**Item 8.01 Other Events.**

On October 13, 2011, Albemarle Corporation (the Company) issued a press release announcing that its Board of Directors has approved an increase in the number of shares the Company is permitted to repurchase under its share repurchase program (the Program). The Board of Directors initially authorized the Program on February 8, 1994, permitting the Company to repurchase up to six million shares. Since then, the Company has regularly repurchased shares under the Program, resulting in the Board of Directors periodically authorizing additional shares for repurchase. The October 13, 2011 authorization permits the Company to repurchase up to five million shares, including those shares previously authorized, but not yet repurchased. The Program will expire when the Company has repurchased all the shares authorized under the updated Program or if the Board of Directors earlier terminates the Program. Should the Company repurchase all or most of the shares currently authorized, the Board, in the future, may decide to authorize additional shares under the Program.

The press release issued by the Company on October 13, 2011, announcing the increase in the share repurchase program, is attached hereto as Exhibit 99.1 and incorporated herein by reference.
