the Plan and such other provisions as they may contain including:

(A) PRICE. The exercise price per Share shall not be less than 100% of the Fair Market Value of a Share on the date of Award.

(B) PERIOD. The Board, upon recommendation of the Committee may establish the term of any Option award under the Plan, provided, however, that an Option shall expire no later than 10 years from the date of Award, and may not be exercisable less than six months from the date it is granted.

(C) TIME OF EXERCISE. The Board, upon recommendation of the Committee, may establish installment exercise terms in Awards to Participants based on the passage of time or otherwise, such that the Option becomes fully exercisable in a series of cumulating portions, and may also establish other conditions of exercise as it shall determine and may accelerate the exercisability of any Option granted to a Participant under the Plan.

(D) PAYMENT. No Shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price in cash, or its equivalent, or by exchanging Shares owned by the optionee (which are not the subject of any pledge or other security interest), or by a combination of the foregoing, provided that the combined value of all cash and cash equivalents and the Fair Market Value of any such Shares so tendered to the Company as of the date of such tender is at least equal to such option price.

(E) EXERCISE. An Option, or portion thereof, shall be exercised by delivery of a written notice of exercise to the Company, and payment of the full price of the Shares being exercised. A Participant shall not have any of the

Edgar Filing: ACETO CORP - Form DEF 14A

rights or privileges of the holder of Common Stock until such time as Shares of Common Stock are issued or transferred to the Participant.

(F) RESTRICTIONS ON INCENTIVE STOCK OPTIONS. The aggregate Fair Market Value (determined as of the Grant Date) of shares of Common Stock with respect to which all Incentive Stock Options first become exercisable by any grantee in any calendar year under this or another plan of the Company and its Affiliates may not exceed \$100,000 or such other amount as may be permitted from time to time under Section 422 of the Code. To the extent that such aggregate Fair Market Value shall exceed \$100,000, or other applicable amount, such Options (taking Options into account in the order in which they were granted) shall be treated as non-qualified stock options. In such case, the corporation may designate the shares of Common Stock that are to be treated as stock acquired pursuant to the exercise of any Incentive Stock Option by issuing a separate certificate for such shares and identifying the certificate as Incentive Stock Option shares in the stock transfer records of the Company.

The exercise price of any Incentive Stock Option granted to a grantee who owns (within the meaning of Section 422(b)(6) of the Code, after the application of the attribution rules in Section 424(d) of the Code) more than 10% of the total combined voting power of all classes of shares of the Corporation or its Parent or Subsidiary corporations (within the meaning of Sections 422 and 424 of the Code) shall be not less than 110% of the Fair Market Value of the Common Stock on the grant date and the term of such Option shall not exceed five years.

(G) OTHER TERMS AND CONDITIONS. Options may contain such other provisions, not inconsistent with the provisions of the Plan, as the Committee shall determine appropriate from time to time. No Option shall be an Incentive Stock Option unless so designated by the Committee at the time of grant or in the Grant Agreement evidencing such Option.

SECTION 7. RESTRICTED STOCK

(A) GRANT. Subject to the provisions of the Plan, the Board, upon recommendation of the Committee, shall have authority to determine the Participants to whom Shares of Restricted Stock shall be granted, the number of Shares of Restricted Stock to be granted to each Participant, and the other terms and conditions of such Awards. Restricted Stock may be awarded to an Eligible Participant in lieu of a portion, as determined by the Board, of any annual cash bonus earned by such Participant, which will vest ratably over a period of years determined by the Board on each anniversary of the date of Award. Such Restricted Stock so awarded, as set forth in the Award Agreement may have a premium in Shares greater than the portion of the bonus to be paid in Restricted Shares, which Premium shares shall be delivered to the Participant when the Award is fully vested, provided that the Participant is in the employ of the Company when vesting occurs.

(B) TRANSFER RESTRICTIONS. Upon the lapse of the restrictions applicable to Shares of Restricted Stock, the Company shall deliver certificates for same to the Participant or the Participant's legal representative.

(C) PAYMENT. Each share of Restricted Stock shall be paid in Shares, upon the lapse of the restrictions applicable thereto, or otherwise in accordance with the applicable Award Agreement.

(D) DIVIDENDS AND DISTRIBUTIONS. Dividends and other distributions paid on or in respect of any Shares of Restricted Stock shall be paid to the Participant.

Edgar Filing: ACETO CORP - Form DEF 14A

SECTION 8.

TERMINATION OF EMPLOYMENT.

The following provisions shall apply in the event of the Participant's termination of employment unless otherwise provided in the Award Agreement:

(A) NON-QUALIFIED STOCK OPTIONS.

(I) TERMINATION OF EMPLOYMENT. If the Participant's employment with the Company or its Affiliates is terminated for any reason other than death, permanent and total disability, or retirement, the Participant's right to exercise any Option shall terminate, and such Option shall expire, on the earlier of (A) the first anniversary of such termination of employment or (B) the date of such Option would have expired had it not been for the termination of employment. The Participant shall have the right to exercise such option prior to such expiration to the extent it was exercisable at the date of such termination of employment and shall not have been exercised.

(II) DEATH, DISABILITY OR RETIREMENT. If the Participant's employment with the Company or its Affiliates is terminated by death, permanent and total disability, or retirement, the Participant or his or her estate representative (if employment is terminated by death) shall have the right, within three (3) months from the date of determination of permanent and total disability, retirement, or the appointment of an estate representative, to exercise any Option to the extent it was exercisable at the date of such termination of employment and shall not have been exercised, but in no event shall such option be exercisable later than the date the Option would have expired had it not been for the termination of such employment.

(B) RESTRICTED STOCK. In the event of a Participant's retirement, permanent and total disability, or death, or in cases of special circumstances, the Board may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part, any or all remaining restrictions with respect to such Participant's entitlement to shares of Restricted Stock. In the event of a Participant's death while in the employ of the Company, any or all remaining restrictions with respect to such Participant's entitlement to shares of Restricted Stock shall be deemed waived by the Board.

AMENDMENT AND TERMINATION.

(A) AMENDMENTS TO THE PLAN. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension discontinuation or termination shall be made without stockholder approval to: increase the number of shares issuable; reduce the exercise price of Options or extend the termination period of the Plan. The Board, however, may not amend or terminate the Plan without a Participant's consent insofar as it would adversely affect a Participant's rights to previously granted Awards.

(B) CANCELLATION. Any Award granted hereunder may be canceled with the approval and agreement of the Participant in consideration of a cash payment or alternative Award made to the holder of such canceled Award equal in value to

(D) WITHHOLDING. A Participant may be required to pay to the Company and the Company shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, or Shares), of any applicable withholding taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes.

(E) AWARD AGREEMENTS. Each Award hereunder shall be evidenced by an Award Agreement that shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto.

Further, the Company or an Affiliate may at any time dismiss a Participant from employment, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.

(G) RIGHTS AS STOCKHOLDER. No holder of an Award of stock options or beneficiary of any such Award shall have any rights as a stockholder with respect to such options until he or she has exercised such option and become the holder of Shares. Without limiting the generality of the foregoing, no Award granted hereunder shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless the Board has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. federal securities laws any other laws to which such offer, if made, would be subject.
