PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of InfuSystem Holdings, Inc. (the Company) to be used at the Annual Meeting of Stockholders to be held on Friday, May 27, 2011, and at any adjournment thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement and the accompanying materials are expected to be first sent or given to stockholders of the Company on or about April 20, 2011.

The close of business on April 15, 2011 has been fixed as the record date (the Record Date) for the determination of the stockholders entitled to notice of and to vote at the Annual Meeting. Only holders of shares of the Company's Common Stock as of the Record Date are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock entitles the holder thereof to one vote per share on each matter presented to the stockholders for approval at the Annual Meeting. On the Record Date, there were 21,178,062 shares of Common Stock outstanding and entitled to vote.

If your shares are registered directly in your name with the Company's transfer agent, BNY Mellon Shareowner Services, you are considered the stockholder of record of those shares and this Proxy Statement and the accompanying materials are being sent directly to you by the Company.

If you are a stockholder of record (also called a registered stockholder) you can vote your shares in person at the Annual Meeting or you can vote by proxy using the Internet at www.proxyvoting.com/inhi by telephone at 1-866-540-5760 or by completing and returning the enclosed proxy card.

Whichever method you use, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on May 26, 2011. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

You may change your vote or revoke your proxy at any time before it is voted at the Annual Meeting by executing a later-voted proxy by telephone, mail or the Internet or by voting by ballot at the Annual Meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name (also called a street name holder), and this Proxy Statement and the accompanying materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record of those shares. As a beneficial owner, you have the right to direct your broker, bank or nominee on how to vote the shares held in your account.

If you are a beneficial owner of shares held in street name, you are invited to attend the Annual Meeting. However, since you are not a stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the stockholder of record. A legal proxy may be obtained from your broker, bank or nominee. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote your shares according to the voting instructions that you receive from your broker, bank or nominee. The availability of Internet or telephone voting will depend upon the bank's, broker's or nominee's voting processes.

The presence, in person or by proxy, of the holders of a majority of the shares of the Common Stock entitled to vote at the Annual Meeting will constitute a quorum. Assuming a quorum is met, the Board of Directors will

Table of Contents

be elected by a plurality of the votes of the shares of the Company's Common Stock present, in person or by proxy at the Annual Meeting. The authorization of an additional 3,000,000 shares of Common Stock for issuance under the Company's 2007 Stock Incentive Plan, the re-approval of the criteria for performance-based awards under the Company's 2007 Stock Incentive Plan and the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011 will each require the affirmative vote of a majority of the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present and entitled to vote in person or by proxy at the Annual Meeting.

With respect to the election of directors, votes may be cast in favor or withheld, and election will be by plurality. Votes that are withheld and broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors. You may vote either for or against or abstain from voting on the proposal to increase the number of shares of Common Stock authorized for issuance under the Company's 2007 Stock Incentive Plan, the proposal to re-approve the criteria for performance-based awards under the Company's 2007 Stock Incentive Plan and the proposal to ratify the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm, and each proposal requires a majority of the votes present and entitled to vote. Abstentions are treated as shares present or represented and entitled to vote at the Annual Meeting and will have the same effect as a vote against the proposals. Broker non-votes will have no effect on the outcome of the proposals. A failure to vote by not returning a signed proxy will have no effect on the outcome of the proposal.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED (I) FOR THE ELECTION OF THE EIGHT NOMINEES TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING OF STOCKHOLDERS IN 2012 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED, (II) FOR THE AUTHORIZATION OF AN ADDITIONAL 3,000,000 SHARES OF COMMON STOCK FOR ISSUANCE UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN, (III) FOR THE RE-APPROVAL OF THE CRITERIA FOR PERFORMANCE-BASED SHARE AWARDS UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN AND (IV) FOR THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2011. IN THE DISCRETION OF THE PROXY HOLDERS, THE PROXIES WILL ALSO BE VOTED FOR OR AGAINST SUCH OTHER MATTERS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING. The Nominating Committee reviews each director candidate's biographical information and assesses each candidate's independence, skills and expertise based on a variety of factors, including the following criteria:

Whether the candidate has exhibited behavior that indicates he or she is committed to the highest ethical standards.

Whether the candidate has had broad business, governmental, non-profit or professional experience that indicates that the candidate will be able to make a significant and immediate contribution to the Board of Directors' discussion and decision-making.

Whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director. In addition to above listed criteria, the Nominating Committee considers the diversity of candidates, which may include diversity of skills and experience as well as geographic, gender, age, and ethnic diversity. The Nominating Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates.

Application of these factors requires the exercise of judgment by members of the Nominating Committee and cannot be measured in a quantitative way.

PROPOSALS 2 AND 3

**AUTHORIZATION OF AN ADDITIONAL 3,000,000 SHARES OF COMMON STOCK FOR
ISSUANCE, AND RE-APPROVAL OF CRITERIA FOR PERFORMANCE-BASED AWARDS
UNDER THE COMPANY'S 2007 STOCK INCENTIVE PLAN**

Background

At a meeting of stockholders held on September 26, 2007, the Company's stockholders approved the adoption of the InfuSystem Holdings, Inc. 2007 Stock Incentive Plan (the "Plan"), providing for the issuance of a maximum of 2,000,000 shares of Common Stock in connection with the grant of options and/or other stock-based or stock-denominated awards.

Since the adoption of the Plan, the Board of Directors, or the Compensation Committee thereof, has approved various grants and as a result, only 76,662 additional shares remain available for issuance under the Plan. The Board of Directors believes that attracting, retaining and rewarding directors, officers, other employees and persons who provide services to the Company and its subsidiaries and enabling such persons to acquire or increase a proprietary interest in the Company has been and will continue to be essential to the Company's growth and success. The Plan will enable the Company to continue to maintain a compensation program with different types of incentives for motivating such individuals and encouraging them to give the Company long-term, excellent service. Accordingly, the Board of Directors believes that it is in the best interests of the Company to increase the total number of shares authorized for issuance under the Plan by 3,000,000 shares (the "Increase"), which would enable the Company to continue to make grants or other awards under the Plan in the future. In addition, in a separate proposal, the Company is asking stockholders to re-approve the criteria for performance-based awards under the Plan (the "Re-Approval").

On April 8, 2011, the Company's Board of Directors, acting upon the recommendation of the Compensation Committee, unanimously approved Increase and the Re-Approval and recommended that they be submitted to the stockholders for approval at the Annual Meeting. If approved by the stockholders at the Annual Meeting, the Increase and the Re-Approval will be effective immediately thereafter. Except for the Increase and the Re-Approval, no changes are proposed to be made to the Plan, a copy of which is attached as Annex B to the Company's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on August 8, 2007. Stockholders will be asked to vote separately on the Increase and the Re-Approval. Approval of one is not contingent upon the approval of the other.

Reasons for Stockholder Approval

The Board of Directors seeks stockholder approval of the Increase under the rules of the NYSE AMEX.

The Board of Directors also seeks to preserve the Company's ability to claim tax deductions for compensation paid, to the greatest extent practicable. Section 162(m) of the Internal Revenue Code limits the deductions a publicly held company can claim for compensation in excess of \$1 million in a given year paid to the chief executive officer and the four other most highly compensated executive officers serving on the last day of the fiscal year (generally referred to as the "named executive officers"). Performance-based compensation that meets certain requirements is not counted against the \$1 million deductibility cap, and therefore remains fully deductible. Under the terms of Section 162(m) performance-based compensation must be based upon pre-established performance goals based upon stockholder-approved criteria. These criteria must be re-approved by stockholders at least once every five years. The Company is seeking stockholder Re-Approval of the performance criteria contained in the Plan to ensure that future awards thereunder will continue to meet the key requirements to qualify as performance-based. These criteria, which have not changed, are described below under "Description of the Plan - Certain Performance-based Awards."

In addition, stockholder approval will permit designated stock options to qualify as incentive stock options under the Internal Revenue Code. Such qualification can give the holder of the options more favorable tax treatment.

Table of Contents

The approval of the Increase and the Re-Approval will not affect the Company's ability to make stock-based or cash-based awards outside of the Plan to the extent consistent with applicable law and stock exchange rules.

Potential Dilution

The aggregate number of shares of Common Stock that may be issued under the Plan will not exceed 5,000,000, subject to adjustment upon the occurrence of certain transactions or events. Upon approval of the Increase, an aggregate of 3,076,662 shares will be available for issuance under the Plan.

Description of the Plan

The following is a brief description of the material features of the Plan. This description is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached as Annex B to the Company's Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on August 8, 2007.

Administration

The Compensation Committee will have the authority to select award recipients, determine the type, size and other terms and condition of the award, and make all other decisions and determinations as may be required under the

Officers, employees, directors (including outside directors), and other persons who provide services to the Company and its subsidiaries are eligible to be selected as award recipients.

Type of Awards

The Compensation Committee is authorized to grant awards payable in either shares of Common Stock or cash, including options to purchase shares, restricted shares, stock appreciation rights, share units, performance units and dividend equivalents. These awards may be granted as a bonus, or in lieu of obligations of the Company or any subsidiary to pay cash or grant other awards under other plans or compensatory arrangements.

Terms and Conditions of Awards

The Compensation Committee will determine the size of each award to be granted (including, where applicable, the number of shares to which an award will relate), and all other terms and conditions of each award (including any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability, forfeiture, exercisability terms of the Plan or as the Compensation Committee may deem necessary or advisable for the administration of the Plan. The Compensation Committee will have the authority to delegate any or all of its authority to the extent such delegation is consistent with applicable law.

Eligibility, or settlement of an award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications of such restrictions or conditions).

Aggregate Limitation on Stock-Based Awards

The aggregate number of shares that may be issued under the Plan during the life of the Plan will not exceed 5,000,000, an increase of 3,000,000 from the maximum number of shares issuable thereunder as of the date hereof, subject to adjustment as discussed below. Shares issued that are reacquired by the Company in connection with a forfeiture or other failure to satisfy performance conditions will not be treated as having been issued for purposes of this limit. Shares delivered under the Plan may be newly issued shares, treasury shares or shares acquired on the market.

Table of Contents

Per Participant Limitations

In any calendar year, no individual may be granted stock-based awards under the Plan that relate to more than 500,000 shares, or cash-based awards that can be settled for more than \$500,000.

Certain Performance-Based Awards

The Compensation Committee may grant performance awards, which may be cash-denominated awards or stock-based awards. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition of awards being granted, becoming exercisable or settleable, or as a condition to accelerating the timing of such events. Performance may be measured over a period of any length specified by the Compensation Committee, up to 10 years. If so determined by the Compensation Committee, in order to avoid the limitations on tax deductibility under Section 162(m) of the Code, the business criteria used by the Compensation Committee in establishing performance goals applicable to performance awards to the named executive officers will be based on one or more of the following individual, corporate-wide or subsidiary, division or operating unit financial measures: (1) pre-tax or after-tax income; (2) pre-tax or after-tax operating income; (3) gross revenue; (4) profit margin; (5) stock price (including market capitalization); (6) cash flow(s); (7) market share; (8) pre-tax or after-tax earnings per share; (9) pre-tax or after-tax operating earnings per share; (10) expenses; (11) return on equity; and (12) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, cost targets, goals relating to acquisitions or divestitures, clinical goals, distribution and development goals, sales force goals and strategic alliance goals.

Pursuant to the Re-Approval, stockholders will be asked to re-approve the foregoing criteria. Each such goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on current internal targets and/or the past performance of the Company (including the performance of one or more subsidiaries, divisions and/or operating units), and in the case of earnings-based measures, may use or employ comparisons relating to capital (including, but not limited to, the cost of capital), stockholders' equity and/or shares outstanding, or to assets or net assets.

Adjustments

In the event of any change in the outstanding shares of Common Stock by reason of any share dividend or split, reorganization, recapitalization, merger, amalgamation, consolidation, spin-off, combination or exchange of shares, repurchase, liquidation, dissolution or other corporate exchange, any large, special and non-recurring dividend or distribution to stockholders, or other similar corporate transaction, the Compensation Committee shall make such substitution or adjustment as is equitable and appropriate in order to preserve, without enlarging, the rights of participants, as to (i) the number and kind of shares which may be delivered pursuant to awards, (ii) the number and kind of shares subject to or deliverable in respect of outstanding awards, and (iii) the exercise price, grant price or purchase price relating to any award. In addition, the Compensation Committee shall make such equitable and appropriate adjustments in the terms and conditions of, and the criteria included in, awards (including cancellation of awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for awards, or adjustment to performance goals in respect of awards) in recognition of unusual or nonrecurring events (including events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any subsidiary or any business unit, or the financial statements of the Company or any subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, if any such event will result in the acquisition of all or substantially all of the Company's outstanding shares of Common Stock, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding awards, such treatment shall govern without the need for any action by the Compensation Committee.

Table of Contents*Amendment, Termination*

The Compensation Committee may amend, suspend, discontinue, or terminate the Plan or the Board of Director's authority to grant awards under the plan without stockholder approval, except as required by law or regulation. Unless earlier terminated, the Plan will terminate ten years after its approval by stockholders.

Federal Income Tax Implications of the Plan

The Federal income tax consequences arising with respect to awards granted under the Plan will depend on the type of the award. From the recipients' standpoint, as a general rule, ordinary income will be recognized at the time of payment of cash, or delivery of actual shares. Future appreciation on shares held beyond the ordinary income recognition event will be taxable at capital gains rates when the shares are sold. The Company as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and the Company will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient. Exceptions to these general rules may arise under the following circumstances: (i) if shares, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy an employment or performance-related condition, ordinary income taxation and the Company's tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to ignore the risk of forfeiture); (ii) if an employee is granted an option that qualifies as an incentive stock option, no ordinary income will be recognized, and the Company will not be entitled to any tax deduction, if shares acquired upon exercise of such option are held more than the longer of one year from the date of exercise and two years from the date of grant; (iii) the Company will not be entitled to a tax deduction for compensation attributable to awards granted to one of its named executive officers, if and to the extent such compensation does not qualify as performance-based compensation Code Section 162(m), and such compensation, along with any other non-performance-based compensation paid in the same calendar year, exceeds \$1 million, and (iv) an award may be taxable at 20 percentage points above ordinary income tax rates at the time it becomes vested, even if that is prior to the delivery of the cash or stock in settlement of the award, if the award constitutes deferred compensation under Code Section 409A, and the requirements of Code Section 409A are not satisfied. The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Plan. This discussion is intended for the information of stockholders considering how to vote at the annual meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement. The summary does not address the effects of other federal taxes (including possible golden parachute excise taxes) or taxes imposed under state, local, or foreign tax laws.

New Plan Benefits Under the Plan

Awards under the Plan generally will be granted in the discretion of the Compensation Committee. Therefore, the type, number, recipients, and other terms of other awards in the future cannot be determined at this time. The following table provides information with respect to awards under the Plan during the year ended December 31, 2010.
