## **PROXY STATEMENT**

The Board of Directors of Beasley Broadcast Group, Inc., a Delaware corporation (the "Company"), is soliciting your proxy with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, May 30, 2019, at 12:00 p.m. Eastern time, at the corporate offices of Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida, and any adjournment or postponement thereof. This Proxy Statement and the Company's Annual Report to Stockholders are first being made available to stockholders on or about April 15, 2019.

## **VOTING SECURITIES**

### **Voting Rights and Outstanding Shares**

Only stockholders of record on the books of the Company as of 5:00 p.m. Eastern time, April 1, 2019, which is the "Record Date," will be entitled to vote at the Annual Meeting. At the close of business on April 1, 2019, the Company had 11,207,215 shares of Class A Common Stock outstanding (the "Class A Shares"), and 16,662,743 shares of Class B Common Stock outstanding (the "Class B Shares" and together with the Class A Shares, the "Common Stock").

Under the Company's Amended and Restated Certificate of Incorporation and Fourth Amended and Restated Bylaws (the "Bylaws"), in the election of directors, the holders of the Class A Shares are entitled by class vote, exclusive of all other stockholders, to elect two of the Company's directors, with each Class A Share being entitled to one vote. With respect to the election of the other seven directors and all other matters submitted to the stockholders for vote, the holders of Class A Shares and Class B Shares shall vote as a single class, with each Class A Share being entitled to one vote and each Class B Share entitled to ten votes.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. Except with respect to the election of directors (which is discussed separately under "Proposal No. 1: Election of Directors"), the affirmative vote of a majority of votes cast in person or by proxy at a duly held meeting at which a quorum is present is required under Delaware law and our Bylaws for approval of the proposals presented in this Proxy Statement.

The Inspector will also determine whether or not a quorum is present. Our Bylaws provide that a quorum consists of the presence in person or by proxy of a majority of the votes entitled to be cast on a matter to be acted upon at the Annual Meeting. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is deemed present but it is not deemed a vote cast. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner. Abstentions and broker non-votes are included in determining whether a quorum is present but are not included in the tabulation of the voting results. As such, abstentions and broker non-votes do not affect the voting results with respect to the election of directors or the issues requiring the affirmative vote of a majority of the votes cast at the Annual Meeting. The ratification of the appointment of the Company's independent registered public accounting firm is a routine proposal on which nominees possess discretionary voting power absent instructions from the beneficial owner. Thus, the Company does not expect any broker non-votes on this proposal.

Stockholders of record may submit their proxy by telephone prior to the Annual Meeting, rather than filling out and mailing a proxy card. To help explain this process, we have included a brief question and answer section below.

*How do I vote my shares without attending the Annual Meeting?*

If you are a stockholder of record, you can vote by telephone by following the instructions on the Notice of Availability of Proxy Materials.

If your shares are held in the name of a bank, broker or other record holder, follow the voting instructions on the form that you receive from them. The availability of telephone and Internet voting will depend on the bank's or other record holder's voting process. Your bank, broker or other record holder will not be permitted to exercise voting discretion as to the matters to be acted upon other than the ratification of the appointment of the Company's independent registered public accounting firm. Therefore, please give voting instructions to your bank, broker or other record holder.

*How will my proxy be voted?*

Your proxy, when properly submitted by telephone and not revoked, will be voted in accordance with your instructions. If any other matter is properly presented, the persons named as proxies will have discretion to vote in their best judgment.

Unless you give other instructions when you cast your vote by telephone, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors and a vote will be cast FOR the election of each of the nominees for directors, FOR the advisory vote to approve named executive officer compensation, for 1 Year as the recommended frequency of future advisory votes on executive compensation, FOR the ratification of Crowe LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019 and as the proxy holders deem advisable on other matters that may come before the meeting. If a broker indicates on the proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

*May I revoke or change my vote?*

If you are a stockholder of record, you may revoke your proxy at any time before it is actually voted by:

giving written notice of revocation to Joyce Fitch, Secretary, Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida 34103;

by delivering a proxy bearing a later date (including by telephone); or

by attending and voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other record holder, or, if you have obtained a legal proxy from your bank, broker or other record holder giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

*How do I vote my shares in person at the Annual Meeting?*

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal

proxy from the broker, bank or other record holder that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described above and on the Notice of Availability of Proxy Materials, so that your vote will be counted if you later decide not to attend the Annual Meeting.

*What is the deadline for voting my shares?*

If you are a stockholder of record, and plan to vote by telephone, your vote must be received by 11:59 p.m. Eastern time on May 29, 2019. If your shares are held in street name, you should return your voting instructions in accordance with the instructions provided by the bank, broker or other record holder that holds the shares on your behalf.

*Who is paying for this proxy solicitation?*

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone.

### **PROPOSAL NO. 1: ELECTION OF DIRECTORS**

Nine directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of stockholders or until their respective successors are elected or appointed. Nominees for election to the Board of Directors shall be approved by the following vote:

For Nominees to be Elected by the Holders of the Class A Shares: by a plurality of the votes cast by the holders of Class A Shares present in person or by proxy at the Annual Meeting, with each share being entitled to one vote.

For Nominees to be Elected by the Holders of All Classes of Common Stock: by a plurality of the votes cast by the holders of all classes of Common Stock present in person or by proxy at the Annual Meeting, with each Class A Share being entitled to one vote and each Class B Share being entitled to ten votes.

Abstentions from voting on the election of directors and broker non-votes, will have no effect on the outcome of the election of directors. In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board of Directors or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board of Directors may be reduced in accordance with the Bylaws of the Company. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

The Board believes that each of the nominees listed brings strong skills and extensive experience to the Board, giving the Board as a group the appropriate skills to exercise its oversight responsibilities.

**Recommendation of the Board of Directors:**

The Board of Directors unanimously recommends a vote **FOR** the election of all nominees named above.

**THE BOARD OF DIRECTORS AND ITS COMMITTEES**

The Company's Board of Directors met seven times during 2018 and acted by unanimous written consent on three occasions. Each member of the Board attended at least 75% of the aggregate number of meetings of the Board of Directors and the committees of the Board of Directors of which he or she was a member, except for Mr. Shaw and Mr. Bordes, who each attended 71% of the meetings of the Board of Directors held in 2018. The Company does not have a formal policy regarding director attendance at annual meetings of stockholders, but encourages directors to attend. All of our then-current directors, except for Mr. Bordes, attended the 2018 Annual Meeting of Stockholders.

**Controlled Company**

The Company qualifies as a controlled company, within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules. The Company currently qualifies as a controlled company because more than 50% of the Company's voting power is controlled by the Company's Chairman, George Beasley. As a result, the Company is not required to have a Board of Directors consisting of a majority of Directors who are independent or compensation committee or nominating committee composed solely of independent directors.

**Leadership Structure**

The Board of Directors believes that the appropriate leadership structure should be based on the needs and circumstances of the Board, the Company and its stockholders at a given point in time, and that the Board should remain adaptable to shaping the leadership structure as those needs change in the future.

The Board of Directors currently separates the role of Chairman of the Board from the role of Chief Executive Officer. The Board, believes that this leadership model is efficient and effective for the Company at this time, because the Company continues to benefit from George Beasley's wealth of knowledge and experience while he serves in the role of Chairman. The Board believes that Mr. Beasley, as the founder and majority stockholder of our Company with more than 50 years of management experience in the radio broadcast industry, has detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and is thus best positioned to identify the key risks facing the organization and ensure that these are brought to the attention of the Board. In his role as Chairman, Mr. Beasley helps the Board identify strategic priorities, leads the Board in its oversight responsibilities and facilitates and presides over Board meetings. He also assists with communications between the Board members and management.

This separation of roles allows the Chief Executive Officer, Caroline Beasley, to focus on the day-to-day business of the company, including executing the Company's strategic plan, and managing the Company's operations and performance.

The Company has procedures to ensure a strong and independent Board. The Audit, Compensation and Governance Committees consist entirely of non-management directors. In addition to their responsibilities on these Committees, these independent directors meet in executive sessions without any members of management present. The purpose of these executive sessions is to promote open and candid discussion among the non-management directors. The Board has not designated a lead independent director.

#### **The Board's Role in Risk Oversight**

Management is responsible for the Company's day-to-day risk management activities and the Board's role is to engage in informed risk oversight. In fulfilling this oversight role, the Board of Directors focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management processes and overall risk management system.

The Board performs this function by receiving management updates on the Company's business operations, financial results and strategy at its regularly scheduled meetings. The Audit, Compensation and Governance Committees, which consist entirely of independent directors, assist the Board in its oversight of risk management. Currently, the risk areas reported to the Board relate to credit risk, liquidity risk, fraud risk and operational risks, including regulatory, economic, competitive, legal, and mergers and acquisitions risks.

The Board administers its risk oversight function by (i) identifying key areas of risk exposure facing the Company; (ii) discussing the level of risk the Company is willing to take and the variance from stated risk tolerance that is considered acceptable; (iii) identifying and discussing the key risk indicators and the early warning signs of increased risk exposure; and (iv) discussing with management the Company's guidelines for monitoring risk indicators and encouraging communication of key risk indicators to management and the Board.

#### **Committees of the Board of Directors**

During 2018, the Board of Directors had an Audit Committee and a Compensation Committee and beginning in May 2018, the Board of Directors also had a Governance Committee.

The Board of Directors currently does not have a nominating committee or a committee performing the functions of a nominating committee. The Board of Directors is not required to have a nominating committee because the Company is a controlled company as defined in the NASDAQ Listing Rules. Although there are no formal procedures for stockholders to nominate persons to serve as directors, the full Board of Directors will consider recommendations from stockholders, which should be addressed to Joyce Fitch, Secretary, Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida 34103. The Company has not adopted a formal process because it believes that the informal consideration process has been adequate to date.

The Board does not have a specific policy regarding diversity of director candidates. However, as a matter of practice the Board recommends candidates based on the diversity of their business or professional experience, background, talents and perspectives. The Board considers diversity in the context of the Board as a whole and takes into account the personal characteristics, including gender, ethnicity and age, and experience, including financial expertise, and educational and professional background of current and prospective directors. The Board believes this process will best facilitate Board deliberations that reflect a broad range of perspectives and lead to a more effective decision-making process.

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), consists of Messrs. Fiorile, Fowler, and McCord, each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that Mr. Fiorile is an Audit Committee financial

expert as that term is defined in the Exchange Act. The responsibilities of the Audit Committee as set forth in its written charter include:

Recommending to the Board of Directors independent auditors to conduct the annual audit of the Company's financial statements;

Reviewing the proposed scope of the audit and approving the audit fees to be paid;

Reviewing the Company's accounting and financial controls with the independent auditors and its financial and accounting staff; and

Reviewing and approving transactions, other than compensation matters, between the Company and its directors, officers and affiliates.

The Audit Committee met eight times during 2018 and acted by unanimous written consent on two occasions. The current charter of the Audit Committee is available on the Company's website at [www.bbgi.com](http://www.bbgi.com).

The Compensation Committee consists of Messrs. Fowler and McCord, each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. This Committee is responsible for establishing compensation policies for the Company's executive officers, including the Chief Executive Officer, and reviewing the Company's compensation plans to ensure that they meet corporate objectives. The responsibilities of the Compensation Committee also include administering and interpreting the 2007 Equity Incentive Award Plan of the Company. The Compensation Committee met four times during 2018 and did not act by unanimous written consent. As a controlled company, the Compensation Committee is not required to, and does not, have a charter.

The Governance Committee consists of Messrs. Fiorile and Fowler, each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. This Committee is responsible for developing and recommending to the Board of Directors corporate governance guidelines, reviewing the Company's Code of Business Conduct and Ethics and recommending any changes to the Board of Directors, overseeing the annual self-evaluation of the Board of directors and making recommendations to the Board of Directors regarding governance matters, including, but not limited to, the Company's Certificate of Incorporation, Bylaws and committee charters. The Governance Committee did not meet in 2018 and did not act by unanimous written consent. The current charter of the Governance Committee is available on the Company's website at [www.bbgi.com](http://www.bbgi.com).

#### **Stockholder Communication with Board Members**

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process (in which stockholder communications received by the Secretary for the Board's attention, or summaries thereof, will be forwarded to the Board) has served the Board's and the stockholders' needs. In view of Securities and Exchange Commission (SEC) disclosure requirements relating to this issue, the Board of Directors may consider developing more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the Board of Directors should be sent to it in care of Joyce Fitch, Secretary, Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida 34103.

#### **PROPOSAL NO. 2: ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION.**

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14(a) of the Exchange Act, we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the overall compensation of our named executive officers as disclosed in this Proxy Statement. This

advisory vote is commonly referred to as say-on-pay. The Board will make a determination as to when the next say-on-pay vote will be held after reviewing the voting results for Proposal No. 3: Frequency of Advisory Vote on Named Executive Officer Compensation.

Our executive compensation programs are designed to convey recognition of services performed by the recipients and motivate and retain the recipients over the long term. The purpose of the executive compensation is to provide competitive compensation in order to attract, motivate, and retain talented and experienced executives, who are instrumental to our success, and to reward the executive officers for the achievement of short-term and long-term strategic and operational goals and the creation of enhanced value for our stockholders. We seek to closely align the interests of our named executive officers with the interests of our stockholders, and our Compensation Committee regularly reviews named executive officer compensation against peer companies, the general market trend and other industry data to ensure that such compensation is consistent with our compensation philosophy.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Summary Compensation Table, the other related compensation tables and narrative discussion.

This advisory resolution is non-binding on the Board. Although non-binding, the Board and the Compensation Committee will carefully review and consider the voting results when evaluating our executive compensation program.

**Recommendation of the Board of Directors:**

The Board of Directors unanimously recommends a vote **FOR** proposal number 2.

**PROPOSAL NO. 3: FREQUENCY OF ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION**

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14(a) of the Exchange Act, we are asking stockholders to vote on whether future advisory votes on the compensation of our named executive officers should occur every year, every two years or every three years.

After careful consideration, the Board recommends that future say-on-pay votes be included in the Company's Proxy Statement for, and voted on by stockholders at, each annual meeting of stockholders. We believe that having such an advisory vote on the ballot annually provides the highest level of accountability and the greatest and most useful stockholder input for the Company, the Board of Directors and the Compensation Committee.

While we intend to carefully consider the voting results of this proposal, the vote on the frequency of future advisory votes on the compensation of our named executive officers is advisory in nature and therefore non-binding on the Board. Notwithstanding the Board's recommendation and the outcome of the stockholder vote, the Board may in the future decide to conduct such advisory votes on a different frequency and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

Stockholders are not voting to approve or disapprove of the Board's recommendation. Instead, stockholders will be able to vote for one of four choices for this proposal: 1 Year, 2 Years, 3 Years or Abstain.

**Recommendation of the Board of Directors:**

The Board of Directors unanimously recommends a vote for **1 YEAR** as the recommended frequency of future advisory votes on executive compensation on this proposal number 3.

**PROPOSAL NO. 4: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

The Audit Committee has appointed Crowe LLP ( Crowe ) as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2019, and is proposing that the stockholders ratify such appointment. Crowe has served as the Company's independent auditors since 2006.

Although ratification is not required by law, the Audit Committee believes that our stockholders should be given an opportunity to express their views on the subject. Since the Audit Committee cannot abdicate this authority to the stockholders, the ratification of the appointment is not binding. Any failure of the stockholders to ratify the appointment of Crowe as our independent registered public accounting firm would, however, be considered by the Audit Committee in determining whether to continue the engagement of Crowe.

In making this appointment, the Audit Committee considered whether the audit and non-audit services Crowe will provide are compatible with maintaining the independence of the Company's outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Crowe before the firm is retained. The Audit Committee pre-approves all audit and permitted non-audit services to be performed for the Company by its independent public accountants. The chairperson of the Audit Committee may represent the entire committee for the purposes of pre-approving permitted non-audit services. The Audit Committee does not consider the provision of the permitted non-audit services to be incompatible with maintaining the independent public accountant's independence.

Representatives of Crowe are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

## **Incentive Compensation**

Our Compensation Committee has historically utilized two forms of incentive compensation: annual cash bonuses and equity awards. The annual cash bonus component is designed to convey an immediate recognition of services performed by the recipient, while the equity component is tied to vesting requirements and is designed to not only compensate but to also motivate and retain the recipient over the vesting period.

All of our named executive officers are eligible to receive annual cash bonuses under our Performance Incentive Plan and equity-based awards under our 2007 Equity Incentive Award Plan.

### ***2018 Cash Bonuses***

Annual cash bonus awards are determined based upon our Company's achievement against a pre-established financial performance metric and the Compensation Committee's subjective assessment of performance. Target bonus award levels are set for each of the named executive officers and awards may be earned above or below the target level based on the total performance assessment, as determined by our Compensation Committee, although no pre-set formulas are established for this purpose. Subjective performance factors that are considered from time to time include station ratings, acquisition and divestiture activity, the Company's ability to manage extraordinary events and market conditions and the Company's overall performance relative to other similarly situated radio companies. For 2018, the target bonus award levels for Mr. George Beasley, Ms. Caroline Beasley, Mr. Bruce Beasley and Mr. Brian Beasley were \$450,000, \$1,000,000, \$275,000 and \$275,000, respectively and the financial performance metric was based on aggregate station operating income. Performance assessments may vary by individual, although no individual considerations were taken into account for 2018.

In 2018, our Compensation Committee assessed the Company's achievement against the financial performance metric and generally determined on a subjective basis that performance satisfied expectations for the year. In making its subjective determination of performance, our Compensation Committee took into account our overall financial and operational performance relative to other similarly situated radio companies and our integration activities related to the acquisitions of WBZ-FM in Boston in December 2017 and WXTU-FM in Philadelphia in September 2018. These activities required continued extraordinary efforts from our named executive officers throughout 2018. Based on these considerations, our named executive officers were each awarded a cash bonus as set forth in the 2018 Summary Compensation Table in the column entitled "Non-Equity Incentive Plan Compensation."

### ***2018 Equity Awards***

No equity or equity-based incentive awards were granted to our named executive officers in 2018, though each named executive officer held restricted stock units as of December 31, 2018 as shown in the table entitled "2018 Outstanding Equity Awards at Fiscal Year-End" below.

## **Retirement Plans**

We have a Section 401(k) Savings/Retirement Plan (the "401(k) Plan") that covers eligible employees of the Company and any designated affiliate, including our named executive officers. The 401(k) Plan permits employees to defer up to 100% of their annual compensation, subject to certain limitations imposed by the Internal Revenue Code of 1986, as amended. The employees' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan. All employees of the Company are eligible to participate in the 401(k) Plan at any time after their date of hire.

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

### Related Party Transactions

Review and Approval of Related Party Transactions In 2007, the Board of Directors adopted the Company's Related Party Transaction Policy (the Policy). The Policy applies to any transaction, or series of transactions in which the Company, its subsidiaries or affiliates is or will be a participant, the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year, and in which any related party has or will have a direct or indirect interest. A related party for purposes of the policy includes:

any Company executive officer, director or nominee for election as a director;

an owner of 5% or more of Company stock; and

any immediate family member of any person listed above.

Under the Policy, the Audit Committee of the Board of Directors reviews the facts relating to all related party transactions and either approves or disapproves the Company's entry into the transaction. If advance Audit Committee approval of a transaction is not feasible, then the Audit Committee will consider the transaction and, if it determines the transaction to be appropriate, will ratify the transaction at the Committee's next regularly scheduled meeting.

As adopted, the Policy has standing pre-approvals for transactions that meet specific criteria or are not considered related person transactions by the SEC. Pre-approved transactions include:

Edgar Filing: BEASLEY BROADCAST GROUP INC - Form DEF 14A

any transaction with another company where the related party's only relationship with such other company is as an employee (other than an executive officer), director or beneficial owner of less than 10% of that other company's shares;

any charitable contribution, grant or endowment by the Company to a charitable organization, foundation or university at which a related party's only relationship is as an employee (other than an executive officer) or a director, if the aggregate amount involved does not exceed the lesser of \$100,000, or two percent of the charitable organization's total annual receipts;

any transaction where the related party's interest arises solely from the ownership of the Company's common stock and all holders of the Company's common stock received the same benefit on a *pro rata* basis (e.g., dividends); and

any transaction involving a related party where the rates or charges involved are determined by competitive bids.

During 2017 and 2018, the Company engaged in several transactions in which our executive officers, including our Chairman, George G. Beasley, and members of his family were participants. These transactions are described below. While the Policy had not been adopted at the time certain of these transactions and arrangements were entered into or commenced, each has been subsequently ratified by the Audit Committee pursuant to the Policy.

*Beasley Broadcasting Management, LLC*

The Company leases its principal executive offices in Naples, FL from Beasley Broadcasting Management, LLC, which is held by a trust for the benefit of Caroline Beasley, Bruce G. Beasley, Brian E. Beasley and other family members of George G. Beasley. Rental expense was \$0.2 million for each of the years ended December 31, 2017 and 2018.

*Beasley Family Towers, LLC*

On May 3, 2018, the Company entered into an agreement to lease a radio tower for one radio station in Tampa, FL from Beasley Family Towers, LLC ( BFT ), which is partially held by a trust for the benefit of Caroline Beasley, Bruce G. Beasley, Brian E. Beasley and other family members of George G. Beasley and partially owned directly by Caroline Beasley, Bruce G. Beasley, Brian E. Beasley and other family members. The lease agreement expires on December 31, 2027. Rental expense was \$0.1 million for the year ended December 31, 2018.

On December 31, 2015, the Company sold the tower for one radio station in Augusta, GA to BFT for \$1.3 million then leased the tower back under an agreement which expires on December 31, 2025. The lease met the criteria to be recorded as a capital lease, however based on the terms of the lease agreement the \$0.8 million gain on sale was deferred and will be recognized as the capital lease property is depreciated. Rental expense was approximately \$12,000 and \$13,000 for the years ended December 31, 2017 and 2018, respectively.

On August 4, 2006, the Company entered into an agreement to lease several radio towers for one radio station in Boca Raton, FL from BFT. The lease agreement expires on April 30, 2021. On November 17, 2015, two of the towers were sold to an unrelated party and BFT prepaid rent of \$0.7 million on behalf of the Company to the unrelated party. The prepaid rent will be repaid with monthly payments of \$5,500 through November 16, 2025. Repayments of prepaid rent to BFT were \$0.1 million for each of the years ended December 31, 2017 and 2018. Lease payments for the remaining towers are currently offset by the partial recognition of a deferred gain on sale from the sale of these towers to BFT in 2006, therefore no rental expense was reported for these towers for the years ended December 31, 2017 and 2018.

The Company leases radio towers for 19 radio stations in various markets from BFT. The lease agreements expire on various dates through December 28, 2020. Rental expense was \$0.4 million for each of the years ended December 31, 2017 and 2018.

Beasley and other family members of George G. Beasley. The lease agreement expires on August 31, 2019. Rental expense was \$0.2 million for each of the years ended December 31, 2017 and 2018.

*GGB Las Vegas, LLC*

The Company leases property for its radio stations in Las Vegas, NV from GGB Las Vegas, LLC which is controlled by George G. Beasley. The lease agreement expires on December 31, 2023. Rental expense was \$0.2 million for each of the years ended December 31, 2017 and 2018.

*LN2 DB, LLC*

On March 25, 2011, the Company contributed \$250,000 to Digital PowerRadio, LLC (now LN2 DB, LLC) in exchange for 25,000 units or approximately 20% of the outstanding units. The Company contributed an additional \$62,500 on February 14, 2012, \$104,167 on July 31, 2012, \$104,167 on April 10, 2013, \$104,167 on April 4, 2014, \$166,667 on April 3, 2015, and \$166,667 on May 3, 2016. On February 22, 2017, the Company contributed \$150,000 to LN2 DB, LLC in exchange for a note bearing interest at 18% per annum. On June 18, 2018, the note receivable and accrued interest due from LN2 DB, LLC totaling \$187,618 was converted to additional equity in LN2 DB, LLC, and the Company contributed an additional \$150,000. The Company may be called upon to make additional pro rata cash contributions to LN2 DB, LLC in the future. LN2 DB, LLC is managed by Fowler Radio Group, LLC which is partially owned by Mark S. Fowler, an independent director of the Company. In June 2018, George G. Beasley, Caroline Beasley, Bruce Beasley, Brian Beasley and other family members also invested in LN2 DB, LLC under a recapitalization plan. Subsequent to the transactions above, the Company continues to maintain its ownership interest at approximately 20% of the outstanding units.

*Wintersrun Communications, LLC*

On December 31, 2015, the Company sold the tower for one radio station in Charlotte, NC to Wintersrun Communications, LLC, which is partially held by a trust for the benefit of Caroline Beasley, Bruce G. Beasley, Brian E. Beasley and other family members of George G. Beasley and partially owned directly by Bruce G. Beasley and Brian E. Beasley, for \$0.4 million then leased the tower back under an agreement which expires on December 31, 2025. The lease met the criteria to be recorded as a capital lease however, based on the terms of the lease agreement, the \$0.3 million gain on sale was deferred and will be recognized as the capital lease property is depreciated. Rental expense was \$0.1 million for each of the years ended December 31, 2017 and 2018.

The Company leased a radio tower for one radio station in Augusta, GA from Wintersrun. On October 16, 2015, the tower was sold to an unrelated party and Wintersrun prepaid rent of \$0.3 million on behalf of the Company to the unrelated party. The prepaid rent will be repaid with monthly payments of \$2,559 through October 16, 2025. Repayments of prepaid rent to Wintersrun were approximately \$31,000 for each of the years ended December 31, 2017 and 2018.
