### PART III--NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof could not be filed within the prescribed period. (Attach Extra Sheets if Needed)

Metromedia International Group, Inc. (the "Registrant") is unable to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2006 (the "2006 Q2 Quarterly Report") due to the additional time and effort that has been required for the Registrant to restate its previously issued financial statements as of December 31, 2003 and for the years ended December 31, 2003 and 2002 and the quarters ended March 31, June 30 and September 30, 2004 and 2003 and to prepare and finalize the Annual Report on Form 10-K for the years ended December 31, 2004 (the "2004 Form 10-K"), the Quarterly Reports on Form 10-Q for the fiscal quarters ended March 31, June 30, and September 30, 2005 (the "2005 Quarterly Reports"), the Annual Report on Form 10-K for the year ended December 31, 2005 (the "2005 Form 10-K") and its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2006 (the "2006 Q1 Quarterly Report").

The filing of the Registrant's 2004 Form 10-K and the 2005 Quarterly Reports with the SEC, along with the Registrant's completion of its work effort for compliance with Section 404, "Management Assessment of Internal Controls" of the Sarbanes-Oxley Act of 2002, are a prerequisite for the filing of the 2005 Form 10-K, all of which must be filed prior to the 2006 Q1 and Q2 Quarterly Reports. At present, the Registrant cannot predict with confidence when it will file the 2004 Form 10-K, 2005 Quarterly Reports, 2005 Form 10-K, 2006 Q1 or 2006 Q2 Quarterly Reports.

The Registrant believes that the work effort associated with the restatement process is substantially complete, and as such, the Registrant is in a reporting and disclosure phase with respect to the 2004 Form 10-K. However, the Registrant cannot provide assurance that additional significant work effort will not be required associated with the restatement process, since the Registrant's independent auditors have not yet completed their review work effort.

In regards to the 2005 Quarterly Reports and 2005 Form 10-K, the Registrant is in the early stage of the preparation and finalization of its consolidated financial results for the respective accounting periods. This situation is principally the result of the restatement process that is currently underway,

since corporate finance personnel have not been able to spend sufficient time assisting the business venture finance personnel in their U.S. GAAP reporting workflow efforts.

If answer is no, identify report(s).  Yes  No

The Registrant has been unable to fully complete the preparation of its consolidated financial statements and footnote disclosures for the annual audit, as required for the filing of its 2004 Form 10-K and 2005 Form 10-K, its 2005 Quarterly Reports and its 2006 Q1 Quarterly Report.

The Registrant has also failed to timely file with the SEC the financial information of Magticom required under Item 9.01(a) and (b) of Form 8-K in respect of the Registrant's purchase of an additional interest in Magticom, as previously announced by the Registrant in a press release dated February 15, 2005. The Registrant has also failed to timely file with the SEC the financial information of Magticom required under Item 9.01(a) and (b) of Form 8-K in respect of the Registrant's purchase of an additional interest in Magticom, as previously announced by the Registrant in a press release dated September 15, 2005. The Registrant will file such financial information by amending the Registrant's September 19, 2005 Form 8-K as soon as possible after the date the Registrant files its Form 10-K for the fiscal year ended December 31, 2004.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant anticipates that its 2006 financial results will differ significantly from previously issued financial statements, since the following significant events occurred since the last issued financial results as of September 30, 2004:

- o The Registrant disposed of its 71% interest in PeterStar in August 1, 2005, for cash consideration of \$215.0 million, and as a result:

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form NT 10-Q

- o The Registrant will record a gain in excess of \$100.0 million in the third quarter of 2005; and
- o The Registrant redeemed its outstanding \$152.0 million 10 1/2% Senior Notes in early August 2005 using a portion of the cash proceeds from the sale of PeterStar.
- o The Registrant changed its effective ownership interests in certain of its Georgian business ventures in 2005 and 2006, as follows, and the Registrant has not completed its analysis of the impact of such restructuring of ownership interests, vis-a-vis its consolidation accounting policy:
  - o Magticom by 8.3% during the first quarter of 2005 at a cost of \$23.1 million and further increased its effective ownership interest in Magticom by 7.3% during the third quarter of 2005 at a cost of \$21.5 million; and
  - o Telecom Georgia by 51.0% during the first quarter of 2005 at a cost of \$5.0 million.
  - o During 2006, the Company sold a 60% effective ownership interest in Telecom Georgia and acquired a 26% effective ownership interest in Telenet, a Georgian fixed line telephony and data communication operation, for a net cash outlay of \$0.5 million.

The Registrant cannot currently provide reasonable estimates for its 2005 financial results due to the following:

- o The Registrant has not yet completed the restatement of its prior year financial statements;
- o The Registrant's corporate finance team has not finalized its review and analysis of the Magticom and Telecom Georgia 2005 financial results; and
- o The Registrant has not yet determined its accounting treatment of the 2005 and 2006 restructuring of ownership activities, discussed above, vis-a-vis its consolidation accounting policy.
