PROXY STATEMENT
2010 ANNUAL MEETING OF STOCKHOLDERS
GENERAL INFORMATION ABOUT THE ANNUAL
MEETING

Why Did You Send Me this Proxy Statement?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2010 Annual Meeting of Stockholders and any adjournments or postponements of the meeting to be held at 10:00 a.m., Eastern Daylight Time, on Friday, June 4, 2010, at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. This proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on June 4, 2010. The proxy statement and annual report to security holders are available at <http://www.cstproxy.com/thefigi/2010>.

On or around April 30, 2010, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Although not part of this proxy statement, we are also sending along with this proxy statement our 2009 Annual Report to Stockholders, which includes our financial statements for the fiscal year ended December 31, 2009. You can also find a copy of this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2009 at <http://www.cstproxy.com/thefigi/2010>.

Who Can Vote?

Only stockholders who owned our common stock at the close of business on April 29, 2010 are entitled to vote at the annual meeting. On this record date, there were 14,208,494 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the meeting and not revoked prior to the meeting, will be voted at the meeting. A stockholder may revoke a proxy before the proxy is voted by providing a signed statement of revocation or a duly executed proxy card bearing a later date to us at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046, Attention: Timothy C. Dec, Chief Financial Officer. Any stockholder who has executed a proxy card but attends the meeting in person may revoke the proxy and vote at the meeting.

How Many Votes Do I Have?

Each share of our common stock that you own entitles you to one vote.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, 17 Battery Place, New York, NY 10004, or you have stock certificates, you may vote:

By mail. Complete and mail the enclosed proxy card in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

In person at the meeting. If you attend the annual meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

1

TABLE OF CONTENTS

If your shares are held in street name (held in the name of a bank, broker or other nominee), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

By mail. You will receive instructions from your bank, broker or other nominee explaining how to vote your shares.

In person at the meeting. Contact the bank, broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the meeting. You will not be able to vote at the meeting unless you have a proxy card from your broker.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you vote as follows:

FOR the election of Messrs. William L. Jews and Harvey L. Weiss as Class II directors;

FOR the proposal to amend the 2006 Omnibus Incentive Compensation Plan; and

FOR the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2010.

If any other matter is presented, the proxy card provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

May I Revoke My Proxy?

If you give us your proxy, you may revoke it at any time before the meeting. You may revoke your proxy in any one of the following ways:

signing a new proxy card and submitting it, as instructed above;

notifying us at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046, Attention: Timothy C. Dec, Chief Financial Officer, in writing before the annual meeting that you have revoked your proxy; or

attending the meeting in person and voting in person. Attending the meeting in person will not in and of itself revoke a previously submitted proxy, unless you specifically request it.

What if I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under **How Do I Vote?** for each account to ensure that all of your shares are voted.

Will My Shares be Voted if I Do Not Return My Proxy Card?

If your shares are registered in your name or if you have stock certificates, your shares will not be voted if you do not return your proxy card by mail or vote at the meeting as described above under **How Do I Vote?**

If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above under *How Do I Vote?*, the bank, broker or other nominee has the authority to vote your unvoted shares on Proposal 3, even if it does not receive instructions from you. Recent changes in regulations were made to take away the ability of your bank, broker, or other nominee to vote your uninstructed shares in the election of directors on a discretionary basis. We encourage you to provide voting instructions. This ensures your shares will be voted at the meeting in the manner you desire. If your bank, broker or other nominee cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter, this is referred to as a broker non-vote.

TABLE OF CONTENTS

What Vote is Required to Approve Each Proposal and How are Votes Counted?

Proposal 1: Elect Two Class II Directors

The affirmative vote of a plurality of the shares of common stock cast by stockholders present in person or represented by proxy at the annual meeting is required to elect Messrs. William L. Jews and Harvey L. Weiss, the nominees for election as Class II directors. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from one of the nominees. Votes that are withheld will not be included in the vote for the election of directors. Banks, brokers, and other nominees do NOT have the authority to vote your uninstructed shares in the election of directors. If you hold your shares in street name and you do not instruct your bank, broker, or other nominee how to vote your shares in the election of directors, no votes will be cast on your behalf. Broker non-votes will have no effect on the outcome of the election.

Proposal 2: Amend the 2006 Omnibus Incentive Compensation Plan

The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to approve the proposal to amend the 2006 Omnibus Incentive Compensation Plan. Brokerage firms do NOT have the authority to vote your uninstructed shares on this proposal. Abstentions and broker non-votes will be treated as shares represented at the meeting and will have the same effect as votes against this proposal.

Proposal 3: Ratify the Appointment of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to ratify the appointment of the independent registered public accounting firm. Abstentions will be treated as shares represented at the meeting and will have the same effect as votes against this proposal. Banks, brokers, and other nominees have discretionary authority to vote customers uninstructed shares held by the firms in street name on this proposal. We are not required to obtain the approval of our stockholders to appoint our independent registered public accounting firm. However, if our stockholders do not ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2010, our Audit Committee of our Board of Directors will reconsider its appointment.

Is Voting Confidential?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspector of Election, Continental Stock Transfer & Trust Company, examine these documents. Management will not know how you voted on a specific

proposal unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

What Are the Costs of Soliciting these Proxies?

We will pay all of the costs of soliciting these proxies. Our directors and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional compensation for these services. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

TABLE OF CONTENTS

What Constitutes a Quorum for the Meeting?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock as of the record date is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

Attending the Annual Meeting

The annual meeting will be held at 10:00 a.m., Eastern Daylight Time, on Friday, June 4, 2010, at our corporate offices at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. When you arrive at our offices, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

Householding of Annual Disclosure Documents

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us, or your broker, to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as *householding*, benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be *household*ed, the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

If you do not wish to participate in *householding* and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another stockholder and together both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Continental Stock Transfer & Trust Company, and inform them of your request by calling them at 212.509.4000 ext. 206, or by e-mail at cstmail@continentalstock.com, or writing them at 17 Battery Place, New York, NY 10004.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of April 29, 2010 for (a) the executive officers named in the Summary Compensation Table on page 13 of this proxy statement, (b) each of our directors and director nominees, (c) all of our current directors and executive officers as a group, and (d) each stockholder known by us to own beneficially more than 5% of our common stock. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. MANAGEMENT AND CORPORATE GOVERNANCE

The Board of Directors

Our Certificate of Incorporation and Amended and Restated Bylaws provide that our business is to be managed by or under the direction of our Board of Directors. We do not have a policy as to whether the role of Chief Executive Officer and Chairman of the Board of Directors should be separate or combined or whether the Chairman of the Board of Directors should be a management or non-management director. Since December 3, 2008, Mr. John Morton, III, who is an independent director as defined by the rules of The NASDAQ Stock Market, LLC, has served as the Chairman of the Board of Directors. Our Board of Directors has determined that this leadership structure is appropriate given the ongoing business relationships with certain businesses owned by Mr. Rosato, a member of our Board of Directors and our Chief Executive Officer, and Mr. Gallagher, a member of our Board of Directors and our President and Chief Operating Officer, that may create actual or potential conflicts of interest between us and those executives.

In accordance with our Certificate of Incorporation, our Board of Directors is divided into three classes for purposes of election. One class is elected at each annual meeting of stockholders to serve for a three-year term. Our Board of Directors currently consists of six members, classified into three classes as follows:

Messrs. William L. Jews and Harvey L. Weiss constitute a class with a term ending at the 2010 annual meeting of stockholders; and

Messrs. John Morton, III and Thomas P. Rosato constitute a class with a term ending at the 2011 annual meeting of stockholders; and

Messrs. Gerard J. Gallagher and Asa Hutchinson constitute a class with a term ending at the 2012 annual meeting of stockholders.

Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Our Board of Directors has voted to nominate William L. Jews and Harvey L. Weiss for election at the 2010 annual meeting for a term of three years to serve until the 2013 annual meeting of stockholders and until their respective successors have been elected and qualified, or until their earlier death, resignation or removal.

Set forth below are the names of the persons nominated as directors, and our current directors whose terms do not expire this year, their ages, their offices in the company, if any, their principal occupations or employment for the past five years, the length of their tenure as directors, the names of other public companies in which such persons have held directorships during the past five years, and the experience, qualifications, attributes and skills that support the conclusion that these persons should serve as members of our Board of Directors.

Role in Risk Oversight

As part of its general responsibility to manage our business, the Board of Directors has oversight responsibility with respect to risk management. The Board of Directors has delegated primary responsibility for risk oversight and the monitoring of our significant areas of risk to the Audit Committee. In accordance with its charter, the Audit Committee inquires of management and our independent registered accounting firm about significant risks or exposures to risks and discusses guidelines and policies to govern the steps management has taken to minimize these risks. The Audit Committee regularly reports the results of these inquiries and discussions to our Board of Directors.

Our Audit Committee's role and responsibilities are set forth in a written charter and include the authority to retain and terminate the services of our independent registered public accounting firm, review annual financial statements, review quarterly financial statements, consider matters relating to accounting policy and internal controls and review the scope of annual audits.

All members of the Audit Committee satisfy the current independence standards promulgated by the Securities and Exchange Commission and The NASDAQ Stock Market, LLC, as such standards apply specifically to members of audit committees. The Board has determined that Mr. Jews is an audit committee financial expert, as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

A copy of the Audit Committee's written charter is publicly available on our website at www.thefigi.com.

Compensation Committee

Our Compensation Committee currently has three members, Asa Hutchinson (Chairman), William L. Jews, and John Morton, III. Gallagher, our President and Chief Operating Officer, and Timothy C. Dec, our Chief Financial Officer, and to evaluate their respective performance in light of relevant goals and objectives;

Mr. Rosato and the other executive officers do not play any role in the Compensation Committee's determination of their respective compensation. To the extent we enter into employment agreements with our executive officers, those agreements would be subject to negotiation between us and the applicable executive officer.

In 2009, the Compensation Committee retained Watson Wyatt Worldwide (currently named Towers Watson & Co.), a compensation consultant, to conduct a competitive assessment of our executive compensation program, review our current annual incentive plan design, and report on annual incentive plan designs of a peer group selected by Watson Wyatt. We did not engage Watson Wyatt to provide additional services during 2009.

Thomas McMillen and Mr. David J. Mitchell prior to their respective resignations from the Board of Directors.

Nominations for Directors

We do not currently have a standing Nominating Committee since our Board of Directors determined that Messrs. Morton, Hutchinson and Jews, the independent members of the Board of Directors, adequately fulfill the obligations of a nominating committee without the need of incurring additional costs of committee meetings.

The Board of Directors considers recommendations of potential candidates from current directors, management and stockholders. Stockholders' nominations for directors must be made in writing and must include the following information:

the name, age, business address, and residence address of the nominee;

the principal occupation or employment of the nominee;

If a vacancy were to occur on the Board of Directors or if the Board were to increase the number of directors, the Board of Directors would identify potential candidates to fill the vacancy. Although there are no specific qualifications and standards that must be met by a candidate or any specific qualities or skills that a candidate must possess, the Board of Directors would evaluate a candidate on a wide variety of factors. These factors include the candidate's background and qualifications, diversity and business experience, and commitment to serving on the Board of Directors and its committees. It is preferable that candidates have a reputation for sound business judgment and integrity and inspire trust and confidence in the other directors. The Board of Directors does not have a formal policy regarding diversity in identifying candidates but rather considers diversity among the various factors relevant to any particular candidate.

Stockholder Communications to the Board

Stockholders who wish to address questions regarding our business directly with the Board of Directors, or any individual director, should direct his or her questions in writing to the Chairman of the Board of Directors at 7226 Lee DeForest Drive, Suite 104, Columbia, Maryland 21046. Communications will be distributed to the Board of Directors, or to any individual director or directors as appropriate, depending on the facts and circumstances outlined in the communications. Items that are unrelated to the duties and responsibilities of the Board of Directors may be excluded, such as:

junk mail and mass mailings,
resumes and other forms of job inquiries,
surveys, or
solicitations or advertisements.

In addition, any material that is unduly hostile, threatening, or illegal in nature may be excluded, provided that any communication that is filtered out will be made available to any outside director upon request.

These shares will vest over a three-year period, with one-third of the shares vesting on each of the first, second and third anniversaries of the grant date. We had no new members who joined the Board of Directors in 2009.

On January 7, 2009, our Board of Directors awarded an equity grant of 40,000 shares of restricted stock and 20,000 restricted stock units to John Morton, III in connection with his appointment as the Chairman of the Board of Directors. The shares of restricted stock awards vested one month following the date of grant. The restricted stock units issued to Mr. Morton vest if the closing price per share of our common stock is at least \$3.00 for twenty consecutive trading days prior to January 7, 2011, provided that Mr. Morton remains on the Board through that date. The restricted stock units also will vest upon the occurrence of a change-in-control of the company prior to January 7, 2011. On November 11, 2009, the Board of Directors, upon recommendation of the Compensation Committee, approved a monthly payment in the amount of \$5,000 to Mr. Morton for his services as the Chairman of the Board of Directors and Chairman of the Special Committee of the Board of Directors. This payment became effective on December 1, 2009.

We also reimburse our directors for travel, lodging and other reasonable out-of-pocket expenses in connection with the attendance at Board, committees, and stockholder meetings, as well as for other reasonable expenses related to service on the Board. We do not maintain any pension, nonqualified defined contribution or other deferred compensation plans for our non-employee directors. The following table summarizes compensation earned by our non-employee directors during fiscal year 2009.

terminates the Consulting Agreement for Good Reason (as those terms are defined in the Consulting Agreement), Washington Capital Advisors is entitled to receive its base compensation as and when it would otherwise be payable if the Consulting Agreement had not been terminated (provided, however that if termination occurs during the last twelve months of the Consulting Agreement, then Washington Capital Advisors shall be entitled to receive amounts equal to base compensation (as and on the terms otherwise payable) for twelve months from the date of termination).

If we elect to extend the lease, annual rent increases by the greater of (a) fair market rental as defined in the lease, or (b) 3% increase in each year of the renewal term. Additionally, Chesapeake agreed to provide

AMENDMENT TO THE 2006 OMNIBUS INCENTIVE COMPENSATION PLAN (Notice Item 2)

The Board of Directors recommends that stockholders approve an amendment to the 2006 Omnibus Incentive Compensation Plan. Upon recommendation of the Compensation Committee, the Board of Directors approved the amendment to the plan, subject to stockholder approval at the annual meeting. The amendment increases the maximum total number of shares of common stock that may be issued under the plan by 950,000 shares from 2,100,000 shares to 3,050,000 shares.

Our stockholders approved the plan at the special meeting of stockholders held on January 17, 2007. The purpose of the plan is to optimize the profitability and growth of the company through incentives that are consistent with our goals and align the personal interests of plan participants with an incentive for individual performance. The plan is further intended to assist the company in motivating, attracting and retaining plan participants and allowing them to share in company successes. This plan is the only plan under which we award equity-based compensation. The purpose of the increase in available shares is to secure adequate shares to fund future awards under the plan for the next few years.

As of April 29, 2010, 14,570 shares of common stock were available for future grants under the plan and 905,601 shares are subject to outstanding awards under the plan. The following description of the plan describes the material terms of the plan but does not purport to describe all the terms of the plan. The complete text of the plan, as amended, is attached as Annex A to this proxy statement and is incorporated by reference into this proxy statement. We encourage all stockholders to read the plan in its entirety.

Summary of the 2006 Omnibus Incentive Compensation Plan

Administration. The plan is administered by the Compensation Committee. The Compensation Committee will determine who participates in the plan, the size and type of awards under the plan and the conditions applicable to the awards.

Eligibility. Those persons eligible to participate in the plan are officers and other key employees of the company and our subsidiaries and our non-employee directors. As of April 29, 2010, three non-employee directors, three officers and approximately 120 employees are eligible to receive grants under the plan.

Shares Subject to the Plan. If the stockholders approve the proposal to amend the plan, 964,570 shares of our common stock, or approximately 6.8% of the shares outstanding as of April 29, 2010, will be available for future grants under the plan. Any shares tendered or withheld to pay taxes or a stock option's exercise price are not available for future grants under the plan.

Stock Options. Stock option awards may be granted in the form of non-statutory stock options or incentive stock options. Options are exercisable in whole or in such installments as may be determined by the Compensation Committee. The Compensation Committee establishes the exercise price of stock options, which exercise price may not be less than the fair market value of a share of our common stock on the date of the grant. The exercise price is payable in cash, shares of common stock or a combination of cash and common stock.

Stock options granted in the form of incentive stock options are also subject to certain additional limitations, as provided in Section 422 of the Internal Revenue Code of 1986, as amended. Incentive stock options may be made only to employees, and the aggregate fair market value of common stock with respect to which incentive stock options may become exercisable by an employee in any calendar year may not exceed \$100,000. In addition, incentive stock options may not be exercised after ten years from the grant date and any incentive stock option granted to an employee who owns shares of our common stock possessing more than 10% of the combined voting power of all classes of our shares must have an option price that is at least 110% of the fair market value of the shares and may not be exercisable after five years from the date of grant.

Stock Appreciation Rights. Stock appreciation rights are granted pursuant to stock appreciation rights awards on terms set by the Compensation Committee. The Compensation Committee determines the grant price for a stock appreciation right, except that unless otherwise designated by the Compensation Committee, the strike price of a stock appreciation right granted as a freestanding award will not be less than 100% of the

TABLE OF CONTENTS

fair market value of a share of common stock on the date of grant. Upon exercise of a stock appreciation right, we will pay the participant an amount equal to the excess of the aggregate fair market value of our common stock on the date of exercise over the grant price. The Compensation Committee determines the term of stock appreciation rights granted under the plan, but unless otherwise designated by the Compensation Committee stock appreciation rights are not exercisable after the expiration of ten years from the date of grant. For each award of stock appreciation rights, the Compensation Committee will determine the extent to which the award recipient may exercise the stock appreciation rights after that recipient's service relationship with us ceases.

Restricted Stock Awards. The Compensation Committee may grant restricted stock awards, which will be subject to such terms, conditions, restrictions or limitations as the Compensation Committee may determine are appropriate, including restrictions on transferability, requirements of continued employment or individual performance, or our financial performance. Unless otherwise designated by the Compensation Committee at the time of grant, recipients of restricted shares may exercise full voting rights with respect to those restricted shares and received regular cash dividends paid with respect to the underlying shares of common stock during the period in which those shares are subject to restrictions.

Performance Shares/Units. The Compensation Committee may grant performance shares or units subject to such terms, conditions, restrictions or limitations as the Compensation Committee may determine are appropriate. Performance units will be assigned an initial value established by the Compensation Committee and performance shares will be assigned an initial value equal to the per share fair market value of our common stock on the date of the grant. The Compensation Committee will set performance goals in its discretion and the number and value of the payout for the performance shares/units will be determined based on the extent to which those performance goals are met. Payouts for performance shares/units may be payable in cash, shares of common stock or a combination of cash and common stock. The Compensation Committee may assign rights to performance shares/units that entitle the recipient to receive any dividends declared with respect to shares of common stock earned in connection with grants of performance shares/units. The Compensation Committee may also allow the recipient to exercise voting rights with respect to those shares.

Other Awards. The Compensation Committee may grant other awards to employees or non-employee directors in amounts and on terms determined by the Compensation Committee, including restricted stock units. A recipient of restricted stock units is entitled to receive shares of our common stock upon any terms and conditions imposed by the Compensation Committee. Unless otherwise designated by the Compensation Committee, the recipient of restricted stock units has no rights as a stockholder, including voting and dividend rights.

Change in Control. Upon the occurrence of a change in control of the company (as defined in the plan):

stock options and/or stock appreciation rights not otherwise exercisable will become fully exercisable;
all restrictions previously established with respect to restricted stock awards will lapse; and
all performance shares/units or other awards will be deemed to be fully earned for the entire performance period applicable to them.

The vesting of all of these awards will be accelerated as of the effective date of the change in control.

Transferability. Except as explicitly set forth in an award agreement, the rights and interests of a participant under the plan may not be transferred, except by will or the applicable laws of descent and distribution in the event of the death of the participant.

Adjustments upon Changes in Capitalization. The number of shares of our common stock as to which awards may be granted under the plan and shares of common stock subject to outstanding awards will be appropriately adjusted to

reflect changes in our capitalization, including stock splits, stock dividends, mergers, reorganizations, consolidations and recapitalizations.

TABLE OF CONTENTS

Amendments. The Board of Directors may suspend or terminate the plan at any time, except that no modification or termination of the plan may adversely affect in any material way any award previously granted under the plan without the written consent of the person holding that award.

Estimate of Benefits. Future benefits under the plan are not currently determinable because awards under the plan are discretionary.

Equity Compensation Plan Information

The following table provides certain aggregate information with respect to the company's equity compensation plan in effect as of December 31, 2009.

(1) The 2006 Omnibus Incentive Compensation Plan is the only plan under which we award equity-based compensation.

(2) Represents shares issuable upon vesting of outstanding restricted stock units.

(3) The outstanding restricted stock units have no exercise price.

Certain Tax Consequences of the 2006 Omnibus Incentive Compensation Plan

The following discussion of the federal income tax consequences of the plan is based on the Internal Revenue Code provisions currently in effect, current regulations, and administrative rulings of the IRS. The discussion is limited to the tax consequences on United States citizens and does not consider the potential impact of state tax laws. It is not intended to be a complete discussion of all of the United States income tax consequences of the plan or of all of the requirements that must be satisfied to qualify for the tax treatment described in this discussion. Changes in the law and the regulations may modify the discussion, and, in some cases, changes may be retroactive. In addition, tax consequences may vary depending upon the personal circumstances of individual participants and the tax requirements applicable to residents of countries other than the United States.

Stock Options and Stock Appreciation Rights. A stock option holder will not recognize income upon the grant of a stock option, or at any other time prior to the exercise of the stock option. Upon exercise of a non-qualified stock option, the holder will recognize compensation taxable as ordinary income in an amount equal to the sum of the excess of the fair market value of the common stock on the date the stock option is exercised over the exercise price of the common stock. This income is subject to withholding and other employment taxes. We will be entitled to a deduction in a like amount for compensation recognized by the holder. The ordinary income recognized upon exercise of the stock option will constitute personal service income for purposes of federal income taxes.

A subsequent taxable disposition of shares of common stock acquired upon exercise of a non-qualified stock option and held as a capital asset will result in a capital gain or loss measured by the difference between the fair market value of the stock on the date the stock option was exercised and the amount realized on later disposition. The gain or loss will be long-term if the shares of common stock are held for more than 12 months and short-term if held for 12 months or less.

A holder will not recognize income upon the grant or exercise of an incentive stock option if no disposition of the common stock acquired upon exercise of the stock option is made within two years from the date the stock option was granted or within one year after the transfer of common stock to the holder, and if at all times during the period beginning on the date the stock option was granted and ending on the day three months before the date of exercise the holder was an employee of the company. The difference between the fair market value of the common stock on the date of exercise and the exercise price, however, is an item

TABLE OF CONTENTS

of tax preference for purposes of the alternative minimum tax. If a holder who has acquired shares of common stock by the exercise of an incentive stock option makes a taxable disposition of the stock after satisfying the holding period requirements, the holder generally will recognize long-term capital gain or loss measured by the difference between the exercise price and the selling price. If the holding period requirements are satisfied, there is no compensation income attributable to an incentive stock option, and we will not be entitled to any deduction.

If a holder who has acquired shares of common stock by the exercise of an incentive stock option makes a taxable disposition of the stock within two years from the date the stock option was granted or within one year after the transfer of the stock to the holder, a disqualifying disposition occurs. In that event, the holder recognizes ordinary income equal to the lesser of the actual gain or the difference between the exercise price and the fair market value of the common stock on the date of exercise. This income is subject to withholding and other employment taxes. We will be entitled to a deduction in like amount for compensation recognized by the holder. If a loss is sustained on the disposition, the loss will generally be treated as a capital loss. If the amount received on the disqualifying disposition exceeds the fair market value of the common stock on the date of exercise, the excess will generally be either a long-term or short-term capital gain.

A holder will not recognize income upon the grant of a stock appreciation right or at any other time prior to the exercise of the stock appreciation right. Upon exercise of the stock appreciation right, the holder will recognize ordinary income in an amount equal to the stock appreciation right payment (or, if the stock appreciation right is settled in common stock, equal to the fair market value of the common stock received). All such income is subject to withholding and other employment taxes. We will be entitled to a deduction in like amount for compensation recognized by the holder. Upon a subsequent taxable disposition of shares received upon exercise of a stock appreciation right, the holder will recognize a long-term or short-term capital gain or loss measured by the difference between the selling price of the shares and the fair market value of the shares on the date of exercise.

Restricted Stock Awards. An employee will recognize ordinary compensation income in an amount equal to the fair market value of the shares subject to the grant of restricted stock at the time the restricted stock ceases to be subject to forfeiture. Dividends paid to an employee on the shares of restricted stock are treated as compensation income of the employee in the year received. The employee's holding period for long-term capital gains purposes will not begin to run until the stock is unrestricted. Subject to the limitations on deductibility contained in Section 162(m) of the Code, we will receive a deduction for federal income tax purposes equal to the compensation income recognized by the employee.

Performance Shares/Units. Because performance share or unit awards generally do not vest until the performance goals are satisfied, a participant receiving a grant of performance shares/units does not have compensation includable in his or her gross income for federal income tax purposes at the time the performance shares/units are granted. The participant, however, realizes ordinary income for federal income tax purposes in the year in which the performance shares/units are settled in shares of common stock or cash in an amount equal to the fair market value of a number of shares of common stock corresponding to the number of the performance shares/units. Any cash dividend equivalents received on the performance shares/units prior to settlement are ordinary compensation income in the year received. We generally are entitled to a deduction in the amount and for the period in which a participant realizes compensation income with respect to the performance shares/units, subject to the limitations under Section 162(m) of the Code.

Required Vote

The plan proposal to amend the 2006 Omnibus Incentive Compensation Plan must be approved by the affirmative vote of the majority of shares of our common stock present in person or represented by proxy at the special meeting

and entitled to vote on the proposal.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Registered

Public Accounting Firm

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, the Audit Committee has responsibility, pursuant to its written charter, for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. The Audit Committee's policy is to approve all audit and non-audit services provided by our independent registered public accounting firm prior to the commencement of the services using a combination of pre-approvals for certain engagements up to predetermined dollar thresholds in accordance with the pre-approval policy and specific approvals for certain engagements on a case-by-case basis. The Audit Committee has delegated authority to the committee's chairman to pre-approve between committee meetings those services that have not already been pre-approved by the committee. The chairman of the Audit Committee is required to report any such pre-approval decisions to the full committee at its next scheduled meeting.

TABLE OF CONTENTS

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the annual meeting is required to ratify the appointment of the independent registered public accounting firm. If the stockholders do not ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE SELECTION OF GRANT THORNTON LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.
