**FOR**  
**ANNUAL MEETING OF STOCKHOLDERS**

This Proxy Statement is furnished by and on behalf of the Board of Directors of Books-A-Million, Inc. (the Company) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m., Central Time, on May 28, 2013, at our corporate office annex located at 121 West Park Drive, Birmingham, Alabama 35211, and at any adjournments or postponements thereof (the Annual Meeting). **SHARES ENTITLED TO VOTE**

You can vote either in person at the Annual Meeting or by proxy without attending the Annual Meeting. The shares of common stock, \$.01 par value per share (the Common Stock), of the Company represented at the Annual Meeting by a properly executed proxy will be voted as you direct. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board. The Board recommends a vote **FOR** the election as director of the nominee listed in this Proxy Statement, **FOR** the advisory approval of the compensation of our named executive officers and **FOR** the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2014.

To vote by proxy, you must do one of the following:

**Vote by Telephone.** You can vote your shares by telephone by calling the toll-free number listed on the enclosed proxy card on a touch-tone telephone 24 hours a day through 12:00 p.m., Central Time, on May 27, 2013. Easy-to-follow voice prompts enable you to vote your shares and confirm that your instructions have been properly recorded. If you are a beneficial owner, or you hold your shares in street name, please check your voting instruction card or contact your bank, broker, or nominee to determine whether you will be able to vote by telephone.

**Vote by Internet.** You can also vote via the Internet through 12:00 p.m., Central Time, on May 27, 2013 by following the instructions on the enclosed proxy card. The website address for Internet voting is indicated on the enclosed proxy card. Internet voting is available 24 hours a day. If you are a beneficial owner, or you hold your shares in street name, please check your voting instruction card or contact your bank, broker, or nominee to determine whether you will be able to vote by Internet.

**Vote by Mail.** If you choose to vote by mail, complete, sign, date, and return your proxy card in the postage-paid envelope provided. Please promptly mail your proxy card to ensure that it is received prior to the Annual Meeting.

If you want to vote in person at the Annual Meeting, and you hold your Common Stock in street name (that is, through a bank or broker), you must obtain a proxy from your bank or broker and bring that proxy to the Annual Meeting.

## Edgar Filing: BOOKS A MILLION INC - Form DEF 14A

Voting by proxy will not affect a stockholder's right to attend and to vote in person at the Annual Meeting. A proxy may be revoked by a stockholder any time before it is voted by (i) filing with the Secretary of the Company either a written revocation or an executed proxy bearing a later date, (ii) a later vote via the Internet or by telephone, or (iii) attending and voting in person at the Annual Meeting.

**Table of Contents**

Only holders of record of Common Stock as of the close of business on April 5, 2013 (the Record Date ) will be entitled to vote at the Annual Meeting. As of the close of business on the Record Date, there were 15,511,747 shares of Common Stock outstanding. Holders of shares authorized to vote are entitled to cast one vote per share on all matters. The holders of a majority of the shares entitled to vote must be present or represented by proxy at the Annual Meeting to constitute a quorum.

Under Delaware law and the Company's Amended and Restated Bylaws, directors are elected by the affirmative vote, in person, or by proxy, of a plurality of the shares entitled to vote in the election at a meeting at which a quorum is present. Only votes actually cast will be counted for the purpose of determining whether a particular nominee received more votes than the persons, if any, nominated for the same seat on the Board of Directors. Proposal 2 is a non-binding advisory vote regarding executive compensation, although the Company's Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements. Proposal 2 requires for adoption the affirmative vote of the holders of a majority of shares of Common Stock present in person or represented by proxy and entitled to vote on the proposal at the Annual Meeting. The ratification of the appointment of the Company's independent registered public accounting firm (Proposal 3) requires for adoption the affirmative vote of the holders of a majority of shares of Common Stock present in person or represented by proxy and entitled to vote on the proposal at the Annual Meeting.

Abstentions, votes withheld and, unless a broker's authority to vote on a particular matter is limited, shares held in street name that are not voted, are counted in determining the votes present at a meeting and entitled to vote, such as for quorum purposes. Abstentions will be counted as present for purposes of determining the existence of a quorum but will be counted as not voting on any proposal brought before the Annual Meeting. Since the election of directors (Proposal 1) is determined by a plurality of the votes cast at the Annual Meeting, abstentions will not affect the outcome of this matter. An abstention as to the advisory vote on executive compensation (Proposal 2) and as to the ratification of the appointment of the independent registered public accounting firm (Proposal 3) will have the same effect as voting against the proposal.

A share that is held in street name that is not voted because the broker's authority to vote on that matter is limited and the broker did not receive direction on how to vote the share on that matter from the beneficial owner (a broker non-vote ) is not considered entitled to vote and is thus not calculated as a vote cast at a meeting (either for or against the proposal). Accordingly, broker non-votes, if any, will not have an effect on the approval of Proposals 1 or 2. Your broker will continue to have discretion to vote uninstructed shares on the ratification of the appointment of the independent registered public accounting firm (Proposal 3).

If any other matters are properly presented at the Annual Meeting for consideration, the persons named as proxies in the enclosed proxy card will have discretion to vote on those matters for you in a manner deemed by the proxy representatives named therein to be in the best interests of the Company and its stockholders. On the date we filed this Proxy Statement with the Securities and Exchange Commission, the Board did not know of any other matter to be raised at the Annual Meeting.

**PROPOSAL 1 DIRECTOR ELECTION**

The Board of Directors of the Company is divided into three classes of directors serving staggered terms of office. Upon the expiration of the term of office of a class of directors, the nominees for that class are elected for a term of three years to serve until the election and qualification of their successors. The current terms of J. Barry Mason and William H. Rogers, Jr. expire at the Annual Meeting. Dr. Mason, who is 72, is not permitted to stand for re-election to the Board of Directors because the Company's Guidelines on Significant Governance Issues prohibit directors from standing for re-election after the term in which such director reaches the age of 70 is completed. As a result of Dr. Mason not standing for re-election, the Board of Directors previously approved, on April 2, 2013, in accordance with the Company's Amended and Restated Bylaws, the reduction of the number of directors on the Board of Directors from six to five, with only one director in the class of directors to be elected at the Annual Meeting. Since that time, Mr. Rogers has notified the Company that he will also end his service as a member of the Board of Directors as of the conclusion of his term at the Annual Meeting and, therefore, will not stand for re-election to the Board of Directors. The Board of Directors has nominated Edward W. Wilhelm for election to the Board of Directors, to serve until the 2016 annual meeting of stockholders and until his successor is duly elected and qualified. Additional information about Mr. Wilhelm is set forth below. Mr. Wilhelm will be the only nominee in the class of directors standing for election this year.

All shares represented by properly executed proxies received in response to this solicitation will be voted in the director election as specified therein by the stockholders. Unless otherwise specified in the proxy, it is the intention of the persons named on the enclosed proxy card to vote FOR the election of Mr. Wilhelm to the Board of Directors. Mr. Wilhelm has consented to serve as a director of the Company if elected. If at the time of the Annual Meeting, Mr. Wilhelm is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy card will be exercised to vote for a substitute candidate designated by the Board of Directors. The Board of Directors has no reason to believe that Mr. Wilhelm will be unable or will decline to serve as a director.

Set forth below is certain information furnished to the Company by Mr. Wilhelm and by each of the incumbent directors whose terms will continue following the Annual Meeting.

**CORPORATE GOVERNANCE AND BOARD MATTERS**

*Meetings and Attendance.* The Company's Board of Directors held five meetings during the Company's fiscal year ended February 2, 2013 (fiscal 2013). The Board has an Audit Committee, and until April 2, 2013, on which date the Company elected controlled company status, the Board had a Compensation Committee and a Nominating and Corporate Governance Committee. During fiscal 2013, each director attended at least 50% of the meetings of the Board and the committees of the Board on which he or she served. Directors are encouraged to attend annual meetings of Books-A-Million stockholders. All of the Company's six directors were present at the last annual meeting of stockholders.

*Controlled Company Status.* Under the listing standards of NASDAQ, we are deemed a controlled company by virtue of the fact that Clyde B. Anderson, the Executive Chairman of our Board of Directors, along with certain of Mr. Anderson's family members and certain trusts of which he or a family member acts as trustee or co-trustee, have voting power with respect to more than fifty percent of our outstanding voting stock. As of April 2, 2013, we have elected to take advantage of certain of the corporate governance exemptions available to controlled companies. A controlled company is not required to have a majority of its Board of Directors comprised of independent directors. Director nominees are not required to be selected or recommended for the Board's consideration by a majority of independent directors or a nominating committee comprised solely of independent directors, nor do the NASDAQ listing standards require a controlled company to certify adoption of a formal written charter or Board resolution, as applicable, addressing the nominations process. A controlled company is also exempt from NASDAQ requirements regarding the determination of officer compensation by a majority of independent directors or a compensation committee comprised solely of independent directors of the Board. However, a controlled company is required to have an audit committee composed of at least three directors, who are independent as defined under the rules of both the Securities and Exchange Commission and NASDAQ. NASDAQ further requires that all members of the audit committee have the ability to read and understand financial statements and that at least one member of the audit committee possesses financial sophistication. The independent directors must also meet at least twice a year in meetings at which only they are present.

*Board Independence.* The Board of Directors currently has six members, four of whom have been determined to be independent within the meaning of the NASDAQ listing standards. Upon the conclusion of the Annual Meeting and assuming the election of Mr. Wilhelm as a director at the Annual Meeting, the Board will be comprised of five members, three of whom have been determined to be independent, representing a majority of the Board (even though not required based on our controlled company status).

During the Board of Directors' determination of the independence of directors for fiscal year 2013, the Board of Directors specifically considered relationships between the Company and its affiliates and each director and his immediate family and affiliated entities. The Board of Directors specifically considered the commercial lending/banking and 401(k) Plan relationship of SunTrust Banks, Inc. (SunTrust), of which Mr. Rogers serves as Chairman and Chief Executive Officer. Total payments from the Company to SunTrust under these arrangements on a combined basis have been less than 1% of annual revenues of SunTrust in each of the past three annual periods. The Board also specifically considered the lease payments under a real estate sublease made by Hibbett Sports, Inc. (Hibbett), of which Mr. Johnson serves as a director. Total payments to the Company from Hibbett under the lease have been less than 1% of annual revenues of the Company in each of the past three annual periods. Based on this review, the Board concluded that these relationships do not interfere with Mr. Rogers' or Mr. Johnson's independent judgment in carrying out the responsibilities of a director.

---

**Table of Contents**

*Board Leadership Structure.* The Board does not have a policy requiring the separation or combination of the CEO and Chairman roles. From 2004 to 2009, the Company had separate individuals serving as Chairman of the Board and as Chief Executive Officer. During this period, Mr. Clyde Anderson, who served as Chief Executive Officer of the Company from 1992 through 2004, continued in an active leadership role of the Company serving as its Executive Chairman. Upon the resignation of Sandra B. Cochran as President and Chief Executive Officer of the Company in March 2009, the Board of Directors reappointed Mr. Anderson to the role of Chief Executive Officer, believing that his more than 28 years of service to the Company, vast industry experience, and close relationship with the Company's management team uniquely qualified him for the role. The Board believed that combining the roles of Chairman and Chief Executive Officer during the period following Ms. Cochran's resignation from March 2009 to March 2012 was in the best interests of the Company. On March 13, 2012, the Board approved the promotion of Terrance G. Finley to the office of Chief Executive Officer, thereby separating the roles of the Chairman and Chief Executive Officer. Mr. Anderson continues to serve as Executive Chairman. The Board has determined that this current structure is the most appropriate and effective Board leadership structure for the Company at this time based upon a number of factors, including the experience of the applicable individuals, the current business environment, the specific needs of the business, and what is in the best interests of the Company's stockholders. However, the Board may reconsider the Company's leadership structure from time to time in the future based on considerations at that time.

Although the Board of Directors has not designated a lead independent director, the independent directors of the Company meet in executive session at least twice during each fiscal year, and a chairman of those executive sessions is elected by the independent directors at each of those executive sessions. In addition, the Chairman of the Audit Committee serves as the director to whom correspondence may be directed on behalf of the Board as described in "Communications with Directors" on page 9.

*Board's Role in Risk Oversight.* The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's Enterprise Risk Assessment through reports from the Audit Committee. The Internal Audit Department of the Company works with the Management Executive Committee to perform an overall enterprise risk assessment on an annual basis and provides its enterprise risk assessment report to the Audit Committee. The Enterprise Risk Assessment is used by the Audit Committee and the Internal Audit Department to develop audit plans on an annual basis to safeguard against identified risks. The Audit Committee also specifically oversees and manages financial risks (including risks required to be monitored under the Sarbanes-Oxley Act). The Board voted to dissolve the Compensation Committee on April 2, 2013 in connection with the Company's controlled company election, but, prior to its dissolution, the Company's Compensation Committee was responsible for overseeing the management of risks relating to the Company's compensation plans and arrangements. Oversight of these risks is now the responsibility of the full Board of Directors. The Board voted to dissolve the Nominating and Corporate Governance Committee on April 2, 2013 in connection with the Company's controlled company election, but, prior to its dissolution, the Nominating and Corporate Governance Committee oversaw and managed risks associated with the independence of the Board of Directors and potential conflicts of interest for directors and employees. Oversight of these risks is now the responsibility of the full Board of Directors. While each committee is or was, as the case may be, responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks when oversight is delegated to a committee.

*Committees of the Board of Directors.* The Audit Committee currently consists of Messrs. Albert C. Johnson, Chairman of the Committee, J. Barry Mason, and William H. Rogers, Jr. The responsibilities of the Audit Committee include, in addition to such other duties as the Board may specify, appointing the Company's independent auditors, reviewing with the independent auditors the scope and results of the audit engagement, reviewing and approving related party activity, reviewing the Company's financial policies and internal control procedures, and reviewing and approving the performance of all non-audit services by the Company's auditors. The Audit Committee held four meetings in fiscal 2013.

## **Table of Contents**

The Board of Directors has determined that all of the current members of the Audit Committee are independent directors, as defined by the Company's Audit Committee Charter, NASDAQ listing standards, and Securities and Exchange Commission rules. The Audit Committee acts under a written charter first adopted in 1992 and last reviewed, revised, and approved on April 2, 2013. The Audit Committee Charter is available free of charge on the Company's website at [www.booksamillioninc.com](http://www.booksamillioninc.com). The Board of Directors has determined that Mr. Albert C. Johnson is qualified as an audit committee financial expert under Securities and Exchange Commission rules. Mr. Johnson's business experience and description of positions are summarized in the section "Incumbent Directors' Term Expiring 2014" on page 4 of this Proxy Statement. It is anticipated that, upon the conclusion of the Annual Meeting, the Board will appoint Ronald G. Bruno and, assuming his election as a director at the Annual Meeting, Edward W. Wilhelm to serve as members of the Audit Committee to fill the vacancies created by the departures of Dr. Mason and Mr. Rogers.

Prior to its dissolution on April 2, 2013, the Compensation Committee consisted of Messrs. William H. Rogers, Jr., Chairman of the Committee, J. Barry Mason, and Ronald G. Bruno. The responsibilities of the Compensation Committee included establishing salaries, bonuses, and other compensation for the Company's executive officers, and administering the Employee Stock Purchase Plan, the 2005 Incentive Award Plan, the Executive Deferred Compensation Plan, and the Director's Deferred Compensation Plan. As of April 2, 2013, the full Board assumed all responsibilities of the Compensation Committee, and decisions regarding executive officer and director compensation will now be made by the full Board, with each of the directors serving on the Board participating in such decisions, except that any employee director will not be involved in the discussion or determination of his own compensation. The Compensation Committee held three meetings in fiscal 2013.

Prior to its dissolution on April 2, 2013, the Nominating and Corporate Governance Committee consisted of Messrs. Ronald G. Bruno, Chairman of the Committee, J. Barry Mason, and William H. Rogers, Jr. The responsibilities of the Nominating and Corporate Governance Committee included developing and reviewing background information for candidates for the Board of Directors, and making recommendations to the Board regarding such candidates. The Nominating and Corporate Governance Committee also had the responsibility to review the corporate governance of the Company and recommend changes to the Board, and to review and evaluate the performance of each director on the Company's Board of Directors. As of April 2, 2013, the full Board assumed all responsibilities of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held two meetings in fiscal 2013.

*Identifying and Evaluating Nominees for Directors.* The Board utilizes a variety of methods for identifying and evaluating director nominees. The Board regularly assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board considers various potential candidates for director. Candidates may come to the attention of the Board through current Board members, professional search firms, stockholders, or other persons. These candidates are evaluated at regular or special meetings of the Board and may be considered at any point during the year.

The Board of Directors believes that it is necessary for each of the Company's directors to possess many qualities and skills. When searching for new candidates, the Board considers the evolving needs of the Board and searches for candidates that fill any current or anticipated future gap. The Board also believes that all directors must possess a considerable amount of business management and educational experience. The Board first considers a candidate's management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics, and commitment to the goal of maximizing stockholder value when considering director candidates. The Board also focuses on issues of diversity, such as diversity of gender, race and national origin, education, professional experience, and differences in viewpoints and skills. The Board does not have a formal policy with respect to diversity; however, the Board believes that it is essential that the Board members represent diverse viewpoints. In considering candidates for the Board, the Board considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing directors for re-election, the individual's contributions to the Board are also considered. Certain individual qualifications and skills of our directors that contribute to the Board's effectiveness as a whole are described in the individual biographies of each director under the heading "PROPOSAL 1 DIRECTOR ELECTION" beginning on page 3.

*Director Nominees Proposed by Stockholders.* The Board will consider suggestions from stockholders for nominees for election as directors. The Amended and Restated Bylaws of the Company provide that any stockholder entitled to vote on the election of directors at a meeting called for such purpose may nominate persons for election to the Board by following the procedures set forth in the section of the Amended and Restated Bylaws titled Notice of Stockholder Nominees. Stockholders who wish to submit a proposed nominee to the Company should send written notice to Ms. Tyler B. Novak, Secretary of the Board of Directors and General Counsel, Books-A-Million, Inc., 402 Industrial Lane, Birmingham, Alabama 35211.

Such notice should set forth all information relating to such nominee as is required to be disclosed in solicitations of proxies for elections of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected, the name and address of such stockholder or beneficial owner on whose behalf the proposed nomination is being made, and the class and number of shares of the Company owned beneficially and of record by such stockholder or beneficial owner. The Board will consider nominees suggested by stockholders on the same terms as nominees provided by search firms or other parties. The Board seeks to achieve a balance of knowledge, experience, and capability on the Board and believes that nominees for election to the Board must possess certain minimum qualifications and attributes. The nominee: (1) must exhibit strong personal integrity, character and ethics, and a commitment to ethical business and accounting practices, (2) must not be involved in on-going litigation with the Company or be employed by an entity which is engaged in such litigation, and (3) must not be the subject of any on-going criminal investigations, including investigations for fraud or financial misconduct.

*Communication with Directors.* Individuals may communicate with the Board by submitting the communication to the Company's executive offices at 402 Industrial Lane, Birmingham, Alabama 35211. The communication should be directed to: Internal Auditor. The Company's Internal Auditor reports directly to the Audit Committee of the Board of Directors and will immediately communicate the information to the Chairman of the Audit Committee and the Audit Committee and / or all members of the Board.

*Code of Business Conduct and Ethics.* The Company has adopted a Code of Business Conduct and Ethics for all directors, officers (including the Company's principal executive officer, principal financial officer, and controller), and employees. The Company's Code of Business Conduct and Ethics is available free of charge on the Company's website at [www.booksamillioninc.com](http://www.booksamillioninc.com). The Company intends to make available on the Company's website any amendments to or waivers from the Company's Code of Business Conduct and Ethics within four business days of such amendment or waiver. **REPORT OF THE AUDIT COMMITTEE**

The members of the Audit Committee are Messrs. Albert C. Johnson (Chairman), J. Barry Mason, and William H. Rogers, Jr. The Board has determined that Mr. Johnson is an audit committee financial expert as defined by the Securities and Exchange Commission.

The primary function of the Audit Committee is to provide advice with respect to the Company's financial matters and to assist the Board of Directors in fulfilling its oversight responsibilities regarding (i) the quality and integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the qualifications and independence of the independent registered public accounting firm serving as auditors of the Company, and (iv) the performance of the Company's internal audit function and the independent registered public accounting firm.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with U.S. generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. It is not the duty of the Audit Committee to conduct auditing or accounting review procedures.

The Audit Committee held four meetings during fiscal 2013, including regular meetings in conjunction with the close of each fiscal quarter during which the Audit Committee reviewed and discussed the Company's financial statements with management and Ernst & Young LLP, its independent registered public accounting firm for the fiscal year ended February 2, 2013 and Grant Thornton LLP, its independent registered public accounting firm for the fiscal year ended January 28, 2012.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended February 2, 2013 with the Company's management, and management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Ernst & Young LLP its independence from the Company. It considered the non-audit services provided by Ernst & Young LLP and determined that the services provided are compatible with maintaining Ernst & Young LLP's independence. The Audit Committee approved all services provided by Ernst & Young LLP for the fiscal year ended February 2, 2013. The total fees paid to Ernst & Young LLP for the fiscal year 2013 are described on page 28 under Fees and Services.

Based on the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the audited financial statements and the written disclosures and letter from the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 2, 2013 for filing with the Securities and Exchange Commission.

By the Audit Committee of the Board of Directors:

Albert C. Johnson, Chairman

J. Barry Mason

*Compliance with Section 16(a) of the Securities Exchange Act of 1934.* Section 16(a) of the Exchange Act requires the Company's directors, executive officers, and persons who own beneficially more than 10% of the Company's Common Stock to file reports of ownership and changes in ownership of such stock with the Securities and Exchange Commission and NASDAQ. Directors, executive officers, and greater than 10% stockholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all such forms they file. To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, its directors, executive officers, and greater than 10% stockholders complied during fiscal 2013 with all applicable Section 16(a) filing requirements.

**EXECUTIVE COMPENSATION**

***Compensation Program Objectives***

The Company's executive compensation policy is designed to provide levels of compensation that integrate compensation with the Company's annual and long-term performance goals and reward above-average corporate performance, thereby allowing the Company to attract and retain qualified executives. Specifically, the Company's executive compensation policy is intended to:

Provide compensation levels that reflect the competitive marketplace so that the Company can attract, retain, and motivate the most talented executives;

Provide compensation levels that are consistent with the Company's business plan, financial objectives, and operating performance;

Reward performance that facilitates the achievement of specific results and goals in furtherance of the Company's business plan;

Motivate executives to make greater personal contributions to the performance of the Company helping it to achieve its strategic operating objectives; and

Provide proper motivation for enhancing stockholder value by providing long-term incentive compensation, in the form of shares of restricted stock, in order to align the interests of executives with those of stockholders and the long-term interest of the Company. The compensation program is designed to reward officers for above average, year-over-year Company and personal performance, and the development of long-term growth strategies, as well as longevity with the Company.

In light of the Company's compensation policy, the components of its executive compensation program for fiscal 2013 were base salaries, cash incentive compensation bonuses, and restricted stock awards.

The Company believes that each of the elements of compensation are competitive and consistent with current market expectations for leaders within an organization of our size and in our industry.

***No Employment and Severance Agreements***

Other than the agreements with our named executive officers that relate to a change in control of the Company, as described on page 22 under *Change in Control Agreements*, our named executive officers do not have employment or severance agreements. Our named executive officers serve at the will of the Board, which enables the Company to terminate their employment without reservation as to the terms of any severance agreement. This is consistent with the Company's employment and compensation philosophies.

***Consideration of Prior Stockholder Advisory Vote on Executive Compensation***

We provide our stockholders with the opportunity annually to vote to approve, on an advisory basis, the compensation of our named executive officers (commonly known as a say-on-pay vote). Although the say-on-pay vote is advisory and non-binding, the Compensation Committee (and now the full Board of Directors) considers the outcome of the vote as part of its executive compensation planning process. At the 2012 Annual Meeting of Stockholders held on May 22, 2012, over 75% of the shares represented at the Annual Meeting in person or by proxy and entitled to vote on the say-on-pay proposal were voted in favor of the compensation of the Company's named executive officers as disclosed in the proxy statement for that meeting. The Compensation Committee considered this high level of stockholder support when determining compensation for fiscal 2014 but did not take any compensation actions in fiscal 2013 or to date in fiscal 2014 specifically in response to the stockholder advisory vote on executive compensation. The Compensation Committee concluded that the Company's compensation program should continue to emphasize the objectives described herein.

***Elements of Compensation***

**Base Salary.** Each executive officer's base salary is based upon a number of factors, including the responsibilities borne by the executive officer, his performance, and his length of service to the Company. Each executive officer's base salary is reviewed annually and generally adjusted to account for inflation, the Company's financial performance, any change in the executive officer's responsibilities, and the executive officer's overall performance. Factors considered in evaluating performance include financial results, such as increases in sales and net income before taxes and earnings per share, as well as non-financial measures, such as improvements in service and relationships with customers, suppliers and employees, employee safety, and leadership and management development. These non-financial measures are subjective in nature. No particular weight was given by the Compensation Committee to any particular factor. Based on these considerations, the Compensation Committee, with the assistance of an independent compensation consultant, established the fiscal 2013 base salaries for each of the named executive officers at its March 13, 2012 meeting. The base salaries of the named executive officers for the 2013 fiscal year are set forth in the Summary Compensation Table on page 19.

**Cash Bonuses.** Generally, the Company establishes a cash bonus program at the beginning of each fiscal year in connection with the preparation of the Company's annual operating budget for such year. A significant portion of the bonus program is structured pursuant to the terms of the Company's 2005 Incentive Award Plan, while the Compensation Committee and Executive Chairman are given the discretion to award up to 10% of the maximum bonus pool due to subjective factors. Under the bonus program established for fiscal year 2013, an executive officer was eligible to receive up to 100% of his maximum bonus based upon the Company achieving certain pre-tax income goals established by the Compensation Committee of the Board of Directors. If only 60% or less of an executive officer's bonus is achieved based on meeting the pre-tax income goals, then up to 40% of the executive officer's bonus could be earned based on other factors. The other 40% portion of bonus could be earned by the executive officer accomplishing certain individual performance goals (up to 30% of such executive's maximum bonus) related to his job functions, and up to 10% of the maximum aggregate bonus pool could be earned based on subjective factors (the discretionary bonus). The amount of the discretionary bonus for each executive is recommended by the Executive Chairman (other than with respect to the discretionary bonus of the Executive Chairman) and is approved by the Compensation Committee. For fiscal 2013, the Compensation Committee established a target bonus amount, expressed as a percentage of each executive officer's base salary. For fiscal 2013, the maximum bonus percentages (as a percentage of base salary) were established as follows: Mr. Anderson 100%, Mr. Finley 100% (increased to 100% upon Mr. Finley's promotion to President and Chief Operating Officer on August 23, 2011), Mr. Turner 75%, and Mr. Noden 75%.

The actual bonus that may be earned varies based on a comparison of actual performance against the pre-established performance criteria, plus the 10% discretionary bonus portion, and is limited to the pre-established maximum bonus amount for each executive. For fiscal 2013, the portion of bonus attributable to pre-tax income that could be earned was based on a sliding scale ranging from 40% to 140% of the targeted pre-tax income goal of the Company, which was \$16,273,000 for fiscal 2013. For example, an executive officer would have earned 60% of his bonus potential attributable to pre-tax income if the Company achieved 100% of its pre-tax income goal. No bonuses attributable to pre-tax income would have been earned if less than 40% of the pre-tax income goal was achieved, and up to 100% of the target bonus would have been earned if 140% or greater of the pre-tax income goal was achieved. During fiscal 2013, the Company did not achieve 40% of the pre-tax income goal resulting in no bonuses attributable to the pre-tax income goals.

The following table provides the computation of the cash bonus amounts paid to the named executive officers relating to fiscal year 2013 based on the results of the pre-tax income of the Company, personal goal achievements, and discretionary bonuses:

**Table of Contents**

Name	Bonus Attributable	Bonus Attributable	Discretionary Bonus	Total Cash Bonus

Terrance G. Finley	\$ - 0 -	\$ 101,063	\$ 38,500	\$ 139,563
James F. Turner	\$ - 0 -	\$ 44,944	\$ 17,625	\$ 62,569
R. Todd Noden	\$ - 0 -	\$ 28,492	\$ 15,750	\$ 44,242

*Restricted Stock.* Currently the Company only issues restricted stock from the 2005 Incentive Award Plan. During fiscal year 2013, the Company awarded both Performance Based Shares of restricted stock and Career Based Shares of restricted stock to the named executive officers. The Performance Based Shares awarded in fiscal 2013 were tied to the achievement of the pre-tax earnings performance based on objectives used for the 2013 cash bonus program. After the end of the one-year performance period, the Compensation Committee determines the extent to which the preset goals were achieved and approves the issuance of the Performance Based Shares that are earned. The earned Performance Based Shares are restricted and vest over a two-year period following the fiscal year in which they were earned. During the period of restriction, the named executives have full voting and dividend rights with respect to the shares. The performance measures used for the Performance Based Shares are pre-tax earnings performance measurements established by the Compensation Committee. The maximum amount of the Performance Based Shares that can be earned is 100% of the authorized number of shares originally awarded. The Career Based Shares are not tied to the achievement of performance objectives, but serve as a retention incentive because they have a multi-year, cliff vesting period, and, therefore, require longevity with the Company in order for the named executive officer to earn these shares. Career Based Shares granted in fiscal 2013 are completely unvested until the last day of the third fiscal year after the date of grant.

During fiscal 2013, awards of Performance Based Shares and Career Based Shares were made under the 2005 Incentive Award Plan to our named executive officers. The awards were made in restricted stock according to the provisions of the plan. In evaluating the proper annual award of restricted stock, the Compensation Committee has historically been advised by an independent compensation consultant that makes recommendations on share award levels based on market data, taking into consideration such things as prior grants of awards, the current market price of the Company's Common Stock, and numbers of outstanding unvested awards. Based on the recommendations of the compensation consultant and target levels of long-term compensation for each of the named executive officers, the Compensation Committee established the terms of the fiscal 2013 awards of restricted stock both Performance Based Shares and Career Based Shares that were made on March 13, 2012. See the Summary Compensation Table on page 19 for information on the amounts of restricted stock awards to named executive officers during fiscal 2013. Since the Company did not achieve the threshold percentage of its pre-tax earnings goal of \$16,273,000 during fiscal 2013, the executive officers did not receive a pay-out of the Performance Based Shares of restricted stock that had been awarded to executive officers in March 2012.

During fiscal 2013, the Compensation Committee awarded the following shares of restricted stock to the named executive officers:

Name	Career Based Shares	Performance Based Shares <sup>(1)</sup>
Clyde B. Anderson	75,000	75,000
Terrance G. Finley	50,000	50,000
James F. Turner	25,000	25,000
R. Todd Noden	10,000	10,000

- (1) The actual number of Performance Based Shares to be paid out is based on the Company's pre-tax earnings in fiscal 2013. The Company did not attain the specified pre-tax earnings minimum target in fiscal 2013 for Performance Based Shares reflected in this column, so none of these Performance Shares were paid out.

*Executives' Deferred Compensation Plan.* During fiscal 2006, the Board adopted the Books-A-Million, Inc. Executives' Deferred Compensation Plan (the Executives' Deferred Compensation Plan). The Executives' Deferred Compensation Plan provides a select group of management or highly compensated employees of the Company and certain of its subsidiaries with the opportunity to defer the receipt of certain cash compensation. Under the Executives' Deferred Compensation Plan, each participant may elect to defer a portion of his cash compensation that may otherwise be payable in a calendar year. A participant's compensation deferrals are credited to the participant's bookkeeping account maintained under the Executives' Deferred Compensation Plan. Each participant's account is credited with a deemed rate of interest and/or earnings or losses depending upon the investment performance of the deemed investment option selected by the participant. With certain exceptions, a participant's account will be paid after the earlier of: (1) a fixed payment date, as elected by the participant (if any); or (2) the participant's separation from service with Company or its subsidiaries. A participant may generally elect that payments be made either in a single sum or in installments in the year specified by the participant or upon his separation from service with the Company. Additionally, a participant may elect to receive payment upon a Change of Control, as defined in, and to the extent permitted by, Section 409A of the Internal Revenue Code of 1986, as amended. None of the executive officers had deferred any compensation under this plan as of the date of this Proxy Statement.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL*****2005 Incentive Award Plan***

The Company's restricted stock agreements with its named executive officers that document the grants of restricted stock awards under the 2005 Incentive Award Plan provide that all of the shares of restricted stock not previously vested may, in the sole and absolute discretion of the Compensation Committee, become vested in the event of a change in control of the Company. Pursuant to the 2005 Incentive Award Plan, a change in control generally consists of one of the following events:

- (1) a transaction (other than an offering of the Company's Common Stock to the general public through a registration statement filed with the Securities and Exchange Commission) resulting in the acquisition of 50% or more of the Company's voting securities, other than an acquisition by the Company, any of its subsidiaries, an employee benefit plan maintained by the Company, or any of its subsidiaries or a person that, prior to such transaction, directly or indirectly controls, is controlled by or is under common control with the Company;
- (2) when, during any two-year period, the members of the Company's Board of Directors at the beginning of the period (along with any new director whose election or nomination is approved by at least two-thirds of the directors who either were directors at the beginning of the period or who were so approved) cease to constitute a majority of the Board;
- (3) the consummation by the Company of (i) a merger, consolidation, reorganization, or business combination, (ii) a sale or other disposition of all or substantially all of the Company's assets, or (iii) the acquisition of assets or stock of another entity, unless the outstanding shares of the Company immediately prior to the transaction continue to represent more than 50% of the combined voting stock of the Company or its successor immediately following the transaction or after which no person or group beneficially owns voting securities representing 50% or more of the combined voting power of the successor entity; or
- (4) the Company's stockholders approve a plan of liquidation or dissolution of the Company.

The Compensation Committee has full and final authority to determine whether a change in control has occurred pursuant to the definition of that term in the 2005 Incentive Award Plan and the date of the occurrence of the change in control event.

**Table of Contents**

The table below sets forth the intrinsic value of the shares of restricted stock under the 2005 Incentive Award Plan that could have vested in the event that a change in control of the Company occurred on February 2, 2013. This table assumes that the Compensation Committee would have exercised its discretion under the 2005 Incentive Award Plan and approved an acceleration of vesting of all of the shares of restricted stock upon such a change in control. The intrinsic value is calculated by multiplying the number of shares that would have vested by the fair market value of the Company's Common Stock on February 2, 2013, the last trading day prior to the Company's fiscal 2013 year-end. Note that the actual benefit to a named executive officer under this plan can only be determined at the time of the change in control event.

Name of Executive Officer	Amount that Would Have Been Realized Due to the Acceleration of Vesting of Restricted Stock in the Event of a Change in Control of the Company	
	\$	
Clyde B. Anderson	\$	439,250
Terrance G. Finley		298,063
James F. Turner		144,325

***Change in Control Agreements***

The Company has entered into change in control agreements with our named executive officers that will require the Company to provide compensation to each of the named executive officers in the event of a change in control of the Company and a termination of the executive's employment following a change in control.

For purposes of the change in control agreements, a change in control generally consists of one of the events described above under the discussion of the vesting of restricted stock under the 2005 Incentive Award Plan in the event of a change in control.

*Payments and Benefits Upon a Change in Control.* Pursuant to the change in control agreements, if a named executive officer is employed by the Company on the date on which a change in control occurs, the Company must continue to employ the named executive officer for a period of two years. During the two-year employment period, the executive's position, authority, duties, and responsibilities must be at least commensurate in all material respects with those before the change in control, and the executive's services must be performed at the location where the executive was employed immediately preceding the change in control or any office that is the headquarters of the Company and is less than 25 miles from such location. The named executive officer will receive an annual base salary at least equal to the base salary paid or payable to the executive by the Company for the one-year period immediately preceding the change in control, which salary will be reviewed at least annually and may be increased (but not decreased) at any time. Further, the named executive officer will be eligible to receive an annual cash bonus consistent with the Company's cash bonus program in effect prior to the date of the change in control, and the executive will continue to enjoy participation in the Company's incentive, savings, retirement and welfare plans, and other benefits and plans, on the same basis as before the change in control or as applicable to peer executives at other companies, whichever is superior.

*Payments and Benefits Upon Termination of Employment Following a Change in Control.* Each named executive officer's change in control agreement also provides for certain payments and benefits to the executive if the executive's employment is terminated under certain circumstances during the two-year employment period immediately following a change in control.

**Table of Contents**

If, during this two-year period, a named executive officer's employment is terminated as a result of death or disability, then the Company will provide to the executive (or his beneficiary or estate) the following payments and benefits:

a lump sum cash payment equal to the sum of (a) the amount of any incentive or bonus compensation earned that has not yet been paid and (b) any benefits or awards (including both the cash and stock components) that, pursuant to the terms of any plans, policies or programs, have been earned or become payable, but that have not yet been paid to the executive (but not including amounts that previously had been deferred at the executive's request, which amounts will be paid in accordance with the terms of the plan, policy or program under which the executive deferred the compensation) ( Accrued Obligations );

three months of the executive's current annual base salary;

for up to 18 months, continued participation in and coverage under the Company's health and dental plans, disability plans, life insurance plans, and all other welfare benefit plans in which the executive or his dependents were participating immediately prior to the date of termination, with all cost of such benefit paid or waived by the Company ( Welfare Continuance Benefit ); and

any other benefits payable due to the executive's death or disability pursuant to the terms of any plan, policy, or arrangement of the Company.

If, during the two-year period, the Company terminates a named executive officer without cause, or if the executive terminates his employment for good reason, then the executive will receive the following payments and benefits:

Accrued Obligations;

a lump sum cash termination benefit payment in an amount equal to two times the sum of (a) the executive's annual base salary in effect at the date of termination and (b) the average of the cash bonuses paid to the executive for the Company's three most recently completed fiscal years (subject to the execution of a release of claims against the Company by the executive); and

Welfare Continuance Benefit.

If, during the two-year employment period, the Company terminates a named executive officer's employment for cause, then the Company will provide to the executive the following payments and benefits:

The table below reflects the estimated amounts of compensation payable under the change in control agreements to each of the Company's named executive officers in the event that, during the two-year employment period following a change in control: (i) the executive is terminated because of death or disability and (ii) the Company terminates the executive's employment without cause, or the executive terminates his employment for good reason. The amounts shown assume that the change in control and the termination of employment occurred as of February 2, 2013. The actual amounts to be paid can only be determined at the time of the executive's separation from the Company. No payments other than previously accrued amounts would be payable to a named executive officer if he is terminated for cause or if he terminates his employment other than for good reason following a change in control.

During fiscal 2013, Non-Employee Directors received an annual retainer fee of \$45,000 and reimbursement of all out-of-pocket expenses incurred in attending all Board and committee meetings. Additionally, the Chairman of the Audit Committee received an additional annual retainer fee of \$10,000, and the Chairman of the Compensation Committee received an additional annual retainer fee of \$5,000. These shares vest in three equal installments on the first, second, and third anniversaries of the effective date of the initial award. Further, each such director who is serving as a director on the date of the year-end Compensation Committee meeting (historically held in March) and who has served as a director for more than eleven consecutive months is granted a Continuing Award of 2,500 shares of Common Stock from the Company on such date. *Director's Deferred Compensation Plan.* During fiscal 2006, the Board adopted the Books-A-Million, Inc. Directors' Deferred Compensation Plan. **PROPOSAL 2 ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that the Company provide its stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

The Company intends to hold such an advisory vote, commonly known as a "say-on-pay" vote, each year in connection with the annual meeting of stockholders until the next vote on the frequency of the "say-on-pay" vote or until the Company's Board of Directors otherwise determines that a different frequency for this advisory vote is in the best interests of our stockholders. The next advisory vote on the frequency of "say-on-pay" votes will occur no later than 2017.

As described in detail under the heading "Executive Compensation," the Company seeks to closely align the interests of our named executive officers with the interests of our stockholders. The Company's compensation programs are designed to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total stockholder return, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission. The vote is advisory, which means that the vote is not binding on the Company, our Board of Directors, or the Compensation Committee of the Board of Directors. To the extent that there is any significant vote against our named executive officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

Accordingly, pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, the Company asks our stockholders to vote on the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the fiscal 2013 Summary Compensation Table and the other related tables and disclosure.

*Vote Required; Board Recommendation.* The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve this proposal. Unless instructed to the contrary, the shares represented by the proxies will be voted to approve the resolution on the compensation of our named executive officers.

A copy of Grant Thornton LLP's letter was attached as Exhibit 16.1 to the Current Report on Form 8-K filed by the Company on April 19, 2012.

During the Company's fiscal years ended January 28, 2012 and January 29, 2011 and through April 13, 2012, neither the Company, nor anyone on the Company's behalf, consulted Ernst & Young LLP regarding (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements or (ii) any other matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).
