Item 1.01. Entry into a Material Definitive Agreement.

Second Supplemental Indenture

Effective July 15, 2005, Metromedia International Group, Inc. (the "Company") entered into the Second Supplemental Indenture (the "Supplemental Indenture") with U.S. Bank National Association (f/k/a U.S. Bank Trust National Association), a national banking association, as trustee (the "Trustee"), which amended and supplemented the Indenture, dated as of September 30, 1999 (as amended by the First Supplemental Indenture, dated as of June 14, 2005), between the Company and the Trustee, governing the Company's 10 1/2% Senior Notes Due 2007 (the "Senior Notes"). The net effect of the Supplemental Indenture is as follows:

- o The Company has until August 15, 2005, subject to a Company option to extend the waiver through September 15, 2005, to file with the United States Securities and Exchange Commission ("SEC") and to furnish the indenture trustee and the holders of the Senior Notes with, its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 ("Current Annual Report"), and deliver to the indenture trustee an officers' certificate and written statement of the Company's independent public accountants required to accompany the Current Annual Report (the "CPA Statement"). In the event the Company exercises its option to extend the waiver until September 15, 2005, the Company is required to pay to the holders of record of the Senior Notes, as of July 15, 2005, an aggregate amount equal to \$380,063.42, to be allocated in an amount equal to \$2.50 per \$1,000 aggregate principal amount of the Senior Notes at stated maturity held by such holder.
- o In partial consideration of the foregoing, the Company has committed to exercise its option to redeem all of the outstanding Senior Notes utilizing a portion of the proceeds from the pending sale of its interest in Peterstar ZAO. In the event the Company fails to consummate the sale of its interest in PeterStar ZAO, deliver to the Trustee an amount sufficient for the Company to redeem all of the Senior Notes and deliver a notice of redemption for all of the outstanding Senior Notes, in each case no later than August 15, 2005, then the Company is required to pay to the holders of record of the Senior Notes, as of July 15, 2005, an aggregate amount equal to \$380,063.42, to be allocated in an amount equal to \$2.50 per \$1,000 aggregate principal amount of the Senior Notes at stated maturity held by such holder.

As previously announced by the Company, the Company was not able to file the Current Annual Report with the SEC, deliver the Current Annual Report to the Trustee and the holders of the Senior Notes and deliver an officers' certificate and the CPA Statement to the Trustee by July 15, 2005 in order to avoid an event of default on the Senior Notes. As a result of the execution of the Supplemental Indenture there no longer exists any event of default on the Senior Notes in respect of the Company's failure to take the actions described in the preceding sentence. The Company's failure to comply with the terms of the Supplemental Indenture and file the Current Annual Report with the SEC, deliver the Current Annual Report to the Trustee and the holders of the Senior Notes and deliver an officers' certificate and the CPA Statement to the Trustee by August 15, 2005 (or September 15, 2005 if the Company exercises its option to extend the date of the waiver) will result in the occurrence of the event of default described in the first sentence of this paragraph. If such an event of default were to occur, the trustee or holders of at least 25% of the aggregate principal amount of the Senior Notes outstanding can declare all Senior Notes to be due and payable immediately. If this were to happen, the Company would not have sufficient

corporate cash available to meet this obligation.

The foregoing description of the Supplemental Indenture does not purport to be complete and is qualified in its entirety by reference to the Supplemental Indenture, which is filed as Exhibit 4.1 hereto and incorporated herein by reference.

This Current Report on Form 8-K contains certain forward-looking statements that involve risks and uncertainties, including in particular those regarding the timing of completing the annual audited financial statements for fiscal year 2004, the timing of filing the Current Annual Report with the SEC, delivering the Current Annual Report to the indenture trustee and the holders of the Senior Notes and delivering an officers' certificate and the CPA Statement to the indenture trustee by August 15, 2005 and the likelihood of completing the sale of PeterStar on or prior to August 15, 2005. Various other factors beyond the Company's control could cause or contribute to such risks and uncertainties. This also includes such factors as are described from time to time in the SEC reports filed by the Company, including the Current Annual Report on Form 10-K for the year ended December 31, 2003, the Company's Form 10-Q for the fiscal quarters ended March 31, 2004, June 30, 2004 and September 30, 2004 and its most recently filed Form 8-K reports (dated October 19, 2004, November 4, 2004, November 16, 2004, November 22, 2004 and December 9, 2004, January 6, 2005, February 9, 2005, February 17, 2005, March 9, 2005, March 23, 2005, April 19, 2005, April 20, 2005, June 7, 2005, June 17, 2005, July 12, 2005 and July 18, 2005).
