Item 2.01 Completion of an Acquisition or Disposition of Assets.

On October 1, 2013, American Tower Corporation (the Company), through its wholly-owned subsidiary American Tower Investments LLC, completed its previously announced acquisition (the Acquisition) of MIP Tower Holdings LLC (MIPT), which is the parent company of Global Tower Partners, an owner and operator of communications real estate, and related companies, for a total purchase price of approximately \$4.8 billion, subject to customary post-closing purchase price adjustments. MIPT was majority owned by Macquarie Infrastructure Partners together with minority partners including Dutch pension fund manager PGGM and management.

As consideration for the Acquisition, the Company assumed approximately \$1.5 billion in existing MIPT debt and paid approximately \$3.3 billion in cash. The Company used approximately \$2.8 billion of borrowings under its existing revolving credit facilities and approximately \$0.5 billion of cash on hand to satisfy the cash portion of the purchase price. Following the closing, the Company had total liquidity of \$1.9 billion, which included cash on hand and remaining capacity under its existing revolving credit facilities. At closing, a portion of the cash consideration was placed in escrow for payment of potential indemnification obligations and purchase price adjustments.

The foregoing description of the Acquisition does not purport to be a complete description of the terms and provisions of the purchase agreement governing the transaction and is qualified in its entirety by reference to the purchase agreement, a copy of which will be filed as an exhibit to the Company's Form 10-Q for the quarter ended September 30, 2013. A copy of the press release announcing the acquisition is filed herewith as Exhibit 99.3.
