Item 2. Acquisition or Disposition of Assets.

As previously disclosed in periodic reports filed with the Securities and Exchange Commission (SEC), the Company had been in negotiations to acquire five lots in Montana near Yellowstone National Park on which it intends to develop and resell. The Company would deliver 435,000 shares of common stock of Checkers Drive-In Restaurants, Inc. (Checkers) in exchange for two of the lots and was negotiating financing of approximately \$8.0 million to provide funding for the remaining lots.

On May 27, 2004, the acquisition of the five lots was completed. The Company delivered 435,000 shares of common stock of Checkers Drive-In Restaurants, Inc. (Checkers) in exchange for two of the lots. The lots were purchased from a Montana land developer and were previously held by the seller for resale. The shares delivered and the Company s remaining investment of approximately 543,000 shares of Checkers common stock, approximately 4.5% of Checkers total common shares outstanding, have been registered for resale under the Securities Act of 1933.

One remaining lot was purchased from a land developer, who previously held the lot for resale purposes. The remaining two lots were purchased from two private parties, who previously held the lots for reasons unknown to the Company. GIANT paid approximately \$6.1 million from the recent completed financing of \$8.0 million. The financing is secured by the Deed of Trust on the five lots and the Company s remaining shares of Checkers common stock. Under the terms of the financing agreement, the Company is subject to certain covenants, which consist of, but are not limited to, the maintenance of a minimum tangible net worth. Interest will be accrued at 6% per annum on the outstanding borrowings and is first payable on June 30, 2004 and on each following quarter end until June 1, 2006, when the outstanding principal and accrued interest is payable. A one-year extension will be provided if all the loan terms have been satisfied.

Following the acquisition of the five lots and the delivery of the 435,000 shares of Checkers common stock, GIANT s investment in securities for the purpose of the 1940 Investment Company Act of 1940 (1940 Act) is less than 40% of the Company s total assets, exclusive of cash and government securities. The Company no longer falls within the definition of an investment company under the 1940 Act.
