ITEM: 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The following is the text of a press release issued by the registrant at 8:25 A.M. Central Time on July 20, 2006.

SIMMONS FIRST ANNOUNCES RECORD SECOND QUARTER EARNINGS

Pine Bluff, AR - Simmons First National Corporation (NASDAQ-GS: SFNC) today announced record second quarter earnings for the period ended June 30, 2006. Net income for the second quarter was \$7.3 million, or \$0.51 diluted earnings per share, compared to \$0.47 per share for the same period in 2005, an increase of 8.5%.

For the six-month period ended June 30, 2006, net income was \$13.3 million, an increase of \$481,000 from the same period in 2005. Diluted earnings per share for the six-month period were \$0.92, an increase of \$0.05, or 5.7%.

“Given the current interest rate environment, we are pleased to report record second quarter earnings,” said J. Thomas May, Chairman and Chief Executive Officer. “While we, like the rest of the industry, continued to be challenged with margin compression during this period of rising interest rates, we were able to achieve earnings growth due to the strength of the Company’s asset quality and reduced credit card charge-offs and the related reduction in the provision for loan losses.”

On a quarter over quarter basis, the Company’s net interest margin decreased 14 basis points to 4.01%. However, when compared to the previous quarter, net interest margin decreased by only 4 basis points. “We expect to see continuing competitive pressure in deposit repricing in the short term. This repricing, coupled with the flat yield curve, leads us to anticipate continued margin compression for the balance of 2006,” stated Mr. May.

The Company’s loan portfolio totaled \$1.7 billion at June 30, 2006, an increase of \$76 million, or 4.6% over the same period last year. The growth was primarily attributable to increased demand in the commercial and real estate loan portfolios. Deposits were \$2.1 billion at June 30, 2006, an \$84 million, or 4.2% increase from June 30, 2005.

Asset quality remained strong with the allowance for loan losses as a percent of total loans at 1.51% as of June 30, 2006. Non-performing loans equaled 0.62% of total loans, while the allowance for loan losses equaled 243% of non-performing loans. The Company’s annualized net charge-offs to total loans for the second quarter of 2006 was 0.25%. Excluding credit cards, the annualized net charge-offs to total loans for the second quarter was 0.19%.

Total assets for the Company were \$2.6 billion at June 30, 2006, an increase of \$67 million from June 30, 2005. Stockholders’ equity at June 30, 2006 was \$247 million, an \$8.5 million increase from June 30, 2005.

Simmons First National Corporation is an Arkansas based financial holding company with eight community banks in Pine Bluff, Lake Village, Jonesboro, Rogers, Searcy, Russellville, El Dorado and Hot Springs, Arkansas. The Company’s eight banks conduct financial operations from 83 offices, of which 81 are financial centers, in 46 communities.

CONFERENCE CALL

Management will conduct a conference call to review this information at 3:00 p.m. Central Time on Thursday, July 20, 2006. Interested parties can listen to this call by calling 1-800-854-4175 (United States and Canada only) and asking for the Simmons First National Corporation conference call. A recorded playback of the call will be available the next morning by calling 1-800-642-1687. The passcode for this playback is 2233449 and the recording will be available through the end of business July 31, 2006. In addition, the call will be available live or in recorded version on the Company's website at www.simmonsfirst.com under the "webcast" icon.

GENERAL

Statements in this press release that are not historical facts should be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements of this type speak only as of the date of this news release. By nature, forward-looking statements involve inherent risk and uncertainties. Various factors, including, but not limited to, economic conditions, credit quality, interest rates, loan demand and changes in the assumptions used in making the forward-looking statements, could cause actual results to differ materially from those contemplated by the forward-looking statements. Additional information on factors that might affect Simmons First National Corporation's financial results is included in its Form 10-K filing with the Securities and Exchange Commission.
