person most familiar with the Company's business and industry, strategies and challenges. The Board believes that the combined role of Chairman and CEO promotes unified leadership and direction for the Company.

Management is responsible for the day to day management of the risks that the Company faces, while the Board as a whole and through its committees, has responsibility for the oversight of risk management. ## **REPORT OF THE AUDIT COMMITTEE**

The Audit Committee is comprised of four independent directors, as defined by the rules of the SEC and the listing standards of NASDAQ, and operates under a charter adopted by the Board of Directors. The members of the Committee are Steven Crystal (Chair), Peter Lavoy, Stephen Rooney and David C. Judge. The Committee appoints the Company's independent auditors.

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. In addition, the independent auditors are responsible for expressing an opinion on the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the year ended July 26, 2014, management's assessment of the effectiveness of the Company's internal control over financial reporting as of July 26, 2014, and the independent

auditor's evaluation of the effectiveness of the Company's internal control over financial reporting as of that date. The Audit Committee discussed with the independent auditors the matters required to be discussed by the standards of the Public Company Accounting Oversight Board.

The Company's independent auditors also provided to the Audit Committee the written disclosures required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence), and the Audit Committee discussed with the independent auditors that firm's independence. On the basis of these items, the Audit Committee determined that KPMG is independent.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report of the independent auditors, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 26, 2014 filed with the Securities and Exchange Commission.

The following table presents fees for professional services rendered by KPMG LLP for the audit of the Company's annual consolidated financial statements for fiscal 2014 and 2013, and fees billed for other services rendered by KPMG LLP:

	2014	2013
Audit fees(1)	\$ 545,000	\$ 545,000
Audit-related fees		
Tax fees(2)	72,000	58,000
All other fees		
Total fees	\$ 617,000	\$ 603,000

(1) Audit fees consist of audits of the annual consolidated financial statements and the effectiveness of internal control over financial reporting, quarterly reviews and services provided in connection with statutory and regulatory filing engagements, including issuance of consents.

(2) Tax fees consist of fees for tax compliance and consultation services.

The Audit Committee has considered whether the providing of non-audit services is compatible with maintaining the auditors' independence. The Audit Committee pre-approves all services provided by the principal auditors.

The Code of Ethics is also available at sec.gov as an Exhibit to the 2014 Form 10-K.

### **EXECUTIVE COMPENSATION**

#### **COMPENSATION DISCUSSION AND ANALYSIS**

The Compensation Committee of the Board has the primary responsibility for establishing the compensation paid to the executive officers of the Company, including the named executive officers who are identified in the Summary Compensation Table below. This includes base salary, bonus awards, employment agreements and supplemental retirement plans. The full Board of Directors reviews and approves restricted share awards and stock option grants. The Compensation Committee consists of James Sumas, Chairman of the Board of Directors and Chief Executive Officer; John P. Sumas, Executive Vice President; Robert Sumas, President and Chief Operating Officer; John J. Sumas, Vice President – General Counsel; Steven Crystal, David C. Judge and Peter R. Lavoy, independent directors.

The primary objective of the Company's executive compensation program is to attract, motivate and retain executive officers of outstanding ability and to align the interests of these executive officers with the interests of shareholders. Most of the named executive officers own a substantial amount of the Company's common stock and thus have a direct and substantial interest in the long-term growth of shareholder's wealth. In light of this ownership, there is less need to directly relate compensation for the named executive officers to long-term Company performance.

Neither management nor the Compensation Committee currently engages any consultant related to executive or director compensation matters. In setting compensation levels the Committee considers the overall level of responsibility and performance of the individual executive, compensation levels of executive officers obtained through commercially available survey data, compensation of executive officers obtained through reviews of annual proxy statements, compensation paid to corporate executives of Wakefern and other ShopRite members, the financial performance of the Company and other achievements during the most recently completed fiscal year, overall economic conditions, and competitive operating conditions. The Compensation Committee does not specifically benchmark to compensation data obtained, but rather subjectively utilizes the above factors in setting compensation for the named executive officers. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of areas under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Although financial performance of the Company is a factor in setting executive compensation, financial and other performance targets are not utilized.

The Company's executive compensation for the named executive officers includes the following components: base salary, annual bonus plan, restricted stock awards, retirement benefits and other benefits.

### **Salary**

Named executive officers are paid a base salary with annual increases at the discretion of the Compensation Committee. In addition to the competitive data outlined above and Company performance, individual factors are also considered in setting base salaries. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of areas under the executive's control, leadership, execution of strategic initiatives and decision making abilities. Based on subjective and qualitative considerations, the Compensation Committee granted raises to each of the named executive officers of approximately 3% in fiscal 2014.

### **Annual Bonus**

The Company's executive compensation program includes an annual non-equity incentive cash bonus designed to reward executive officers for overall Company success and individual performance. The actual bonus amounts earned by the named executive officers are reflected in the Summary Compensation Table in the fiscal year earned, even though these bonus amounts are paid in the subsequent year. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of areas under the executive's control, leadership, execution of strategic initiatives and decision making abilities. The bonuses awarded in fiscal 2014 by the Committee, which represents a 10% decrease from fiscal 2013, also considered the Company's 17% decrease in net income, excluding nonrecurring items, amid a difficult operating environment. Although the annual bonus award is not targeted as a specific percentage of the named executive officer's base salary, the bonus awards in fiscal 2014 range from 32% to 39% of base salary. In addition, an employment agreement with Mr. Begley requires the Company to pay a retention bonus of a minimum of \$75,000 per year, payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company.

### **Equity**

Awards based on the Company's common stock have been granted periodically to the named executive officers and approximately sixty other employees. During fiscal 2014, the Company granted 23,400 restricted shares to James Sumas, Robert Sumas, William Sumas and John P. Sumas. Kevin Begley was granted 13,950 restricted shares. Additional information about these awards is included in the tables that follow. The Compensation Committee believes equity awards align the interest of employees with the interest of shareholders. The Company has utilized both restricted share grants and option grants. The last grant of stock options to named executive officers occurred in

1997. The Compensation Committee considers several factors in determining the amounts of stock based awards granted to the named executive officers, including the officer s

level in the organization, individual performance and comparison to compensation levels at similar companies. The Compensation Committee subjectively determines, without the use of performance targets, individual performance in the following areas: increased responsibilities, performance of areas under the executive's control, leadership, execution of strategic initiatives and decision making abilities.

The Company has historically set the exercise price for stock options as the closing price of the Company's Class A common stock on the date of grant. Options have generally been granted at the Board of Directors' meeting held in March, which is shortly after the release of second quarter earnings.

The Company does not have specific equity ownership guidelines, although as noted above, all of the named executive officers own a substantial amount of the Company's common stock.

### **Retirement Benefits**

The Company maintains a defined benefit and a defined contribution plan for its non-union employees. The named executive officers participate in both of these plans, as well as a supplemental executive retirement plan. Additional details regarding retirement benefits available to the named executive officers can be found in the 2014 Pension Benefits Table and the accompanying narrative description that follows this discussion and analysis.

Village also maintains a deferred compensation plan in which the named executive officers, as well as other supervisory employees, are eligible to participate. No officers currently participate in this plan, although one named executive officer previously participated in this plan. This plan is a nonqualified plan under which participants may elect to defer the receipt of a portion of their salary or bonus otherwise payable to them. Compensation deferred bears interest at the actual rate of return earned on the contributed assets, which are invested in mutual funds and thus is not a preferential rate of interest. Deferred amounts are paid out only in cash, in accordance with deferral options selected by the participant at the time the deferral election is made.

### **Other Benefits**

The Company's group health, dental, vision and life insurance plans are available to eligible full-time and part-time employees. These plans do not discriminate in favor of the named executive officers. Non-employee directors of the Company's Board of Directors do not participate in these plans. The Company provides the named executive officers, as well as all supervisory personnel, a Company vehicle. The Company provides the named executive officers with long-term disability insurance. There are no other benefits provided to the named executive officers.

The Company believes the perquisites described above are necessary and appropriate in providing competitive compensation to our executive officers.

### **Employment Agreements**

The Company entered into an employment agreement with Mr. Begley dated January 1, 2004. The original agreement expired December 31, 2006, but has been extended through December 31, 2014. Under the agreement, the Company agreed to pay Mr. Begley a base salary and bonus at least equal to that existing on the date of the contract, with increases at least commensurate with the increases granted to the other executive officers of the Company. The Board of Directors may decrease Mr. Begley's compensation in proportion to decreases commensurate with the other executive officers of the Company. In addition, the Company agreed to pay Mr. Begley a retention bonus of a minimum of \$75,000 per year payable one year after such bonus is earned, conditioned on Mr. Begley's continued employment with the Company. This agreement contains a covenant not to compete with the Company. The agreement includes payments in the event of the termination of Mr. Begley within five years following a change in control. The change in control and termination payment due is calculated as five years of current base salary plus

bonus using the previous five years average, less amounts paid

subsequent to the change in control. If the change in control and termination had occurred on July 26, 2014, the amount due would be \$4,830,000. There are no other severance payments or change in control agreements with named executive officers.

The Company's equity plans described above provide for accelerated vesting of options and restricted share grants in the event of a change in control of the Company. This potential acceleration applies to all employees receiving grants and does not discriminate in favor of the named executive officers.

### **Deductibility of Compensation**

Section 162(m) of the Internal Revenue Code limits the deductibility of compensation paid to certain executive officers to \$1,000,000 annually. Compensation that is qualified performance-based compensation generally is not subject to this \$1,000,000 deduction limit. The Company's awards of restricted stock vest solely on the passage of time, are not performance based and, as a result, compensation expense for those awards are not deductible to the extent they exceed \$1,000,000.

### **Financial Statement Restatement**

The Company does not have a policy relative to making retroactive adjustments to any incentive compensation paid to the named executive officers where payment was based on the achievement of results that were subsequently the subject of restatement. The Company has never restated its financial statements.

### **Risk Assessment of Compensation Policies and Practices**

The Compensation Committee has assessed the compensation policies and practices for our employees and we have concluded that these policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. In addition, the Compensation Committee believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks.

### **RESULTS OF 2011 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

At the 2011 Annual Meeting of Shareholders, we held our first advisory vote on executive compensation. Over 87% of the votes cast were in favor of this advisory proposal. The Committee considered this favorable outcome when deciding to make no material changes in the structure of our compensation programs. The Committee will continue to consider the results from the future advisory votes to be held every three years on executive compensation, in accordance with the advisory vote of Shareholders in 2011.

## **COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on its review and discussions with management, the Compensation Committee has recommended to the Company's Board of Directors that the Compensation Discussion and Analysis be included in the Company's proxy statement and incorporated by reference into its annual report on Form 10-K. The report is provided by the following directors, who comprise the committee.

- (1) These amounts represent the grant date fair value of restricted share awards granted to the named executive officer with respect to the fiscal year. The compensation for fiscal 2014 is calculated for James Sumas, Robert Sumas, William Sumas and John P. Sumas, as 23,400 Class A restricted shares granted on March 14, 2014 times the \$28.83 grant price, which was the market value on the date of grant. Mr. Begley's compensation is calculated as 13,950 shares times the \$28.83 grant price. Restrictions on these shares for James Sumas, Robert Sumas, William Sumas and John P. Sumas lapse on March 14, 2017, the third anniversary of the grant, as long as the officer is employed by the Company at that time. Restrictions on Mr. Begley's shares lapse one third each year beginning March 14, 2015, provided he is an officer or director on those dates. Any dividends declared on the Company's Class A common stock are payable on the restricted shares.
- (2) This amount shows the change in pension value in fiscal 2014. Amounts from the Nonqualified Deferred Compensation Table were omitted since the aggregate earnings amount included no above-market or preferential earnings.
- (3) In accordance with SEC rules, this table omits information regarding group life and health plans that do not discriminate in favor of executive officers of the Company and that are generally available to all salaried employees. The amounts shown in this column include employer costs related to personal use of Company automobiles, which is added to the named executive officers taxable earnings in accordance with IRS rules,

long-term disability insurance premiums, and the Company's matching contribution to our 401(k) Plan.

James Sumas	VSMERP	47	1,077,229	65,770

	SERP	45	4,263,637	
John P. Sumas	VSMERP	41	1,279,456	
	SERP	41	4,402,988	

- (1) The present value of the accumulated benefit for each named executive officer reflects pension benefits payable at the earliest age the named executive officer may retire without significant benefit reductions, or current age, if later. The same assumptions used in Note 8 to the Village Super Market, Inc. audited financial statements in the 2014 Annual Report and the Management's Discussion and Analysis included therein are used in calculating the present value of accumulated pension benefits.

The Company maintains a defined benefit pension plan (the Village Super Market Employees Retirement Plan, or VSMERP) for employees not covered by a collective bargaining agreement who have been employed with the Company for more than six months and who are over the age of twenty-one. For purposes of determining plan benefits, compensation is the regular base pay of the participant plus bonuses. Effective January 1, 1989, the plan benefit formula was amended. Retirement benefits are equal to the pension accrued to December 31, 1988 plus 1% of average compensation times each year of post-1988 service plus .75% of average compensation in excess of Table II of the 1989 Covered Compensation Table times each year of post-1988 service. Average compensation for post-1988 service is based on the five highest consecutive years' compensation. Normal retirement date is age 65. Employees are eligible for early retirement upon the attainment of age 55 and the completion of at least 15 years of vested service. Benefits are reduced by  $\frac{1}{15}$  for each of the first five years the early retirement date precedes normal retirement date and  $\frac{1}{30}$  for each of the succeeding five years. The Company has never granted any extra years of credited service.

In addition to the defined benefit pension plan described above, the Company adopted the Supplemental Executive Retirement Plan of Village Super Market, Inc. (the SERP) effective January 1, 2004 for the named executive officers to compensate for limitations on benefits available through the VSMERP. Participants vest in the SERP benefit at a rate of 20% per year of service beginning in calendar 2004. The retirement benefit at normal retirement date for the SERP is calculated as 50% of the individual's average compensation during his or her highest sixty consecutive

months in the last ten years before retirement, reduced by both the benefit the participant is entitled to receive under the VSMERP and the amount of the participant's social security benefits. Normal retirement is defined as the later of age 65 or five years of participation in the SERP. Early retirement is permitted upon the attainment of age 55 and the completion of at least five years of vesting service. Early retirement benefits are subject to a reduction of  $\frac{1}{15}$  for each of the first five years the early retirement date

precedes the normal retirement date and  $\frac{1}{30}$  for each of the succeeding five years. Covered compensation under the SERP includes all salary and bonuses, whether paid in cash or deferred.

### NONQUALIFIED DEFERRED COMPENSATION

The following table provides information on nonqualified deferred compensation for the named executive officers for fiscal 2014.

Name	Executive Contributions in Last FY (\$)	Registrant Contributions in Last FY (\$)	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/ Distributions (\$)	Aggregate Balance at Last FYE (\$)
James Sumas					
Kevin Begley					
Robert Sumas					
William Sumas					
John P. Sumas					

The named executive officers are eligible to participate in a nonqualified deferred compensation plan under which certain employees may elect to defer the receipt of up to 25% of their salary or 100% of their bonus otherwise payable to them, and thereby defer taxation of the deferred amount until actual payment in future years. Participants may elect to defer payment for a specified number of years or until retirement or termination of employment. Earnings on deferred amounts are allocated to individuals based on the actual performance of the invested funds, which is not a preferential rate.

## **PROPOSAL 3 ADVISORY VOTE ON EXECUTIVE COMPENSATION**

We are providing our shareholders with the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement. The vote is advisory, which means that the vote is not binding on the Company, our Board of Directors or the Compensation Committee. Although the vote is advisory, the Compensation Committee will consider the outcome of the vote when making future executive compensation decisions. As described in detail in the Executive Compensation section beginning on page 9, the primary objective of our executive compensation programs is to attract, motivate and retain executive officers of outstanding ability and to align the interest of these executive officers with the interests of shareholders. We urge you to read carefully the Compensation Discussion and Analysis, the compensation tables, and the related narrative discussion in this proxy statement.

In view of the foregoing, shareholders will vote on the following resolution at the 2014 Annual Shareholders Meeting.
