The purpose of the Amended LTIP is to enhance shareholder value by linking the compensation of directors, officers and key employees to increases in the price of Company stock and achievement of other performance objectives, and to encourage ownership in the Company by key employees whose long-term employment is considered essential to the Company's continued progress and success. The Amended LTIP is also intended to assist in the recruitment of new employees and to motivate, retain and encourage such personnel to act in the shareholders' interest and share in the Company's success. The Amended LTIP provides for grants in the form of stock options, stock appreciation rights, stock awards (including restricted shares and restricted share units), other stock-based awards and cash awards. No more than 13 million shares may be issued under the Amended LTIP, subject to other limitations on certain types of awards. The Amended LTIP is administered by the Compensation and Management Development Committee of the Board of Directors with respect to awards to employees and by the Corporate Governance and Nominating Committee with respect to awards to directors.

For further information on the terms of potential awards and the other provisions of the Amended LTIP, including the effects of termination of employment and change of control of the Company, see the text of the Amended LTIP, which is filed as an appendix to the Company's definitive proxy statement for the 2017 Annual Meeting of Shareholders and incorporated herein by reference.
