 - (2) Computed in accordance with Rule 457(h) under the Securities Act of 1933, as amended solely for the purpose of calculating the registration fee. The computation is based on the weighted average per share exercise price (rounded to nearest cent) of outstanding options under the referenced plan, the shares issuable under which are registered hereby.
 - (3) Represents 1,344,409 shares of common stock available for future issuance under the 2006 Equity Incentive Plan (the 2006 Plan), which number consists of (a) 1,000,000 shares of common stock initially available for future grants under the 2006 Plan as of the Registrant's initial public offering and (b) 344,409 shares of common stock which were available for issuance under the 1998 Equity Incentive Plan (the 1998 Plan) as of the date of the Registrant's initial public offering, which shares became available for issuance under the 2006 Plan. In addition, to the extent outstanding awards under the 1998 Plan as of the date of the Registrant's initial public offering expire or are cancelled without having been exercised in full following the date of the Registrant's initial public offering, the shares of common stock subject to such awards will be available for future issuance under the 2006 Plan. As of the date of the Registrant's initial public offering, 3,863,459 shares of common stock were subject to outstanding options under the 1998 Plan, which shares of common stock are registered as set forth above.
 - (4) Estimated solely for the purpose of computing the amount of registration fee pursuant to Rule 457(h) under the Securities Act of 1933, as amended, based on the average of the high and low prices of Registrant's Common Stock reported on the Nasdaq National Market on May 15, 2006.
 - (5) Estimated in accordance with Rule 457(h) under the Securities Act solely for the purpose of calculating the registration fee. The computation is based upon the average of the high and low sale prices of the common stock as reported on the Nasdaq National Market on May 15, 2006, multiplied by 85%, which is the percentage of the trading purchase price applicable to purchases under the referenced Plan.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference

The following documents, which have been filed by Nextest Systems Corporation (Registrant) with the Securities and Exchange Commission (the SEC), are hereby incorporated by reference in this Registration Statement:

- (a) Registrant's Quarterly Report on Form 10-Q for the quarter ended March 31, 2006;
- (b) Registrant's Prospectus dated March 21, 2006 filed with the SEC on March 22, 2006 pursuant to Rule 424(b)(4) of the Securities Act of 1933, as amended; and
- (c) The description of Registrant's Common Stock contained in the Registration Statement on Form 8-A filed pursuant to Section 12 of the Securities Exchange Act of 1934, as amended, or the Exchange Act, on March 21, 2006, and any amendment or report filed with the SEC for the purpose of updating such description.

All documents subsequently filed by Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this registration statement which indicates that all securities offered hereby have been sold or which deregisters all securities remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Section 145 of the Delaware General Corporation Law permits indemnification of officers, directors and other corporate agents under certain circumstances and subject to certain limitations. Registrant's amended and restated certificate of incorporation and bylaws provide that it will indemnify its directors, officers, employees and agents to the full extent permitted by Delaware General Corporation Law, including in circumstances in which indemnification is otherwise discretionary under Delaware law. In addition, Registrant has entered into separate indemnification agreements with its directors and executive officers which would require Registrant, among other things, to indemnify them against certain liabilities which may arise by reason of their status or service (other than liabilities arising from willful misconduct of a culpable nature). The indemnification provisions in Registrant's amended and restated certificate of incorporation and bylaws and the indemnification agreements to be entered into between Registrant and its directors and executive officers may be sufficiently broad to permit indemnification of Registrant directors and its executive officers for liabilities (including reimbursement of expenses incurred) arising under the Securities Act. Registrant also intends to maintain director and officer liability insurance, if available on reasonable terms, to insure Registrant's directors and officers against the cost of defense, settlement or payment of a judgment under certain circumstances.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as the indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
