ITEM 1.01. Entry into a Material Definitive Agreement.

On February 14, 2005 Chembio Diagnostic Systems, Inc., a wholly owned subsidiary of Chembio Diagnostics, Inc., entered into a License and Technology Transfer Agreement with Prionics AG, Zurich, Switzerland. Prior to this agreement, in March of 2004, Chembio Diagnostic Systems, Inc. and Prionics AG entered into a Manufacturing and Supply Agreement (the "Supply Agreement"), whereby Chembio was engaged by Prionics as one of the manufacturers of the Prionics Check PrioSTRIP test.

Below, please find a summary of the material terms of the License Agreement between Chembio Diagnostic Systems, Inc. ("Licensor") and Prionics AG ("Licensee")

Licensed Technology Licensor's Standard Operating Procedures and quality control protocol required for small and large scale production (equal to or greater than 1,000 kits) of freeze-dried latex conjugate and buffers ("Technology").

License Grant Exclusive right to Licensee to: (a) make, use, sell, offer for sale, market and distribute, the Technology in connection with or otherwise relating to Licensee's products for BSE and TSE testing, as improved or modified from time to time (the "Products"); (b) modify, adapt, test, alter and produce the Technology and (c) conduct internal research projects using the Technology.

Term The Agreement continues until terminated by a party upon the occurrence of certain events.

Milestone Payments Licensee shall pay to Licensor up to \$500,000 to be paid during the initial Technology transfer period.

Royalty Payments Greater of (i) a percentage of the per Product sales price for each Product sold by Licensee or any affiliate thereof, that incorporates all of the Technology, any Improvement or any portion thereof (not to exceed a maximum amount per test) and (ii) A minimum amount per Product sold ("Royalty" or "Royalties"), up to a maximum of \$1,500,000 (the "Maximum Royalty"). Royalty paid by Licensee on a quarterly basis until the Maximum Royalty is reached.

Discount Royalty During the initial 12 month period following the approval by the European Commission of the manufacture, sale and distribution of Products, the Royalty paid in connection with the sale of Products manufactured by Licensor and sold to Licensee pursuant to the Supply Agreement shall be reduced by 50%.

Upon completion of the initial 12 month period Licensee may pay Licensors the remaining 50%. If the remaining 50% is paid, for each \$25,000 paid to Licensors, Licensee shall be issued a warrant, exercisable for the purchase of 12,500 shares of common stock of Chembio Diagnostic, Inc. at an exercise price of \$0.70 per share. Each warrant shall be exercisable at any time during the 5 year period following the issuance thereof and shall grant Licensee standard piggyback registration rights for the shares of common stock issued upon exercise of such warrant.

After completion of the initial 12 months after European Commission approval, Licensee is required to make a one time election, effective for the balance of the term of the Agreement, to either (i) pay the full amount of Royalties to Licensors during the remaining term of the agreement, or (ii) pay Royalties on Products manufactured by Licensors and sold to Licensee pursuant to the Supply Agreement at the rate of 50% of what the Royalty rate is otherwise. If Licensee elects to pay the full Royalty, then for each \$25,000 paid to Licensors it shall receive a warrant exercisable for 12,500 shares of common stock of Chembio Diagnostic, Inc., at the per share exercise price equal to 108% percent of the average of the closing bid prices of one share of common stock for the 30 trading days prior to exercise. The aggregate number of shares of common stock of Chembio Diagnostic, Inc. issuable upon exercise of all of the warrants issued to Licensee shall be 750,000.

Shelf Life Adjustment In the event that the Shelf Life of the Technology is less than 12 months: (a) Licensee shall continue to have the license rights granted to it under this Agreement, (b) Licensors shall be entitled to retain the Milestone Payments, (c) Licensors shall pay to Licensee an amount equal to the Royalty payments previously paid by Licensee pursuant to this Agreement, (d) Licensee shall not be required to pay any additional Royalties during the Term and (e) Licensee shall return to Licensors all of the warrants previously issued to it, and no additional warrant shall be issued thereunder.

In the event that the Shelf Life is less than 14 months, but greater than 12 months: (a) Licensee shall continue to have the license rights granted to it under this Agreement, (b) Licensors shall be entitled to retain the Milestone Payments, (c) Licensors shall pay to Licensee an amount equal to 50% of the Royalty payments previously paid by Licensee pursuant to this Agreement, (d) the cumulative amount of Royalties Licensee shall be required to pay to Licensors hereunder shall be reduced by 50% and (e) Licensee shall return to Licensors one-half of the warrants issued to it, and any additional warrants to be issued to Licensee shall be reduced by 50%.

In the event Licensors remedies the Shelf Life failure so that the Technology has a Shelf Life of 14 months or more, the Royalties required to be paid shall return to the amounts required to be paid prior to the Shelf Life failure and the Licensee shall again be permitted to receive warrants.

Technical Services In consideration of the payment of \$5,000 per month, plus reimbursement of reasonable expenses, Licensors shall provide Licensee with reasonable telephonic or electronic mail technical service and support on an as needed basis during the 6 month period following the completion of the Technology transfer. Licensee is permitted to terminate this at any time.

The forgoing description of the License and Technology Transfer Agreement does not purport to be complete and is qualified in its entirety by reference to the License and Technology Transfer Agreement, which is filed as exhibit 10.1 and is incorporated herein by reference.
