(c) On September 16, 2014, PowerSecure International, Inc., a Delaware corporation (the Company), entered into an Employment and Non-Competition Agreement (the Employment Agreement) with Eric Dupont, who was appointed as the Executive Vice President of Finance and Administration of the Company on September 3, 2014.

Under the Employment Agreement, Mr. Dupont will receive an annual base salary of \$250,000, subject to increase on an annual basis in the discretion of the Compensation Committee of the Board of Directors of the Company (the Compensation Committee), along with health, life and disability insurance and participation in other employee benefit plans on a similar basis as other Company executives. The Employment Agreement also provides that Mr. Dupont is eligible to receive an annual incentive bonus in the target amount of 35% of his base salary and a maximum amount of 70% of his base salary and to participate in the Company's employee benefit plans and receive other similar benefits for management employees. In the event Mr. Dupont is terminated by the Company without cause, or is terminated by the Company or resigns for good reason within two years after a change in control of the Company, then he will receive a severance equal to the sum of one year base salary then in effect plus his average annual bonus over the prior three years, plus continuation of his health insurance and other employee benefits over the subsequent 12 months after his termination. The term of the Employment Agreement is three years, subject to automatic annual one-year renewals unless either party provides at least 60 days prior written notice of termination. The Employment Agreement was approved by the Compensation Committee on September 16, 2014.

On September 16, 2014, the Compensation Committee also granted Mr. Dupont 20,000 restricted shares of Common Stock, par value \$.01 per share, of the Company, vesting in equal annual installments over a five year period, subject to early vesting in the event of Mr. Dupont's death or disability or a change in control of the Company, under the Company's standard Restricted Stock Agreement.
