Item Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a
2.03 Registrant.

On September 17, 2008, the Registrant entered into a direct financial obligation with the Steven G. Mihaylo Trust, as restated, dated December 13, 2001 the (“Mihaylo Trust”) whereby the Registrant, by way of the execution of a convertible debenture in favor of the Mihaylo Trust, has received a working capital facility of up to \$1,500,000 (the “Debenture”).

The working capital facility will be used by the Registrant for general working capital purposes including, specifically, funds to enable the Registrant to commence the commercial production and sale of its patented FORTIS™ line of electric tankless water heaters, as well as the certification and commercialization of a suite of products utilizing its patented Paradigm™ technology.

The Debenture provides that the Registrant may draw up to \$1,500,000 during the term of the Debenture that expires on September 16, 2013 (the “Maturity Date”). The Registrant has agreed to pay interest on any outstanding principal amount under the Debenture at the rate of 10% per annum, compounded annually from the date of each draw, and payable on the Maturity Date.

The Registrant has reserved the right to prepay the Debenture without penalty upon the giving of Notice. The Mihaylo Trust has received the right to convert, at any time, all or any portion of the Debenture into shares of common stock of the Registrant at the conversion rate of \$0.25 per share (subject to adjustment in the event of certain corporate restructuring events as described in the terms of the Debenture). All such shares of common stock to be issued pursuant to such conversion shall be restricted securities and thus will not be registered under the Securities Act of 1933.

The entire unpaid and unredeemed balance of the Debenture and all interest accrued and unpaid shall, at the election of the Mihaylo Trust, be and become immediately due and payable upon the occurrence of certain events of default including: (a) the non-payment by the Registrant when due of principal and interest or of any other payment as provided in the Debenture; (b) if the Registrant, excluding any subsidiary or affiliate thereof (i) applies for or consents to the appointment of, or if there shall be a taking of possession by, a receiver, custodian, trustee or liquidator for the Registrant or any of its property; (ii) becomes generally unable to pay its debts as they become due; (iii) makes a general assignment for the benefit of creditors or becomes insolvent; (iv) files or is served with any petition for relief under the Bankruptcy Code or any similar federal or state statute; or (v) defaults with respect to any evidence of indebtedness or liability for borrowed money, or any such indebtedness shall not be paid as and when due and payable, and (c) any failure by the Registrant to issue and deliver shares of common stock as provided in the Debenture.

As of the date of this Report the Registrant has drawn \$400,000 under the Debenture facility.
