Item 8.01. Other Events.

On February 27, 2007, Lennar Corporation (the Company) and LNR Property Corporation admitted a new partner into their LandSource Communities Development LLC (LandSource) joint venture. The new partner is MW Housing Partners (MWHP), which is co-managed by MacFarlane Partners. MWHP contributed cash and approximately 4,000 homesites totaling nearly \$970 million to LandSource in exchange for a 68% interest in LandSource. The Company and LNR will each retain a 16% interest in LandSource. The homesites, which are part of an existing land bank relationship between MWHP and the Company, were contributed at current market value. The Company will retain a promote opportunity allowing it to have a disproportionate share of LandSource's future positive net cash flow. The Company also retained options and rights of first offer to purchase property currently owned by The Newhall Land & Farming Company, LandSource's primary investment. The transaction resulted in a cash distribution of approximately \$700 million to the Company. As part of the transaction, LandSource completed a new \$1.55 billion bank debt financing.
