PEOPLES BANCORP ANNOUNCES FIRST QUARTER EARNINGS RESULTS

Peoples Bancorp of North Carolina, Inc., the parent company of Peoples Bank, reported net income of \$2.2 million, or \$0.66 basic net income per share and \$0.64 diluted net income per share, for the three months ended March 31, 2006 as compared to \$1.3 million or \$0.37 basic net income per share and \$0.36 diluted net income per share, for the same period one year ago. Net income from recurring operations for the three months ended March 31, 2006 was \$2.4 million, or \$0.70 basic net income per share and \$0.69 diluted net income per share, as compared to first quarter 2005 net income from recurring operations of \$1.3 million, or \$0.37 basic net income per share and \$0.36 diluted net income per share.

Tony W. Wolfe, President and Chief Executive Officer, attributed the growth in recurring first quarter earnings to growth in interest-earning assets, which contributed to increases in net interest income and non-interest income. These increases in net interest income and non-interest income were partially offset by increases in the provision for loan losses and non-interest expense.

Net interest income increased 28% to \$8.0 million for the three months ended March 31, 2006 compared to \$6.2 million for the same period one year ago. This increase is attributable to an increase in interest income due to increases in the prime rate, which resulted from Federal Reserve interest rate increases. In addition, the average outstanding balances of loans and investment securities available for sale increased for the three months ended March 31, 2006. Net interest income after the provision for loan losses increased 31% to \$7.2 million during the first quarter of 2006, compared to \$5.5 million for the same period one year ago. The provision for loan losses for the three months ended March 31, 2006 was \$759,000 as compared to \$690,000 for the same period one year ago.

Recurring non-interest income increased 23% to \$2.0 million for the three months ended March 31, 2006, as compared to \$1.6 million for the same period one year ago. The increase in recurring non-interest income is primarily due to an increase in service charges and fees of \$271,000, an increase in miscellaneous other income of \$99,000 and an increase in mortgage banking income of \$17,000. Net non-recurring losses of \$63,000 for the three months ended March 31, 2006 included an \$82,000 loss on the sale of securities partially offset by a \$19,000 gain on the disposition of assets.

Recurring non-interest expense increased 5% to \$5.5 million for the three months ended March 31, 2006, as compared to \$5.3 million for the same period last year. The increase in non-interest expense included an increase of \$176,000 or

6% in salaries and benefits expense due to normal salary increases and increased incentive expense, as well as an increase of \$77,000 or 15% in other non-interest expenses. The Company had non-recurring expenses of \$178,000 in the first quarter of 2006 resulting from a prepayment fee associated with the early termination of a \$5.0 million Federal Home Loan Bank advance. This fee is included in other non-interest expense.

PEOPLES BANCORP ANNOUNCES FIRST QUARTER EARNINGS RESULTS - PAGE TWO

Total assets as of March 31, 2006 amounted to \$761.7 million, an increase of 10% compared to total assets of \$690.0 million at March 31, 2005. This increase is primarily attributable to an increase in loans combined with an increase in available for sale securities. Loans increased 9% to \$590.6 million as of March 31, 2006 compared to \$540.0 million as of March 31, 2005. Available for sale securities increased 9% to \$113.8 million as of March 31, 2006 compared to \$103.9 million as of March 31, 2005, the result of additional securities purchases. This increase in available for sale securities was partially offset by paydowns on mortgage-backed securities, calls and maturities.

Non-performing assets totaled \$5.2 million at March 31, 2006 or 0.68% of total assets, compared to \$8.3 million at March 31, 2005 or 1.20% of total assets. The allowance for loan losses at March 31, 2006 amounted to \$7.6 million or 1.30% of total loans compared to \$7.4 million or 1.37% of total loans at March 31, 2005.

Deposits amounted to \$613.5 million as of March 31, 2006, representing an increase of 10% over deposits of \$558.3 million at March 31, 2005. Core deposits, which include non-interest bearing demand deposits, NOW, MMDA, savings and certificates of deposits of denominations less than \$100,000, increased \$15.8 million to \$429.2 million at March 31, 2006 as compared to \$413.4 million at March 31, 2005 primarily due to an increase of \$18.7 million in certificates of deposit in amounts less than \$100,000 and a \$16.2 million increase in non-interest bearing demand deposits. These increases in core deposits were partially offset by a \$19.2 million decrease in interest bearing demand deposits resulting from a decrease in the Bank's Investment Checking product. Certificates of deposit in amounts greater than \$100,000 or more totaled \$184.3 million at March 31, 2006 as compared to \$144.9 million at March 31, 2005. This increase is due to an increase of \$21.1 million in brokered deposits combined with an increase of \$18.4 million in non-brokered deposits resulting from a change in certificate of deposit pricing strategies implemented in 2005.

Shareholders' equity increased to \$55.5 million, or 7.28% of total assets, at March 31, 2006 as compared to \$50.7 million, or 7.35% of total assets, at March 31, 2005. The \$4.7 million increase in shareholders' equity from March 31, 2005 to March 31, 2006 is primarily due to net income earned for the period, which was offset by a \$601,000 decrease in accumulated other comprehensive income as compared to March 31, 2005. The decrease in accumulated other comprehensive income is primarily due to a decrease in the market value of available for sale securities.

Peoples Bank operates entirely in North Carolina, with eleven offices throughout Catawba County, one office in Alexander County, three offices in Lincoln County and two offices in Mecklenburg County. The Bank also operates a Loan Production Office in Davidson, North Carolina, which is located in Mecklenburg County. The Company's common stock is publicly traded over the counter and is quoted on the Nasdaq National Market under the symbol "PEBK."

Statements made in this press release, other than those concerning historical information, should be considered forward-looking statements pursuant to the safe harbor provisions of the Securities Exchange Act of 1934 and the Private Securities Litigation Act of 1995. These forward-looking statements involve risks and uncertainties and are based on the beliefs and assumptions of management and on the information available to management at the time that this release was prepared. These statements can be identified by the use of words like "expect," "anticipate," "estimate," and "believe," variations of these words and other similar expressions. Readers should not place undue reliance on forward-looking statements as a number of important factors could cause actual results to differ materially from those in the forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, (1) competition in the markets served by Peoples Bank, (2) changes in the interest rate environment, (3) general national, regional or local economic conditions may be less favorable than expected, resulting in, among other things, a deterioration in credit quality and the possible impairment of collectibility of loans, (4) legislative or regulatory changes, including changes in accounting standards, (5) significant changes in the federal and state legal and regulatory environment and tax laws, (6) the impact of changes in monetary and fiscal policies, laws, rules and regulations and (7) other risks and factors identified in the Company's other filings with the Securities and Exchange

Commission, including but not limited to those described in Peoples Bancorp of North Carolina, Inc.'s annual report on Form 10-K for the year ended December 31, 2005.
