Today, April 22, 2016, Enbridge Inc. (“Enbridge”), the indirect owner of the general partner of Enbridge Energy Partners, L.P. (the “Partnership”) and the Partnership’s ultimate parent, announced its new business segmentation for financial reporting purposes and related financial disclosures that will be introduced for the first quarter of 2016 (the “Announcement”). Information included in the Announcement contains certain historical financial information of the Partnership for the years ended December 31, 2014 and 2015 reorganized in Enbridge’s new segments and, in certain instances, is further broken down by certain assets or asset categories. The financial information for the Partnership included in the Announcement is not found directly in the Partnership’s financial statements and supplementary data, due to, among other things, the breakdown of certain information by assets or asset categories, the adjustment of U.S. dollar amounts to Canadian dollars and the presentation of financial measures that differ from those used by the Partnership.

Information about the Announcement can be found on Enbridge’s website at <http://www.enbridge.com/investment-center/events>.

The information discussed above and in the Announcement is not deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and is not incorporated by reference into any registration statements filed under the Securities Act of 1933, as amended.
