## **Item 2.01 Completion of Acquisition or Disposition of Assets.**

On September 7, 2005, we completed the sale of Atlantic Southeast Airlines, Inc. (“ASA”), our wholly owned subsidiary, to SkyWest, Inc. (“SkyWest”) for a purchase price of \$425 million. In conjunction with the sale of ASA, we amended our contract carrier agreements with ASA and SkyWest Airlines, Inc. (“SkyWest Airlines”), a wholly owned subsidiary of SkyWest, under which they will continue to serve as Delta Connection carriers. The expiration date of these contract carrier agreements has been extended to 2020.

Under the terms of the Stock Purchase Agreement, SkyWest purchased 100% of the outstanding capital stock of ASA. We received \$350 million at closing, representing \$330 million of purchase price and \$20 million related to aircraft deposits, without giving effect to the payment of closing costs. We will also receive \$125 million, consisting of \$95 million of deferred purchase price and \$30 million in certain aircraft deposits, upon the earlier of the fourth anniversary of the closing of this transaction or, in the event we seek to restructure under Chapter 11 of the U.S. Bankruptcy Code, assumption by us of our contract carrier agreements with ASA and SkyWest Airlines. SkyWest shall be entitled to retain \$125 million if we reject either of our contract carrier agreements with ASA or SkyWest Airlines in a Chapter 11 proceeding prior to the fourth anniversary of the closing of this transaction. The purchase price is also subject to a working capital adjustment, as defined in the Stock Purchase Agreement. Pursuant to our financing agreements with GE Commercial Finance and other lenders (“GE Commercial Finance Facility”), we were required to repay \$100 million of the outstanding borrowings under that facility upon closing of this transaction. The remaining proceeds will be used for general corporate purposes.

**Transaction Summary**

On September 7, 2005, we completed the sale of ASA, our wholly owned subsidiary, to SkyWest for a purchase price of \$425 million. In conjunction with the sale of ASA, we amended our contract carrier agreements with ASA and SkyWest Airlines, under which they will continue to serve as Delta Connection carriers. The expiration date of these contract carrier agreements has been extended to 2020.

Under the terms of the Stock Purchase Agreement, SkyWest purchased 100% of the outstanding capital stock of ASA. We received \$350 million at closing, representing \$330 million of purchase price and \$20 million related to aircraft deposits, without giving effect to the payment of closing costs. We will also receive \$125 million, consisting of \$95 million of deferred purchase price and \$30 million in certain aircraft deposits, upon the earlier of the fourth anniversary of the closing of this transaction or, in the event we seek to restructure under Chapter 11 of the U.S. Bankruptcy Code, assumption by us of our contract carrier agreements with ASA and SkyWest Airlines. SkyWest shall be entitled to retain \$125 million if we reject either of our contract carrier agreements with ASA or SkyWest Airlines in a Chapter 11 proceeding prior to the fourth anniversary of the closing of this transaction. The \$125 million has not been reflected in the unaudited Pro Forma Consolidated Financial Statements as the contingencies have not been satisfied. The purchase price is also subject to a working capital adjustment, as defined in the Stock Purchase Agreement. Pursuant to our GE Commercial Finance Facility, we were required to repay \$100 million of the outstanding borrowings under that facility upon closing of this transaction. The remaining proceeds from the sale of ASA will be used for general corporate purposes.
