Furniture Brands International, Inc

Summary Financial Data

We acquired an approximately 261,057 square foot single-tenant distribution center located in Hickory, North Carolina (the DH Hickory Property) on February 24, 2006. The DH Hickory Property was constructed in 1963 on an approximately 30.26 acre site located in Hickory, North Carolina. The DH Hickory Property is 100% leased to Drexel Heritage Furniture Industries, Inc. (Heritage), a wholly-owned subsidiary of Furniture Brands International, Inc. (Furniture Brands), which guarantees the lease. Pursuant to the lease, the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the DH Hickory Property was approximately \$4.3 million, exclusive of closing costs. The acquisition was funded by net proceeds from our ongoing public offering and an approximately \$3.4 million loan secured by the DH Hickory Property.

Heritage operates a chain of furniture stores throughout the United States and internationally. Heritage is a wholly-owned subsidiary of Furniture Brands. Furniture Brands has a Standard and Poor's credit rating of BBB and is publicly traded on the New York Stock Exchange under the symbol FBN.

Because the DH Hickory property is leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lease guarantor, Furniture Brands, are more relevant to investors than the financial statements of the property acquired. As a result, pursuant to guidance provided by the Securities and Exchange Commission (SEC), we have not provided audited financial statements of the property acquired.

Furniture Brands currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Furniture Brands has been taken from its previously filed public reports:
