PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the **Board**) of Lumber Liquidators Holdings, Inc. (the **Company**, **us** or **we**) for use at the 2015 Annual Meeting of Stockholders (the **Annual Meeting**) to be held on Thursday, May 21, 2015, at the time and place set forth in the notice of the meeting, and at any adjournments or postponements thereof.

We are providing access to our proxy materials, including this Proxy Statement, our annual report on Form 10-K and an electronic form of proxy card, primarily over the Internet rather than mailing paper copies of those materials to each shareholder. On or about April 10, 2015, we will mail to our shareholders a Notice of Internet Availability of Proxy Materials (the **Notice**), which provides website and other information for the purpose of accessing our proxy materials. You may access the proxy materials on the website referred to in the Notice or request a printed or electronic set of the proxy materials. Instructions on how to access the proxy materials through the Internet or to request a printed or electronic copy may be found in the Notice.

Shareholders may vote in any of the following four ways by Internet, by telephone, in person at the Annual Meeting or, if you requested printed copies of the proxy materials, by signing, dating and mailing the proxy card you receive in the envelope provided.

A properly executed proxy will be voted in the manner directed by the stockholder. If no instructions are specified, proxies will be voted for the directors listed in Proposal One and in favor of Proposals Two and Three. In addition, if other matters properly come before the Annual Meeting or any adjournments or postponements thereof, the persons named in the accompanying proxy and acting thereunder will have discretion to vote on such matters in accordance with their best judgment. Any person has the power to revoke a proxy by submitting a subsequent vote using any of the methods described above, by voting in person at the Annual Meeting, or by giving written notice of revocation to our corporate secretary at any time before the proxy is exercised. Your latest proxy card, telephone vote or Internet proxy with respect to the same shares is the one that will be counted. Please note, however, that if your shares are held of record by a broker, bank or nominee and you wish to vote at the Annual Meeting, you will not be permitted to vote in person unless you first obtain a legal proxy issued in your name from the record holder.

A quorum is necessary for the transaction of business at the Annual Meeting. A quorum exists when a majority of the common stock entitled to vote at the Annual Meeting is present either in person or by proxy. Abstentions, broker non-votes and votes withheld for director nominees will count as shares present at the Annual Meeting for purposes of determining whether a quorum exists. With respect to the election of directors, votes may be cast in favor or withheld. If a quorum is present, such election will be decided by plurality vote of the votes cast at the Annual Meeting, either in person or by proxy; therefore, abstentions, broker non-votes or withheld shares will have no effect on the outcome of the election. Brokers may not vote on the election of directors without instructions from the beneficial owners of the shares. The three nominees for director receiving the highest number of votes cast in person or by proxy at the Annual Meeting will be elected. For approval of the ratification of auditors and advisory vote on executive compensation, votes may be cast in favor or against, or you may abstain from voting. If a quorum is present, the votes cast at the Annual Meeting in favor of each proposal, either in person or by proxy, must exceed the votes cast opposing the action for approval. Abstentions and broker non-votes will have no effect on the outcome of such proposals. Brokers have discretionary authority to vote on the ratification of auditors, but may not vote on the advisory vote on executive compensation without instructions from the beneficial owners of the shares. Our inspector of elections will tabulate the votes cast by each proxy and in person at the Annual Meeting.

Edgar Filing: Lumber Liquidators Holdings, Inc. - Form DEF 14A

We will bear the cost of the solicitation. In addition to mailing this material to stockholders, we have asked banks and brokers to forward copies to persons for whom they hold our stock and request authority for execution of the proxies.

We will reimburse the banks and brokers for their reasonable out-of-pocket expenses in doing so. Our officers and regular employees, without being additionally compensated, may solicit proxies by mail, telephone, telegram, facsimile or personal contact. All reasonable proxy soliciting expenses will be paid by us in connection with the solicitation of votes for the Annual Meeting.

Our principal executive offices are located at 3000 John Deere Road, Toano, Virginia 23168, telephone number (757) 259-4280.

CORPORATE GOVERNANCE

We are committed to having sound corporate governance principles. Our Code of Business Conduct and Ethics, which applies to our directors, officers and employees, our Corporate Governance Guidelines and the charters of the Audit, Compensation and Nominating and Corporate Governance Committees are available on our website, www.lumberliquidators.com, and are also available in print, free of charge, to any stockholder who requests them. Such requests should be directed to Corporate Secretary, Lumber Liquidators Holdings, Inc., 3000 John Deere Road, Toano, Virginia 23168.

Independence

The Board, in its business judgment, has determined that the following seven of its nine members are independent from us, including under the independence standards contained in rules of the New York Stock Exchange (NYSE): Macon F. Brock, Jr., Douglas T. Moore, John M. Presley, Peter B. Robinson, Martin F. Roper, Nancy M. Taylor and Jimmie L. Wade. In reaching this conclusion, the Board considered whether we conduct business and have other relationships with organizations of which certain members of the Board or members of their immediate families are or were directors or officers. Our non-management directors had no transactions, arrangements or relationships with us, other than as directors and stockholders.

Lead Outside Director

Our Corporate Governance Guidelines provide for a lead outside director to be elected by vote of the outside directors to serve in that role either until the expiration of his or her then-current term as a director or until the outside directors otherwise choose to elect a new lead outside director. The lead outside director is responsible for coordinating the activities of the other outside directors, including the establishment of the agenda for executive sessions of the outside directors, with or without the presence of management. Currently, Mr. Presley serves as our lead outside director.

Board Leadership Structure

The Board does not have a policy on whether or not the roles of chief executive officer and chairman of the Board should be separate and, if they are to be separate, whether the chairman of the Board should be selected from the non-employee directors or be an employee. The offices of chief executive officer and chairman of the Board have

been at times combined and at times separated, and the Board considers such combination or separation in conjunction with, among other things, its succession planning processes. Our Board believes that it should be free to make a choice regarding the leadership structure from time to time in any manner that is in our and our stockholders' best interests.

We currently have separate individuals serving as chairman of the Board and as chief executive officer. Under the current structure, both the chairman and chief executive officer have responsibility for our business strategy and financial performance. Our chairman focuses on strategic matters relating to our marketing efforts and certain merchandising opportunities, while the chief executive officer is responsible for our operations and day-to-day management direction and execution. We believe that this separation of the positions represents the appropriate structure for us at this time.

The charters of all three committees are available at the investor relations page of our website at www.lumberliquidators.com and will be provided to any stockholder without charge upon the stockholder's written request to our corporate secretary. Each year, committee and committee chair assignments are made at the Board meeting immediately following the Annual Meeting of Stockholders. The current composition of each committee is as follows:

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm. The Audit Committee approves procedures for the pre-approval of audit and non-audit services provided to us by any independent auditors. It is also responsible for establishing, publishing, maintaining and overseeing our whistleblower procedures and our compliance and ethics program.

The Board, in its business judgment, has determined that all of the members of the Audit Committee are independent, as determined in accordance with the rules of the NYSE and any relevant federal securities laws and regulations. The

Board also has determined that all of the Committee members are financially literate as defined by the rules of the NYSE and that Mr. Presley qualifies as an audit committee financial expert as defined by regulations of the Securities and Exchange Commission (SEC).

With the exception of Mr. Wade, who serves on the audit committee of Tuesday Morning Corporation, no member of the Audit Committee served on any audit or similar committee of any other publicly held company in 2014.

Compensation Committee. The Compensation Committee has overall responsibility for evaluating and approving our executive officer incentive compensation, benefit, severance, equity-based or other compensation plans, policies and programs. The Board, in its business judgment, has determined that all of the members of the Compensation Committee are independent, as determined in

accordance with the rules of the NYSE and any relevant federal securities laws and regulations. Refer to the section titled **Executive Compensation** for additional information.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists the Board in implementing sound corporate governance principles and practices. The Nominating and Corporate Governance Committee also is charged with considering and recruiting individuals qualified to become Board members, conducting inquiries into the background, independence and qualifications of any candidates and recommending to the Board the director nominees. In performing these

TABLE OF CONTENTS

duties, the Nominating and Corporate Governance Committee uses its network of contacts to compile potential candidates, but may also engage, if it deems appropriate, a professional search firm. It also reviews the qualifications and independence of the members of the Board and its various committees on a regular basis and makes any recommendations the committee members may deem appropriate from time to time concerning any recommended changes in the composition of the Board. The current members of the Nominating and Corporate Governance Committee are Douglas T. Moore, Macon F. Brock, Jr., John M. Presley and Nancy M. Taylor (beginning January 29, 2015). The members of the Nominating and Corporate Governance Committee during 2014 were Douglas T. Moore, Macon F. Brock, Jr. and John M. Presley. The Board, in its business judgment, has determined that all of the current members of the Nominating and Corporate Governance Committee are, and each member who served on the Nominating and Corporate Governance Committee during 2014 was, independent, as determined in accordance with the rules of the NYSE.

The Nominating and Corporate Governance Committee will consider timely stockholder recommendations for candidates to serve on the Board. Such recommendations shall be sent to our corporate secretary and shall include (1) all information relating to the recommended person that is required to be disclosed in solicitations of proxies for election of directors in an election contest and such other information as we may require pursuant to any policy governing the selection of directors, and (2) a written consent from the recommended individual to being named in the proxy statement as a nominee and to serving as a director if elected. If the recommendation is not timely and in proper form, the nominee will not be considered by the committee. To be timely for the 2016 Annual Meeting, the recommendation must be received within the time frame set forth in Deadlines for Submission of Stockholder Proposals below. Nominees for director are selected in the context of an assessment of the perceived needs of the Board at the time and on the basis of, among other things, the following:

strength of character

specific areas of expertise

judgment

understanding of our business

skill

principles of diversity

education

reputation

business experience

other personal attributes or special talents

Nominees should also be willing to spend the time necessary to discharge their responsibilities appropriately and to ensure that other existing or future commitments do not materially interfere with their responsibilities as members of the Board.

In determining the composition of the Board, the Nominating and Corporate Governance Committee seeks to include a diverse and complimentary range of skills and experience among our directors. Although it does not have a formal diversity policy, the Nominating and Corporate Governance Committee believes that the presence of differing viewpoints on the Board is a benefit to us. Accordingly, the Nominating and Corporate Governance Committee considers principles of diversity, which include, among other things, diversity in backgrounds, perspectives, expertise

and qualifications, when assessing the Board as a whole, and individual director candidates.

Risk Management

We have designed and implemented processes to manage risk in our business. The Board's role in risk management is primarily one of oversight with the day-to-day responsibility for risk management implemented by our management team. The Board regularly reviews information provided by management regarding our business strategy, financial position and operations, and considers associated risks. In addition, the Board executes its oversight role through its Audit Committee and other committees which report regularly to the Board on their activities.

With regard to those committee activities, the Audit Committee has principal responsibility for implementing the Board's risk management oversight role. The Audit Committee reviews management's assessment of the key risks that we face, including the main controls upon which we rely to mitigate those risks. In particular, the Audit Committee focuses on financial and enterprise risk, including internal controls, and assesses our risk profile with our management and internal and external auditors. The internal control risk profile drives our internal audit plan. The Audit Committee also handles violations of our Code of Ethics and related corporate policies. The Nominating and Corporate Governance Committee assists in risk management

by overseeing our compliance with legal and regulatory requirements and risks relating to our governance structure. The Compensation Committee reviews risks relating to our incentive compensation policies and arrangements.

Board and Committee Attendance and Executive Sessions

During fiscal year 2014, the Board held a total of five meetings and took additional actions by unanimous written consent; the Audit Committee held seven meetings and took additional actions by unanimous written consent; the Compensation Committee held three meetings and took additional actions by unanimous written consent; and the Nominating and Corporate Governance Committee held four meetings and took additional actions by unanimous written consent. At the meetings of the Board, it is the practice of the Board to hold an executive session without management present, as well as a separate executive session with just the independent directors. During fiscal year 2014, each director attended 100% of the meetings of the Board and committees on which he served, with the exception of Mr. Brock, who was absent for one Board meeting due to illness.

We strongly encourage all directors to attend Annual Meetings of Stockholders. All of our directors serving at the time attended the 2014 Annual Meeting of Stockholders, and it is expected that all current directors will attend the 2015 Annual Meeting of Stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Summary

Our overall compensation philosophy is to maintain effective compensation programs that are as simple and flexible as possible, and permit us to make responsive adjustments to changing market conditions. We strive to provide our executives with compensation that is competitive within our industry, considering, among other things, geographic location. In doing so, we seek to attract and retain the key employees necessary to achieve the continued growth and success of our business while remaining mindful of our desire to control costs. Further, it is our intent to align executive pay with stockholders' interests, recognize individual accomplishments, unite executive management behind common objectives and strike a balance between risk and reward in designing our executive compensation programs.

The Compensation Committee of the Board is responsible for implementing and administering our compensation plans and programs. In that role, the Compensation Committee reviews our executive compensation program every year and may conduct market analyses of executive compensation as it determines are necessary to ensure that our compensation programs meet our objectives. Decisions relating to the compensation of our executive officers are made by the Compensation Committee. These decisions are also reported to and approved by the full Board. The Compensation Committee consults, and expects to continue to consult, with the chief executive officer, the chairman and other members of management in the exercise of its duties. Notwithstanding such consultation, the Compensation Committee retains absolute discretion over all compensation decisions with respect to the executive officers, including the chief executive officer and the chairman.

In determining the compensation of our executive officers, the Compensation Committee evaluates total overall compensation, as well as the mix of salary, cash bonus incentives and equity incentives, using a number of factors including the following:

our financial and operating performance, measured by attainment of specific strategic objectives and operating results; the duties, responsibilities and performance of each executive officer, including the achievements of the areas of our operations for which the executive is personally responsible and accountable;

historical cash and equity compensation levels; and

compensation competitiveness, internal equity factors and retention considerations.

Compensation levels for executives are differentiated based on the principle that total compensation should increase with an executive's position and responsibilities, while at the same time, a greater percentage of total compensation should be tied to corporate and individual performance as position and responsibilities increase. In discharging its responsibilities with respect to compensation matters for 2014, the Compensation Committee did not solicit the input of a consultant.

In 2012, the Compensation Committee retained Pearl Meyer & Partners (PMP) in connection with a review and assessment of the Company's executive compensation program for purposes of determining compensation components and levels for 2013. PMP prepared a report as part of that review and assessment (the 2013 Compensation Report). The following peer group, which was generally specialty retailers that fell within a reasonable range (both above and below the Company) of comparative factors such as revenue, EBITDA, operating margin and market capitalization, was utilized in the 2013 Compensation Report.

hhgregg, Inc.	rue21, Inc.	West Marine, Inc.

TABLE OF CONTENTS

The Compensation Committee did not solicit the input of a consultant or update the 2013 Compensation Report for purposes of determining executive compensation in 2014. As one element in its assessment of the design and competitiveness of the Company's executive compensation packages for 2014, the Compensation Committee referenced the 2013 Compensation Report for an understanding of market practices and competitive compensation levels.

2014 Compensation Program

As part of its deliberations and evaluation of our compensation program, the Compensation Committee considered the following objectives:

maintaining a straightforward and flexible program that incents and rewards performance;
 offering competitive compensation packages necessary to attract and retain key executives;
 providing non-equity incentive compensation that depends on our financial performance as compared against established goals and compensates executives for outstanding results; and
 providing an appropriate link between compensation and the creation of stockholder value through equity awards tied to our long-term performance.

After considering these objectives, the Compensation Committee decided to continue to utilize a mix of base salary, annual cash bonus awards and equity incentive awards in 2014. These components of executive compensation were designed to be used together to strike an appropriate balance between cash and equity compensation and between short-term and long-term value creation.

Base Salary. Base salary levels for our executive officers are reviewed each year and adjusted based upon a variety of factors including the executive's tenure with us, scope of responsibility and influence on our operations, individual performance and accomplishments, internal equity, experience, and changes in the competitive marketplace as well as the economic environment and expense considerations. The factors impacting base salary levels are not independently assigned specific weights. In early 2014, Mr. Lynch reviewed the base salary for each executive officer, excluding Mr. Sullivan and himself, and presented the Compensation Committee with recommendations regarding changes in the base salaries for such executive officers. The Compensation Committee was provided with historical compensation information for Messrs. Lynch and Sullivan.

The Compensation Committee considered Mr. Lynch's recommendations in determining the base salaries for the executive officers. Specifically, with regard to Mr. Lynch, his increased base salary in 2014 reflects, among other things, his contributions to the Company, the performance of our business and market considerations. With regard to Mr. Schlegel, his increased base salary in 2014 reflects, among other things, his involvement in and contributions to our business, market considerations and internal equity factors. With regard to Mr. Schwartz, his increased base salary in 2014 reflects, among other things, his promotion to chief information officer and senior vice president, business development.

For our named executive officers, the following adjustments to their base salaries were recommended by the Compensation Committee and approved by the Board:

Executive	2013 Base Salary ⁽¹⁾ (\$)	2014 Base Salary ⁽²⁾ (\$)	Percentage Change
Mr. Lynch	675,000	725,625	7.5 %

Edgar Filing: Lumber Liquidators Holdings, Inc. - Form DEF 14A

Mr. Terrell	341,649	353,607	3.5	%
Mr. Schlegel	368,842	387,284	5.0	%
Mr. Pescara	312,914	323,866	3.5	%
Mr. Schwartz	215,000	245,000	14.0	%

Annual Cash Bonus Awards. In 2014, our executive officers had the opportunity to earn an annual cash bonus under our Annual Bonus Plan for Executive Management (the "Bonus Plan"). The amounts payable under the Bonus Plan are expressed as a percentage of annual base salary for each participant (the "Target Bonus"). The Target Bonuses are reviewed annually and vary among the Bonus Plan participants based upon, among other things, their responsibilities, ability to influence operations and performance, internal equity considerations, and position. The maximum potential annual cash bonus award that our executives could achieve was 200% of their Target Bonus, based only on our achievement of certain objective financial performance measures.

For the 2014 Bonus Plan, the Compensation Committee determined that operating income represented the most comprehensive financial measure in evaluating executive performance. A scale was established which set percentages of the Target Bonuses that would be paid out depending on our actual operating income for the year. The scale was designed to provide incentive bonuses for superior achievement, while being consistent with the Compensation Committee's views on the appropriate levels of total compensation. The applicable scale for 2014 is set forth below:

Actual 2014 Operating Income		Percentage of Target Bonus	
Below \$139,488,093		Zero	
\$139,488,093	\$142,455,923	25	%
\$142,455,924	\$145,423,755	50	%
\$145,423,756	\$148,391,587	75	%
\$148,391,588	\$151,227,095	100	%
\$151,227,096	\$155,007,772	125	%
\$155,007,773	\$160,048,676	150	%
\$160,048,677	\$163,829,352	175	%
Above \$163,829,353		200	%

In 2014, our actual operating income was \$104,072,790. Accordingly, the threshold performance measure under the Bonus Plan was not attained and no amounts were awarded to the Bonus Plan participants.

Executive	2014 Base Salary ⁽¹⁾ (\$)	Target Bonus Percentage	Target Bonus Amount (\$)	Percentage of Target Bonus Awarded for 2014	Bonus Amount Awarded for 2014 (\$)
Mr. Lynch	725,625	100 %	725,625	0 %	
Mr. Terrell	353,607	60 %	212,164	0 %	
Mr. Schlegel	387,284	60 %	232,370	0 %	
Mr. Pescara	323,866	60 %	194,320	0 %	
Mr. Schwartz	245,000	50 %	122,500	0 %	

(1) These figures represent the annualized base salary for each individual after his 2014 review.

Long-Term Equity Incentive Awards. The long-term component of our compensation program consists of the grant of equity awards that are intended to create a mutuality of interest with stockholders by motivating our executive officers to manage our business so that our stockholders' investment will grow in value over time. The equity awards are also intended to reward longevity and increase retention, as we do not maintain a defined benefit pension plan or provide other post-retirement medical or life benefits. Because the benefit received depends upon the performance of our stock

price over the term of the equity incentive award, such awards are intended to provide incentives for executive officers to enhance our long-term performance, as reflected in stock price appreciation over the long term, thereby increasing stockholder value.

TABLE OF CONTENTS

We currently provide equity awards pursuant to the Lumber Liquidators Holdings, Inc. 2011 Equity Compensation Plan (the "2011 Plan"), from which we may, among other things, grant stock options, restricted stock awards and other equity awards. We intend equity awards to be a meaningful portion of our executive officers' total compensation in order to align their interests with our long-term growth and the creation of stockholder value. We award equity to our executives in a mix of 75% non-qualified stock options and 25% restricted stock awards, which vest ratably over four years.

In determining the amounts of the equity awards for named executive officers, with the exception of Mr. Lynch, the Compensation Committee considered recommendations submitted by Mr. Lynch and an evaluation of the fair value of the equity award in relation to the individual's total compensation. Additionally, these equity awards were based upon their respective responsibilities and performance as well as retention considerations and compensation levels among our other executive officers. The following is a list of the equity awards approved by the Compensation Committee and the Board and awarded to our named executive officers in 2014. In light of Mr. Lynch's significant equity award in 2013, the Compensation Committee determined that Mr. Lynch would not receive an equity award in 2014.

Executive	2014 Option Awards (\$) ⁽¹⁾	2014 Restricted Stock Awards (\$) ⁽²⁾
Mr. Lynch		
Mr. Terrell	187,498 ⁽³⁾	62,437 ⁽³⁾

For a discussion of the assumptions relating to these valuations, see Note 6 – Stock-Based Compensation to our audited financial statements included in Item 8 of the Form 10-K filed with the SEC on February 25, 2015.

(3) The grants provided for vesting in equal annual amounts on the first four anniversary dates following the date of grant of March 1, 2014.

Claw Back Provisions

Under our equity award agreements, in the event the Compensation Committee determines that an executive willfully engaged in conduct harmful to us, the equity award may be forfeited and/or the executive may be required to repay any stock acquired or received as a result of the award or any sums realized as a result of the sale of stock acquired or received as a result of the award. Likewise, under the Bonus Plan, the Compensation Committee may require an executive to repay all or any portion of an award issued under the Bonus Plan if the Compensation Committee determines that the award was earned based on inaccurate financial objectives, performance data, metrics or other information or that the participant willfully engaged in conduct harmful to us. Furthermore, our equity award agreements and our Bonus Plan contain clawback provisions that are intended to comply with Section 954 of Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and all regulations and rulemaking thereunder. Specifically, if, as a result of material non-compliance with any financial information required to be reported under

securities laws, the Company is required to prepare a restatement of its financial statements, then any awards or payments will be forfeited or repaid with the amount of such forfeiture or repayment to be equal to the difference between the award or payment received and the amount, if any, of the award or payment that would have been granted or issued based on the restated financial statements.

Prohibition on Pledging or Hedging Company Stock

Our Insider Trading Policy provides that no insider may pledge the Company's securities or hold the Company's securities in a margined account. Further, our policy prohibits our insiders and employees from buying or selling options, warrants, puts and calls or similar instruments on the Company's securities, selling the Company's securities short or entering into hedging or monetizing transactions or similar arrangements with respect to the Company's securities. For purposes of our Insider Trading Policy, a copy of which can be found on our website, insiders include, among others, our officers and directors.

2015 Compensation Program

Under the leadership of the Compensation Committee, we intend to continue our management of executive compensation with the following objectives:

to maintain a straightforward and flexible program that allows us to make adjustments in response to changes in market conditions and reward performance;

to provide compensation packages necessary to attract and retain key executives to help ensure that we remain competitive;

to provide non-equity incentive compensation that depends on our financial performance, as compared against established goals, and promotes collaboration and unified focus among our executives; and

to provide an appropriate link between compensation and the creation of stockholder value through equity awards tied to our long-term performance.

To achieve these objectives, we will continue to utilize a mix of base salary, annual cash bonus awards and equity incentive awards. These components of executive compensation will be used together to strike an appropriate balance between cash and stock compensation and between short-term and long-term incentives. Base salary will remain a key part of our executive compensation, allowing us to attract and retain qualified executives. The annual cash bonus will be used to incentivize our executives to successfully coordinate efforts, in both the short and long terms, to enhance our business, and therefore stockholder value. The annual cash bonuses will continue to be awarded solely on the basis of our achievement of certain objective financial performance measures to maintain alignment and consistency among our executives. Finally, equity awards will continue to be awarded to executives in the form of stock options and restricted stock in a manner that seeks to align management's interests with long-term stockholder interests and encourage retention of key performers.

Compensation Risk Assessment

Among other things, the Compensation Committee reviews our compensation policies and practices to determine whether they subject us to unnecessary or excessive risk. In so doing, the Compensation Committee considers whether such policies and practices are appropriately structured to promote the achievement of goals without encouraging the taking of unwarranted or undue risk. Additionally, the Compensation Committee reviews the relationship between our risk management policies and practices and compensation, and evaluates compensation policies and procedures that could mitigate risks relating to our compensation program.

We believe that our compensation programs discussed above are designed with the appropriate balance of risk and reward in relation to our overall business strategy and do not incentivize executives or other employees to engage in conduct that creates unnecessary or unjustifiable risks. Specifically, our mix of rewards for short term performance through base salary and annual cash bonus awards and for long term performance through equity incentive awards supports these compensation objectives. Moreover, we believe that our utilization of these different compensation

components allows us to manage the risks inherent with performance-based compensation. Additionally, our use of mitigation tools such as claw back provisions, oversight by an independent committee of non-employee directors and significant vesting periods for equity awards, provide additional risk protection.

Based upon the review of our compensation practices and policies, we have concluded that they do not create risks that are reasonably likely to have a materially adverse effect on the Company.

TABLE OF CONTENTS

Tax Deductibility Under Section 162(m)

Section 162(m) of the Internal Revenue Code imposes a limitation on the deductibility of non-performance based compensation in excess of \$1 million paid to named executive officers of public companies. We intend to design our executive compensation arrangements to be consistent with our best interests and the interests of our stockholders. Because our corporate objectives may not always be consistent with the requirements of full deductibility, we may have compensation arrangements under which payments are not deductible under Section 162(m). We currently believe that we should be able to continue to manage our executive compensation program for our named executive officers to preserve the related federal income tax deductions, although individual exceptions occur from time to time.

Retirement, Deferred Compensation and Pension Plans

Our executive officers who are eligible may participate at their election in our 401(k) retirement savings plan that provides all employees with an opportunity to contribute up to 17% of their eligible compensation, subject to Internal Revenue Service limitations, to the plan on a tax-deferred basis to be invested in specified investment options and distributed upon their retirement. Consistent with the 401(k) plan, in 2014, we matched 100% of the first 3% of employee contributions and 50% of the next 2% of employee contributions. Employees are immediately 100% vested in the Company's matching contributions. In 2014, Mr. Lynch, Mr. Schlegel, Mr. Pescara and Mr. Schwartz contributed to the 401(k) plan.

The Board has not adopted any plans for the deferral of executive compensation or for the payment of defined benefits or pensions based on an executive officer's salary and/or years of service. In addition, we have not adopted a supplemental executive retirement plan or other excess plan that pays benefits to highly compensated executives whose salaries exceed the Internal Revenue Service's maximum allowable salary for qualified plans.

Say-on-Pay Advisory Vote on Executive Compensation

At the 2011 Annual Meeting, the shareholders of the Company voted in favor of an annual say-on-pay vote and the Company has elected to follow such advisory vote. Accordingly, at the Company's 2014 Annual Meeting of Stockholders, the Compensation Committee considered the results of the advisory vote by stockholders on executive compensation, or the say-on-pay vote. There was strong support at the 2014 Annual Meeting for the compensation program offered to the Company's named executive officers with more than 98.6% of votes cast in favor. The Compensation Committee believes that these results evidence the overall belief of the Company's stockholders that our compensation policies are working and that such policies are aligned with our stockholders' interests.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis contained in this Proxy Statement. Based upon that review and discussion, the Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the Securities and Exchange Commission.

Discussion of the Summary Compensation Table and Grants of Plan-Based Awards Table

Employment Agreement with Robert M. Lynch. In December 2010, we entered into an agreement with Mr. Lynch whereby he agreed to serve as our president and chief operating officer for a five-year term commencing January 17, 2011. The agreement provides for an annual base salary of \$500,000, with an increase to \$550,000 on or about March 12, 2012. The agreement also provides for a \$60,000 signing bonus. In addition, the Board, in its discretion, may award Mr. Lynch an annual performance bonus, based on our financial performance and Mr. Lynch's job performance.

Under the agreement, Mr. Lynch was granted options to purchase 325,203 shares of our common stock (approximately 1% of our outstanding shares at that time) at the fair market value as of January 17, 2011. The options vest 20% on each of the first five anniversaries of the grant. Mr. Lynch was also granted 12,345 restricted stock units on January 17, 2011. One-third of the restricted stock units vested on January 17, 2011, July 17, 2011 and January 17, 2012.

TABLE OF CONTENTS

Pursuant to an amendment entered by the parties in December 2011, Mr. Lynch agreed to serve as our president and chief executive officer effective January 1, 2012. The amended agreement provides for an initial annual base salary of \$550,000 beginning January 1, 2012. The agreement remains scheduled to expire on January 17, 2016.

The agreement also provides for certain payments in the event of termination, as described below. Mr. Lynch is bound under the agreement by a confidentiality provision and non-competition and non-solicitation clauses that apply to his employment and for a period of two years following the later of the date of termination of his employment and the date (if any) that a court enters a judgment enforcing the relevant provision.

On February 5, 2014, we entered into a Relocation Assistance Agreement (the Agreement) with Mr. Lynch to facilitate his permanent relocation to the Central Virginia area, within daily driving distance of the Company's headquarters. Pursuant to the Agreement, Mr. Lynch will receive \$125,000, less required withholding and employment taxes and applicable 401(k) plan deferrals (the Relocation Payment), if Mr. Lynch closes on the purchase of a residence on or before October 1, 2014. The Relocation Payment was made in 2014. The Relocation Payment is in lieu of the relocation benefits provided by Mr. Lynch's Executive Employment Agreement, dated December 17, 2010.

If Mr. Lynch voluntarily terminates his employment within twelve months following receipt of the Relocation Payment, he will be required to repay the full amount of the Relocation Payment and, if the same occurs between twelve and twenty-four months, 50% of the Relocation Payment.

Letter Agreement with Marco Q. Pescara. At the time of his hire, we entered into an offer letter agreement with Mr. Pescara which set forth his base starting salary, other compensation matters in connection with his hire and certain initial terms relating to his employment.

Other than the letter agreement with Mr. Pescara and the agreements with Mr. Lynch, we have not entered into employment agreements with any of the named executive officers. For additional information concerning our executive compensation policies, see Compensation Discussion and Analysis above.

Potential Payments Upon Termination or Change of Control

Mr. Lynch's employment agreement provides for the termination of his employment by the Company without Cause, termination by him as the result of a Good Reason Event and termination by him following a Change of Control and a resulting material reduction in his compensation or job responsibilities (as those terms are defined in the employment agreement). Termination under any of these circumstances entitles Mr. Lynch to receive the following:

his salary earned through the date of termination and accrued but unused paid time off;
an amount, paid in twelve equal monthly installments, equal to his current rate of annual salary then in effect; and
for a period of twelve months, if Mr. Lynch elects to continue health, vision and dental insurance through COBRA continuation coverage, an amount equal to that portion of the COBRA premium the Company would have paid had Mr. Lynch maintained such insurance while employed by the Company.

If Mr. Lynch's employment had been terminated under one of these three circumstances as of December 31, 2014, Mr. Lynch would have been entitled to receive \$739,656. Mr. Lynch will not be entitled to any compensation or other benefits under the employment agreement if his employment is terminated by the Company for Cause or by him in the absence of either a Good Reason Event or a Change of Control and resulting material reduction in his compensation or job responsibilities.

Under Mr. Pescara's offer letter agreement, if he is terminated other than for cause (as defined in his agreement), he would be entitled to receive a severance payment equal to one year's base salary and bonus. If Mr. Pescara's employment had been terminated other than for cause as of December 31, 2014, this amount would have been \$323,866.

We do not have any agreements with any of the other named executive officers that provide for severance payments upon termination of their employment or in connection with a change in control of us. The agreements pursuant to which equity awards have been granted to the named executive officers, however, contain provisions for accelerated vesting upon a change in control of the Company.

TABLE OF CONTENTS**DIRECTOR COMPENSATION**

Directors who are our employees do not receive compensation for their service on the Board or any Board committee. Each of our non-employee directors receives an annual retainer of \$110,000. In addition, our non-employee directors receive the following annual retainers for serving on the specified committees:

\$15,000 for serving as the chairperson of the Audit Committee;
 \$7,500 for serving as the chairperson of the Compensation Committee;
 \$5,000 for serving as the chairperson of the Nominating and Corporate Governance Committee;
 \$7,500 for serving as a member (but not the chairperson) of the Audit Committee;
 \$3,750 for serving as a member (but not the chairperson) of the Compensation Committee; and
 \$2,500 for serving as a member (but not the chairperson) of the Nominating and Corporate Governance Committee.

In 2014, our non-employee directors elected to have the retainers paid in restricted stock. The restricted stock was granted on the date of the 2014 Annual Meeting and it vests on the date of the 2015 Annual Meeting. In calculating the number of shares of restricted stock reflecting the value of the retainers for our non-employee directors, we used the closing price of our common stock on the date of the grant. Directors were reimbursed for expenses incurred in connection with their service as directors, including travel expenses for meeting attendance.

Mr. Sullivan's Compensation

Mr. Sullivan, our founder and the chairman of the Board, is an employee of the Company and receives a salary and other compensation for his services. In 2014, he received a 3% increase in his base salary, which increased his annual salary to \$340,867. Mr. Sullivan participated in the Bonus Plan but because the Company did not achieve its performance goal under the Bonus Plan, no amounts were paid out to Mr. Sullivan. Mr. Sullivan did not receive any equity incentive awards in 2014. He does not receive an annual retainer or other compensation for serving as a director or on any committee.

Outside Directors Deferral Plan

On November 21, 2008, the Board adopted the Lumber Liquidators Holdings, Inc. Outside Directors Deferral Plan (the "Deferral Plan") under which each of our non-employee directors has the opportunity to defer receipt of all or a portion of his fees until his departure from the Board. In so doing, the Board intended to provide an incentive to the non-employee directors to own shares of our common stock, thereby aligning their interests more closely with the interests of our stockholders. Deferral elections must be made by December 31 for the deferral of fees in the next calendar year.

Under the Deferral Plan, a non-employee director may elect to defer up to 100% of his compensation in 25% increments and have such compensation invested in deferred stock units. Deferred stock units attributable to the deferral of cash compensation are credited as of the day on which such compensation is otherwise payable in accordance with our then applicable director compensation policies (the "Payment Date"), and the number of deferred stock units is determined by dividing the deferred compensation payable on the Payment Date by the closing price of our common stock as of the Payment Date. Deferred stock units credited with respect to restricted stock awards are determined using the closing price as of the grant date of the award of such shares of common stock. Deferred stock units must be settled in common stock upon the director's departure from the Board. There were 63,279 deferred stock units outstanding at December 31, 2014.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of beneficial ownership and reports of changes in beneficial ownership of our equity securities.

Based solely upon a review of Forms 3, Forms 4 and Forms 5 furnished to us under Rule 16a-3(e) during 2014, and written representations of our directors and officers, we believe that all directors, executive officers and beneficial owners of more than 10% of our common stock have filed with the SEC on a timely basis all reports required to be filed under Section 16(a) of the Securities Exchange Act except for Raymond E. Cotton, III who reported one transaction late on a Form 4.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We have a formal written policy concerning related person transactions, a copy of which is available on our website. Under that policy, a related person transaction is a transaction, arrangement or relationship involving us, on the one hand, and (i) our director or executive officer, his or her immediate family members or any entity that any of them controls or in which any of them has a substantial beneficial ownership interest; or (ii) any person who is the beneficial owner of more than 5% of our voting securities or a member of the immediate family of such person.

Related person transactions do not include (i) any employee benefit plan, policy, program, agreement or other arrangement that has been approved by the Board, the Compensation Committee or recommended by the Compensation Committee for approval by the Board, or (ii) any transaction (other than consulting or employment) in the ordinary course of business and/or in compliance with approved Company policy, if applicable, that does not involve an amount exceeding \$100,000 in aggregate.

The Audit Committee evaluates each related person transaction for the purpose of recommending to the disinterested members of the Board whether the transaction is fair, reasonable and within our policy, and should be ratified and approved by the Board. At least annually, management will provide the Audit Committee with information pertaining to related person transactions. Related person transactions entered into, but not approved or ratified as required by the policy concerning related person transactions, will be subject to termination by us or the relevant subsidiary, if so directed by the Audit Committee, taking into account factors as it deems appropriate and relevant.

Lease Arrangements

As of March 31, 2015, we lease our Toano finishing, distribution and headquarters facility, which includes a store location, and 30 of our other store locations from F9 Properties, LLC f/k/a ANO, LLC (F9), a company that is wholly owned by Mr. Sullivan. The operating lease for our Toano facility has a base period that runs through December 31, 2019. Our store leases generally have five-year base periods and one or more five-year renewal periods. Our rent

expense attributable to F9 was \$2.8 million in 2014 and we expect a similar rent expense attributable to F9 in 2015. The future minimum payments under our leases with F9 as of December 31, 2014 total approximately \$12.4 million.

We believe that the leases that we have signed to date with F9, which are described in more detail in Note 4 to our audited financial statements included in Item 8 of the Form 10-K filed with the SEC on February 25, 2015, are on fair market terms. In 2014, any new leases or renewals of existing leases involving Mr. Sullivan or entities with which he is involved were handled in accordance with our related person transaction policy.

Each category is subject to a specific budget or quarterly dollar amount. In addition, the Audit Committee may also pre-approve particular services on a case-by-case basis. For each proposed service, the independent registered public accounting firm is required to provide detailed back-up documentation at the time of approval. The Audit Committee routinely meets with our internal auditors and independent registered public accounting firm, with and without management present.

The Audit Committee has oversight responsibilities only and it is not acting as an expert in accounting or auditing. The Audit Committee relies without independent verification on the information provided to its members and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that our consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States or that the audit of our consolidated financial statements by the independent auditors has been carried out in accordance with auditing standards generally accepted in the United States.

Management has the primary responsibility for the preparation of our 2014 consolidated financial statements and the overall reporting process, including the systems of internal control over financial reporting, and has represented to the Audit Committee that our 2014 consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited consolidated financial statements with management and the independent auditors. In accordance with the requirements established by the Public Company Accounting Oversight Board Auditing Standards No. 16, *Communications with Audit Committees*, as amended and as adopted by the Public Company Accounting Oversight Board, these discussions included, among other things, a review of significant accounting policies, their application and estimates, and the independent auditors' judgment about our accounting controls and the quality of our accounting practices.

The Audit Committee has received from the independent auditors written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the auditors' independence, and has discussed with the independent auditors, the independent auditors' independence.

Relying on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the SEC.

PROPOSAL TWO

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Ernst & Young LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2015. We are asking the stockholders to ratify this selection. If our stockholders fail to ratify the selection of Ernst & Young, the Audit Committee and our Board will consider whether to retain Ernst & Young and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered accounting firm at any time during the year if it determines that such a change would be in our and our stockholders best interest.

The affirmative vote of the holders of shares representing a majority of the votes cast at the Annual Meeting, in person or by proxy, is required to ratify the selection of the independent registered public accounting firm.

*The Board of Directors recommends that you vote **FOR** the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.*

PROPOSAL THREE

ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with Item 402 of the Securities and Exchange Commission's Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

As noted above, we have elected to conduct this say-on-pay advisory and non-binding vote annually. The next advisory and non-binding vote to approve our named executive officer compensation will occur at the 2016 Annual Meeting of Stockholders.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

As discussed in the Compensation Discussion and Analysis section above, we believe that the compensation structure for our named executive officers is straightforward, flexible and effective in attracting and retaining talented personnel. In our judgment, the compensation paid to our named executive officers includes a healthy balance between fixed and performance-based compensation as well as a blend between cash and equity components. Furthermore, we maintain that the compensation for our named executive officers is aligned with the interests of our stockholders through incentives based on increasing stockholder value. Finally, we believe that our compensation programs maintain an appropriate balance of risk and reward in relation to our business strategies and objectives.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this proxy statement. The vote is advisory, which means that the vote is not binding on the Company, our Board or the Compensation Committee of the Board. To the extent there is any significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

The Board of Directors recommends that you vote FOR the proposed resolution approving the compensation of our named executive officers, as disclosed in this Proxy Statement.
