**Item 1.01. Entry into a Material Definitive Agreement.**

The Company is a party to a Credit Agreement dated January 4, 2006 with Wells Fargo Bank under which it borrowed \$10 million to complete the acquisition of Bio-logic Systems Corp. in January 2006, and under which \$9.375 million in principal amount was outstanding at March 31, 2006. The loan is repayable over a four-year period. On May 16, 2006, the day following the Company's release of its financial statements for the quarter ended March 31, 2006, the Company was notified by Wells Fargo Bank that it was not in compliance with a financial covenant contained in the Credit Agreement that requires the Company to satisfy a ratio of total liabilities to tangible net worth. On May 23, 2006, Wells Fargo granted the Company a waiver of the provisions of such financial covenant, which is effective until the next measurement date of June 30, 2006.

On June 14, 2006, the Company and Wells Fargo Bank entered into a Second Amendment to the Credit Agreement that revises the financial covenant, such that the Company would have been compliant with the terms of the covenant at March 31, 2006.

The Company will incur administrative fees assessed by Wells Fargo Bank related to the waiver and amendment, which it believes will total less than \$10,000. The Company does not believe it will incur any additional costs associated with the default, waiver, or amendment.

The Amendment is attached hereto as Exhibit 10.01.
