PROXY STATEMENT

GENERAL INFORMATION

Introduction

This Proxy Statement is furnished to the stockholders of record of IDT Corporation, a Delaware corporation (the "Company" or "IDT") as of the close of business on October 21, 2010, in connection with the solicitation by the Company's Board of Directors (the "Board of Directors") of proxies for use in voting at the Company's Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on Thursday, December 16, 2010 at 10:30 a.m., local time, at 550 Broad Street, Newark, New Jersey 07102. The shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), Class A common stock, par value \$0.01 per share ("Class A Common Stock"), and Class B common stock, par value \$0.01 per share ("Class B Common Stock"), present at the Annual Meeting or represented by the proxies received by telephone, Internet or mail (properly marked, dated and executed) and not revoked, will be voted at the Annual Meeting. This Proxy Statement is being mailed to the Company's stockholders starting on November 4, 2010.

Solicitation and Voting Procedures

This solicitation of proxies is being made by the Company. The solicitation is being conducted by mail and by e-mail, and the Company will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Annual Meeting and any reimbursements paid to brokerage firms and others for their expenses incurred in forwarding the solicitation materials regarding the Annual Meeting to the beneficial owners of the Company's Common Stock, Class A Common Stock and Class B Common Stock. The Company may conduct further solicitations personally, by telephone or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on Thursday, October 21, 2010 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock, Class A Common Stock and Class B Common Stock entitled to notice of, and to vote at, the Annual Meeting. As of the close of business on the Record Date, the Company had 35,736,176 shares issued, of which 22,628,795, the outstanding shares, are entitled to vote at the Annual Meeting, consisting of 3,728,655 shares of Common Stock, 3,272,326 shares of Class A Common Stock and 15,627,814 shares of Class B Common Stock. The remaining 13,017,381 shares issued, consisting of 5,512,840 shares of Common Stock and 7,594,541 shares of Class B Common Stock, are beneficially owned by the Company, and are not entitled to vote or to be counted as present at the Annual Meeting for purposes of determining whether a quorum is present. The shares of stock owned by the Company will not be deemed to be outstanding for determining whether a majority of the votes cast have voted in favor of any proposal.

Stockholders are entitled to one vote for each share of Common Stock held by them, three votes for each share of Class A Common Stock held by them and one-tenth of one vote for each share of Class B Common Stock held by them. The holders of Common Stock, Class A Common Stock and Class B Common Stock will vote as a single body on all matters presented to the stockholders.

How do I Vote?

You can vote either in person at the Annual Meeting or by proxy without attending the meeting.

Beneficial holders of the Company's Common Stock, Class A Common Stock and Class B Common Stock as of the Record Date whose stock is held of record by another party should receive voting instructions from their bank, broker or other holder of record. If a stockholder's shares are held through a nominee and the stockholder wants to vote at the meeting, such stockholder must obtain a proxy from the nominee record holder authorizing such stockholder to vote at the Annual Meeting.

Stockholders of record should receive a paper copy of our proxy materials and may vote by following the instructions on the proxy card that is included with the proxy materials. As set forth on the proxy card, there are three convenient methods for holders of record to direct their vote by proxy without attending the Annual Meeting: by telephone, on the Internet or by mail. To vote by phone, call the toll-free telephone number on the proxy card (1-800-PROXIES), and to vote by Internet, visit www.voteproxy.com. To vote by mail, mark, date and sign the enclosed proxy card and return it in the postage-paid envelope provided. Holders of record may also vote by attending the Annual Meeting and voting by ballot.

All shares for which a proxy has been duly executed and delivered (by telephone, Internet or mail) and not revoked will be voted at the Annual Meeting. If a stockholder of record signs and returns a proxy card but does not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors. If any other matters are properly presented at the Annual Meeting for consideration and if you have voted your shares by Internet, telephone, or mail, the persons named as proxies will have the discretion to vote on those matters for you. On the date of filing this Proxy Statement with the SEC, the Board of Directors did not know of any other matter to be raised at the Annual Meeting.

How Can I Change My Vote?

A stockholder of record can revoke his, her or its proxy at any time before it is voted at the Annual Meeting by delivering to the Company (to the attention of Joyce J. Mason, Esq., Executive Vice President, General Counsel and Corporate Secretary) a written notice of revocation or by executing a later-dated proxy by telephone, Internet or mail, or by attending the Annual Meeting and voting in person.

If your shares are held in the name of a bank, broker, or other nominee, you must obtain a proxy executed in your favor from the holder of record (that is, your bank, broker, or nominee) to be able to vote at the Annual Meeting.

Quorum and Vote Required

The presence at the Annual Meeting of a majority of the voting power of the Company's outstanding Common Stock, Class A Common Stock and Class B Common Stock (voting together), either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstention votes and any broker non-votes (i.e., votes withheld by brokers on non-routine proposals in the absence of instructions from beneficial owners) will be counted as present or represented at the Annual Meeting for purposes of determining whether a quorum exists.

The affirmative vote of a majority of the voting power present at the Annual Meeting will be required for the approval of the election of directors (Proposal No. 1). This means that the number of votes cast for a director nominee must exceed the number of votes cast against that nominee. Abstentions are not counted as votes for or against these proposals.

Under New York Stock Exchange rules, without voting instructions from the beneficial owner, brokers may not vote shares on non-routine matters. The election of directors is a non-routine matter. In the absence of voting

instructions from the beneficial owner, a broker non-vote may occur. In the event of a broker non-vote or an abstention with respect to any proposal coming before the Annual Meeting, the shares represented by the relevant proxy will not be deemed to be present and entitled to vote on those proposals for the purpose of determining the total number of shares of which a majority is required for adoption, having the practical effect of reducing the number of affirmative votes required to achieve a majority vote for such matters by reducing the total number of shares from which a majority is calculated.

How Many Votes Are Required to Approve Other Matters?

Unless otherwise required by law or the Company's Bylaws, the affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote will be required for other matters that may properly come before the meeting.

Stockholders Sharing the Same Address

We are sending only one copy of the Annual Report and Proxy Statement to stockholders of record who share the same last name and address, unless they have notified the Company that they want to continue to receive multiple copies. This practice, known as "householding," is designed to reduce duplicate mailings and printings and postage costs. However, if any stockholder residing at such address wishes to receive a separate Annual Report or Proxy Statement in the future, he or she may contact Joyce J. Mason, Esq., Corporate Secretary, IDT Corporation, 520 Broad Street, Newark, New Jersey 07102, or by phone at (973) 438-1000, and we will promptly forward to such stockholder a separate Annual Report or Proxy Statement. The contact information above may also be used by members of the same household currently receiving multiple copies of the Annual Report and Proxy Statement in order to request that only one set of materials be sent in the future.

References to Fiscal Years

The Company's fiscal year ends on July 31 of each calendar year. Each reference to a Fiscal Year refers to the Fiscal Year ending in the calendar year indicated (e.g., Fiscal 2010 refers to the Fiscal Year ended July 31, 2010).

References to Company Shares

All references to the Company's Common Stock, Class A Common Stock and Class B Common Stock and price per share amounts reflect the Company's one-for-three reverse stock split, which became effective on February 24, 2009.

CORPORATE GOVERNANCE

Introduction

The Company has in place a comprehensive corporate governance framework that reflects the corporate governance requirements of the Sarbanes-Oxley Act of 2002, the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended, and the corporate governance-related listing requirements of the New York Stock Exchange. Consistent with the Company's commitment to strong corporate governance, the Company does not rely on the exceptions from the New York Stock Exchange's corporate governance listing requirements available to it because it is a controlled company, except as described below with regard to (i) the composition of the Nominating Committee and (ii) the Company not having a single Nominating/Corporate Governance Committee.

In accordance with Sections 303A.09 and 303A.10 of the New York Stock Exchange Listed Company Manual, the Company has adopted a set of Corporate Governance Guidelines and a Code of Business Conduct

and Ethics, the full texts of which are available for your review in the Governance section of our website at <http://www.idt.net/about/ir/overview.asp> and which also are available in print to any stockholder upon written request to the Corporate Secretary.

The Company qualifies as a controlled company as defined in Section 303A of the New York Stock Exchange Listed Company Manual, because more than 50% of the voting power of the Company is controlled by one individual, Howard S. Jonas, who serves as Chief Executive Officer and Chairman of the Board of Directors. Notwithstanding that being a controlled company entitles the Company to exempt itself from the requirement that a majority of its directors be independent directors and that the Compensation Committee and Corporate Governance Committee be comprised entirely of independent directors, the Board of Directors has determined affirmatively that a majority of the members of the Board of Directors and the director nominees are independent in accordance with Section 303A.02 of the New York Stock Exchange Listed Company Manual and that the Compensation Committee and the Corporate Governance Committee are in fact comprised entirely of independent directors. As a controlled company, the Company may, and has chosen to, exempt itself from the New York Stock Exchange requirement that it have a single Nominating/Corporate Governance Committee composed entirely of independent directors. As noted above, and discussed in greater detail below, the Board of Directors maintains a separate Corporate Governance Committee comprised entirely of independent directors, and a Nominating Committee comprised of the Chairman of the Board of Directors and one independent director.

Director Independence

The Corporate Governance Guidelines adopted by the Board of Directors provide that a majority of the members of the Board of Directors, and each member of the Audit, Compensation and Corporate Governance Committees, must meet the independence requirements set forth therein. The full text of the Corporate Governance Guidelines, including the independence requirements, is available for your review in the Governance section of our website at <http://www.idt.net/about/ir/overview.asp>. For a director to be considered independent, the Board of Directors must determine that a director meets the Independent Director Qualification Standards set forth in the Corporate Governance Guidelines, which comply with the New York Stock Exchange definitions of independent, and is free from any material relationship with the Company and its executive officers. The Board of Directors considers all relevant facts and circumstances known to it in making an independence determination, and not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation or significant financial interest. In addition to considering all relevant information available to it, the Board of Directors uses the following categorical Independent Director Qualification Standards in determining the independence of its directors:

1. During the past three years, the Company shall not have employed the director, or, except in a non-officer capacity, any of the director's immediate family members;
2. During the past three years, the director shall not have received, and shall not have an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- 3.(a) The director shall not be a current partner or employee of a firm that is the Company's internal or external auditor, (b) the director shall not have an immediate family member who is a current partner of such firm, (c) the director shall not have an immediate family member who is a current employee of such firm and personally works on the Company's audit, and (d) neither the director nor any of his or her immediate family members shall have been, within the last three years, a partner or employee of such firm and personally worked on the Company's audit within that time;
4. Neither the director, nor any of his or her immediate family members, shall be, or shall have been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or served on that company's compensation (or equivalent) committee; and

5. The director shall not be a current employee and shall not have an immediate family member who is a current executive officer of a company (excluding tax exempt organizations) that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three Fiscal Years, exceeds the greater of (a) \$1 million or (b) two percent of the consolidated gross revenues of such other company. The Corporate Governance Committee will review the materiality of such relationship to tax exempt organizations to determine if such director qualifies as independent.

Based on the review and recommendation of the Corporate Governance Committee, the Board of Directors has determined that each of Lawrence E. Bathgate, Eric Cosentino, W. Wesley Perry and Judah Schorr is independent in accordance with the Corporate Governance Guidelines and, thus, that a majority of the current Board of Directors, a majority of the director nominees, and each member or nominee intended to become a member of the Audit, Compensation and Corporate Governance Committees is independent. The Corporate Governance Committee considered the following relationships between the Company and W. Wesley Perry: In April 2008, W. Wesley Perry, an independent director of the Company, sold a portion of his interest in EGL Oil Shale LLC to the Company for a cash payment of \$632,400. Mr. Perry owns an overriding royalty interest in .2635 of 1% covering the Company's commercial lease (should the Company have the opportunity to convert its research, development and demonstration lease) of lands in Western, Colorado. In April 2010, Mr. Perry purchased a 0.2% interest in Genie Energy Corporation, the Company's subsidiary, for \$400,000. The Corporate Governance Committee determined, after considering the timing, ownership and financial interest of the transactions, that the foregoing relationships were not material relationships with the Company and would not impact Mr. Perry's independence. The Corporate Governance Committee, therefore, recommended that the Board of Directors determine that Mr. Perry be deemed independent in accordance with the Corporate Governance Guidelines. The Board of Directors accepted the Corporate Governance Committee's recommendation. As used herein, the term "non-employee director" shall mean any director who is not an employee or consultant of the Company, and who is deemed to be independent by the Board of Directors. Therefore, neither Howard Jonas nor James Courter is a non-employee director. None of the other non-employee directors or director nominees had any relationships with the Company that the Corporate Governance Committee was required to consider when reviewing independence.

Director Selection Process

The Nominating Committee will consider director candidates recommended by the Company's stockholders. Stockholders may recommend director candidates by contacting the Chairman of the Board as provided under the heading "Director Communications." The Nominating Committee considers candidates suggested by its members, other directors, senior management and stockholders in anticipation of upcoming elections and actual or expected board vacancies. All candidates, including those recommended by stockholders, are evaluated on the same basis in light of the entirety of their credentials and the needs of the Board of Directors and the Company. Of particular importance is the candidate's wisdom, integrity, ability to make independent analytical inquiries, understanding of the business environment in which the Company operates, as well as his or her potential contribution to the diversity of the Board of Directors and his or her willingness to devote adequate time to fulfill duties as a director. Under "Proposal No. 1 Election of Directors" below, we provide an overview of each nominee's experience, qualifications, attributes and skills that led the Nominating Committee and the Board of Directors to determine that each nominee should serve as a Director.

Director Communications

Stockholders and other interested parties may communicate with: (i) the Board of Directors, by contacting the Chairman of the Board; (ii) the non-employee directors, by contacting the Lead Independent Director; and (iii) the Audit, Compensation or Corporate Governance Committees of the Board of Directors, by contacting the Chairmen of such committees. All communications should be in writing, should indicate in the address whether the communication is intended for the Lead Independent Director, the Chairman of the Board, or a Committee Chairman, and should be directed care of IDT Corporation's Corporate Secretary, Joyce J. Mason, Esq., Stockholder Communications, IDT Corporation, 520 Broad Street, Newark, New Jersey 07102.

The Corporate Secretary will relay correspondence (i) intended for the Board of Directors, to the Chairman of the Board, who will, in turn, relay such correspondence to the entire Board of Directors, (ii) intended for the non-employee directors, to the Lead Independent Director, and (iii) intended for the Audit, Compensation, and Corporate Governance Committees, to the Chairmen of such committees.

The Corporate Secretary may filter out and disregard or re-direct (without providing a copy to the directors or advising them of the communication), or may otherwise handle at his or her discretion, any director communication that falls into any of the following categories:

Obscene materials;

Unsolicited marketing or advertising material or mass mailings;

Unsolicited newsletters, newspapers, magazines, books and publications;

Surveys and questionnaires;

Resumes and other forms of job inquiries;

Requests for business contacts or referrals;

Material that is threatening or illegal; or

Any communications or materials that are not in writing.

In addition, the Corporate Secretary may handle in his or her discretion any director communication that can be described as an ordinary business matter. Such matters include the following:

Routine questions, service and product complaints and comments that can be appropriately addressed by management; and

Routine invoices, bills, account statements and related communications that can be appropriately addressed by management.

BOARD OF DIRECTORS AND COMMITTEES

Board of Directors

The Board of Directors held six meetings in Fiscal 2010. In Fiscal 2010, each of the Company's directors attended or participated in 75% or more of the aggregate of (i) the total number of regularly scheduled meetings of the Board of Directors held during the period in which each such director served as a director and (ii) the total number of regularly scheduled meetings held by all committees of the Board of Directors during the period in which each such director served on such committees.

Directors are encouraged to attend the Company's annual meetings of stockholders, and the Company generally schedules a meeting of the Board of Directors on the same date and at the same place as the annual meeting of stockholders to encourage director attendance. All of the members constituting the Board of Directors at the time of the annual meeting of stockholders for Fiscal 2009 attended the 2009 annual meeting of stockholders.

Board of Directors Leadership Structure and Risk Oversight Role

The Company maintained separate positions of Chairman of the Board and Chief Executive Officer from August 2001 to October 2009, when James A. Courter served as the Chief Executive Officer of the Company and Howard S. Jonas served as the Chairman of the Board. At the end of Mr. Courter's tenure, the Board of Directors combined the position of Chairman of the Board and Chief Executive Officer and elected Mr. Jonas to fill the position of Chief Executive Officer, in addition to his then-current role as Chairman of the Board. The Board of Directors decision was based on Mr. Jonas' leadership skills and his knowledge of the Company's businesses since its inception. As Chairman of the Board, Mr. Jonas provides overall leadership to the Board of Directors in its oversight function while, as Chief Executive Officer, he provides leadership in respect to the day-to-day management and operation of the Company's businesses. Mr. Jonas' service as both Chairman of the Board and Chief Executive Officer creates a critical link between management and the Board of Directors. The risk management oversight roles of the Compensation, Audit and Corporate Governance Committees discussed below, which are comprised solely of independent directors, provide an appropriate and effective balance to the combined Chairman of the Board and Chief Executive Officer role.

Section 303A.03 of the New York Stock Exchange Listed Company Manual requires that the non-employee directors of the Company meet without management at regularly scheduled executive sessions. These executive sessions are held at every regularly scheduled meeting of the Board of Directors. Eric F. Cosentino, an independent director and the Lead Independent Director, serves as the presiding director of these executive sessions and has served in that capacity since December 17, 2009. The Board of Directors determined that the role of Lead Independent Director was important to maintain a well-functioning Board of Directors that objectively assesses management's proposals.

The Board of Directors and each of its committees conduct annual self-assessments to review and monitor their respective continued effectiveness. As part of its Fiscal 2010 self-assessment exercise, the Board of Directors determined, among other things, that its size, composition and structure were appropriate.

The Board of Directors as a whole, and through its committees, has responsibility for the oversight of risk management, including the review of the policies with respect to risk management and risk assessment. With the oversight of the full Board of Directors, the Company's senior management is responsible for the day-to-day management of the material risks the Company faces. The Board of Directors is required to satisfy itself that the risk management process implemented by management is adequate and functioning as designed.

Each of the Audit, Compensation and Corporate Governance Committees oversees certain aspects of risk management and reports its respective findings to the full Board of Directors on a quarterly basis, and as is otherwise needed. The Audit Committee is responsible for overseeing risk management of financial matters,

financial reporting, the adequacy of the risk-related internal controls, internal investigations, and security risks, generally. The Corporate Governance Committee oversees our corporate governance guidelines and governance-related risks, such as board independence, as well as senior management and director succession planning. The Compensation Committee oversees risks related to compensation policies and practices.

Board Committees

The Board of Directors has established an Audit Committee, a Nominating Committee, a Compensation Committee, and a Corporate Governance Committee.

The Audit Committee

The Audit Committee consists of Lawrence Bathgate (Chairman), Eric Cosentino and Judah Schorr, and is responsible for, among other things, the appointment, compensation, removal and oversight of the work of the Company's independent registered public accounting firm. The Audit Committee also oversees management's performance of its responsibility for the integrity of the Company's accounting and financial reporting and its systems of internal controls, the performance of the Company's internal audit function and the Company's compliance with legal and regulatory requirements. The Audit Committee operates under a written Audit Committee charter adopted by the Board of Directors, which can be found in the Governance section of our web site, <http://www.idt.net/about/ir/overview.asp>, and is also available in print to any stockholder upon request to the Corporate Secretary. The Audit Committee held 11 meetings during Fiscal 2010. The Board of Directors has determined that (i) all of the members of the Audit Committee are independent within the meaning of the Section 303A.07(b) and Section 303A.02 of the New York Stock Exchange Listed Company Manual and Rule 10A-3(b) under the Securities Exchange Act of 1934, and (ii) that Mr. Bathgate qualifies as an audit committee financial expert within the meaning of Item 407(d)(5) of Regulation S-K.

The Nominating Committee

The Nominating Committee is responsible for overseeing nominations to the Board of Directors, including: (i) developing the criteria and qualifications for membership on the Board of Directors, (ii) recommending candidates to fill new or vacant positions on the Board of Directors, and (iii) conducting appropriate inquiries into the backgrounds of potential candidates. A summary of new director qualifications can be found under the heading Director Selection Process. The Nominating Committee currently consists of Howard S. Jonas (Chairman) and Eric Cosentino. Eric Cosentino is independent in accordance with Section 303A.04 of the New York Stock Exchange Listed Company Manual. Mr. Jonas is not independent. The Company, as a controlled company, is exempt from the requirement to maintain an independent nominating committee pursuant to Section 303A.00 of the New York Stock Exchange Listed Company Manual. The Nominating Committee operates under a written charter adopted by the Board of Directors, which can be found in the Governance section of our web site, <http://www.idt.net/about/ir/overview.asp>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Nominating Committee held one meeting in Fiscal 2010. Mr. Perry was recommended by the Nominating Committee to fill a vacancy resulting from a Board of Director decision to increase the size of the Board of Directors to six members, and became a member of the Board of Director on September 13, 2010. Mr. Perry was approved for inclusion on our proxy card by the Nominating Committee.

The Compensation Committee

The Compensation Committee is responsible for, among other things, reviewing, evaluating and approving all compensation arrangements for the executive officers of the Company, evaluating the performance of executive officers, administering the Company's 2005 Stock Option and Incentive Plan, as amended and restated, and, its predecessor, the 1996 Stock Option and Incentive Plan, as amended and restated, and recommending to the Board of Directors the compensation for Board members, such as retainers, committee and other fees, stock option, restricted stock and other stock awards, and other similar compensation as deemed appropriate. The

Compensation Committee confers with the Company's executive officers when making the above determinations. The Compensation Committee currently consists of Messrs. Bathgate (Chairman), Cosentino and Schorr. The Compensation Committee held six meetings during Fiscal 2010. The Compensation Committee operates under a written charter adopted by the Board of Directors, which can be found in the Governance section of our web site, <http://www.idt.net/about/ir/overview.asp>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Board of Directors has determined that all of the members of the Compensation Committee are independent within the meaning of Section 303A.02 of the New York Stock Exchange Listed Company Manual and the categorical standards set forth above.

Beginning in Fiscal 2010, the Compensation Committee adopted Company-wide goals and objectives for the fiscal year to be used as a guide when determining annual bonus payments to executive officers after the end of the fiscal year. The Compensation Committee reviews the goals and objectives at the end of the fiscal year to determine the amounts of annual cash bonuses to be awarded to executive officers.

The Corporate Governance Committee

The Corporate Governance Committee is responsible for, among other things, reviewing and reporting to the Board of Directors on matters involving relationships among the Board of Directors, the stockholders and senior management. The Corporate Governance Committee (i) reviews the Corporate Governance Guidelines and other policies and governing documents of the Company and recommends revisions as appropriate, (ii) reviews any potential conflicts of interests of independent directors, (iii) reviews and monitors related person transactions, (iv) oversees the self-evaluations of the Board of Directors, the Audit Committee and the Compensation Committee and (v) reviews and determines director independence, and makes recommendations to the Board of Directors regarding director independence. The Corporate Governance Committee currently consists of Messrs. Cosentino (Chairman), Bathgate and Schorr. The Corporate Governance Committee held five meetings in Fiscal 2010. The Corporate Governance Committee operates under a written charter adopted by the Board of Directors, which can be found in the Governance section of our web site, <http://www.idt.net/about/ir/overview.asp>, and which is also available in print to any stockholder upon request to the Corporate Secretary. The Board of Directors has determined that all of the members of the Corporate Governance Committee are independent within the meaning of Section 303A.02 of the New York Stock Exchange Listed Company Manual and the categorical standards set forth above.

2010 COMPENSATION FOR NON-EMPLOYEE DIRECTORS

Annual compensation for non-employee directors for Fiscal 2010 was comprised of equity compensation, consisting of awards of restricted Class B Common Stock, and cash compensation. Each of these components is described in more detail below.

Director Equity Grants

Pursuant to the Company's 2005 Stock Option and Incentive Plan, as amended and restated, each non-employee director of the Company who is deemed to be independent will receive, on each January 5th (or the next business day thereafter), an automatic grant of 4,166 shares of restricted Class B Common Stock, which vest immediately upon grant. In addition, each non-employee director who serves as a member of one or more committees of the Board of Directors of the Company as of January 5th (or the next business day thereafter) will receive an additional annual automatic grant of 4,166 shares of Class B Common Stock (without duplicate grants for serving on multiple committees). A new director who becomes a member of the Board of Directors during the course of the calendar year receives an automatic grant on the date that he or she becomes a director in the amounts specified above, pro rated based on the calendar quarter of the year in which such person became a director. The stock is granted on a going forward basis, before the director completes his or her service for the calendar year. All such grants of stock to non-employee directors are subject to certain terms and conditions described in the Company's 2005 Stock Option and Incentive Plan, as amended and restated.

Director Board Retainers

Each non-employee director of the Company who attended at least 75% of the regularly scheduled meetings of the Board of Directors during a calendar year receives an annual cash retainer of \$50,000. Such payment is made at the end of the calendar year following attendance of at least 75% of the Board of Directors meetings during that calendar year, and is pro-rated for non-employee directors who join the Board of Directors or depart from the Board of Directors during the prior year, if such director attended 75% of the applicable board meetings for such partial year. The Company's Chief Executive Officer may, in his discretion, waive the requirement of 75% attendance by a director to receive the annual retainer in the case of mitigating circumstances.

Committee Fees

Non-employee directors who serve on committees of the Board of Directors receive the following annual fees: \$25,000 for the Audit Committee, \$15,000 for the Compensation Committee and \$10,000 for the Corporate Governance Committee. Committee fees are paid quarterly to committee members who attend at least 75% of the meetings of each committee's regularly scheduled meetings during a calendar quarter. The members of the Nominating Committee did not receive payment from the Company for their service on the committee during Fiscal 2010.

Lead Independent Directors and Audit Committee Financial Expert

From January 1, 2009 through December 17, 2009, the annual retainer for each of the Lead Independent Director and the Audit Committee's financial expert was \$125,000 per calendar year. Such payments were made in January 2010 for calendar 2009. On December 17, 2009, the Board of Directors voted to eliminate the additional compensation for the Lead Independent Director and the Audit Committee Financial Expert. James Mellor served as the Lead Independent Director and the Audit Committee's financial expert from August 23, 2007 until December 17, 2009. Eric Cosentino has served as the Lead Independent Director since December 17, 2009 and Lawrence Bathgate has served as the Audit Committee Financial Expert since December 17, 2009.

RELATED PERSON TRANSACTIONS

Review of Related Person Transactions

On December 14, 2006, the Board of Directors adopted a Statement of Policy with respect to Related Person Transactions, which was administered by the Audit Committee until March 13, 2008, at which time the Board of Directors transferred such administration to the Corporate Governance Committee. This policy covers any transaction or series of transactions in which the Company or a subsidiary is a participant, the amount involved exceeds \$120,000 and a Related Person has a direct or indirect material interest. Related Persons include directors, director nominees, executive officers, any beneficial holder of more than 5% of any class of the Company's voting securities, and any immediate family member of any of the foregoing persons. On April 19, 2010, the Board of Directors expanded the scope of the policy to include transactions which, despite not meeting the criteria set forth above, are otherwise material to investors based on qualitative factors, as determined by the Corporate Governance Committee with input from the Company's management and advisors. Transactions that fall within this definition are considered by the Corporate Governance Committee for approval, ratification or other action. Based on its consideration of all of the relevant facts and circumstances, the Corporate Governance Committee will decide whether or not to approve such transaction and will approve only those transactions that are in the best interests of the Company and its stockholders. If the Company becomes aware of an existing Related Person Transaction that has not been approved under this Policy, the matter will be referred to the Corporate Governance Committee. The Corporate Governance Committee will evaluate all options available, including ratification, revision or termination of such transaction.

Transactions with Related Persons, Promoters and Certain Control Persons

All of the following Related Person Transactions were approved in accordance with the policy described above:

There is a brother/sister relationship between Howard S. Jonas, Chairman of the Board, Chief Executive Officer and controlling stockholder, and Joyce J. Mason, General Counsel, Corporate Secretary and Executive Vice President. Howard Jonas' total compensation is set forth in the Summary Compensation Table. Joyce Mason's total compensation was \$370,400 and \$357,587 during Fiscal 2010 and Fiscal 2009, respectively. Ms. Mason's current annual base salary is \$310,400.

Michael Jonas, son of Howard Jonas, became an employee of the Company on November 15, 2005. Michael Jonas' total compensation was \$105,850 and \$64,400 during Fiscal 2010 and Fiscal 2009, respectively. Michael Jonas' current annual base salary is \$125,000.

Samuel (Shmuel) Jonas, son of Howard Jonas, became an employee of the Company on January 2, 2008. He served as Vice President of Operations until June 2010, at which time he was elected as Chief Operating Officer. IDT Domestic Telecom, Inc., a subsidiary of the Company, leases space at 3220 Arlington Avenue, Bronx. The lease was signed in August 2009, after the Company completed the move of most of its operations to 550 Broad Street, Newark, NJ and found that it did not have sufficient space to house the Union Telecard Alliance business. The property is owned by 3220 Arlington Suites, LLC, a company owned by Shmuel Jonas and Howard Jonas. 3220 Arlington Suites, LLC was able to build out space to Union Telecard Alliance's specifications. The rental price for 3,304 square feet is \$135,100 per year for a two-year lease, which commenced in May 2010, and \$66,080 in build out costs, each paid at the lease signing. The rental price is in accord with the fair market value of similar listed commercial space in the area.

In 2006, the Company, as managing member of 494 Broad, LLC, engaged Atlantic C&P, a company owned entirely by Shmuel Jonas, Howard Jonas' son and the Company's current Chief Operating Officer, to build out

and run a cafeteria on the property located at 494 Broad Street in Newark, New Jersey. Atlantic C&P was selected because of its suitability for the project and Mr. Shmuel Jonas' experience in the operation of the cafeteria in the Company's headquarters. Atlantic C&P paid \$170,000 to build out the space, including the cost of equipment. On March 8, 2007, a subsidiary of the Company entered into an agreement to sell the property to a third party, and the buyer required the removal of all of the improvements. In August 2009, Atlantic C&P informed the Company of expenses in the aggregate amount of \$150,000 (after netting certain funds that it realized on disposing of certain equipment), it had incurred related to the development of the space in 494 Broad Street and the fact that those expenses had never been reimbursed by the Company. Prior to Atlantic C&P informing the Company in August 2009 of the unreimbursed expenses, the Company was not aware of any potential obligation to make the repayment. On August 17, 2010, the Company reimbursed Atlantic C&P a total of \$150,000.

On September 14, 2009, CTM Media Holdings, Inc. was spun-off to the stockholders of the Company. Howard Jonas is the controlling stockholder and Chairman of the Board of CTM Media Holdings, Inc. Upon the consummation of the spin-off of CTM Media Holdings, Inc., the Company and CTM Media Holdings, Inc. entered into a Master Services Agreement pursuant to which the Company provides to CTM Media Holdings, Inc. administrative, financial, technological, regulatory and legal services. From September 14, 2009 through July 31, 2010, CTM paid the Company \$772,914 pursuant to this Agreement. As of July 31, 2010, CTM Media Holdings, Inc. owed the Company \$36,210. Currently, the Company bills CTM Media Holdings, Inc. \$16,333 per month pursuant to this Agreement.

The Company provides office space as well as certain connectivity and other services to Jonas Media Group (formerly Jonas Publishing), a publishing firm owned by the Company's Chairman of the Board and Chief Executive Officer, Howard Jonas. Billings for such services were \$24,258 and \$233,543 in Fiscal 2010 and Fiscal 2009, respectively. The Company allocated services of certain of its employees to Jonas Media Group during Fiscal 2009. Such employees were terminated with severance payments allocated proportionally to Jonas Media Group during Fiscal 2009. The Company charges Jonas Media Group \$5.29 per square foot annually for the approximate 1,100 square foot basement space occupied by Jonas Media Group at 550 Broad Street, Newark, NJ, which is the rent that IDT pays to lease this space. As of July 31, 2010, Jonas Media Group owed the Company approximately \$257,801.

In April 2008, W. Wesley Perry sold a portion of his interest in EGL Oil Shale LLC to the Company for a cash payment of \$632,400. Mr. Perry joined the Genie Energy Corporation board of directors at its inception in September 2009 and purchased a 0.2% interest in Genie Energy Corporation, the Company's subsidiary, for \$400,000 in April 2010. Under the terms of the Revised Jonas Agreement, in the event of Mr. Jonas' death, the Company shall pay Mr. Jonas' estate a lump sum payment equal to twelve (12) months of Mr. Jonas' base salary (at the rate in effect on the date of his death).
