PROPOSAL NO. 1

ELECTION OF DIRECTORS

There are currently six seats on the Board of Directors, four of which are currently vacant. The Board is currently divided into three classes of directors, each class serving staggered three-year terms. Directors hold their positions until the annual meeting of the shareholders in the year in which their term expires and until their respective successors are elected and qualified or until their earlier resignation, removal from office, or death.

5

Three directors are to be elected to serve until the next annual meeting of the shareholders in the year in which their term expires and until their successors are elected and qualified. The Board of Directors has nominated Hans Beyer, John Giordano, and Dale Phillips to serve as directors (the "Nominees"). Mr. Christopher Portner is currently serving as a director and will resign promptly at the special meeting. Messrs. Beyer and Phillips currently have no role with the Company. Mr. Giordano is a shareholder in Bush Ross, P.A., which serves as legal counsel to the Company in corporate and securities matters. The

Edgar Filing: CYTATION CORP - Form PRER14C

Board of Directors has no reason to believe that any Nominee will be unable to serve or decline to serve as a director. Any vacancy occurring between shareholders' meetings, including vacancies resulting from an increase in the number of directors, may be filled by the Board of Directors. A director elected to fill a vacancy shall hold office until the next annual shareholders' meeting in the year in which the term expires.

PROPOSAL NO. 2

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED PREFERRED STOCK

The Company's directors propose an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of preferred stock, par value \$.01 per share, from 1,140,000 to 10,000,000 shares of preferred stock, par value \$.01 per share.

PURPOSE OF INCREASING THE COMPANY'S AUTHORIZED SHARES OF PREFERRED STOCK GENERAL CORPORATE PURPOSE

The Company's directors believe that it is desirable to have additional shares of preferred stock available for other possible future financing, possible future acquisition transactions, stock dividends, stock splits, and other general corporate purposes. The Company's directors believe that having such additional authorized shares of preferred stock available for issuance in the future should give the Company greater flexibility and may allow such shares to be issued without the expense and delay of a special shareholders' meeting. Although such issuance of additional shares with respect to future financing and acquisitions would dilute existing shareholders, management believes that such transactions would increase the value of the Company to its shareholders.

The Company has plans to issue additional preferred stock in the future to institutional or accredited investors in an offering exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(2) of that Act for transactions not involving a public offering and Rule 506 promulgated by the United States Securities and Exchange Commission under the Securities Act of 1933, as amended. A vote to increase the authorized preferred stock will facilitate the Company's ability to issue additional capital stock. Such future issuances will likely dilute current shareholders' ownership interests in the Company.

AMENDMENT TO CERTIFICATE OF INCORPORATION

The amendment to the Company's Certificate of Incorporation provides for the authorization of 8,860,000 additional shares of the Company's preferred stock.

The amendment to the Company's Certificate of Incorporation shall be filed with the Delaware Secretary of State so that Article Fourth of the Certificate of Incorporation shall be changed as follows. The first sentence of Article Fourth shall be deleted in its entirety and substituted with the following:

"FOURTH: The total number of shares of stock that the Corporation shall have

authority to issue shall be 110,000,000 shares, consisting of (i) 100,000,000 shares of Common Stock, \$.001 par value per share ("Common Stock"), and (ii) 10,000,000 shares of Preferred Stock, \$.01 par value per share ("Preferred Stock")."

Edgar Filing: CYTATION CORP - Form PRER14C

ADVANTAGES AND DISADVANTAGES OF INCREASING AUTHORIZED SHARES

There are certain advantages and disadvantages of voting for an increase in the Company's authorized preferred stock. The advantages include:

- The ability to raise capital by issuing capital stock under the transactions described above or other financing transactions.
- To have shares of preferred stock available to pursue business expansion opportunities, if any.

The disadvantages include:

- Dilution to the existing shareholders, including a decrease in our net income per share in future periods. This could cause the market price of our stock to decline.
- The issuance of authorized but unissued stock could be used to deter a potential takeover of the Company which might otherwise be beneficial to shareholders by diluting the shares held by a potential suitor or issuing shares to a shareholder who will vote in accordance with the desires of the Company's Board of Directors at that time. A takeover may be beneficial to independent shareholders because, among other reasons, a potential suitor may offer such shareholders a premium for their shares of stock compared to the then-existing market price. The Company does not have any plans or proposals to adopt provisions or enter into agreements which may have material anti-takeover consequences.

NOTICE OF INTEREST OF SENIOR MANAGEMENT OF DEER VALLEY

If Deer Valley remains profitable, certain members of the senior management of Deer Valley will receive substantial additional payments from the acquisition of Deer Valley. Increasing the number of authorized shares of the Company's preferred stock will facilitate this transaction. For more information, please see "Certain Relationships And Related Transactions," "Change in Control," and "Off-Balance Sheet Arrangements" below.

PROPOSAL NO. 3

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED COMMON STOCK

The Company's directors propose an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of common stock, par value \$.001 per share, from 2,000,000 to 100,000,000 shares of common stock, par value \$.001 per share.

PURPOSE OF INCREASING THE COMPANY'S AUTHORIZED SHARES OF COMMON STOCK

CONVERSION OR EXERCISE OF DERIVATIVE SECURITIES

The Company's directors believe that it is desirable to have additional shares of common stock available in order to facilitate the conversion or exercise of derivative securities which are convertible to common stock, such as the Company's convertible preferred stock.

The Company does not currently have sufficient common stock to satisfy the conversion provisions of its outstanding convertible securities. The Company does not currently have any plans to issue common stock, other than in exchange for its convertible securities.

Edgar Filing: CYTATION CORP - Form PRER14C

GENERAL CORPORATE PURPOSE

The Company's directors believe that it is desirable to have additional shares of common stock available for other possible future financing, possible future acquisition transactions, stock dividends, stock splits, and other general corporate purposes. The Company's directors believe that having such additional authorized shares of common stock available for issuance in the future should give the Company greater flexibility and may allow such shares to be issued without the expense and delay of a special shareholders' meeting.

7

Although such issuance of additional shares with respect to future financing and acquisitions would dilute existing shareholders, management believes that such transactions would increase the value of the Company to its shareholders.

AMENDMENT TO CERTIFICATE OF INCORPORATION

The amendment to the Company's Certificate of Incorporation provides for the authorization of 98,000,000 additional shares of the Company's common stock.

The amendment to the Company's Certificate of Incorporation shall be filed with the Delaware Secretary of State so that Article Fourth of the Certificate of Incorporation shall be changed as follows. The first sentence of Article Fourth shall be deleted in its entirety and substituted with the following:

"FOURTH: The total number of shares of stock that the Corporation shall have

authority to issue shall be 110,000,000 shares, consisting of (i) 100,000,000 shares of Common Stock, \$.001 par value per share ("Common Stock"), and (ii) 10,000,000 shares of Preferred Stock, \$.01 par value per share ("Preferred Stock")."

ADVANTAGES AND DISADVANTAGES OF INCREASING AUTHORIZED SHARES

There are certain advantages and disadvantages of voting for an increase in the Company's authorized common stock. The advantages include:

- The ability to raise capital by issuing capital stock under the transaction described above or other financing transactions.
- To have shares of common stock available to pursue business expansion opportunities, if any.

NOTICE OF INTEREST OF SENIOR MANAGEMENT OF DEER VALLEY

Increasing the number of authorized shares of the Company's common stock will facilitate this transaction. For more information, please see "Certain Relationships And Related Transactions," "Change in Control," and "Off-Balance Sheet Arrangements" below.

Charles G. Masters, the current President of Cytation, and several potential investors met with the officers and principals of Deer Valley Homebuilders, Inc. during the fall 2004 for the purpose of exploring a variety of potential investment relationships in or with Deer Valley Homebuilders, Inc. Over the course of the next year, numerous possible relationships were discussed primarily by Mr. Masters and Joel S. Logan II, the President of Deer Valley. The founders of Deer Valley desired to be bought out by an acquisition company, preferably public, but also desired to continue to operate the company. Toward this end, Mr. Masters formed Deer Valley Acquisitions Corp. in July of 2005. The aforementioned discussions ultimately led to an agreement for Deer Valley Acquisitions Corp. to purchase 100% of the outstanding shares of Deer Valley. This agreement was formalized as the Securities Purchase and Share Exchange Agreement. Subsequent to the signing of the document, DVA negotiated a merger with Cytation Corporation, and entered into an agreement with Midtown Partners to raise approximately \$7,500,000 from accredited investors to allow the consolidated Cytation/DVA to fulfill the cash obligations of the Securities Purchase and Share Exchange Agreement. The entire transaction was completed as a series of contemporaneous closings which occurred January 18, 2006 and which are more fully described under "Change in Control and Acquisition" below. During the past two years, other than the negotiations described above, there were no

Edgar Filing: CYTATION CORP - Form PRER14C

negotiations, transactions, or material contracts between Cytation Corporation and Deer Valley Homebuilders, Inc.

In connection with the Securities Purchase and Share Exchange Agreement, on January 18, 2006, the Company issued to Vicis Capital Master Fund, Inc. (the "Lender") an Interest Bearing Non-Convertible Installment Promissory Note, in the original principal amount of One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000), together with interest accruing thereon at an annual rate of twelve percent (12%) per annum (the "Promissory Note"). The Lender also owns Series A Preferred Stock, Series A Common Stock Purchase Warrants, and Series B Common Stock Purchase Warrants.

13

In March 2006, the Lender agreed to convert the Promissory Note into 150,000 shares of Series A Preferred Stock, Series A Common Stock Purchase Warrants entitling the holder to purchase 2,000,000 shares of Common Stock at an exercise price of one dollar and fifty cents (\$1.50) per share, and Series B Common Stock Purchase Warrants entitling the holder to purchase 1,000,000 shares of Common Stock at an exercise price of two dollars and twenty five cents (\$2.25).

In connection with the Capital Stock Purchase Agreement, DVA entered into the Earnout Agreement, pursuant to which, additional payments may be paid to the former owners of Deer Valley Homebuilders, Inc., as an earnout, based upon the net income before taxes of Deer Valley Homebuilders, Inc. Joel Stephen Logan, II, the President and General Manager of Deer Valley Homebuilders, Inc., Charles L. Murphree, Jr., the Vice President and Regional Sales Director of Deer Valley Homebuilders, Inc., and John Steven Lawler, Director of Finance of Deer Valley Homebuilders, Inc., are each a party to the Earnout Agreement.

Pursuant an oral consulting agreement with Ranger Industries, Inc., Cytation paid, in two installments on January 30, 2006 and February 8, 2006, a \$100,000 consulting fee to Ranger Industries, Inc., as payment in full, for services rendered. Ranger Industries, Inc. is controlled by Charles G. Masters, the Chief Executive Officer & President of Cytation Corp.

On January 25 2006, the Company approved Deer Valley entering into a Sales Contract with Steve J. Logan to purchase real property located at 7668 Highway 278 in Sulligent, Alabama (the "Sulligent Property"). On April 18, 2006, Deer Valley purchased the Sulligent Property from Steve J. Logan. The Sulligent Property consists of a 65,992 square foot manufacturing plant located on approximately 13 acres of land. The Company paid the purchase price for the Sulligent Property of \$725,000, in cash. Deer Valley obtained the funds for the purchase price of the Sulligent Property from its revolving line of credit described below under the heading "Financing." Prior to acquiring the Sulligent Property, Deer Valley's plant on the Sulligent Property operated, beginning on February 20, 2006, under a short-term lease. Steven J. Logan is father of Deer Valley's President and General Manager, Joel Logan. The purchase of the Sulligent Property was approved by the disinterested members of Deer Valley's Board of Directors and the Chief Executive Officer of Cytation Corporation.

14

The disinterested members of the board of Deer Valley have approved a consulting agreement between Deer Valley and Steve J. Logan, the father of Joel Stephen Logan, II, a Member of the Board of Directors, President, and General Manager of Deer Valley. Under the consulting agreement, Mr. Logan agreed to remain as a personal guarantor on a loan on the Guin property and to provide real estate consulting services from time to time, as requested. Deer Valley, in

return, agreed to pay Mr. Logan \$5,000 per month for five years and to assume the mortgage on the Guin property. Mr. Logan's personal guaranty allowed Deer Valley to obtain a materially lower interest rate than it would have otherwise been able to obtain. There are no specific minimum hours which Mr. Logan must work. There are no enforcement provisions available to Deer Valley, should Mr. Logan refuse to provide consulting services. To date, the number of consulting hours Mr. Logan has provided has been nominal

Christopher Phillips and other Series B Preferred Stockholders have an ownership interest in Midtown Partners.

CORPORATE GOVERNANCE

AUDIT COMMITTEE

With the resignations of Messrs. Richard A. Fisher, Kevin J. High, Richard Parke, and John J Gilece, Jr. from the Board of Directors, we do not currently have an audit committee, but one will be appointed as the current year progresses. The board member who is currently performing the equivalent functions of an audit committee is Charles G. Masters, who has not been determined to be an "audit committee financial expert."

AUDIT COMMITTEE FINANCIAL EXPERT

We do not currently have an "audit committee financial expert" as defined under Item 401(e) of Regulation S-B. As discussed above, our Board of Directors plans to form an Audit Committee and is actively seeking to appoint an individual to the Board of Directors and the Audit Committee who would be deemed an audit committee financial expert and who would be independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A.

AUDIT COMMITTEE CHARTER

The Board of Directors has not adopted a written audit committee charter.

NOMINATING COMMITTEE

The Company does not currently have a standing Nominating Committee. The Company feels that it is appropriate not to have a standing Nominating Committee due to the size of the Company. Currently, the Board of Directors, as a whole, recommends candidates who will be nominated as management's slate of directors at each annual or special meeting of the shareholders. In connection with selecting candidates for nomination to the Board of Directors, including any nominees recommended by security holders, the Board of Directors (1) reviews compliance by security holders with the Company's nominating procedures contained in the Bylaws; (2) reviews information assembled for the purpose of selecting candidates for nomination to membership on the Board of Directors, taking into account the skills and characteristics reflected in the then-current Board members, and identifies any particular qualifications necessary to augment the skills, expertise and experience represented on the Board; and (3) following appropriate investigation, ascertains the willingness of selected candidates to serve and extends invitations to become candidates.

In identifying candidates for membership on the Board of Directors, the Board takes into consideration all of the factors that it considers appropriate, which may include diversity, knowledge of the Company's business and other related industries, skills, and experience of the nominee in the context of the needs of the Board as a whole. Nominees are selected who have the highest personal and professional integrity, as well as demonstrated abilities, and whom

Edgar Filing: CYTATION CORP - Form PRER14C

the Board believes will best serve the long-term interests of the stockholders. The Board considers recommendations from stockholders, directors and officers, in light of upcoming elections and actual or expected Board vacancies. All

15

candidates, including those recommended by shareholders, are evaluated using the same criteria. The Board of Directors has not adopted a written charter for a Nominating Committee. Due to the size of the Company, the Board of Directors does not currently have a formal procedure to be followed by security holders in submitting recommendations or nominations for candidates for the Board of Directors. Security holders may submit such recommendations or nominations directly to the Board of Directors at the Company's address, listed on this Information Statement.

The Board has determined that none of the current members of the Board of Directors are independent within the meaning of the listing standards of NASDAQ.

COMPENSATION COMMITTEE

The Company does not have a formal Compensation Committee. The Board of Directors, acting as a Compensation Committee, meets to discuss and deliberate on issues surrounding the terms and conditions of executive officer compensation, including base salaries, bonuses, awards of stock options, and reimbursement of certain business-related costs and expenses.

BOARD MEETINGS

Directors are expected to attend the Company's Annual Board Meeting, and all or substantially all Board meetings and meeting of the committees, if any, on which they serve. Occasionally, unforeseen circumstances may prevent a director from attending. All Board members attended the most recent annual meeting.

There were two telephonic board meetings of the Board of Directors in 2005 with all five directors in attendance. The board acted nine times in 2005 by unanimous consent. No incumbent directors attended fewer than seventy-five percent of the aggregate of the total number of meetings of the board of directors (held during the period for which they have been directors) and the total number of meetings held by all committees of the board on which they served (during the periods which they served).

SHAREHOLDER COMMUNICATION WITH THE BOARD

At such time as the Company shall appoint a Corporate Secretary, shareholders and other parties interested in communicating with any director may do so in care of the Company's Corporate Secretary by phone or written correspondence pursuant to the contact information contained in this Information Statement. The Corporate Secretary shall review all correspondence and shall regularly forward all correspondence to the designated board member or, in the case of correspondence directed to the Board as a group, to the Chairman of the Board (except that the Corporate Secretary will not forward commercial correspondence or duplicative correspondence, except that copies will be maintained of all such correspondence). A written log of all correspondence will be maintained by the Corporate Secretary. All correspondence from the shareholders relating to accounting, internal controls, or auditing matters will be forwarded to appropriate parties in accordance with procedures developed by the Board with respect to such matters. Until the Company appoints a Corporate Secretary, shareholders or other parties interested in communicating with any director may do so in care of Charles G. Masters, the Company's Chief Executive Officer, President, and Director, who shall record and forward all

Edgar Filing: CYTATION CORP - Form PRER14C

correspondence in the manner described above.
