Re: Share Forward Transaction

Date: June 30, 2018

Dear Sir(s):

The purpose of this communication (this “**Master Confirmation**”) is to set forth certain terms and conditions of the share forward transaction entered into on the Trade Date as specified below (the “**Transaction**”) between Goldman Sachs International (“**Goldman**”) and YY One Limited (“**Counterparty**”). The additional terms of the Transaction shall be set forth in (i) the Supplemental Confirmation in the form of Schedule A hereto (the “**Supplemental Confirmation**”), which shall reference this Master Confirmation and supplement, form a part of, and be subject to this Master Confirmation, and (ii) the Trade Notification in the form of Schedule B hereto (the “**Trade Notification**”), which shall reference the Supplemental Confirmation and supplement, form a part of, and be subject to such Supplemental Confirmation. This Master Confirmation, the Supplemental Confirmation and the Trade Notification

together shall constitute a “Confirmation” as referred to in the Agreement specified below. Goldman is acting as principal in this Transaction. **Goldman is not a member of the Securities Investor Protection Corporation.**

1. The definitions and provisions contained in the 2006 ISDA Definitions (the “**2006 Definitions**”) and the 2002 ISDA Equity Derivatives Definitions (the “**Equity Definitions**”), each as published by the International Swaps and Derivatives Association, Inc. (“**ISDA**”), are incorporated into this Master Confirmation. This Master Confirmation, the Supplemental Confirmation and the Trade Notification evidence a complete binding agreement between Counterparty and Goldman as to the subject matter and terms of the Transaction to which this Master Confirmation, the Supplemental Confirmation and the Trade Notification relate and shall supersede all prior or contemporaneous written or oral communications with respect thereto. For purposes of the Equity Definitions, the Transaction will be deemed to be a Share Forward Transaction.

2. This Master Confirmation, the Supplemental Confirmation and the Trade Notification supplement, form a part of, and are subject to an agreement in the form of the 2002 ISDA Master Agreement (the “**Agreement**”), as if Goldman and Counterparty had executed the Agreement on the date of this Master Confirmation (but without any Schedule, except for (i) the election of English law as the governing law, which shall also apply to any non-contractual obligations arising out of or in connection with the Agreement, and US Dollars (“**USD**”) as the Termination Currency, (ii) the election that subparagraph (ii) of Section 2(c) of the Agreement will not apply to the Transaction, (iii) the election that the “Cross Default” provisions of Section 5(a)(vi) of the Agreement shall apply to Counterparty and Goldman, with a “Threshold Amount” of USD 1,000,000 applicable to Counterparty and a “Threshold Amount” of three percent (3%) of the shareholders’ equity of The Goldman Sachs Group, Inc. as of the date hereof applicable to Goldman (*provided that*, as to both Counterparty and Goldman (a) the phrase “, or becoming capable at such time of being declared,” shall be deleted from clause (1) of such Section 5(a)(vi) of the Agreement, (b) “Specified Indebtedness” shall have the meaning specified in Section 14 of the Agreement, except that, in the case of Goldman, such term shall not include obligations in respect of deposits received in the ordinary course of a party’s banking business and (c) the following sentence shall be added to the end thereof: “Notwithstanding the foregoing, an Event of Default shall not occur under either (1) or (2) above if (a) the event or condition referred to in (1) or the failure to pay referred to in (2) is caused by an error or omission of an administrative or operational nature, (b) funds were available to such party to enable it to make the relevant payment when due and (c) such payment is made within two Local Business Days after notice of such failure is given by such party.”), (iv) the election that the term “Specified Transaction” shall have the meaning specified in Section 14 of the Agreement except that, with respect to both Goldman and Counterparty, such term shall not include any “Transaction” under any other Master Confirmation between Goldman and Counterparty relating to shares owned by Counterparty, including, without limitation, the Shares (as defined herein); and (v) the provisions of Section 9 of this Master Confirmation below.

The Transaction hereunder shall be the sole Transaction under the Agreement.

All provisions contained or incorporated by reference in the Agreement are incorporated into and shall govern this Master Confirmation, the Supplemental Confirmation and the Trade Notification, except as expressly modified herein or in the Supplemental Confirmation. In the event of any inconsistency between this Master Confirmation, the Supplemental Confirmation, the Trade Notification, the Agreement, the Equity Definitions and/or the 2006 Definitions, as the case may be, the following will prevail in the order of precedence indicated: (i) the Trade Notification, (ii) the Supplemental Confirmation, (iii) this Master Confirmation, (iv) the Agreement, (v) the Equity Definitions and (vi) the 2006 Definitions.

<u>Valuation:</u>	

In respect of
any Component:

Valuation Time: As provided in Section 6.1 of the Equity Definitions.

Scheduled
Valuation Date: As specified in the Supplemental Confirmation.

Valuation Date: The Scheduled Valuation Date (or, if such date is not a Scheduled Trading Day, the next following Scheduled Trading Day that is not already a Valuation Date for another Component hereunder); *provided* that, if that date is a Disrupted Day, the Valuation Date for such Component shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day and is not or is not deemed to be a Valuation Date in respect of any other Component hereunder. Notwithstanding the foregoing and anything to the contrary in the Equity Definitions, if a Market Disruption Event (including, for the avoidance of doubt, a Regulatory Disruption) occurs on any Valuation Date, the Calculation Agent shall, in its commercially reasonable discretion, determine whether such Valuation Date is a Disrupted Day only in part, and in such case the Calculation Agent shall (i) adjust the number of Shares for the relevant Component for which such Disrupted Day shall be the Valuation Date, (ii) determine the Settlement Price for such Disrupted Day using a volume-weighted method based on eligible transactions (or Rule 10b-18 eligible transactions, as applicable) in the Shares on the Exchange on such Disrupted Day taking into account the nature and duration of such Market Disruption Event and (iii) designate the Scheduled Trading Day determined in the manner described above as the Valuation Date for the remaining number of Shares for such Component(s), with such adjustments based on, among other factors, the duration of any such Market Disruption Event and the volume, historical trading patterns and price of the Shares. Section 6.6 of the Equity Definitions shall not apply to any Valuation Date hereunder.

If, as a consequence of Disrupted Days, the Valuation Date for any Component has not occurred prior to the ninth Scheduled Trading Day following the scheduled Valuation Date for such Component, then the Calculation Agent, in its good faith and commercially reasonable discretion, shall deem such ninth Scheduled Trading Day to be an Exchange Business Day that is not a Disrupted Day and determine the Settlement Price for such ninth Scheduled Trading Day using its good faith estimate of the value of the Shares on such ninth Scheduled Trading Day based on the volume, historical trading patterns and price of the Shares and such other factors as it deems appropriate.

Any Scheduled Trading Day on which, as of the date hereof, the Exchange is scheduled to close prior to its normal close of trading shall be deemed to not be an Exchange Business Day; if a closure of the Exchange prior to its normal close of trading on any Scheduled Trading Day is scheduled following the date hereof, then such Scheduled Trading Day shall be deemed to be a Disrupted Day in part.

Market Disruption Event: The third and fourth lines of Section 6.3(a) of the Equity Definitions are hereby amended by deleting the words “during the one hour period that ends at the relevant Valuation Time” and replacing them with “at any time prior to the relevant Valuation Time”.

Section 6.3(d) of the Equity Definitions is hereby amended by deleting the remainder of the provision following the term “Scheduled Closing Time” in the fourth line thereof.

Disrupted Day: Without limiting the generality of Section 6.4 of the Equity Definitions, any Scheduled Trading Day on which a Regulatory Disruption occurs shall also constitute a Disrupted Day.

Regulatory Disruption: In the event that Goldman concludes, in its reasonable judgment, based on advice of counsel, that it is appropriate with respect to any legal, regulatory or self-regulatory requirements or related policies and procedures generally applicable in similar situations and applied in a non-discriminatory manner (whether or not such requirements, policies or procedures are imposed by law or have been voluntarily adopted by Goldman), for it to refrain from effecting transactions with respect to Shares on any Scheduled Trading Day or Days, Goldman may, by a prompt written notice to Counterparty, elect to

deem that a Regulatory Disruption has occurred and will be continuing on such Scheduled Trading Day or Days.

Settlement
Method Election: Applicable; *provided* that (i) it shall be a condition of such election that Counterparty delivers an irrevocable written notice of such election to Goldman (a “**Settlement Election Notice**”), to be received by Goldman no later than the Settlement Method Election Date, setting forth the Electing Party’s election of Cash Settlement and Counterparty Representations set forth below, (ii) the same Settlement Method shall apply to all Components, and (iii) notwithstanding the applicability of Cash Settlement, Counterparty shall be deemed to have irrevocably elected that Physical Settlement be applicable if an Enforcement Event (as defined in the Security Deed (as defined below)) has occurred and is continuing.

Counterparty

Representations: Any Settlement Election Notice specifying Cash Settlement or the Counterparty Early Termination Notice, as applicable, shall only be valid if it contains the following representations and warranties of Counterparty:

(i) as of the date of such Notice, Counterparty is not in possession of any material non-public information with respect to the Underlying Shares, the Shares and/or Underlying Shares Issuer;

(ii) it is not making an election set forth in such Notice to create actual or apparent trading activity in the Underlying Shares or Shares (or any security convertible into or exchangeable or exercisable for Underlying Shares or Shares) or to raise or depress or otherwise manipulate the price of the Underlying Shares or Shares (or any security convertible into or exchangeable or exercisable for Underlying Shares or Shares) or otherwise in violation of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”);

(iii) it is making an election set forth in such Notice in good faith, and not as part of a plan or scheme to evade the prohibitions of Rule 10b-5 under the Exchange Act, and it has not entered into any hedging transactions related to the Underlying Shares or Shares, nor altered any previously entered hedging transaction corresponding to or offsetting the relevant Transaction; and

(iv) Counterparty, the Underlying Shares Issuer and its other affiliated purchasers (within the meaning of Rule 10b-18, as defined below) will comply with the applicable provisions set forth under Section 7(e) below during the applicable Relevant Period.

Electing
Party: Counterparty.

Settlement
Method Election Date: For all Components of the Transaction, the date that is twenty (20) Scheduled Trading Days prior to the Scheduled Valuation Date specified for the first Component.

Default
Settlement Method: Physical Settlement.

Automatic
Physical Settlement: For all Components of the Transaction, if (i) (x) Counterparty has not elected Cash Settlement and (y) by 10:00 A.M., New York City time, on the Settlement Date, Counterparty has not effected delivery of the Number of Shares to be Delivered and (ii) the Collateral then held by the Collateral Custodian includes Shares with respect to which the Representation and Agreement set forth in Section 9.11 of the Equity Definitions are true and satisfied (or, in the absolute discretion of Goldman, Shares with respect to which such Representation and Agreement are not true or satisfied), then the delivery required by Section 9.2 of the Equity Definitions shall be effected, in whole or in part, as the case may be, by Counterparty requesting that Goldman agree to instruct the Collateral Custodian to transfer to Goldman a number of Collateral Shares equal to the Number of Shares to be Delivered or, if Goldman withholds its consent to Counterparty's request or if Counterparty does not make such request, by Goldman exercising its right to Rehypothecate such Collateral Shares and applying those Shares in in discharge of Counterparty's obligations to make such delivery to the extent of such Rehypothecated Collateral Shares.

Physical Settlement: If applicable, then, on the Settlement Date for such Component, Counterparty will deliver to Goldman the Number of Shares to be Delivered for such Component.

Number of Shares to be Delivered: As provided in Section 9.5 of the Equity Definitions; *provided* that, in respect of any Component, references to "Number of Shares" therein shall be read as references to the Component Number of Shares for such Component, subject to the provisions of "Valuation Date" above.

Settlement Date: As provided in Section 9.4 of the Equity Definitions.

Settlement Price: Notwithstanding Section 7.3 of the Equity Definitions and with respect to any Component of the Transaction, the VWAP Price for such Valuation Date; *provided* that, if Counterparty has validly elected Cash Settlement, the Settlement Price shall be the 10b-18 VWAP Price for such Valuation Date.

VWAP Price: For any Scheduled Trading Day, the volume weighted average price per Share for the regular trading session (including any extensions thereof) of the Exchange on the Valuation Date for such Component (without regard to pre-open or after hours trading outside of such regular trading session for such Valuation Date), as published by Bloomberg at 4:15 p.m. New York time (or 15 (fifteen) minutes following the end of any extension of the regular trading session) on such Valuation Date, on Bloomberg page "YY <Equity> AQR" (or any successor thereto), or if such price is not so reported on such Valuation Date for any reason or is manifestly erroneous, as reasonably determined by the

Calculation Agent based on a volume-weighted average method.

10b-18 VWAP Price: For any Scheduled Trading Day, the New York 10b-18 Volume Weighted Average Price per Share for the regular trading session (including any extensions thereof) of the Exchange on such Exchange Business Day (without regard to pre-open or after hours trading outside of such regular trading session for such Exchange Business Day), as published by Bloomberg at 4:15 p.m. New York time (or 15 minutes following the end of any extension of the regular trading session) on such Scheduled Trading Day, on Bloomberg page “YY <Equity> AQR SEC” (or any successor thereto), or if such price is not so reported on such Scheduled Trading Day for any reason or is, in the Calculation Agent’s reasonable discretion, manifestly erroneous, such 10b-18 VWAP Price shall be as reasonably determined by the Calculation Agent based on a volume-weighted average method. For purposes of calculating the 10b-18 VWAP Price, the Calculation Agent will include only those trades that are reported during the period of time during which Underlying Shares Issuer could purchase Shares under Rule 10b-18(b)(2) and are effected pursuant to the conditions of Rule 10b-18(b)(3), each under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (such trades, “**Rule 10b-18 eligible transactions**”).

Cash Settlement: If applicable in the aggregate for all Components: for each Component, on the Scheduled Trading Day prior to the Scheduled Valuation Date specified for the first Component, Counterparty shall (i) repeat the Counterparty Representations to Goldman in writing (by reference to the circumstances then existing) and (ii) pay to Goldman an amount in USD equal to the product of:

(A) the Number of Shares to be Delivered (*provided* that solely for the purposes of this clause (A) references to “Settlement Price” in Section 9.5 of the Equity Definitions shall be read as references to the 10b-18 VWAP Price for the date two Scheduled Trading Days immediately preceding such Scheduled Valuation Date (or, if such day is not an Exchange Business Day, the immediately preceding Exchange Business Day)),

multiplied by

(B) the 10b-18 VWAP Price for the date two Scheduled Trading Days immediately preceding such Scheduled Valuation Date (or, if such day is not an Exchange Business Day, the immediately preceding Exchange Business Day)

(such product, the “**Cash Settlement Prepayment Amount**”, for such Component).

On the Settlement Date for any Component, (x) if the Purchase Adjustment Amount for such Component is positive, as determined by the Calculation Agent, Goldman will pay to Counterparty an amount in USD equal to the Purchase Adjustment Amount and (y) if the Purchase Adjustment Amount for such Component is negative, as determined by the Calculation Agent, Counterparty will pay to Goldman an amount in USD equal to the absolute value of the Purchase Adjustment Amount.

Purchase Adjustment Amount: For each Component, the amount in USD equal to (x) the Cash Settlement Prepayment Amount for such Component *minus* (y) the product of (a) the Number of Shares to be Delivered for such Component *multiplied by* (b) the Settlement Price for such Component.

Excess Dividend Amount: A reference to the Excess Dividend Amount shall be deleted from Sections 8.4(b) and 9.2(a)(iii) of the Equity Definitions.

Other Applicable Provisions: To the extent Goldman is obligated to deliver Shares hereunder, the provisions of Sections 9.8, 9.9, 9.10 and 9.11 of the Equity Definitions will be applicable.

Share Adjustments:

In respect of any Component:

Method of Adjustment: Calculation Agent Adjustment; *provided, however* that the Equity Definitions shall be amended by (i) replacing the words “a diluting or concentrative” in Sections 11.2(a), 11.2(c) (in two instances) and 11.2(e)(vii) with the word “a material economic” and by adding the words “or the Transaction” after the words “theoretical value of the relevant Shares” in Sections 11.2(a), 11.2(c) and 11.2(e)(vii) and by adding the following words at the end of Section 11.2(e)(vii): “as result of a corporate action with respect to Underlying Shares Issuer, the Shares and/or the Underlying Shares”.

Extraordinary Dividend: Any dividend or distribution on the Shares and/or the Underlying Shares other than any dividend or distribution of the type described in Section 11.2(e)(i) or Section 11.2(e)(ii) of the Equity Definitions.

Extraordinary Dividend Adjustment: If at any time during the period from and including the Trade Date, to and including the Valuation Date for the Component with the latest scheduled Valuation Date, an ex-dividend date for an Extraordinary Dividend occurs or is deemed to occur, then Goldman will make adjustments to any one or more of the Forward Floor Price, the Forward Cap Price, the Number of Shares, any Component Number of Shares and/or any other variable relevant to the exercise, settlement, payment or other terms of the Transaction (including, for the avoidance of doubt, so as to impose an obligation on Counterparty to make a payment) as it determines appropriate to account for the economic effect on the Transaction of such Extraordinary Dividend.

For all Components of the Transaction, if (i) (x) an amount is payable by Counterparty as a consequence of an Extraordinary Dividend Adjustment and (y) by 10:00 A.M., New York City time, on the due date of that payment, Counterparty has not effected such payment and (ii) the Collateral then held by the Collateral Custodian includes cash, then the payment required by Counterparty shall be effected, in whole or in part, as the case may be, by Goldman exercising its right to Rehypothecate such cash and applying it in discharge of Counterparty’s obligation to make such payment to the extent of such Rehypothecated cash.

Extraordinary Events:

New Shares: In the definition of “New Shares” in Section 12.1(i) of the Equity Definitions, the text in subsection (i) shall be deleted in its entirety and replaced with: “publicly quoted, traded or listed on any of the New York Stock Exchange, The Nasdaq Global Market or The Nasdaq Global Select Market (or their respective successors)”.

Consequences of Announcement Events: Modified Calculation Agent Adjustment as set forth in Section 12.3(d) of the Equity Definitions; *provided* that, in respect of an Announcement Event, references to “Tender Offer” shall be replaced by references to “Announcement Event” and references to “Tender Offer Date” shall be replaced by references to “date of such Announcement Event”. An Announcement Event shall be an “Extraordinary Event” for purposes of the Equity Definitions, to which Article 12 of the Equity Definitions is applicable. If an Announcement Event occurs, and notwithstanding anything herein to the contrary, Goldman shall (i) make such adjustments on the earliest to occur of (x) the Valuation Date, Early Termination Date or other date of cancellation or termination in respect of each Component or (y) the date on which the transaction described in such Announcement Event (as amended or modified) is cancelled, withdrawn, discontinued, otherwise terminated or results in a Merger Date or Tender Offer Date, as applicable, (ii) determine the cumulative economic effect on such Component of such Announcement Event, if any, and (iii) shall make such adjustments to the exercise, settlement, payment or any other terms of such Component as Goldman determines appropriate, in good faith and in a commercially

reasonable manner.

Announcement Event: (i) The public announcement of any Merger Event or Tender Offer or any transaction or event that, if completed, would constitute a Merger Event or Tender Offer, and that (to the extent made by any other person than Underlying Shares Issuer or its subsidiaries) the Calculation Agent determines is reasonably likely to be completed (which determination may, for the avoidance of doubt, take into account the effect of such announcement on the market price of the Shares or options relating thereto) intention to enter into any transaction that, if completed, would constitute a Merger Event or Tender Offer, (ii) the public announcement by Underlying Shares Issuer or any of its subsidiaries of any acquisition where the aggregate consideration exceeds 25% of the market capitalization of Underlying Shares Issuer as of the date of such announcement (an “**Acquisition Transaction**”), (iii) the public announcement by Underlying Shares Issuer or any of its subsidiaries of an intention to solicit or enter into, or to explore strategic alternatives or other similar undertaking that may include a Merger Event, Tender Offer or Acquisition Transaction, or (iv) any subsequent public announcement of a change to a transaction or intention that is the subject of an announcement of the type described in clause (i), (ii), or (iii) of this sentence (including, without limitation, a new announcement, whether or not by the same party, relating to such a transaction or intention or the announcement of a withdrawal from, or the abandonment or discontinuation of, such a transaction or intention, whether such announcement is made by Underlying Shares Issuer or a third party); *provided* that, for the avoidance of doubt, the occurrence of an Announcement Event with respect to any transaction or intention shall not preclude the occurrence of a later Announcement Event with respect to such transaction or intention.

For the avoidance of doubt, Announcement Event shall not include any announcement by or on behalf of Underlying Shares Issuer regarding the transactions described in (i) the press release exhibited to the Form 6-K filed with the SEC dated June 7, 2018 and (ii) the press release exhibited to the Form 6-K filed with the SEC dated March 8, 2018, where the Calculation Agent, acting in good faith and commercially reasonably, determines that such announcement(s) are consistent with Goldman’s commercially reasonable expectation with respect to the implementation of such transactions as of the Trade Date, which expectations are based on a commercially reasonable interpretation of the information publicly announced by the Underlying Shares Issuer or made publicly available by the Underlying Shares Issuer on the SEC’s EDGAR system, in each case, prior to the Trade Date.

Composition of Combined Consideration: Not applicable; *provided* that, notwithstanding Sections 12.1 and 12.5(b) of the Equity Definitions, to the extent that the composition of the consideration for the relevant Shares pursuant to a Tender Offer or Merger Event could be determined by a holder of the Shares, the Calculation Agent will, in its sole discretion, determine such composition.

Nationalization, Insolvency or Delisting: Cancellation and Payment; *provided* that, in addition to the provisions of Section 12.6(a)(iii) of the Equity Definitions, it shall also constitute a Delisting if the Shares are not immediately re-listed, re-traded or re-quoted on any of the New York Stock Exchange, The Nasdaq Global Market or The Nasdaq Global Select Market (or their respective successors); if the Shares are immediately re-listed, re-traded or re-quoted on any such exchange or quotation system, such exchange or quotation system shall be deemed to be the Exchange.

Determining Party: Goldman

(ii) including the following at the end of such Section: “for the avoidance of doubt, the term “equity price risk” shall be deemed to include, but shall not be limited to, stock price and volatility risk, and, for the further avoidance of doubt, the transactions, assets and/or other Hedge Positions referred to in phrases (A) or (B) above must be available on commercially reasonable pricing and other terms;” and

Maximum Stock Loan Rate: *** basis points.

(vii) Increased Cost of Stock Borrow: Applicable.

Additional Termination Event(s): Notwithstanding anything to the contrary in the Equity Definitions, if, as a result of an Extraordinary Event or an Additional Disruption Event, the Transaction would be cancelled or terminated (whether in whole or in part) pursuant to Article 12 of the Equity Definitions, an Additional Termination Event (with such terminated Transaction (or portions thereof) being the Affected Transaction and Counterparty being the sole Affected Party) shall be

deemed to occur, and, in lieu of Sections 12.7, 12.8 and 12.9 of the Equity Definitions, Section 6 of the Agreement shall apply to such Affected Transaction.

In addition, it shall constitute an Additional Termination Event (with the Transaction outstanding hereunder being the Affected Transaction and Counterparty being the sole Affected Party) if Underlying Shares Issuer (x) terminates, repudiates or purports to terminate the Issuer Acknowledgment (as defined below) and/or (y) fails to comply with any of its covenants set forth therein and Goldman reasonably determines that such failure is material for the Transaction and/or any Hedging Activities in respect thereof.

Payment and Share
Delivery Instructions:

As provided separately by the parties.

Goldman, *provided* that whenever Goldman, in its capacity as Calculation Agent, the Determining Party or otherwise, is required to act or to exercise judgment or discretion in any way with respect to the Transaction hereunder, including, without limitation, with respect to calculations, adjustments and determinations with respect to the Transaction, it will do so in good faith and in a commercially reasonable manner. Goldman shall, within five (5) Exchange Business Days of a written request by Counterparty, provide a written explanation of any such calculation, adjustment or determination, including where applicable a description of the basis therefor in reasonable detail (including any quotations, market data or information from external sources used in making such calculation, adjustment or determination, as the case may be, but without disclosing its confidential or proprietary models or other information that Goldman believes to be confidential, proprietary or subject to contractual, legal or regulatory obligations to not disclose such information, in each case, used by it in such calculation, adjustment or determination); *provided* that following the occurrence of an Event of Default of the type described in Section 5(a)(vii) of the Agreement with respect to which Goldman is the sole Defaulting Party and if the Calculation Agent fails to timely make any calculation, adjustment or determination required to be made by the Calculation Agent hereunder or to perform any obligation of the Calculation Agent hereunder and such failure continues for five (5) Exchange Business Days following notice to the Calculation Agent by Counterparty of such failure, Counterparty shall have the right to designate a successor calculation agent which shall be a nationally recognized third-party dealer in over-the-counter corporate equity derivatives.

4. Calculation Agent:

5. Matters Relating to the Purchase of Shares and Related Matters:

(a) Conditions to Effectiveness. On or prior to each of the Trade Date and the Effective Date, Counterparty shall satisfy (or cause to be satisfied) each of the following:

(i) Counterparty shall have complied with its obligations under Section 6(a) of this Master Confirmation to deliver the Collateral Shares to the Collateral Custodian, in accordance with all applicable requirements set forth therein;

(ii) Counterparty shall have delivered to Goldman an executed letter agreement from Underlying Shares Issuer setting forth certain representations, warranties, acknowledgments and agreements regarding the Transaction, in form and substance satisfactory to Goldman (the “**Issuer Acknowledgment**”);

(iii) Counterparty shall have delivered to the Depositary, Underlying Shares Issuer and the share registrar for the Underlying Shares all legal opinions, representation letters and other documentation requested by any of them in connection with Counterparty satisfying its obligations under clause (i) above and the other transactions contemplated hereby, in each case, in the form previously provided to Goldman with a reasonable opportunity to comment thereon;

(iv) Goldman shall have received: (A) a legal opinion of Latham & Watkins, legal advisers to Goldman as to English law, substantially in the form agreed by Goldman and (B) a legal opinion of Walkers, legal advisers to Goldman

as to British Virgin Islands law, substantially in the form agreed by Goldman, including all appropriate opinions confirming that the Security Interests granted to Goldman hereunder constitutes a valid, perfected, first priority Security Interest in favor of Goldman, in form and substance satisfactory to Goldman;

(v) Counterparty shall have delivered to Goldman a copy of the constitutional documents of Counterparty, including its memorandum and articles of association, certificate of incorporation, certificate on change of name (if any), register of directors, register of charges (if any) and register of members, as well as such other notices, forms or other documents required to be given under the Security Deed;

(vi) Counterparty shall have delivered to Goldman a copy of a resolution of the directors of Counterparty approving the terms of, and the transactions contemplated by, this Master Confirmation, the Supplemental Confirmation and the Trade Notification and resolving that it execute such documents;

(vii) Counterparty shall have delivered to Goldman a certificate of Counterparty (signed by a director) certifying that each copy document relating to it specified in this Section 5(a) is correct, complete and in full force and effect as at a date no earlier than the Trade Date;

(viii) Counterparty shall have delivered to Goldman a certificate of incumbency issued by the registered agent of Counterparty dated not more than ten Business Days before the Trade Date;

(ix) Counterparty shall have delivered to Goldman a copy of a resolution of the directors of the Underlying Shares Issuer approving the terms of the Issuer Acknowledgement and resolving that it execute such document;

(x) Counterparty shall have delivered to Goldman a copy of a certificate of good standing of the Underlying Shares Issuer;

(xi) Counterparty shall have delivered to Goldman evidence that Counterparty's process agent referred to in this Master Confirmation has accepted its appointment; and

(xii) Counterparty shall have paid to Goldman such fees and expenses as set forth in the Supplemental Confirmation.

Counterparty represents and warrants to Goldman as of the Trade Date that the conditions set forth in this Section 5(a) above have been satisfied.

(b) Agreements and Acknowledgments Regarding Shares. The parties intend that this Master Confirmation constitutes a "Preliminary Agreement" with respect to the Transaction and that this Master Confirmation, together with the Supplemental Confirmation and the Trade Notification, constitutes a "Final Agreement" for the Transaction, each such term as described in the letter dated December 14, 1999 submitted by Robert W. Reeder and Alan L. Beller to Michael Hyatte of the SEC staff (the "**Staff**") to which the Staff responded in an interpretive letter dated December 20, 1999 and the letter dated November 30, 2011 submitted by Robert Plesnarski and Glen Rae to the Staff to which the Staff responded in an interpretive letter dated December 1, 2011 (the "**Interpretive Letters**"). In

connection with the Transaction hereunder, Counterparty agrees and acknowledges that Goldman will sell (or cause its affiliates to sell), pursuant to Rule 144, a number of (i) Collateral Shares or Shares borrowed from Counterparty or (ii) in case Counterparty exercises its rights pursuant to Section 6(b) of this Master Confirmation, Shares borrowed from third parties, equal to the Number of Shares, and each of Goldman and Counterparty currently believes that the Shares (up to such Number of Shares) delivered by Counterparty to Goldman pursuant to the Transaction may be used by Goldman to settle such sales or close out open Share borrowings created in the course of Goldman's hedging activities related to its exposure under the Transaction without further registration under the Securities Act. Accordingly, Counterparty agrees that, subject to Section 5(c) below, any Shares that it delivers to Goldman hereunder will not bear a restrictive legend and that such Shares will be deposited in, and the delivery thereof, shall be effected through the facilities of, the Clearance System.

- (c) Securities Laws Matters. Notwithstanding anything to the contrary herein, in the Agreement or in the Equity Definitions, if Goldman determines in its sole discretion, based on advice of counsel, that any

Shares or Underlying Shares delivered or to be delivered to Goldman by Counterparty in respect of the Transaction may not be used to close out open Share borrowings created in the course of Goldman's hedging activities related to its exposure under the Transaction as described in Section 5(b) above for any reason (including, without limitation, a change in law or a change in the policy of the U.S. Securities and Exchange Commission ("**SEC**") or the Staff or because Goldman does not have an open Share borrowing of a sufficient number of Shares), then any required delivery of Shares or Underlying Shares, as applicable (the "**Restricted Shares**"), by Counterparty shall be effected pursuant to the following paragraph, unless waived by Goldman.

Any delivery of Restricted Shares by Counterparty to Goldman (a "**Private Placement Settlement**") shall be effected in accordance with customary private placement procedures with respect to such Restricted Shares reasonably acceptable to Goldman. On the date of such delivery, Counterparty shall not have taken, or caused to be taken, any action that would make unavailable the "Section 4(1½)" exemption from Securities Act registration for the private placement by Goldman (or its affiliate) of such Restricted Shares. Counterparty and Goldman (or its affiliate) shall execute an agreement containing customary representations, covenants, indemnities to Goldman (or such affiliate), opinions and certificates, and such other documentation as is customary for private placements of equity securities, all reasonably acceptable to Goldman. In the case of a Private Placement Settlement, the Calculation Agent may adjust the number of Restricted Shares to be delivered to Goldman (or its designee) hereunder in a commercially reasonable manner to reflect the fact that such Restricted Shares may not be freely returned to securities lenders by Goldman (or its designee) and may only be saleable by Goldman (or such designee) at a discount to reflect the lack of liquidity in Restricted Shares. Notwithstanding the Agreement or this Master Confirmation, the date of delivery of such Restricted Shares shall be the Clearance System Business Day following notice by Goldman to Counterparty of the number of Restricted Shares to be delivered pursuant to this paragraph.

6.

Collateral

- (a) It shall be a condition precedent to the obligations of Goldman under this Master Confirmation that, on or prior to the date of this Master Confirmation, the Counterparty shall:

- (i) establish and maintain a securities custody account in London at Goldman Sachs International (the "**Collateral Custodian**") in the name of Counterparty in accordance with the terms of an English law governed custody agreement (the "**Custody Agreement**") having account number * (together with any associated cash and/or securities accounts, the "**Collateral Account**");

- (ii) create security over all of its rights, title and interest in the Collateral Account and all securities, cash and other assets standing to the credit thereof (the "**Collateral**") from time to time pursuant to an English law governed security deed (the "**Security Deed**") for the benefit of Goldman (and the Security Deed, the Custody Agreement and this Confirmation together being the "**Transaction Documents**"), and each such Transaction Document shall have become unconditional in accordance with its terms and be in full force and effect to the satisfaction of Goldman; and

have delivered to the Collateral Custodian a number of Shares in book-entry form (which are registered in the name of DTC's nominee, maintained in the form of book entries on the books of DTC and allowed to be settled through DTC's regular book-entry settlement services) without any restrictive legend equal to the Maximum (iii) Number of Shares (the "**Collateral Shares**") by the crediting of such Collateral Shares, accompanied by any required transfer tax stamps, to a securities account of the Collateral Custodian at The Depository Trust Company and the crediting by the Collateral Custodian of such Collateral Shares to the Collateral Account, over which security has been granted for the benefit of Goldman pursuant to the Security Deed.

Counterparty acknowledges, pursuant to the terms of the Security Deed, that Goldman has the right to use and dispose of as if it were the owner (“**Rehypotheate**”) of any Collateral; *provided* that Counterparty may by written notice to Goldman request delivery to the Collateral Account of a number of Shares equal to the number of Shares comprising all or any portion of the Rehypothesized Collateral, in which case Goldman shall deliver such number of Shares to the Collateral Account within 15 Exchange Business Days of receiving such notice and shall not exercise its right to Rehypotheate such Collateral; *provided, further* that no such notice may be delivered, and if any such notice has been delivered, it shall lapse and cease to have any effect (such that Goldman shall have the right to Rehypotheate the Collateral) (x) during the period beginning on and including the fifteenth Scheduled Trading Day prior to the first Scheduled Valuation Date for any Transaction and ending on and including the final (b) Valuation Date with respect to such Transaction or (y) following delivery of a Counterparty Early Termination Notice. Counterparty acknowledges that any such request by it could lead to an Additional Disruption Event, which may result in an adjustment to the terms of, or termination of, the Transaction pursuant to Article 12 of the Equity Definitions. Upon the occurrence or effective designation of an Early Termination Date, the obligation of Goldman to return Rehypothesized Collateral by delivering to the Collateral Account a number of Shares equal to the number of Shares comprising the Rehypothesized Collateral shall be terminated and replaced by an obligation to pay an amount equal to the value of such number of Shares (as determined in accordance with clause 13.3 (Valuation) of the Security Deed), and the amount of such obligation shall be deemed to be an Unpaid Amount due to Counterparty for the purposes of Section 6(e) of the Agreement.

The provisions of the Security Deed constitute a Credit Support Document with respect to Counterparty. The (c) Transaction shall be disregarded for purposes of determining Exposure under any Credit Support Annex between the parties and any Collateral delivered to or received by Goldman under the Transaction Documents shall constitute neither Posted Collateral nor an Independent Amount under any such Credit Support Annex.

During the term of the Transaction hereunder, all cash and non-cash proceeds of the Collateral, including, without limitation, any dividends, interest and other distributions on the Collateral, received by Goldman or the Collateral Custodian shall be credited to the Collateral Account (or, if the Collateral has been Rehypothesized, Goldman will deliver to the Collateral Custodian, to be credited to the Collateral Account, the amount that would have been received by Goldman or the Collateral Custodian in respect of such Rehypothesized Collateral but for such Rehypotheation by Goldman). Any proceeds of the Collateral that are received by Counterparty shall be received in trust for the benefit of Goldman, shall be segregated from other property of Counterparty and shall immediately (d) be delivered over to the Collateral Custodian to be credited to the Collateral Account to be held as Collateral in the same form as received or in such other manner as Goldman may instruct (with any necessary endorsement). Counterparty may by written notice to Goldman request that Goldman instruct the Collateral Custodian to permit the withdrawal by Counterparty from the Collateral Account cash dividends comprised in the Collateral credited to the Collateral Account, provided that Goldman shall be obliged to provide its consent and instruct the Collateral Custodian accordingly only if (i) an Event of Default or Potential Event of Default in respect of Counterparty has not occurred and (ii) Goldman is satisfied that such cash dividends constitute excess financial collateral for the purposes of the U.K. Financial Collateral Arrangements (No. 2) Regulations 2003.

(e) Counterparty agrees with Goldman that, if, on any date, Shares would otherwise be deliverable by Counterparty to Goldman under the terms of this Transaction (such number, the “**Deliverable Counterparty Number of Shares**”) and by Goldman to Counterparty as a result of Goldman’s obligation to deliver a number of Shares equal to the number of Shares comprising the Rehypothesized

Collateral to the Collateral Account (to the extent the value of such Shares has not otherwise been subject to close-out netting in accordance with the U.K. Financial Collateral Arrangements (No. 2) Regulations 2003) (such number, the “**Deliverable Number of Rehypothesized Shares**”), then, on such date:

Goldman shall determine the value (such value, the “**Cash Value**”) of a number of Shares that is equal to the lower of (i) the Deliverable Counterparty Number of Shares and the Deliverable Number of Rehypothesized Shares (such lower number of Shares, the “**Terminated Number of Shares**”);

Goldman’s obligation to deliver the Deliverable Number of Rehypothesized Shares on such date shall be reduced (ii) by a number of Shares equal to the Terminated Number of Shares (but not less than 0), and Goldman shall be obliged to pay to Counterparty on such date an amount in USD equal to the Cash Value;

- (iii) the aggregate number of Shares that Counterparty is required to deliver on such date shall be reduced by a number of Shares equal to the Terminated Number of Shares (but not less than 0), and Counterparty shall be obliged to pay to Goldman on such date an amount in USD equal to the Cash Value;
- (iv) the obligations of Goldman and Counterparty to make the payments described in paragraphs (ii) and (iii) respectively shall be discharged by set-off against each other;
- (v) if the Deliverable Counterparty Number of Shares exceeds the Terminated Number of Shares, Counterparty shall deliver to Goldman such excess number of Shares on such date; and
- (vi) if the Deliverable Number of Rehypothecated Shares exceeds the Terminated Number of Shares, Goldman shall deliver to Counterparty such excess number of Shares on such date.

(f)

[Reserved].

Counterparty shall ensure at all times that a Collateral Event of Default shall not occur, and shall pledge additional Collateral in a manner acceptable to Goldman (including with respect to applicable securities laws) as necessary to cause such requirement to be met. The occurrence of a Collateral Event of Default shall constitute an Event of Default under the Agreement with respect to Counterparty. “**Collateral Event of Default**” means, at any time, the occurrence of either of the following: (A) subject to Section 6(b) above, failure of the Collateral (for the avoidance of doubt, including for such purpose any Rehypothecated Collateral) to include a number of Shares at least equal to the aggregate Number of Shares in respect of all Transactions then outstanding or (B) failure of the Security Interests granted pursuant to the Transaction Documents to constitute valid and perfected Security Interests in all of the Collateral, subject to no prior, equal or junior Security Interest, or, in each case, assertion of such by Counterparty or a determination of such by the Calculation Agent (other than any Security Interest created pursuant to the Custody Agreement).

The inability of Goldman to acquire, receive or exercise rights with respect to Collateral Shares at any time as a result of an Excess Ownership Position (as defined in Section 9(h) below) shall not preclude Goldman from taking such action at a later time when no Excess Ownership Position is then existing or would result under this Master Confirmation. Notwithstanding any provision of this Master Confirmation to the contrary, Goldman shall not become the record or beneficial owner, or otherwise have any rights as a holder, of any Collateral Shares that Goldman is not entitled to exercise any other remedies in respect of at any time until such time as Goldman is permitted to exercise such remedies in respect thereof pursuant to the limitations set forth in Section 9(h).

(i) Counterparty will promptly pay when due all taxes, assessments or charges of any nature that are imposed with respect to the Collateral, or income or distributions in respect of the Collateral, upon becoming aware of the same. This obligation shall apply equally to any taxes, assessments or charges in respect of income recognized by Counterparty in relation to a Rehypothecation of Shares. Any such taxes, assessments or charges shall not be an “Indemnifiable Tax” for purposes of Section 14 of the Agreement. Accordingly, for the avoidance of doubt, any

proceeds or other amounts paid or credited to Counterparty in respect of the Collateral (including any Rehypothecated Collateral) shall be net of any applicable withholding taxes. Counterparty agrees to promptly deliver to Goldman copies of any notices and other communications received by it in respect of the Collateral Shares. Notwithstanding anything to the contrary elsewhere in the Agreement or herein, all payments and all deliveries of Collateral, or income or distributions in respect of Collateral, pursuant to the Agreement or this Master Confirmation shall be made and the value of any Collateral, or income or distributions in respect of Collateral, shall be calculated net of any and all present or future taxes, levies, imposts, duties, charges, assessments or fees of any nature (including interest, penalties and additions thereto) that are imposed by any government or other taxing authority in respect thereof.

7. Representations, Warranties and Covenants:

In connection with this Master Confirmation, the Supplemental Confirmation, the Trade Notification and any other (a) documentation relating to the Agreement, each party to this Master Confirmation represents and acknowledges to the other party on the date hereof and on the Trade Date that:

it is an “accredited investor” as defined in Section 2(a)(15)(ii) of the Securities Act and is entering into the relevant Transaction as principal and not for the benefit of any third party; and each party acknowledges that the offer and sale of the Transaction to it is intended to be exempt from registration under the Securities Act by virtue of Section 4(a)(2) thereof. Accordingly, Goldman represents and warrants to Counterparty that (w) it has the financial ability (i) to bear the economic risk of its investment in the Transaction and is able to bear a total loss of its investment, (x) it is an “accredited investor” as that term is defined under Regulation D under the Securities Act, (y) it will purchase the Transaction for investment and not with a view to the distribution or resale thereof in a manner that would violate the Securities Act, and (z) the disposition of the Transaction is restricted under this Master Confirmation, the Securities Act and state securities laws; and

it is an “eligible contract participant” as defined in Section 1a of the Commodity Exchange Act, as amended (the “CEA”), and this Master Confirmation, the Supplemental Confirmation, the Trade Notification and the Transaction (ii) are subject to individual negotiation by the parties and have not been executed or traded on a “trading facility” as defined in Section 1a of the CEA.

(b) Counterparty represents and warrants to, and agrees with, Goldman as of the date hereof, the Trade Date and the Effective Date that:

it is not entering into this Master Confirmation or the Supplemental Confirmation or the Trade Notification on the (i) basis of, and is not aware of, any material nonpublic information concerning Underlying Shares Issuer, the Underlying Shares and/or the Shares;

it is not entering into this Master Confirmation or the Supplemental Confirmation or the Trade Notification (x) to create actual or apparent trading activity in the Underlying Shares or Shares (or any security convertible into or exchangeable or exercisable for Underlying Shares or Shares) or to raise or depress or otherwise manipulate the price of the Underlying Shares or Shares (or any security convertible into or exchangeable or exercisable for (ii) Underlying Shares or Shares), (y) in anticipation of, in connection with, or to facilitate, a distribution of Shares, Underlying Shares or any other securities of Underlying Shares Issuer (or any security convertible into or exchangeable or exercisable for Underlying Shares or Shares) or any tender offer by it or any third-party for any Shares, Underlying Shares or any other securities of Underlying Shares Issuer (or any security convertible into or exchangeable or exercisable for Underlying Shares or Shares) or (z) otherwise in violation of the Exchange Act;

(iii) it is entering into this Master Confirmation and the Supplemental Confirmation and the Trade Notification in good faith, not as part of a plan or scheme to evade the prohibitions of Rule 10b-5 under the Exchange Act, and it has

not entered into or altered any of its hedging transaction relating to the Underlying Shares or Shares corresponding to or offsetting the relevant Transaction;

(x) it is not and, after giving effect to the Transaction contemplated hereby, will not be required to, register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended, and (y) during (iv) the term of the Transaction hereunder it will not take any action that would cause it to become required to, or otherwise permit Counterparty to become required to, register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended;

it shall, upon obtaining knowledge of the occurrence of any event that would, with the giving of notice, the passage of time or the satisfaction of any condition, constitute an Event of Default, a Potential Event of Default, a Termination Event in respect of which it is an Affected Party, a Potential Adjustment Event, an Extraordinary (v) Event or an Additional Disruption Event, notify Goldman within one Scheduled Trading Day of its obtaining knowledge of such occurrence, unless providing such notice would, in the reasonable judgment of Counterparty, be deemed to constitute material non-public information with respect to Shares, the Underlying Shares or the Underlying Shares Issuer, in which case Counterparty shall not be obligated to provide such notice;

(vi)

[reserved];

none of the transactions contemplated hereby (including, without limitation, (A) any purchases or sales of Shares in connection with Goldman's (or any of its affiliates') hedging or hedge unwind activities with respect to the Transaction and (B) the settlement of the Transaction, whether by Physical Settlement, early termination or otherwise, including, for the avoidance of doubt, upon the Counterparty Early Termination) will violate or conflict with, or result in a breach of, or constitute a default under (whether as a result of its characterization as a derivative product or otherwise) (1) any corporate policy of Underlying Shares Issuer or other rules or regulations of Underlying Shares Issuer (including, but not limited to, Underlying Shares Issuer's window period policy), any stockholders' agreement, lockup agreement, registration rights agreement, confidentiality agreement, co-sale agreement or any other agreement binding on Counterparty or affecting Counterparty or any of its assets (including, without limitation, the Collateral Shares) or (2) (x) the certificate of incorporation or by-laws (or any equivalent documents) of Counterparty, (y) any agreement or instrument to which Counterparty is a party or by which Counterparty or any of its properties or assets is bound, or (z) any statute, rule or regulation applicable to, or any order of any court or governmental agency with jurisdiction over, Counterparty or Counterparty's assets or properties, assuming Goldman Sachs Lending Partners LLC has delivered all notices and taken all other steps which it is required to do under the Settlement Agreement dated on or about the date of this Master Confirmation between, among others, Goldman, Counterparty and Goldman Sachs Lending Partners LLC;

Counterparty is capable of assessing the merits of and understanding the consequences of the Transaction (on Counterparty's own behalf or through independent professional advice and has taken independent legal advice in connection with the Transaction), and understands and accepts, the terms, conditions and risks of the Transaction. Counterparty is acting for its own account, and has made its own independent decision to enter into the Transaction and as to whether the Transaction is appropriate or proper based upon Counterparty's own judgment and upon advice from such legal, tax, accounting or other advisors as Counterparty has deemed necessary. Counterparty is not relying on any communication (written or oral) from Goldman as tax, accounting (viii) or legal advice or as a recommendation to enter into the Transaction; it being understood that information and explanations related to the terms and conditions of the Transaction will not be considered to be tax, legal or accounting advice or a recommendation to enter into the Transaction. Any tax, legal or accounting advice or opinions of third party advisers which Goldman has provided to Counterparty in connection with the Transaction has been provided to Counterparty for informational or background purposes only, it is not the basis on which Counterparty enters into the Transaction and will be independently confirmed by Counterparty or Counterparty's advisors prior to entering into the Transaction. No communication (written or oral) received from Goldman will be deemed to be an assurance or guarantee as to the expected results of the Transaction;

(ix) Goldman is not acting as a fiduciary for or an adviser to Counterparty in respect of the Transaction;

(x) Counterparty is a BVI business company with limited liability incorporated in the British Virgin Islands with the name set forth on the first page of this Master Confirmation; and

no winding up order has been granted, no winding up petition has been presented to a competent court and no (xii) resolution has been passed for the appointment of a liquidator at the time of or prior to the entry into of this Master Confirmation or the settlement of the Transaction;

(xiii) Counterparty is not a U.S. Entity ("**U.S. Entity**" means an entity (x) domiciled or incorporated in the United States of America or (y) domiciled outside of the United States of America but managed, in whole or in part, from within the United States of America);

(xvi) Counterparty is not a U.S. person (as defined in Rule 902(k) of Regulation S);

(xv) Counterparty is not on the Trade Date, and during the Relevant Period (as defined below) will not become, a Regulation X Entity (for this purpose "**Regulation X Entity**" means a United States person or foreign persons controlled by or acting on behalf of or in conjunction with United States persons who obtain credit outside the United States to purchase or carry United States securities, or within the United States to purchase or carry any securities (in each case as defined in Regulation X (as supplemented or amended from time to time), issued by the Board of Governors of the Federal Reserve System, United States 12 C.F.R. Part 224);

(xvi) Counterparty is not, and will not any time during the term of the Transactions be, engaged in insider dealing, unlawful disclosure of inside information, market manipulation or any other form of market abuse contemplated by EU Regulation 596/2014 (the "**Market Abuse Regulation**") or implementing measure thereunder or any comparable legislation or regulation in any applicable jurisdiction;

(xv) Counterparty is not entering into the Transactions on the basis of inside information (as contemplated by Article 7(1) of the Market Abuse Regulation or implementing measure thereunder or as contemplated by any comparable legislation in any applicable jurisdiction) and Counterparty will not at any time during the term of the Transactions disclose any such inside information to Goldman in its capacity as counterparty to the Transactions;

(xvi) Counterparty is not, and will not any time during the term of the Transactions be, engaged in insider dealing for the purposes of the UK Criminal Justice Act 1993, any regulation thereunder or any comparable legislation in any applicable jurisdiction; and

(xvii) Counterparty does not, and will not at any time during the term of the Transactions, have any employees.

(c) Counterparty represents and warrants to Goldman as of the date hereof, and as of any date on which (i) Counterparty makes any delivery of Collateral under the Security Deed, (ii) Counterparty makes any payment to Goldman pursuant to "Cash Settlement" above or Section 9(b) or 9(c) of this Master Confirmation, or (iii) Counterparty makes a delivery of Shares in connection with Physical Settlement of any Component or pursuant to Section 9(b) of this Master Confirmation, that (A) Counterparty has the ability to pay its debts and obligations as

Counterparty has not engaged and will not engage in any business or transaction with Goldman after which the property remaining with Counterparty was or will be unreasonably small in relation to its business.

Counterparty has filed or caused to be filed all material tax returns that are required to be filed by Counterparty in a Relevant Jurisdiction, and has paid all material taxes shown to be due and payable on said returns or on any (d) assessment made against Counterparty or any of Counterparty's property and all other material taxes, assessments, fees, liabilities or other charges imposed on Counterparty or any of Counterparty's property by any governmental authority.

At all times during the Relevant Period (as defined below), Counterparty will not, and will not permit any of its controlled affiliates and/or the Principal to, other than through Goldman or with the prior written consent of (e) Goldman (acting in good faith and in a commercially reasonable manner), directly or indirectly (including, without limitation, by means of a derivative instrument):

purchase, offer to purchase, place any bid or limit order that would effect a purchase of, or announce or commence any tender offer relating to, any Underlying Shares or Shares (or equivalent interest, including a unit of beneficial interest in a trust or limited partnership or a depository share), listed contracts on the Underlying Shares or Shares or any security convertible into or exercisable or exchangeable for the Underlying Shares or Shares, whether any (i) such transaction described above is to be settled by delivery of Underlying Shares, Shares or such other securities, in cash or otherwise; *provided* that this paragraph shall not limit acquisition of Shares or options thereon pursuant to employee incentives plans of the Underlying Shares Issuer (including exercise of employee stock options or the vesting of restricted stock or stock units); or

(x) offer, pledge, sell, contract to sell, sell any call option or other right or warrant to purchase, purchase any put option, lend, or otherwise transfer or dispose of, directly or indirectly, any Underlying Shares or Shares or any securities convertible into or exercisable or exchangeable for Underlying Shares or Shares, or (y) enter into any (ii) swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Underlying Shares or Shares, whether any such transaction described in this clause (ii) is to be settled by delivery of Underlying Shares, Shares or such other securities, in cash or otherwise.

"Relevant Period" means, (i) the period from, and including, the Trade Date to, and including, the date 45 calendar days immediately following the Trade Date, (ii) the period from, and including, the date that is twenty (20) Scheduled Trading Days prior to the scheduled Valuation Date specified for the first Component to, and including, the date of final settlement with respect to the Transaction and (iii) if an Early Termination Date has occurred or been designated with respect to the Transaction or portion thereof a commercially reasonable period of time to unwind the Hedging Party's Hedge Positions with respect to the Transaction or such portion, as notified by Goldman to Counterparty.

In addition, if Counterparty has validly elected Cash Settlement or has elected the procedures set forth in Section 9(c) of this Master Confirmation, at all times during the periods set forth in clauses (ii) and (iii) of the definition of Relevant Period above, as applicable:

(x)

Counterparty will not, and will cause any affiliated purchaser (as defined in Rule 10b-18 under the Exchange Act (“**Rule 10b-18**”)) not to, without the prior written consent of Goldman (acting in good faith and in a reasonable manner) directly or indirectly purchase any Shares or Underlying Shares (including by means of a derivative instrument), listed contracts on the Shares or Underlying Shares or securities that are convertible into, or exchangeable or exercisable for Shares or Underlying Shares (including, without limitation, any Rule 10b-18 purchases of blocks (as defined in Rule 10b-18)); and

- (y) the Shares and Underlying Shares will not be subject to a “restricted period” (as defined in Regulation M promulgated under the Exchange Act).

Without limitation of the foregoing, Counterparty has not and will not enter into agreements for any structured share purchase or sale transactions or where any initial hedge period, calculation period, relevant period, expiration period or settlement valuation period (each however defined) in such other transaction will overlap at any time (including as a result of extensions in such initial hedge period, calculation period, relevant period, expiration period or settlement valuation period as provided in the relevant agreements) with the Relevant Period or any portion thereof. In the event that the initial hedge period, relevant period, calculation period, expiration period or settlement valuation period in any other similar transaction overlaps with the Relevant Period or any portion thereof as a result of any postponement of a Valuation Date pursuant to “Valuation Date” above, as the case may be, Counterparty shall promptly amend such transaction to avoid any such overlap.

8. Additional Representations, Warranties and Covenants with Respect to the Shares. As of the Trade Date and the Effective Date:

Counterparty represents that (x) its holding period (calculated in accordance with Rule 144) with respect to the Underlying Shares represented by the Collateral Shares pledged in respect of the Transaction commenced more (a) than 12 months prior to the Trade Date and (y) the number of Shares available for distribution under a registration statement on Form F-6 in connection with the Transaction is at least equal to the Number of Shares for the Transaction;

- (x) except as notified by Counterparty to Goldman on or prior to the Trade Date, Counterparty represents that none of Counterparty, any person who would be considered to be the same “person” (as such term is used in Rule 144(a)(2)) as Counterparty or “act[ing] in concert” with Counterparty (as such term is used in Rule 144(e)(3)(vi)) or any person with whom sales by Counterparty would be aggregated under Rule 144(e) has sold any Shares or Underlying Shares (or securities convertible into or exchangeable or exercisable for Shares or Underlying Shares, or, in each case, security entitlements in respect thereof) or (b) hedged (through swaps, options, short sales or otherwise) any long position in the Shares or Underlying Shares (or securities convertible into or exchangeable or exercisable for Shares or Underlying Shares, or, in each case, security entitlements in respect thereof) during the preceding three (3) months prior to the Trade Date or pledged, or defaulted in an obligation secured by a pledge of, any Shares or Underlying Shares (or, in either case, security entitlements in respect thereof) at any time prior to the Trade Date and (y) Counterparty agrees that none of Counterparty or any such person will engage in such actions on or prior to the Settlement Date;

- (c) Counterparty represents that it does not know or have any reason to believe that Underlying Shares Issuer has not complied with the reporting requirements contained in Rule 144(c)(1);

Counterparty acknowledges and agrees that (x) the entering into of the Transaction will constitute a “sale” of the Number of Shares thereunder for purposes of Rule 144 and (y) Counterparty has transmitted or will transmit a (d) Form 144 for filing with the SEC contemporaneously with or prior to the Trade Date, all in the manner contemplated by Rule 144(h), and agrees to provide a draft of such Form 144 to Goldman, which shall be reasonably acceptable to Goldman, prior to filing;

Counterparty represents that (x) it has not solicited or arranged for the solicitation of, and will not solicit or arrange for the solicitation of, orders to buy any Shares or Underlying Shares in anticipation of or in connection with any short sales of Shares or Underlying Shares which Goldman or its agent or affiliate effects or has effected in (e) establishing Goldman’s initial Hedge Positions with respect to the Transaction and (y) it has not made, will not make, and has not arranged for, any payment to any person in connection with the short sales of Shares or Underlying Shares which Goldman or its agent or affiliate effects or has effected in establishing Goldman’s initial Hedge Positions with respect to the Transaction;

(f)

[reserved];

Counterparty (x) has not sold any Shares or Underlying Shares pursuant to an effective registration statement at any time during the thirty (30) Exchange Business Days prior to or following any day during the Initial Hedge (g) Period and (y) has not exercised any rights under any registration rights agreement to cause a registration statement to be filed with respect to any Shares or Underlying Shares at any time during the thirty (30) Exchange Business Days prior to or following any day during the Initial Hedge Period.

9. Miscellaneous: (a) [Reserved].

Counterparty Early Termination Notice. Notwithstanding anything to the contrary in this Master Confirmation, the Equity Definitions or the Agreement, Counterparty may deliver notice (the “**Counterparty Early Termination Notice**”) to Goldman that satisfies the requirements set forth in this Section 9(b) that the Transaction (in whole and not in part) will be terminated pursuant to this Section 9(b) (such termination, the “**Counterparty Early Termination**”). Such notice shall contain or be accompanied by a writing including the Counterparty Representations and all of the representations and warranties of Counterparty set forth in Section 7(b)(vii) and Section 7(c) of this Master Confirmation repeated as of such date of delivery (by reference to the circumstances then existing) (collectively, the “**Counterparty Early Termination Representations**”) and specify whether it elects that the procedures set forth in Section 9(c) below apply in respect of the Counterparty Early Termination. Counterparty may not deliver a Counterparty Early Termination Notice on or after the date 15 Scheduled Trading Days immediately preceding the Scheduled Valuation Date for the first Component. Goldman’s receipt of a Counterparty Early Termination Notice that satisfies the foregoing requirements shall constitute an Additional Termination Event with respect to the Transaction in respect of which (1) Counterparty will be the sole Affected Party with respect to such Additional Termination Event, (2) Goldman will be the party entitled to designate an Early Termination Date pursuant to Section 6(b) of the Agreement (which Early Termination Date will occur on or as promptly as reasonably practicable following the 5th Exchange Business Day immediately following receipt of such Counterparty Early Termination Notice, it being understood that Goldman may take into account any legal, regulatory or self-regulatory requirements or related policies and procedures generally applicable in similar situations and applied in a non-discriminatory manner (whether or not such requirements, policies or procedures are imposed by law or have been voluntarily adopted by Goldman) and then-current liquidity conditions with respect to the Shares) and (3) the Transaction shall be the Affected Transaction.

If an Early Termination Date is designated pursuant to this Section 9(b) and Counterparty would owe any amount to Goldman pursuant to Section 6(d)(ii) of the Agreement (such amount, a “**Payment Obligation**”), then, subject to the provisions set forth in Section 9(c) below, Counterparty shall satisfy the Payment Obligation by delivering to Goldman, in accordance with the applicable provisions for delivery of Shares set forth herein and on the date when the relevant Payment Obligation would otherwise be due, a number of Shares (the “**Early Termination Shares**”) equal to the Payment Obligation *divided by* the Early Termination Price (as defined below), as notified by the Calculation Agent to Counterparty at the time of notification of the Payment Obligation, and an amount of cash in USD equal to the value of any fractional Share, as determined by the Calculation Agent.

“**Early Termination Price**” means the 10b-18 VWAP Price for any applicable Scheduled Trading Day, or average thereof, during the applicable period over which the Payment Obligation is determined (as determined by Goldman in its commercially reasonable discretion) and notified by the Calculation Agent to Counterparty at the time of notification of the Payment Obligation; *provided that*, for the avoidance of doubt, if the provisions under Section 9(c) below apply, the Early Termination Share Price will take into account the relevant Share price input as determined under such Section 9(c) below.

For the avoidance of doubt, in connection with any termination of the Transactions pursuant to this Section 9(b), the provisions set forth in Section 9(e) and Section 9(f) shall apply.

(c) Counterparty Early Termination Cash Settlement. If Counterparty elected in the Counterparty Termination Notice that the provisions set forth in this Section shall apply:

Goldman shall as reasonably as practicable, but in no event later than the third Exchange Business Day immediately following Goldman's designation of the Early Termination Date pursuant to Section 9(b) above, deliver to Counterparty its estimate of the Early Termination Shares. On the second Currency Business Day immediately following Goldman's delivery of its estimate of the Early Termination Shares with respect to such Counterparty (i) Early Termination, Counterparty shall (x) repeat the Counterparty Early Termination Representations to Goldman in writing and (y) pay Goldman an amount in USD equal to the product of (A) such estimate of the Early Termination Shares *multiplied by* (B) the 10b-18 VWAP Price for the date one Scheduled Trading Day immediately preceding Goldman's delivery of such estimate (or if such date is not an Exchange Business Day, the immediately preceding Exchange Business Day) (such amount, the **"Early Termination Prepayment Amount"**); and

On or as promptly as commercially reasonably practicable after the date on which such payment specified in Section 9(c)(i) above is made, Goldman will provide in writing to Counterparty the Early Termination Adjustment Amount (together with a written explanation of the basis therefor in reasonable detail and in accordance with the standards and limitations set forth in Section 4 of this Master Confirmation). On such date, (x) if the Early Termination Adjustment Amount (as defined below) is positive, as determined by the Calculation Agent, Goldman will pay to Counterparty an amount in USD equal to the Early Termination Adjustment Amount, and (y) if the Early Termination Adjustment Amount is negative, as determined by the Calculation Agent, Counterparty will pay to Goldman an amount in USD equal to the absolute value of the Early Termination Adjustment Amount.

“Early Termination Adjustment Amount” means an amount in USD equal to (i) the Early Termination Prepayment Amount *minus* (ii) the Payment Obligation.

(d) Acknowledgments.

(i) The parties hereto intend for:

(A) the Transaction to be a “securities contract” and a “swap agreement” as defined in the Bankruptcy Code (Title 11 of the United States Code) (the **“Bankruptcy Code”**), and the parties hereto are entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 555 and 560 of the Bankruptcy Code;

(F) Goldman to be a “swap participant” and “financial participant” within the meaning of Sections 101(53C) and 101(22A) of the Bankruptcy Code.

(ii) Counterparty acknowledges that:

(A) during the term of the Transaction, Goldman and its affiliates may buy or sell Shares, Underlying Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to establish, adjust or unwind its hedge position with respect to the Transaction;

(B) Goldman and its affiliates may also be active in the market for the Shares and/or Underlying Shares other than in connection with hedging activities in relation to the Transaction;

(C) Goldman shall make its own determination as to whether, when or in what manner any hedging or market activities in the Shares and such other securities shall be conducted and shall do so in a manner that it deems appropriate to hedge its price and market risk with respect to the Settlement Price;

(D) any market activities of Goldman and its affiliates with respect to the Shares and/or Underlying Shares may affect the market price and volatility of the Shares and/or Underlying Shares, as well as the Settlement Price, each in a manner that may be adverse to Counterparty; and

(E) the Transaction is a derivatives transaction with embedded optionality; Goldman may purchase and/or sell Shares and/or Underlying Shares for its own account at an average price that may be greater than, or less than, the Settlement Price.

(iii) Counterparty agrees to satisfy the undertakings applicable to it as provided for in the Issuer Acknowledgment.

(e) Rule 10b5-1. Counterparty represents, warrants and covenants to Goldman that:

Counterparty is entering into this Master Confirmation, the Supplemental Confirmation, the Trade Notification and the Transaction in good faith and not as part of a plan or scheme to evade the prohibitions of Rule 10b5-1 under the Exchange Act (“**Rule 10b5-1**”) or any other antifraud or anti-manipulation provisions of the federal or applicable state securities laws and that it has not entered into or altered and will not enter into or alter any corresponding or (i) hedging transaction or position with respect to the Shares or Underlying Shares. Counterparty acknowledges that it is the intent of the parties that the Transaction entered into under this Master Confirmation, the Supplemental Confirmation and the Trade Notification comply with the requirements of paragraphs (c)(1)(i)(A) and (B) of Rule 10b5-1 and the Transaction entered into under this Master Confirmation, the Supplemental Confirmation and the Trade Notification shall be interpreted to comply with the requirements of Rule 10b5-1(c).

Taxes:

(a) For purposes of Section 3(e) of the Agreement, each of Goldman and Counterparty makes the following representation:

It is not required by any applicable law, as modified by the practice of any relevant governmental revenue authority, of any Relevant Jurisdiction to make any deduction or withholding for or on account of any Tax from any payment (other than interest payable under this Agreement, or in respect of the Collateral as set out in Section 6(i) of this Master Confirmation) to be made by it to the other party under this Agreement. In making this representation, it may rely on the accuracy and effectiveness of any document provided by the other party pursuant to Section 10(c) of this Master Confirmation.

For the purpose of Sections 4(a)(i) and (ii) of the Agreement, Goldman agrees to deliver to Counterparty one duly executed and completed United States Internal Revenue Service Form W-8BEN-E or W-8IMY (or successor thereto) upon execution of this Master Confirmation and shall provide a new form promptly upon (A) reasonable request of Counterparty or (B) learning that any form previously provided has become obsolete or incorrect. (B) In making any adjustment following any Potential Adjustment Event, the Calculation Agent may, but is not required to, have reference to (among other factors) any adjustment made by the Depositary under the Deposit Agreement, any fees and/or expenses of the Depositary and any withholding or deduction of taxes. If the Calculation Agent determines that no adjustment that it could make will produce a commercially reasonable result, it shall notify the parties that the relevant consequence shall be the termination of the relevant Transaction, in which case “Cancellation and Payment (Calculation Agent Determination)” will be deemed to apply and any payment to be made by one party to the other shall be calculated in accordance with Section 12.7 of the Equity Definitions.

(C) If a Potential Adjustment Event occurs under Section 11.2(e)(ix) of the Equity Definitions (as amended by this Master Confirmation), then the following further amendments shall be deemed to be made to Section 11.2(c) of the Equity Definitions in respect of such Potential Adjustment Event:

Cancellation and Payment will apply as provided in this Master Confirmation; *provided* that the Calculation Agent may determine, in its reasonable discretion, that a replacement of the Shares with Replacement DSs or the Underlying Shares should take place and that one or more terms of the relevant Transaction should be amended to (i) preserve the fair value of the Transaction to the parties and if the Calculation Agent so determines, then then Cancellation and Payment shall not apply in respect of such termination of the Deposit Agreement, as applicable, and references to Shares herein shall be replaced by references to such Replacement DSs or the Underlying Shares, as applicable, with such amendments as shall be determined by the Calculation Agent; and

where Cancellation and Payment applies under (H)(i) above in respect of a termination of the Deposit Agreement, the Equity Definitions shall be interpreted as follows: (i) such termination shall be deemed to be an “Extraordinary Event”; (ii) Cancellation and Payment shall apply as defined in Section 12.6(c)(ii) of the Equity Definitions; and (ii)(iii) the definition of “Announcement Date” in Section 12.1(l) of the Equity Definitions shall include the following additional clause (vii) at the end of the first sentence thereof: “(vii) in the case of a termination of the Deposit Agreement, the date of the first public announcement by the Depositary that the Deposit Agreement is (or will be) terminated”.

(i) the words “any transaction(s) or asset(s) it deems necessary to hedge the equity price risk (or any other relevant price risk including, but not limited to, the currency risk) of entering into and performing its obligations with respect to the relevant Transaction” shall be deleted and replaced with the words “any Share(s), any transaction(s) referencing any Share(s), or any transaction(s) or asset(s) that, in each case, it deems necessary to hedge the equity price risk and/or foreign exchange risk (or any other relevant price risk including, but not limited to, the currency risk) of entering into and performing its obligations with respect to the relevant Transaction”; and

(ii) the words “any such transaction(s), asset(s)” shall be deleted and replaced with the words “any such Share(s), Hedge Position(s) or transaction(s) or asset(s).”

At any time prior to the delivery of a Voting Rights Notice, the Chargor shall be entitled to exercise or direct the (a) exercise of the voting rights attached to any Collateral Securities or other securities credited to the Collateral Account provided that:

- (i) it does so for a purpose not inconsistent with any Transaction Document; and

- (ii) the exercise of those rights would not reasonably be expected to have an adverse effect on the value of the Collateral Securities or other securities credited to the Collateral Account or the ability of the Chargee to realise any Security created by this Deed and would not reasonably be expected to otherwise prejudice the interests of the Chargee under any Transaction Document or its control of any Charged Property.

At any time prior to the delivery of a Voting Rights Notice, the Chargor shall be entitled to exercise or direct the (b) exercise of rights other than the voting rights attached to any Collateral Securities or other securities credited to the Collateral Account only with the consent of the Chargee.

8.3 Voting and other rights following a default

Following the occurrence of an Enforcement Event, the Chargee may give notice to the Custodian (a “**Voting Rights Notice**”) (with a copy to the Chargor, failure to give which shall not invalidate the Voting Rights Notice) that the Chargor’s right under Clause 8.2 (*Voting and other rights prior to default*) shall cease.

8.4 Dividends

8.5

Payment of calls

The Chargor shall not:

- (a) create or permit to exist any Transfer Restriction upon or with respect to the Collateral Securities other than any Permitted Transfer Restriction; or

if the registration referred to in paragraph (c) above is not being effected by or on behalf of the Chargee, promptly on receipt, and in any event within 21 days of the date of this Deed, deliver or procure to be delivered to the (d) Chargee the certificate of registration of charge issued by the Registrar of Corporate Affairs evidencing that the requirements of Part VIII of the BVI Act as to registration have been complied with and the filed stamped copy of the application containing the relevant particulars of the Security created pursuant to this Deed.

9.5

Dealing with Charged Property prior to default

Prior to the occurrence of an Enforcement Event:

the Chargor shall not deal with any Charged Property or exercise any rights with respect to any Charged Property (a) or withdraw or make payments or transfers of any cash or securities or other property out of the Collateral Account, save as permitted by and in accordance with the terms of the Transaction Documents;

the Chargee may direct payments or transfers of cash or securities to be made out of the Collateral Account to the (b) Chargor or as the Chargor shall direct subject to and in accordance with the terms of this Security Deed and the other Transaction Documents without the prior written approval of the Chargor; and

subject to Clause 8.2 (Voting and other rights prior to default) the Chargor may only exercise any other rights it has (c) in respect of the Collateral Account, the Custody Document, the Collateral Securities, the Cash Collateral and any other Charged Property with the prior written consent of the Chargee.

9.6 Dealing with Charged Property following a default

On and following the occurrence of an Enforcement Event:

the Chargor shall not deal with any Charged Property or exercise any rights with respect to any Charged Property (a) or withdraw or make payments or transfers of any cash or securities or other property out of the Collateral Account, except with the prior written consent of the Chargee;

(b) the Chargee shall be entitled, without notice to the Chargor, to:

(i) withdraw, apply, transfer or set off any or all credit balances from time to time standing to the credit of the Collateral Account; and

(ii) transfer or otherwise realise any or all of the Cash Collateral, Collateral Securities or other securities held from time to time in the Collateral Account in accordance with the terms of this Deed or as otherwise permitted by law,

in each case, in or towards payment or satisfaction of all or part of the Secured Obligations in accordance with Clause 15 (*Application of proceeds*).

10. Chargee'S POWER TO REMEDY

10.1 Power to Remedy

If the Chargor fails to comply with any obligation set out in Clause 7 (*Custody Agreement*), Clause 8 (*Collateral Securities*) or Clause 9 (*General Undertakings*) and that failure is not remedied to the satisfaction of the Chargee within five days of the Chargee giving notice to the Chargor or the Chargor becoming aware of the failure to comply, it will allow (and irrevocably authorises) the Chargee or any person which the Chargee nominates to take any action on behalf of the Chargor which is necessary to ensure that those obligations are complied with.

10.2

Indemnity

The Chargor will indemnify the Chargee against all losses incurred by the Chargee as a result of a breach by the Chargor of its obligations under Clause 7 (*Custody Agreement*), Clause 8 (*Collateral Securities*) or Clause 9 (*General Undertakings*) and in connection with the exercise by the Chargee of its rights contained in Clause 10.1 above. All sums the subject of this indemnity will be payable by the Chargor to the Chargee on demand and if not so paid will bear interest at the Default Rate. Any unpaid interest will be compounded monthly.

11.

CONTINUING SECURITY

11.1

Continuing Security

The Security constituted by this Deed shall be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Obligations or any other act, matter or thing.

11.2

Other Security

The Security constituted by this Deed is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other Security or other right which the Chargee may now or after the date of this Deed hold for any of the Secured Obligations, and this Security may be enforced against the Chargor without first having recourse to any other rights of the Chargee.

11.3

Immediate recourse

The Chargor waives any right it may have of first requiring the Chargee to proceed against or claim payment from any other person or enforce any guarantee or other Security or right of set-off before enforcing this Deed.

12.

ENFORCEMENT OF SECURITY

12.1

Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due on the date of this Deed. The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 and all other powers conferred on a mortgagee by law shall be deemed to arise immediately after execution of this Deed.

12.2

Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Deed, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Deed, those contained in this Deed shall prevail.

12.3

Exercise of Powers

(a) All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Deed, and all or any of the rights and powers conferred by this Deed on the Chargee or a Receiver (whether expressly or impliedly), may be exercised by the Chargee or Receiver without further notice to the Chargor or prior

authorisation from any court at any time after an Enforcement Event has occurred, irrespective of whether the Chargee has taken possession or appointed a Receiver of the Charged Property and may be exercised in such manner as the Chargee or Receiver (as applicable) may, in its absolute discretion, see fit.

The Chargee shall not be liable to the Chargor for any loss arising from the manner in which the Chargee enforces (b) or refrains from enforcing and/or realising the Transaction Security or the timing of any such enforcement and/or realisation.

12.4

Disapplication of Statutory Restrictions

Any restriction on the right of a mortgagee to consolidate mortgages or on the power of sale (including any imposed by sections 93 and 103 respectively of the Law of Property Act 1925) shall not apply to the Security constituted by this Deed.

13. Financial Collateral REgulations

13.1 **Right of use**

(a) The Chargee will, at any time, have the right:

to use and dispose of any Charged Property which constitutes Financial Collateral in such manner as it sees fit, in (i) which case the Chargee shall comply with any requirements of the Financial Collateral Regulations in relation to obtaining “equivalent financial collateral” (as defined in the Financial Collateral Regulations); and

only after the occurrence of an Enforcement Event, to set-off the value of any equivalent financial collateral (ii) against, or apply it in discharge of, any Secured Obligations in accordance with the Financial Collateral Regulations.

The Chargor authorises the Chargee to transfer any Charged Property which constitutes Financial Collateral in accordance with the Financial Collateral Regulations, and any such Charged Property shall pass from the Chargor (b) to the Chargee by way of outright title transfer, free and clear of any liens, claims, charges or encumbrances or any other interest of the Chargor or any third party. The Chargee shall, accordingly, have the right to deal with, lend, dispose of, pledge, charge or otherwise use any Charged Property which constitutes Financial Collateral.

(c) The parties agree that the rights given to the Chargee under this Clause 13.1 are intended to be a “right of use” to which regulation 16 of the Financial Collateral Regulations shall apply.

13.2 Appropriation under the Financial Collateral Regulations

To the extent that any of the Charged Property constitutes Financial Collateral and this Deed constitutes a “security financial collateral arrangement” (as defined in, and for the purposes of, the Financial Collateral Regulations), the Chargee shall have the right to appropriate, on one or more occasions and from time to time, all or any part of such Financial Collateral in or towards discharge of all or part of the Secured Obligations and may exercise that right to appropriate by giving notice to the Chargor at any time after an Enforcement Event has occurred.

13.3 Valuation

If the Chargee is required to value any Financial Collateral for the purpose of Clause 13.1 (*Right of use*) or Clause 13.2 (*Appropriation under the Financial Collateral Regulations*) above, the value shall be:

(a) in the case of cash, its face value at the time of appropriation or set-off; and

(b) in the case of financial instruments or other Financial Collateral, the amount as determined by the Chargee (whether before or after appropriation or set-off) as the Chargee's estimate (acting in a commercially reasonable manner) of the net proceeds that would be realised on a sale of such financial instruments or other Financial Collateral and (in respect of Financial Collateral that comprises publicly traded securities) taking into account such considerations as the Chargee, acting reasonably, deems appropriate at the time, which may include, without limitation, the following factors:

(i) the current market price of that Financial Collateral as quoted on any public index, exchange or regulated market on which those securities are listed or admitted to trading;

(ii) the market liquidity of those securities;

- (iii) the availability of alternative markets for, and price achievable or realisable from the sale in any such alternative market of, that Financial Collateral, in each case that the Chargee is aware of;
- (iv) any adjustment to the price of that Financial Collateral that may be required if that Financial Collateral were to be sold in a block trade, accelerated book build or otherwise off-exchange; and
- (v) the number of relevant securities and the proportion that they bear to the total aggregate amount of such securities then in issuance,

as converted, where necessary, into the currency in which the Secured Obligations are denominated at a market rate of exchange prevailing at the time of appropriation or set-off selected by the Chargee. The Parties agree that the methods of valuation set out in this Clause 13.3 are commercially reasonable for the purpose of the Financial Collateral Regulations.

14.

RECEIVERS

14.1

Appointment of Receiver

Subject to paragraph (d) below, at any time after the occurrence of an Enforcement Event, or if so requested by the (a)Chargor, the Chargee may by writing under hand signed by any officer or manager of the Chargee, appoint any person (or persons) to be a Receiver of all or any part of the Charged Property.

(b) Section 109(1) of the Law of Property Act 1925 shall not apply to this Deed.

(c)Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to any floating charge created by this Deed.

(d) The Chargee shall be entitled to appoint a Receiver save to the extent prohibited by section 72A Insolvency Act 1986.

Any Receiver may be appointed as Receiver of all of the Charged Property or as Receiver of a part of the Charged Property specified in the appointment. In the case of an appointment of a part of the Charged Property, the rights (e)conferred on a Receiver as set out in Clause 14.2 (*Powers of Receiver*) shall have effect as though every reference in Clause 14.2 (*Powers of Receiver*) to any Charged Property were a reference to the part of the Charged Property so specified in the appointment.

Each Receiver appointed under this Deed shall have (subject to any limitations or restrictions which the Chargee may incorporate in the deed or instrument appointing it) all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Deed), so that the powers set out in schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the Chargor, each Receiver shall have the following rights, powers and discretions:

- (a) all the rights, powers and discretions conferred by the Law of Property Act 1925 on mortgagors and mortgagees in possession and on any receiver appointed under the Law of Property Act 1925 (in each case to the extent that those rights, powers and discretions do not limit any other right, power or discretion granted to any Receiver appointed under this Deed);

- (b) all the rights powers and discretions of an administrative receiver set out in Schedule 1 to the Insolvency Act 1986, whether or not the Receiver is an administrative receiver;
- (c) to take immediate possession of, get in and collect any Charged Property and to require payment to the Receiver of any claims or credit balances on any accounts;
- (d) to exercise in relation to any Charged Property all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Charged Property;
- (e) to redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (f) to settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor or relating to any of the Charged Property; and
- (g) to do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this Clause 14.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the Chargor for all such purposes,

and in each case may use the name of the Chargor and exercise the relevant power in any manner which he may think fit.

14.3

Receiver as Agent

Each Receiver shall be the agent of the Chargor, which shall be solely responsible for his acts, omissions, defaults (a) and losses, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him.

- (b) The Chargee will not be responsible for any misconduct, negligence or default of a Receiver.
- (c) The Chargee shall not incur any liability (either to the Chargor or to any other person) by reason of the appointment of a Receiver or for any acts or omissions of the Receiver.

14.4

Removal of Receiver

The Chargee may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

14.5

Remuneration of Receiver

The Chargee may from time to time fix the remuneration of any Receiver appointed by it.

15. APPLICATION OF PROCEEDS

15.1 Order of Application

All moneys received or recovered by the Chargee or any Receiver pursuant to this Deed shall (subject to the claims of any person having prior rights thereto) be applied in the following order, notwithstanding any purported appropriation by the Chargor:

in discharging all costs and expenses incurred by the Chargee, any Receiver or any Delegate in connection with
(a) any realisation or enforcement of this Security or any action taken at the request of the Chargee under Clause 4
(*Further assurance*);

(b) in or towards the discharge of the Secured Obligations;

(c) if the Chargor is under any further actual or contingent liability in respect of the Secured Obligations, in payment to a suspense account;

15.3 Application against Secured Obligations

Subject to Clause 15.1 (*Order of Application*) above, any moneys or other value received or realised by the Chargee from a Chargor or a Receiver under this Deed may be applied by the Chargee to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the Chargee may determine.

15.4

Suspense Account

Until the Secured Obligations are paid in full, the Chargee or the Receiver (as appropriate) may place and keep (for such time as it shall determine) any money received, recovered or realized pursuant to this Deed or on account of the Chargor's liability in respect of the Secured Obligations in an interest bearing separate suspense account (to the credit of either the Chargor or the Chargee or the Receiver as the Chargee or the Receiver shall think fit) and the Chargee or the Receiver may retain the same for the period which it considers expedient without having any obligation to apply all or any part of that money in or towards discharge of the Secured Obligations.

16.

PROTECTION OF CHARGEES AND RECEIVERS

16.1

No Liability

Neither the Chargee nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence, wilful default under the Transaction Documents.

16.2

Possession of Charged Property

Without prejudice to Clause 16.1 (*No Liability*) above, if the Chargee or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

16.3

Primary liability of Chargor

The Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations. The liability of the Chargor under this Deed and the charges contained in this Deed shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Chargee or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the Chargor (as a surety only) or the charges contained in this Deed (as secondary or collateral charges only) would, but for this provision, have been discharged.

16.4

Waiver of defences

The obligations of the Chargor under this Deed will not be affected by an act, omission, matter or thing which, but for this Deed, would reduce, release or prejudice any of its obligations under this this Deed (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent or any other indulgence or concession granted to, or composition with, the Chargor or any other person;
- (b) the release of the Chargor or any other person under the terms of any composition or arrangement with any creditor of the Chargor;

- (d) the existence of any claim, set-off or other right which the Chargor may have at any time against the Chargee or any other person;

(e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Chargor or any other person;

(h) any change in the identity of the Chargee; or

(i) any insolvency or similar proceedings.

16.5

- (a) refrain from applying appropriating or enforcing any monies, security or rights held or received by the Chargee (or any trustee or agent on its behalf) in respect of the Secured Obligations, or apply appropriate and enforce the same in such manner and order as it considers fit (against the Secured Obligations or otherwise) and the Chargor shall not be entitled to benefit from the same; and
- (b) hold in a suspense account (whether or not interest-bearing) any monies received from the Chargor or on account of the Chargor's liability under this Deed or any other Transaction Document.

16.6

Delegation

The Chargee or Receiver may delegate by power of attorney or in any other manner all or any of the powers, authorities and discretions which are for the time being exercisable by it under this Deed to any person or persons upon such terms and conditions (including the power to sub-delegate) as it may think fit. The Chargee or Receiver will not be liable or responsible to the Chargor or any other person for any losses arising from any act, default, omission, neglect or misconduct on the part of any delegate.

16.7

Cumulative Powers

The powers which this Deed confers on the Chargee and any Receiver appointed under this Deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Chargee or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Chargee and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

17.

POWER OF ATTORNEY

- (a) The Chargor, by way of security, irrevocably and severally appoints the Chargee, each Receiver and any person nominated for the purpose by the Chargee or any Receiver (in writing and signed by an officer of the Chargee or Receiver) as its attorney (with full power of substitution and delegation) in its name (or otherwise) and on its behalf

and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it ought to execute and do under the terms of this Deed, or which may be required or deemed proper in the exercise of any rights or powers conferred on the Chargee or any Receiver under this Deed or otherwise for any of the purposes of this Deed, and the Chargor covenants with the Chargee and each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

(b) The power of attorney conferred on the Chargee and each Receiver pursuant to paragraph (a) shall:

only be exercisable after the occurrence of an Enforcement Event, unless the Chargor has failed to comply with any (i) of its obligations referred to in Clause 10.1 (*Power to Remedy*), in which case the power of attorney shall be immediately exercisable by the Chargee in a manner to ensure that those obligations are complied with; and

(ii) continue notwithstanding the exercise of any right of appropriation.

(c) The Chargor ratifies and confirms and agrees to ratify and confirm whatever any attorney shall do in the exercise or purported exercise of the power of attorney granted by it in this Clause.

18. PROTECTION FOR THIRD PARTIES

18.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Chargee or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

(a) the right of the Chargee or any Receiver to exercise any of the powers conferred by this Deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or

19. COSTS AND EXPENSES

19.1 Initial Expenses

The Chargor shall on demand pay to each of the Chargee and any Receiver the amount of all costs and expenses (including legal fees) reasonably incurred by any of them in connection with:

19.4

Default Interest

If not paid when due, the amounts payable under this Clause 19 shall carry interest compounded with monthly rests at the Default Rate (after as well as before judgment), from the date of demand and shall form part of the Secured Obligations.

20.

REINSTATEMENT AND RELEASE

20.1

Amounts Avoided

If any amount paid by the Chargor in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the Chargor or otherwise, then for the purposes of this Deed that amount or liability and any Security for it shall not be considered to have been paid, discharged or released.

20.2

Discharge Conditional

Any settlement or discharge between the Chargor and the Chargee shall be conditional upon no security or payment to the Chargee by the Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of the Chargee under this Deed) the Chargee shall be entitled to recover from the Chargor the value which the Chargee has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

the request and cost of the Chargor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release the Charged Property from the Security constituted by this Deed. On the release of any of the Charged Property the Chargee shall not be bound to return the identical securities which were deposited, lodged, held or transferred and the Chargor will accept securities of the same class and denomination or such other securities as shall then represent the Charged Property being released.

21.

CURRENCY CLAUSES

Conversion

All moneys received or held by the Chargee or any Receiver under this Deed may be converted into any other currency which the Chargee considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Chargee's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

21.2

No Discharge

To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Chargee shall have a further separate cause of action against the Chargor and shall be entitled to enforce the Security constituted by this Deed to recover the amount of the shortfall.

22.

SET-OFF

22.1

Set-off rights

The Chargee may set off any matured obligation due from the Chargor under the Transaction Documents (to the extent beneficially owned by the Chargee) against any matured obligation owed by the Chargee to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Chargee may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

22.2

Unliquidated Claims

If, at any time after notice demanding payment of any sum which is then due but unpaid in respect of the Secured Obligations has been given by the Chargee to the Chargor, the relevant obligation or liability is unliquidated or unascertained, the Chargee may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

22.3

No Set-off

The Chargor will pay all amounts payable under this Deed without any set-off, counterclaim or deduction whatsoever unless required by law, in which event the Chargor will pay an additional amount to ensure that the payment recipient receives the amount which would have been payable had no deduction been required to have been made.

23.

RULING OFF

If the Chargee receives notice of any subsequent Security or other interest affecting any of the Charged Property it may open a new account for the Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the Chargor), as from the time it receives that notice, all payments made by the Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction or discharge of the Secured Obligations.

24.

REDEMPTION OF PRIOR CHARGES

The Chargee may, at any time after an Enforcement Event has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor. The Chargor will on demand pay to the Chargee all principal moneys and interest and all losses, costs and expenses incidental to any such redemption or transfer, together with interest accruing on those amounts at the Default Rate for the period from (and including) the date those amounts are incurred to (and excluding) the date on which they are reimbursed.
