(the **Company**), in connection with the annual meeting of shareholders to be held on May 15, 2014 at the **HabourView Inn, 2 Vendue Range, Charleston, SC 29401** (the **Annual Meeting**), for the purpose of considering and acting upon the matters set forth in the foregoing Notice of Annual Meeting of Shareholders (the **Notice**). Shareholders of record of the Company's common stock, par value \$0.01 per share (**Common Stock**), as of the close of business on March 21, 2014, will be entitled to vote at the meeting. On March 21, 2014 (the **Record Date**), 17,751,000 shares of Common Stock were issued and outstanding.

The entire cost of this proxy solicitation is being paid by the Company. In addition to solicitation by mail, officers and employees of the Company, without additional remuneration, may solicit proxies by telephone, facsimile transmission or personal contact. Brokerage houses, banks, nominees, fiduciaries and other custodians will be requested to forward soliciting material to the beneficial owners of shares held by them of record and will be reimbursed by the Company for their expenses in so doing.

The SEC's rules regarding the delivery of proxy materials to shareholders permit us to deliver a single copy of these documents to an address shared by two or more of our shareholders. This method of delivery is called **householding**, and can significantly reduce our printing and mailing costs. It also reduces the volume of mail you receive. This year, we are delivering only one set of proxy materials to multiple shareholders sharing an address, unless we receive instructions to the contrary from one or more of the shareholders. We will still be required, however, to send you and each other shareholder at your address an individual proxy voting card. If you would like to receive more than one set of proxy materials, we will promptly send you additional copies upon written or oral request directed to our Secretary at 2000 Waters Edge Drive, Building C, Suite 12, Johnson City, Tennessee 37604 or 423-743-9151. The same address and phone number may be used to notify us that you wish to receive a separate set of proxy materials in the future, or to request delivery of a single copy of our proxy materials if you are receiving multiple copies.

The mailing address of the Company's executive office is 2000 Waters Edge Drive, Building C, Suite 12, Johnson City, Tennessee 37604. This Proxy Statement and the form of proxy were mailed to shareholders on or about April 4, 2014.

Voting; Quorum; Proxies

Each share of Common Stock outstanding on the Record Date is entitled to one vote on each matter submitted to a vote of shareholders at the Annual Meeting. A quorum for the conduct of business is established when the holders of at least a majority of the outstanding shares of Common Stock entitled to vote in the election of directors is present at the meeting or is represented by proxy. Abstentions and broker non-votes will be included in the number of shares considered present at the meeting for the purpose of determining whether there is a quorum. Representatives of the Company will serve as inspectors of election for the Annual Meeting.

Shares represented by a properly executed proxy will be voted at the Annual Meeting in the manner specified. In the absence of specific instructions, shares represented by a properly executed proxy will be voted for each of the nominees for election to the board of directors (**Board**) named herein, for the advisory resolution to approve executive compensation, and for ratification of the selection of PricewaterhouseCoopers LLP to serve as the Company's registered independent public accounting firm for 2014.

Edgar Filing: NN INC - Form DEF 14A

The Board does not now intend to bring before the Annual Meeting any matters other than those disclosed in the Notice, and it is not aware of any business that any other persons intend to bring before the Annual Meeting. Should any such matter requiring a vote of the shareholders arise, the enclosed form of proxy confers upon the persons named therein the discretionary authority to vote the shares represented by the proxy as they deem appropriate.

A proxy may be revoked at any time before it is exercised by delivery to the Secretary of the Company of a written revocation or a subsequently dated proxy and will be deemed revoked if the shareholder votes in person at the Annual Meeting.

Required Vote

Proposal I: *Election of Directors*. Directors are elected by a plurality of the votes cast in person or by proxy. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election.

Proposal II: *Advisory Resolution to Approve Executive Compensation*. To be approved, this matter must receive the affirmative vote of the majority of the shares present in person or by proxy and entitled to vote on the matter. Abstentions will have the effect of no votes on this matter. A broker non-vote will have no impact on the vote for this proposal.

Proposal III: *Ratification of Registered Independent Public Accounting Firm*. To be approved, this matter must receive the affirmative vote of the majority of the shares present in person or by proxy and entitled to vote on the matter. Abstentions will have the effect of no votes on this matter. There will not be a broker non-vote with regard to this proposal.

Submission of Shareholder Proposals

Any shareholder proposal intended to be presented at next year's Annual Meeting must be received by the Company at its executive offices not later than December 5, 2014 in order to be considered for inclusion in the Company's proxy statement and form of proxy for such meeting. These proposals should be sent to NN, Inc., Attention: Secretary, 2000 Waters Edge Drive, Building C, Suite 12, Johnson City, Tennessee 37604. Proposals of shareholders not intended for inclusion in the Company's 2015 proxy statement must be received by the Company in writing not less than 90 days and not more than 120 days prior to May 15, 2015, in order to preclude the Company's use of its discretionary proxy voting authority to vote on the proposal or nominee if the proponent is present at the 2015 annual meeting. However, if the 2015 Annual Meeting of Stockholders is advanced by more than 30 days or delayed by more than 60 days from May 15, 2015, then the notice must be delivered not earlier than the 120th day prior to such meeting and not later than (a) the 90th day prior to the date of such annual meeting or (b) if the first public announcement of the date of such annual meeting is less than 100 days prior to the day of such annual meeting, the tenth day following the day on which public announcement of such annual meeting is first made by the Company.

PROPOSAL I

Election of Directors

The Company's Certificate of Incorporation provides for the division of the Board into three classes: Class I, Class II and Class III. Only one class of directors is elected at each annual meeting. Each director so elected serves for a three-year term and until his or her successor is elected and qualified, subject to such director's earlier death, resignation or removal.

Nominees

Two Class I directors will be elected to the Board at the Annual Meeting. The Company has nominated for election Mr. G. Ronald Morris, and Mr. Steven T. Warshaw, both current directors of the Company. Additional information about each of these nominees can be found under Information about the Directors on page 5. The nominees have indicated a willingness to serve as directors if elected, but if either of them should decline or be unable to serve, the persons named as proxies intend to vote all shares in favor of the election of such other persons who may be

nominated as replacements by the Board. The Company takes into account diversity considerations in determining the slate of nominees and believes as a group the nominees bring a diverse range of perspective to the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE NOMINATED DIRECTORS.

PROPOSAL II

Advisory Resolution To Approve Executive Compensation

At the 2011 Annual Meeting, shareholders expressed their strong preference for an annual advisory vote to approve executive compensation. Accordingly, the Board determined that, every year until the next vote on the frequency of the advisory vote, the Company will hold a vote to approve the Company's executive compensation on an advisory basis. As such, the Board is asking shareholders to vote on an advisory resolution to approve the Company's executive compensation as reported in this Proxy Statement. As described in the "Compensation Discussion and Analysis" section of this Proxy Statement, the goal of the Company is to structure its compensation arrangements for executive officers in a manner that will promote the Company's profitability and enhance long-term shareholder value. In designing its compensation arrangements to achieve this goal, the Company is guided by the following objectives:

attracting and retaining qualified and dedicated executives who are essential to the long-term success of the Company;

providing compensation packages that are competitive with the compensation arrangements offered by comparable companies, including the Company's competitors;

tying a significant portion of an executive officer's compensation to the Company's and the individual's performance; and

directly aligning the interests of management with the interests of the shareholders through stock-based compensation arrangements.

Shareholders are urged to read the "Compensation Discussion and Analysis" beginning on page 14 of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative, appearing on pages 15 through 21, which provide detailed information on the compensation of our Named Executive Officers (as defined below). The Compensation Committee and the Board believe that the policies and procedures discussed in the "Compensation Discussion and Analysis" are effective in achieving our goals and that the compensation of our Named Executive Officers reported in this Proxy Statement has contributed to the Company's recent and long-term success.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and as a matter of good corporate governance, the Company is asking shareholders to approve the following advisory resolution at the 2014 Annual Meeting of Shareholders:

RESOLVED, that the shareholders of NN, Inc. (the "Company") approve, on an advisory basis, the compensation of the Company's named executive officers disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2014 Annual Meeting of Shareholders.

THE BOARD OF DIRECTORS RECOMMENDS YOU VOTE FOR THE ADVISORY RESOLUTION TO APPROVE EXECUTIVE COMPENSATION.

PROPOSAL III

Ratification of Selection of Registered Independent Public Accounting Firm

The firm of PricewaterhouseCoopers LLP has been selected by the Audit Committee as the Company's registered independent public accounting firm for 2014. Although it is not required to do so, the Board has determined that it is desirable to seek shareholders' ratification of the selection of PricewaterhouseCoopers LLP. If the shareholders should not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the appointment.

Fees Paid to Registered Independent Public Accounting Firm

During 2013, PricewaterhouseCoopers LLP not only acted as the registered independent public accounting firm for the Company (work related to auditing the annual financial statements for fiscal year 2012 and reviewing the financial statements included in our Quarterly Reports on Form 10-Q), but also rendered on our behalf tax-related services. The following table sets forth the aggregate fees billed by PricewaterhouseCoopers LLP for audit services rendered in connection with the financial statements and reports for fiscal years 2013 and 2012 and for tax-related services rendered during fiscal years 2013 and 2012 on our behalf, as well as all expenses incurred in connection with these services, which have been or will be billed to us.

	2013	2012
Audit Fees	\$ 1,351,505	\$ 1,282,445
Tax Fees	474,633	488,688
Total	\$ 1,826,138	\$ 1,771,133

In accordance with Securities and Exchange Commission (SEC) definitions and rules, audit fees are fees billed to the Company for professional services for the audit of the Company's consolidated financial statements included in our Annual Report on Form 10-K and review of financial statements included in our Quarterly Reports on Form 10-Q, and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements and tax fees are fees billed for tax compliance, tax advice and tax planning.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and permissible non-audit services to be provided to the Company by its registered independent public accounting firm prior to commencement of services. The Chairman of the Audit Committee has the authority to pre-approve such services up to a specified fee amount and these pre-approved decisions are presented to the full Audit Committee at its next scheduled meeting. Since the effective date of the SEC rules regarding strengthening auditor independence, all of the audit and tax services by PricewaterhouseCoopers LLP were pre-approved in accordance with the Audit Committee's policies and procedures.

Representatives of PricewaterhouseCoopers LLP will not be present at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

In April 2003, the Compensation Committee presented to the Board and the Board approved a written charter. This charter, which has been amended, is subject to review and reassessment at least annually. This revised charter is included on the Company's website at www.nninc.com. The functions of the Compensation Committee are discussed in further detail in the section entitled "Compensation Committee Report" herein. The Compensation Committee met four times in 2013.

Governance Committee. The Governance Committee was formed in 2002. The Committee consists of Robert E. Brunner who serves as Chair, Michael E. Werner, G. Ronald Morris and Richard G. Fanelli. All members of the Governance Committee are independent as defined by NASDAQ rules. Among other matters as provided in its charter, the Governance Committee's primary duties and responsibilities are to:

review and recommend qualified candidates for membership on the Board;

establish procedures for the retirement or replacement of Board members;

establish a process and criteria for Board membership;

review a candidate's qualifications and any potential conflicts with the Company's interests;

assess the contributions and qualifications of current Directors in connection with their re-nomination to the Board;

establish a process and criteria for Committee membership and each Committee's chair;

develop and maintain a set of the Company's Governance Principles;

oversee the process of providing information to the Board;

provide oversight and review the Board performance on an annual basis.

In reviewing and recommending qualified candidates for membership on the Board, the Governance Committee seeks input from the Chairman, other Board members, and professional search firms, if applicable. The Governance Committee will also consider and evaluate any qualified candidates recommended by shareholders. In accordance with the Board's governance principles, the Governance Committee seeks to establish a board of directors that will bring to the Company a broad and diverse range of experience, knowledge and professional judgment. The Governance Committee believes that the Board should have collective competency, knowledge and experience with respect to corporate governance, business, finance and accounting, economics, industry knowledge, manufacturing, technology, legal and government affairs, risk management, international operations and acquisitions among other things.

A candidate's competencies, experience and knowledge should enable him or her to contribute significantly to the governance of a complex, multi-national dollar business enterprise. The candidate should be independent in judgment and not represent the interests of particular constituencies. The Governance Committee will review a candidate's qualifications and any potential conflicts they may have with the Company's interests. In evaluating director nominees, including candidates submitted by shareholders, the Governance Committee will consider the candidate's experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment and willingness to devote adequate time to Board duties. Although diversity is a consideration in the Committee's consideration of candidates, the Company does not have a formal policy regarding diversity. The Company does not discriminate against candidates on the basis of gender, race, religion, national origin, sexual orientation, disability or any other basis as prescribed by law. The Governance Committee will also consider whether a candidate meets the definition of independent director under NASDAQ rules.

In October 2002, the Governance Committee adopted a statement of Principles of Corporate Governance. In April 2003, the Governance Committee presented to the Board and the Board approved a written charter. This charter, which has been amended, is subject to review and reassessment at least annually. This revised charter is included on the Company's website at www.nninc.com. The Governance Committee met five times in 2013.

Shareholders who wish to recommend director candidates for the 2015 Annual Meeting of Shareholders should notify the Secretary in writing at NN, Inc., 2000 Waters Edge Drive, Building C, Suite 12, Johnson City, Tennessee 37604. This notification must be received by the Company by December 5, 2014 and must provide information about the nominee's qualifications for board membership. This requirement does not apply to the deadline for submitting shareholder proposals for inclusion in the Proxy Statement (see Submission of Shareholder Proposals on page 2), nor does it apply to questions a shareholder may want to ask at the 2015 Annual Meeting. The Governance Committee Charter lists the qualifications against which a nominee will be judged. A copy of the Charter can be obtained by writing to the Secretary at the address set forth above. Alternatively, a copy of the Charter is available on the Company's website, www.nninc.com. The Governance Committee will evaluate any director candidate nominated by shareholders according to the criteria discussed above and, based on the results of that evaluation, will determine whether to include the candidate in its recommended slate of director nominees in the Proxy Statement. No shareholder or group of shareholders who beneficially owned more than 5% of the Common Stock for at least one year at the time of such recommendation has recommended candidates for election to the Board.

The Company retains discretion to vote proxies it receives with respect to director nominations or any other business proposals received after December 5, 2014. The Company retains discretion to vote proxies it receives with respect to such proposals received prior to December 5, 2014 provided (a) the Company includes in its proxy statement advice on the nature of the proposal and how it intends to exercise its voting discretion, and (b) the proponent does not issue its own proxy statement.

The following table shows the current membership of each Committee of the Board:

Robert E. Brunner	X		Chair	X
Richard G. Fanelli		X	X	X
G. Ronald Morris	Chair		X	X
David L. Pugh	X	X		
Steven T. Warshaw	X	Chair

The Board also forms special committees and subcommittees from time to time, such as an executive search committee, which was formed in 2012 to lead the search for a new chief executive officer.

Board Leadership

The Board is responsible for overseeing that the business of the Company is managed to meet the Company's strategic goals and objectives and that the long-term interests of shareholders are served. The Board's leadership structure includes very active and engaged independent directors. The Chairman of the Board approves the agenda for each Board meeting and presides over each executive session of independent directors held at each Board meeting. Each of the committees of the Board are chaired and comprised solely of independent Board members. The Board has determined that all of the directors other than Mr. Holder, who is our CEO, are independent as defined by NASDAQ rules.

Prior to his retirement on June 3, 2013, Roderick Baty served as both the Chairman of the Board, President and Chief Executive Officer of the Company. As President and Chief Executive Officer, Mr. Baty was closely involved in the day-to-day operations of the Company. The Board felt that due to this close involvement, Mr. Baty's comprehensive knowledge of the Company's business and industry and his ability to develop and implement strategic initiatives put him in the best position to assess and evaluate critical strategic and business issues for further consideration and action by the independent Board given the size of the Company and the Board. Upon Mr. Baty's retirement, and the appointment of Richard Holder as President and Chief Executive Officer, the Board determined that the separation of these two roles would allow Mr. Holder as Chief Executive Officer to focus his efforts on managing the business and would allow the Board to benefit from the experience, expertise and judgment of a long time independent director. Mr. G. Ronald Morris, a director of the Company since 1994, was elected to serve as a Non-Executive Chairman of the Board.

The Board believes this structure provides for the best balance of experience, expertise and independence for the Board as the current structure promotes a high level of open communication and involvement of all the Board's independent members and committees and provides an effective balance for the management of the Company in the best interests of shareholders.

Board Oversight of Risk

The Board as a whole has responsibility for risk oversight. This oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide maximum visibility to the Board of the identification and assessment of critical risks and management's risk mitigation strategies. The Chief Executive Officer, as well as various management personnel, regularly discuss material risks facing the Company with the Board members. The Company's Vice President and Chief Compliance Officer is responsible for corporate risk management and reports directly to the Audit Committee on financial, accounting and regulatory matters.

The Board and its committees oversee risks associated with their respective principal areas of focus. The Board is responsible for strategic, financial and execution risks and exposures associated with the annual operating plan, the five-year strategic plan, acquisitions and divestitures, senior management succession planning and general risk oversight.

The Board has delegated certain risk management responsibility to the Board committees. The Audit Committee is responsible for risk and exposures associated with financial, accounting, legal and regulatory matters. The Audit Committee oversees that management has established a process to assure an adequate system of internal controls and maintains the reliability of the accounting policies and financial reporting and disclosures of the Company. The Governance Committee is responsible for the oversight of corporate governance and the selection of the candidates for the Board and the evaluation of the Board members. The Compensation Committee is responsible for evaluating, approving and monitoring the executive compensation plans, policies and programs of the Company and to oversee other significant human resource issues. Additionally, the Compensation Committee is responsible for reviewing and overseeing the management of any risk related to the Company's compensation plans, policies and programs. The Compensation Committee reviews such risks annually and in connection with discussions of various compensation developments and benefits throughout the year.

Attendance at Board and Committee Meetings

The Board held ten meetings in 2013. All current directors attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which they served. While the Company does not have a policy requiring attendance by directors at the Annual Meeting, all of the current directors attended the 2013 Annual Meeting.

Communicating with the Board

Interested parties may contact the Board by sending correspondence to NN, Inc., Attention: Secretary, 2000 Waters Edge Drive, Building C, Suite 12, Johnson City, Tennessee 37604. Any mail received by the Secretary with the exception of improper commercial solicitations will be forwarded to the members of the Board (or committee members, as appropriate) for their further action, if necessary.

Compensation Discussion and Analysis

Compensation Principles

The goal of the Company is to structure its compensation arrangements for executive officers in a manner that will promote the Company's profitability and enhance long-term shareholder value. In designing its compensation arrangements to achieve this goal, the Company is guided by the following objectives:

attracting and retaining qualified and dedicated executives who are essential to the long-term success of the Company;

providing compensation packages that are competitive with the compensation arrangements offered by comparable companies, including the Company's competitors;

tying a significant portion of an executive officer's compensation to the Company's and the individual's performance; and

directly aligning the interests of management with the interests of the shareholders through stock-based compensation arrangements.

In 2013, the components of the Company's executive compensation arrangements consisted of salary, bonus opportunities, stock option award opportunities and restricted stock opportunities pursuant to the 2005 Stock Incentive Plan and the 2011 Stock Incentive Plan.

Risk Considerations

The Company structures its executive compensation arrangements in order to encourage executives to take appropriate risks designed to enhance Company performance and increase shareholder value in the long-term. The Company believes that providing a balanced mix of stock-based and cash compensation arrangements tied to both Company and individual performance goals provides an appropriate balance of incentives for executives and helps to avoid the taking of inappropriate risks. The Compensation Committee has assessed our compensation objectives, principles and forms of equity and cash based benefits for all employees, including executives, and has concluded that the Company's compensation program and principles do not create risks that are likely to have a material adverse effect on the Company.

Executive Officer Compensation

The Company believes the interests of the Company and its shareholders are best served by developing and maintaining compensation policies that are consistent and competitive with peer group companies. Therefore, the Committee analyzes market data regarding base salary, cash bonus awards, equity incentive awards and other benefits paid by companies the Compensation Committee considers the Company's primary peer group. The Compensation Committee relies on the Corporate Human Resources Manager and external research to identify the individual companies which make up this group. In identifying the peer group of surveyed companies, the Corporate Human Resource Manager utilizes the Economic Research Institute, an industry and region specific compensation database, to assemble market data on publicly traded companies having similar industrial characteristics and revenues to that of the Company. The gathered data is then reviewed by the Chief Executive Officer and the Corporate Human Resource

Manager with respect to each of the executive officer positions and adjusted for the scope of responsibilities within the Company as compared to equivalent responsibilities of positions within companies included in the survey data.

The current executive compensation structure includes a formal salary grade structure that establishes three levels of executive compensation within the Company. In addition, a formal annual incentive bonus plan includes threshold, target and maximum awards based upon pre-established financial performance criteria.

Salary

The salary levels for the Company's executive officers and other direct reports of the Chief Executive Officer are reviewed and determined annually by the Compensation Committee. Salaries are established and adjusted based upon three factors: individual performance, financial performance of the Company, and peer group and market data established by the compensation studies performed by an outside compensation consulting firm. It is the policy of the Company to compensate executives in a targeted range of approximately the 50th percentile of market of total direct compensation. Direct compensation is defined as base salary, bonus and awards under the long-term stock incentive plans.

Non-equity Incentive Plan Compensation

Annual non-equity incentive plan compensation payments are made contingent on achieving certain goals and objectives as defined in a formalized plan. At the beginning of each fiscal year, the Compensation Committee establishes net income goals for each operating business unit and the consolidated results of the Company based upon the Board-approved annual business plan. The Compensation Committee then sets certain threshold, target and maximum bonus payment percentages for each executive officer dependent upon the executive's salary level and base compensation. The Compensation Committee, at its discretion, may make adjustments to the net income goals and set additional strategic goals based on certain factors as it feels appropriate and may grant bonuses using other criteria at its sole discretion.

The Compensation Committee established a plan that allowed for payment of non-equity incentive plan compensation to each Named Executive Officer for reaching certain net income goals for the fiscal year of 2013. The following table reflects the net income after-tax goals for each Named Executive Officer at threshold, target and maximum levels (amounts in millions, except per share amounts):

Name	Threshold	Target	Maximum
(Amounts in millions, except per share amounts)			
Roderick R. Baty (1)	\$17.1/\$1.00 EPS	\$18.7/\$1.10 EPS	\$20.5/\$1.20 EPS
Richard D. Holder	n/a	n/a	n/a
James H. Dorton	\$17.1/\$1.00 EPS	\$18.7/\$1.10 EPS	\$20.5/\$1.20 EPS
Frank T. Gentry	\$18.1	\$19.2	\$20.5
William C. Kelly	\$17.1/\$1.00 EPS	\$18.7/\$1.10 EPS	\$20.5/\$1.20 EPS
James R. Widders	\$4.1	\$4.5	\$4.8

(1) On June 3, 2013 Mr. Baty retired from his positions of Chairman of the Board, President and Chief Executive Officer of the Company.

The following table reflects the target incentive as a percentage of base salary for each of the Named Executive Officers:

Name	% of Base Salary at	% of Base Salary at Target	% of Base Salary at Maximum
------	---------------------	----------------------------	-----------------------------

	Threshold		
Roderick R. Baty (1)	60%	65%	75%

James H. Dorton	45%	50%	60%
Frank T. Gentry	45%	50%	60%
William C. Kelly	40%	45%	55%
James R. Widders	40%	45%	55%

- (1) On June 3, 2013 Mr. Baty retired from his positions of Chairman of the Board, President and Chief Executive Officer of the Company.

Roderick R. Baty received non-equity incentive plan compensation payments paid at 42% between Threshold and Target, James H. Dorton at 42% between Threshold and Target, Frank T. Gentry at 78% of Threshold, William C. Kelly at 42% between Threshold and Target and James R. Widders at midpoint between Target and Maximum. Richard D. Holder received a bonus payment set at 65% of his pro rata base salary as a condition of employment.

The payment of non-equity plan compensation and bonuses paid to Named Executive Officers for 2013 are set forth in the Summary Compensation Table.

Stock Incentive Plans

The 2005 Stock Incentive Plan (2005 Plan), which was adopted by the Board on April 8, 2005 and approved by the shareholders on May 18, 2005, reserves 1.0 million shares of Common Stock for the issuance of options and stock appreciation rights and 300,000 shares of restricted stock, restricted stock units, performance shares and stock awards to directors, executive officers and other key employees. The 2005 Plan replaced the prior incentive plan which was adopted on March 2, 1994 and expired on March 2, 2004. Stock options granted under the former plan prior to its expiration are exercisable upon vesting for a period of ten years after the date of grant.

The 2011 Stock Incentive Plan (2011 Plan), which was adopted by the Board on March 24, 2011 and approved by the shareholders on May 19, 2011 reserves an aggregate of 2.5 million shares of Common Stock for the issuance of options, stock appreciation rights, shares of restricted stock, restricted stock units, performance shares and stock awards to directors, executive officers and other key employees.

Stock options and restricted share grants to the Company's executive officers and other key employees are generally reviewed and determined annually by the Compensation Committee. With respect to options and restricted shares awarded, the Committee considers the following: recommendations from the independent compensation review, the Chief Executive's recommendations (other than for himself), interests of the Company in rewarding officers and other key employees for superior performance, and the need for financial incentives for officers and employees to continue to perform in a superior manner.

During 2013, the Company awarded 353,600 options and 94,800 shares of restricted shares to seven executive officers, six non-employee directors and other key employees. Currently, there are 52,453 shares remaining under the 2005 Plan and 1,360,200 shares under the 2011 Plan.

Compensation of the Chief Executive Officer

The Company's decisions regarding compensation of its Chief Executive Officer (CEO) are guided by the same policies and considerations that govern compensation of the Company's other executive officers. The CEO's salary is established and adjusted based upon three factors: individual performance, financial performance of the Company, and peer group and total market data established by compensation studies performed by the Corporate Human Resources Manager utilizing external research to identify the individual companies which make up this group. In identifying the peer group of surveyed companies, the Corporate Human Resource Manager utilizes the Economic Research Institute, an industry and region specific compensation database, to assemble market data on publicly traded companies having similar industrial characteristics and revenues to that of the Company. The Compensation Committee reviews and evaluates the CEO's individual performance annually on the basis of his actual performance in comparison to written financial and strategic objectives established at the beginning of the year by and the Compensation Committee. The Compensation Committee also evaluates the CEO based upon the financial performance of the Company as compared to the Company's annual business plan and compares the CEO's compensation to the peer companies at the 50th percentile of market of total direct compensation. Direct compensation is defined as base salary, bonus and awards under the long-term stock incentive plans. Additionally, on an annual basis, the CEO prepares a written succession plan that is reviewed by the Compensation Committee. This plan includes a plan of succession for the CEO and the

executive management of the Company.

On May 8, 2013, the Company entered into an Executive Employment Agreement with Mr. Holder to serve as our President and CEO. Pursuant to the terms of the agreement, Mr. Holder will receive an annual base salary of \$500,000, subject to review by the Board as described above. The agreement is for an initial term of one year and will be renewed automatically for additional one-year periods, unless terminated in accordance with its terms. As described below, Mr. Holder is eligible to receive certain equity and retention awards as well as annual bonuses under the Company's Annual Non-Equity Incentive Plan.

The Role of Advisory Vote on Executive Compensation

The Company provides its shareholders with the opportunity to cast an annual advisory vote to approve executive compensation. At the 2013 Annual Meeting, an overwhelming majority of the votes cast at the meeting voted in favor of approval of the Company's executive compensation. The Board believes this affirms the shareholders' support of the Company's approach to executive compensation, and did not change its approach in 2013. The Board will continue to consider the outcome of the annual advisory votes when making future compensation decisions for the Named Executive Officers.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, precludes any public corporation from taking a deduction for compensation in excess of \$1 million paid to its chief executive officer and certain other executive officers. Certain performance-based compensation, however, is exempt from the deduction limit. No formal policy has been adopted by the Company with respect to minimizing the risk that compensation paid to its executive officers will exceed the deduction limit. Although the Compensation Committee uses the requirements of Section 162(m) as a guideline, deductibility is not the sole factor it considers in assessing the appropriate levels and types of executive compensation and it will elect to forgo deductibility when it believes it is in the best interests of the Company and our shareholders.

Executive Compensation

The following table sets forth for the year ended December 31, 2013 information concerning the compensation paid for services rendered in all capacities by the Company to its Chief Executive Officer and Chief Financial Officer and to each of the other three most highly compensated executive officers of the Company whose annual salary and bonus in 2013 exceeded \$100,000 (collectively, the "Named Executive Officers").

Employment and Change of Control Agreements with Named Executive Officers

Messrs. Holder, Dorton, Gentry, Kelly and Widders have written employment agreements to serve in their respective positions that extend automatically for successive one-year terms unless either party gives notice of termination. The Company may terminate each executive's employment with or without cause, but if terminated without cause, the executive would continue to receive his annual salary, paid on a monthly basis, for one year from the date of termination. Additionally, Messrs. Holder, Dorton, Gentry, Kelly and Widders have a written change of control agreement. These agreements state if an executive's employment is terminated within two years following a change of control as defined in the document that each executive will receive a lump sum payment equal to a multiple of his annual salary plus a multiple of his median bonus available at his specific target percentage. The multiple for each of the executive officers salary is as follows: Mr. Holder 2.5, Mr. Dorton 2.0, Mr. Gentry 2.0, Mr. Kelly 2.0, Mr. Widders 2.0. The percentage for each of the executive officers bonus is Mr. Holder 80%, Mr. Dorton 50%, Mr. Gentry 50%, Mr. Kelly 45%, Mr. Widders 45%. Additionally, a lump sum amount of \$12,000 would be paid by the Company to each executive officer for transition costs. Mr. Baty is not entitled to any such payment upon change of control as Mr. Baty retired from his positions of Chairman, President and Chief Executive Officer on June 3, 2013. Each of Messrs. Baty, Holder, Dorton, Gentry, Kelly and Widders has also agreed to a non-competition agreement that ends two years after the conclusion of his employment with the Company.

The following table shows the compensation these officers other than Mr. Baty would have received under the employment agreements had a change in control occurred as of December 31, 2013.

Mr. Holder	2,062,000
Mr. Dorton	799,500
Mr. Gentry	799,500
