Item 1.01. Entry into a Material Definitive Agreement.

On November 25, 2013, Advance Auto Parts, Inc., a Delaware corporation (the "Company") entered into an Underwriting Agreement (the "Underwriting Agreement") by and among the Company, the Subsidiary Guarantors signatory thereto (the "Subsidiary Guarantors"), and Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities LLC, as representatives of the several underwriters listed in Schedule 1 thereto, pursuant to which the Company agreed to sell \$450,000,000 aggregate principal amount of 4.500% Notes due December 1, 2023 (the "Notes") to the Underwriters at a public offering price of 99.690% of the principal amount per note. The Underwriting Agreement contains customary representations, warranties and agreements of the Company and the Subsidiary Guarantors and customary conditions to closing, indemnification rights and obligations of the parties.

The estimated net proceeds from the offering of the Notes is approximately \$445.2 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company. The Company will use the net proceeds from this offering to fund part of the consideration of the acquisition of General Parts International, Inc., a North Carolina corporation ("GPII"), pursuant to the Agreement and Plan of Merger, dated as of October 15, 2013 (the "Merger Agreement"), by and among the Company, Generator Purchase, Inc., a North Carolina corporation and wholly owned subsidiary of the Company, GPII and Shareholder Representative Services LLC, whereby, upon the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into GPII and GPII will become a wholly owned subsidiary of the Company (the "Acquisition"), and to pay associated costs and expenses. Under the terms of the Merger Agreement, we intend to acquire GPII for a transaction value of approximately \$2.1 billion with the net proceeds from this offering, a term loan up to an amount not to exceed \$700 million, a \$1.0 billion revolving credit facility, plus cash on hand (and a 364-day senior unsecured bridge loan facility with a \$450 million tranche and a \$600 million tranche if needed). Prior to the closing of the Acquisition, we intend to invest the net proceeds from this offering in U.S. government securities, short-term certificates of deposit, money market funds or other short-term interest bearing investments or demand deposit accounts a portion of which is insured by the Federal Deposit Insurance Corporation. If the Acquisition is not consummated, for any reason, and the Company does not exercise its rights under the special optional redemption to redeem the notes (as described below), the net proceeds from this offering will be used for general corporate purposes. Certain of the underwriters and their affiliates are lenders under the Company's existing credit facility.

The terms of the Notes will be governed by the Indenture dated as of April 29, 2010 (the "Base Indenture") between the Company, the subsidiary guarantors named therein and Wells Fargo Bank, N.A., as trustee (the "Trustee"), as supplemented by the First Supplemental Indenture dated as of April 29, 2010 (the "First Supplemental Indenture"), the Second Supplemental Indenture dated as of May 27, 2011 (the "Second Supplemental Indenture"), the Third Supplemental Indenture dated as of January 17, 2012 (the "Third Supplemental Indenture"), the Fourth Supplemental Indenture dated as of December 21, 2012 (the "Fourth Supplemental Indenture"), the Fifth Supplemental Indenture dated as of April 19, 2013 (the "Fifth Supplemental Indenture") and a Sixth Supplemental Indenture to be dated as of the date of the issuance of the Notes (the "Sixth Supplemental Indenture" and, together with the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture, the Fifth Supplemental Indenture and the Base Indenture, the "Indenture").

The Notes bear interest at a rate of 4.500% per year payable semi-annually in arrears on June 1 and December 1 of each year, commencing on June 1, 2014. The Notes may be redeemed in whole at any time or in part from time to time prior to September 1, 2023 (three months prior to the maturity date of the Notes), at the Company's option, at the greater of 100% of the principal amount of the Notes being redeemed or at a make-whole redemption price determined by using a discount rate of the applicable Treasury Rate plus 30 basis points, plus, in each case, accrued and unpaid interest, if any, to the redemption date. The Notes may be redeemed in whole at any time or in part from time to time on or after September 1, 2023 (three months prior to the maturity date of the Notes), at the Company's option, at 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, to the redemption date. In the event the Acquisition is not consummated on or prior to April 15, 2014 or the Merger Agreement is terminated

at any time prior thereto, at the Company's option, the notes will be subject to a special optional redemption equal to 101% of the principal amount of the notes, plus accrued and unpaid interest from the issue date of the notes or the most recent interest payment date for the notes, as applicable, up to, but not including, the date of such special optional redemption. In addition, in the event of a change of control triggering event, the Company will be required to offer to repurchase the Notes at a price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date. The Notes initially will be fully and unconditionally guaranteed, jointly and severally, on an unsubordinated and unsecured basis by each of the Subsidiary Guarantors.

The offering of the Notes was registered under the Securities Act of 1933, as amended, pursuant to the Company's shelf registration statement on Form S-3 declared effective by the Securities and Exchange Commission (the "SEC") on November 25, 2013 (File No. 333-192526) (the "Registration Statement").

The foregoing description of the Underwriting Agreement is qualified in its entirety by the Underwriting Agreement, which is incorporated herein by reference and is attached hereto as Exhibit 1.1.

The agreements included as exhibits to this Form 8-K (including the exhibits to such agreements), which are being filed to provide investors with information regarding their terms, contain various representations, warranties and covenants of, among others, the Company. They are not intended to provide any factual information about any of the parties thereto or any subsidiaries of the parties thereto. The representations, warranties and covenants were made for purposes of each of the agreements, solely for the benefit of the parties thereto.
