Item 2.03. Creation of a Direct Financial Obligation for an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On April 28, 2011, Advaxis, Inc. (the “Company”) issued and sold to an accredited investor (the “Investor”) a convertible promissory note of the Company in the aggregate principal amount of \$500,000 (together with the related ancillary documents, the “A-Note”) in return for the payment in cash from the Investor of \$500,000. The A-Note bears interest in the form of a one time interest charge of 8% of the principal amount of the A-Note, payable with the A-Note’s aggregate principal amount outstanding on the maturity date, April 28, 2014. The A-Note is convertible, in whole or in part, into shares of the Company’s common stock, \$0.001 par value (the “Common Stock”) at a per share conversion price equal to 80% of the average of the two lowest trade prices for the Common Stock in the 20 trading days previous to the effective date of each such conversion, subject to a conversion floor of \$0.15, all as more particularly described below and in the form of A-Note attached hereto as Exhibit 4.1. The A-Note may be prepaid by the Company without penalty beginning twelve months after issue date of the A-Note. To the extent the Investor does not elect to convert the A-Note as described above, the principal amount of the A-Note not so converted shall be payable in cash on the maturity date.

On April 28, 2011, the Company also issued and sold to the Investor a convertible promissory note of the Company in the aggregate principal amount of \$800,000 (together with the related ancillary documents, the “B-Note” and together with the A-Note, the “Company Notes”). The B-Note bears interest in the form of a one time interest charge of 8% of the principal amount of the B-Note, payable with the B-Note’s aggregate principal amount outstanding on the maturity date, April 28, 2014. All or any portion of the aggregate principal and interest outstanding under the B-Note is convertible, at the option of the Investor from time to time (subject to the prior pre-payment of the such principal amount of the C-Note (as defined below) equal to the such principal amount of the B-Note subject to such conversion), into shares of Common Stock, at a per share conversion price equal to 80% of the average of the two lowest trade prices for the Common Stock in the 20 trading days previous to the effective date of each such conversion, subject to a conversion floor of \$0.15, all as more particularly described below and in the form of B-Note attached hereto as Exhibit 4.2.

Concurrently with the issuance of the B-Note, the Investor issued and delivered to the Company a secured and collateralized promissory note (together with the related ancillary documents, the “C-Note”), which served as the sole consideration paid to the Company for the Company’s issuance of the B-Note to the Investor. The C-Note was issued in the aggregate principal amount of \$800,000, bears interest in the form of a one time interest charge of 8% of the principal amount of the C-Note, payable with the C-Note’s aggregate principal amount outstanding on the maturity date, April 28, 2014. The C-Note is to be secured by \$800,000 of an unspecified money market fund, or other assets, having a value of at least \$800,000.

Immediately after the purchase by the Investor of the B-Note for the C-Note, the Investor delivered to the Company the sum of \$80,000 in cash as a pre payment on the principal amount outstanding under the C-Note. While no further mandatory principal or interest payments are due on the C-Note until its maturity date, the C-Note contemplates (but does not require) further voluntary pre payments by the Investor on the C-Note to the Company at the approximate rate of \$250,000 per month, beginning seven months after the issuance of the C-Note, or commencing on or about November 28, 2011, but only provided: (i) all requests by the Investor for conversion of principal and interest on the B-Note are honored and (ii) the Common Stock issued upon such conversions of portions of the principal and interest on the B-Note may be freely resold by the Investor without the requirement of any restrictive legend pursuant to applicable securities laws, rules and regulations.

Additionally, the Investor may purchase up to an additional \$2.4 million in aggregate principal amount of notes in the form of the B-Note from the Company (each, an “Additional B-Notes”). The purchase price for each such Additional B-Note issued to the Investor will be paid by the issuance by the Investor to the Company of an additional note in the form of the C-Note (each, an “Additional C-Note”), with such Additional B-Notes and Additional C-Notes containing the same terms and provisions described above and in the form of B-Note and the form of C-Note attached hereto as Exhibit 4.2 and Exhibit 4.3, respectively.

The Company intends to use the proceeds from the sale of the Company Notes and, if applicable, the sale of Additional B-Notes, for among other things, (i) costs and expenses relating to the Company’s clinical trials, (ii) costs and expenses relating to the sale of the Company Notes, (iii) costs and expenses relating to obtaining one or more follow-on financings and (iv) general working capital purposes.

The Company Notes were offered and sold to an “accredited investor” (as defined in section 501(a) of Regulation D) pursuant to an exemption from the registration requirements under Section 4(2) of the Securities Act of 1933, as amended (the “Securities Act”) and Rule 506 of Regulation D promulgated thereunder. The shares to be issued upon conversion of the Company Notes and, if applicable, the Additional B-Notes, have not been registered under the Securities Act and may not be offered or sold in the United States in the absence of an effective registration statement or exemption from the registration requirements. The Company Notes include, and any Additional B-Notes will include, a limitation on conversion, which provides that at no time will the Investor be entitled to convert any portion of the Company Notes, that would result in the beneficial ownership by the Investor of more than 4.99% of the outstanding shares of Common Stock on such date.

The foregoing descriptions of the forms of the A-Note, B-Note and C-Note do not purport to be complete and are qualified in their entirety by reference to such documents, which are attached hereto as Exhibits 4.1, 4.2 and 4.3 respectively, and incorporated herein by this reference.

1.1 Interest Rate. Subject to the Holder's right to convert, interest payable on this Note will accrue interest at the Interest Rate and shall be applied to the Principal Sum.

## ARTICLE 2 CONVERSION RIGHTS

The Holder will have the right to convert the Principal Sum and accrued interest under this Note into Shares of the Borrower's Common Stock as set forth below.

2.1 Conversion Rights and Cashless Exercise. Subject to the terms set forth in Section 2.7, the Holder will have the right at its election from and after 180 days from the Effective Date, and then at any time, to convert all or part of the outstanding and unpaid Principal Sum and accrued interest into shares of fully paid and nonassessable shares of common stock of Advaxis, Inc. (as such stock exists on the date of issuance of this Note, or any shares of capital stock of Advaxis, Inc. into which such stock is hereafter changed or reclassified, the "Common Stock") as per the Conversion Formula set forth in Section 2.2. Any such conversion shall be cashless, and shall not require further payment from Holder. Unless otherwise agreed in writing by both the Borrower and the Holder, at no time will the Holder convert any amount of the Note into common stock that would result in the Holder owning more than 4.99% of the common stock outstanding of Advaxis, Inc. Shares from any such conversion will be delivered to Holder by 2:30pm EST within 2 (two) business days of conversion notice delivery (see 3.1) by "DWAC/FAST" electronic transfer (see "Share Delivery" attachment).

2.2. Conversion Formula. The number of shares issued through conversion is the conversion amount divided by the conversion price.

# Shares = Conversion Amount  
Conversion Price

2.3. This section 2.3 intentionally left blank.

2.4. This section 2.4 intentionally left blank.

2.5 Reservation of Shares. As of the issuance date of this Note and for the remaining period during which the conversion right exists, the Borrower will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of Common Stock upon the full conversion of this Note. The Borrower represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable. The Borrower agrees that its issuance of this Note constitutes full authority to its officers, agents and transfer agents who are charged with the duty of executing and issuing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the conversion of this Note.

2.6. Delivery of Conversion Shares. Shares from any such conversion will be delivered to Holder by 2:30pm EST within 2 (two) business days of conversion notice delivery (see 3.1) by "DWAC/FAST" electronic transfer (see "Share Delivery" attachment). If those shares are not delivered in accordance with this timeframe stated in this Section 2.6, at any time for any reason prior to offering those shares for sale in a private transaction or in the public market through its broker, Holder may rescind that particular conversion to have the conversion amount returned to the note balance with the conversion shares returned to the Borrower. The Company will make its best efforts to deliver shares to Holder same day / next day.

2.6.1. Conversion Delay Penalties. Holder may assess penalties or liquidated damages (both referred to herein as “penalties”) as follows.

2.6.1 .A. For each conversion, Borrower agrees to deliver share issuance instructions to its transfer agent same day or next day. In the event that the share issuance instructions are not delivered to the Borrower’s transfer agent by the next day, a penalty of \$2,000 per day will be assessed for each day until share issuance instructions are delivered to the transfer agent (\$2,000 per day inclusive of the day of the conversion); and such penalty will be added to the principal balance of the Note (under Holder and Borrower’s expectation that any penalty amounts will tack back to the original date of the note).

2.6.1 .B. For each conversion, in the event that shares are not delivered by the third business day (inclusive of the day of the conversion), a penalty of \$2,000 per day will be assessed for each day after the third business day (inclusive of the day of the conversion) until share delivery is made; and such penalty will be added to the principal balance of the Note (under Holder and Borrower’s expectation that any penalty amounts will tack back to the original date of the note). Borrower will not be subjected to any penalties once its transfer agent processes the shares to the DWAC system.

2.8. Conversion Price Adjustment. If the Conversion Price on the date that the Holder elects to convert all or part of the outstanding and unpaid Principal sum and accrued interest of the Note pursuant to Section 2.1 is below the price which would otherwise trigger any anti- dilution, price-reset or similar provision in any outstanding option, warrant or other derivative security of the Borrower, then the parties will agree to an adjusted Conversion Price with respect to such conversion such that no anti-dilution, price-reset or similar provision in any outstanding option, warrant or other derivative security of the Borrower would be triggered.

2.6.1. Conversion Delay Penalties. Holder may assess penalties or liquidated damages (both referred to herein as “penalties”) as follows.

2.6.1 .A. For each conversion, Borrower agrees to deliver share issuance instructions to its transfer agent same day or next day. In the event that the share issuance instructions are not delivered to the Borrower’s transfer agent by the next day, a penalty of \$2,000 per day will be assessed for each day until share issuance instructions are delivered to the transfer agent (\$2,000 per day inclusive of the day of the conversion); and such penalty will be added to the principal balance of the Note (under Holder and Borrower’s expectation that any penalty amounts will tack back to the original date of the note).

2.6.1.B. For each conversion, in the event that shares are not delivered by the third business day (inclusive of the day of the conversion), a penalty of \$2,000 per day will be assessed for each day after the third business day (inclusive of the day of the conversion) until share delivery is made; and such penalty will be added to the principal balance of the Note (under Holder and Borrower’s expectation that any penalty amounts will tack back to the original date of the note). Borrower will not be subjected to any penalties once its transfer agent processes the shares to the DWAC system.

2.7. Discharge By Payment. Conversions under this Convertible Promissory Note Document B-0420201 1a are available only after the Conversion Amount described herein is discharged by payment of equal or greater value from the Secured & Collateralized Promissory Note Document C-0420201 1a by either, at the Holder’s choice, cash payment, or surrender of security/collateral, or other negotiated form of payment mutually agreed to in writing.

2.8. Conversion Price Adjustment. If the Conversion Price on the date that the Holder elects to convert all or part of the outstanding and unpaid Principal sum and accrued interest of the Note pursuant to Section 2.1 is below the price which would otherwise trigger any anti- dilution, price-reset or similar provision in any outstanding option, warrant or other derivative security of the Borrower, then the parties will agree to an adjusted Conversion Price with respect to such conversion such that no anti-dilution, price-reset or similar provision in any outstanding option, warrant or other derivative security of the Borrower would be triggered.

Item 1.01. Entry into a Material Definitive Agreement.

Effective May 9, 2011, Advaxis, Inc. (the “Company”) entered into a Note Purchase Agreement (the “Note Purchase Agreement”) with certain accredited investors (collectively, the “Investors”), whereby the Investors will acquire approximately \$7.0 million of convertible promissory notes of the Company (the “Notes”) for an aggregate purchase price of approximately \$6.0 million in a private placement (the “Offering”). The Notes will be issued with an original issue discount of 15%. Each Investor will pay \$0.85 for each \$1.00 of principal amount of Notes purchased at the closing of the Offering. The Notes are convertible into shares of the Company’s common stock, \$0.001 par value (the “Common Stock”), at a per share conversion price equal to \$0.15, all as more particularly described below and in the form of Note attached hereto as Exhibit 4.1. Additionally, each Investor will receive a warrant to purchase such number of shares of Common Stock equal to 50% of such number of shares of Common Stock issuable upon conversion of the Note (the “Warrants”) at an exercise price of \$0.15 per share, as more particularly described below and in the form of Warrant attached hereto as Exhibit 4.2. The Company anticipates the closing of the Offering to occur on or about May 12, 2011, subject to customary closing conditions.

The Notes mature on the first anniversary of the closing date of the Offering (the “Maturity Date”), which is anticipated to be on or about May 12, 2012. The Company may redeem the Notes under certain circumstances. The Warrants are exercisable at any time on or before the third anniversary of the issue date of the Warrants. The Warrants may be exercised on a cashless basis under certain circumstances.

To the extent an Investor does not elect to convert its Notes as described above, the principal amount of the Notes not so converted shall be payable in cash on the Maturity Date.

The Note may be converted by the Investors in whole or in part. However, except as otherwise provided in the Notes, only 85% of the initial principal amount of each Note is convertible at any time after issuance and the remainder is convertible at maturity. The Notes and Warrants include a limitation on conversion or exercise, which provides that at no time will an Investor be entitled to convert any portion of the Notes or exercise any number of Warrants, that would result in the beneficial ownership by the Investor and its affiliates of more than, at the election of each Investor, either 4.99% or 9.99% of the outstanding shares of Common Stock on such date.

In connection with the Offering, the Company entered into a Registration Rights Agreement, dated as of May 9, 2011 (the “Registration Rights Agreement”) with the Investors, in the form attached hereto as Exhibit 10.2. Pursuant to the Registration Rights Agreement, the Company has agreed with the Investors to provide certain rights to register under the Securities Act of 1933, as amended (the “Securities Act”), the shares of Common Stock issuable upon any conversion of the Notes and the exercise of the Warrants, and agreed to file a registration statement under the Securities Act within 45 days of the closing of the Offering to register the offering of the shares of Common Stock issuable upon conversion of the Notes and the exercise of the Warrants.

The Company intends to use the proceeds from the Offering for among other things, (i) costs and expenses relating to the Company’s clinical trials, (ii) costs and expenses relating to the Offering, (iii) costs and expenses relating to obtaining one or more follow-on financings and (iv) general working capital purposes.

The Notes and Warrants were offered and sold to “accredited investors” (as defined in section 501(a) of Regulation D) pursuant to an exemption from the registration requirements under Section 4(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. The shares to be issued upon conversion of the Notes and exercise of the Warrants have not been registered under the Securities Act and may not be offered or sold in the United States in the absence of an effective registration statement or exemption from the registration requirements.

Rodman & Renshaw, LLC (“Rodman”), a subsidiary of Rodman & Renshaw Capital Group, Inc. (NASDAQ:RODM) acted as the exclusive placement agent in connection with the Offering and the Company agreed to pay to Rodman a cash placement fee equal to 6% of the aggregate purchase price paid by Investors in the Offering. In addition, Rodman shall receive warrants to purchase a number of shares of Common Stock equal to 4% of the shares of Common Stock issuable upon conversion of the Notes that will be sold to the Investors, which warrants shall be exercisable at \$0.15 per share.

The foregoing descriptions of the forms of the Notes, Warrants, Note Purchase Agreement and Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to such documents, which are attached hereto as Exhibits 4.1, 4.2, 10.1 and 10.2 respectively, and incorporated herein by this reference.

Item 2.03. Creation of a Direct Financial Obligation for an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 is hereby incorporated by reference to this Item 2.03.

Item 3.02. Unregistered Sales of Securities.

The information provided in Item 1.01 is hereby incorporated by reference to this Item 3.02.

Item 8.01 Other Events.

On May 9, 2011, the Company issued a press release regarding the Offering. A copy of the press release is attached hereto as Exhibit 99.1, which is being furnished and shall not be deemed “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. This Series C, Tranche 6 Note (“Note”) is one of a series of notes (the “Notes”) issued pursuant to the terms of a Note Purchase Agreement (the “Purchase Agreement”), by and between the Borrower, the initial Holder and certain other investors signatory thereto (including the initial Holder), dated as of the Issue Date. Unless otherwise separately defined herein, all capitalized terms used in Note shall have the same meaning as is set forth in the Purchase Agreement. Unless otherwise separately defined herein, all capitalized terms used in Note shall have the same meaning as is set forth in the Purchase Agreement. The following terms shall apply to Note:

ARTICLE I

1.1 Conversion Privileges. The conversion privileges set forth in Article II shall remain in full force and effect immediately from the date hereof and until Note is paid in full regardless of the occurrence of an Event of Default but subject to Article II. The Principal Amount of Note, or such portion thereof, that has not previously been converted into common stock, \$0.001 par value, of the Company (the “Common Stock”) in accordance with Article II hereof, if any, shall be payable in full on the Maturity Date.

1.2 Borrower May Have Senior Indebtedness Outstanding; Notes are Subordinate to Senior Indebtedness . The Borrower currently has secured indebtedness outstanding that is senior in right of payment with the indebtedness evidenced by this Note (the “Senior Indebtedness”). ---

2 Insert \_\_\_\_ month anniversary of the Closing Date

2.1 Conversion into the Borrower's Common Stock

- (a) **Conversion Price.** The conversion price in effect on any date of conversion shall be equal to \$0.15, subject to adjustment herein (the "Conversion Price").
- (b) **Conversion.** The Holder shall have the option, but shall not be required, to convert all or a portion of the Note into a number of fully paid and non-assessable shares of Common Stock (the "Conversion Shares"). The number of Conversion Shares issuable upon a conversion hereunder shall be determined by the quotient obtained by dividing (x) the outstanding Principal Amount of this Note to be converted by (y) the Conversion Price.
- (c) **Mechanics of Conversion.** As a condition to effecting the conversion set forth in Section 2.1(b) above, the Holder shall properly complete and deliver to the Company a Notice of Conversion, a form of which is annexed hereto as Exhibit A (the "Notice of Conversion"), which notice must be received by the Company at least one (1) Trading Day prior to the Maturity Date. The Notice of Conversion shall set forth the Principal Amount of this Note to be converted and the date on which such conversion shall be effected (such date, the "Conversion Date"); provided, however, that the Holder may not deliver to the Company a Notice of Conversion for more than eighty-five percent (85%) of the Principal Amount of this Note as of the Issue Date of this Note prior to the Maturity Date (or such greater amount of the Principal Amount prior to the Maturity Date, as determined by the Company in its reasonable discretion, as would not as of such date of determination cause the Company to be required to issue any additional shares of Common Stock to any holder of securities of the Company as of the time immediately prior to the Issue Date (each, an "Existing Securityholder") or result in a reduction of the conversion price or exercise price of any outstanding Convertible Security or Option, as applicable, in each case held by an Existing Securityholder as of the time immediately prior to the Issue Date). If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion is deemed delivered hereunder. Upon timely delivery to the Borrower of the Notice of Conversion, certificates evidencing that number of shares of Common Stock for the portion of the Note converted in accordance herewith shall be transmitted by the Company's transfer agent to the Holder by crediting the account of the Holder's prime broker with The Depository Trust Company through its Deposit / Withdrawal at Custodian system if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Conversion Shares to, or resale of the Conversion Shares by, the Holder or (B) the shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery to the address specified by the Holder in the Notice of Conversion by the date that is three (3) Trading Days after the Conversion Date (such third day being the "Share Delivery Date").

(d) Obligation to Deliver Conversion Shares Absolute; Certain Remedies.

(i) **Obligation Absolute.** The Company's obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action the Company may have against the Holder. In the absence of such injunction, the Company shall issue Conversion Shares or, if applicable, cash, upon a properly noticed conversion.

(ii) **Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Conversion.** In addition to any other rights available to the Holder, if the Company fails for any reason to deliver to the Holder such certificate or certificates by the Share Delivery Date pursuant to Section 2.1(c), and if after such Share Delivery Date the Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "Buy-In"), then the Company shall (A) pay in cash to the Holder (in addition to any other remedies available to or elected by the Holder) the amount, if any, by which (x) the Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that the Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of the Holder, either reissue (if surrendered) this Note in a Principal Amount equal to the Principal Amount of the attempted conversion (in which case such conversion shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued if the Company had timely complied with its delivery requirements under Section 2.1(c) (the "Buy-In Liquidated Damages"). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of this Note with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss.

(iii) **Rescission.** If, in the case of any Notice of Conversion, such certificate or certificates are not delivered to or as directed by the applicable Holder by the Share Delivery Date, the Holder shall be entitled to elect by written notice to the Company at any time on or before its receipt of such certificate or certificates, to rescind such Conversion, in which event the Company shall promptly return to the Holder any original Note delivered to the Company and the Holder shall promptly return to the Company the Common Stock certificates issued to such Holder pursuant to the rescinded Conversion Notice.

(e) **Adjustment.** The number and kind of shares or other securities to be issued upon conversion determined pursuant to Section 2.1(b), shall be subject to adjustment, from time to time, upon the happening of certain events while this conversion right remains outstanding, as follows:

(i) Fundamental Transaction. If, at any time while this Note is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another Person, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Company or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a “Fundamental Transaction”), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 2.3 on the conversion of this Note), the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2.3 on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the “Successor Entity”) to assume in writing all of the obligations of the Company under this Note and the other Transaction Documents in accordance with the provisions of this Section 2(e)(i) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the holder of this Note, deliver to the Holder in exchange for this Note a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Note which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Note (without regard to any limitations on the conversion of this Note) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Note immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Note and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Note and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein.

(ii) Stock Dividends and Stock Splits. If the Company, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon conversion of, or payment of interest on, the Notes), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re classification.

(f) Notice of Adjustment. Upon the occurrence of an event specified in Section 2.1(e), the Borrower shall promptly mail to the Holder a notice setting forth the adjustment and setting forth a statement of the facts requiring such adjustment, provided that any additional notice requirements set forth in Section 2.1(e)(i) shall also be applicable.

(g) Reservation of Shares. At such time when necessary, Borrower:

(i) will reserve from its authorized and unissued Common Stock a sufficient amount of Common Stock to permit the full conversion of Note;

(ii) represents that upon issuance, such shares will be duly and validly issued, fully paid and non-assessable; and

(iii) agrees that its issuance of Note shall constitute full authority to its officers, agents, and transfer agents who are charged with the duty of executing and issuing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the conversion of Note.

2.2 Method of Conversion. Note may be converted by the Holder, in whole or in part, as described in Section 2.1(a) hereof and the Purchase Agreement. Upon partial conversion of Note, a new Note containing the same date and provisions of Note shall, at the request of the Holder, be issued by the Borrower to the Holder for the principal balance of Note and interest which shall not have been converted or paid.

2.3 Limitations on Conversion. Notwithstanding anything to the contrary contained in this Note, this Note shall not be convertible by the Holder hereof, and the Company shall not effect any conversion of this Note or otherwise issue any shares of Common Stock pursuant hereto, to the extent (but only to the extent) that the Holder or any of its affiliates would beneficially own in excess of [4.99][9.99]3% (the "Maximum Percentage") of the Common Stock. To the extent the above limitation applies, the determination of whether this Note shall be convertible (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to convert this Note, or to issue shares of Common Stock, pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. For purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Securities Act of 1934, as amended, and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Note. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within two (2) Trading Days confirm orally to the Holder and, if requested, in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Note or securities issued pursuant to the Purchase Agreement.

## ARTICLE V

### COMPANY OPTIONAL REDEMPTION RIGHT

5.1 Optional Redemption Right.. Subject to the provisions of this Article V, at any time after the Effective Date, the Company may deliver a notice to the Holder (an “Optional Redemption Notice” and the date such notice is deemed delivered hereunder, the “Optional Redemption Notice Date”) of its irrevocable election to redeem some or all of the then outstanding principal amount of this Note for cash on the 20th Trading Day following the Optional Redemption Notice Date (such date, the “Optional Redemption Date”, such 20 Trading Day period, the “Optional Redemption Period” and such redemption, the “Optional Redemption”). The Optional Redemption Amount is payable in full on the Optional Redemption Date. The Company may only effect an Optional Redemption if each of the Equity Conditions (as defined below) shall have been met (unless waived in writing by the Holder) on each Trading Day during the period commencing on the Optional Redemption Notice Date through to the Optional Redemption Date and through and including the date payment of the Optional Redemption Amount is actually made in full. If any of the Equity Conditions shall cease to be satisfied at any time during the Optional Redemption Period, then the Holder may elect to nullify the Optional Redemption Notice by notice to the Company within 3 Trading Days after the first day on which any such Equity Condition has not been met in which case the Optional Redemption Notice shall be null and void, abinitio. The Company covenants and agrees that it will honor all Notices of Conversion tendered from the time of delivery of the Optional Redemption Notice through the date all amounts owing thereon are due and paid in full. “Equity Conditions” means, during the period in question, (a) the Company shall have duly honored all conversions and redemptions scheduled to occur or occurring by virtue of one or more Notices of Conversion of the Holder, if any, (b) the Company shall have paid all liquidated damages and other amounts owing to the Holder in respect of this Note, (c)(i) there is an effective Registration Statement pursuant to which the Holder is permitted to utilize the prospectus thereunder to resell all of the Conversion Shares issuable upon conversion of such portion of this Note subject to an Optional Redemption (and the Company believes, in good faith, that such effectiveness will continue uninterrupted for such period) or (ii) all of the Conversion Shares issuable upon conversion of such portion of this Note subject to an Optional Redemption may be resold pursuant to Rule 144 during such period, (d) the Common Stock is trading on a Trading Market and all of the shares issuable pursuant to the Transaction Documents are listed or quoted for trading on such Trading Market (and the Company believes, in good faith, that trading of the Common Stock on a Trading Market will continue uninterrupted for the foreseeable future), (e) there is a sufficient number of authorized but unissued and otherwise unreserved shares of Common Stock for the issuance of all of the Conversion Shares issuable upon conversion of such portion of this Note and any other Notes being redeemed at such time, (f) there is no existing Event of Default and, to the actual knowledge of the Company, no existing event which, with the passage of time or the giving of notice, would constitute an Event of Default, (g) the issuance of the shares issuable to the Holder upon conversion of such portion of this Note subject to an Optional Redemption would not violate the limitations set forth in Section 2.3 under this Note, (h) there has been no public announcement of a pending or proposed Fundamental Transaction that has not been consummated or abandoned, (i) the applicable Holder is not in possession of any information provided by the Company that constitutes, or may constitute, material non-public information, (j) for each Trading Day in a period of 20 consecutive Trading Days prior to the applicable date in question, the daily trading volume for the Common Stock on the principal Trading Market exceeds \$100,000 per Trading Day and (k) for each Trading Day in a period of 20 consecutive Trading Days prior to the applicable date in question, the VWAP equals or exceeds \$0.20 (subject to adjustment for forward and reverse stock splits, recapitalizations and the like).

5.2 Right to Convert. Notwithstanding the foregoing, the Holder may elect to convert the outstanding principal amount of the Note subject to an Optional Redemption Notice pursuant to Article II at any time prior to actual payment in cash for any redemption under this Section 6 by the delivery of an irrevocable Notice of Conversion to the Company.

#### FORM OF COMMON STOCK PURCHASE WARRANT

No. \_\_\_\_\_

Issue Date: \_\_\_\_\_, 2011

ADVAXIS, INC., a corporation organized under the laws of the State of Delaware (the “Company”), hereby certifies that, for value received, \_\_\_\_\_ or its assigns (the “Holder”), is entitled, subject to the terms set forth below, to purchase from the Company at any time after the Issue Date until 5:00 p.m., E.S.T on the third anniversary (3rd) of the Issue Date (the “Expiration Date”), up to \_\_\_\_\_ (\_\_\_\_\_)1 fully paid and non-assessable shares of Common Stock at a per share purchase price of \$0.15, subject to adjustment hereunder. The aforescribed purchase price per share, as adjusted from time to time as herein provided, is referred to herein as the “Exercise Price.” The number and character of such shares of Common Stock and the Exercise Price are subject to adjustment as provided herein. The Company may reduce the Exercise Price for some or all of the Warrants, temporarily or permanently. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Note Purchase Agreement (the “Purchase Agreement”), dated as of the Issue Date, entered into by the Company, the initial Holder and certain other investors signatory thereto (including the initial Holder). This Warrant is one of a series of Warrant issued purchased to the terms of the Purchase Agreement.

As used herein the following terms, unless the context otherwise requires, have the following respective meanings:

\_\_\_\_\_  
1 50% Warrant Coverage

- (a) The term “Company” shall include Advaxis, Inc. and any corporation, which shall succeed or assume the obligations of Advaxis, Inc. hereunder.
- (b) The term “Common Stock” means (a) the Company’s Common Stock, \$0.001 par value per share, as authorized on the date of the Purchase Agreement and (b) any other securities into which or for which any of the securities described in (a) may be converted or exchanged pursuant to a plan of recapitalization, reorganization, merger, sale of assets or otherwise.
- (c) The term “Other Securities” refers to any shares of capital stock other than Common Stock and other securities of the Company or any other person, corporate or otherwise, which the Holder of the Warrant at any time shall be entitled to receive, or shall have received, on the exercise of the Warrant, in lieu of or in addition to Common Stock, or which at any time shall be issuable or shall have been issued in exchange for or in replacement of Common Stock or Other Securities pursuant to Section 4 or otherwise.
- (e) The term “Warrant Shares” shall mean the Common Stock issuable upon exercise of this Warrant.

1. Exercise of Warrant

1.1. Number of Shares Issuable upon Exercise. From and after the Issue Date through and including the Expiration Date, the Holder hereof shall be entitled to receive, upon exercise of this Warrant in whole in accordance with the terms of subsection 1.2 or upon exercise of this Warrant in part in accordance with subsection 1.3 shares of Common Stock of the Company, subject to adjustment pursuant to Section 4.

1.2. Full Exercise. This Warrant may be exercised in whole by the Holder hereof by delivery of an original or facsimile copy of the form of subscription attached as Exhibit A hereto (the “Subscription Form”) duly executed by such Holder. Within one (1) Trading Day (as defined in the Purchase Agreement) following the date of exercise, the Holder shall deliver payment, in cash, wire transfer or by certified or official bank check payable to the order of the Company, in the amount obtained by multiplying the number of shares of Common Stock for which this Warrant is then exercisable by the Exercise Price then in effect unless such exercise was made pursuant to a valid Cashless Exercise (as defined in Section 2 below) as specified by the Holder on the applicable Subscription Form. The original Warrant is not required to be surrendered to the Company until it has been fully exercised.

1.3. Partial Exercise. This Warrant may be exercised in part (but not for a fractional share) by delivery of a Subscription Form in the manner and at the place provided in subsection 1.2 except that the cash amount payable by the Holder on such partial exercise (except to the extent such exercise was made pursuant to a valid Cashless Exercise) shall be the amount obtained by multiplying (a) the number of whole shares of Common Stock designated by the Holder in the Subscription Form by (b) the Exercise Price then in effect. On any such partial exercise, provided the Holder has surrendered the original Warrant, the Company, at its expense, will forthwith issue and deliver to or upon the order of the Holder hereof a new Warrant of like tenor, in the name of the Holder hereof or as such Holder (upon payment by such Holder of any applicable transfer taxes) may request, the whole number of shares of Common Stock for which such Warrant may still be exercised for the balance of.

1.4. Fair Market Value. Fair Market Value of a share of Common Stock as of a particular date (the “Determination Date”) shall mean:

- (a) If the Company’s Common Stock is listed on a national securities exchange, then the closing or last sale price, respectively, reported for the trading day immediately preceding but not including the Determination Date;
- (b) If the Company’s Common Stock is not listed on a national securities exchange but is quoted in the over-the-counter market or the “pink-sheets,” then the closing bid price reported immediately preceding but not including the Determination Date;
- (c) Except as provided in clause (d) below and Section 3.1, if the Company’s Common Stock is not publicly traded, then as the Holder and the Company agree, or in the absence of such an agreement, by arbitration in accordance with the rules then standing of the American Arbitration Association, before a single arbitrator to be chosen from a panel of persons qualified by education and training to pass on the matter to be decided; or
- (d) If the Determination Date is the date of a liquidation, dissolution or winding up, or any event deemed to be a liquidation, dissolution or winding up pursuant to the Company’s certificate of incorporation (as amended and/or restated from time to time, the “Charter”), then all amounts to be payable per share to holders of the Common Stock pursuant to the Charter in the event of such liquidation, dissolution or winding up, plus all other amounts to be payable per share in respect of the Common Stock in liquidation under the Charter, assuming for the purposes of this clause (d) that all of the shares of Common Stock then issuable upon exercise of all of the Warrants are outstanding at the Determination Date.

1.5. Company Acknowledgment. The Company will, at the time of the exercise of the Warrant, upon the request of the Holder hereof, acknowledge in writing its continuing obligation to afford to such Holder any rights to which such Holder shall continue to be entitled after such exercise in accordance with the provisions of this Warrant. If the Holder shall fail to make any such request, such failure shall not affect the continuing obligation of the Company to afford to such Holder any such rights.

1.6. Trustee for Warrant Holders. In the event that a bank or trust company shall have been appointed as trustee for the Holder of the Warrants pursuant to Subsection 3.2, such bank or trust company shall have all the powers and duties of a warrant agent (as hereinafter described) and shall accept, in its own name for the account of the Company or such successor person as may be entitled thereto, all amounts otherwise payable to the Company or such successor, as the case may be, on exercise of this Warrant pursuant to this Section 1.

1.7. **Delivery of Stock Certificates, etc. on Exercise.** The Company agrees that the shares of Common Stock purchased upon exercise of this Warrant shall be deemed to be issued to the Holder hereof as the record owner of such shares as of the close of business on the date on which delivery of a Subscription Form shall have occurred and payment made for such shares as aforesaid. As soon as practicable after the exercise of this Warrant in whole or in part, the Company at its expense (including the payment by it of any applicable issue taxes) will cause to be issued in the name of and delivered to the Holder hereof, or as such Holder (upon payment by such Holder of any applicable transfer taxes) may direct in compliance with applicable securities laws, a certificate or certificates for the number of duly and validly issued, fully paid and non-assessable shares of Common Stock (or Other Securities) to which such Holder shall be entitled on such exercise. Certificates for shares purchased hereunder shall be transmitted by the Company's transfer agent to the Holder by crediting the account of the Holder's prime broker with The Depository Trust Company ("DTC") through its Deposit / Withdrawal at Custodian system if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to, or resale of the Warrant Shares by, the Holder or (B) the shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery to the address specified by the Holder in the Subscription Form by the date that is three (3) Trading Days after the latest of (A) the delivery to the Company of the Subscription Form, (B) surrender of this Warrant (if required), and (C) payment of the aggregate Exercise Price as set forth above (including by cashless exercise, if permitted) (such date, the "Warrant Share Delivery Date"). No fractional shares of Common Stock are to be issued upon the exercise of this Warrant, but rather the number of shares of Common Stock to be issued shall be rounded to the nearest whole number. Upon delivery of a Subscription Form, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date such Warrant Shares are credited to the Holder's DTC account or the date of delivery of the certificates evidencing such Warrant Shares (as the case may be). Notwithstanding the foregoing, except in the case where an exercise of this Warrant is validly made pursuant to a Cashless Exercise, the Company's failure to deliver Warrant Shares to the Holder on or prior to the second (2nd) Trading Day after the Company's receipt of the aggregate Exercise Price in cash shall not be deemed to be a breach of this Warrant.

1.8. **Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Exercise.** In addition to any other rights available to the Holder, if the Company fails to cause the Company's transfer agent to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder (the "Buy-In Liquidated Damages"). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss.

1.9. Rescission Rights. If the Company fails to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to exercise by the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

2. Exercise. Payment upon exercise may be made at the option of the Holder either (i) in cash, wire transfer or by certified or official bank check payable to the order of the Company equal to the applicable aggregate Exercise Price or (ii) if at the time of exercise hereof a Registration Statement (as defined in the Registration Rights Agreement (as defined in the Purchase Agreement)) is not effective (or the prospectus contained therein is not available for use) for the resale by the Holder of the Warrant Shares issuable in such exercise of this Warrant, then the Holder may, in its sole discretion, exercise this Warrant in whole or in part and, in lieu of making the cash payment otherwise contemplated to be made to the Company upon such exercise in payment of the Exercise Price, elect instead to receive upon such exercise the "Net Number" of shares of Common Stock determined according to the following formula (a "Cashless Exercise"):

$$\text{Net Number} = (A \times B) - (A \times C)$$

B

For purposes of the foregoing formula:

A= the total number of shares with respect to which this Warrant is then being exercised.

B= the Fair Market Value of the Common Stock as of the close of business of the Trading Day immediately preceding the date of the applicable Subscription Form.

C= the Exercise Price then in effect for the applicable Warrant Shares at the time of such exercise.

For purposes of Rule 144 promulgated under the Securities Act of 1933, as amended, it is intended, understood and acknowledged that the Warrant Shares issued in said for a Cashless Exercise shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares shall be deemed to have commenced, on the date this Warrant was originally issued pursuant to the Purchase Agreement.

3. Adjustment for Reorganization, Consolidation, Merger, etc

3.1. Fundamental Transaction. If, at any time while this Warrant is outstanding, (A) the Company effects any merger or consolidation of the Company with or into another entity, (B) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (C) any tender offer or exchange offer (whether by the Company or another entity) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (D) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (each, a “Fundamental Transaction”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable upon or as a result of such merger, consolidation or disposition of assets by a Holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such event. For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a new warrant consistent with the foregoing provisions and evidencing the Holder’s right to exercise such warrant into Alternate Consideration. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 3.1 and insuring that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

3.2. [RESERVED]

3.3. **Stock Dividends and Splits.** If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3.3 shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re classification.

3.4. **Dissolution.** In the event of any dissolution of the Company following the transfer of all or substantially all of its properties or assets, the Company, prior to such dissolution, shall at its expense deliver or cause to be delivered the stock and other securities and property (including cash, where applicable) receivable by the Holder of the Warrants after the effective date of such dissolution pursuant to this Section 3 to a bank or trust company (a "Trustee") having its principal office in New York, NY, as trustee for the Holder of the Warrants. Such property shall be delivered only upon payment of the Warrant exercise price.

3.5. **Continuation of Terms.** Upon any reorganization, consolidation, merger or transfer (and any dissolution following any transfer) referred to in this Section 3, this Warrant shall continue in full force and effect and the terms hereof shall be applicable to the Other Securities and property receivable on the exercise of this Warrant after the consummation of such reorganization, consolidation or merger or the effective date of dissolution following any such transfer, as the case may be, and shall be binding upon the issuer of any Other Securities, including, in the case of any such transfer, the person acquiring all or substantially all of the properties or assets of the Company, whether or not such person shall have expressly assumed the terms of this Warrant as provided in Section 4. In the event this Warrant does not continue in full force and effect after the consummation of the transaction described in this Section 3, then only in such event will the Company's securities and property (including cash, where applicable) receivable by the Holder of the Warrants be delivered to the Trustee as contemplated by Section 3.2.

4. Reservation of Stock, etc. Issuable on Exercise of Warrant; Financial Statements. The Company will at all times reserve and keep available, solely for issuance and delivery on the exercise of the Warrants, sufficient shares of Common Stock (or Other Securities) from time to time issuable on the exercise of the Warrant. This Warrant entitles the Holder hereof to receive copies of all financial and other information distributed or required to be distributed to the holders of the Company's Common Stock.

5. Assignment; Exchange of Warrant. Subject to compliance with applicable securities laws, this Warrant, and the rights evidenced hereby, may be transferred by any registered Holder hereof (a "Transferor"). On the surrender for exchange of this Warrant, with the Transferor's endorsement in the form of Exhibit B attached hereto (the "Transferor Endorsement Form") and together with an opinion of counsel reasonably satisfactory to the Company that the transfer of this Warrant will be in compliance with applicable securities laws, the Company will issue and deliver to or on the order of the Transferor thereof a new Warrant or Warrants of like tenor, in the name of the Transferor and/or the transferee(s) specified in such Transferor Endorsement Form (each a "Transferee"), calling in the aggregate on the face or faces thereof for the number of shares of Common Stock called for on the face or faces of the Warrant so surrendered by the Transferor.

6. Replacement of Warrant. On receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and, in the case of any such loss, theft or destruction of this Warrant, on delivery of an indemnity agreement or security reasonably satisfactory in form and amount to the Company or, in the case of any such mutilation, on surrender and cancellation of this Warrant, the Company at its expense, twice only, will execute and deliver, in lieu thereof, a new Warrant of like tenor.

7. Limitations on Exercise. Notwithstanding anything to the contrary contained in this Warrant, this Warrant shall not be exercisable by the Holder hereof to the extent (but only to the extent) that the Holder or any of its affiliates would beneficially own in excess of [4.99][9.99]2% (the "Maximum Percentage") of the Common Stock. To the extent the above limitation applies, the determination of whether this Warrant shall be exercisable (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder) and of which such securities shall be exercisable (as among all such securities owned by the Holder) shall, subject to such Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to exercise this Warrant pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of exercisability. For the purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Securities Act of 1934, as amended (the "1934 Act") and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage beneficial ownership limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Warrant. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within two (2) Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Warrant or securities issued pursuant to the Securities Purchase Agreement.

2 NTD: To be elected by each investor.

8. Transfer on the Company's Books. Until this Warrant is transferred on the books of the Company, the Company may treat the registered Holder hereof as the absolute owner hereof for all purposes, notwithstanding any notice to the contrary.

9. Notices. All notices, demands, requests, consents, approvals, and other communications required or permitted hereunder shall be in writing and, unless otherwise specified herein, shall be (i) personally served, (ii) deposited in the mail, registered or certified, return receipt requested, postage prepaid, (iii) delivered by reputable air courier service with charges prepaid, or (iv) transmitted by hand delivery, telegram, or facsimile, addressed as set forth below or to such other address as such party shall have specified most recently by written notice. 10. Law Governing This Warrant. This Warrant shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Warrant shall be brought only in the state courts of New York or in the federal courts located in the state and county of New York. The parties to this Warrant hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon forum non-conveniens. The Company and Holder waive trial by jury. In the event that any provision of this Warrant or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform to such statute or rule of law. Any such provision, which may prove invalid or unenforceable under any law, shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Warrant by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Warrant and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law.

11. Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

4.3 Securities Law Disclosure; Publicity. The Company shall (a) by 9:00 a.m. (New York City time) on the business day immediately following the date hereof, issue a press release disclosing the material terms of the transactions contemplated hereby and (b) issue a Current Report on Form 8-K disclosing the material terms of the transactions contemplated hereby, and including the Transaction Documents as exhibits thereto, within the time required by the 1934 Act. From and after the issuance of such press release, the Company represents to the Investors that the Company shall have publicly disclosed all material, non-public information delivered the Investors by the Company or any of its subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions contemplated by the Transaction Documents. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Investor, or include the name of any Investor in any filing with the Commission or any regulatory agency or Trading Market, without the prior written consent of such Investor, except: (a) as required by federal securities law in connection with (i) any registration statement contemplated by the Registration Rights Agreement and (ii) the filing of final Transaction Documents with the Commission and (b) to the extent such disclosure is required by law or Trading Market regulations, in which case the Company shall provide the Investors with prior notice of such disclosure permitted under this clause (b).

4.4 Legends. The Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or Rule 144 (as defined below), to the Company or to an affiliate of a Investor or in connection with a pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities under the 1933 Act. As a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and the Registration Rights Agreement and shall have the rights and obligations of an Investor under this Agreement and the Registration Rights Agreement. Each Investor understands that the certificates or other instruments representing the Notes and the Warrants and, the stock certificates representing the Underlying Securities, except as set forth below, shall bear any legends as required by applicable state securities or "blue sky" laws in addition to a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE [CONVERTIBLE] [EXERCISABLE] HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL, IN A FORM GENERALLY ACCEPTABLE TO THE COMPANY'S LEGAL COUNSEL, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT.

The Company shall use its reasonable best efforts to cause its transfer agent to remove the legend set forth above and to issue a certificate without such legend to the holder of the Securities upon which it is stamped, or to issue to such holder by electronic delivery at the applicable balance account at the Depository Trust Company, unless otherwise required by state securities or "blue sky" laws, at such time as (i) such Securities are registered for resale under the 1933 Act, (ii) in connection with a sale, assignment or other transfer, such holder provides the Company with an opinion of counsel, in a form generally acceptable to the Company's legal counsel, to the effect that such sale, assignment or transfer of the Securities may be made without registration under the 1933 Act, or (iii) such holder provides the Company and its legal counsel with reasonable assurance in writing that the Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A. The Company agrees that, following the Effective Date or at such time as such legend is not required pursuant to this Section 4.4, the Company shall, no later than three Trading Days following the delivery by such Investor to the Company or the Company's transfer agent of a certificate representing Underlying Securities issued with a restrictive legend (such third Trading Day, the "Legend Removal Date"), deliver or cause to be delivered to such Investor a certificate representing such shares that is free from all restrictive and other legends. In addition to any other rights available to an Investor, if the Company fails to cause the Company's transfer agent to transmit to such Investor a certificate or the certificates representing such Underlying Securities on or before the Legend Removal Date, and if after such date such Investor is required by its broker to purchase (in an open market transaction or otherwise) or such Investor's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Investor of such Underlying Securities which such Investor anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to such Investor the amount, if any, by which (x) such Investor's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Underlying Securities that the Company was required to deliver to such Investor in such legend removal times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) deliver to such Investor the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder (the "Buy-In Liquidated Damages"). For example, if such Investor purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the such Investor \$1,000. Such Investor shall provide the Company written notice indicating the amounts payable to such Investor in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss.

5. Representations and Warranties of the Company

. Except as set forth in the Disclosure Schedules, which Disclosure Schedules shall be deemed a part hereof and shall qualify any representation or otherwise made herein to the extent of the disclosure contained in the corresponding section of the Disclosure Schedules, the Company hereby makes the following representations and warranties to the Investors:

5.1 Organization, Good Standing and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. The Company is duly qualified to transact business and is in good standing in each jurisdiction in which the failure to so qualify would have a Material Adverse Effect.

5.2 Capitalization and Voting Rights. The authorized capital of the Company as of the date hereof consists of (i) 5,000,000 shares of Preferred Stock, par value \$0.001 per share (the "Preferred Stock"), of which 740 are presently issued and outstanding, and (ii) 500,000,000 shares of Common Stock, of which 214,605,862 shares of Common Stock were issued and outstanding as of March 21, 2011. The Company has not issued any capital stock since its most recently filed periodic report under the 1934 Act, other than pursuant to the exercise of employee stock options under the Company's stock option plans, the issuance of shares of Common Stock to employees pursuant to the Company's employee stock purchase plans and pursuant to the conversion and/or exercise of Common Stock Equivalents outstanding as of the date of the most recently filed periodic report under the 1934 Act. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents. Except as a result of the purchase and sale of the Securities, there are no outstanding options, warrants, scrip rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exercisable or exchangeable for, or giving any Person any right to subscribe for or acquire any shares of Common Stock, or contracts, commitments, understandings or arrangements by which the Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or Common Stock Equivalents. The issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Investors) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities.

5.3 Authorization; Enforcement. All corporate action on the part of the Company, its officers, directors and stockholders necessary for the authorization, execution and delivery of this Agreement, the Warrants, the Registration Rights Agreement and the performance of all obligations of the Company hereunder and thereunder, and the authorization (or reservation for issuance), sale and issuance of the Notes and the Warrants, and the Common Stock into which the Notes and Warrants are convertible or exercisable, have been taken on or prior to the date hereof. This Agreement and each other Transaction Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

5.4 Valid Issuance of the Underlying Securities; Reservation of Shares. The Warrants and the Notes are duly authorized and, when issued and paid for in accordance with this Agreement, will be duly and validly issued, fully paid and nonassessable, and free and clear of all Liens imposed by the Company other than restrictions on transfer under this Agreement and under applicable state and federal securities laws. Underlying Securities when issued and delivered in accordance with the terms of this Agreement, the Notes and the Warrants, as applicable, for the consideration expressed herein and therein, will be duly and validly issued, fully paid and non-assessable and free and clear of all Liens imposed by the Company other than restrictions on transfer under this Agreement and under applicable state and federal securities laws. The Company has reserved from its duly authorized capital stock a sufficient number of shares of Common Stock for issuance of the Underlying Securities.

5.5 Offering. Subject to the truth and accuracy of the Investors' representations set forth in Section 6 of this Agreement, the offer and issuance of the Notes and Warrants, together with the Underlying Securities, as contemplated by this Agreement are exempt from the registration requirements of the Securities Act of 1933, as amended (the "1933 Act") and the qualification or registration requirements of state securities laws or other applicable blue sky laws. Neither the Company nor any authorized agent acting on its behalf will take any action hereafter that would cause the loss of such exemptions.

5.6 Public Reports. The Company is current in its filing obligations under the 1934 Act, including without limitation as to its filings of Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K (collectively, the "Public Reports"). The Public Reports do not contain any untrue statement of a material fact or omit to state any fact necessary to make any statement therein not misleading. The financial statements included within the Public Reports for the fiscal year ended October 31, 2009, for the fiscal year ended October 31, 2010 and for each quarterly period thereafter (the "Financial Statements") have been prepared in accordance with generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods indicated and with each other, except that unaudited Financial Statements may not contain all footnote required by generally accepted accounting principles. The Financial Statements fairly present, in all material respects, the financial condition and operating results of the Company as of the dates, and for the periods, indicated therein, subject in the case of unaudited Financial Statements to normal year-end audit adjustments.

5.7 Compliance With Laws. The Company has not violated any law or any governmental regulation or requirement which violation has had or would reasonably be expected to have a Material Adverse Effect on its business and the Company has not received written notice of any such violation.

5.8 Violations. The consummation of the transactions contemplated by this Agreement and all other documents and instruments required to be delivered in connection herewith and therewith, including without limitation, the Notes, Warrants and the Registration Rights Agreement, will not result in or constitute any of the following: (a) a violation of any provision of the certificate of incorporation, bylaws or other governing documents of the Company; (b) a violation of any provisions of any applicable law or of any writ or decree of any court or governmental instrumentality; (c) a default or an event that, with notice or lapse of time or both, would be a default, breach, or violation of a lease, license, promissory note, conditional sales contract, commitment, indenture, mortgage, deed of trust, or other agreement, instrument, or arrangement to which the Company is a party or by which the Company or its property is bound; (d) an event that would permit any party to terminate any agreement or to accelerate the maturity of any indebtedness or other obligation of the Company; or (e) the creation or imposition of any lien, pledge, option, security agreement, equity, claim, charge, encumbrance or other restriction or limitation on the capital stock or on any of the properties or assets of the Company.

5.9 Consents; Waivers. No consent, waiver, approval or authority of any nature, or other formal action, by any person, firm or corporation, or any agency, bureau or department of any government or any subdivision thereof, not already obtained, is required in connection with the execution and delivery of this Agreement by the Company or the consummation by the Company of the transactions provided for herein and therein.

5.10 Acknowledgment Regarding Investor's Purchase of Securities. The Company acknowledges and agrees that each Investor is acting solely in the capacity of arm's length purchaser with respect to this Agreement, the Notes, the Warrants, the Registration Rights Agreement and any other documents entered into in connection herewith (collectively, the "Transaction Documents") and the transactions contemplated hereby and thereby and that no Investor is (i) an officer or director of the Company, (ii) an "affiliate" of the Company (as defined in Rule 144 promulgated under the 1933 Act (or a successor rule thereto) ("Rule 144")) or (iii) to the knowledge of the Company, a "beneficial owner" of more than 10% of the shares of Common Stock (as defined for purposes of Rule 13d-3 of the 1934 Act). The Company further acknowledges that no Investor is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated hereby and thereby, and any advice given by a Investor or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to such Investor's purchase of the Securities. The Company further represents to each Investor that the Company's decision to enter into the Transaction Documents has been based solely on the independent evaluation by the Company and its representatives.

5.11 Sarbanes-Oxley Act. The Company is in compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and any and all applicable rules and regulations promulgated by the Commission thereunder that are effective as of the date hereof.

5.12 Absence of Litigation. There is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company, threatened against or affecting the Company, the Common Stock or any of the Company's officers or directors in their capacities as such.

5.13 Material Changes; Undisclosed Events, Liabilities or Developments. Since the date of the latest audited financial statements included within the Public Reports, except as specifically disclosed in a subsequent Public Report filed prior to the date hereof: (i) there has been no event, occurrence or development that has had or that could reasonably be expected to result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP or disclosed in filings made with the Commission, (iii) the Company has not altered its method of accounting, (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock and (v) the Company has not issued any equity securities to any officer, director or Affiliate, except pursuant to existing Company stock option plans. The Company does not have pending before the Commission any request for confidential treatment of information. Except for the issuance of the Securities contemplated by this Agreement or as set forth on Schedule 3.1(i), no event, liability, fact, circumstance, occurrence or development has occurred or exists or is reasonably expected to occur or exist with respect to the Company or its Subsidiaries or their respective businesses, properties, operations, assets or financial condition, that would be required to be disclosed by the Company under applicable securities laws at the time this representation is made or deemed made that has not been publicly disclosed at least 1 Trading Day prior to the date that this representation is made.

5.14 Intellectual Property. The Company has, or has rights to use, all patents, patent applications, trademarks, trademark applications, service marks, trade names, trade secrets, inventions, copyrights, licenses and other intellectual property rights and similar rights as described in the Public Reports as necessary or required for use in connection with their respective businesses and which the failure to so have could have a Material Adverse Effect (collectively, the “Intellectual Property Rights”). None of, and the Company has not received a notice (written or otherwise) that any of, the Intellectual Property Rights has expired, terminated or been abandoned, or is expected to expire or terminate or be abandoned, within two (2) years from the date of this Agreement. The Company has not received, since the date of the latest audited financial statements included within the Public Reports, a written notice of a claim or otherwise has any knowledge that the Intellectual Property Rights violate or infringe upon the rights of any Person, except as could not have or reasonably be expected to not have a Material Adverse Effect. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights. The Company has taken reasonable security measures to protect the secrecy, confidentiality and value of all of their intellectual properties, except where failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.15 Registration Rights. Other than each of the Investors, no person has any right to cause the Company to effect the registration under the 1933 Act of any securities of the Company.

5.16 Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company confirms that neither it nor any other Person acting on its behalf has provided any of the Investors or their agents or counsel with any information that it believes constitutes or might constitute material, non-public information. The Company understands and confirms that the Investors will rely on the foregoing representation in effecting transactions in securities of the Company. All of the disclosure furnished by or on behalf of the Company to the Investors regarding the Company and its Subsidiaries, their respective businesses and the transactions contemplated hereby, including the Disclosure Schedules to this Agreement, is true and correct and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The press releases disseminated by the Company during the twelve months preceding the date of this Agreement taken as a whole do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made and when made, not misleading. The Company acknowledges and agrees that no Investor makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 6 hereof.

5.18 Seniority. As of the Closing Date, no Indebtedness or other claim against the Company is senior to the Notes in right of payment, whether with respect to interest or upon liquidation or dissolution, or otherwise, other than indebtedness secured by purchase money security interests (which is senior only as to underlying assets covered thereby) and capital lease obligations (which is senior only as to the property covered thereby).

5.19 Bankruptcy Status; Indebtedness. The Company has no current intention or expectation to file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction within one year from the Closing Date. The Company is not in default with respect to any Indebtedness.

5.20 Regulation M Compliance. The Company has not, and to its knowledge no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Securities, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Securities, or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company, other than, in the case of clauses (ii) and (iii), compensation paid to the Company's placement agent in connection with the placement of the Securities.

5.21 FDA. As to each product subject to the jurisdiction of the U.S. Food and Drug Administration (“FDA”) under the Federal Food, Drug and Cosmetic Act, as amended, and the regulations thereunder (“FDCA”) that is manufactured, packaged, labeled, tested, distributed, sold, and/or marketed by the Company or any of its Subsidiaries (each such product, a “Pharmaceutical Product”), such Pharmaceutical Product is being manufactured, packaged, labeled, tested, distributed, sold and/or marketed by the Company in compliance with all applicable requirements under FDCA and similar laws, rules and regulations relating to registration, investigational use, premarket clearance, licensure, or application approval, good manufacturing practices, good laboratory practices, good clinical practices, product listing, quotas, labeling, advertising, record keeping and filing of reports, except where the failure to be in compliance would not have a Material Adverse Effect. There is no pending, completed or, to the Company's knowledge, threatened, action (including any lawsuit, arbitration, or legal or administrative or regulatory proceeding, charge, complaint, or investigation) against the Company or any of its Subsidiaries, and none of the Company or any of its Subsidiaries has received any notice, warning letter or other communication from the FDA or any other governmental entity, which (i) contests the premarket clearance, licensure, registration, or approval of, the uses of, the distribution of, the manufacturing or packaging of, the testing of, the sale of, or the labeling and promotion of any Pharmaceutical Product, (ii) withdraws its approval of, requests the recall, suspension, or seizure of, or withdraws or orders the withdrawal of advertising or sales promotional materials relating to, any Pharmaceutical Product, (iii) imposes a clinical hold on any clinical investigation by the Company or any of its Subsidiaries, (iv) enjoins production at any facility of the Company or any of its Subsidiaries, (v) enters or proposes to enter into a consent decree of permanent injunction with the Company or any of its Subsidiaries, or (vi) otherwise alleges any violation of any laws, rules or regulations by the Company or any of its Subsidiaries, and which, either individually or in the aggregate, would have a Material Adverse Effect. The properties, business and operations of the Company have been and are being conducted in all material respects in accordance with all applicable laws, rules and regulations of the FDA. The Company has not been informed by the FDA that the FDA will prohibit the marketing, sale, license or use in the United States of any product proposed to be developed, produced or marketed by the Company nor has the FDA expressed any concern as to approving or clearing for marketing any product being developed or proposed to be developed by the Company.

6. Representations and Warranties of each Investor. Each Investor hereby represents, warrants and covenants, severally and not jointly, that:

6.1 Authorization. Such Investor has full power and authority to enter into this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby and has taken all action necessary to authorize the execution and delivery of this Agreement and the Registration Rights Agreement, the performance of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby.

6.2 No Public Sale or Distribution. Such Investor is (i) acquiring the Notes and the Warrants and (ii) upon conversion of the Notes and exercise of the Warrants will acquire the Underlying Securities for its own account, not as a nominee or agent, and not with a view towards, or for resale in connection with, the public sale or distribution of any part thereof, except pursuant to sales registered or exempted under the 1933 Act. Such Investor is acquiring the Securities hereunder in the ordinary course of its business. Such Investor does not presently have any contract, agreement, undertaking, arrangement or understanding, directly or indirectly, with any individual, a limited liability company, a partnership, a joint venture, a corporation, a trust, an unincorporated organization and a government or any department or agency thereof (a “Person”) to sell, transfer, pledge, assign or otherwise distribute any of the Securities.

6.3 Accredited Investor Status; Investment Experience. Such Investor is an “accredited investor” as that term is defined in Rule 501(a) of Regulation D. Such Investor can bear the economic risk of its investment in the Securities, and has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of an investment in the Securities.

6.4 Reliance on Exemptions. Such Investor understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Investor’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Investor set forth herein in order to determine the availability of such exemptions and the eligibility of such Investor to acquire the Securities.

6.5 Information. Such Investor and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the offer and sale of the Securities which have been requested by such Investor. Such Investor and its advisors, if any, have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Investor or its advisors, if any, or its representatives shall modify, amend or affect such Investor’s right to rely on the Company’s representations and warranties contained herein. Such Investor understands that its investment in the Securities involves a high degree of risk. Such Investor has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Securities. Such Investor is relying solely on its own accounting, legal and tax advisors, and not on any statements of the Company or any of its agents or representatives, for such accounting, legal and tax advice with respect to its acquisition of the Securities and the transactions contemplated by this Agreement.

6.6 No Governmental Review. Such Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

6.7        Validity; Enforcement; No Conflicts. This Agreement and each Transaction Document to which such Investor is a party have been duly and validly authorized, executed and delivered on behalf of such Investor and shall constitute the legal, valid and binding obligations of such Investor enforceable against such Investor in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies. The execution, delivery and performance by such Investor of this Agreement and each Transaction Document to which such Investor is a party and the consummation by such Investor of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Investor or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Investor is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities or "blue sky" laws) applicable to such Investor, except in the case of clause (ii) above, for such conflicts, defaults or rights which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Investor to perform its obligations hereunder.

6.8        Residency. Such Investor is a resident of that jurisdiction specified on such Investor's signature page hereto.

6.9        Company Has Senior Indebtedness Outstanding. Such Investor acknowledges that the Company has outstanding currently secured Indebtedness that is senior in right of payment with the Indebtedness evidenced by the Notes and the Company as designated and set forth on Schedule 5.19 attached hereto (such senior Indebtedness, the "Senior Debt"). Such Investor expressly acknowledges that its Note is subordinated to the Senior Debt..

7.        Use of Proceeds; Repayment of Deferred Compensation to Moore or Moore Note. Each Investor acknowledges that the Company will use the proceeds received from the purchase of the Notes and the Warrants for, among other things, (i) costs and expenses relating to the Company's Phase II Clinical Studies in cervical cancer and CIN, (ii) up to \$200,000 (the "Moore Repayment Amount") of the Purchase Price paid to the Company at the Closing may be used to repay Moore Indebtedness (as defined below), (iii) costs and expenses relating to the sale of the Notes and the Warrants, and (iv) general working capital purposes. Notwithstanding anything herein to the contrary, each Investor acknowledges that the Company may, out of other funds received by the Company after the date hereof from the exercise of outstanding warrants, repay the Moore Indebtedness in excess of the Moore Repayment Amount provided that in no event, during the period that at least, in the aggregate, \$500,000, of Notes are outstanding shall the Company repay Thomas A. Moore to the extent that the aggregate amount of indebtedness held by Thomas A. Moore (the "Moore Indebtedness") is less than \$400,000.

8. Rule 144 Availability; Public Information. At all times during the period commencing on the six (6) month anniversary of the Closing Date and ending at such time that all of the Securities can be sold without the requirement to be in compliance with Rule 144(c) (1) and otherwise without restriction or limitation pursuant to Rule 144, the Company shall use its commercially reasonable efforts to ensure the availability of Rule 144 to the Investors with regard to the Underlying Securities, including compliance with Rule 144(c)(1). At any time during the period commencing from the six (6) month anniversary of the Closing Date and ending on the first anniversary of the Closing Date, if the Company shall fail for any reason to satisfy the current public information requirement under Rule 144(c) (a "Public Information Failure") then, in addition to such Investor's other available remedies, the Company shall pay to a Investor, in cash, as liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Securities, an amount in cash equal to one percent (1.0%) of the aggregate Purchase Price of such Investor's Securities on the day of a Public Information Failure and on every thirtieth (30th) day (pro rated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for the Investors to transfer the Underlying Shares pursuant to Rule 144. The payments to which a Investor shall be entitled pursuant to this Section 4.3(b) are referred to herein as "Public Information Failure Payments." Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Trading Day after the event or failure giving rise to the Public Information Failure Payments is cured.

9. Indemnification. The Company agrees to indemnify, hold harmless, reimburse and defend each Investor, and its officers, directors, agents, affiliates, members, managers, control persons, and principal shareholders, against any claim, cost, expense, liability, obligation, loss or damage (including reasonable legal fees) of any nature, incurred by or imposed upon such Investor or any such person which results, arises out of or is based upon (i) any material misrepresentation by Company or breach of any representation or warranty by Company in this Agreement or in any exhibits or schedules attached hereto, or other agreement delivered pursuant hereto; or (ii) after any applicable notice and/or cure periods, any breach or default in performance by the Company of any covenant or undertaking to be performed by the Company hereunder, or any other agreement entered into by the Company and such Investor relating hereto. Notwithstanding anything herein to the contrary, in no event shall the Company be liable to such Investor (in the aggregate) for more than the Purchase Price paid by such Investor.

10. Participation Rights. Until the twelve month anniversary of the Closing Date, and with respect to the initial purchasers of Notes in the Offering, the Company will not, directly or indirectly, effect any Subsequent Placement (as defined below) unless the Company shall have first complied with this Section 10; provided, that the Company shall not be required to comply with this Section 10 during the six-month period immediately following the Closing Date, or the closing of any Subsequent Placement in which such Investor purchases securities, if such Subsequent Placement would be integrated with such prior offering by the principal market or exchange in which the Common Stock of the Company is then traded or pursuant to the 1933 Act or any other applicable shareholder approval provisions, including, without limitation, under the rules and regulations of any exchange or automated quotation system on which any of the securities of the Company are listed or designated.

10.1 At least one (1) Trading Day prior to any proposed or intended Subsequent Placement, the Company or its agent shall orally contact each Investor and ask whether such Investor is willing to agree to receive material non-public information (each such notice, a “Pre-Notice”), provided that neither the Company nor its agents shall provide any material, non-public information with respect to the Company or any of its Subsidiaries to such Investor without the expressed written consent of such Investor to receive such material, non-public information. Upon the written request of such Investor no later than one (1) Trading Day after such Investor’s receipt of such Pre-Notice, and only upon a written request by such Investor, the Company shall promptly, but no later than one (1) Trading Day after such request, deliver to such Investor by facsimile an irrevocable written notice (the “Offer Notice”) of any proposed or intended issuance or sale or exchange (the “Offer”) of the securities being offered (the “Offered Securities”) in a Subsequent Placement within one (1) Trading Day of the determination of the terms of such Subsequent Placement, which Offer Notice shall (w) identify and describe the Offered Securities, (x) describe the price and other final terms upon which they are to be issued, sold or exchanged, and the number or amount of the Offered Securities to be issued, sold or exchanged, (y) identify the persons or entities (if known) to which or with which the Offered Securities are to be offered, issued, sold or exchanged and (z) offer to issue and sell to or exchange with such Investor (which offer being non-transferable to any successor to such Investor) a pro rata portion of at least 40% of the Offered Securities allocated among the Investors (a) based on such Investor’s pro rata portion of the aggregate original principal amount of the Notes purchased hereunder by all the Investors (the “Basic Amount”), and (b) if such Investor elects to purchase its Basic Amount, any additional portion of the Offered Securities attributable to the Basic Amounts of the Other Investors as such Investor shall indicate it will purchase or acquire should the Other Investors subscribe for less than their Basic Amounts (the “Undersubscription Amount”).

10.2 To accept an Offer, in whole or in part, each Investor must deliver a written notice to the Company prior to the end of the first (1st) full Trading Day after such Investor’s receipt of the Offer Notice (for purposes of this Section 10.2, receipt of the Offer Notice shall not be deemed to have occurred until such Investor shall have physically received such Offer Notice) (the “Offer Period”), setting forth the portion of such Investor’s Basic Amount that such Investor elects to purchase and, if such Investor shall elect to purchase all of its Basic Amount, the Undersubscription Amount, if any, that such Investor elects to purchase (in either case, the “Notice of Acceptance”). If the Basic Amounts subscribed for by such Investor and all Other Investors are less than the total of all of the Basic Amounts, then, if such Investor has set forth an Undersubscription Amount in its Notice of Acceptance, such Investor shall be entitled to purchase, in addition to the Basic Amounts subscribed for, the Undersubscription Amount it has subscribed for; provided, however, that if the Undersubscription Amounts subscribed for exceed the difference between the total of all the Basic Amounts and the Basic Amounts subscribed for (the “Available Undersubscription Amount”), if such Investor has subscribed for any Undersubscription Amount, then such Investor shall be entitled to purchase only that portion of the Available Undersubscription Amount as the Basic Amount of such Investor bears to the total Basic Amounts of all Other Investors that have subscribed for Undersubscription Amounts, subject to rounding by the Company to the extent it deems reasonably necessary.

10.3 The Company shall have thirty (30) business days from the expiration of the Offer Period above to offer, issue, sell or exchange all or any part of such Offered Securities as to which a Notice of Acceptance has not been given by such Investor (the “Refused Securities”), but only to the offerees described in the Offer Notice (if so described therein) and only upon terms and conditions (including, without limitation, unit prices and interest rates) that are not more favorable to the acquiring Person or Persons or less favorable to the Company than those set forth in the Offer Notice.

10.4 In the event the Company shall propose to sell less than all the Refused Securities (any such sale to be in the manner and on the terms specified in Section 10.3 above), then such Investor may, at its sole option and in its sole discretion, reduce the number or amount of the Offered Securities specified in its Notice of Acceptance to an amount that shall be not less than the number or amount of the Offered Securities that such Investor elected to purchase pursuant to Section 10.2 above multiplied by a fraction, (i) the numerator of which shall be the number or amount of Offered Securities the Company actually proposes to issue, sell or exchange (including Offered Securities to be issued or sold to such Investor pursuant to Section 10.3 above prior to such reduction) and (ii) the denominator of which shall be the original amount of the Offered Securities. In the event that such Investor so elects to reduce the number or amount of Offered Securities specified in its Notice of Acceptance, the Company may not issue, sell or exchange more than the reduced number or amount of the Offered Securities unless and until such securities have again been offered to such Investor in accordance with Section 10.1 above.

10.5 Upon the closing of the issuance, sale or exchange of all or less than all of the Refused Securities, each Investor shall acquire from the Company, and the Company shall issue to such Investor, the number or amount of Offered Securities specified in such Investor’s Notice of Acceptance, as reduced pursuant to Section 10.3 above if such Investor has so elected, upon the terms and conditions specified in the Offer. The purchase by such Investor of any Offered Securities is subject in all cases to (i) the preparation, execution and delivery by the Company and such Investor of a purchase agreement relating to such Offered Securities reasonably satisfactory in form and substance to such Investor and its respective counsel (the “Subsequent Placement Agreement”) and (ii) such Investor’s satisfaction, in its reasonable discretion, with the final terms and/or conditions that differ from those contained in the Offer Notice.

10.6 Any Offered Securities not acquired by each Investor or other Persons in accordance with this Section 10 may not be issued, sold or exchanged until they are again offered to such Investor under the procedures specified in this Agreement.

10.7 The restrictions contained in this Section 10 shall not apply (1) in connection with the issuance of any Excluded Securities (as defined below) and (2) to the extent that counsel to the Company has advised that with respect to a Subsequent Placement of Offered Securities that are not being issued pursuant to a registration statement under the 1933 Act, the exercising of the participation right would result in the Company not being able to offer or sell the Offered Securities pursuant to any exemption from the registration requirements of the 1933 Act.

10.8 Notwithstanding anything herein to the contrary, the rights granted to each Investor pursuant to this Section 10 shall not be transferrable to any other Person (other than affiliates of such Investor) without the prior written consent of the Company.

10.9 For the purposes of this Section 10, the following definitions will apply:

(a) “Approved Stock Plan” means any employee benefit plan which has been approved by the board of directors of the Company prior to or subsequent to the date hereof pursuant to which Common Stock and options to purchase Common Stock may be issued to any employee, officer, director or consultant for services provided to the Company in their capacity as such.

(d) “Options” means any rights, warrants or options to subscribe for or purchase Common Stock or Convertible Securities.

(e) “Subsequent Placement” means the sale, grant of any option to purchase, or other disposition of by the Company, directly or indirectly, of any of the Company’s or its Subsidiaries’ equity or equity equivalent securities, including, without limitation, any Convertible Securities, Options, preferred stock or other instrument or security that is, at any time during its life and under any circumstances, convertible into or exchangeable or exercisable for Common Stock or Convertible Securities or Options.

11.2 From the date hereof until the second anniversary of the Closing Date, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents for cash consideration (or a combination of units thereof) involving a Variable Rate Transaction (other than the JMJ Offering and, subject to Section 11.3 below, any Optimus Transaction). Any Investor shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

14.12 Independent Nature of Investors’ Obligations and Rights. The obligations of each Investor under any Transaction Document are several and not joint with the obligations of any Other Investor, and no Investor shall be responsible in any way for the performance or non-performance of the obligations of any Other Investor under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Investor pursuant hereto or thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Investor shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any Other Investor to be joined as an additional party in any proceeding for such purpose. Each Investor has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. For reasons of administrative convenience only, each Investor and its respective counsel have chosen to communicate with the Company through Ellenoff Grossman & Schole LLP (“EGS”). EGS does not represent any of the Investors and only represents Rodman & Renshaw, LLC, the placement agent. The Company has elected to provide all Investors with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Investors.

14.13 Fees and Expenses. Except as expressly set forth in the Transaction Documents to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all transfer agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company and any conversion or exercise notice delivered by a Investor), stamp taxes and other taxes and duties levied in connection with the delivery of any Securities to the Investors.

15. Additional Defined Terms. In addition to the terms defined elsewhere in this Agreement, the Notes and the Warrants, the following terms have the meanings set forth in this Section 15:

15.1 “1934 Act” means the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

15.4 “Effective Date” means the earliest of the date that (a) the initial Registration Statement has been declared effective by the Commission, (b) all of the Registrable Securities have been sold pursuant to Rule 144 or may be sold pursuant to Rule 144 without the requirement for the Company to be in compliance with the current public information required under Rule 144 and without volume or manner-of-sale restrictions or (c) following the one year anniversary of the Closing Date provided that a holder of Registrable Securities is not an Affiliate of the Company, all of the Registrable Securities may be sold pursuant to an exemption from registration under Section 4(1) of the 1933 Act without volume or manner-of-sale restrictions.

15.6 “Escrow Agreement” means the escrow agreement entered into prior to the date hereof, by and among the Company, the Escrow Agent and Rodman & Renshaw, LLC, pursuant to which the Investors shall deposit the respective Purchase Prices with the Escrow Agent to be applied to the transactions contemplated hereunder.

15.7 “Liens” means a lien, charge pledge, security interest, encumbrance, right of first refusal, preemptive right or other restriction.

15.8 “Material Adverse Effect” means (i) a material adverse effect on the legality, validity or enforceability of any Transaction Document, (ii) a material adverse effect on the results of operations, assets, business, prospects or condition (financial or otherwise) of the Company and the Subsidiaries, taken as a whole, or (iii) a material adverse effect on the Company’s ability to perform in any material respect on a timely basis its obligations under any Transaction Document.

15.9 “Registrable Securities” shall have the meaning set forth in the Registration Rights Agreement.

15.10 “Trading Day” means any day on which the Common Stock is traded on the principal securities exchange or securities market on which the Common Stock is then traded, provided that “Trading Day” shall not include any day on which the Common Stock is scheduled to trade on such exchange or market for less than 4.5 hours or any day that the Common Stock is suspended from trading during the final hour of trading on such exchange or market (or if such exchange or market does not designate in advance the closing time of trading on such exchange or market, then during the hour ending at 4:00:00 p.m., New York time) unless such day is otherwise designated as a Trading Day in writing by the Required Investors.

15.11 “Trading Market” means any of the following markets or exchanges on which the Common Stock is listed or quoted for trading on the date in question: the NYSE AMEX, the Nasdaq Capital Market, the Nasdaq Global Market, the Nasdaq Global Select Market, the New York Stock Exchange, the OTCQB Marketplace or the OTC Bulletin Board (or any successors to any of the foregoing).

15.13 “VWAP” means, for any date, the price determined by the first of the following clauses that applies: (a) if the Common Stock is then listed or quoted on a Trading Market, the daily volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the Trading Market on which the Common Stock is then listed or quoted as reported by Bloomberg L.P. (based on a Trading Day from 9:30 a.m. (New York City time) to 4:02 p.m. (New York City time)), (b) if the OTC Bulletin Board is not a Trading Market, the volume weighted average price of the Common Stock for such date (or the nearest preceding date) on the OTC Bulletin Board, (c) if the Common Stock is not then listed or quoted for trading on the OTC Bulletin Board and if prices for the Common Stock are then reported in the “Pink Sheets” published by Pink OTC Markets, Inc. (or a similar organization or agency succeeding to its functions of reporting prices), the most recent bid price per share of the Common Stock so reported, or (d) in all other cases, the fair market value of a share of Common Stock as determined by an independent appraiser selected in good faith by the Investors of a majority in interest of the Securities then outstanding and reasonably acceptable to the Company, the fees and expenses of which shall be paid by the Company.

FORM OF REGISTRATION RIGHTS AGREEMENT

THIS REGISTRATION RIGHTS AGREEMENT (this “Agreement”) is made and entered into as of \_\_\_\_\_, 2011, between Advaxis, Inc., a Delaware corporation (the “Company”), and each of the several investors signatory hereto (each such purchaser, a “Investor” and, collectively, the “Investors”).

In connection with the Note Purchase Agreement, dated as of \_\_\_\_\_, 2011, entered into by the Company and the Investors (the “Note Purchase Agreement”), the Company has agreed, upon the terms and subject to the conditions of the Note Purchase Agreement, to issue and sell to each Investor (i) notes of the Company (the “Notes”), which will, among other things, be convertible into shares of the Company's common stock, \$0.001 par value per share (the “Common Stock”, as converted, the “Conversion Shares”) in accordance with the terms of the Notes, and (ii) certain warrants (collectively, the “Warrants”) which will be exercisable to purchase Common Stock (the “Warrant Shares”) in accordance with the terms of the Warrants.

To induce the Investors to consummate the transactions contemplated by the Note Purchase Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended, and the rules and regulations thereunder, or any similar successor statute (collectively, the “1933 Act”), and applicable state securities laws.

The Company and each Investor hereby agrees as follows:

Section 1. Definitions. Capitalized terms used and not otherwise defined herein that are defined in the Note Purchase Agreement shall have the meanings given such terms in the Note Purchase Agreement. As used in this Agreement, the following terms shall have the following meanings:

“Agreement” shall have the meaning set forth in the Preamble.

“Company” shall have the meaning set forth in the Preamble.

“Cut Back Shares” shall have the meaning set forth in Section 2.

“Holder” or “Holders” means the holder or holders, as the case may be, from time to time of Registrable Securities.

“Initial Registration Statement” means the initial Registration Statement filed pursuant to this Agreement.

“Liquidated Damages” shall have the meaning set forth in Section 5.

“Non-Registration Event” shall have the meaning set forth in Section 5.

“Prospectus” means the prospectus included in a Registration Statement (including, without limitation, a prospectus that includes any information previously omitted from a prospectus filed as part of an effective registration statement in reliance upon Rule 430A promulgated by the SEC pursuant to the 1933 Act), as amended or supplemented by any prospectus supplement, with respect to the terms of the offering of any portion of the Registrable Securities covered by a Registration Statement, and all other amendments and supplements to the Prospectus, including post-effective amendments, and all material incorporated by reference or deemed to be incorporated by reference in such Prospectus.

“Investor” and “Investors” shall have the meaning set forth in the Preamble.

“Required Effectiveness Date” means, with respect to the Initial Registration Statement required to be filed hereunder, the 90th calendar day following the date hereof (or the 120th calendar day after the date of hereof in the event that such Registration Statement is subject to a limited or full review by the SEC) and with respect to any additional Registration Statements which may be required pursuant to Section 2, the 90th calendar day following the date on which an additional Registration Statement is required to be filed hereunder (or the 120th calendar day following the date on which an additional Registration Statement is required to be filed hereunder in the event that such Registration Statement is subject to a limited or full review by the SEC).

“Required Filing Date” means, with respect to the Initial Registration Statement required hereunder, the 45th calendar day following the date hereof and, with respect to any additional Registration Statements which may be required pursuant to Section 2, the earliest practical date on which the Company is permitted by SEC Guidance to file such additional Registration Statement related to the Registrable Securities.

“Registrable Securities” means, as of any date of determination, (a) all Conversion Shares then issuable upon conversion in full of the Notes (assuming on such date the Notes are converted in full without regard to any conversion limitations therein), (b) all Warrant Shares then issuable upon exercise of the Warrants (assuming on such date the Warrants are exercised in full without regard to any exercise limitations therein), and (c) any securities issued or then issuable upon any stock split, dividend or other distribution, recapitalization or similar event with respect to the foregoing; provided, however, that any such Registrable Securities shall cease to be Registrable Securities (and the Company shall not be required to maintain the effectiveness of any, or file another, Registration Statement hereunder with respect thereto) for so long as (x) a Registration Statement with respect to the sale of such Registrable Securities is declared effective by the SEC under the 1933 Act and such Registrable Securities have been disposed of by the Holder in accordance with such effective Registration Statement, (y) such Registrable Securities have been previously sold in accordance with Rule 144, or (z) such securities become eligible for resale pursuant to Rule 144 (assuming that such securities and any securities issuable upon exercise, conversion or exchange of which, or as a dividend upon which, such securities were issued or are issuable, were at no time held by any Affiliate of the Company, and all Warrants are exercised by “cashless exercise” as provided in the Warrants), as reasonably determined by the Company, upon the advice of counsel to the Company.

“Registration Expenses” has the meaning set forth in Section 6.

“Registration Statement” means any registration statement required to be filed hereunder pursuant to Section 2, including (in each case) the Prospectus, amendments and supplements to any such registration statement or Prospectus, including pre- and post-effective amendments, all exhibits thereto, and all material incorporated by reference or deemed to be incorporated by reference in any such registration statement.

“Restriction Termination Date” shall have the meaning set forth in Section 2.

“Rule 415” means Rule 415 promulgated by the SEC pursuant to the 1933 Act, as such Rule may be amended or interpreted from time to time, or any similar rule or regulation hereafter adopted by the SEC having substantially the same purpose and effect as such Rule.

“SEC” means the Securities and Exchange Commission.

“SEC Restrictions” shall have the meaning set forth in Section 2.

“Note Purchase Agreement” shall have the meaning set forth in the Preamble.

Section 2. Registration Statement Requirements. The Company shall file with the SEC a Form S-1 registration statement (or such other form that it is eligible to use) in order to register all or such portion of the Registrable Securities as permitted by the SEC (provided that the Company shall use diligent efforts to advocate with the SEC for the registration of all of the Registrable Securities) pursuant to Rule 415 for resale and distribution under the 1933 Act on or before the Required Filing Date and use its commercially reasonable efforts to cause the Registration Statement to be declared effective by the Required Effectiveness Date. The Company will register not less than all of the Registrable Securities. In the event that the Company is required by the SEC to cutback the number of shares being registered in the Registration Statement pursuant to Rule 415, then the Company shall reduce the Registrable Securities pro rata, and unless otherwise directed in writing by the Investor as to its Registrable Securities, the number of Registrable Securities and other securities to be registered on such Registration Statement will first be reduced by securities included in such Registration Statement that are not Registrable Securities, second by the Registrable Securities represented by Conversion Shares and third by the Registrable Securities represented by Warrant Shares. Notwithstanding anything to the contrary contained in this Section 2, if the Company receives comments from the SEC with respect to the Registration Statement, and following discussions with and responses to the SEC in which the Company uses its commercially reasonable efforts and time to cause as many Registrable Securities for as many Investors as possible to be included in the Registration Statement filed pursuant to Section 2 without characterizing any Investor as an underwriter, the Company is unable to cause the inclusion of all Registrable Securities in such Registration Statement, then the Company may, following not less than one (1) Trading Day prior written notice to the Investors, (x) remove from the Registration Statement such Registrable Securities (the “Cut Back Shares”) and/or (y) agree to such restrictions and limitations on the registration and resale of the Registrable Securities, in each case as the SEC may require in order for the SEC to allow such Registration Statement to become effective (collectively, the “SEC Restrictions”). Unless the SEC Restrictions otherwise require, any cut-back imposed pursuant to this Section 2 shall be allocated among the Registrable Securities of the Investors on a pro rata basis. No liquidated damages under Section 5 shall accrue on or as to any Cut Back Shares, and the Required Effectiveness Date with respect to such additional Registration Statement including the Cutback Shares will be tolled, until such time as the Company is able to effect the registration of the Cut Back Shares in accordance with any SEC Restrictions (such date, the “Restriction Termination Date”). From and after the Restriction Termination Date, all provisions of this Section 2 (including, without limitation, the liquidated damages provisions, subject to tolling as provided above) shall again be applicable to the Cut Back Shares (which, for avoidance of doubt, retain their character as Registrable Securities) so that the Company will be required to file with and cause to be declared effective by the SEC such additional Registration Statements in the time frames set forth herein as necessary to ultimately cause to be covered by effective Registration Statements all Registrable Securities (if such Registrable Securities cannot at such time be resold by the Investors thereof pursuant to Rule 144).

Section 3. Registration Procedures. If and whenever the Company is required by the provisions of Section 2 to effect the registration of any Registrable Securities under the 1933 Act, the Company will, as expeditiously as possible:

- (a) subject to the timelines provided in this Agreement, prepare and file the Registration Statement with the SEC, with respect to such Registrable Securities and use its commercially reasonable efforts to cause such Registration Statement to become and remain effective for the period of the distribution contemplated thereby (determined as herein provided), respond as promptly as commercially practicable to any comments received from the SEC with respect to a Registration Statement or any amendment thereto and file any pre-effective amendments with respect to a Registration Statement as promptly as reasonable possible, and promptly provide to Investors copies of all filings and SEC letters of comment (provided that the Company shall excise any information contained therein which would constitute material non-public information regarding the Company or any subsidiary) and notify the Investors (by telecopier or by e-mail addresses provided by the Investors) on or before the second business day thereafter that the Company receives notice that (i) the SEC has no comments or no further comments on the registration statement, and (ii) the registration statement has been declared effective;
- (b) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective until such Registration Statement has been effective for a period of six months ("Effectiveness Period") and prepare and file with the SEC such additional Registration Statements as may be required hereunder and to keep each additional Registration Statement effective for the Effectiveness Period;
- (c) furnish to the Investors such number of copies of the Registration Statement and the prospectus included therein (including each preliminary prospectus) as such Investors reasonably may request in order to facilitate the public sale or their disposition of the securities covered by such Registration Statement or make them electronically available;
- (d) use its commercially reasonable efforts to register or qualify the Registrable Securities covered by such Registration Statement under the securities or "blue sky" laws of such jurisdictions as the Investors shall request in writing, provided, however, that the Company shall not for any such purpose be required to qualify to transact business as a foreign corporation in any jurisdiction where it is not so qualified or to consent to service of process in any such jurisdiction;
- (e) list the Registrable Securities covered by such Registration Statement with the principal market or exchange on which the Common Stock is then listed;

(f) promptly notify the Investors of the Company's becoming aware that a prospectus relating thereto is required to be delivered under the 1933 Act, of the happening of any event or passage of time of which the Company has knowledge as a result of which the prospectus contained in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing or the financial statements included therein ineligible for inclusion or which becomes subject to a SEC, state or other governmental order suspending the effectiveness of the Registration Statement covering any of the Registrable Securities. Each Investor hereby covenants that it will not sell any Registrable Securities pursuant to such prospectus during the period commencing at the time at which the Company gives such Investor notice of the suspension of the use of such prospectus in accordance with this Section 3(f) and ending at the time the Company gives such Investor notice that such Investor may thereafter effect sales pursuant to the prospectus, or until the Company delivers to such Investor or files with the SEC an amended or supplemented prospectus.

(g) The Company shall cooperate with any broker-dealer through which an Investor proposes to resell its Registrable Securities in effecting a filing with the FINRA Corporate Financing Department pursuant to FINRA Rule 5110, as requested by any such Investor, and the Company shall pay the filing fee required by such filing within two (2) business days of request therefor.

Section 4. Provision of Documents. It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registrable Securities of a particular Investor that such Investor shall furnish to the Company the completed form of the Selling Securityholder Questionnaire attached hereto as Annex A and any other customary documents that the Company may reasonably request to assure compliance with federal and applicable state securities laws.

Section 5. Non-Registration Events. The Company and the Investors agree that the Investors will suffer damages if the Registration Statement is not filed by the Required Filing Date and not declared effective by the SEC by the Required Effectiveness Date or if, after it is declared effective, its effectiveness is not maintained in the manner and within the time periods contemplated by Section 2 hereof, and it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if (A) the Registration Statement is not filed on or before the Required Filing Date, (B) the Registration Statement is not declared effective on or before the Required Effectiveness Date, or (C) any Registration Statement described in Section 2 is declared effective but shall thereafter cease to be effective for a period of time which shall exceed forty (40) days in the aggregate per year (defined as a period of 365 days commencing on the date the Registration Statement is declared effective) (each such event, a "Non-Registration Event"), then the Company shall deliver to the Investors, as liquidated damages ("Liquidated Damages"), an amount equal to one percent (1.0%) of the aggregate purchase price paid by such Investor pursuant to the Note Purchase Agreement for any unregistered Registrable Securities then held by such Holder and for each subsequent thirty (30) day period (pro rata for any period less than thirty days) which are subject to such Non-Registration Event. The maximum aggregate Liquidated Damages payable to the Investor under this Agreement shall be six percent (6.0%) of the aggregate purchase price paid by such Investor pursuant to the Note Purchase Agreement. The Company must pay the Liquidated Damages in cash. In the event a Registration Statement is filed by the Required Filing Date but is withdrawn prior to being declared effective by the SEC, then such Registration Statement will be deemed to have not been filed.

Section 6. Expenses. All expenses incurred by the Company in complying with Section 2, including, without limitation, all registration and filing fees, printing expenses (if required), fees and disbursements of counsel and independent public accountants for the Company, fees and expenses (including reasonable counsel fees) incurred in connection with complying with state securities or “blue sky” laws, fees of the Financial Industry Regulatory Authority, Inc. (“FINRA”) in connection with any filing with FINRA pursuant to FINRA Rule 5110 that may be required to be made by any broker through which an Investor intends to make sales of Registrable Securities, transfer taxes, and fees of transfer agents and registrars, are called “Registration Expenses.” The Company will pay all Registration Expenses in connection with any Registration Statement described in Section 2. Each Investor shall pay the fees and expenses of its counsel, if any, with respect hereto.

Section 7. Indemnification and Contribution.

(a) In the event of a registration of any Registrable Securities under the 1933 Act pursuant to Section 2, the Company will, to the extent permitted by law, indemnify and hold harmless the Investor, each of the officers, directors, agents, Affiliates, members, managers, control persons, and principal shareholders of the Investor, each underwriter of such Registrable Securities thereunder and each other person, if any, who controls such Investor or underwriter within the meaning of the 1933 Act, against any losses, claims, damages or liabilities, joint or several, to which the Investor, or such underwriter or controlling person may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (1) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement under which such Registrable Securities was registered under the 1933 Act pursuant to Section 2, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances when made, and (2) any violation or alleged violation by the Company of the 1933 Act, the Exchange Act or any state securities law, or any rule or regulation thereunder, in connection with the performance of the Company’s obligations under this Agreement and will, subject to the provisions of Section 7(c), reimburse the Investor, each such underwriter and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable to the Investor to the extent that any such damages arise out of or are based upon an untrue statement or omission made in any preliminary prospectus if (i) the Investor failed to send or deliver a copy of the final prospectus delivered by the Company to the Investor with or prior to the delivery of written confirmation of the sale by the Investor to the person asserting the claim from which such damages arise, (ii) the final prospectus would have corrected such untrue statement or alleged untrue statement or such omission or alleged omission, or (iii) to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by any such Investor in writing specifically for use in such Registration Statement or prospectus.

(b) In the event of a registration of any of the Registrable Securities under the 1933 Act pursuant to Section 2, each Investor severally but not jointly will, to the extent permitted by law, indemnify and hold harmless the Company, and each person, if any, who controls the Company within the meaning of the 1933 Act, each officer of the Company who signs the Registration Statement, each director of the Company, each underwriter and each person who controls any underwriter within the meaning of the 1933 Act, against all losses, claims, damages or liabilities, joint or several, to which the Company or such officer, director, underwriter or controlling person may become subject under the 1933 Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement under which such Registrable Securities were registered under the 1933 Act pursuant to Section 2, any preliminary prospectus or final prospectus contained therein, or any amendment or supplement thereof, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Company and each such officer, director, underwriter and controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action, provided, however, that the Investor will be liable hereunder in any such case if and only to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information pertaining to such Investor, as such, furnished in writing to the Company by such Investor specifically for use in such Registration Statement or prospectus, and provided, further, however, that the liability of the Investor hereunder shall be limited to the net proceeds actually received by the Investor from the sale of Registrable Securities pursuant to such Registration Statement.

(c) Promptly after receipt by an indemnified party hereunder of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party hereunder, notify the indemnifying party in writing thereof, but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to such indemnified party other than under this Section and shall only relieve it from any liability which it may have to such indemnified party under this Section, except and only if and to the extent the indemnifying party is prejudiced by such omission. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in and, to the extent it shall wish, to assume and undertake the defense thereof with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume and undertake the defense thereof, the indemnifying party shall not be liable to such indemnified party under this Section for any legal expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation and of liaison with counsel so selected, provided, however, that, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnifying party shall have reasonably concluded that there may be reasonable defenses available to indemnified party which are different from or additional to those available to the indemnifying party or if the interests of the indemnified party reasonably may be deemed to conflict with the interests of the indemnifying party, the indemnified parties, as a group, shall have the right to select one separate counsel, reasonably satisfactory to the indemnified and indemnifying party, and to assume such legal defenses and otherwise to participate in the defense of such action, with the reasonable expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the indemnifying party as incurred. Subject to the terms of this Agreement, all reasonable fees and expenses of the indemnified party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such proceeding in a manner not inconsistent with this Section) shall be paid to the indemnified party, as incurred, within ten business days of written notice thereof to the indemnifying party; provided, that, the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) not to be entitled to indemnification hereunder. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending proceeding in respect of which any indemnified party is a party, unless such settlement includes an

unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

(d) In order to provide for just and equitable contribution in the event of joint liability under the 1933 Act in any case in which either (i) a Investor, or any controlling person of a Investor, makes a claim for indemnification pursuant to this Section 7 but it is judicially determined (by the entry of a final judgment or decree by a court of competent jurisdiction and the expiration of time to appeal or the denial of the last right of appeal) that such indemnification may not be enforced in such case notwithstanding the fact that this Section 7 provides for indemnification in such case, or (ii) contribution under the 1933 Act may be required on the part of the Investor or controlling person of the Investor in circumstances for which indemnification is not provided under this Section 7; then, and in each such case, the Company and the Investor will contribute to the aggregate losses, claims, damages or liabilities to which they may be subject (after contribution from others) in such proportion so that the Investor is responsible only for the portion represented by the percentage that the public offering price of its securities offered by the Registration Statement bears to the public offering price of all securities offered by such Registration Statement, provided, however, that, in any such case, (y) the Investor will not be required to contribute any amount in excess of the public offering price of all such securities sold by it pursuant to such Registration Statement; and (z) no person or entity guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the 1933 Act) will be entitled to contribution from any person or entity who was not guilty of such fraudulent misrepresentation and provided, further, however, that the liability of the Investor hereunder shall be limited to the net proceeds actually received by the Investor from the sale of Registrable Securities pursuant to such Registration Statement.

(e) The indemnity and contribution agreements contained in this Section 7 are in addition to any liability that the indemnifying parties may have to the indemnified parties.

Section 8. Miscellaneous.

- (a) Remedies. In the event of a breach by the Company or by a Holder of any of their respective obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, shall be entitled to specific performance of its rights under this Agreement. Each of the Company and each Holder agrees that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall not assert or shall waive the defense that a remedy at law would be adequate.
- (b) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the 1933 Act as applicable to it in connection with sales of Registrable Securities pursuant to a Registration Statement.
- (c) Piggy-Back Registrations. If, at any time prior to the six month anniversary of the date hereof, there is not an effective Registration Statement covering all of the Registrable Securities and the Company shall determine to prepare and file with the SEC a registration statement relating to an offering for its own account or the account of others under the 1933 Act of any of its equity securities, other than on Form S-4 or Form S-8 (each as promulgated under the 1933 Act) or their then equivalents relating to equity securities to be issued solely in connection with any acquisition of any entity or business or equity securities issuable in connection with the Company's stock option or other employee benefit plans, then the Company shall deliver to each Holder a written notice of such determination and, if within fifteen days after the date of the delivery of such notice, any such Holder shall so request in writing, the Company shall include in such registration statement all or any part of such Registrable Securities such Holder requests to be registered; provided, however, that the Company shall not be required to register any Registrable Securities pursuant to this Section 8(c) that are eligible for resale pursuant to Rule 144 promulgated by the SEC pursuant to the 1933 Act or that are the subject of a then effective Registration Statement.
- (d) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the same shall be in writing and signed by the Company and the Holders of a majority more of the then outstanding Registrable Securities (including, for this purpose any Registrable Securities issuable upon exercise or conversion of any Security). If a Registration Statement does not register all of the Registrable Securities pursuant to a waiver or amendment done in compliance with the previous sentence, then the number of Registrable Securities to be registered for each Holder shall be reduced pro rata among all Holders and each Holder shall have the right to designate which of its Registrable Securities shall be omitted from such Registration Statement. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of a Holder or some Holders and that does not directly or indirectly affect the rights of other Holders may be given by such Holder or Holders of all of the Registrable Securities to which such waiver or consent relates; provided, however, that the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the first sentence of this Section 6(d).

(e) Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be delivered as set forth in the Note Purchase Agreement.

(f) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties and shall inure to the benefit of each Holder. The Company may not assign (except by merger) its rights or obligations hereunder without the prior written consent of all of the Holders of the then outstanding Registrable Securities. Each Holder may assign their respective rights hereunder if: (i) such Holder agrees in writing with such transferee or assignee (as the case may be) to assign all or any portion of such rights, and a copy of such agreement is furnished to the Company within a reasonable time after such transfer or assignment (as the case may be); (ii) the Company is, within a reasonable time after such transfer or assignment (as the case may be), furnished with written notice of (a) the name and address of such transferee or assignee (as the case may be), and (b) the securities with respect to which such registration rights are being transferred or assigned (as the case may be); (iii) immediately following such transfer or assignment (as the case may be) the further disposition of such securities by such transferee or assignee (as the case may be) is restricted under the 1933 Act or applicable state securities laws if so required; (iv) at or before the time the Company receives the written notice contemplated by clause (ii) of this sentence such transferee or assignee (as the case may be) agrees in writing with the Company to be bound by all of the provisions contained herein; (v) such transfer or assignment (as the case may be) shall have been made in accordance with the applicable requirements of the Note Purchase Agreement, the Notes and the Warrants (as the case may be); and (vi) such transfer or assignment (as the case may be) shall have been conducted in accordance with all applicable federal and state securities laws.

(g) Execution and Counterparts. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a “.pdf” format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

(h) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be determined in accordance with the provisions of the Note Purchase Agreement.

(i) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(j) Headings. The headings in this Agreement are for convenience only, do not constitute a part of the Agreement and shall not be deemed to limit or affect any of the provisions hereof.

(k) Independent Nature of Holders' Obligations and Rights. The obligations of each Holder hereunder are several and not joint with the obligations of any other Holder hereunder, and no Holder shall be responsible in any way for the performance of the obligations of any other Holder hereunder. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Holder pursuant hereto or thereto, shall be deemed to constitute the Holders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Holders are in any way acting in concert with respect to such obligations or the transactions contemplated by this Agreement. Each Holder shall be entitled to protect and enforce its rights, including without limitation the rights arising out of this Agreement, and it shall not be necessary for any other Holder to be joined as an additional party in any proceeding for such purpose.

The closing of the sale of the Notes, under the Agreement, is anticipated to occur on or about May 12, 2011, subject to customary closing conditions.

The Notes have an original issue discount of 15% and mature on the one year anniversary of the issue date. Under the terms specified therein, the Notes are convertible, in whole or in part, into common stock at a conversion price of \$.15. However, except as otherwise provided in the Notes, only 85% of the initial principal amount of each Note is convertible at any time after issuance and the remainder is convertible at maturity.

In connection with the Agreement, the Company issued a warrant to each investor to acquire up to such number of shares of Common Stock equal to 50% of such number of Conversion Shares, issuable upon exercise of the Note, issued to such Investor as of the Closing Date with an exercise price of \$0.15. The warrants will expire in three years. Pursuant to a Registration Rights Agreement between the Company and the investors, the Company is required to file a resale registration statement within 45 days that covers the resale of the underlying shares of both the Notes and shares issuable upon exercise of the warrants.
