Re: Special Meeting of Stockholders to be held September 28, 2006

Dear Valued Stockholder:

The election of highly qualified and experienced directors is paramount to the long-term viability of Tri-Continental. We therefore ask that you read this letter carefully and cast your vote for the slate of directors proposed by the Board of Tri-Continental at a Special Meeting of Stockholders set for September 28, 2006.

At the May 4, 2006 Annual Meeting of Stockholders, Tri-Continental's slate of incumbent directors received the vast majority of votes cast. These experienced directors handily beat the candidates proposed by a group of dissident hedge funds, by approximately 45% to 25%. In accordance with Tri-Continental's Bylaws, however, 50% of outstanding votes are required to elect directors at an Annual Meeting. As a consequence, Tri-Continental's slate of Directors was not elected.

The threshold for election of directors at the Special Meeting has been set by the Board of Directors as a simple plurality of votes cast, either in person or by proxy. Tri-Continental's Directors unanimously approved the plurality vote requirement and the Special Meeting, concluding that it is in the best interest of the Corporation and its Stockholders to have all Directors duly elected for full terms.

We requested support from Tri-Continental Stockholders earlier this year and received it in the vast majority of votes cast. We request that you once again demonstrate your support for the highly qualified and experienced candidates recommended by your Board of Directors, with a vote on the enclosed White Proxy Card for the re-election of Directors: General John R. Galvin, Chairman William C. Morris, and Ambassador Robert L. Shafer.

Once again, a dissident Hedge Fund group has informed us that it is contesting the election and proposing its own candidates. You will likely receive mailings and phone calls from them. Regardless of the stated objectives of the Hedge Fund group, we believe its goal is to install directors who will seek to have Tri-Continental open-ended or liquidated solely to make a trading profit on a

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

short-term investment. This strategy would be consistent with the pattern of past conduct of certain members of the group with other closed-end funds.

Certain members of the dissident Hedge Fund group also have a history of subverting the democratic process for closed-end funds by refusing to cast their votes, and thereby depriving corporations of the necessary quorum to elect directors and conduct other business. To ensure that the Hedge Fund group cannot use this tactic to derail future Tri-Continental meetings and add potentially significant costs to future stockholder solicitations, we are requesting that you approve a change in the Articles of Incorporation for Tri-Continental that would reduce Tri-Continental's quorum requirement to one-third of outstanding votes entitled to be cast.

We recognize that proxy solicitations, particularly in contested elections, can be bothersome to stockholders. We ask for your forbearance throughout the solicitation period and express our gratitude for your patience and support.

Please complete, sign, and date the enclosed White Proxy Card and promptly mail it in the enclosed envelope, to have your vote counted in the Special Meeting of Stockholders on September 28, 2006. This is essential, as proxies submitted in conjunction with the May 4, 2006 Annual Meeting of Stockholders are NOT valid in this new election.

Thank you for your continued support of Tri-Continental.

Sincerely,

/s/ William C. Morris

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

- (3) To transact such other business as may properly come before the Meeting or any adjournment or postponement thereof, including proposing and/or voting on adjournment of the Meeting, including, without limitation, in the event that sufficient votes in favor of any proposal or nominee for election as a Director are not received, in the discretion of the proxy holder;

all as set forth in the Proxy Statement accompanying this Notice.

The close of business on July 25, 2006 has been fixed as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meeting or any adjournment or postponement thereof.

Only directors, officers, employees and agents of the Corporation and holders of the Corporation's stock as of the record date for the Meeting and their duly authorized proxies are entitled to attend the Meeting. You will need to provide proof of ownership of the Corporation's stock or, if your shares are held in street name, a proxy from the street name holder to enter the Meeting.

Your vote is very important. Proxies submitted in conjunction with the Corporation's 2006 Annual Meeting of Stockholders, held on May 4, 2006, are not valid at the Meeting. charter by promptly signing, dating and returning the enclosed White Proxy Card, or by authorizing your proxy by telephone or Internet as described in the enclosed White Proxy Card.

We strongly urge you not to sign any proxy card that may be sent to you by the dissident Hedge Fund Group that has announced its intention to solicit proxies in connection with the Meeting. If you have previously returned any proxy card sent to you by the Hedge Funds or any person other than the Corporation, or if you previously gave your proxy to the Hedge Funds by telephone or Internet, you may change any vote you may have indicated by signing, dating and returning the enclosed White Proxy Card in the accompanying envelope, or by authorizing your proxy by telephone or Internet as described in the enclosed White Proxy Card. In addition, you may be able to authorize your proxy by telephone through the Corporation's proxy solicitor. If you hold your shares in a brokerage or bank account (in "street name"), your broker or bank may not vote your shares at the Meeting (as it has in past routine annual meetings) unless you complete, sign and return promptly the voting instructions form it will send you. In addition, if you hold your shares in a brokerage or bank account, your broker or bank may allow you to provide your voting instructions by telephone or Internet. Please consult the materials you receive from your broker or bank prior to authorizing a proxy by telephone or Internet.

If you have any questions or need additional information, please contact Georgeson Shareholder Communications Inc., the Corporation's proxy solicitors, at 17 State Street, New York, New York 10004, or by telephone at 1-888-219-8293.

PROXY STATEMENT

Special Meeting of Stockholders to be held on September 28, 2006

This Proxy Statement is furnished to you in connection with the solicitation of proxies by the Board of Directors of Tri-Continental Corporation, a Maryland corporation ("Tri-Continental" or the "Corporation"), to be exercised at the Special Meeting of Stockholders (the "Meeting") to be held at the offices of Venable LLP, 2 Hopkins Plaza, Baltimore, Maryland 21202, on September 28, 2006. It is expected that the Notice of Special Meeting, this Proxy Statement and form of Proxy will first be mailed to Stockholders on or about July [.] , 2006.

THIS IS A VERY IMPORTANT SPECIAL MEETING OF STOCKHOLDERS OF THE CORPORATION. The Corporation held its 2006 Annual Meeting of Stockholders on May 4, 2006. As permitted by Maryland law, Directors of the Corporation are divided into three classes, with staggered terms, and each year elections for Directors of one of the three classes are held at the Annual Meeting of Stockholders. At the 2006 Annual Meeting of Stockholders, a majority of the votes entitled to be cast for the election of Directors was required in order for a nominee to be elected as a Director. However, the election was contested and none of the nominees received the required vote, although the Corporation's slate of incumbent Directors received the vast majority of votes cast. Because no Directors were elected, under Maryland law, the incumbent Directors held over and may legally remain in office until the Corporation's 2007 Annual Meeting of Stockholders, at which time elections would be held for their successors, along with the next succeeding class of Directors.

On June 26, 2006, the Board of Directors amended the Corporation's Bylaws to provide that, while the election of Directors at an Annual Meeting of Stockholders will continue to require the affirmative vote of the holders of a majority of the votes entitled to be cast, the Board may call a special meeting of Stockholders for the purpose of electing Directors prior to the 2007 Annual Meeting of Stockholders. Under the amended Bylaws, the required vote to elect Directors at such special meeting at which a quorum is present is a plurality of the votes cast.

The Board has called the Meeting for the purpose of electing Directors. As a result, assuming that Stockholders elect Directors at the Meeting, it will not be necessary for the Directors whose terms would otherwise have expired at the 2006 Annual Meeting of Stockholders to hold over until the 2007 Annual Meeting

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

of Stockholders without being elected by Stockholders. At the Meeting, Stockholders will also vote on the Board's proposal that the Corporation's Charter be amended to permit a lower quorum at meetings of Stockholders, for the reasons discussed herein.

Following the announcement of the Special Meeting by the Corporation, a group of dissident Hedge Funds informed the Corporation of its intention to solicit proxies against the

nominees of your Board of Directors and in favor of its nominees. The same group of Hedge Funds solicited proxies in favor of its nominees in connection with the 2006 Annual Meeting of Stockholders. These nominees received substantially fewer votes than the Board's nominees. Your Board strongly believes that the Board's nominees for re-election as Directors at the Meeting are far better qualified than those proposed by the dissident Hedge Fund group. In addition, the Board believes that the Board's nominees will better serve the interests of all Stockholders.

Proxies authorized in conjunction with the Corporation's 2006 Annual Meeting of Stockholders are not valid at the Meeting. With regard to the Meeting, if you properly authorize your proxy by telephone or Internet or by executing and returning the enclosed White Proxy Card, and your proxy is not subsequently revoked, your votes will be cast at the Meeting, and any postponement or adjournment thereof, in accordance with your instructions. If you return your signed White Proxy Card without instructions, your votes will be cast (i) FOR the election of the three Directors named in Proposal 1 and (ii) FOR Proposal 2, to approve the amendment to the Corporation's Charter to reduce the quorum for a meeting of Stockholders, as described below. Your votes will be cast in the discretion of the Proxy holders on any other matter that may properly have come before the Meeting and any postponement or adjournment thereof, including, but not limited to, the adjournment or postponement of the Meeting to solicit additional votes in favor of the proposal to amend the Charter if sufficient votes are not received.

If you execute, date and submit a proxy card, you may revoke your proxy or change it by written notice to the Corporation (Attention: Secretary), by submitting a subsequently executed and dated proxy or by attending the Meeting and casting your vote in person. If you authorize your proxy by telephone or Internet, you may revoke it by authorizing a subsequent proxy by telephone or Internet, or by signing and returning a proxy card dated as of a date that is later than your last telephone or Internet proxy submission or by attending the Meeting and casting your vote in person. Attending the Meeting will not automatically revoke any previously delivered proxy.

The close of business on July 25, 2006 has been fixed as the record date for the determination of Stockholders entitled to notice of, and to vote at, the Meeting and any adjournment or postponement thereof. On that date, the Corporation had outstanding [.] shares of \$2.50 cumulative preferred stock (the "Preferred Stock"), the holder of each share being entitled to two votes per share, and [.] shares of common stock, par value \$0.50 (the "Common Stock"), the holder of each share being entitled to one vote per share. For all matters to be voted upon, an abstention or broker non-vote will not be considered a vote cast. Abstentions and broker non-votes, if any, will be considered present for the purpose of determining the presence of a quorum. For purposes of the vote on the election of each nominee for Director, abstentions and broker non-votes, if any, will have no effect on the result of the vote. For purposes of the vote on Proposal 2, abstentions and broker non-votes, if any, will have the effect of a vote against the proposal.

The presence in person or by proxy of Stockholders entitled to cast a

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

majority of all the votes entitled to be cast at the Meeting will constitute a quorum. In the event that a quorum is not present at the Meeting or, even if a quorum is present, in the event that sufficient votes in favor of any Board proposal (or the election of each of the Board's nominees for Director) are

2

not received and tabulated prior to the time the Meeting is called to order, the persons named as proxies may propose and vote for one or more adjournments or postponements of the Meeting, with no notice other than an announcement at the Meeting, if a quorum is not present or, if a quorum is present, before calling for a vote on such Board proposal or nominee, and further solicitation may be made. The proxies given by Stockholders indicating a vote against a Board proposal will be voted against adjournment of the Meeting in respect of that proposal.

The Corporation's manager is J. & W. Seligman & Co. Incorporated (the "Manager"). The Corporation's Stockholder service agent is Seligman Data Corp. ("SDC"). The address of each of these entities is 100 Park Avenue, New York, NY 10017. The Corporation will furnish, without charge, a copy of its most recent annual report and most recent semi-annual report to any Stockholder upon request to SDC at 1-800-221-2450.

If you have elected to receive one Proxy Statement for all accounts maintained by members of your household, the Corporation will deliver promptly upon written or oral request a separate copy of the Proxy Statement for a separate account.

A. Election of Directors (Proposal 1)

The Board of Directors is presently composed of nine Directors. As authorized by Maryland law, the Board is divided into three classes, each of which consists of three Directors. Members of each class hold office for a term of three years and until their successors are elected and qualify. The term of one class expires at the annual meeting of Stockholders in each year.

At the Meeting, three Directors are to be elected. General John R. Galvin, Mr. William C. Morris, and Ambassador Robert L. Shafer have been unanimously recommended by the Director Nominating Committee of the Board of Directors of the Corporation and nominated by the Board of Directors for election to the class of Directors whose term will expire at the 2009 Annual Meeting of Stockholders and when their successors are elected and qualify. Although General Galvin has reached the retirement age set by Board policy, the Board has waived this policy in his case at the unanimous recommendation of the Director Nominating Committee.

It is the intention of the persons named in the accompanying form of proxy to nominate and to cast your votes for the election of General Galvin, Mr. Morris and Ambassador Shafer. General Galvin has been a Director of the Corporation since 1995, Mr. Morris has been a Director and Chairman of the Corporation since 1988, and Ambassador Shafer has been a Director of the Corporation since 1991. All were last elected by Stockholders at the 2003 Annual Meeting.

Each nominee has agreed to serve if elected. There is no reason to believe that any of the nominees will become unavailable for election as a Director of the Corporation, but if that should occur before the Meeting, the persons named as proxies will vote for the persons the Director Nominating Committee and the Board of Directors recommend.

The Committee met seven times during the year ended December 31, 2005. Members of the Committee, Messrs. Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

Operations Committee, Mr. McPherson performs duties similar to those of a "lead independent director," as he chairs meetings of the independent Directors, and acts as a point of contact between the independent Directors and the Manager between Board meetings in respect of general matters.

Audit Committee. This Committee assists the Board in its oversight of the Corporation's financial reporting process and operates pursuant to a written charter most recently amended on March 17, 2005. The Committee met three times during the year ended December 31, 2005. Members of this Committee are Messrs. Whitson (Chairman) and Richie, General Galvin, and Ms. Michel. The members of this Committee are "independent" as required by applicable listing standards of the New York Stock Exchange. The report of the Audit Committee, as approved on February 1, 2006, is attached to this Proxy Statement as Appendix 1.

Director Nominating Committee. Members of the Director Nominating Committee are Messrs. Shafer (Chairman) and McPherson, and Dr. Ilchman. The Director Nominating Committee met once during the year ended December 31, 2005. Pursuant to its written charter adopted by the Board of Directors on March 18, 2004, the Director Nominating Committee identifies, evaluates, selects and nominates, or recommends for nomination, candidates for the Board. It also may set standards or qualifications for Directors. The Director Nominating Committee may consider candidates for the Board submitted by current Directors, the Manager, the Stockholders and other appropriate sources.

7

The Director Nominating Committee will consider candidates submitted by a Stockholder or group of Stockholders who have owned at least \$10,000 of the Corporation's outstanding Common Stock for at least one year at the time of submission and who timely provide specified information about the candidates and the nominating Stockholder or group. To be timely for consideration by the Director Nominating Committee, the submission, including all required information, must be submitted in writing to the attention of the Secretary at 100 Park Avenue, New York, NY 10017, (i) for an annual meeting, not less than 120 days before the date of the proxy statement for the previous year's Annual Meeting of Stockholders and (ii) for a special meeting, not earlier than 150 days prior to such meeting nor later than the later of 120 days prior to such meeting or the tenth day following the first public announcement of such meeting. The Director Nominating Committee will consider only one candidate submitted by such a Stockholder or group for nomination for election at an annual or special meeting of Stockholders. The Director Nominating Committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, uncles, aunts, grandparents, nieces and nephews.

The Director Nominating Committee will consider and evaluate candidates submitted by the nominating Stockholder or group on the basis of the same criteria as those used to consider and evaluate candidates submitted from other sources. These criteria may include the candidate's relevant knowledge, experience and expertise, the candidate's ability to carry out his or her duties in the best interests of the Corporation and the candidate's ability to qualify as a disinterested Director. The charter for the Director Nominating Committee, which provides a detailed description of the criteria used by the Director Nominating Committee as well as information required to be provided by Stockholders submitting candidates for consideration by the Director Nominating Committee, was included in the proxy statement for the 2004 Annual Meeting of Stockholders.

For the year ended December 31, 2005, the Corporation paid each Director a portion of an aggregate retainer fee in the amount (for each Director who served for a full year) of \$16,870. In addition, such Directors are currently paid a total of \$3,000 for each day on which they attend Board and/or Committee meetings (\$1,500 for telephonic attendance at certain meetings), the amount of which is shared by the Corporation and the other investment companies of the Seligman Group of Funds meeting on the same day. The Directors are also reimbursed for the expenses of attending meetings. There were nine Directors who were not employees of the Manager or its affiliates at the beginning of 2005. Mr. John E. Merow retired pursuant to Board policy at the 2005 Annual Meeting of Stockholders and Mr. Robert B. Catell resigned as a Director on November 28, 2005. * For the year ended December 31, 2005, there were 24 registered investment companies in the Seligman Group of Funds, including the Corporation.

** Mr. Catell resigned as Director on November 28, 2005.

*** Mr. Merow retired pursuant to Board policy at the 2005 Annual Meeting. Mr. Merow had previously deferred compensation pursuant to the deferred compensation plan; however, he had stopped deferring his current compensation prior to his retirement. The accrued balance of Mr. Merow's deferred compensation (including earnings/losses) in respect of the Corporation as of December 31, 2004 was \$22,873, all of which was paid to him in January 2005.

+ Mr. Whitson had previously deferred compensation pursuant to the deferred compensation plan. Mr. Whitson, who deferred receiving his fees from the Corporation and other investment companies of the Seligman Group of Funds from 1993 to 2002, had a balance as of December 31, 2005 of \$247,499 in respect of the Corporation in his deferred plan account, net of earnings/losses. This amount was paid to Mr. Whitson in January 2006.

No compensation is paid by the Corporation to Directors or officers of the Corporation who are employees or officers of the Manager.

Under the Corporation's Bylaws, as described above, nominees receiving the affirmative vote of a plurality of the votes cast at the Meeting will be elected as Directors.

Each individual who has been nominated by the Board of Directors of the Corporation for election at this Meeting was previously elected by the Stockholders of the Corporation and is currently serving as a Director. Generally, under Maryland law, if directors are not elected at a meeting of Stockholders, the incumbent directors continue to manage the business and affairs of the Corporation until their successors are elected and qualify, or until their earlier death, resignation or removal. Accordingly, as required by Maryland law, general Galvin, Mr. Morris and Ambassador Shafer have continued to serve as Directors. If Directors are not elected at the Meeting, the incumbent Directors, or other individuals recommended by the Director Nominating Committee, will be nominated for election at the Corporation's next meeting of Stockholders at which Directors are elected. Maryland law further provides that any Stockholder entitled to vote in the election of directors of a corporation may petition a court of equity to dissolve the corporation on grounds that the Stockholders are so divided that they have failed, for a period which includes at least two consecutive annual meeting dates, to elect

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

successors to directors whose terms would have expired on the election and qualification of their successors. The court may or may not grant such a petition and the Corporation is not aware of this provision

11

being invoked in the case of a public company. At its meeting on June 26, 2006, the Board of Directors determined as a matter of good corporate governance to provide the Stockholders with the opportunity to elect directors without waiting until the 2007 Annual Meeting of Stockholders. Accordingly, the Board amended the Corporation's Bylaws to provide that, while the election of Directors at an Annual Meeting of Stockholders will continue to require the affirmative vote of the holders of a majority of the votes entitled to be cast, the vote required to elect Directors at the Meeting is a plurality of the votes cast.

Because a plurality of the votes cast at the Meeting is sufficient to elect a Director, if a quorum is present at the Meeting, Directors will be elected at the Meeting.

Your Board of Directors Unanimously Recommends that You Vote FOR the Election of Each of the Nominees to Serve as Director of the Corporation.

Information About the Company's Independent Public Accountants

The Audit Committee of the Board of Directors has appointed, and the Board of Directors, including a majority of those members who are not "interested persons" of the Corporation (as defined in the 1940 Act), has selected Deloitte & Touche LLP as auditors of the Corporation for 2006. Stockholders of the Corporation ratified the appointment and selection of Deloitte & Touche LLP as auditors of the Corporation for 2006 at the Corporation's Annual Meeting of Stockholders on May 4, 2006.

No representative of Deloitte & Touche LLP is expected to be present at the Meeting. However, if any representative of Deloitte & Touche LLP does attend the meeting, he or she will have the opportunity to make a statement and respond to appropriate questions.

Deloitte & Touche LLP, in accordance with Independence Standards Board Standard No. 1, has confirmed to the Audit Committee that they are independent auditors with respect to the Corporation. Deloitte & Touche LLP has audited the annual financial statements of the Corporation and provided tax and other non-audit services to the Corporation. Deloitte & Touche LLP has also rendered non-audit services to the Manager, Seligman Advisors, Inc., an affiliate of the Manager, and SDC, which is partially owned by the Corporation (together, the "Affiliated Service Providers").

In making its recommendation, the Audit Committee considered whether the provision by the independent auditors to the Corporation of non-audit services to the Corporation or of professional services to the Affiliated Service Providers is compatible with maintaining the auditors' independence and has discussed the auditors' independence with them.

Principal Accountant Fees and Services

Aggregate fees billed to the Corporation for the last two fiscal years for professional services rendered by Deloitte & Touche LLP were as follows:

2005	2004
-----	-----

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

AUDIT FEES..... \$61,980 \$59,097

12

AUDIT-RELATED FEES.....	--	--
TAX FEES.....	2,350	2,200
ALL OTHER FEES.....	--	1,931

Audit fees include amounts related to the audit of the Corporation's annual financial statements and services normally provided by Deloitte & Touche LLP in connection with statutory and regulatory filings. Tax fees include amounts related to tax compliance, tax planning, and tax advice. Other fees include the Corporation's pro-rata share of amounts for services related to the assessment of procedures for compliance with anti-money laundering regulations by the Corporation and certain other investment companies advised by the Manager.

Aggregate fees billed by Deloitte & Touche LLP for the last two fiscal years for non-audit services provided to the Affiliated Service Providers that provide ongoing services to the Corporation, where the engagement related directly to the operations and financial reporting of the Corporation, were as follows:

	2005	2004
	-----	-----
AUDIT-RELATED FEES.....	\$80,560	\$76,630
TAX FEES.....	8,000	13,703
ALL OTHER FEES.....	--	43,000

Audit-related fees include amounts for attestation services for SDC. Tax fees include amounts related to tax compliance, tax planning, and tax advice for, and an evaluation of, certain tax reporting procedures of SDC. Other fees relates to electronic communication processing services performed on behalf of outside counsel of the Manager.

The Audit Committee is required to preapprove audit and non-audit services performed for the Corporation by Deloitte & Touche LLP. The Audit Committee also is required to preapprove certain non-audit services performed for the Affiliated Service Providers that provide services directly related to the operations and financial reporting of the Corporation. The Audit Committee has delegated preapproval authority to Mr. James N. Whitson, the Audit Committee's Chairman. Mr. Whitson will report any preapproval decisions to the Audit Committee at its next scheduled meeting. Notwithstanding the foregoing, under certain circumstances, preapproval of non-audit services of a de minimis amount is not required.

The aggregate fees billed for the most recent fiscal year and the preceding fiscal year by Deloitte & Touche LLP for non-audit services rendered to the Corporation and the Affiliated Service Providers that provided ongoing services to the Corporation were \$90,910 and \$137,464, respectively. All non-audit services discussed above were preapproved by the Audit Committee, who considered whether these services were compatible with maintaining Deloitte & Touche LLP's independence.

B. Charter Amendment (Proposal 2)

Under Maryland law, the quorum requirement at a meeting of Stockholders of the Corporation is the presence in person or by proxy of Stockholders entitled to cast a majority of

all of the votes entitled to be cast at the meeting. The Board of Directors of the Corporation has declared advisable and recommended that Stockholders approve an amendment to the Corporation's Charter to provide that the presence in person or by proxy of Stockholders entitled to cast one-third (1/3) of all of the votes entitled to be cast at a meeting of Stockholders constitutes a quorum and, with respect to any matter that, under applicable statutes or regulatory requirements or the Corporation's Charter, requires approval by a separate vote of one or more classes of stock, the presence in person or by proxy of the holders of shares entitled to cast one-third (1/3) of the votes entitled to be cast by such class on such matter constitutes a quorum, unless a higher percentage is specified in the Bylaws of the Corporation.

The Charter amendment will permit the Board to change the quorum requirement for meetings of Stockholders by amending the Bylaws, as long as the Bylaws provide that quorum at a meeting of Stockholders is not less than one-third (1/3) of all of the votes entitled to be cast. If Stockholders approve the proposed amendment to the Charter, the Board currently intends to amend the Corporation's Bylaws to provide that the presence in person or by proxy of Stockholders entitled to cast one-third (1/3) of all of the votes entitled to be cast at a meeting of Stockholders constitutes a quorum.

The Corporation is aware of several recent instances where dissident Stockholders of other closed-end funds solicited proxies for a meeting of Stockholders and then, because they did not have the votes required to win a vote, declined to appear at the meeting, thus depriving the funds of the necessary quorum to conduct business. Your Board believes that such conduct is inconsistent good corporate governance and contrary to the best interests of the Corporation. While the proposed Charter amendment would not prevent such actions, it would increase the number of votes that dissidents would be required to control in order for such tactics to be successful.

In addition, the Report of the New York Stock Exchange Proxy Working Group recommended changes to Exchange rules that currently permit brokers in certain circumstances to vote shares beneficially owned by their clients in certain circumstances may be changed in a way that would make it significantly more difficult and expensive for the Corporation and other companies to obtain a quorum for the consideration of routine matters. The recommended change in the quorum requirement would help the Corporation to more easily and economically ensure a quorum at future meetings of Stockholders.

As a result of the reduced quorum requirement, a smaller number of Stockholders may constitute a validly convened meeting and may be able to take action at such a meeting on behalf of all Stockholders. Reducing the quorum requirement will not affect provisions of Maryland law, the 1940 Act or the Corporation's Charter or Bylaws that require a higher percentage of Stockholders to vote on certain non-routine matters, such as Charter amendments, approval of an investment advisory agreement, the change of a fundamental investment policy, or the election of Directors at meetings other than the Meeting.

If approved by the Stockholders, Article EIGHTH of the Corporation's Charter will be amended by adding a new Paragraph 17, to read as follows:

17. Quorum. Unless a greater percentage is specified in the Bylaws of

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

the Corporation, the presence in person or by proxy of the holders of shares of stock of the Corporation entitled to cast one-third (1/3) of the votes entitled to be cast (without regard to class) shall constitute a quorum at any meeting of the stockholders of the Corporation, except with respect to any such matter that, under applicable statutes or regulatory requirements or the Charter of the Corporation, requires approval by a separate vote of one or more classes of stock, in which case, unless a greater percentage is specified in the Bylaws of the Corporation, the presence in person or by proxy of the holders of shares entitled to cast one-third (1/3) of the votes entitled to be cast by each such class on such matter shall constitute a quorum.

Under Maryland law, to become effective, Proposal 2 must be approved by affirmative vote of a majority of all votes entitled to be cast on the proposal.

Your Board of Directors Unanimously Recommends that the
Stockholders Vote FOR Proposal 2.

The Corporation knows of no other matters which are to be brought before the Meeting. However, if any other matters come before the Meeting, it is intended that the persons named in the enclosed form of proxy, or their substitutes, will vote in accordance with their discretion on such matters.

C. Notice of Stockholder Proposals

Notice is hereby given that, under the Securities and Exchange Commission's Rule 14a-8 (relating to shareholder proposals), any Stockholder proposal that may properly be included in the Proxy solicitation material for the next Annual Meeting of Stockholders must be received by the Corporation no later than October 17, 2006. Timely notice of Stockholder proposals submitted outside of the Rule 14a-8 process must be received by the Corporation no earlier than September 17, 2006 and no later than 5:00 P.M., Eastern Time, October 17, 2006, to be eligible for presentation at the 2007 Annual Meeting of Stockholders. The Corporation's Bylaws require that certain information must be provided by the Stockholder to the Corporation when notice of a nominee or proposal is submitted to the Corporation.

D. Expenses

The Corporation will bear the cost of soliciting proxies. In addition to the use of the mails, proxies may be solicited personally or via facsimile, telephone or the Internet by Directors, officers and employees of the Corporation, the Manager, Seligman Advisors, Inc., Seligman Services, Inc. and SDC, and the Corporation may reimburse persons holding shares in their names or names of their nominees for their expenses in sending solicitation material to their beneficial owners. The Corporation has engaged Georgeson Shareholder Communications, Inc., 17 State St., New York, NY 10004 to assist in soliciting proxies for a fee of up to \$[.] plus expenses. Georgeson will employ up to approximately [50] people to solicit proxies from Stockholders. The Corporation estimates that, in light of the expected dissident solicitation, the

15

Corporation's expenses related to the solicitation of Stockholders, including fees for attorneys, proxy solicitors, advertising, printing, transportation and other related expenses, are expected to aggregate approximately \$[.], approximately \$[.] of which has been spent to date. These amounts do not include costs that are normally expended for a solicitation for an election of Directors in the absence of a contest.

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

Appendix 2 sets forth certain information relating to the Directors and certain officers of the Corporation who will be soliciting proxies on the Corporation's behalf.

By order of the Board of Directors,

/s/ Frank J. Nasta

Secretary

It is important that your shares be voted promptly. All Stockholders, including those who expect to attend the Meeting, are urged to authorize a proxy as soon as possible by accessing the Internet site listed on the enclosed White Proxy Card, by calling the toll-free number listed on the enclosed White Proxy Card, or by mailing the enclosed White Proxy Card in the enclosed return envelope, which requires no postage if mailed in the United States. Only directors, officers, employees and agents of the Company and Stockholders and their duly authorized proxies are entitled to attend the Meeting. To be admitted to the Meeting you will need to present proof of ownership of Tri-Continental Corporation stock, or if your shares are held in "street name," a proxy from a street name holder.

APPENDIX 1

TRI-CONTINENTAL CORPORATION (the "Fund")

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a written charter that was last amended by the Fund's Board of Directors on March 17, 2005. The purposes of the Audit Committee are 1) to assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; and (iii) the independent auditors' independence, qualifications and performance; and 2) to prepare this report. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Adviser or Manager and to any entity controlling, controlled by or under common control with the Adviser or Manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by

Edgar Filing: TRI-CONTINENTAL CORP - Form PREC14A

Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial

statements of the Fund be included in the Fund's annual report to Stockholders for the most recent fiscal period.
