PROXY STATEMENT

**Important Notice Regarding the Availability of Proxy Materials for the
Stockholder Meeting to be Held on May 5, 2016**

This proxy statement and our 2015 Annual Report to Stockholders are available

at <http://www.colonyinc.com/meeting.php>; or

<http://www.astproxyportal.com/ast/COLONY>

ABOUT THE MEETING

Why am I receiving this proxy statement?

This proxy statement contains information related to the solicitation of proxies for use at our 2016 annual meeting of stockholders, to be held at 8:30 a.m., Eastern Time, on Thursday, May 5, 2016 at the offices of Morgan Stanley, located at 522 Fifth Avenue (between 43rd and 44th Streets), Conference Room 3A, New York, New York 10036, for the purposes stated in the accompanying Notice of Annual Meeting of Stockholders. This solicitation is made by Colony Capital, Inc. on behalf of our Board of Directors, or the Board. We, our, us, and the Company refer to Colony Capital, Inc. This proxy statement, the enclosed proxy card and our 2015 annual report to stockholders are first being mailed to stockholders beginning on or about March 31, 2016.

Who is entitled to vote at the annual meeting?

Only holders of record of our Class A common stock, \$0.01 par value (Class A common stock) and Class B common stock, \$0.01 par value (Class B common stock) at the close of business on March 18, 2016, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote at the meeting. Our Class A common stock and Class B common stock constitute the only classes of securities entitled to vote at the meeting. For all purposes hereafter, references to our common stock shall refer to our Class A common stock and Class B common stock, as applicable, taken together as a single class, subject to the voting rights set forth below.

What are the voting rights of stockholders?

Holders of Class A common stock and Class B common stock vote together on all proposals for consideration at the Annual Meeting. Each holder of Class A common stock outstanding on the record date is entitled to one vote per share on each proposal to be voted on. Each holder of Class B common stock outstanding on the record date is entitled to thirty-six and one-half (36.5) votes per share on each proposal to be voted on.

Who can attend the annual meeting?

All holders of our common stock at the close of business on March 18, 2016, the record date for the annual meeting, or their duly appointed proxies, are authorized to attend the annual meeting. If you attend the meeting,

you may be asked to present valid picture identification, such as a driver's license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in street name (that is, your shares are held through a bank, broker, trustee or other nominee), you will need to bring a copy of a recent bank or brokerage statement evidencing your ownership of our common stock.

What will constitute a quorum at the annual meeting?

The presence at the meeting, in person or by proxy, of holders of common stock entitled to cast a majority of all votes entitled to be cast at the meeting will constitute a quorum. We will include abstentions and broker non-votes in the calculation of the number of votes considered to be present and entitled to vote at the meeting for purposes of determining whether a quorum exists. Under applicable New York Stock Exchange (NYSE) rules (the exchange on which shares of our common stock are traded), brokers holding shares of our Class A common stock for beneficial owners in nominee or street name must vote those shares according to the specific instructions they receive from the beneficial owners. However, brokers or nominees holding shares for a beneficial owner who do not receive voting instructions from the beneficial owner may not under the NYSE's rules have discretionary voting power on non-routine matters. In these cases, if no specific voting instructions are provided by the beneficial owner, the broker may not vote on non-routine proposals. This results in what is known as a broker non-vote. Broker non-votes may arise in the context of voting for the election of directors and on the advisory proposal regarding say on pay described in this proxy statement, because such proposals are considered non-routine matters. Unless specific voting instructions are provided by the beneficial owner, the broker will be unable to vote for the election of directors and on the say on pay proposal. Accordingly, we urge stockholders who hold their shares through a broker or other nominee to provide voting instructions so that your shares of common stock may be voted on these proposals.

The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2016 is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters and, therefore, no broker non-votes are expected to exist in connection with this proposal.

As of the record date, there were 112,565,739 shares of our Class A common stock and 546,275 shares of our Class B common stock outstanding.

How do I vote shares that are held in my name?

You may vote by any of the following means:

In Person at the Meeting: You may vote by attending the meeting and voting in person.

By Mail: You may vote by mail by completing and signing your proxy card and returning it in the enclosed, prepaid and addressed envelope.

How do I vote my shares that are held by my broker?

If your shares are held by a bank or broker, you should follow the instructions provided to you by the bank or broker. Although most banks and brokers now offer voting by mail, telephone and on the Internet, availability and specific procedures will depend on their voting arrangements.

How are votes counted?

Edgar Filing: Colony Capital, Inc. - Form DEF 14A

If the accompanying proxy card is properly signed and returned to us, and not subsequently revoked, it will be voted as directed by you. If your properly signed proxy card does not provide specific voting instructions, the

persons designated as proxy holders on the proxy card will vote (1) **FOR** each nominee for director, (2) **FOR** the advisory approval of the resolution approving the compensation of the Company's named executive officers, (3) **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2016, and (4) as recommended by our Board of Directors with regard to any other matters that may properly come before the meeting, or, if no such recommendation is given, in their own discretion.

May I revoke my vote after I return my proxy card?

Yes. You may revoke a previously granted proxy at any time before it is exercised by (i) filing with Ronald M. Sanders, our Chief Legal Officer and Secretary, a notice of revocation or a duly executed proxy bearing a later date or (ii) attending the meeting and voting in person. Attendance at the meeting alone will not act to revoke a prior proxy. Notices of revocation or later dated proxies should be sent to the following address: Ronald M. Sanders, Chief Legal Officer and Secretary, Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071.

What are the Board's recommendations?

The Board's recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

FOR the election as directors of the nominees specified in this proxy statement (See Proposal 1);

FOR approval of the compensation of our named executive officers as disclosed in this proxy statement (See Proposal 2); and

FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2016 (See Proposal 3).

Who pays the costs of soliciting proxies?

We will pay the costs of soliciting proxies. In addition to soliciting proxies by mail, our officers, directors and other employees, without additional compensation, may solicit proxies personally or by other appropriate means. It is anticipated that banks, brokers, fiduciaries, custodians and nominees will forward proxy soliciting materials to their principals, and that we will reimburse such persons' out-of-pocket expenses. We have retained D.F. King & Co., Inc. at an aggregate estimated cost of \$9,500, plus out-of-pocket expenses, to assist in the solicitation of proxies.

How many votes are required to approve the proposals?

The affirmative vote of a plurality of all the votes cast at a meeting at which a quorum is present is necessary for the election of a director. In any uncontested election of directors, any incumbent director who does not receive a majority of the votes cast with respect to the election of that director shall tender his or her resignation within three (3) days after certification of the results, for consideration by the Nominating and Corporate Governance Committee in accordance with the Company's written corporate governance guidelines. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the election of a director must exceed the number of shares that are cast and are withheld from his or her election. For purposes of the election of directors, pursuant to our organizational documents and Maryland state law, abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the advisory say on pay resolution regarding the compensation of our named executive officers. For purposes of the

foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the resolution must exceed the number of shares that are voted against the resolution. For purposes of the vote on this proposal, pursuant to our organizational documents and Maryland state law, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast at the meeting is required for approval of the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2016. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the resolution must exceed the number of shares that are voted against the resolution. For purposes of the vote on this proposal, pursuant to our organizational documents and Maryland state law, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

You should rely only on the information provided in this proxy statement. We have not authorized anyone to provide you with different or additional information. You should not assume that the information in this proxy statement is accurate as of any date other than the date of this proxy statement or, where information relates to another date set forth in this proxy statement, then as of that date.

OUR COMPANY

Colony Capital, Inc. is a leading global real estate and investment management firm headquartered in Los Angeles, California with more than 300 employees. Through our global investment management business, which has operated under the Colony Capital brand for more than 25 years, we have \$18.8 billion of assets under management and \$9.3 billion of fee-earning equity under management. We manage capital on behalf of both Company shareholders and limited partners in private investment funds under our management where the Company may earn management fees and carried interests. Our investment portfolio is primarily composed of: (i) real estate equity; (ii) real estate and real estate-related debt; and (iii) investment management of Company-sponsored private equity funds and vehicles. The Company has elected to be taxed as a real estate investment trust, or REIT, for U.S. federal income tax purposes. For more information, visit www.colonyinc.com.

We were organized on June 23, 2009 as a Maryland corporation and completed our initial public offering in September 2009. We elected to be taxed as a real estate investment trust, or REIT, for U.S. federal income tax purposes commencing with our taxable year ended December 31, 2009. We are organized and conduct our operations to qualify as a REIT, and generally are not subject to U.S. federal income taxes on our taxable income to the extent that we annually distribute all of our taxable income to stockholders and maintain qualification as a REIT, although we are subject to U.S. federal income tax on income earned through our taxable subsidiaries. We also operate our business in a manner that will permit us to maintain our exemption from registration as an investment company under the 1940 Act.

Until April 2, 2015, we were externally managed and advised by Colony Financial Manager, LLC (our "CF Manager"), a wholly-owned subsidiary of Colony Capital, LLC ("CCLLC"), a privately held independent global real estate investment firm founded in 1991 by Thomas J. Barrack, Jr., our Executive Chairman. On April 2, 2015, we became an internally managed company by acquiring our CF Manager as part of the combination transaction described below.

Our principal executive offices are located at 515 S. Flower St., 44th Floor, Los Angeles, CA 90071. Our telephone number is (310) 282-8820, and our website address is www.colonyinc.com. The information found on or accessible through our website is not incorporated into, and does not form a part of, this prospectus or any applicable prospectus supplement.

Combination with our CF Manager

On March 31, 2015, our shareholders approved the acquisition by our operating subsidiary Colony Capital Operating Company, LLC (the "Operating Partnership") of CCLLC's trademark name and substantially all of CCLLC's real estate and investment management businesses and operations, which closed on April 2, 2015 (the "Combination"). Prior to the Combination, historically, CCLLC sponsored approximately \$24 billion of equity across a variety of distinct funds and investment vehicles that collectively invested over \$60 billion of total capital. Our acquisition of CCLLC's investment management business provided us with approximately \$9 billion of third party fee-paying equity under management at time of closing. We continue to hold our significant ownership stake in Colony Starwood Homes (NYSE symbol "SFR"), the successor by merger of Colony American Homes ("CAH") with Starwood Waypoint Residential Trust in January 2016. While CAH became a self-managed REIT effective November 4, 2014, and we received certain cost reimbursements under a transitional services agreement with CAH until its merger into SFR, we did not acquire CCLLC's ownership interest in CAH or receive management fees from CAH due to such prior internalization of CAH's management in November 2014.

Upon consummation of the Combination, all of CCLLC's senior executives became employed by the Company. In order to further demonstrate their collective long term commitment to the Company's business, our Executive Chairman, Mr. Thomas J. Barrack, and Chief Executive Officer and President, Mr. Richard B. Saltzman, entered into five-year employment agreements, certain other key senior executives entered into three-

year employment agreements, and all such executives entered into or are subject to lock-up arrangements with the Company, which, subject to certain exceptions for estate planning, partial share pledges and tax-related sales, generally restrict them from transferring their respective membership interests in the Operating Partnership (OP Units , exchangeable for shares of our Class A common stock or their equivalent in cash) and/or common stock received in the Combination, which transfer restrictions are ratably released over the same period as their respective employment agreement terms.

In connection with the Combination, we converted into an umbrella partnership, or UPREIT, structure, as reflected in the organizational structure below. As a result, substantially all of our assets are held by, and our operations are conducted through the Operating Partnership. As of March 18, 2016, we owned an approximate 81.1% ownership interest in the Operating Partnership.

Our Business

Our business objective is to provide attractive risk-adjusted returns to our investors through (i) a diversified portfolio of direct and indirect real estate-related equity and real estate debt investments and (ii) fee bearing management contracts on investment funds that we manage. We expect that these returns will be delivered to our investors through both current yield in the form of regular-way and special dividends and potential capital appreciation.

Our investments are diversified across a wide spectrum of commercial real estate property types, including but not limited to, office, industrial, retail, hospitality, education, single-family and multifamily residential assets, and geographies, primarily within North America and Europe. These investments and our business are organized in five reportable segments as outlined below.

Real Estate Equity

Light industrial real estate assets and operating platform;

Single-family residential rentals through our equity method investment in Colony Starwood Homes (NYSE symbol SFR);

Other real estate equity investments;

Real Estate Debt

Loan originations and acquisitions; and

Investment Management

Investment management of Company-sponsored funds and other investment vehicles.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board of Directors is currently comprised of six directors. The nominees, all of whom are currently serving as directors of the Company, have been recommended by our Board of Directors for re-election to serve as directors for one-year terms until the 2017 annual meeting of stockholders and until their successors are duly elected and qualified. The Board of Directors has affirmatively determined that the following directors are independent directors under the rules of the NYSE and under applicable rules of the Securities and Exchange Commission: Nancy A. Curtin, George G. C. Parker, John A. Somers, and John L. Steffens.

The Board of Directors knows of no reason why any nominee would be unable to serve as a director. If any nominee is unavailable for election or service, the Board of Directors may designate a substitute nominee and the persons designated as proxy holders on the proxy card will vote for the substitute nominee recommended by the Board of Directors, or the Board of Directors may, as permitted by our bylaws, decrease the size of our Board of Directors.

References to our CF Manager refer to Colony Financial Manager, LLC, our external manager prior to consummation of the Combination on April 2, 2015, when we became an internally managed company employing personnel previously employed by CCLLC and by acquiring our CF Manager. See Our Company.

Mr. Saltzman was also integral in the implementation of the Combination. Mr. Saltzman's current and past service on the boards of a real estate investment trust and other real estate-based organizations also provides the Board with valuable perspectives into the real estate industry.

Vote Required and Recommendation

The affirmative vote of a plurality of all the votes cast at the annual meeting is necessary for the election of each nominee. In any uncontested election of directors, any incumbent director who does not receive a majority of the votes cast with respect to the election of that director shall tender his or her resignation within three (3) days after certification of the results, for consideration by the Nominating and Corporate Governance Committee in accordance with the Company's written corporate governance guidelines. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the election of a director must exceed the number of shares that are cast and are withheld from his or her election. For purposes of the election of directors, abstentions and other shares not voted (whether by broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for purposes of determining the presence of a quorum.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES SET FORTH ABOVE.

INFORMATION REGARDING CORPORATE GOVERNANCE AND

BOARD AND COMMITTEE MEETINGS

Committee Charters and Corporate Governance Documents

Our Board of Directors maintains charters for all Board committees. In addition, our Board of Directors has adopted a written set of corporate governance guidelines, a code of business conduct and ethics and a code of ethics for our principal executive officers and senior financial officers. To view our committee charters, corporate governance guidelines, code of business conduct and ethics and code of ethics, please visit our website at <http://www.colonyinc.com>. Each of these documents is also available in print to any stockholder who sends a written request to such effect to Investor Relations, Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071.

Director Independence

The Board currently has six directors, a majority (four), specifically 67%, of whom the Board affirmatively has determined to be independent under the listing standards of the NYSE and under applicable rules of the Securities and Exchange Commission. The Board affirmatively has determined that each of the following directors is independent under these standards: Nancy A. Curtin, George G.C. Parker, John A. Somers and John L. Steffens. Thomas J. Barrack, Jr. and Richard B. Saltzman are not independent, as, they are our executive officers.

Board Leadership Structure and Risk Oversight

Our Board of Directors is comprised of a majority (four), specifically 67%, of independent directors. Mr. Barrack serves as the Executive Chairman of the Board, a position separate from our Chief Executive Officer. Our Board believes that having an executive chairman is useful as it ensures that the Board leadership retains a close working relationship with management. In addition, our Board of Directors established the position of Lead Director in order to provide for a Board leadership position to be held by an independent director. The Lead Director is selected on an annual basis by a majority of the independent directors then serving on the Board of Directors from among the independent directors. John A. Somers currently serves as our Lead Director. The role of the Lead Director is to serve as liaison (a) between the Board of Directors and management, including the Chief Executive Officer, (b) among independent directors and (c) between interested third parties and the Board of Directors.

In connection with its oversight of risk to our business, the Audit Committee and Board considers feedback from our CF Manager and management concerning the Company's operations and strategies and considers the attendant risks to our business. The Audit Committee and Board also engage in regular discussions regarding risk management with our independent and internal auditors. The Board routinely meets with our Chief Executive Officer, our Chief Operating Officer and Chief Financial Officer, and other company officers as appropriate in the Board's consideration of matters submitted for Board approval and risks associated with such matters.

In addition, the Board is assisted in its oversight responsibilities by the standing Board committees, which have assigned areas of oversight responsibility for various matters as described in the Committee charters and as provided in NYSE Rules.

For example, our Audit Committee assists the Board's oversight of the integrity of our financial statements and financial reporting process, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of our internal audit function and independent registered public accounting firm. In addition, the Audit Committee has established and maintains procedures for the receipt of complaints and submissions of concerns regarding accounting and auditing matters.

Pursuant to its charter, the Audit Committee also considers our policies with respect to risk

assessment and risk management, including key risks to which we are subject such as credit risk, liquidity risk and market risk, and the steps that management has taken to monitor and control exposure to such risks. To further address such risk oversight and management of the Company, consistent with the recommendations of the Audit Committee and management, the Company established the position of Chief Risk Officer in late 2015. The Chief Risk Officer will manage an internal risk review function and maintain a line of direct communication with the Audit Committee at regular meetings (and as may otherwise be necessary).

Prior to consummation of the Combination on April 2, 2015, the Compensation Committee oversaw the performance of our CF Manager, the management fees and other compensation payable to our CF Manager, and the compensation of our Chief Financial Officer.

The Board and the Board committees hear reports from the members of management responsible for the matters considered to enable the Board and each committee to understand and discuss risk identification and risk management. The chairman of each of the Board's standing committees reports on the discussion to the full Board at the next Board meeting. All directors have access to members of management in the event a director wishes to follow up on items discussed outside the Board meeting.

Executive Sessions of Non-Management Directors

Pursuant to our corporate governance guidelines and the NYSE listing standards, in order to promote open discussion among non-management directors, our Board of Directors devotes a portion of each regularly scheduled Board and committee meeting to executive sessions without management participation. In addition, our corporate governance guidelines provide that if the group of non-management directors includes directors who are not independent, as defined in the NYSE's listing standards, at least one such executive session convened per year shall include only independent directors. The Lead Director presides at these sessions.

Communications with the Board

Stockholders and other interested parties may communicate with the Board by sending any correspondence they may have to the Lead Director at the following address: Lead Director c/o Secretary, Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071, or by email at lead.director@colonyinc.com. The Lead Director will decide what action should be taken with respect to the communication, including whether such communication should be reported to the Board of Directors.

Board Meetings

During 2015, the Board of Directors met five times, including telephonic meetings, and each Director attended 100% of such meetings. Directors are expected to attend, in person or by telephone, all Board meetings and meetings of committees on which they serve. The 2015 annual meeting of stockholders was held on May 6, 2015 and was also attended by all five directors of the Company.

Board Committees

The Board of Directors has a standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. All members of the committees described below are independent of the Company as that term is defined in the NYSE's listing standards and section 10A-3 under the Securities and Exchange Act of 1934, as amended.

The table below provides membership information for each of the Board committees:

Our Audit Committee's written charter requires that all members of the committee must satisfy the requirements of the NYSE, the rules and regulations of the SEC and applicable laws relating to independence, financial literacy and experience. All of the members of the Audit Committee meet the foregoing requirements. The Board of Directors has

determined that George G. C. Parker is an audit committee financial expert as defined by the rules and regulations of the SEC. For information about the development of Professor Parker's expertise, see Proposal 1: Election of Directors Nominees for Election for a One-Year Term Expiring at the 2017 Annual Meeting.

review, evaluate and recommend changes, if appropriate, to the remuneration for directors.

Following the consummation of the Combination, we entered into employment agreements with certain executive officers of the Company, pursuant to which each receives compensation for their services. See Compensation Discussion and Analysis.

Prior to consummation of the Combination, our Chief Executive Officer and each of our other executive officers (other than Mr. Tangen, our Chief Financial Officer and Treasurer), each of whom was an employee of CCLCC and certain of its affiliates, did not receive cash compensation from us for serving as our executive officers. Instead, prior to the Combination, the Compensation Committee primarily oversaw plans and programs related to the compensation of our CF Manager and Mr. Tangen. For further information regarding the employment agreements of our named executive officers, see Compensation Discussion and Analysis.

The Compensation Committee may delegate its authority to members as it deems appropriate; any actions taken by a member who has been delegated authority must be reported to the full Compensation Committee at its next regularly scheduled meeting. The Compensation Committee has the authority to retain and terminate such outside legal, accounting or other advisors as it deems necessary and advisable in its sole discretion, including compensation consultants, after taking into consideration all factors relevant to the independence from management of such compensation consultant or other advisor. The Compensation Committee will be directly responsible for the appointment, compensation, and oversight of the work of any compensation consultant or other advisor retained by the Compensation Committee.

During 2015, the Compensation Committee met five times, including telephonic meetings, and each member of the Compensation Committee attended 100% of such meetings.

Nominating and Corporate Governance Committee

Code of Ethics

Our Board of Directors has adopted and maintains a code of business conduct and ethics and a code of ethics for our principal executive officers and senior financial officers. To view our code of business conduct and ethics and code of ethics, please visit our website at <http://www.colonyinc.com>. Each of these documents is also available in print to any stockholder who sends a written request to such effect to Investor Relations, Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071.

Consideration of Director Candidates

The Board of Directors has adopted a policy to be used for considering potential director candidates to further the Nominating and Corporate Governance Committee's goal of ensuring that our Board of Directors consists of a diversified group of qualified individuals that function effectively as a group. The policy provides that qualifications and credentials for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

high personal and professional ethics and integrity;

an ability to exercise sound judgment;

an ability to make independent analytical inquiries;

a willingness and ability to devote adequate time and resources to diligently perform Board duties, including attending regular and special Board and committee meetings;

an appropriate and relevant business experience and acumen; and

a reputation, both personal and professional, consistent with the image and reputation of the Company.

In addition to the aforementioned qualifications, the Nominating and Corporate Governance Committee also believes that there are other qualities and skills that, while not a prerequisite for nomination, should be taken into account when considering whether to recommend a particular candidate. These factors include, among others:

whether the person possesses specific industry expertise, including in real estate and real estate-related debt instruments, and familiarity with general issues affecting the Company's business;

whether the person's nomination and election would enable the Board of Directors to have a member that qualifies as an audit committee financial expert ;

whether the person would qualify as an independent director under the rules of the NYSE and the Company's Corporate Governance Guidelines;

the importance of continuity of the existing composition of the Board of Directors; and

the importance of a diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

The Nominating and Corporate Governance Committee will seek to identify director candidates based on input provided by a number of sources, including (a) Nominating and Corporate Governance Committee members, (b) other members of the Board of Directors and (c) stockholders of the Company. The Nominating and Corporate Governance Committee also has the authority to consult with or retain advisors or search firms to assist in the identification of qualified director candidates; however, we do not currently employ a search firm, or

pay a fee to any other third party, to locate qualified director candidates. Stockholders seeking to recommend a prospective candidate for the Nominating and Corporate Governance Committee's consideration should submit the candidate's name and qualifications, including the candidate's consent to serve as a director if nominated and elected, to Ronald M. Sanders, Chief Legal Officer and Secretary, Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071.

Pursuant to the Audit and Non-Audit Services Pre-Approval Policy, which will be reviewed and reassessed annually by the Audit Committee, a list of specific services within certain categories of services,

including audit, audit-related, tax and other services, are specifically pre-approved for the upcoming or current fiscal year, subject to an aggregate maximum annual fee payable by the Company for each category of pre-approved services. Any service that is not included in the approved list of services must be separately pre-approved by the Audit Committee. In addition, all audit and permissible non-audit services in excess of the pre-approved fee level, whether or not included on the pre-approved list of services, must be separately pre-approved by the Audit Committee. The chairman must report all pre-approval decisions to the Audit Committee at its next scheduled meeting and provide a description of the terms of the engagement, including (1) the type of services covered by the engagement, (2) the dates the engagement is scheduled to commence and terminate, (3) the estimated fees payable by the Company pursuant to the engagement, (4) other material terms of the engagement, and (5) such other information as the Audit Committee may request.

COMPENSATION DISCUSSION AND ANALYSIS

Our Compensation Discussion and Analysis describes our compensation for our principal executive officer and principal financial officer during the last year and the three next most highly compensated persons who were executive officers of the Company on December 31, 2015. The Compensation Discussion and Analysis explains the objectives of our executive compensation programs, outlines the elements of executive officer compensation and describes the factors considered by the Compensation Committee to determine the amounts of compensation for executive officers for 2015 performance.

As a result of the Combination in 2015, our Compensation Committee evaluated a number of factors relevant during this transformative year for the Company (acquiring the Colony Capital trademark name and combining with the long-standing global investment management business of CCLLC, including internalizing 300 employees), with a meaningful focus on integration through the internalization, efforts toward stabilization and continued business and investment development.

For 2016, the Compensation Committee evaluated and framed a detailed policy (including objective financial metrics) for determining executive compensation for full-year 2016. For purposes of determining executive compensation for 2016 and beyond, the Compensation Committee approved a 2016 Annual Incentive Plan. For purposes of evaluating cash bonus compensation of executive officers, the Annual Incentive Plan will pair a 60 percent weighting across two corporate financial metrics (including a company-wide measure of operating performance measuring Core Funds From Operations performance and a key strategic objective evaluating growth of the investment management business through Additions to Fee-Earning Equity Under Management), with the remaining 40 percent weighting to subjective elements (based on pre-established personal performance targets applicable to the responsibilities of the relevant executive officer), discussed below under 2016 Executive Compensation Process and Considerations . For purposes of evaluating long term incentive equity awards, subject to future considerations, the Compensation Committee generally agreed that such grants should in part vest based solely on time service-vesting terms with the remaining portion subject to a combination of time service-vesting and performance vesting (measured against a peer group approved by the Compensation Committee and based on a sliding scale of the target award).

Compensation Overview General Philosophy and Objectives

The primary goal of our executive compensation program is to align the interests of our executive officers with those of our stockholders in a way that allows us to attract and retain the best executive talent. The Compensation Committee oversees the compensation of our executive officers, including setting base salaries, awarding bonuses and making equity awards to our executive officers. The Compensation Committee also oversees the Company's equity plan. The Compensation Committee goals are to design a compensation program that rewards, among other things, favorable stockholder returns, share appreciation, our Company's competitive position within our segment of the real estate industry and each executive officer's long-term career contributions to our Company. Our compensation incentives that are designed to further these goals have taken and may take the form of annual cash compensation (including bonuses) and equity awards, and long-term cash and equity incentives for our executive officers. All cash bonus awards to executive officers during 2015 were made at the discretion of the Compensation Committee in recognition of the accomplishment of significant corporate goals, including consummating the Combination and other factors (see 2015 Executive Compensation Summary below). Prior to the Combination, in January 2015 equity awards were similarly made at the discretion of the Compensation Committee to the CF Manager (see Certain Relationships and Related Party Transactions CF Manager Compensation below). Future equity awards and cash bonuses will be measured and/or impacted by performance targets established by our Compensation Committee. In addition, our Compensation Committee may decide to make awards to new executive officers in order to attract talented professionals. Our named executive officers during 2015 were: Mr. Barrack, Executive Chairman and a director; Mr. Saltzman, our Chief Executive Officer and President and a director; Mr. Tangen, our Chief Financial Officer and Treasurer; Mr. Traenkle, our Chief Investment Officer; and Mr. Hedstrom, our Chief Operating Officer.

2015 Executive Compensation Summary

Prior to the consummation of the Combination on April 2, 2015, our Chief Executive Officer and each of our other executive officers, each of whom was an employee of CCLLC and certain of its affiliates, did not receive cash compensation from us for serving as our executive officers. Instead, we paid our CF Manager the management fees described in *Certain Relationships and Related Transactions Management Agreement* below. However, prior to the Combination, under the terms of a secondment agreement between us and CCLLC, Mr. Tangen, our Chief Financial Officer and Treasurer, was seconded exclusively to us by CCLLC.

Following consummation of the Combination, we became an internally managed company by employing personnel previously employed by CCLLC and by acquiring our CF Manager. Furthermore, we expanded our business model and segments, as discussed under *Our Company*.

Given this meaningful transitional year for the Company, the Compensation Committee did not set pre-determined performance targets in late 2014 with foresight that the Combination was targeted to close during 2015. The view of the Compensation Committee was that, while the Company would be in the early stages of internalization (including management, all employees and the businesses acquired), management needed flexibility to respond to opportunities and challenges as they arose, and to be rewarded for those responses. The Compensation Committee recognized the difficulty in predicting overall Company performance through this transitional period. The Compensation Committee preferred to evaluate 2015 performance with the benefit of hindsight in assessing the consummation of the Combination, related opportunities and challenges and to evaluate management's corresponding responses. Accordingly, for purposes of evaluating executive compensation for 2015, the Compensation Committee considered the Combination, the transition, related stabilization, and the significant operational improvements and financing transactions that occurred during 2015.

In connection with negotiations between us and CCLLC regarding the Combination, we formed a special committee of our independent board members. The special committee engaged Semler Brossy Consulting Group, LLC (*Semler Brossy*), an independent executive compensation consulting firm, to advise on compensation arrangements recommended for certain executive officers following the Combination. Semler Brossy provided the special committee with a market compensation benchmarking analysis summarizing the compensation practices among the Company's peer companies, including with respect to base salary, annual target bonus opportunities, long-term target equity compensation opportunities, as well as severance and change in control arrangements at the Company's peers. Semler Brossy also provided recommendations relating to the proposed compensation arrangements and terms of employment for Mr. Barrack and Mr. Saltzman, as well as Messrs. Tangen and Traenkle, and supplemental market benchmarking data that summarized the typical compensation and perquisites provided to executives in the Company's peer group. This information was discussed and considered by the special committee in negotiating the terms of the employment agreements effective as of April 2, 2015 with Messrs. Barrack, Saltzman, Tangen and Traenkle. These employment agreements also created a useful framework to the Compensation Committee for considering appropriate executive compensation arrangements for other executive officers of the Company.

2015 Performance Considerations

Key achievements considered by the Compensation Committee included: (i) completion of the Combination, creating a leading real estate and investment management firm with approximately \$19 billion of assets under management, (ii) a first closing for the Company's next Global Credit Fund with commitments of approximately \$700 million, inclusive of the Company's commitment, (iii) meaningful year over year improvements from 2014 to 2015 to Core FFO and annual dividends, (iv) consistent total shareholder return year-to-date in 2015 compared with the Company's peer group, previously established at the direction of its compensation consultant and (v) outperformance in total shareholder return compared with such peer group since the announcement of the Combination in November 2014. The Compensation Committee concluded that each of Messrs. Barrack, Saltzman, Tangen, Traenkle and Hedstrom, in

their respective roles, were necessary and instrumental in accomplishing the Combination and each of these other milestones for the Company.

In addition, the 2015 cash bonus determinations were consistent with the targeted amounts set forth in the relevant employment agreements with those executive officers, where applicable, as established by special committee of the Board with the assistance of Semler Brossy.

Results of 2015 Advisory Vote on Executive Compensation

In establishing and recommending compensation for 2015 performance for our named executive officers, the Compensation Committee reviewed the results of the vote on the advisory, non-binding vote on executive compensation at the 2015 Annual Meeting of Stockholders. At the 2015 Annual Meeting of Shareholders, over 99 percent of the votes cast were voted in support of the compensation paid to our named executive officers. Based on the results of the 2015 executive compensation vote, the Compensation Committee and the Board of Directors concluded that the compensation paid to our Chief Financial Officer and Treasurer and the Company's overall compensation philosophy enjoy strong stockholder support and do not require revision to address any stockholder concerns.

Based on the results of the advisory, non-binding vote on the frequency of stockholder votes on executive compensation at the 2011 Annual Meeting of Stockholders, the Company will continue to hold an advisory vote on executive compensation on an annual basis.

Elements of Executive Officer Compensation and Benefits

The following is a summary of the elements of and amounts paid under our compensation plans for fiscal year 2015 to our executive officers. With the exception of Mr. Tangen, who was previously seconded exclusively to the Company and compensated by the Company in accordance with such engagement, historical compensation information is not available (therefore not disclosed) on behalf of the other executive officers of the Company who were independently compensated by the CF Manager and its affiliates prior to the Combination.

In 2015, named executive officers' total compensation was generally comprised of the following elements designed to complement each other:

annual base salary;

annual cash bonus;

equity awards; and

other benefits.

Annual Base Salary

Base salaries are designed to compensate our executive officers at a fixed level of compensation that is market competitive and commensurate with each executive's skills, experience and contributions. In determining base salaries, our Compensation Committee considers a number of factors including each executive officer's role and responsibilities, qualifications and experience, past performance, unique skills, future potential with our Company, compensation paid for similar positions within our peer group (including other comparable companies, as applicable) and internal pay equity.

Effective upon the closing of the Combination and as approved by the independent special committee of the Board, we entered into employment agreements with each of Messrs. Barrack, Saltzman, Tangen and Traenkle to continue their service to the Company following the Combination. The employment agreements provide that our Executive Chairman and director, Mr. Barrack, will receive an annual base salary of \$1,000,000 and that our Chief Executive Officer, President and director, Mr. Saltzman, will receive an annual base salary of \$800,000. In addition, the employment agreements provide for the payment of a specified base salary to certain other named executive officers, which is equal to \$447,000 for Mr. Tangen and \$472,000 for Mr. Traenkle.

Annual Cash Bonus

The annual bonus payment is designed to incentivize our executive officers at a variable level of compensation based on performance of both our Company and such individual. The Compensation Committee takes into account corporate goals, objectives and performance in determining the annual bonus payment. In addition, in accordance with the Charter of the Compensation Committee, the Compensation Committee considers the Company's performance and relative stockholder return, the amount of compensation payable, including incentive awards, to similarly-situated officers within our peer group (including other comparable companies, as applicable), any stockholder vote on compensation and any other factors the Compensation Committee deems necessary or advisable in its discretion.

Under the employment agreements entered into following the consummation of the Combination, as approved by the independent special committee of the Board, each of our executive officers is eligible to receive a discretionary annual cash bonus with a target amount of \$4,000,000 for Mr. Barrack, \$2,400,000 for Mr. Saltzman, \$1,300,000 for Mr. Tangen and \$1,575,000 for Mr. Traenkle. These pre-approved targets, taken together with the factors described in the immediately preceding paragraph, were relevant factors in determining the year-end cash bonus for Mr. Hedstrom.

In 2015, the Compensation Committee awarded year-end cash bonuses to each of our named executive officers in the amount of \$4,000,000 to Mr. Barrack, \$2,400,000 to Mr. Saltzman, \$1,300,000 to Mr. Tangen, \$1,575,000 to Mr. Traenkle, and 1,235,000 to Mr. Hedstrom.

Equity Awards

Following shareholder approval at our 2014 Annual Meeting of Stockholders, we adopted our 2014 Equity Incentive Plan (which constituted an amendment and restatement of the Company's 2011 Equity Incentive Plan), which remains in effect. The 2014 Equity Incentive Plan provided for an increase in the total number of shares of our common stock authorized for issuance under the plan, which permits the Company to grant options to purchase shares of common stock, share awards (including restricted stock and stock units), stock appreciation rights, performance awards and annual incentive awards, dividend equivalent rights, long-term incentive units, cash and other equity-based awards. Certain named executive officers of the Company, along with other eligible employees, directors and service providers are eligible to receive awards under the 2014 Equity Incentive Plan. In addition, our CF Manager and employees of its affiliates were eligible to receive awards under the 2014 Equity Incentive Plan during the period when we were externally managed. Our Compensation Committee may, from time to time, grant equity-based awards designed to align the interests of our personnel with those of our stockholders, by allowing such personnel to share in the creation of value for our stockholders through stock appreciation and dividends. These equity-based awards are generally subject to time-based vesting requirements designed to promote retention and to achieve strong performance for our Company. These awards further provide flexibility to us in our ability to enable us to attract, motivate and retain talented individuals providing services for the benefit of the Company.

Prior to the Combination, in January 2015 equity awards were made at the discretion of the Compensation Committee by the Company to the CF Manager (see Certain Relationships and Related Party Transactions CF Manager Compensation below). The Company did not make any equity awards to executive officers in 2015.

Other Benefits

In addition to base salary and bonus potential, in 2015, the Company provided Messrs. Barrack, Saltzman, Tangen and Traenkle with certain benefits and certain perquisites under our benefits plans, including, as applicable, matching contributions to their 401(k) plans, standard employee health benefits and an automobile allowance.

Employment Agreements

Four of our named executive officers have employment agreements with the Company. On December 23, 2014, we entered into employment agreements with Messrs. Barrack and Saltzman, which set forth the terms and conditions of the continuation of their roles with the Company and their oversight and management of the day-to-day business operations of the Company following the Combination. These agreements became effective as of the consummation of the Combination. In connection with the consummation of the Combination, we also entered into employment agreements with Messrs. Traenkle and Tangen to continue their service with the Company following the Combination. Below is a summary of the terms of each of these employment agreements.

Employment Agreement with Thomas J. Barrack, Jr.

We entered into an employment agreement with Mr. Barrack on December 23, 2014, which sets forth the terms and conditions of Mr. Barrack's service as our Executive Chairman and Chairman of the Board. The agreement became effective upon consummation of the Combination on April 2, 2015 and will continue in effect for an initial term of five years following consummation of the Combination, subject to automatic renewals of additional successive one-year periods unless either party provides at least 180 days' advance notice of non-renewal.

The agreement provides that, in his role as our Executive Chairman, Mr. Barrack will perform duties and provide services to us that are reasonably consistent with those he provided to us in that role prior to consummation of the Combination. The agreement further provides that Mr. Barrack will devote substantially all of his business time and attention to the performance of his duties to us, but will be permitted to perform duties for Colony Capital Holdings, LLC ("CC Holdings") and its affiliates and engage in certain other outside activities, so long as those duties and activities do not unreasonably interfere with the performance of his duties to us.

In addition, the agreement provides that Mr. Barrack's principal place of business during the term of the agreement will generally be in Los Angeles, California. However, the agreement provides that, if Mr. Barrack is required to engage in travel during the term of the agreement that results in him having to perform a significant portion of his duties at a location other than Los Angeles, California, and Mr. Barrack determines to relocate his principal place of residence to a city in proximity to that other location, then we will pay for all reasonable relocation and return expenses that he incurs on a basis which is grossed up for taxes, with such payments subject to the Board's approval, not to be unreasonably withheld.

The agreement further provides that Mr. Barrack will receive an annual base salary of \$1,000,000 and will be eligible to receive an annual cash bonus with a target amount of no less than \$4,000,000, which may be based on achievement of reasonable performance measures established by the Board (or a committee thereof). In addition, Mr. Barrack will be eligible to receive annual grants of equity-based awards with a target value of 350% of his base salary. Mr. Barrack will also continue to receive allocations in respect of carried interests in respect of funds managed by us that were granted to Mr. Barrack prior to consummation of the Combination, and will be eligible to be granted new allocations in respect of carried interests in respect of funds managed by us as is determined by the Board from time to time in consultation with Mr. Barrack. Mr. Barrack will also be eligible to participate in our benefit plans made available to our senior executive officers from time to time and to receive certain perquisites that he was entitled to immediately prior to consummation of the Combination, each as described in the agreement.

The agreement provides that, if Mr. Barrack's employment is terminated by us without cause (as defined in the agreement and including non-renewal of the agreement by us) or by Mr. Barrack for good reason (as defined in the agreement and described below), and Mr. Barrack executes a release of claims, he will be eligible to receive (i) a lump sum cash payment equal to three times the sum of his base salary and average annual bonus

with respect to the three prior calendar years (or, if any such termination of employment occurs prior to Mr. Barrack receiving his annual bonus in respect of calendar year 2017, then his target annual bonus), (ii) a lump sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination, (iii) a pro-rated target bonus for the year of termination, (iv) continued medical, dental and vision benefits at active employee rates for 24 months following termination, (v) the continuation of certain benefits for 24 months following termination (or in certain cases, until the end of the term of the employment agreement then in effect (if later)), and (vi) full vesting of all equity-based awards, carried interests and other like compensation that he holds, to the extent unvested upon his termination.

The agreement also provides that if Mr. Barrack provides notice to us of his intention not to renew the agreement upon the scheduled expiration of the initial term or any renewal term, then he will receive (i) a lump sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination, (ii) a pro-rated target bonus for the year of termination, and (iii) if such termination occurs upon his retirement on or after his attainment of age 72, full vesting of all equity-based awards, carried interests and other like compensation that he holds, to the extent unvested upon his termination.

For purposes of the agreement, "good reason" means, in summary, (i) a material diminution in Mr. Barrack's duties, authority or responsibilities (including failing to maintain Mr. Barrack as a member of the Board) or causing Mr. Barrack to no longer report to the Board or a diminution in his title, (ii) a reduction in Mr. Barrack's base salary, target annual cash bonus or target annual equity incentive grant, (iii) a 25-mile relocation of Mr. Barrack's principal place of business, or (iv) a material breach of the agreement by us, including the failure to appoint Mr. Barrack as our Chief Executive Officer if Mr. Saltzman's employment terminates while Mr. Barrack is serving as our Executive Chairman.

If any payments to be made to Mr. Barrack, whether under the agreement or otherwise, would subject Mr. Barrack to the excise tax on so-called "golden parachute payments" in accordance with Sections 280G or 4999 of the Internal Revenue Code, then the payments will be reduced to the extent necessary to avoid the excise tax, but only if the amount of the payments after such reduction would result in Mr. Barrack receiving a greater net after-tax benefit than if all of the payments were provided and the excise tax were imposed.

The agreement, through a restrictive covenant agreement included as an exhibit to the agreement, also provides that Mr. Barrack will not, subject to certain listed exceptions for permitted and personal activities, compete with us, or solicit our investors or customers or employees or those of our subsidiaries during his employment with us and for the one-year period following the termination of his employment with us unless his employment is terminated by us without cause (as defined in the agreement and including non-renewal of the agreement by us) or by Mr. Barrack for "good reason" (as defined in the agreement and described above). The agreement also contains covenants relating to the treatment of confidential information and intellectual property matters and restrictions on the ability of Mr. Barrack and us to disparage the other.

Employment Agreement with Richard B. Saltzman

We entered into an employment agreement with Mr. Saltzman on December 23, 2014 that sets forth the terms and conditions of Mr. Saltzman's service as our Chief Executive Officer and President following consummation of the Combination. Mr. Saltzman's employment agreement became effective upon consummation of the Combination on April 2, 2015 and will continue in effect for an initial term of five years following consummation of the Combination, subject to automatic renewals of additional successive one-year periods unless either party provides at least 180 days advance notice of non-renewal. In connection with his prior employment and equity agreement by and among Mr. Saltzman, Mr. Barrack and CCLLC, as amended, Mr. Saltzman still maintains a right to fund incentives or other interests granted in connection with his employment prior to the consummation of the Combination, including any rights to the payment of consideration from the Combination under a contribution agreement.

The agreement also provides that, in his role as our Chief Executive Officer and President, Mr. Saltzman will perform duties and provide services to us that are reasonably consistent with those he provided to us in that role prior to consummation of the Combination. The agreement further provides that Mr. Saltzman will devote substantially all of his full business time and attention to the performance of his duties to us, but will be permitted to engage in certain other outside activities so long as they do not unreasonably interfere with the performance of his duties to us.

In addition, the agreement provides that Mr. Saltzman's principal place of business during the term of the agreement will be in New York City. However, the agreement provides that if Mr. Saltzman is required to engage in travel during the term of the agreement that results in him having to perform a significant portion of his duties at a location other than in New York City, and Mr. Saltzman determines to relocate his principal place of residence to a city in proximity to such other location, then we will pay for all relocation and return expenses that he incurs on a basis which is grossed up for taxes, with such payments subject to the Board's approval, not to be unreasonably withheld.

The agreement further provides that Mr. Saltzman will receive an annual base salary of \$800,000 and will be eligible to receive an annual cash bonus with a target amount of no less than \$2,400,000, which may be based on achievement of reasonable performance measures established by the Board (or a committee thereof). In addition, Mr. Saltzman will be eligible to receive annual grants of equity-based awards with a target value of 350% of his base salary.

Mr. Saltzman will also continue to receive allocations in respect of carried interests in respect of funds managed by us that were granted to him prior to consummation of the Combination and will be eligible to be granted new allocations in respect of carried interests in respect of funds managed by us as is determined by the Board from time to time in consultation with Mr. Saltzman. Mr. Saltzman will also be eligible to participate in our benefit plans made available to our senior executive officers from time to time and will be entitled to receive certain perquisites that he was entitled to immediately prior to consummation of the Combination, each as described in the agreement.

The agreement provides that if Mr. Saltzman's employment is terminated by us without cause (as defined in the agreement and including non-renewal of the agreement by us) or by Mr. Saltzman for good reason (as defined in the agreement and described below), and Mr. Saltzman executes a release of claims, he will be eligible to receive (i) a lump sum cash payment equal to three times the sum of his base salary and average annual bonus with respect to the three prior calendar years (or, if any such termination of employment occurs prior to Mr. Saltzman receiving his annual bonus in respect of calendar year 2017, then his target annual bonus), (ii) a lump sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination, (iii) a pro-rated target bonus for the year of termination, (iv) continued medical, dental and vision benefits at active employee rates for 24 months following termination, and (v) full vesting of all equity-based awards, carried interests and other like compensation that he holds, to the extent unvested upon his termination.

The agreement also provides that if Mr. Saltzman provides notice to us of his intention not to renew the agreement upon the scheduled expiration of the initial term or any renewal term, then he will receive (i) a lump sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination, (ii) a pro-rated target bonus for the year of termination, and (ii) if such termination occurs upon his retirement on or after his attainment of age 65, full vesting of all equity-based awards, carried interests and other like compensation that he holds, to the extent unvested upon his termination.

For purposes of the agreement, good reason means, in summary, (i) a material diminution in Mr. Saltzman's duties, authority or responsibilities (including failing to maintain Mr. Saltzman as a member of the Board) or a diminution in his title, (ii) a change in reporting structure such that Mr. Saltzman no longer reports to the Executive Chairman or the Board (or a sub-committee of the Board), (iii) a reduction in Mr. Saltzman's base salary, target annual cash bonus or target annual equity incentive grant, (iv) a 25-mile relocation of his principal place of business, or (iv) a material breach of the agreement by us.

If any payments to be made to Mr. Saltzman, whether under the agreement or otherwise, would subject Mr. Saltzman to the excise tax on so-called "golden parachute payments" in accordance with Sections 280G or 4999 of the Internal Revenue Code, then the payments will be reduced to the extent necessary to avoid the excise tax, but only if the amount of the payments after such reduction would result in Mr. Saltzman receiving a greater net after-tax benefit than if all of the payments were provided and the excise tax were imposed.

The agreement, through a restrictive covenant agreement included as an exhibit to the agreement, also provides that Mr. Saltzman will not, subject to certain listed exceptions for permitted and personal activities, compete with us, or solicit our investors or our customers or employees or those of our subsidiaries during his employment with us and for the one-year period following the termination of his employment with us unless his employment is terminated by us without cause (as defined in the agreement and including non-renewal of the agreement by us) or by Mr. Saltzman for "good reason" (as defined in the agreement and described above). The agreement also contains covenants relating to the treatment of confidential information and intellectual property matters and restrictions on the ability of Mr. Saltzman and us to disparage the other.

Employment Agreements with Other Named Executive Officers

We have entered into employment agreements which became effective upon consummation of the Combination, with each of (i) Darren J. Tangen and (ii) Kevin P. Traenkle.

These employment agreements will be in effect for an initial term of three years following consummation of the Combination on April 2, 2015, subject to automatic renewals of additional successive one-year periods unless either party provides at least 180 days' advance notice of non-renewal. Each agreement requires that the executive will devote his full business time and attention to the performance of his duties to us, but will be permitted to engage in certain other outside activities so long as they do not unreasonably interfere with the performance of the executive's duties to us.

The agreements provide for the payment of a specified base salary to each executive, which is equal to \$447,000 for Mr. Tangen and \$472,000 for Mr. Traenkle. In addition, the agreements provide that each executive will be eligible to receive a discretionary annual cash bonus with a target amount of \$1,300,000 for Mr. Tangen and \$1,575,000 for Mr. Traenkle and annual grants of equity-based awards with a target value of \$1,000,000 for Mr. Tangen and \$990,000 for Mr. Traenkle. In addition, the executives will continue to receive allocations in respect of carried interests in respect of funds managed by us that were granted to them prior to consummation of the Combination and to be eligible to be granted new allocations in respect of carried interests in respect of funds managed by us as is determined by the Board from time to time in consultation with the applicable executive. The executives will be eligible to participate in certain of our benefit plans made available to our senior executive officers from time to time and to receive certain perquisites that the executives were entitled to receive immediately prior to consummation of the Combination.

The agreements provide that if the executive's employment is terminated by us without cause (as defined in the agreements and including non-renewal of the employment agreements by us) or by the executive for "good reason" (as defined in the agreement and described below), and the executive executes a release of claims, he will be eligible to receive (i) a lump sum cash payment equal to two times the sum of his base salary and average annual bonus with respect to the three prior calendar years (or, if any such termination of employment occurs prior to the executive receiving his annual bonus in respect of calendar year 2017, then his target annual bonus), (ii) a lump sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination, (iii) a pro-rated target bonus for the year of termination, (iv) continued medical, dental and vision benefits at active employee rates for 24 months following termination, and (v) full vesting of all equity-based awards, carried interests and other like compensation that he holds, to the extent unvested upon his termination.

The agreements provide that if an executive provides notice to us of his intention not to renew the agreement upon the scheduled expiration of the initial term or any renewal term, then he will receive (i) a lump

sum cash payment in respect of the annual bonus payable in respect of the year prior to the year of termination, if unpaid as of the date of termination and (ii) a pro-rated target bonus for the year of termination.

For purposes of the agreements, "good reason" includes, in summary, (i) a material diminution in the executive's duties, authority or responsibilities, (ii) a requirement that the executive report to any person other than our Chief Executive Officer or Executive Chairman, (iii) a reduction in the executive's base salary, target annual cash bonus or target annual equity incentive grant, (iv) a 25-mile relocation of the executive's principal place of business, or (v) a material breach of the agreement by us.

The agreements include a provision providing that if any payments to be made to the executive, whether under the agreement or otherwise, would subject the executive to the excise tax on so-called "golden parachute payments" in accordance with Sections 280G or 4999 of the Internal Revenue Code, then the payments will be reduced to the extent necessary to avoid the excise tax, but only if the amount of the payments after such reduction would result in the executive receiving a greater net after-tax benefit than if all of the payments were provided and the excise tax were imposed.

In addition, the agreements, through a restrictive covenant agreement that is included as an exhibit to the agreements, provide that the executives will not, subject to certain exceptions, compete with us, or solicit our investors or customers or employees or those of our subsidiaries during their employment with us and for the one-year period following the termination of their employment with us unless their employment is terminated by us without cause (as defined in the agreement and including non-renewal of the employment agreement by us) or by the executive for "good reason" (as defined in the agreement and described above). The agreements contain covenants relating to the treatment of confidential information and intellectual property matters and restrictions on the ability of the executives and us to disparage the other.

A table summarizing the potential payments upon termination under each of our employment agreements, as of December 31, 2015, is set forth below.

2016 Executive Compensation and the 2016 Annual Incentive Plan

Following consummation of the Combination, in 2015, the Compensation Committee engaged Frederic W. Cook & Co. ("FW Cook"), a nationally recognized independent consulting firm, to undertake a review of executive compensation, as well as the compensation policy for our non-executive directors (discussed further under "Compensation of Directors" below). Between June 2015 and February 2016, FW Cook met with members of management four separate times to establish an appropriate peer group for the Company and executive compensation plans relevant to the global real estate and investment management firm created through the Combination.

During this evaluation period, to establish a framework for executive compensation for 2016 and beyond, the Compensation Committee and FW Cook discussed cash bonus and long term equity incentive award plans, including carefully evaluating details of equity compensation plans within the Company's peer group and other related companies. Following such discussions, the Compensation Committee determined that in determining cash bonuses of executive officers, 60 percent should be determined through applying objective corporate financial metrics, with the remaining 40 percent determined based on a subjective evaluation of pre-established personal performance targets applicable to the responsibilities of the relevant executive officer. With respect to long term equity incentive award plans, the Compensation Committee determined that incorporating performance vesting would improve and further enhance the Company's compensation plans.

In February 2016, the Compensation Committee finally approved a 2016 Annual Incentive Plan, which for purposes of determining cash bonus compensation establishes a 60 percent weighting to two objective corporate financial metrics (including a company-wide measure of operating performance measuring Core Funds From Operations

performance and a key strategic objective evaluating growth of the investment management business

through Additions to Fee-Earning Equity Under Management) and retains a 40 percent weighting to subjective elements relating to personal performance targets recommended by the Chief Executive Officer and set by the Compensation Committee. Under such 2016 Annual Incentive Plan, subject to future considerations, the Compensation Committee generally agreed that long term incentive equity grants, anticipated by the Company in early 2017, should in part vest based solely on time service-vesting terms with the remaining portion subject to a combination of time service-vesting and performance vesting (measured against a peer group approved by the Compensation Committee and based on a sliding scale of the target award).

COMPENSATION COMMITTEE REPORT

The Compensation Committee of our Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

Respectfully submitted,

The Compensation Committee of the Board of Directors

John A. Somers (*Chairman*)

Nancy A. Curtin

George G. C. Parker

John L. Steffens

The Compensation Committee Report does not constitute soliciting material and will not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee of the Board of Directors are John A. Somers, Nancy A. Curtin, George G. C. Parker, and John L. Steffens, each of whom is an independent director. None of these directors, nor any of our executive officers, serves as a member of the governing body or compensation committee of any entity that has an executive officer serving as a member of our Board of Directors or our Compensation Committee. Accordingly, during 2015 there were no interlocks with other companies within the meaning of the SEC's rules.

COMPENSATION OF DIRECTORS

Director Compensation

A member of our Board of Directors who was also an employee of CCLLC prior to consummation of the Combination or is our employee is referred to as an executive director. Executive directors do not receive compensation for serving on our Board. The following discussion relates to compensation for our non-executive directors of the Company, including Mrs. Curtin and Messrs. Parker, Somers and Steffens.

In July 2014, the Compensation Committee engaged FTI Consulting, a nationally recognized compensation consulting firm, to undertake a review of the Company's Board of Directors compensation program. In August 2014, FTI Consulting met with the Compensation Committee to provide recommendations regarding the Company's Board of Directors compensation program for 2014 and 2015. The Compensation Committee took these recommendations into account and elected to maintain the same fees payable to our non-executive directors for 2015 as agreed and paid in 2014.

For 2015, each non-executive director received an annual base fee for his or her services of \$145,000, with \$58,000 paid in cash in quarterly installments in conjunction with quarterly meetings of the Board and \$87,000 paid in the form of an annual award of restricted shares of our common stock, which will vest in full on the one-year anniversary of the date of grant, subject to the director's continued service on our Board of Directors. In addition, in 2015, the chairs of the Audit, Compensation and Nominating and Corporate Governance Committees received an additional annual cash retainer of \$20,000, \$12,500 and \$12,500, respectively, and the Lead Director received an additional annual cash retainer of \$25,000. In accordance with such 2015 policy, all non-executive directors are required to own a minimum of 7,500 shares of Company common stock. In connection with the foregoing share ownership requirement, each non-executive director shall have a three-year period commencing on the later of January 1, 2013 or such director's initial election to the Board of Directors to comply with the minimum share ownership requirement in order to stand for re-election. We also reimburse each of our directors for their travel expenses incurred in connection with their attendance at Board and committee meetings.

During the fiscal years ended December 31, 2015, we granted 3,482 restricted shares of our common stock to each of Messrs. Parker, Somers and Steffens and Mrs. Curtin pursuant to the Director Stock Plan and in accordance with the non-executive compensation policy for such year, with each grant of restricted shares vesting in full on the one-year anniversary of the date of each respective grant. In addition, in furtherance of the significant time and effort by the independent special committee of the Board to negotiate, enter into agreements with respect to, and effectuate the closing of the Combination, and subject to the unanimous approval of such independent special committee, the Company granted 3,402 shares of our common stock to Mr. Steffens, chair of such special committee, and 2,948 shares of our common stock to each of Messrs. Parker and Somers, the other members of such special committee.

The Director Stock Plan provides for the issuance of restricted or unrestricted shares of our common stock or restricted stock units and other stock-based awards, including dividend equivalent rights. The Director Stock Plan is intended, in part, to implement our program of non-executive director compensation described above. We reserved a total of 100,000 shares of our common stock for issuance under our Director Stock Plan, of which 34,429 remained available for future issuance to our non-executive directors as of December 31, 2015. If any awards under the Director Stock Plan are cancelled, forfeited or otherwise terminated, the shares that were subject to such award will be available for re-issuance under the Director Stock Plan. Shares issued under the Director Stock Plan may be authorized but unissued shares or shares that have been reacquired by us. In the event that the Compensation Committee determines that any dividend or other distribution (whether in the form of cash, common stock, or other property), recapitalization, stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of participants under the Director

Stock Plan, then the Compensation Committee will make equitable changes or adjustments to any or all of: (i) the number and kind of shares of stock or other

property (including cash) that may thereafter be issued in connection with awards; (ii) the number and kind of shares of stock or other property (including cash) issued or issuable in respect of outstanding awards; (iii) the purchase price relating to any award and (iv) the performance goals, if any, applicable to outstanding awards. In addition, the Compensation Committee may determine that any such equitable adjustment may be accomplished by making a payment to the award holder, in the form of cash or other property (including but not limited to shares of stock). Awards under the Director Stock Plan are intended to either be exempt from, or comply with, Code Section 409A.

Each award of restricted stock or restricted stock units will be subject to such restrictions as will be set forth in the applicable award agreement. Unless otherwise determined by the Board, upon a non-executive director's removal or resignation from our Board, the director will forfeit any as yet unvested awards granted under the Director Stock Plan. Upon a change in control of us (as defined under the Director Stock Plan) in which outstanding awards will not be assumed or continued by the surviving entity: (i) all restricted shares and all restricted stock units will vest and the underlying shares will be delivered immediately before the change in control, and (ii) the Board may elect, in its sole discretion, to cancel any outstanding awards of restricted stock or restricted stock units and to pay or have paid to the award holder an amount in cash or securities having a value equal to the formula or fixed price per share paid to stockholders in the change in control transaction.

Director Compensation Table for Fiscal Year End December 31, 2015

The following table presents information relating to the total compensation of our four non-executive directors for the fiscal year ended December 31, 2015. Thomas J. Barrack, Jr. and Richard B. Compensation Consultants

In 2015, the Compensation Committee engaged FW Cook to undertake a review of compensation policy for non-executive directors, as well as executive compensation (as discussed above under "Compensation Discussion and Analysis"). In August 2015, the Compensation Committee and FW Cook discussed non-employee director compensation and concluded that it was appropriate to modify the compensation payable to the non-executive

directors of the Company effective in 2016. As set forth in further detail below, the Compensation Committee approved, among other things, an increase in the stock compensation to its non-executive directors such that the total compensation to its non-executive directors would include \$90,000 payable in cash and \$135,000 payable in the form of an annual award of restricted shares of Class A common stock, which will vest in full on the one-year anniversary of the date of grant, for total compensation of \$225,000.

2016 Compensation Outlook

Effective January 1, 2016, the Board adopted a Non-Executive Independent Director Compensation Policy that provides that each non-executive director elected for service on the Board in 2016 will thereafter and throughout such annual term of service receive an annual base fee for his or her services of \$225,000, with \$90,000 payable in cash in quarterly installments in conjunction with quarterly meetings of the Board and \$135,000 payable in the form of an annual award of restricted shares of Class A common stock, which will vest in full on the one-year anniversary of the date of grant, subject to the director's continued service on the Board. In addition, in 2016, the chairs of the Audit, Compensation and Nominating and Corporate Governance Committees will receive an additional annual cash retainer of \$20,000, \$15,000 and \$12,500, respectively, and the Lead Director will receive an additional annual cash retainer of \$25,000. Furthermore, each non-executive director shall be required to maintain ownership of shares of Class A common stock of the Company with a value no less than three-times the annual cash base fee for his or her services. In connection with the foregoing share ownership requirement, each non-executive director shall have until the end of the five-year period commencing on the later of January 1, 2015 or upon such director's initial election to the Board to comply with the minimum share ownership requirement in order to stand for re-election. The Company will also reimburse each of the directors for their travel expenses incurred in connection with their attendance at Board and committee meetings.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently composed of Messrs. Parker (Chairman), Somers, and Steffens and Mrs. Curtin. The members of the Audit Committee are appointed by and serve at the discretion of the Board of Directors. The Audit Committee operates under a written charter adopted by our Board of Directors.

One of the principal purposes of the Audit Committee is to assist the Board of Directors in the oversight of the integrity of the Company's financial statements. The Company's management team has the primary responsibility for the financial statements and the reporting process, including the system of internal controls and disclosure controls and procedures. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2015 with our management.

The Audit Committee also is responsible for assisting the Board of Directors in the oversight of the qualification, independence and performance of the Company's independent auditors. The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in rule 3200T.

The Audit Committee has received both the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP its independence. In addition, the Audit Committee has considered whether the provision of non-audit services, and the fees charged for such non-audit services, by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP from management and the Company.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited financial statements for 2015 be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC.

Respectfully submitted,

The Audit Committee of the Board of Directors

George G. C. Parker (*Chairman*)

Nancy A. Curtin

John A. Somers

John L. Steffens

The Report of the Audit Committee does not constitute soliciting material and will not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate our SEC filings by reference, in whole or in part, notwithstanding anything to the contrary set forth in those filings.

PROPOSAL 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our stockholders an opportunity to indicate whether they support the compensation of our named executive officers, as described in this proxy statement. This advisory vote, commonly referred to as "say on pay," is not intended to address any specific item of compensation, but instead relates to the Compensation Discussion and Analysis, the tabular disclosures regarding the compensation of our named executive officers (as set forth above), and the narrative disclosure accompanying the tabular presentation. We believe these disclosures allow stockholders to view the trends in our executive compensation program and the application of our compensation philosophies for the year presented. This advisory vote will be presented on an annual basis unless otherwise disclosed.

As discussed in the Compensation Discussion and Analysis beginning on page 23 of this proxy statement, our Chief Executive Officer and each of our other executive officers, each of whom was an employee of CCLLC and certain of its affiliates prior to consummation of the Combination on April 2, 2015, did not receive cash compensation from us for serving as our executive officers.

However, under the terms of a secondment agreement between us and CCLLC that terminated in connection with the consummation of the Combination, Mr. Tangen, our Chief Operating Officer, Chief Financial Officer and Treasurer, was seconded exclusively to us by CCLLC. Under the terms of the secondment agreement, we were responsible for reimbursing CCLLC, on a monthly basis, an amount equal to the sum of (a) Mr. Tangen's base salary for such month and (b) the cost to CCLLC of providing employee benefits to Mr. Tangen for such month. The term of the secondment agreement was negotiated between us and CCLLC. Accordingly, except as discussed below with regard to Mr. Tangen's bonus, all amounts paid to Mr. Tangen by CCLLC for which we were responsible for reimbursement were negotiated as part of the secondment agreement. Mr. Tangen's base salary and our obligation to reimburse CCLLC for Mr. Tangen's base salary was capped at \$33,333 per month, or \$400,000 annually, for the period beginning January 1, 2015 and ending April 1, 2015 (the date immediately prior to the closing of the Combination) (such period, the "2015 Pre-Combination Compensation Period"). Mr. Tangen also was eligible to receive an annual cash bonus paid by CCLLC. Pursuant to the secondment agreement, for the 2015 Pre-Combination Compensation Period, we were only responsible for reimbursing CCLLC for the amount of the cash bonus approved by our Compensation Committee, in its sole discretion.

Following consummation of the Combination, we became an internally managed company by employing personnel previously employed by CCLLC and by acquiring our CF Manager. Upon consummation, employment agreements with each of Messrs. Barrack, Saltzman, Tangen and Traenkle became effective to continue their service to the Company. The employment agreements provide that Mr. Barrack will receive an annual base salary of \$1,000,000, Mr. Saltzman will receive an annual base salary of \$800,000, and Mr. Tangen and Mr. Traenkle will receive annual base salaries equal to \$447,000 for Mr. Tangen and \$472,000 for Mr. Traenkle. In addition, according to the employment agreements for 2015, each of our named executive officers with employment agreements is eligible to receive (i) a discretionary annual cash bonus with a target amount of \$4,000,000 for Mr. Barrack, \$2,400,000 for Mr. Saltzman, \$1,300,000 for Mr. Tangen and \$1,575,000 for Mr. Traenkle; and (ii) certain benefits and certain perquisites under our benefits plans, including, as applicable, matching contributions to their 401(k) plans, standard employee health benefits and an automobile allowance. Any such amounts would be pro-rated for the period beginning with the consummation of the Combination on April 2, 2015 through and including December 31, 2015 (the "2015 Post-Combination Compensation Period").

As a result of the Combination during 2015, our Compensation Committee evaluated a number of factors relevant during this transitional year for the Company in determining compensation of our executive officers (where a pre-determined compensation plan for 2015 would have been difficult to establish and/or apply). The Compensation Committee appreciated that the rebalancing of the Company through this transitional period may result in intermediate volatility where pre-determined financial metrics and other parameters could create misalignment with a primary objective of management to achieve an orderly and effective transition to a fully internalized Company and UPREIT

structure. The Compensation Committee therefore preferred to evaluate 2015 performance with the benefit of hindsight in assessing the consummation of the Combination, related

opportunities and challenges and to evaluate management's corresponding responses. Accordingly, for purposes of evaluating executive compensation for 2015, the Compensation Committee considered the Combination and the significant operational improvements and financing transactions that occurred during 2015. Key achievements considered by the Compensation Committee included: (i) completion of the Combination, creating a leading real estate and investment management firm with approximately \$19 billion of assets under management, (ii) a first closing for the Company's next Global Credit Fund with commitments of approximately \$700 million, inclusive of the Company's commitment, (iii) meaningful year over year improvements from 2014 to 2015 to Core FFO and annual dividends, (iv) consistent total shareholder return year-to-date in 2015 compared with the Company's peer group, previously established at the direction of its compensation consultant and (v) outperformance in total shareholder return compared with such peer group since the announcement of the Combination in November 2014. The Compensation Committee concluded that each Messrs. Barrack, Saltzman, Tangen, Traenkle and Hedstrom, in their respective roles, were necessary and instrumental in accomplishing the Combination and each of these other milestones for the Company.

As a result, the Compensation Committee approved the base salaries and other benefits and certain perquisites under our benefits plans for each of Messrs. Barrack, Saltzman, Tangen, Traenkle and Hedstrom for the 2015 Post-Combination Compensation Period. Furthermore, the Compensation Committee determined that an annual cash bonus of \$4,000,000, \$2,400,000, \$1,300,000, \$1,575,000, and \$1,235,000, respectively, was appropriate for each of Messrs. Barrack, Saltzman, Tangen, Traenkle and Hedstrom, as applicable, provided the Company would only be responsible for a pro-rated portion of such cash bonus amounts applicable to the 2015 Post-Combination Compensation Period.

In addition, with respect to our reimbursement obligations for Mr. Tangen's compensation during the 2015 Pre-Combination Compensation Period, the Company was responsible for his base salary and other benefits and certain perquisites under our benefits plans. As noted above, the Compensation Committee determined that a \$1,300,000 cash bonus amount was appropriate for fiscal year 2015 and would reimburse CCLLC for \$325,000, the ratable portion of such amount for the 2015 Pre-Combination Compensation Period. For the year ended December 31, 2015, we reimbursed CCLLC pursuant to the secondment agreement for such portion of Mr. Tangen's cash bonus.

The Board of Directors unanimously recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED on an advisory basis.

Although this vote is advisory and is not binding on the Company, the Compensation Committee values the opinions of our stockholders. To the extent that there is any significant vote against the compensation of our named executive officers, we will consider our stockholders' concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Recommendation

Stockholders may also abstain from voting on this advisory proposal. The affirmative vote of a majority of the votes cast is required for approval of the advisory resolution above. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the resolution must exceed the number of shares that are voted against the resolution. For purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADVISORY APPROVAL OF THE RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board of Directors has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. After careful consideration of the matter and in recognition of the importance of this matter to our stockholders, the Board of Directors has determined that it is in the best interests of the Company and our stockholders to seek the ratification by our stockholders of our Audit Committee's selection of our independent registered public accounting firm. A representative of Ernst & Young LLP will be present at the annual meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Vote Required and Recommendation

The affirmative vote of a majority of the votes cast is required for approval of the advisory resolution above. For purposes of the foregoing, a majority of the votes cast means that the number of shares that are cast and are voted for the resolution must exceed the number of shares that are voted against the resolution. For purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum. Even if the appointment of Ernst & Young LLP as our independent registered public accounting firm is ratified, our Board of Directors and the Audit Committee may, in their discretion, change that appointment at any time during the year should they determine such a change would be in our and our stockholders' best interests. In the event that the appointment of Ernst & Young LLP is not ratified, the Audit Committee will consider the appointment of another independent registered public accounting firm, but will not be required to appoint a different firm.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2016.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information, as of the record date, regarding the beneficial ownership of (i) our common stock (since reclassified as our Class A common stock) and Class B common stock issued in furtherance of the Combination and (ii) our Series A Cumulative Redeemable Preferred Stock, our Series B Cumulative Redeemable Preferred Stock and our Series C Cumulative Redeemable Preferred Stock by:

each of our directors and director nominees;

each of our executive officers; and

all of our directors, director nominees and executive officers as a group.

The SEC has defined beneficial ownership of a security to mean the possession, directly or indirectly, of voting power and/or dispositive power with respect to such security. In accordance with SEC rules, each listed person's beneficial ownership includes:

all shares the investor actually owns beneficially or of record;

all shares over which the investor has or shares voting or dispositive control (such as in the capacity as a general partner of an investment fund); and

all shares the investor has the right to acquire within 60 days (such as shares of restricted common stock that are currently vested or which are scheduled to vest within 60 days, the exercise of any option, warrant or right, or the power to revoke a trust, discretionary account or similar arrangement).

Unless otherwise indicated, the address of each named person is c/o Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071. The percentages below are based on (i) 134,861,048 common share equivalents (comprised of 112,565,739 shares of our Class A common stock outstanding (including restricted shares and restricted units), 546,275 shares of our Class B common stock outstanding, and 21,749,034 OP Units convertible to Class A common stock not otherwise held by the Company), and (ii) 10,080,000 shares of our Series A preferred stock, 3,450,000 shares of our Series B preferred stock, and 11,500,000 shares of our Series C stock, respectively, as of our record date on March 18, 2016. No shares beneficially owned by any executive officer, director or director nominee have been pledged as security.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Combination with our CF Manager

On March 31, 2015, our shareholders approved the acquisition by our operating subsidiary Colony Capital Operating Company, LLC (the "Operating Partnership") of CCLLC's trademark name and substantially all of CCLLC's real estate and investment management businesses and operations, which closed on April 2, 2015 (the "Combination"). Prior to the Combination, historically, CCLLC sponsored approximately \$24 billion of equity across a variety of distinct funds and investment vehicles that collectively invested over \$60 billion of total capital. Our acquisition of CCLLC's investment management business provided us with approximately \$9 billion of third party fee-paying equity under management at time of closing. We continue to hold our significant ownership stake in Colony Starwood Homes (NYSE symbol SFR), the successor by merger of Colony American Homes (CAH) with Starwood Waypoint Residential Trust in January 2016. While CAH became a self-managed REIT effective November 4, 2014, and we received certain cost reimbursements under a transitional services agreement with CAH until its merger into SFR, we did not acquire CCLLC's ownership interest in CAH or receive management fees from CAH due to such prior internalization of CAH's management in November 2014.

Upon consummation of the Combination, all of Colony Capital's senior executives became employed by us. In order to further demonstrate their collective long-term commitment to our business, and as additional consideration in the Combination, Mr. Thomas J. Barrack, Jr., our Executive Chairman, and Mr. Richard B. Saltzman, our Chief Executive Officer and President, have entered into five-year employment agreements and related lock-up arrangements with us, which, subject to certain exceptions for estate planning, partial share pledges and tax-related sales, will generally restrict them from transferring their respective interests in OP Units and/or shares received in connection with the Combination over the same period as their respective employment agreement terms, which restriction would be ratably reduced over such period. Messrs. Barrack and Saltzman also have entered into non-competition arrangements with us, each of which provides for clawback as to a material portion of consideration in the event such individuals violate the non-compete restrictions during the same period as their respective lock-ups. The employment agreements, and related lock-ups and non-competition arrangements became effective at the closing of the Combination. Certain other key senior executives entered into three-year employment agreements and related lock-up agreements prior to the closing of the Combination. See "Compensation Discussion & Analysis" Employment Agreements Became Effective Upon Consummation of the Combination.

In connection with the Combination, we issued upfront consideration and have agreed to issue contingent consideration as set forth below, which consideration is comprised of Class A Common Stock, Class B Common Stock and membership units in OP (OP Units). Each share of Class B Common Stock and each OP Unit is, at the holder's option, convertible or redeemable into one share of Class A Common Stock, subject, in the case of OP Units, to the terms and conditions set forth in the operating agreement of OP.

The aggregate consideration in connection with the consummation of the Combination as of April 2, 2015 consists of:

Upfront Consideration

	OP Units	Class A Common Stock	Class B Common Stock
Colony Capital, LLC	18,399,671		
CCH Management Partners I, LLC	1,621,859		
FHB Holding LLC	939,028

New Colony Holdings, LLC		112,627	563,987
Total	21,336,169	1,427,608	563,987

In connection with the Combination, we agreed to withhold 1,368,653 shares of Class A common stock from the distribution of shares made at closing to Richard B. Saltzman in the Combination, and to pay directly to the applicable federal, state and local taxing authorities an amount in cash equal to the 1,368,653 shares so withheld multiplied by the closing price of our Class A Shares on April 2, 2015 to satisfy the tax obligations of Mr. Saltzman in connection with the receipt of such shares.

Management Agreement and Cost Reimbursement for Asset Management Services

Pursuant to the terms of the amended and restated management agreement, our CF Manager was entitled to receive from us certain fees and expense reimbursements. In connection with the Combination, our CF Manager was contributed to, and is now an indirect wholly-owned subsidiary of, the Operating Partnership, and is therefor our indirect subsidiary. Following the Combination, all amounts and shares payable to our CF Manager from and after the Combination will be immediately repaid by the CF Manager to the Company, and therefore be solely for the benefit of the Company and not for the other unit holders of its Operating Partnership.

For the fiscal year ended December 31, 2015 and prior to the consummation of the Combination on April 2, 2015, we incurred base management fees of approximately \$9.2 million and reimbursed our CF Manager approximately \$2.3 million for expenses and investment-related costs, including reimbursing an asset manager affiliate of the CF Manager pursuant to a cost allocation agreement for compensation, overhead and other direct costs incurred for the benefit of certain loan portfolio investments owned by the Company.

Prior to consummation of the Combination on April 2, 2015, each of our officers was also an employee of CCLLC and certain of its affiliates. However, Mr. Tangen, our Chief Financial Officer and Treasurer, was seconded exclusively to us pursuant to a secondment agreement with CCLLC. As a result, the management agreement between us and our CF Manager was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to us as if it had been negotiated with an unaffiliated third party.

CF Manager Compensation

In January 2015, our Compensation Committee approved grants of an aggregate of 618,081 shares of restricted common stock to our CF Manager pursuant to our 2014 Equity Incentive Plan, for services provided by or on behalf of our CF Manager for the benefit of the Company. Our CF Manager evaluated the performance of, and thereafter granted such shares of restricted common stock to, certain employees of CCLLC and its affiliates providing services

for the benefit of our CF Manager and the Company, including those also serving as executive officers of the Company. The restricted stock granted by our CF Manager as described herein vests over a three-year period as follows: 25% vested in each of January 2015 and January 2016, respectively, and 25% will vest in each of January 2017 and 2018, respectively.

Indemnification Agreements

We have entered into indemnification agreements with each of our executive officers and directors that obligate us to indemnify them to the maximum extent permitted by Maryland law. The form of indemnification agreement provides that if a director or executive officer is a party or is threatened to be made a party to any proceeding by reason of such director's or executive officer's status as our director, officer or employee, we must indemnify such director or executive officer for all expenses and liabilities actually and reasonably incurred by him or her, or on his or her behalf, unless it has been established that:

the act or omission of the director or executive officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty;

the director or executive officer actually received an improper personal benefit in money, property or services; or

with respect to any criminal action or proceeding, the director or executive officer had reasonable cause to believe that his or her conduct was unlawful;

provided, however, that we will (i) have no obligation to indemnify such director or executive officer for a proceeding by or in the right of our company, for expenses and liabilities actually and reasonably incurred by him or her, or on his or her behalf, if it has been adjudged that such director or executive officer is liable to us with respect to such proceeding and (ii) have no obligation to indemnify or advance expenses of such director or executive officer for a proceeding brought by such director or executive officer against the corporation, except for a proceeding brought to enforce indemnification under Section 2-418 of the MGCL or as otherwise provided by our charter or bylaws, a resolution of the board of directors or an agreement approved by the board of directors.

Investment Advisory Agreement

Our CF Manager entered into an investment advisory agreement with CCLLC effective upon the closing of our initial public offering. This agreement was terminated in connection with the consummation of the Combination. Pursuant to this agreement, our CF Manager had access to, among other things, the portfolio management, asset valuation, risk management and asset management services as well as administration services addressing legal, compliance, investor relations and information technologies of CCLLC necessary for the performance of the duties of our CF Manager in exchange for a fee representing our CF Manager's allocable cost for these services. The fee paid by our CF Manager pursuant to this agreement did not constitute a reimbursable expense under the management agreement.

Colony License Agreement

Concurrently with the completion of our initial public offering, we entered into a license agreement pursuant to which we have a non-exclusive, royalty-free license to use the name and trademark Colony. Under this agreement, we had a right to use this name and trademark for so long as Colony Financial Manager, LLC served as our external manager pursuant to the management agreement. This license and trademark terminated concurrently with the consummation of the Combination since the Company thereby acquired the trademark name Colony.

Related Party Transaction Policies

On December 23, 2014, the Company and CCLLC, entered into definitive agreements providing for an operating subsidiary of the Company to acquire from CCLLC its trademark name and substantially all of its real estate investment management business and operations relating to the Combination, as described above. The Combination closed on April 2, 2015. See Our Company.

Certain current private investment funds or other investment vehicles sponsored by CCLLC or its affiliates (collectively, "Co-Investment Funds") may have the right to co-invest with us in our target assets, subject to us and each Co-Investment Fund having capital available for investment and the determination by us and the general partner of each Co-Investment Fund (which is or will be an affiliate of CCLLC) that the proposed investment is suitable for us and such Co-Investment Fund, respectively.

To address certain potential conflicts arising from our relationship with CCLLC or its affiliates, pursuant to the now-terminated investment allocation agreement among our CF Manager, CCLLC and us, our CF Manager and CCLLC agreed that, for so long as the management agreement was in effect, neither they nor any of their affiliates would sponsor or manage (i) any additional publicly traded investment vehicle that would primarily acquire or originate assets secured by U.S. collateral that are substantially similar to our target assets or (ii) any publicly traded investment vehicle that would primarily acquire or originate assets secured by non-U.S. collateral substantially similar to our target assets or any private investment vehicle that primarily acquires or originates assets substantially similar to our target assets without providing us with the right (but not the obligation) to contribute, subject to our investment guidelines, our availability of capital and maintaining our qualification as a REIT for U.S. federal income tax purposes and our exemption from registration under the 1940 Act, at least one-half of the capital to be funded by such investment vehicles in assets secured by U.S. collateral (or at least one-third for assets secured by non-U.S. collateral) that are substantially similar to our target assets, subject to change if agreed upon by a majority of our independent directors. Prior to the consummation of the Combination and termination of the investment allocation agreement, with respect to certain of our co-investments, we had contributed less than our full entitlement in order to maintain our qualification as a REIT, our exemption from registration under the 1940 Act and/or diversification of our assets. All such co-investments where we contributed less than our full entitlement were approved by our independent directors. To the extent that we did not have sufficient capital to contribute our full entitlement of the capital required for any such proposed investment by such investment vehicles, the allocation agreement provided for a fair and equitable allocation of investment opportunities among all such vehicles and us, in each case, taking into account the suitability of each investment opportunity for the particular vehicle and us and each such vehicle's and our availability of capital for investment. This allocation agreement also applied to any existing Co-Investment Funds. As discussed above, the investment allocation agreement was terminated in connection with the consummation of the Combination.

Pursuant to the investment allocation agreement, with respect to public or private investment vehicles sponsored or managed by CCLLC or its affiliates that did not primarily acquire or originate assets substantially similar to our target assets, our CF Manager and CCLLC agreed, for so long as the management agreement was in effect, to a fair and equitable allocation of investment opportunities in assets that are substantially similar to our target assets among all such vehicles and us, in each case taking into account the suitability of each investment opportunity for the particular vehicle and us, each such vehicle's and our availability of capital for investment and the sourcing of such investment.

In addition, to avoid any actual or perceived conflicts of interest with CCLLC and its affiliates, other than in connection with co-investments in accordance with our investment allocation agreement, prior to an acquisition of any security structured or issued by an entity managed by CCLLC or its affiliates or the purchase or sale of any asset from or to an entity managed by CCLLC or its affiliates, such transaction was required to be approved by a majority of our independent directors.

We do not have a policy that expressly prohibits our directors, officers, security holders or affiliates from engaging for their own account in business activities of the types conducted by us. As a result, certain of our executive officers and directors who were also employees of CCLLC prior to consummation of the Combination may also invest from time to time in certain of our investments in which we co-invest with funds managed by CCLLC. Our code of business conduct and ethics contains a conflicts of interest policy that prohibits our directors, officers and personnel, as well as employees of our CF Manager and its affiliates who provided services to us during the period when we were externally managed, from engaging in any transaction that involves an actual conflict of interest with us. Notwithstanding the prohibitions in our code of business conduct

and ethics, after considering the relevant facts and circumstances of any actual conflict of interest, the Nominating and Corporate Governance Committee may, on a case-by-case basis and in their sole discretion, waive such conflict of interest.

Since January 1, 2015, we had entered into the following agreements or consummated transactions together with or alongside certain Co-Investment Funds:

Real Estate Debt Acquisitions

Gatwick Office Complex. In January 2015, we, in a joint venture with Co-Investment Funds, acquired a multi-tenant office building in the United Kingdom in a short sale transaction for £20 million, or \$30 million. The acquisition also includes an adjacent 1.5 acre site with planning consent in-place for an additional 100,000 square foot office building. Our share of this investment is 50%, or \$15.0 million.

U.S. Loan Portfolio 2014-1. In April 2015, we, in a joint venture with a Co-Investment Fund, completed a follow-on investment in one of the loans secured by a luxury destination resort in California to finance its acquisition by third party investors. Previously, in March 2014, we invested in a joint venture with a Co-Investment Fund to acquire three performing mortgage loans owned by a European real estate bank, with an aggregate UPB of approximately \$138 million. The loans are collateralized by a luxury destination resort in California, an industrial portfolio in Tennessee, and a regional shopping center in North Carolina. The joint venture purchased the loans at a discount to par with non-recourse matched-term financing for 65% of the purchase price at LIBOR plus 2.85%. Our share of this investment is 79%.

Real Estate Debt Originations

Multifamily Portfolio Preferred Equity II. In February 2015, we, in a joint venture with a Co-Investment Fund, agreed to fund up to \$80 million of preferred equity to recapitalize a primarily stabilized multifamily portfolio composed of 16 communities totaling approximately 4,800 units in Georgia, Texas and Louisiana. The preferred equity provides a 12.5% preferred return and 1% issuance fee. The preferred equity was structured with a full repayment guaranty to the sponsor and full excess cash flow sweep until an 8.25% debt yield is achieved. The joint venture funded \$44 million and expects to fund the remaining \$36 million within the second half of 2015. Our share of this investment is 50%.

Ireland CRE Recapitalization. In April 2015, we, in a joint venture with certain Co-Investment Funds, originated a \$93.8 million CRE loan collateralized by a portfolio of high-quality Irish and French real estate, including two premier office properties available in Ireland, as well as an iconic building in Ireland's prime shopping district. The loan carries a term of seven years and features an interest rate of 11.0% per annum (4.5% paid current and 6.5% accrued), certain exit fees, and a 5% equity participation interest in the portfolio. Our share of this investment is 50%.

Hamburg Development Loan. In April 2015, we, in a joint venture with certain Co-Investment Funds, originated a \$50 million corporate loan to a specialist German prime retail, a developer of retail assets in inner-city locations in Germany. The loan bears an interest rate of 10% (100% cash-pay) and matures in 2017. Collateral for the loan comprises: (i) a 2nd mortgage over a 9,300 square meter super-prime

retail/office development in an A+ location, (ii) personal guarantee provided by borrower's main subsidiary, which will also provide appropriate cost overrun and completion guarantees relating to the development of the property and (iii) a personal recourse guarantee from borrower's founder and principal shareholder. Our share of this investment is 50%.

Santa Clara Multifamily Development Loan. In May 2015, we, in a joint venture with a Co-Investment Fund, originated a \$31 million senior secured loan to an affiliate of a leading global real estate development firm for the acquisition and pre-development of 5.5 acres in Santa Clara, California for a

462-unit residential project. The loan bears interest at LIBOR plus 9.75% and has a two-year term with four 6-month extensions, and featured a 1.0% origination fee. Our share of this investment is 50%.

Rolling Hills Land and Development Loans. In June 2015, we, in a joint venture with a Co-Investment Fund, (i) acquired a \$30 million B-note participation in a \$65 million infrastructure development loan from a California based bank which will have a three year term with two 6-month extensions and will bear interest at 8% paid current through an interest reserve, (ii) originated a \$84 million acquisition loan which will have a four year term with two 12-month extension options and bear interest at 15% (with 8% paid current and 7% paid-in-kind), and (iii) funded \$14 million of common equity. A third-party development group shall fund \$14 million of common equity alongside our group's \$14 million of common equity. The loans are to finance the acquisition and development of 61 acres in Palos Verdes, California with control rights to re-develop 114 luxury homes on a total of 228 acres. Our share of this investment is 50%.

France & Spain CRE Portfolio Loan. In October 2015, we, in a joint venture with a Co-Investment Fund and a third-party partner, originated a \$52.5 million mezzanine loan to a distressed European real estate company ("Borrower") that owns 82 properties in France and Spain, consisting primarily of office buildings and hotels. The loan matures in six years and bears interest at 15%, of which 7% is paid current and 8% is paid-in-kind for the first two years, and fully paid current thereafter. Our share of this investment is one-third.

Additionally, in November 2015, we, only in joint venture with a Co-Investment Fund, originated a \$13.5 million loan to a subsidiary of the Borrower group to facilitate the discounted payoff of an existing loan with a \$19 million claim secured by an office building in Nice, France. The loan features a two-year term and an interest rate of 15.0%, of which 7.0% is paid current and 8.0% may accrue. Our share of this investment is 50%.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Executive officers, directors and greater than 10% stockholders are required by the SEC to furnish us with copies of all Forms 3, 4 and 5 that they file.

Based on our review of the copies of such forms, and/or on written representations from the reporting persons that they were not required to file a Form 5 for the fiscal year, we believe that our executive officers, directors and greater than 10% stockholders complied with all Section 16(a) filing requirements applicable to them with respect to transactions during 2015, except as described hereafter. The Form 3 filed by Colony Capital Holdings, LLC on April 17, 2015 was not timely filed with respect to its receipt of units in our Operating Partnership on April 2, 2015, in connection with the consummation of the Combination.

Householding of Proxy Materials

If you and other residents at your mailing address own common stock in street name, your broker or bank may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker or bank. This practice of sending only one copy of proxy materials is known as householding. If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of our annual report and proxy to your address. You may revoke your consent to householding at any time by sending your name, the name of your brokerage firm and your account number to Broadridge Financial Solutions Inc., 51 Mercedes Way, Edgewood, NY 11717. In any event, if you did not receive an individual copy of this proxy statement or our annual report, we will send a copy to you if you address your written request to Colony Capital, Inc., 515 S. Flower St., 44th Floor, Los Angeles, CA 90071, Attention: Investor Relations, or telephone call to +1 (310) 282-8820.
