PROXY STATEMENT

GENERAL INFORMATION

INFORMATION ABOUT PROXY SOLICITATION

This proxy statement is being furnished to holders of shares as of the record date of the common stock, \$0.01 par value per share, of Aceto Corporation (the "Company"), a New York corporation, in connection with the Company's annual meeting to be held on Thursday, December 2, 2004 at 10:00 a.m. Eastern Standard Time, at the Company's offices. We sent you this proxy statement because our board of directors is soliciting your proxy to vote your shares at the annual meeting and at any adjournment. This proxy statement summarizes information that we are required to provide to you under the rules of the United States Securities and Exchange Commission and the Nasdaq Stock Market, Inc., which

Edgar Filing: ACETO CORP - Form DEF 14A

information is designed to assist you in voting your shares. The purposes of the meeting and the matters to be acted on are stated in the accompanying notice of annual meeting of shareholders. At present, the board of directors knows of no other business that will come before the meeting.

We will begin mailing these proxy materials on or about October 22, 2004. The Company will bear the cost of its solicitation of proxies. The original solicitation of proxies by mail may be supplemented by personal interview, telephone, and facsimile by the directors, officers and employees of the Company. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held by such persons, and the Company may reimburse those custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in doing so.

INFORMATION ABOUT VOTING

Q: WHY AM I RECEIVING THESE MATERIALS?

A: The board of directors is providing these proxy materials to you in connection with the Company's annual meeting of shareholders, which will take place on December 2, 2004. As a shareholder, you are invited to attend the annual meeting and to vote on the items of business described in this proxy statement.

Q: WHAT INFORMATION IS CONTAINED IN THESE MATERIALS?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of directors and the most highly paid executive officers, and certain other required information. A copy of our annual report is also enclosed.

Q: WHAT ITEMS OF BUSINESS WILL BE VOTED ON AT THE ANNUAL MEETING?

A: The two items of business scheduled to be voted on at the annual meeting are: (1) election of directors; and (2) ratification of the independent auditors. We will also consider any other business that properly comes before the annual meeting.

Q: HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE?

A: The board of directors recommends that you vote your shares FOR each of the nominees to the board on the proxy card included with this proxy statement and FOR ratification of the independent auditors.

4

Q: WHAT SHARES CAN I VOTE?

A: You may vote all shares owned by you as of the close of business on October 7, 2004, the record date. These shares include: (1) shares held directly in your name as a shareholder of record; and (2) shares held for you, as the beneficial owner, through a broker or other nominee, such as a bank.

Q: WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

A: Most shareholders of the Company hold their shares through a broker or

Edgar Filing: ACETO CORP - Form DEF 14A

other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

If your shares are registered directly in your name with the Company's transfer agent, The Bank of New York, you are considered, with respect to those shares, the shareholder of record and these proxy materials are being sent directly to you by the Company. As the shareholder of record, you have the right to grant your proxy directly to the board of directors or to vote in person at the meeting. The board of directors has enclosed or sent a proxy card for you to use.

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker or nominee together with a voting instruction card. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from the broker or nominee that holds your shares, giving you the right to vote the shares. Your broker or nominee has enclosed or provided voting instructions for you to use in directing the broker or nominee how to vote your shares.

Q: HOW CAN I ATTEND THE ANNUAL MEETING?

A: You are entitled to attend the annual meeting only if you were a shareholder of the Company or joint holder as of the close of business on October 7, 2004, or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. If you are not a record holder but hold shares through a broker or nominee (that is, in "street name"), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to October 7, 2004, a copy of the voting instruction card provided by your broker or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above upon request, you will not be admitted to the annual meeting. The annual meeting will begin promptly at 10:00 a.m. Eastern Standard Time. Check-in will begin at 9:00 a.m., and you should allow ample time for the check-in procedures.

Q: HOW CAN I VOTE MY SHARES IN PERSON AT THE ANNUAL MEETING?

A: You may vote in person at the annual meeting any shares that you hold as the shareholder of record. You may only vote in person shares held in street name if you obtain from the broker or nominee that holds your shares a "legal proxy" giving you the right to vote the shares.

Q: HOW CAN I VOTE MY SHARES WITHOUT ATTENDING THE ANNUAL MEETING?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may without attending the meeting direct how your shares are to be voted. If you are a shareholder of record, you may vote by granting a proxy. If you hold shares in street name, you may vote by submitting voting instructions to your broker or nominee. Each record holder of Company common stock may submit a proxy by completing, signing, and dating a proxy card and mailing it in the accompanying pre-addressed envelope. Each shareholder who holds shares in street name may vote by mail by completing, signing, and dating a voting instruction card provided by the broker or nominee and mailing it in the accompanying pre-addressed envelope.

Q: CAN I CHANGE MY VOTE?

A: You may change your vote at any time prior to the vote at the annual meeting. For shares held directly in your name, you may accomplish this by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially, you may change your vote by submitting new voting instructions to your broker or nominee or, if you have obtained a "legal proxy" from your broker, or nominee giving you the right to vote your shares, by attending the meeting and voting in person. You may also change your vote by sending a written notice of revocation to Mr. Douglas Roth, Chief Financial Officer and Corporate Secretary, Aceto Corporation, One Hollow Lane, Lake Success, New York 11042.

Q: WHO CAN HELP ANSWER MY QUESTIONS?

A: If you have any questions about the annual meeting or how to vote or revoke your proxy, you should contact Mr. Terry Steinberg, Vice President, Administration and Assistant Corporate Secretary, by mail to Aceto Corporation, One Hollow Lane, Lake Success, New York 11042 or by phone at 516-627-6000. Also, if you need additional copies of this proxy statement or voting materials, you should contact Mr. Steinberg.

Q: HOW ARE VOTES COUNTED?

A: In the election of directors, you may vote FOR all of the seven nominees or you may direct your vote to be WITHHELD with respect to one or more of the seven nominees. With respect to ratification of the independent auditors, you may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN, it has the same effect as a vote AGAINST. If you provide specific instructions, your shares will be voted as you instruct. If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the board of directors (FOR all of the Company's nominees and FOR ratification of the independent auditors and, in the discretion of the proxy holders, on any other matters that properly come before the meeting). If any other matters properly arise at the meeting, your proxy, together with the other proxies received, will be voted at the discretion of the proxy holders.

Q: WHAT IS A QUORUM AND WHY IS IT NECESSARY?

A: Conducting business at the meeting requires a quorum. The presence, either in person or by proxy, of the holders of a majority of the Company's shares of common stock outstanding on October 7, 2004 is necessary to constitute a quorum. Under the New York Business Corporation Law, and the Company's articles of incorporation and by-laws, abstentions are treated as present for purposes of determining whether a quorum exists.

Q: WHAT IS THE VOTING REQUIREMENT TO APPROVE EACH OF THE PROPOSALS?

A: In the election of directors, the seven persons receiving the highest number of FOR votes at the annual meeting will be elected. Accordingly, abstentions and broker non-votes do not have the effect of a vote for or

Edgar Filing: ACETO CORP - Form DEF 14A

against the election of any nominee. You do not have the right to cumulate your votes. All other proposals require the affirmative "FOR" vote of a majority of those shares present in person or represented by proxy and entitled to vote on that proposal at the annual meeting. Accordingly, abstentions on other proposals will have the same effect as a vote against the proposal. In addition, where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), those shares will not be included in the vote totals. Broker non-votes will not have the effect of a vote for or against other proposals. A list of shareholders entitled to vote at the annual meeting will be available at the annual meeting for examination by any shareholder.

Q: WHAT SHOULD I DO IF I RECEIVE MORE THAN ONE SET OF VOTING MATERIALS?

A: You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one

6

brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date, and return each proxy card and voting instruction card that you receive.

Q: WHERE CAN I FIND THE VOTING RESULTS OF THE ANNUAL MEETING?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in our Quarterly Report on Form 10-Q for the fiscal quarter ending December 31, 2004.

Q: WHAT HAPPENS IF ADDITIONAL MATTERS ARE PRESENTED AT THE ANNUAL MEETING?

A: Other than the two items of business described in this proxy statement, we are not aware of any other business to be acted upon at the annual meeting. However, if you grant a proxy, the persons named as proxy holders, Leonard S. Schwartz, the Company's Chairman, President and Chief Executive Officer, and Douglas Roth, the Company's Chief Financial Officer and Secretary, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for any one or more other candidates nominated by the board of directors.

Q: WHAT SHARES ARE ENTITLED TO BE VOTED?

A: Each share of the Company's common stock issued and outstanding as of the close of business on October 7, 2004, the record date, is entitled to be voted on all items being voted at the annual meeting, with each share being entitled to one vote. On the record date, 16,065,480 shares of the Company's common stock were issued and outstanding.

Q: WHO WILL COUNT THE VOTES?

Edgar Filing: ACETO CORP - Form DEF 14A

- A: One or more inspectors of election will tabulate the votes.
- Q: IS MY VOTE CONFIDENTIAL?
- A: Proxy instructions, ballots, and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, either within the Company or to anyone else, except: (1) as necessary to meet applicable legal requirements; (2) to allow for the tabulation of votes and certification of the vote; or (3) to facilitate a successful proxy solicitation.
- Q: WHO WILL BEAR THE COST OF SOLICITING VOTES FOR THE ANNUAL MEETING?
- A: The board of directors is making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. Certain of our directors, officers and employees, without any additional compensation, may also solicit your vote in person, by telephone or by electronic communication. On request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to shareholders.
- Q: MAY I PROPOSE ACTIONS FOR CONSIDERATION AT NEXT YEAR'S ANNUAL MEETING OF SHAREHOLDERS?
- A: You may submit proposals for consideration at future shareholder meetings. However, in order for a shareholder proposal to be considered for inclusion in the Company's proxy statement for the annual meeting next year, the written proposal must be received by the corporate secretary of the Company no later than June 18, 2005. Such proposals also will need to comply with United States Securities and Exchange Commission regulations under Proxy Rule 14a-8 regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

INFORMATION ABOUT THE COMPANY'S COMMITTEES

AUDIT COMMITTEE

The audit committee is comprised of Ira S. Kallem (Chairman), Albert L. Eilender and Hans C. Noetzli. The audit committee is responsible for recommending the Company's independent auditor and reviewing management actions in matters relating to audit functions. The committee reviews with the Company's independent auditors the scope and results of its audit engagement and the Company's system of internal controls and procedures. The committee also reviews the effectiveness of procedures intended to prevent violations of laws. The Committee also reviews, prior to publication, our quarterly earnings releases and reports to the SEC on Form 10-K and Form 10-Q. The report of the audit committee for fiscal year 2004 can be found below under the heading "Proposal Two: Ratification of Appointment of Independent Auditors."

The audit committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, also meets with management and the auditors prior to the filing of officers' certifications with the SEC to request information concerning, among other things, significant deficiencies in the design or operation of internal controls, if any.

Our board has determined that all audit committee members are independent under applicable SEC regulations, and as defined by Rule 4200 (a)(14) of the Nasdaq

Edgar Filing: ACETO CORP - Form DEF 14A

Marketplace Rules. Our board of directors has determined that Mr. Kallem qualifies as an "audit committee financial expert" as that term is used in Section 407 of the Sarbanes-Oxley Act of 2002. The audit committee operates under a formal charter that governs its duties and conduct. The charter was attached as an appendix to the Company's 2003 proxy statement, and is published on the Company's corporate website - WWW.ACETO.COM.

The audit committee has adopted a Non-Retaliation Policy and a Complaint Monitoring Procedure to enable confidential and anonymous reporting regarding financial irregularities, if any.

COMPENSATION COMMITTEE

The executive compensation committee is comprised of Leonard S. Schwartz (Chairman), Samuel I. Hendler, Robert A. Wiesen, Stanley H. Fischer and Albert L. Eilender. The executive compensation committee is responsible for recommending the remuneration of the Company's executive officers, including recommendations with respect to the Company's stock option plans. The executive compensation committee operates under formal charter that governs its duties and conduct. The charter is published on the Company's corporate website.

BOARD NOMINATIONS

The Company's board of directors does not have a nominating committee. Instead, nominations for director are made by the full board of directors. The board believes this process is preferable because it wishes to involve all of its directors in the nomination process.

The Company's board has determined that candidates for director should have certain minimum qualifications, including being able to understand basic financial statements, being over 21 years of age, having relevant business experience, and having high moral character. The board of directors retains the right to modify these minimum qualifications from time to time.

In evaluating an incumbent director whose term of office is set to expire, the board of directors reviews that director's overall service to the Company during that director's term, including the number of meetings attended, level of participation, quality of performance, and any transactions with the Company engaged in by that director during his or her term.

When selecting a new director nominee, the committee first determines whether the nominee must be independent for Nasdaq purposes or whether the candidate must qualify as an "Audit Committee Financial Expert," as that term is used in section 407 of the Sarbanes-Oxley Act of 2002. The board then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. Each director then has an opportunity to privately interview each nominee if he or she deems it necessary. The board then meets to consider the candidates' qualifications and chooses candidates by a unanimous vote.

Shareholders wishing to directly recommend candidates for election to the board of directors at an annual meeting must do so by giving notice in writing to Leonard S. Schwartz, Chairman, Aceto Corporation, One Hollow Lane, Lake Success, New York 11042. Any such notice must, for any given annual meeting, be delivered to the Chairman not less than 120 days prior to the anniversary of the preceding year's annual meeting. The notice must state (1) the name and address of the shareholder making the recommendations, (2) the name, age, business address, and residential address of each person recommended, (3) the principal occupation or employment of each person recommended, (4) the class and number of shares of Aceto shares that are beneficially owned by each person recommended and by the recommending shareholder, (5) any other information concerning the persons recommended that must be disclosed in nominee and proxy solicitations in

Edgar Filing: ACETO CORP - Form DEF 14A

accordance with Regulation 14A of the Securities Exchange Act of 1934, and (6) a signed consent of each person recommended stating that he or she consents to serve as a director of the Company if elected.

10

The board of directors will consider and vote on any recommendations so submitted. In considering any person recommended by a shareholder, the committee will look for the same qualifications that it looks for in any other person that it is considering for a position on the board of directors.

Any shareholder nominee proposed by the board of directors for election at the next annual meeting of shareholders will be included in the company's proxy statement for that annual meeting.

BOARD AND COMMITTEE MEETINGS

During the Company's fiscal year ended June 30, 2004, the board of directors held five meetings and acted by unanimous written consent three times. Each director attended more than 75% of the board meetings and meetings of the board committees on which he served.

During the Company's fiscal year ended June 30, 2004, the executive compensation committee met four times, and the audit committee met nine times.

At each scheduled meeting of the board of directors, the independent members of the board of directors meet separately in executive session without management being present. A lead director elected by the independent directors is responsible for chairing such executive sessions. Currently the lead director is Albert L. Eilender.

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

Our directors are encouraged, but not required, to attend the annual meeting of shareholders. All of our directors attended the 2003 annual meeting of shareholders.

COMMUNICATIONS BY OUR SHAREHOLDERS TO THE BOARD OF DIRECTORS

Our board of directors recommends that shareholders direct to the Company's corporate secretary any communications intended for the board of directors. Shareholders can send communications by e-mail to droth@aceto.com, by facsimile to (516) 627-6093, or by mail to Douglas Roth, Chief Financial Officer and Secretary, Aceto Corporation, One Hollow Lane, Lake Success, New York 11042.

This centralized process will assist the board in reviewing and responding to shareholder communications in an appropriate manner. If a shareholder wishes to direct any communication to a specific board member, the name of that board member should be noted in the communication. The board of directors has instructed the corporate secretary to forward shareholder correspondence only to the intended recipients, but the board has also instructed the corporate secretary to review all shareholder correspondence and, in his discretion, not forward any items that he deems to be of a commercial or frivolous nature or otherwise inappropriate for the board's consideration. Any such items may be forwarded elsewhere in the Company for review and possible response.

CORPORATE GOVERNANCE

The Company operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and

Edgar Filing: ACETO CORP - Form DEF 14A

personal conduct and assuring compliance with those responsibilities and standards. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 which, among other things, establishes, or provides the basis for, a number of new corporate governance standards and disclosure requirements. In addition, the Nasdaq Stock Market, Inc. has recently made changes to its corporate governance and listing requirements. The board of directors has initiated numerous actions consistent with these new rules and will continue to regularly monitor developments in the area of corporate governance.

CODE OF ETHICS FOR WORLDWIDE FINANCIAL MANAGEMENT

The Company has adopted a Code of Ethics for Worldwide Financial Management that sets forth standards of ethics for the Company's principal executive officer and senior financial officers, violations of which are reported to the audit committee. This Code of Ethics was attached as an appendix to the Company's 2003 proxy statement, and is published on the Company's corporate website.

11

CODE OF BUSINESS CONDUCT FOR ALL ACETO EMPLOYEES

The Company has adopted a Code of Business Conduct for all Aceto Employees that includes provisions ranging from restrictions on gifts to conflicts of interest. All employees are required to affirm in writing their acceptance of the code. The Code of Business Conduct was attached as an appendix to the Company's 2003 proxy statement, and is published on the Company's corporate website.

NASDAQ CODE OF BUSINESS CONDUCT AND ETHICS

The Company also adopted a Code of Business Conduct and Ethics for all Aceto directors and employees in accordance with Nasdaq Qualitative Listing Requirement 4350(n). This Code of Conduct is published on the Company's corporate website.

EMPLOYMENT AGREEMENTS

The Company has no employment agreements with its senior executives.

LIMITS ON LIABILITY AND INDEMNIFICATION

The Company's Articles of Incorporation eliminate the personal liability of its directors to the Company and its shareholders for monetary damages for breach of the directors' fiduciary duties in certain circumstances. The articles of incorporation further provide that the Company will indemnify its officers and directors to the fullest extent permitted by law. The Company believes that such indemnification covers at least negligence and gross negligence on the part of the indemnified parties. Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers, and controlling persons of the Company pursuant to the foregoing provisions or otherwise, the Company has been advised that in the opinion of the United States Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

EXECUTIVE COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Members of the executive compensation committee, with the exception of Leonard S. Schwartz, have never served as officers or employees of the Company or any of our subsidiaries. During the last fiscal year, none of our senior executives served on the board of directors or committee of any other entity whose officers served either on our board of directors or executive compensation committee.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The executive compensation committee of the board of directors, is comprised of Leonard S. Schwartz (Chairman), Stanley H. Fischer, Samuel I. Hendler, Albert L. Eilender and Robert A. Wiesen, and makes recommendations to the Board with respect to the remuneration of the Company's executive officers.

The Company's compensation policy has been designed to enable the Company to attract, retain and motivate executives whose enthusiasm and abilities will contribute to the growth of its business and result in maximum profitability to the Company and its shareholders, by providing salaries and benefits competitive with those offered by other companies in the chemical industry. The executive compensation program includes base salary, annual incentive compensation (cash bonuses), and long term incentive compensation (awards under the Company's stock option plans).

Base salaries are set at levels competitive within the chemical industry. Because of the way the Company operates its business, the contributions of its executives significantly affect corporate profitability. Bonuses (which can exceed base salary) are paid to reflect the extent of such contributions. The Company's Chief Executive Officer also is the Chairman of the Board, and President of the Company. The bonuses paid to the Chief Executive Officer and to the Secretary/Treasurer, who is the Chief Financial Officer, are intended to reflect the Company's overall performance.

The three highest paid executives, other than the Chief Executive Officer, are each responsible for the performance of one of the Company's principal profit centers. Internally generated performance records are kept on a monthly and yearly basis for these profit centers, and each center's profitability is compared in the current year to the previous year.

Other factors considered in determining the bonuses of individual executives are the individual's own performance and the overall performance of the Company. The compensation committee determines each bonus primarily based on this data, also taking into account the long term contributions of each individual.

The Chief Executive Officer's compensation was determined on the basis of the same factors utilized to compensate other executives, taking into consideration total compensation comparisons of top executives of corporations in the chemical industry. The Chief Executive Officer is not present at the time that his compensation is evaluated and determined.

The executive compensation committee operates under a formal charter that governs its duties and conduct. The charter is published on the Company's website.

REPORT OF THE AUDIT COMMITTEE

The audit committee is comprised of Ira S. Kallem (Chairman), Albert L. Eilender

Edgar Filing: ACETO CORP - Form DEF 14A

and Hans C. Noetzli. Each of these directors meets the independence and expertise requirements of the SEC and the Nasdaq Stock Market, Inc. The audit committee recommends the engagement of the Company's independent auditor and reviews and considers actions of management in matters relating to audit functions. The audit committee also reviews with the independent auditor the scope and results of its audit engagement, the Company's system of internal controls and procedures, and reviews the effectiveness of procedures intended to prevent violations of laws. In fulfilling its responsibilities, the audit committee has reviewed and discussed the audited consolidated financial statements for the Company for the fiscal year ended June 30, 2004 with the Company's management and KPMG LLP, the Company's independent auditors.

16

Pursuant to the Sarbanes-Oxley Act of 2002, in September 2003 the audit committee established the Aceto Corporation Audit Committee Pre-Approval Policy whereby the Committee is required to pre-approve the audit fees, and the provision of certain tax and other non-audit related services by KPMG LLP after KPMG LLP provides a detailed description of the services to be performed and specific fee estimates for each such service. The audit committee limits the engagement by the Company of KPMG LLP for non-audit services and tax services to those circumstances where the services are considered integral to the audit services that it provides, or in which there is another compelling rationale for using its services. The audit committee considered the provision by KPMG LLP of the below mentioned tax services and other non-audit services and concluded that the provision of these services was compatible with maintaining the independence of KPMG LLP.

The audit committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with audit committees." In addition, the audit committee has received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with audit committees" and has discussed with KPMG LLP its independence from the Company and its management.

Finally, in reliance on the reviews and discussions referred to above, the audit committee recommended to the board of directors that the audited consolidated financial statements for the Company for the fiscal year ended June 30, 2004 be included in our Annual Report on Form 10-K for the year ended June 30, 2004 which has been filed with the United States Securities and Exchange Commission.

Respectfully submitted October 7, 2004 by the members of the audit committee.
