- (1) Based on 27,129,832 shares of common stock outstanding as of July 29, 2015. Each beneficial owner's percentage ownership of common stock is determined by assuming that options that are held by such person (but not those held by any other person) and that are exercisable or convertible within 60 days of July 29, 2015 have been exercised. Except as otherwise indicated, the beneficial ownership table does not include common stock issuable upon exercise of outstanding options, which are not currently exercisable within 60 days of July 29, 2015. Except as otherwise indicated and based upon the Company's review of information as filed with the SEC, the Company believes that the beneficial owners of the securities listed have sole or shared investment and voting power with respect to such shares, subject to community property laws where applicable.
- (2) Grande, a Bermuda corporation, has, together with S&T International Distribution Limited (S&T), a subsidiary of Grande, and Grande N.A.K.S. Ltd., a subsidiary of Grande (together with Grande, the Reporting Persons), had the shared power to vote and direct the disposition of 15,243,283 shares, or approximately 56.2%, of the outstanding common stock of Emerson. On May 31, 2011, upon application of a major creditor, the High Court of Hong Kong appointed Fok Hei Yu (who is also known by the anglicized name Vincent Fok), a former director, and Roderick John Sutton, both of FTI Consulting (Hong Kong) Limited (FTI), as Joint and Several Provisional Liquidators over Grande (the Provisional Liquidators over Grande). Accordingly, as of May 31, 2011, the directors of Grande no longer have the ability to exercise control over Grande or the power to direct the voting and disposition of the 15,243,283 shares described in this footnote (2). Instead, Mr. Fok, as a Provisional Liquidator over Grande, has such power. Information with respect to the ownership of these shares was obtained from a Schedule 13D/A filed with the SEC on July 9, 2014.

ITEM 13 CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

From time to time, Emerson engages in business transactions with its controlling shareholder, Grande, and its direct and indirect subsidiaries (together Grande). Set forth below is a summary of such transactions.

Controlling Shareholder

The Grande Holdings Limited (In Liquidation) (Grande) has, together with S&T International Distribution Limited (S&T), a subsidiary of Grande, and Grande N.A.K.S. Ltd., a subsidiary of Grande (together with Grande, the Reporting Persons), filed, on July 9, 2014, a Schedule 13D/A with the Securities and Exchange Commission (SEC) stating that, as of the filing date, the Reporting Persons had the shared power to vote and direct the disposition of 15,243,283 shares, or approximately 56.2%, of the outstanding common stock of Emerson. As the Reporting Persons, and by extension Grande (as their ultimate parent) have control of a majority of the outstanding shares of common stock of Emerson, Emerson is a Controlled company, as defined in Section 801(a) of the NYSE MKT Rules.

On May 31, 2011, upon application of a major creditor, the High Court of Hong Kong appointed Fok Hei Yu (who is also known by the anglicized name Vincent Fok), formerly a director and Chairman of the Board of the Company, and Roderick John Sutton, both of FTI Consulting (Hong Kong) Limited (FTI), as Joint and Several Provisional Liquidators over Grande. Accordingly, as of May 31, 2011, the directors of Grande no longer have the ability to exercise control over Grande or the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. Instead, Mr. Fok and Mr. Sutton, as Provisional Liquidators over Grande, currently have such power. In addition, on March 20, 2013, the Provisional Liquidators provided to Emerson a written statement that they are obligated to liquidate the 15,243,283 shares in the Company beneficially owned by Grande. However, in February 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement that Grande, among other things, had been in discussions with different investors to pursue a restructuring plan and the resumption of trading of Grande s shares on the Hong Kong Stock Exchange (HKSE). In addition, in May 2014, the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that on May 2, 2014, Grande, the Provisional Liquidators and a creditor of Grande entered into an agreement to implement the Grande Restructuring Proposal submitted by a creditor of Grande. Based on information contained within the public announcement issued for Grande in May 2014, if the Grande Restructuring Proposal is implemented, Mr. Christopher Ho, who served as the Company s Chairman of the Board until November 2013 and is currently the sole director of Grande, and his associates would continue to have a majority interest in Grande and would regain the power to direct the voting and disposition of the 15,243,283 shares beneficially owned by Grande. As disclosed in the Schedule 13D/A filed by the Reporting Persons on May 22, 2014, the Grande Restructuring Proposal includes a plan to re-list Grande on the HKSE and provides that many assets of Grande, including its shares of Emerson, would remain part of Grande. According to the public announcement issued for Grande in May 2014, the Grande Restructuring Plan will require approvals, consents and sanctions of the HKSE, courts in Hong Kong and Bermuda, and the creditors and shareholders of Grande. In addition, on June 11, 2014, Grande announced that it had received a summons issued by a creditor of Grande seeking the removal of the Provisional Liquidators. On June 1, 2015 the Provisional Liquidators for and on behalf of Grande issued a public announcement disclosing that by letter dated May 29, 2015, the HKSE decided to allow Grande to proceed with Grande s Updated Resumption Proposal , subject to the satisfaction of certain conditions by December 21, 2015.

It is not possible at this time to predict whether Grande can satisfy the conditions established by the HKSE for the resumption or relisting of Grande on HKSE, or whether the Grande Restructuring Proposal will receive all necessary approvals, nor can there be any assurances regarding the timing, terms or effects of implementing the Grande Restructuring Proposal or if the Provisional Liquidators will be removed. However, even though the Provisional Liquidators continue to maintain the ability to exercise the power to direct the voting and disposition of shares, as long as the Provisional Liquidators are pursuing this restructuring proposal that would result in Grande retaining beneficial ownership of the 15,243,283 shares of Emerson common stock, the Provisional Liquidators may not be actively seeking to liquidate those shares. If the Grande Restructuring Proposal is completed as described within the public announcement issued for Grande in May 2014, it is expected that the 15,243,283 shares of Emerson common stock held of record by Grande's subsidiary, S&T, would remain with S&T and that Grande would once again have the power to direct the voting and disposition of this 56.2% controlling interest in Emerson common stock. It is not possible at this time to predict what impact the removal of the Provisional Liquidators would have on the Grande Restructuring Proposal or Emerson and Emerson cannot predict nor provide any assurances regarding the possible effects on the Company, its shareholders, the trading price of its common stock or any other consequences that could result if the Grande Restructuring Proposal is approved and Grande again has the power to control Emerson.

Related Party Transactions

Rented Office Space in Hong Kong

Transactions with Brighton Marketing Limited, a subsidiary of Grande

Until May 2013, at which time these charges ceased, the Company was billed for service charges from Brighton Marketing Limited, a subsidiary of Grande, in connection with the Company's rented office space in Hong Kong. These charges totaled approximately \$1,000 for the twelve month period ended March 31, 2014. Emerson owed Brighton Marketing Limited nil at March 31, 2014 pertaining to these charges.

Transactions with The Grande Properties Management Limited, a related party to Christopher Ho, the former Chairman of the Board of Directors of the Company

The Company is charged for service charges from The Grande Properties Management Limited, a related party to Christopher Ho, the former Chairman of the Board of Directors of the Company, in connection with the Company's rented office space in Hong Kong. Mr. Ho did not stand for re-election to serve as a director of the Company at the Company's 2013 Annual Meeting of Stockholders held on November 7, 2013. Accordingly, Mr. Ho is no longer a director of the Company or a related party to the Company after November 7, 2013, and, consequently, such service charges from The Grande Properties Management Limited, are not considered Related Party Transactions after November 7, 2013.

These charges totaled approximately \$11,000 for the period April 1, 2013 through November 7, 2013. The Company owed nil to The Grande Properties Management Limited related to these charges at March 31, 2014.

Transactions with Lafe Strategic Services Limited, a related party to Christopher Ho, the former Chairman of the Board of Directors of the Company

Beginning July 3, 2012, the Company entered into a rental agreement with Lafe Strategic Services Limited (Lafe), which is a related party to Mr. Ho, whereby the Company was leasing out excess space within its rented office space in Hong Kong to Lafe. The rental agreement was on a month-by-month basis, cancellable by either the Company or Lafe on one month's written notice. The agreement was cancelled by Lafe effective April 1, 2013 at which time Lafe owed Emerson nil in rental payable from the arrangement. Emerson returned the approximately \$6,000 to Lafe in July 2013 that Emerson had been holding as a security deposit in accordance with the terms of the agreement.

Consulting Services Provided to Emerson by one of its Former Directors

Until such agreement was cancelled by the Company effective November 7, 2013, Mr. Eduard Will, a former director of Emerson, was paid consulting fees by the Company for work performed by Mr. Will related to a lawsuit that the Company settled in December 2013 and merger and acquisition research. Mr. Will was not re-elected to serve as a director of the Company at the Company's 2013 Annual Meeting of Stockholders held on November 7, 2013. Accordingly, Mr. Will is no longer a director of the Company or a related party to the Company after November 7, 2013.

During the period April 1, 2013 through November 7, 2013, Emerson paid consulting fees of approximately \$68,000 to Mr. Will for such work performed by Mr. Will as well as expense reimbursements and advances, in the aggregate, of approximately \$6,000 related to this consulting work and his service as a director of Emerson.

At November 7, 2013, the Company owed Mr. Will nil related to these activities.

Dividend-Related Issues with S&T

On March 2, 2010, the Board declared an extraordinary dividend of \$1.10 per common share which was paid on March 24, 2010. In connection with the Company's determination as to the taxability of the dividend, the Board relied upon information and research provided to it by the Company's tax advisors and, in reliance on the stock-for-debt exception in the Internal Revenue Code Sections 108(e)(8) and (e)(10), concluded that 4.9% of such dividend paid was taxable to the recipients.

In August 2012, the Company received a Form 886-A from the IRS which challenges the Company's conclusions and determines that the Company does not qualify for the above-referenced exception. Accordingly, the IRS has concluded that 100% of the dividend paid was taxable to the recipients. The Company is defending its position and calculations and is contesting the position asserted by the IRS. The Company prepared and, on October 25, 2012, delivered its rebuttal to the IRS contesting the IRS determination. There can be no assurance that the Company will be successful in defending its position.

Table of Contents

In the event that the Company is not successful in establishing with the IRS that the Company's calculations were correct, then the shareholders who received the dividend likely will be subject to and liable for an assessment of additional taxes due. Moreover, the Company may be contingently liable for taxes due by certain of its shareholders resulting from the dividend paid by the Company.

Initially, the Company withheld from the dividend paid to foreign shareholders an amount equal to the tax liability associated with such dividend. On April 7, 2010, upon a request made to the Company by its foreign controlling shareholder, S&T, the Company entered into an agreement with S&T (the Agreement), whereby the Company returned to S&T on April 7, 2010 that portion of the funds withheld for taxes from the dividend paid on March 24, 2010 to S&T, which the Company believed was not subject to U.S. tax based on the Company's good-faith estimate of its accumulated earnings and profits at that time. The Agreement includes provisions pursuant to which S&T agreed to indemnify the Company for any liability imposed on it as a result of the Company's agreement not to withhold such funds for S&T's possible tax liability and a pledge of stock as collateral. The Company continues to assert that such dividend is largely not subject to U.S. tax based on the Company's good-faith estimate of its accumulated earnings and profits. In addition, the Company also continues to assert that this transaction results in an off-balance sheet arrangement and a possible contingent tax liability of the Company, which, if recognized, would be offset by the calling by the Company on S&T of the indemnification provisions of the Agreement.

In February 2011, upon the request of S&T to the Company, the Company and S&T agreed that the collateral pledged as a part of the Agreement would no longer be required and such collateral was returned by the Company to S&T in March 2011 and the Agreement was amended and restated to remove the collateral requirement but retain the indemnification provisions. The Agreement, as amended (the Amended Agreement), remains in effect as of today.

In September 2014, the Company, with S&T's consent, withheld \$0.5 million in cash, to be pledged as collateral against the Amended Agreement, from the dividend paid to S&T on September 30, 2014 along with such dividend paid on that date to all common stockholders. The Company holds, as of March 31, 2015, \$0.5 million in cash collateral from S&T against the Amended Agreement. In the event that (i) the Company is not successful in establishing with the IRS that the Company's calculations were correct and (ii) S&T is unable or unwilling to pay the additional taxes due or indemnify the Company under the terms of the Amended Agreement, the Company may be liable to pay such additional taxes, which, together with penalties and interest, are currently estimated by the Company to be approximately \$4.8 million as of March 31, 2015, \$0.5 million of which is collateralized in cash held by the Company as of March 31, 2015. Any such liability, should it be required to be recognized by the Company, would likely have a material adverse effect on the Company's results of operations in the period recognized. S&T is a subsidiary of Grande, which is currently in liquidation (as described above under *Controlling Shareholder*). Therefore, the ability of the Company to enforce its rights to indemnification under the Amended Agreement and to collect from S&T any additional taxes, interest and penalties due may be severely impaired.

Other

Until such shared usage stopped, effective on January 1, 2014, the Company formerly charged Vigers Appraisal & Consulting Ltd. (Vigers), a related party of Christopher Ho, the former Chairman of the Board of Directors of the Company, for usage of telephone and data lines maintained by Emerson. Mr. Ho did not stand for re-election to serve as a director of the Company at the Company's 2013 Annual Meeting of Stockholders held on November 7, 2013. Accordingly, Mr. Ho is no longer a director of the Company or a related party to the Company after November 7, 2013, and, consequently, such service charges from the Company to Vigers are not considered Related Party Transactions after November 7, 2013.

During the period April 1, 2013 through November 7, 2013, Emerson invoiced Vigers approximately \$3,000 under this arrangement. Vigers owed Emerson nil at November 7, 2013 related to this activity.

Indemnification of Officers and Directors

We have entered into indemnification agreements with each of our current directors and executive officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. We also intend to enter into indemnification agreements with our future directors and executive officers.
