Safe Harbor for Forward-Looking Statements

Exhibit 99.1 furnished with this Form 8-K contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include statements concerning unconstrained industry demand in the December quarter and the industry's ability to meet that demand; the impact of the flooding in Thailand on the industry and the Company's business in the December quarter and beyond, including the Company's HDD capacity, planned operations recovery efforts and the costs and expenses incurred in connection with these efforts, and the Company's ability to complete these recovery efforts; the expected completion and the timing of the planned acquisition of Hitachi GST; growth opportunities in the industry; the Company's product offerings in the near-line enterprise market; OEM inventory levels; and the Company's financial results expectations for the December quarter, including revenue, gross margin, expenses, tax rate, share count, and loss per share. These forward-looking statements are based on management's current expectations and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied in the forward-looking statements, including the impact of continued uncertainty and volatility in global economic conditions; supply and demand conditions in the hard drive industry; the extent of damage to the Company's and suppliers' facilities and equipment related to the flooding in Thailand; uncertainties about the timeframe for the flood waters receding and the restoration of the Company's operations in Thailand as well as associated costs for such restoration; uncertainties concerning the availability and cost of commodity materials and specialized product components; delays in or failure to obtain any required regulatory approvals with respect to the Company's planned acquisition of Hitachi GST, or failure to consummate or delay in consummating the transaction for other reasons; actions by competitors; unexpected advances in competing technologies; uncertainties related to the development and introduction of products based on new technologies and expansion into new data storage markets; business conditions and growth in the various hard drive markets; pricing trends and fluctuations in average selling prices; and other risks and uncertainties detailed in the Company's filings with the Securities and Exchange Commission (the "SEC"), including the Company's recent Form

10-K filed with the SEC on August 12, 2011, to which your attention is directed. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof, and the Company undertakes no obligation to update these forward-looking statements to reflect subsequent events or circumstances.
