PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MARCH 22, 2011

General

The accompanying proxy is solicited on behalf of the Board of Directors of Multimedia Games, Inc., a Texas corporation, for use at our 2011 annual meeting of shareholders. The annual meeting will be held on Tuesday, March 22, 2011, at 10:00 a.m. local time, at our corporate office, located at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746.

This Proxy Statement and the enclosed proxy card are being mailed on or about February 9, 2011 to all shareholders entitled to vote at the annual meeting.

Voting by proxy

You may vote at the annual meeting by completing, signing and returning the enclosed proxy card, or by properly following the instructions for telephone or Internet voting set forth on the proxy card. If not revoked, your proxy will be voted at the annual meeting in accordance with your instructions marked on the proxy card or properly provided by Internet or telephone. If you fail to mark your proxy with instructions, your proxy will be voted as follows:

- § FOR the election of the seven nominees for director listed in this Proxy Statement;
- § FOR the proposed amendment to the Articles of Incorporation which will allow the Company to redeem shares of its capital stock that are owned by shareholders that are found to be unsuitable shareholders for gaming regulatory purposes;
- § FOR the proposed amendment to the Articles of Incorporation to change the name of the Company from “Multimedia Games, Inc.” to “Multimedia Games Holding Company, Inc.”;
- § FOR the compensation of our named executive officers;
- § FOR the annual consideration by our shareholders of the compensation of named executive officers; and
- § FOR the ratification of the appointment of BDO USA, LLP, as our independent registered public accountants for our fiscal year ending September 30, 2011.

As to any other matter that may be properly brought before the annual meeting, your proxy will be voted as our Board of Directors may recommend. If our Board of Directors makes no recommendation, your proxy will be voted as the proxy holders named in your proxy card deem advisable. As of the date of this Proxy Statement, our Board of Directors does not know of any other matter that is expected to be presented for consideration at the annual meeting.

Broker non-votes

A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in “street name”) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. The ratification of auditors is a routine matter. The other matters to be addressed at the annual

meeting, including the election of directors, the approval of the amendments to the Company's Articles of Incorporation, and the approval of matters related to executive compensation are non-routine matters.

You may revoke your proxy and give a new proxy or vote in person

You may revoke your proxy at any time prior to the voting of that proxy. To revoke a prior proxy, you must do one of the following:

- § Deliver a properly executed proxy of a later date;
- § Deliver an executed, written notice of revocation to the Inspector of Elections, at our principal executive offices, 206 Wild Basin South, Building B, Fourth Floor, Austin, Texas 78746; or
- § Attend the annual meeting and vote in person at the meeting.

Voting and quorum requirements at the meeting

The specific proposals to be considered and acted upon at the annual meeting are summarized in the accompanying notice and are described in more detail in this Proxy Statement. Only holders of record of shares of our common stock on January 22, 2011, or the record date, are entitled to notice of and to vote at the annual meeting. On the record date, there were _____ shares of our common stock outstanding and no shares of our preferred stock outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder on the record date.

In order to have a meeting, it is necessary that a quorum be present. A quorum will be present if a majority of the shares of common stock are represented at the annual meeting in person or by proxy. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will not be counted as having voted either for or against a proposal.

With respect to Proposal One, our bylaws provide that in an uncontested election, directors will be elected by a majority vote, meaning that a nominee will be elected to our Board of Directors if the number of votes cast “for” such nominee's election exceeds the number of votes cast “against” such nominee's election.

Any nominee who is not currently a member of our Board of Directors and who receives a greater number of votes “against” his or her election than “for” his or her election will not be elected to our Board of Directors. Additionally, each nominee who is standing for reelection at the annual meeting has tendered an irrevocable resignation from our Board of Directors that will take effect if the nominee does not receive the required majority vote and our Board of Directors accepts the resignation. If our Board of Directors accepts the resignation, the nominee will no longer serve on our Board of Directors as of the time of such acceptance, and if our Board of Directors rejects the resignation, the nominee will continue to serve until his or her successor has been duly elected and qualified or until his or her earlier disqualification, death, resignation, or removal. See “Corporate Governance — Majority-Voting Standard for Director Elections” on page 10.

For all other matters, if a quorum is present, the following requirements must be met in order to approve the following proposals:

Proposal Vote Required

- Two The affirmative vote of the holders of two-thirds of the outstanding shares of our Common Stock on the record date is required to approve Proposal Two.
- Three The affirmative vote of the holders of two-thirds of the outstanding shares of our Common Stock on the record date is required to approve Proposal Three.
- Four The affirmative vote of the holders of the majority of the shares represented at the meeting and who are entitled to vote on, and who vote for, against, or expressly abstain with respect to Proposal Four.

Five

For the purposes of Proposal Five, which provides for an advisory vote on compensation of our named executive officers every one, two, or three years, the Company will treat the option selected by the plurality of shares present or represented and voting as the option approved by the shareholders.

Six The affirmative vote of the holders of a majority of the shares present or represented and voting at the annual meeting, is required to approve Proposal Six.

All votes will be tabulated by the inspector of election appointed for the annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., a proxy submitted by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter). Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for the transaction of business but will not be counted for purposes of determining whether each proposal has been approved. If your shares are held in the name of a broker, trust bank, or other nominee, and you wish to vote in person at the meeting, you will need to bring a proxy or letter from that broker, trust company, or nominee that confirms that you are the beneficial owner of those shares, and that such broker, trust company, or nominee has not voted those shares in any proxy submitted by it in connection with the annual meeting.

Solicitation of proxies

We are paying for all our costs incurred with soliciting proxies for the annual meeting. In addition to solicitation by mail, we may use our directors, officers and regular employees to solicit proxies by telephone or otherwise. Our directors, officers and regular employees will not be specifically compensated for these services. We will pay persons holding shares of common stock for the benefit of others, such as nominees, brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to the beneficial owner. In addition, we have retained Alliance Advisors, LLC, a proxy solicitation firm, for assistance in connection with the annual meeting at a cost of approximately \$5,000 plus certain fees and reasonable out-of-pocket expenses.

PROPOSAL ONE

ELECTION OF DIRECTORS

Nominees and Vote Required to Elect Nominees

A board of seven directors is to be elected at the annual meeting. Our bylaws provide that in an uncontested election, directors will be elected by a majority vote, meaning that a nominee will be elected to our Board of Directors if the number of votes cast “for” such nominee's election exceeds the number of votes cast “against” such nominee's election. See “Corporate Governance— Majority-Voting Standard for Director Elections” on page 10. You may vote the number of shares of common stock you own for up to seven persons. Unless you otherwise instruct by marking your proxy card, the proxy holders will vote the proxies received by them FOR the election of each of the seven nominees named below. If any of the nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee designated by our present Board of Directors to fill the vacancy. We have no reason to believe that any of the nominees will be unable or unwilling to serve if elected. The term of office of each person elected as a director will continue until the next annual meeting of shareholders or until his successor has been elected and qualified.

The Nominating and Governance Committee has informed current director Anthony M. Sanfilippo he will not be nominated to stand for re-election this year, and he has not objected. In accordance with our bylaws, immediately prior to the Annual Meeting, our Board of Directors will set the size of our Board of Directors at seven members. Following the annual meeting, our Board of Directors may increase the size of our Board of Directors and fill any resulting vacancy or vacancies. If our Board of Directors increases the size of our Board of Directors and elects a new director to fill the resulting vacancy, the new director must stand for election at the next year’s annual meeting.

The following table sets forth the nominees, their ages, their principal positions and the year in which each became a director. Each of the nominees was recommended for selection by the Nominating and Governance Committee and approved by the unanimous vote of our independent directors.

Agreement with Liberation Investments

Mr. Jenkins was originally appointed to our Board of Directors in October 2006, nominated for inclusion on the slate of candidates for election at the 2007 annual shareholders meeting and recommended by our Board of Directors to the shareholders for election at the 2007 annual meeting pursuant to an Agreement dated October 24, 2006, by and among us and Liberation Investments, L.P., a Delaware limited partnership, certain entities affiliated with Liberation Investments, L.P., former director Emanuel Pearlman, an affiliate of Liberation Investments, L.P., and Mr. Jenkins. A copy of the agreement is attached as Exhibit 10.1 to a Current Report on Form 8-K filed by us with the Securities and Exchange Commission, or SEC, on October 26, 2006. The agreement does not require our Board of Directors' nomination of, or recommendation of a vote in favor of, Mr. Jenkins for election as a director at the 2011 annual shareholders meeting, and our Board of Directors' nomination and recommendation of Mr. Jenkins for election as a director at the 2011 annual shareholders meeting has not been made pursuant to any obligation arising under such agreement or any other agreement.

Recommendation of our Board of Directors

Our Board of Directors recommends that the shareholders vote "FOR" the nominees named above.

CORPORATE GOVERNANCE

Determination of Independence

Our Board of Directors has determined that Messrs. Maples, Greathouse, Jenkins, Orlando, Repass, and Stanley each qualify as “independent” directors under applicable Marketplace Rules of the Nasdaq Stock Market, Inc. currently in effect or the Nasdaq Marketplace Rules. Therefore, a majority of the members of our Board of Directors are “independent” as such term is defined in the Nasdaq Marketplace Rules. In addition, our Board of Directors has reviewed and considered facts and circumstances relevant to the independence of such members and has determined that such members are independent.

The independent directors have committed to hold formal meetings, separate from management, at least four times a year.

Meetings of Our Board of Directors

During our fiscal year ended September 30, 2010, our Board of Directors held 21 meetings and acted by unanimous written consent one time. During that period, no director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he was a director, and (ii) the total number of meetings held by all committees of our Board of Directors during the period that he served on such committees.

Committees of Our Board of Directors

Our Board of Directors has three standing committees: the Audit Committee; the Compensation Committee; and the Nominating and Governance Committee. Currently, all of the members of each of our committees are “independent,” as determined by our Board of Directors and in accordance with Nasdaq Marketplace Rules. In addition, each member of the Audit Committee also satisfies the independence requirements of Rule-10A3(b)(1) of the SEC rules promulgated under the Securities Exchange Act of 1934, as amended, or the 1934 Act.

Audit Committee. The Audit Committee is currently comprised of Messrs. Repass, Greathouse, and Maples. Mr. Repass serves as the Chairman of the Audit Committee. The Audit Committee operates under a written charter adopted by our Board of Directors, a current copy of which is located on our website under the “Investor Relations” page of our Internet website located at <http://www.multimedialogames.com>. A copy of the charter will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746. The primary purpose of the Audit Committee is to assist our Board of Directors in monitoring:

- § The integrity of our consolidated financial statements;
- § The independent registered public accountants’ qualifications and independence; and
- § The performance of our independent registered public accountants.

The Audit Committee is also directly responsible for the appointment, compensation, retention, and oversight of the work of our independent registered public accountants, BDO USA, LLP, and the preparation of the Audit Committee Report, which is included elsewhere in this Proxy Statement. Our independent registered public accountants report directly to the Audit Committee.

The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the auditors prior to the filing of all periodic reports under the 1934 Act, and prior to the filing of

officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies, if any, in the design or operation of our internal controls.

All Audit Committee members also possess the level of financial literacy required by all applicable laws and regulations. Our Board of Directors has determined that at least one member of the Audit Committee, Mr. Repass, is a "financial expert," and that Mr. Repass is "independent" as defined by the rules and regulations of the SEC. The Audit Committee Charter has been amended to specifically state all of the Audit Committee responsibilities set forth in Rule 10A-3(b)(2), (3), (4) and (5) of the rules and regulations promulgated under the 1934 Act. The Audit Committee met ten times and acted by unanimous written consent one time during our fiscal year ended September 30, 2010.

Compensation Committee. The Compensation Committee currently is comprised of Messrs. Jenkins, Orlando and Stanley. Mr. Jenkins serves as the Chairman of the Compensation Committee. The Compensation Committee is charged with the responsibility of determining (or recommending to the independent members of our Board of Directors to determine) the compensation of all executive officers, including our Chief Executive Officer, and directors.

All members of the Compensation Committee meet the test for independence set forth in the the NASDAQ Marketplace Rules. The Compensation Committee operates under a written charter adopted by our Board of Directors, a current copy of which is located on our website under the "Investor Relations" page of our Internet website located at <http://www.multimedialogames.com>. A copy of the charter of the Compensation Committee will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746. During our fiscal year ended September 30, 2010, the Compensation Committee met ten times and acted by unanimous written consent one time.

The Compensation Committee has overall responsibility for the approval of executive and director compensation programs that are appropriate, consistent with the Company's compensation philosophy, and support the Company's business goals and objectives. Specifically, the Compensation Committee has authority and responsibility for the review, evaluation and approval of the compensation structure and levels for all of the executive officers. The Compensation Committee also approves all employment, severance, or change-in-control agreements, and special or supplemental benefits or provisions applicable to executive officers. The Compensation Committee is also responsible for reviewing and making periodic recommendations to the Board regarding the compensation of directors.

Each year, the Compensation Committee reviews the compensation recommendations submitted by the Chief Executive Officer. In general, the Chief Executive Officer's recommendations consider the following:

- § Performance versus stated individual and Company business goals and objectives;
- § Internal equity (i.e., considering the pay for similar jobs and jobs at different levels within the Company) and the critical nature of each executive officer to the Company's past and future success;
 - § The need to retain talent; and
- § The compensation history of each executive officer, including the value and number of stock options awarded in prior years.

The Compensation Committee believes that input from management provides useful information and perspective to assist the Committee with the determination of its own views on compensation. Although the Compensation Committee receives information and recommendations regarding the design and level of compensation of the executive officers from management, the Compensation Committee makes the final decisions as to the plan design and compensation levels for these executives.

In making decisions on each executive officer's compensation, the Compensation Committee considers the nature and scope of all elements of the executive officer's total compensation package, the executive officer's responsibilities, and the competitive posture of the executive officer's current compensation. The Compensation Committee also evaluates each executive officer's performance through reviews of objective results (both Company and individual results), reports from the Chief Executive Officer and other senior management regarding the executive's effectiveness in supporting the Company's key strategic, operational and financial goals and, in some cases, personal observation.

The base salary and bonus opportunity of our Chief Executive Officer and our other NEOs, as defined on page 27, are set forth in their respective employment agreements. With respect to the compensation of the Chief Executive Officer, the Compensation Committee is responsible for the periodic review and approval of his total compensation, including annual incentive bonus structure and equity-based incentive compensation. The Compensation Committee

also develops annual performance goals and objectives, and conducts an evaluation of the Chief Executive Officer's performance relative to these goals and objectives. On a discretionary basis the Compensation Committee considers and discusses the Chief Executive Officer's compensation in executive session without the Chief Executive Officer present.

Nominating and Governance Committee. The Nominating and Governance Committee is currently comprised of Messrs. Repass, Maples, Sanfilippo, and Stanley. Mr. Repass currently serves as Chairman of the Nominating and Governance Committee. The primary purpose of the Nominating and Governance Committee is to identify and recommend to our Board of Directors individuals who are qualified to become members of our Board of Directors and the committees of our Board of Directors. The Nominating and Governance Committee is also responsible for recommending to our Board of Directors corporate governance principles, providing oversight of the annual performance review process of our Board of Directors and the committees of our Board of Directors, and facilitating interaction between our management and our Board of Directors and committees of our Board of Directors.

All members of the Nominating and Governance Committee meet the test for independence set forth in the Nasdaq Marketplace Rules. The Nominating and Governance Committee operates under a written charter adopted by our Board of Directors, a current copy of which is located on our website under the "Investor Relations" page of our Internet website located at <http://www.multimediasgames.com>. A copy of the charter of the Nominating and Governance Committee will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin Texas 78746. The Nominating and Governance Committee met three times during our fiscal year ended September 30, 2010.

Director Nominations

Our directors play a critical role in guiding our strategic direction and overseeing the management of our business. The Nominating and Governance Committee's goal is to assemble a Board of Directors that brings to us a variety of perspectives and skills derived from high quality business and professional experience. Board of Director candidates are considered based upon various criteria, such as their business and professional skills and experiences, personal and professional ethics, integrity and values, long-term commitment to representing the best interests of our shareholders and inquisitive and objective perspective and mature judgment. Additionally, director candidates must have sufficient time available to perform all Board of Directors and committee responsibilities. When reviewing potential director candidates, the Nominating and Governance Committee considers the following factors:

- § The appropriate size of our Board of Directors and its committees;
- § The perceived needs of our Board of Directors for individuals with particular skills, background, and business experience;
- § The skills, background, reputation, and business experience of nominees in relation to the skills, background, reputation, and business experience already possessed by other members of our Board of Directors;
 - § Nominees' independence from management;
 - § Nominees' experience with accounting rules and practices;
 - § Nominees' background with regard to executive compensation;
- § Applicable regulatory and listing requirements, including independence requirements and legal considerations, such as antitrust compliance;
 - § The benefits of a constructive working relationship among directors; and
- § The desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Nominating and Governance Committee generally believes that the Board of Directors benefits from diversity of background, experience and views among its members, and considers this as a factor in evaluating the composition of the Board of Directors, but has not adopted any specific policy in this regard. The Nominating and Governance Committee may also consider from time to time, such other factors as it may deem to be in the best interests of our business and shareholders. Other than considering the factors listed above, we have no stated minimum criteria for director nominees. The Nominating and Governance Committee does, however, believe it appropriate for at least one member of our Board of Directors to meet the criteria for an "Audit Committee financial expert" as defined by SEC

rules, and that a majority of the members of our Board of Directors meet the definition of “independent” director under the Nasdaq Marketplace Rules.

The Nominating and Governance Committee will review the qualifications and backgrounds of the current directors, as well as the overall composition of our Board of Directors, and recommend to our full Board of Directors the slate of directors to be nominated for election at the annual meeting of shareholders. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors to determine whether to recommend these directors for re-election. In the case of new director candidates, the questions of independence and financial expertise are important to determine what roles can be performed by the candidate, and the Nominating and Governance Committee determines whether the candidate meets the independence standards set forth in the Sarbanes-Oxley Act of 2002, and SEC and the Nasdaq Marketplace Rules, and the level of the candidate's financial expertise. Candidates for nomination as director come to the attention of the Nominating and Governance Committee from time to time through incumbent directors, management, shareholders, or third parties. These candidates may be considered at meetings of the Nominating and Governance Committee at any point during the year. The evaluation process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Governance Committee.

Pursuant to the Nominating and Governance Committee Charter, the Nominating and Governance Committee will consider nominees recommended by shareholders. Any shareholder wishing to recommend a director candidate for consideration by the Nominating and Governance Committee must provide written notice not later than September 30, 2011, to our Corporate Secretary at 206 Wild Basin Road South, Building B, Fourth Floor, Austin Texas 78746.

Director Attendance at Annual Meetings

Our policy is that all directors attend our annual meetings of shareholders either in person or telephonically. We take great care in scheduling meetings at times when all of our directors are available to attend such meetings either in person or telephonically. At our last annual shareholders meeting, which was held on March 23, 2010, all of our then-current directors attended in-person.

Majority-Voting Standard for Director Elections

Our Bylaws require that we use a majority-voting standard in uncontested director elections and contain a resignation requirement for directors who fail to receive the required majority vote. Under the majority-voting standard, a director nominee should receive more votes cast "for" than "against" his or her election in order to be elected to our Board of Directors. Any nominee who is not currently a member of our Board of Directors and who receives a greater number of votes "against" his or her election than "for" his or her election will not be elected to our Board of Directors. Additionally, in accordance with the majority-voting standard and resignation requirement, each nominee who is standing for reelection at the annual meeting has tendered an irrevocable resignation from our Board of Directors that will take effect if the nominee does not receive the required majority vote and our Board of Directors accepts the resignation. If an incumbent director fails to receive the required vote for re-election, the Nominating and Governance Committee will act on an expedited basis to determine whether to accept the director's resignation and will submit such recommendation for prompt consideration by our Board of Directors. Our Board of Directors expects the director whose resignation is under consideration to abstain from participating in any decision regarding that resignation. The Nominating and Governance Committee and Board of Directors may consider any factors they deem relevant in deciding whether to accept a director's resignation. If our Board of Directors accepts the resignation, the nominee will no longer serve on our Board of Directors, and if our Board of Directors rejects the resignation, the nominee will continue to serve until his or her successor has been duly elected and qualified or until his or her earlier disqualification, death, resignation, or removal.

Each member of any such committee also receives \$400 for each meeting of such committee attended in person and \$200 for each meeting of such committee attended by telephone.

In general, each sitting outside director will receive an option grant on an annual basis for 10,000 shares of common stock that will vest six months from the date of grant, subject to restrictions which prevent the sale of shares issuable

upon exercise of such options. These restrictions on the sale of the underlying shares lapse with respect to 25% of the shares annually.

Our Articles of Incorporation, as amended, limit the personal liability of our directors for breaches of fiduciary duties. Our Bylaws require us to indemnify our directors to the fullest extent permitted by Texas law. We have entered into indemnification agreements with our directors and officers. These indemnification agreements are intended to permit indemnification of our directors and officers to the fullest extent now or hereafter permitted by the Texas Business Organizations Code.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended September 30, 2010, the Compensation Committee of our Board of Directors consisted of Mr. Jenkins, Mr. Orlando and Mr. Stanley. Mr. Stanley filled the vacancy on the Compensation Committee of the Board of Directors caused by Mr. Pearlman's decision not to stand for re-election at the March 23, 2010 meeting of shareholders. None of these individuals has served at any time as an officer or employee of the Company or is an Executive Officer at any company where an Executive Officer of the Company serves on the Compensation Committee.

Board Leadership Structure and Role in Risk Oversight

The Company is managed by a President and Chief Executive Officer that is separate from the Chairman of the Board. The Board of Directors has determined that its leadership structure is effective to create checks and balances between the executive officers of the Company and the Board of Directors. The Board of Directors is actively involved in overseeing all material risks that face the Company. The Board of Directors administers its oversight functions by reviewing the operations of the Company, by overseeing the executive officers' management of the Company, and through its risk oversight process.

Risk Oversight Process

Our Board of Directors has the primary responsibility for risk oversight of the Company as a whole. However, the Board of Directors has delegated primary oversight responsibility to the Audit Committee. The Audit Committee is responsible for overseeing risks associated with financial and accounting matters, including compliance with all legal and regulatory requirements and internal control over financial reporting. In addition, the Audit Committee has oversight responsibility for the Company's overall business risk management process, which includes the identification, assessment, mitigation and monitoring of key business risks on a company-wide basis. To assist the Audit Committee in performing this function, for the last several years, the Audit Committee has engaged the firm of BDO USA, LLP, or BDO, which also serves as the Company's internal auditor, to perform risk assessments. BDO presents a report on its internal audit activities during the prior quarter to the Audit Committee at its regularly-scheduled quarterly meetings. The report includes the audit activities performed the previous quarter, which address the key business risks previously identified during the annual enterprise risk assessment, including evaluations and assessments of internal controls and procedures.

The Board of Directors has also charged the Company's Regulatory Compliance Committee, or the Compliance Committee, with identifying and evaluating situations arising in the course of the Company's business that might adversely affect the objectives of gaming control. Generally speaking, a situation adversely affects the gaming control objectives if it adversely affects the public faith in the ability of any appropriate gaming regulatory system to ensure that licensing gaming is conducted honestly and competitively and that gaming is free from criminal and corruptive elements.

The Compliance Committee is comprised of three members of the Company's Board of Directors, including the Company's President and Chief Executive Officer, and one independent director. The Compliance Committee meets quarterly and reviews and investigates all information, whether brought to the Compliance Committee's attention or discovered by the Compliance Committee, concerning activities that might constitute any event, circumstance or activity that adversely affects the objectives of gaming control or violations of the Company's compliance policies. After review of the information, the Compliance Committee formulates a recommendation to management regarding a course of action to appropriately address the specific event, transaction, circumstance, or situation. Although the Compliance Committee does not have authority to make or override policies, procedures or management decisions of the Company, the Compliance Committee must refer any compliance issues that it feels are not adequately addressed to the Board of Directors for further consideration. The Compliance Committee is not intended to displace either the Board of Directors or the executive officer's decision-making authority, but is intended to be an advisory body to better ensure that the Company's goals of avoiding unsuitable situations and in entering into relationships exclusively with suitable persons remains satisfied.

The Board of Directors has also charged the Company's SEC Disclosure Committee with ensuring that senior management and the Board of Directors are informed about material information regarding the Company's business.

Compensation Risk Assessment

The Compensation Committee and management have considered whether the Company's compensation programs for employees create incentives for employees to take excessive or unreasonable risks that could materially harm the Company. The Compensation Committee believes that our compensation plans are typical for our industry and that risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

PROPOSAL TWO

AMENDMENT TO ARTICLES OF INCORPORATION
TO
PERMIT REDEMPTION OF SHARES HELD BY AN UNSUITABLE SHAREHOLDER

General Information and Securities Affected

The Board of Directors has unanimously approved and recommended the adoption of an amendment to our Articles of Incorporation which will allow us to redeem shares of our capital stock that are owned by shareholders that are found to be unsuitable shareholders for gaming regulatory purposes (the “Unsuitable Shareholder Amendment”).

Purpose of the Proposed Unsuitable Shareholder Amendment

We are subject to a variety of gaming regulations in the jurisdictions in which we operate. In many of such jurisdictions, we are required to make certain filings with gaming regulatory authorities and obtain and maintain various licenses, permits, waivers or other gaming regulatory approvals in order to conduct our business. Gaming regulatory authorities have broad discretion and can require any of our officers, directors or shareholders to make certain filings, be investigated, or be subject to a determination of suitability. Absent unusual circumstances, gaming regulatory authorities rarely require less than 5% shareholders, in some jurisdictions, or less than 10% shareholders, in other jurisdictions, to make filings, be investigated, or be subject to a determination of suitability. Generally, in order to obtain and maintain such licenses, permits, waivers or other gaming regulatory approvals, none of our officers, directors or shareholders may be persons who are deemed unsuitable by a gaming regulatory authority. In the event that any of our officers, directors or shareholders are deemed unsuitable by an applicable gaming regulatory authority, (i) we may be unable to make all gaming regulatory filings that are required in order for the Company to conduct its business in any jurisdiction; (ii) we may be denied a license, permit, waiver or other gaming regulatory approval that is required for the Company to conduct business in any jurisdiction, and (iii) any previously granted license, permit, waiver or other gaming regulatory approval that is required for the Company to conduct business may be revoked, rescinded or terminated by any gaming regulatory authority.

In addition, many of our agreements with many of our gaming establishment customers include or are deemed by statute to include gaming regulatory covenants that require us to make all gaming regulatory filings, to obtain and maintain all licenses, permits, waivers or other gaming regulatory approvals that are required to conduct our business, or to refrain from having any unsuitable persons as officers, directors or shareholders. These agreements often provide the gaming establishment customers with the right to terminate the agreement in the event of a breach of these gaming regulatory compliance covenants.

Many corporations that provide services to gaming establishments and their patrons include provisions in their articles or certificate of incorporation or their bylaws to provide a means by which the corporation can divest an unsuitable shareholder of such shareholder’s ownership interest in the corporation so that the corporation may continue to provide services to gaming establishments and their patrons.

The purpose of Proposal Two is to provide us with a means of protecting the business from having an unsuitable person as a shareholder by providing us with a right to redeem shares of our stock held by an unsuitable person. Pursuant to Section 21.304 of the Texas Business Organizations Code, if a corporation’s articles of incorporation so provide, a corporation may, at any time, by resolution of its board of directors, redeem any or all outstanding shares subject to redemption.

Material Changes to the Capital Stock of the Company

The form of the proposed Unsuitable Shareholder Amendment is attached hereto as Exhibit A and the following description of the proposed Unsuitable Shareholder Amendment is qualified in its entirety by reference to Exhibit A.

Effect on an Unsuitable Shareholder. The proposed Unsuitable Shareholder Amendment provides the Company with the right, but not the obligation, to redeem any or all of the shares of its capital stock held by any person who has been determined to be unsuitable at the redemption price described below.

An “unsuitable person” is any person whose ownership of shares of our capital stock or whose failure to make application to seek licensure from or otherwise comply with the requirements of a gaming regulatory authority will result in (i) the Company losing any license, permit, waiver or other gaming regulatory approval, (ii) the Company being unable to reinstate a previously issued license, permit, waiver or other gaming regulatory approval, or (iii) the Company being unable to obtain a new license, permit, waiver or other gaming regulatory approval, in each case as determined by the Board of Directors, in its sole discretion, after consultation with legal counsel.

The redemption price will be the average closing sales price per share during the thirty trading day period immediately preceding the date of the redemption notice, or if no such data is available, the fair market value per share as determined in good faith by the Board of Directors, unless a gaming regulatory authority requires that a different price be paid, in which case the redemption price shall be such different price. The redemption price may be paid in cash, by promissory note, or both. Generally, under Texas law, the redemption price can only be paid out of “surplus,” such that the amount paid to redeem the shares cannot exceed the value of our net assets minus its stated capital (as determined under Texas law).

If any portion of the redemption price is to be paid pursuant to a promissory note:

(a) such note will have a face amount equal to the portion of the redemption price for which the note is given (i.e., if the redemption price is \$1,000, and cash of \$250 is paid, the note shall have a face amount of \$750); and

(b) unless we agree to different terms, the note will (i) be unsecured, (ii) have a term of five years, (iii) bear interest, compounded annually, at the prime rate of interest as published in the Wall Street Journal on the redemption date, and (iv) have such other terms as are determined by the Board of Directors, in its sole discretion, after consultation with a nationally recognized investment bank, to be customary and appropriate.

A redemption notice will be delivered by the Company to the unsuitable shareholder in accordance with Texas law and shall set forth: (i) the redemption date, (ii) the number of shares to be redeemed, (iii) the redemption price and the manner of payment therefore, (iv) if certificated, the place where any certificate for redeemed shares shall be surrendered for payment, and (v) any other requirements for surrender of the certificates representing redeemed shares. The redemption notice shall be sent to the unsuitable shareholder not less than twenty (20) nor more than sixty (60) days prior to the redemption date, except as otherwise provided below. The redemption notice may be conditional such that the Company need not redeem the shares on the redemption date if the Board of Directors determines that such redemption is no longer advisable or necessary. No shares held by an unsuitable shareholder may be voted following receipt of the redemption notice. However, if, prior to the redemption date, the shares are transferred such that they are owned entirely by persons who are not unsuitable shareholders, then such new holders may vote the shares and we may decide not to affect the redemption.

The redemption date shall be not less than thirty trading days from the date of the redemption notice unless a gaming regulatory authority requires that the shares be redeemed as of an earlier date, in which case, the redemption date shall be such earlier date, and the redemption notice shall be sent on the first day following the day on which we become apprised of such earlier redemption date.

From and after the redemption date, any and all rights of any nature which may be held by an unsuitable shareholder with respect to such person’s shares shall cease and, thereafter, the unsuitable shareholder shall be entitled only to receive the redemption price. Our redemption right is unilateral. Unless an unsuitable shareholder otherwise disposes

of his, her or its shares, such unsuitable shareholder cannot prevent us from exercising our redemption right. Following redemption, in accordance with Section 21.251 of the Texas Business Organizations Code, we may either hold such shares in treasury, retire such shares or resell such shares, in the open market or privately, pursuant to a registration statement or an exemption from registration.

Effect on the Company. If we exercise our right to redeem shares of our stock from an unsuitable shareholder, (i) we will be required to fund the redemption payment, which may be substantial in amount, from its existing cash resources, the incurrence of indebtedness in the form of a promissory note issued to the unsuitable shareholder or other sources of liquidity, (ii) the number of shares of capital stock outstanding will be reduced by the number of shares redeemed, and (iii) we cannot provide any assurance that the redemption will adequately address the concerns of any gaming regulatory authorities or enable us to make all required gaming regulatory filings or obtain and maintain all licenses, permits or other gaming regulatory approvals that are required to conduct our business. We cannot prevent an unsuitable person from acquiring or reacquiring shares of its capital stock, and can only address such unsuitability by exercising its redemption rights pursuant to the Unsuitable Shareholder Amendment.

Notwithstanding the adoption of the proposed redemption provision, we may not be able to exercise our redemption rights in full or at all. We may be subject to contractual restrictions on our ability to redeem shares of our capital stock. For example, our existing credit agreement limits our ability to make redemption payments to certain fixed dollar amounts, subject to compliance with certain leverage ratios, EBITDA requirements, and other covenants. Further, the Company is currently conducting a stock repurchase program which may further affect our ability to affect a redemption under our credit agreement. In the event such restrictions prohibit us from exercising our redemption rights in part or in full, we would not be able to exercise our redemption rights absent a waiver of the restrictions by the requisite consent of the parties to the credit agreement, which we may not be able to obtain on acceptable terms or at all.

In addition to contractual restrictions on our ability to redeem shares, we may also be subject to contractual restrictions on the incurrence of additional indebtedness to finance a redemption. For example, our existing credit agreement restricts our ability to incur additional indebtedness. In the event such restrictions prohibit us from issuing a promissory note necessary to finance a redemption, we would not be able to exercise our redemption right without a waiver of the restrictions by the requisite consent of the parties to the credit agreement, which we may not be able to obtain on acceptable terms or at all.

The Unsuitable Shareholder Amendment also requires that we adjust certain provisions in our current Articles of Incorporation and our Statement of Resolution Establishing Series of Preferred Stock, both as filed with the Texas Secretary of State, in order to subject our Preferred Stock to the redemption provision. There are no shares of our Preferred Stock issued or outstanding at this time.

Vote Required

The affirmative vote of the holders of two-thirds of the outstanding shares of our Common Stock on the record date is required to approve the proposed Unsuitable Shareholder Amendment.

Recommendation of our Board of Directors

Upon the recommendation of the Nominating and Governance Committee, our Board of Directors recommends that the shareholders vote "FOR" the approval of the proposed Unsuitable Shareholder Amendment.

PROPOSAL THREE

AMENDMENT OF ARTICLES OF INCORPORATION
TO
CHANGE THE COMPANY NAME

General Information and Securities Affected

On September 13, 2010, the Board of Directors adopted a resolution to amend Article I of the Company's Articles of Incorporation to change the name of the Company to "Multimedia Games Holding Company, Inc." or the Corporate Name Change Amendment.

The Board of Directors intends that the Company operate as a holding company and maintain all operations at the Company's wholly-owned subsidiaries. As such, the Company intends to operate its current subsidiary MegaBingo, Inc. as Multimedia Games, Inc. after receiving shareholder approval of the name change at the parent level. In an effort to promote our brand and product identification and to capitalize on the "Multimedia Games" name recognition for our wholly-owned subsidiary, the Board of Directors feels that the corporate name change to Multimedia Games Holding Company, Inc. will better reflect the nature of the Company's business focus. The corporate name change will require an affirmative vote of two-thirds of the Company's shareholders to amend the Articles of Incorporation.

If the shareholders approve this proposed amendment to the Articles of Incorporation, the amendment will become effective upon the filing of the amendment with the Secretary of State of the State of Texas.

Proposed Corporate Name Change Amendment

The Board of Directors proposes as follows:

The Articles of Incorporation of Multimedia Games, Inc. shall be amended by deleting from the Articles of Incorporation, in its entirety, Article I, Name, and substituting in place thereof the following;

"ARTICLE I
NAME

The name of the corporation shall be "Multimedia Games Holding Company, Inc."

Vote Required

The affirmative vote of the holders of two-thirds of the outstanding shares of our Common Stock on the record date is required to approve the proposed Corporate Name Change Amendment.

Recommendation of our Board of Directors

The Board of Directors believes that the approval of this Amendment is in the best interest of the Company and its shareholders and recommends a vote FOR the approval of the proposed Corporate Name Change Amendment.

PROPOSAL FOUR

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background of the Proposal

The Dodd-Frank Act requires all public companies, beginning with their shareholder meetings on or after January 21, 2011, to hold a separate non-binding, advisory shareholder vote to approve the compensation of executive officers as described in the Compensation Discussion and Analysis, the executive compensation tables and any related information in each such company's proxy statement (commonly known as a "Say on Pay" proposal).

Executive Compensation

As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement beginning on page 27, the Board of Directors believes that our current executive compensation programs directly link executive compensation to our financial performance and align the interests of our executive officers with those of our shareholders. Our Board of Directors also believes that our executive compensation programs provide our executive officers with a balanced compensation package that includes a reasonable base salary along with annual and long-term incentive compensation programs that are based on the Company's financial performance. These incentive programs are designed to reward our executive officers on both an annual and long-term basis if they attain specified target goals, the attainment of which do not require the taking of an unreasonable amount of risk, as discussed above in the "Compensation Risk Assessment" section beginning on page 13.

The "Compensation Discussion and Analysis" discussion beginning on page 27 includes additional details about our executive compensation programs. This Say on Pay proposal is set forth in the following resolution:

"RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in the Proxy Statement set forth under the caption "Executive Compensation" of this Proxy Statement."

Vote Required

The affirmative vote of the holders of the majority of the shares represented at the meeting and who are entitled to vote on, and who vote for, against, or expressly abstain. However, because your vote on this proposal is advisory, it will not be binding on the Board of Directors or the Company. However, the Compensation Committee and the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements.

Recommendation of our Board of Directors

The Board of Directors recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related disclosure contained in the Proxy Statement set forth under the caption "Executive Compensation" of this Proxy Statement.

Proxies will be voted FOR approval of the proposal unless otherwise specified.

PROPOSAL FIVE

ADVISORY VOTE ON FREQUENCY OF EXECUTIVE COMPENSATION VOTE

Background of the Proposal

The Dodd-Frank Act also requires all public companies, beginning with their shareholder meetings on or after January 21, 2011, to permit a separate non-binding, advisory shareholder vote with respect to the frequency of the vote on the Say on Pay proposal thereafter. Companies must give shareholders the choice of whether to cast an advisory vote on the Say on Pay proposal every year, every two years or every three years (commonly known as the “Frequency Vote on Say on Pay”). Shareholders may also abstain from making a choice, pursuant to proposed rules recently issued by the SEC. After such initial votes are held, the Dodd-Frank Act requires all public companies to submit to their shareholders no less often than every six years thereafter the Frequency Vote on Say on Pay.

Frequency Vote on Say on Pay

As discussed above, the Board of Directors believes that our current executive compensation programs directly link executive compensation to our financial performance and align the interests of our executive officers with those of our shareholders. The Board of Directors believes that giving our shareholders the right to cast an advisory vote every year on their approval of the compensation arrangements of our named executive officers is a good corporate governance practice and is in the best interests of our shareholders, by allowing our shareholders to provide us with their input on our executive compensation philosophy, policies and practices as disclosed in our proxy statement every year.

Although the Board of Directors recommends that the Say on Pay proposal be voted on every year, our shareholders will be able to specify one of four choices for the frequency of the vote on the Say on Pay proposal as follows: (i) one year, (ii) two years, (iii) three years or (iv) abstain. Shareholders are not voting to approve or disapprove of the Board of Directors’ recommendation of an annual vote on the Say on Pay Proposal.

“RESOLVED, that a non-binding advisory vote of the Company’s shareholders to approve the compensation of the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, shall be held at an annual meeting of shareholders beginning with the 2011 Annual Meeting of Shareholders, (A) every year; (B) every two years, or (C) every three years.”

The enclosed proxy card gives you four choices for voting on this item. You can choose whether the say-on-pay vote should be conducted every year, every two years or every three years. You may also abstain from voting on this item. You are not voting to approve or disapprove the Board of Directors recommendation on this item.

Vote Required

The option of one year, two years or three years that receives the highest number of votes cast by our shareholders will be the frequency for the advisory vote on executive compensation that has been selected by our shareholders. However, because this vote is advisory and will not be binding on the Board of Directors or the Company, the Board of Directors may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our shareholders.

Recommendation of our Board of Directors

The Board of Directors recommends that you vote FOR alternative (A); voting to hold an advisory vote on executive compensation every year.

PROPOSAL SIX

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of our Board of Directors has selected BDO USA, LLP as independent registered public accountants to audit our consolidated financial statements for the fiscal year ending September 30, 2011. BDO USA, LLP has served as our independent registered public accountants since their appointment in our 1999 fiscal year. A representative of BDO USA, LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

	Year Ended September 30, 2010	Year Ended September 30, 2009
Audit Fees	\$ 525,000	\$ 694,048
Audit-Related Fees	117,000	128,500
Tax Fees	45,129	132,349
All Other Fees	—	—
Total	\$ 687,129	\$ 954,897

Audit Fees. Audit Fees represent fees for professional services provided in connection with the audit of our annual consolidated financial statements and of management’s assessment and the operating effectiveness of internal control over financial reporting including in our Form 10-K, the quarterly reviews of condensed consolidated financial statements included in our Form 10-Q filings and other statutory or regulatory filings.

Audit-Related Fees. Audit-Related Fees are fees for assurance and related services. This category includes fees related to assistance in employee benefit and compensation plan audits, SAS 70 audits and consulting on financial accounting/reporting standards.

Tax Fees. Tax Fees primarily include professional services performed with respect to preparation and review of our original and amended tax returns and those of our consolidated subsidiaries, and for state, local and international tax consultation. Tax fees also include professional fees related to research and development tax credit studies.

All Other Fees. All other Fees includes the aggregate fees for products and services provided by BDO USA, LLP that are not reported under “Audit Fees,” “Audit Related Fees” or “Tax Fees.” There were no other fees in the fiscal years ended September 30, 2010 and 2009.

The Audit Committee has also adopted procedures for pre-approving all audit and non-audit services provided by BDO USA, LLP. These procedures include reviewing a budget for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of non-audit services that are recurring in nature, and therefore anticipated at the time the budget is submitted. Audit Committee approval is required to exceed the budget amount for a particular category of non-audit services, and to engage the independent auditor for any non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee has considered whether the provision by BDO USA, LLP of non-audit services included in the fees set forth in the table above is compatible with maintaining the independence of BDO USA, LLP, and has concluded that such services are compatible with BDO USA, LLP’s independence as our auditors.

Shareholder ratification of the appointment of BDO USA, LLP as our independent registered public accountants is not required by our bylaws or other applicable legal requirement. However, the appointment of BDO USA, LLP is being

submitted to the shareholders for ratification. If the shareholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm. Even if the appointment is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accountant at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Vote Required

Affirmative vote of the holders of a majority of the shares present or represented and voting at the annual meeting.

Recommendation of our Board of Directors

Upon the recommendation of the Audit Committee, our Board of Directors recommends that the shareholders vote “FOR” the ratification of BDO USA, LLP as our independent registered public accountants for our fiscal year ending September 30, 2011.

OTHER MATTERS

We know of no other matters to be submitted to the shareholders at the annual meeting. If any other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed proxy to vote the shares they represent as our Board of Directors may recommend, or, in the absence of a recommendation, as such persons deem advisable. Discretionary authority with respect to such matters is granted by execution of the enclosed proxy.

For additional information about Mr. Ramsey and the non-employee nominees for director, see "Proposal One-Election of Directors."

Certain Relationships and Related Transactions

Related-party transactions have the potential to create actual or perceived conflicts of interest between the Company and its directors and executive officers or their immediate family members. Both the Audit Committee and the Company's Regulatory Compliance Committee, or the Compliance Committee, have established policies and procedures for review and approval of related-party transactions.

If a related party transaction subject to review directly or indirectly involves a member of either committee (or an immediate family member or domestic partner), the remaining committee members will conduct the review. In evaluating a related-party transaction involving a director, executive officer, or their immediate family members, the Audit Committee and the Compliance Committee considers, among other factors, whether the proposed related-party transaction is of the form and type that the Company would normally engage in, the benefits associated with the transaction, goods or services provided by or to the related party, the nature of the transaction, the significance of the transaction to the Company and to the related party, and management's determination that the transaction is in the best interests of the Company.

To receive Audit Committee and Compliance Committee approval, related party transactions must have a Company business purpose and be on terms that are fair and reasonable to the Company, and as favorable to the Company as would be available from non-related entities in comparable transactions. The Audit Committee and Compliance Committee also require that the transaction meets the same Company standards that apply to comparable transactions with unaffiliated entities.

The following transaction has been reviewed and approved by the Company's Audit Committee and Compliance Committee: one of the Company's subsidiaries has entered into an Equipment Lease/Purchase Agreement and Software License, or the Purchase Agreement, with Pinnacle Entertainment, Inc., or Pinnacle. While the Company and Pinnacle are currently operating under a no-obligation trial period under the Purchase Agreement, if Pinnacle determines to purchase a portion of the Company's equipment under the Purchase Agreement, the potential transaction could exceed \$120,000. Mr. Sanfilippo, a member of the Company's Board of Directors, also serves as a director and the President and Chief Executive Officer of Pinnacle.

In addition, our bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Texas law. We have entered into indemnification agreements with all of our directors and have purchased directors' and officers' liability insurance. In addition, our articles of incorporation limits the personal liability of the members of our Board of Directors for breaches by the directors of their fiduciary duties.

Section 16(a) Beneficial Ownership Reporting Compliance

The members of our Board of Directors, the executive officers, and persons who hold more than 10% of our outstanding common stock are subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 which requires them to file reports with respect to their ownership of the common stock and their transactions in such common stock. Based upon the copies of Section 16(a) reports which we prepared or for which we received from such persons for their fiscal year 2010 transactions in the common stock and their common stock holdings, we believe that all reporting requirements under Section 16(a) for such fiscal year were met in a timely manner by our directors, executive officers and greater than ten percent beneficial owners.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis provides information regarding the following:

- § The objectives of our executive compensation program, including the behaviors and results it is designed to encourage and reward;
- § The roles and responsibilities of management and the Compensation Committee in the governance of our executive compensation program;
 - § The elements of our executive compensation program and its purposes; and
 - § The Compensation decisions with respect to our fiscal year ended September 30, 2010.

Objectives of the Executive Compensation Programs

The objective of our executive compensation program is to align the compensation paid to our executive officers with shareholder and customer interests (on both a short-term and long-term basis); attract, retain and motivate highly qualified executive talent; and provide appropriate rewards for achievement of business objectives and growth in shareholder value. It is the Company's objective that executive compensation be directly related to the achievement of our planned goals, and the enhancement of corporate and shareholder value. The Compensation Committee recognizes that the industry sector in which we operate is both highly competitive and is challenged by significant legal and regulatory uncertainty. In addition, the technology-related experience and skills of our executive officers have applications to many other industry sectors besides our own. As a result, there is substantial demand for qualified, experienced executive personnel of the type we need to achieve our objectives. The Compensation Committee considers it crucial that the Company be assured of retaining and rewarding our senior executives, who are essential to the attainment of our long-term goals.

For these reasons, the Compensation Committee believes the Company's executive compensation arrangements must remain competitive with those offered by other companies of similar size, scope, performance levels and complexity of operations.

For the purposes of this Compensation Discussion and Analysis, the capitalized term "Named Executive Officers," or NEOs, refers to the executives who are named in the Summary Compensation Table below. Included among the NEOs are Messrs. Anthony M. Sanfilippo, our former President and Chief Executive Officer, Patrick J. Ramsey, our current President and Chief Executive Officer, Adam D. Chibib, our Chief Financial Officer, Uri L. Clinton, our Senior Vice President, General Counsel and Corporate Secretary, Mick D. Roemer, our Senior Vice President – Sales and Virginia E. Shanks, our former Chief Marketing Officer.

Determining Executive Compensation

Our management and the Compensation Committee strive to maintain an executive compensation program that is structured to provide the executive officers with a total compensation package that, at expected levels of performance, is competitive with those provided to other executives holding comparable positions or having similar qualifications in other similarly situated organizations in our industry and the general market. Both management and the Compensation Committee are involved in the development, review and evaluation of our executive compensation programs. The Compensation Committee has sole responsibility for the approval of such programs, and has the sole authority to change our compensation practices at any time. The roles and responsibilities are described below.

Management. Our management works with our Board of Directors to set the strategic direction for the Company and strives to design and maintain compensation programs that motivate behaviors among the executive officers that are consistent with the Company's strategic goals and objectives. Each year, the Chief Executive Officer, with assistance from other members of management, as appropriate, conducts a review process covering each of the executive officers reporting to the Chief Executive Officer. This annual review process focuses on an evaluation of overall Company performance and the performance of each such executive officer, including an evaluation of compensation levels delivered through each element of compensation (as described below), competitive practices and trends, and specific compensation issues as they arise. Based on the outcomes of this review process, the Chief Executive Officer makes recommendations to the Compensation Committee regarding the compensation of each of the executive officers reporting directly to him. This recommendation typically provides information regarding adjustments, if any, to base salaries, annual incentive bonus award payments, and equity-based incentive awards.

Compensation Committee. The Company's Board of Directors established the Compensation Committee in 1996 at the time of our initial public offering. The Compensation Committee operates pursuant to a charter, which is available on the "Investor Relations" page of the Company's website at www.multimedialogames.com. As stated in the charter, the purpose of the Compensation Committee is to discharge the Board of Directors' responsibilities relating to compensation and benefits of the Company's executive officers and directors. The current members of the Compensation Committee are Messrs. Jenkins (Chairman), Orlando and Stanley, who are each "independent" directors, as required by Nasdaq Marketplace Rules. The Compensation Committee convened ten times during fiscal year 2010 to discuss Company compensation programs and issues and acted by written consent one time.

The Compensation Committee has overall responsibility for the approval of executive and director compensation programs that are appropriate, consistent with the Company's compensation philosophy, and support the Company's business goals and objectives. Specifically, the Compensation Committee has authority and responsibility for the review, evaluation and approval of the compensation structure and levels for all of the executive officers. The Compensation Committee also approves all employment, severance, or change-in-control agreements, and special or supplemental benefits or provisions applicable to executive officers. The Compensation Committee is also responsible for reviewing and making periodic recommendations to the Board of Directors regarding the compensation of directors.

Each year, the Compensation Committee reviews the compensation recommendations submitted by the Chief Executive Officer. In general, the Chief Executive Officer's recommendations consider the following:

- § Performance versus stated individual and Company business goals and objectives;
- § Internal equity (i.e., considering the pay for similar jobs and jobs at different levels within the Company) and the critical nature of each executive officer to the Company's past and future success;
 - § The need to retain talent; and
- § The compensation history of each executive officer, including the value and number of stock options awarded in prior years.

The Compensation Committee believes that input from management provides useful information and perspective to assist the Committee with the determination of its own views on compensation. Although the Compensation Committee receives information and recommendations regarding the design and level of compensation of the executive officers from management, the Compensation Committee makes the final decisions as to the plan design and compensation levels for these executives.

In making decisions on each executive officer's compensation, the Compensation Committee considers the nature and scope of all elements of the executive officer's total compensation package, the executive officer's responsibilities, and the competitive posture of the executive officer's current compensation. The Compensation Committee also evaluates

each executive officer's performance through reviews of objective results (both Company and individual results), reports from the Chief Executive Officer and other senior management regarding the executive's effectiveness in supporting the Company's key strategic, operational and financial goals and, in some cases, personal observation.

The base salary and bonus opportunity of our Chief Executive Officer and our other NEO's are set forth in their respective employment agreements. With respect to the compensation of the Chief Executive Officer, the Compensation Committee is responsible for the periodic review and approval of his total compensation, including annual incentive bonus structure and equity-based incentive compensation. The Compensation Committee also develops annual performance goals and objectives, and conducts an evaluation of the Chief Executive Officer's performance relative to these goals and objectives. On a discretionary basis the Compensation Committee considers and discusses the Chief Executive Officer's compensation in executive session without the Chief Executive Officer present.

The Compensation Committee has the sole authority to obtain advice from consultants, legal counsel, accounting, or other advisors, as appropriate, to perform the Committee's duties and responsibilities.

Elements of Executive Compensation

Management and the Compensation Committee strive to implement executive compensation programs that are designed to attract and retain individuals who possess the qualities necessary to successfully execute the Company's business strategy, and to support the Company's long-term financial success and drive shareholder value. The key elements of our executive compensation program are as follows:

Element	Objectives and Basis	Form
Base Salary	Provide base compensation that reflects each Executive Officer's responsibilities, tenure and performance and is competitive for each role.	Cash
Annual Incentive Bonus	Provide annual incentive to drive Company and individual performance.	Cash and/or equity
Equity-Based Incentives	Provide long-term incentives to drive Company performance and align the Executive Officers' interests with shareholders' interests; retain Executive Officers through vesting and potential wealth accumulation.	Stock options
Health and Welfare Benefits	Provide for the health and wellness of our Executive Officers.	Various plans (described below)
Retirement and Savings Plan	Assist employees with retirement savings and capital accumulation on a tax-advantaged basis.	401(k) Plan, with Company matching contributions.
Discretionary Bonuses and Awards	Attract top executive talent from outside the Company; retain Executive Officers through vesting and potential wealth accumulation; and recognize promotions and significant individual contributions to the Company.	Cash and stock options
Severance and Change-in-Control Benefits	Provide financial security to Executive Officers and protect Company interests in the event of the termination of employment; promotes balanced analysis of strategic opportunities; attract and retain top executive talent.	Cash severance and acceleration of vesting of nonvested outstanding stock options

Cash Compensation

The Company believes that annual cash compensation should be paid commensurate with executive talent and experience, and attained performance. Accordingly, our cash compensation consists of fixed base compensation, paid in the form of an annual base salary, and an annual incentive bonus program that is designed to motivate and serve as a reward for the Company's overall performance. The Compensation Committee supports management's compensation philosophy of moderate fixed compensation with the potential for significant bonuses for achieving performance-related goals. Base salary and bonus award decisions are made as part of the Company's structured annual review process. With the departure of our former President and Chief Executive Officer, the Compensation Committee determined to offer retention bonuses to the Company's senior management team in lieu of the annual incentive bonus, as further discussed below in "Retention Bonus Plan."

Base Salary. Base salaries are paid to our executive officers to provide an appropriate fixed component of compensation. The base salary paid to each executive officer generally reflects the officer's responsibilities, tenure, individual job performance, measurable contribution to our success, special circumstances, and pay levels of similar positions with comparable companies in the industry. Management and the Compensation Committee review the base salary of each executive officer, including the Chief Executive Officer, on an annual basis. When reviewing each executive officer's base salary, the Compensation Committee considers the level of responsibility and complexity of the executive officer's job, whether individual performance in the prior year was particularly strong or weak, how the executive officer's salary compares to the salaries of other Company executives, and salaries paid for the same or similar positions. In addition to these annual reviews, management and the Committee may, at any time, review the salary of an executive officer who has received a significant promotion, whose responsibilities have been increased significantly, or who is the object of competitive recruitment. Any adjustments are based on increases in the cost of living, job performance of the executive officer over time, and the expansion of duties and responsibilities, if any. No pre-determined weight or emphasis is placed on any one of these factors.

The following table summarizes the base salaries for each of the Named Executive Officers during the fiscal year ended September 30, 2010:

Name	Annual Base Salary Effective 10/01/2009		Annual Base Salary Effective 09/30/2010
	Salary	Adjustments	Salary
Patrick J. Ramsey (1)	\$300,000	—	\$375,000
Anthony M. Sanfilippo (2)	\$450,000	—	—
Adam D. Chibib	\$250,000	—	\$250,000
Uri L. Clinton	\$250,000	—	\$250,000
Mick D. Roemer	\$200,000	—	\$200,000
Virginia E. Shanks (3)	\$250,000	—	\$250,000

- (1) Mr. Ramsey became the Company's President and Chief Executive Officer, effective September 19, 2010, and previously served as the Interim President and Chief Executive Officer since March 2010 and the Company's Chief Operating Officer of the Company since September 2008.
- (2) On March 10, 2010, Mr. Sanfilippo, the Company's former President and Chief Executive Officer, resigned from the Company effective March 14, 2010.
- (3) Ms. Shanks, the Company's former Chief Marketing Officer, resigned from the Company effective October 1, 2010.

The base salary for Mr. Ramsey, as the Company's President and Chief Executive Officer and previously as the Interim President and Chief Executive Officer, was the result of negotiations between the Company and Mr. Ramsey. The Company believes that Mr. Ramsey's salary is appropriate, competitive, and is necessary to attract the caliber of executive-level talent that Mr. Ramsey possesses. Mr. Ramsey's salary level was agreed to based upon the roles and positions he would be assuming with the Company.

Retention Bonus Plan. This year, with the departure of the Company's former President and Chief Executive Officer and as described on our Current Report on Form 8-K as filed with the SEC on March 15, 2010, the Company initiated a retention bonus program for certain of its senior executives with employment agreements in lieu of the annual target bonus set forth in their respective employment agreements and encompassed in the Company's annual incentive bonus program. Each executive was required to remain continuously in the employ of the Company and be employed by the Company on each applicable bonus payment date to receive his or her scheduled bonus. Applicable bonus payment dates included June 30, 2010, September 30, 2010 and December 31, 2010 and amounts under the retention bonus plan were generally 50%, 60% and 50%, respectively, of the respective senior executive's then-current base salary, except for Mr. Ramsey, as further set forth below. The September 30 payment was an assured payment in lieu of annual target bonus payments under the Company's annual incentive plan.

On October 5, 2010, the Company entered into agreements with certain members of senior management including Messrs. Chibib, Clinton and Roemer, which implemented the retention bonus plan. The June 30 and September 30 payments were consistent with, and the December 31, 2010 bonus was subject to, the terms of those retention agreements.

For our fiscal year ended September 30, 2010, the bonus opportunity and the amount paid in 2010 for our NEOs is reflected in the following table and in the "Summary Compensation Table." Also included in the table below is the December 31, 2010 expected payment.

Name	June 30, 2010 Award (% of then-current Base Salary)	September 30, 2010 Award (% of then-current Base Salary)	December 31, 2010 Award (% of then-current Base Salary)
Patrick J. Ramsey	50%	90%	50%
Adam D. Chibib	50%	60%	50%
Uri L. Clinton	50%	60%	50%
Mick D. Roemer	50%	60%	50%
Virginia E. Shanks(1)	50%	60%	—

(1) On September 14, 2010, Ms. Shanks, the Company's former Chief Marketing Officer, resigned from the Company effective October 1, 2010.

The retention bonus plan awards are reflected in the "Bonus" column in the Summary Compensation Table.

2011 Executive Cash Incentive Plan. On November 9, 2010, the Compensation Committee approved an Executive Cash Incentive Plan exclusively for 2011 in order to incent management to build shareholder value by achieving Company operating goals, after consultation with Compensia, Inc., or Compensia. Compensia was engaged directly by the Compensation Committee and provided input on the reasonableness of the 2011 Executive Cash Incentive Plan. The 2011 Executive Cash Incentive Plan implements the target and stretch bonus structure set forth in the respective employment agreements of each of our officers, including our named executive officers.

The 2011 Executive Cash Incentive Plan is comprised of two possible components, a target payment and a stretch payment. Alternative target and stretch payment goals are established to address the impact on the Company's operating results of regulatory activity in Alabama.

For the target payment, if the Company's operating goals are met for each of net income (loss), total cash flow and unit sales, the Company's officers shall be entitled to receive the target bonus pursuant to their respective employment

agreements. If the Company fails to meet the operating goals, the target payment will be adjusted ratably downward, but in no event shall any target payment be paid if the Company fails to meet certain operating goals. The target payment shall not exceed \$948,000, in the aggregate, for all officers.

For the stretch payment, if the Company exceeds the established operating goals for both net income and total cash flow, the officers shall be entitled to receive an amount over the aggregate target bonus pool of \$948,000. The total incentive payments, including both target and stretch payments, shall not exceed \$1,689,200, the maximum aggregate available bonus set forth in the employment agreements. The stretch payment will be paid from a stretch bonus pool funded incrementally from any amount over either net income or total cash flow.

The incentive payment for each of the officers is payable after fiscal year-end and after confirmation of achieved operating goals by the Compensation Committee. The Compensation Committee retains the discretion to modify or adjust operating goals, financial targets and bonus objectives based on its business judgment.

- (1) Equity Compensation Plans are discussed in further detailed under “PART IV – Item 15. Exhibits and Financial Statement Schedules – Note 10. Shareholders’ Equity” in the Company’s Annual Report on Form 10-K.
- (2) As of March 23, 2010, the Multimedia Games, Inc. Consolidated Equity Incentive Plan (the "Consolidated Plan") was approved by the Company's shareholders. The Consolidated Plan is comprised of shares already reserved under certain of the Company's prior equity compensation plans, including any equity compensation plan not approved by the Company's shareholders.
- (3) The number of common shares available for future issuance pursuant to the Consolidated Plan equals the initial number of shares approved by the Company's shareholders, plus the amount of common shares subject to outstanding awards under certain of the Company's prior equity compensation plans that expire, are terminated or are canceled without having been exercised or settled in full.

Equity-Based Incentives

We provide our executive officers with long-term compensation in the form of equity-based incentives, which are intended to align the interests of our executive officers with the interest of the Company’s shareholders by supporting the creation of long-term value for the organization, facilitate significant long-term retention, and be consistent with competitive market practices. Over time, it is the Compensation Committee’s intent that equity-based compensation should represent a significant portion of each executive officer’s total compensation, and the equity-based incentive vehicle we have used is stock options. Nonqualified and incentive stock options have been granted to the Company’s executive officers and other employees. The Company expects to continue to issue stock options to new employees as they are hired, as well as to current employees as incentives from time to time. Our rationale for granting stock options is as follows:

§ We believe that stock options and other equity-based awards such as stock appreciation rights are highly effective at aligning the long-term interests of our executive officers with the interests of our shareholders;

§

The grant of stock options to executive officers assists us in achieving our growth and attaining our business objectives; and

§ We regularly face significant legal, regulatory and competitive challenges to our business that require extraordinary commitments of time and expertise by our executive officers, who have met these challenges and made these extraordinary commitments, largely because of their vested interest in rewards and incentive provided by the historical and prospective grant of stock options.

The Company's equity-based incentive awards are designed to comply with Section 162(m) of the IRS code to allow tax deductibility of the awards. Stock options are awarded under the Company's Consolidated Equity Incentive Plan, which was adopted by the Company's shareholders on March 23, 2010. The Consolidated Equity Incentive Plan is comprised of shares already reserved under certain of the Company's prior equity incentive plans, including the 2000, 2001 and 2002 Stock Option Plans, the 2003 Outside Directors Stock Plan and the 2008 Employment Inducement Award Plan. Individual grants of options are documented by stock option agreements which contain the specific terms and provisions pertaining to each grant, including vesting, option term, exercise price, and termination provisions. Options granted to the executive officers and other employees generally vest over four years and expire seven years from the date of grant. The exercise price of stock options granted to executive officers is equal to the market value of a share of Company common stock on the date of grant. Therefore, our executive officers will receive no benefit from the stock options unless the quoted market price of a share of common stock exceeds the exercise price.

Stock option grants to executive officers and other employees have historically consisted of a combination of incentive stock options, or ISOs, and nonqualified stock options, or NSOs. The use of ISOs has allowed recipients to take advantage of certain tax benefits the ISOs afford under Section 422 of the Internal Revenue Code (and any successor provision of the Code having a similar intent).

On September 14, 2009, after consultation with Hewitt Associates, the Compensation Committee approved an equity compensation program for senior management, which includes each of the NEOs currently employed by the Company. The program provides for an annual grant of an incentive stock option to purchase shares of the Company's common stock to each member of senior management, effective as of September 30, the last day of the Company's fiscal year. The amount and terms of each award will be based on the Chief Executive Officer's recommendation but determined by, and within the discretion of, the Compensation Committee. Annual awards will be granted and in an aggregate amount approximating twenty percent of the total equity awards members of senior management received upon joining the Company. In addition, the Compensation Committee will periodically review the need to make grants of stock options to the executive officers, typically based on recommendations from management. When approving the grants of stock options, the Compensation Committee considers, among other items, the number and terms of options previously granted, industry practices, the executive officer's level of responsibility and assumed potential stock value in the future.

The Compensation Committee believes the Equity Compensation Plan serves several important compensation objectives. It enhances the Company's ability to attract and retain experienced executive talent in the gaming and technology industry. The program also furthers the Company's compensation objective of strongly aligning executive focus with the interests of the Company's shareholders in increased enterprise value.

Options awarded under the Equity Compensation Plan will have a seven year term and will vest as to twenty-five percent (25%) of the award upon the first anniversary of grant, with the remainder vesting in equal quarterly installments for the succeeding three years. Awards will be made under existing Company equity compensation plans, and will be subject to shareholder approval of any required increases in shares reserved under such plans.

For Fiscal Year 2010, awards granted under the Equity Compensation Plan totaled 240,000 options, effective September 30, 2010, and included grants of 60,000 options to each of Messrs. Chibib, Clinton, Roemer and Aviles.

On September 19, 2010, in connection with the appointment of Mr. Ramsey as the Company's President and Chief Executive Officer, the Compensation Committee granted Mr. Ramsey 700,000 stock options under the Company's Consolidated Equity Incentive Plan Company and pursuant to Mr. Ramsey's amended and restated employment agreement. These grants were made to provide an immediate incentive for Mr. Ramsey to focus on the creation of shareholder value. In addition, the Company believes the level of this equity award was necessary to retain Mr.

Ramsey as President and Chief Executive Officer. Details of Mr. Ramsey's stock option grant are provided below in the section titled "Potential Payments upon Termination or Change-in-Control."

Other than the stock option awards described above, none of the other Named Executive Officers received grants of stock options or any other form of equity-based incentives during the fiscal year ended September 30, 2010.

The Company does not currently maintain required levels of stock ownership by the executive officers. The Company has adopted "Procedures and Guidelines Governing Securities Trades by Company Personnel," in order to comply with federal and state securities laws governing (a) trading in Company securities while in the possession of "material nonpublic information" concerning the Company, and (b) tipping or disclosing material nonpublic information to outsiders. In order to prevent even the appearance of improper trading or tipping, the Company has adopted this policy for all of its directors, officers and employees, venture capital and other entities (such as trusts and corporations) over which such employees, officers or directors have or share voting or investment control and specially designated outsiders who have access to the Company's material nonpublic information

Excise Tax Gross-Ups

The Compensation Committee has determined that all material restatements of any employment agreement with any executive officer shall be renegotiated in order to remove any excise tax gross-up provision. The Company specifically removed such a provision from the amended and restated agreements for Mr. Ramsey, Mr. Chibib and Joaquin Aviles, the Company's Vice President of Technology, during calendar year 2010, while renegotiating such agreements for changes in responsibility and salary for Mr. Ramsey, Mr. Chibib, and Mr. Aviles. The Company has determined not to enter into future agreements providing excise tax gross-ups and has determined to remove such provisions in existing agreements when any material terms or conditions are in such agreements are renegotiated.

Benefit Programs and Perquisites

We provide our executive officers with benefits that are intended to be a part of a competitive total compensation package and that will permit us to attract and retain highly-qualified executives. These benefits include health and welfare benefits, and a retirement and savings plan. Each of these benefits is described below.

Health and Welfare Benefits. The Company's benefits program is designed to provide employees (including the executive officers) and their families with security and well being, and is an important part of the total compensation package. These benefits are divided into the following major categories:

- § Health Care Benefits – medical, dental and vision insurance coverage;
- § Life and Disability Benefits – basic, optional life and accident insurance as well as short and long-term disability coverage;
- § Flexible Spending Accounts – health care and dependent care tax-free accounts; and
- § Work Life Benefits – employee assistance with everyday issues, financial and legal issues, parenting, childcare, education and elder care.

The executive officers participate in these benefits programs on the same relative basis as our other employees.

Retirement and Savings. The Company maintains an employee retirement and savings plan pursuant to Section 401(k) of the Internal Revenue Code, or the 401(k) Plan. The purpose of the 401(k) Plan is to permit employees, including executive officers, to accumulate funds for retirement on a tax-advantaged basis. Specifically, the 401(k) Plan permits each eligible employee to contribute on a pre-tax basis a portion of his compensation to the 401(k) Plan (for calendar year 2010, the maximum amount of compensation that may be contributed to the 401(k) Plan was \$16,500). During the fiscal year ended September 30, 2010, the Company made a matching contribution to the 401(k) Plan that is equal to 50% of the first 4% of compensation contributed by employees to the 401(k) Plan.

The Company does not maintain a tax-qualified defined benefit retirement plan. In addition, the Company does not maintain any non qualified supplemental retirement plans or deferred compensation plans for the executive officers.

Perquisites. The Company does not provide perquisites to executive officers.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

The Company is party to employment agreements with its current executive officers, including the Named Executive Officers, but excluding both Mr. Sanfilippo, who tendered his resignation effective March 14, 2010, and Ms. Shanks, who tendered her resignation effective October 1, 2010. In connection with Mr. Sanfilippo's departure from the Company, the Company executed a Resignation and Separation Agreement with Mr. Sanfilippo, dated March 14, 2010, which provided for Mr. Sanfilippo's continued service to the Company's Board of Directors of Directors as well

as the termination of vesting for Mr. Sanfilippo's unvested equity interests, effective as of March 31, 2010. The Resignation and Separation Agreement was filed as Exhibit 10.1 to our Current Report on Form 8-K, as filed with the Securities and Exchange Commission on March 15, 2010.

The following paragraphs provide summaries of the agreements with each of the current Named Executive Officers.

Agreements with Patrick J. Ramsey. On September 19, 2010, the Company entered into an amended and restated executive employment agreement with Mr. Ramsey, which sets forth certain terms and conditions relating to his employment as the Company's President and Chief Executive Officer. Mr. Ramsey's amended and restated employment agreement provides that he will receive an annual base salary of \$375,000, subject to covenants in the amended and restated employment agreement and in an Agreement Regarding Proprietary Developments, Confidential Information and Non-Solicitation. Mr. Ramsey's annual salary will be subject to an annual review by the Board of Directors of Directors or Compensation Committee. In addition, Mr. Ramsey has an opportunity to earn an annual bonus equal to 100% of his base salary upon achievement of certain performance targets approved by the Company's Board of Directors of Directors, and up to a maximum of 200% of his base salary for overachievement of such performance targets. The amended and restated employment agreement also specifies that Mr. Ramsey will be eligible to enroll in the Company's benefit programs and vacation policies as they are established from time-to-time for senior-level executive employees.

Pursuant to the amended and restated employment agreement, on September 19, 2010 the Company granted Mr. Ramsey 700,000 stock options pursuant to the Company's Consolidated Equity Incentive Plan. The options became immediately exercisable, but are subject to vesting over four years. Specifically, one-fourth (1/4) of the options vest on September 19, 2011 and the remaining options vest in equal quarterly installments until fully vested. Pursuant to Mr. Ramsey's initial employment agreement, on September 14, 2008, the Company granted Mr. Ramsey 300,000 stock options pursuant to the Company's 2008 Employment Inducement Award Plan. The options became immediately exercisable, but are subject to vesting over four years. Specifically, one-fourth (1/4) of the options vested on September 14, 2009 and the remaining options vest in equal quarterly installments until fully vested.

Mr. Ramsey will serve as President and Chief Executive Officer until his successor is chosen and qualified or until his death, resignation, retirement, disqualification or removal. In the event of Mr. Ramsey's death or disability, voluntary termination, or termination for cause (each as defined within the employment agreement), he shall not be entitled to receive any severance, other than accrued but unpaid salary, vacation, vested benefits, and unreimbursed expenses. Further, the Company's other obligations under the employment agreement shall cease. In the event of Mr. Ramsey's termination without cause or his termination of employment for good reason (each as defined within the employment agreement), the Company shall pay Mr. Ramsey two years of base salary continuation and two years of target bonus; and if Mr. Ramsey elects to continue health coverage under COBRA, the Company will pay the premiums in an amount sufficient to maintain the level of health benefits in effect on his last day of employment, for a period of up to one year after the termination. The same termination benefits would apply in the event of Mr. Ramsey's termination without cause or his termination for good reason, within one year following a change of control (as defined within the employment agreement). In addition, stock options granted to Mr. Ramsey would become fully vested in the event of his termination without cause or his termination for good reason, within one year following a change of control. The Company's obligation to provide the severance benefits set forth above is contingent upon Mr. Ramsey's execution of a mutual release of claims satisfactory to the Company.

Agreements with Adam D. Chibib. On October 31, 2010, the Company entered into an amended and restated executive employment agreement with Mr. Chibib which amended and restated Mr. Chibib's original executive employment agreement. Mr. Chibib's amended and restated employment agreement provides that he will receive an annual base salary of \$325,000, subject to covenants in the amended and restated employment agreement and in an Agreement Regarding Proprietary Developments, Confidential Information and Non-Solicitation. The annual salary will be subject to an annual review by the Company's Chief Executive Officer. In addition, he has an opportunity to earn an annual bonus equal to 60% of his base salary upon achievement of certain performance targets approved by the Company's Chief Executive Officer, and up to a maximum of 100% of his base salary for overachievement of such

performance targets. The amended and restated employment agreement also specifies that Mr. Chibib will be eligible to enroll in the Company's benefit programs and vacation policies as they are established from time-to-time for senior-level executive employees.

Mr. Chibib will serve as Senior Vice President and Chief Financial Officer until his successor is chosen and qualified or until his death, disability, resignation, retirement, disqualification or removal. In the event of Mr. Chibib's death or disability, voluntary termination, or termination for cause (each as defined within the employment agreement), he shall not be entitled to receive any severance, other than accrued but unpaid salary, vacation, vested benefits, and unreimbursed expenses. Further, the Company's other obligations under the employment agreement shall cease. In the event of Mr. Chibib's termination without cause or his termination of employment for good reason (each as defined within the employment agreement), the Company shall pay Mr. Chibib two years of base salary continuation and two years of target bonus; and if Mr. Chibib elects to continue health coverage under COBRA, the Company will pay the premiums in an amount sufficient to maintain the level of health benefits in effect on his last day of employment, for a period of up to one year after the termination. The same termination benefits would apply in the event of Mr. Chibib's termination without cause or his termination for good reason, within one year following a change of control (as defined within the employment agreement). In addition, stock options granted to Mr. Chibib would become fully vested in the event of his termination without cause or his termination for good reason, within one year following a change of control. The Company's obligation to provide the severance benefits set forth above is contingent upon Mr. Chibib's execution of a mutual release of claims satisfactory to the Company.

On October 5, 2010, the Company entered into a Retention Agreement with Mr. Chibib in order to implement the retention bonus plan recommended by the Compensation Committee and approved by the full Board of Directors of Directors.

Pursuant to Mr. Chibib's initial employment agreement, which was effective as of February 10, 2009, Mr. Chibib was eligible for a separate discretionary bonus in an amount up to but not exceeding \$20,000 per quarter during his first year of employment, based upon criteria for quarterly objectives as set by the Company's Chief Executive Officer. Pursuant to the original employment agreement, on February 10, 2009, the Company granted Mr. Chibib 250,000 stock options pursuant to the Company's 2008 Employment Inducement Award Plan. The options became immediately exercisable, but are subject to vesting over four years. Specifically, one-fourth (1/4) of the options vested on February 10, 2010, and the remaining options vest in equal quarterly installments until fully vested.

Agreements with Uri L. Clinton. On December 30, 2010, the Company and Mr. Clinton entered into an amendment of Mr. Clinton's Executive Employment Agreement in order to cause such agreement to be in compliance with Section 409A of the Internal Revenue Code of 1986, as amended, and on October 5, 2010, the Company entered into a Retention Agreement with Mr. Clinton in order to implement the retention bonus plan recommended by the Compensation Committee and approved by the full Board of Directors of Directors.

On August 16, 2008, the Company entered into an executive employment agreement with Mr. Clinton, which sets forth certain terms and conditions relating to his employment as the Company's General Counsel. Mr. Clinton's employment agreement provides that he will receive an annual base salary of \$250,000, subject to covenants in the employment agreement and in an Agreement Regarding Proprietary Developments, Confidential Information and Non-Solicitation. The annual salary will be subject to an annual review by the Company's Chief Executive Officer. In addition, he has an opportunity to earn an annual bonus equal to 60% of his base salary upon achievement of certain performance targets approved by the Company's Chief Executive Officer, and up to a maximum of 100% of his base salary for overachievement of such performance targets. The employment agreement also specifies that Mr. Clinton will be eligible to enroll in the Company's benefit programs and vacation policies as they are established from time-to-time for senior-level executive employees.

Pursuant to the employment agreement, on August 16, 2008 the Company granted Mr. Clinton 250,000 stock options pursuant to the Company's 2008 Employment Inducement Award Plan. The options became immediately exercisable, but are subject to vesting over four years. Specifically, one-sixteenth (1/16) of the option vested on November 16, 2008, with the remaining options vesting one-sixteenth (1/16) quarterly until fully vested.

Mr. Clinton will serve as Senior Vice President, General Counsel and Corporate Secretary until his successor is chosen and qualified or until his death, resignation, retirement, disqualification or removal. Effective as of December 31, 2008, the Company entered into a First Amendment to Executive Employment Agreement with Mr. Clinton, which amended certain provisions of the original employment agreement relating to 409A and certain termination provisions. In the event of Mr. Clinton's death or disability, voluntary termination, or termination for cause (each as defined within the employment agreement), he shall not be entitled to receive any severance, other than accrued but unpaid salary, vacation, vested benefits, and unreimbursed expenses. Further, the Company's other obligations under the employment agreement shall cease. In the event of Mr. Clinton's termination without cause or his termination of employment for good reason (each as defined within the employment agreement and as set forth in the First Amendment), the Company shall pay Mr. Clinton two years of base salary continuation and two years of target bonus; and if Mr. Clinton elects to continue health coverage under COBRA, the Company will pay the premiums in an amount sufficient to maintain the level of health benefits in effect on his last day of employment, for a period of up to one year after the termination. The same termination benefits would apply in the event of Mr. Clinton's termination without cause or his termination for good reason, within one year following a change of control (as defined within the employment agreement). In addition, stock options granted to Mr. Clinton would become fully vested in the event of

his termination without cause or his termination for good reason, within one year following a change of control. The Company's obligation to provide the severance benefits set forth above is contingent upon Mr. Clinton's execution of a mutual release of claims satisfactory to the Company. Mr. Clinton is eligible to receive a gross-up payment in the event that any payment by the Company to or for the benefit of Mr. Clinton is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Agreements with Mick D. Roemer. On December 30, 2010, the Company and Mr. Roemer entered into an amendment of Mr. Roemer's Executive Employment Agreement in order to cause such agreement to be in compliance with Section 409A of the Internal Revenue Code of 1986, as amended, and on October 5, 2010, the Company entered into a Retention Agreement with Mr. Roemer in order to implement the retention bonus plan recommended by the Compensation Committee and approved by the full Board of Directors of Directors.

On January 12, 2009, the Company entered into an executive employment agreement with Mr. Roemer, which sets forth certain terms and conditions relating to his employment as Senior Vice President of Sales of the Company. Mr. Roemer's employment agreement provides that he will receive an annual base salary of \$200,000, subject to covenants in the employment agreement and in an Agreement Regarding Proprietary Developments, Confidential Information and Non-Solicitation. The annual salary will be subject to an annual review by the Company's Chief Executive Officer. In addition, he is entitled to receive a quarterly incentive bonus upon the achievement of new sales and new placement goals mutually agreed to by and between Mr. Roemer and the Company's Chief Executive Officer for each quarter. The incentive bonus shall not exceed \$100,000 in any individual twelve (12) month period. In addition to the incentive bonus, Mr. Roemer has an opportunity to earn an annual bonus equal to 60% of his base salary upon achievement of certain performance targets approved by the Company's Chief Executive Officer, and up to a maximum of 100% of his base salary for overachievement of such performance targets. The employment agreement also specifies that Mr. Roemer will be eligible to enroll in the Company's benefit programs and vacation policies as they are established from time-to-time for senior-level executive employees.

Pursuant to the employment agreement, the Company granted Mr. Roemer 200,000 stock options pursuant to the Company's 2008 Employment Inducement Award Plan. The options became immediately exercisable, but are subject to vesting over four years. Specifically, one-fourth (1/4) of the options vested on the first anniversary of the grant date and the remaining options vest in equal quarterly installments until fully vested.

Mr. Roemer will serve as Senior Vice President of Sales until his successor is chosen and qualified or until his death, resignation, retirement, disqualification or removal. In the event of Mr. Roemer's death or disability, voluntary termination, or termination for cause (each as defined within the employment agreement), he shall not be entitled to receive any severance, other than accrued but unpaid salary, vacation, vested benefits, and unreimbursed expenses. Further, the Company's other obligations under the employment agreement shall cease. In the event of Mr. Roemer's termination without cause or his termination of employment for good reason (each as defined within the employment agreement and as set forth in the First Amendment), the Company shall pay Mr. Roemer two years of base salary continuation and two years of target bonus and if Mr. Roemer elects to continue health coverage under COBRA, the Company will pay the premiums in an amount sufficient to maintain the level of health benefits in effect on his last day of employment, for a period of up to one year after the termination. The same termination benefits would apply in the event of Mr. Roemer's termination without cause or his termination for good reason, within one year following a change of control (as defined within the employment agreement). In addition, stock options granted to Mr. Roemer would become fully vested in the event of his termination without cause or his termination for good reason, within one year following a change of control. The Company's obligation to provide the severance benefits set forth above is contingent upon Mr. Roemer's execution of a mutual release of claims satisfactory to the Company. Mr. Roemer is eligible to receive a gross-up payment in the event that any payment by the Company to or for the benefit of Mr. Roemer is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Change-in-Control Benefits. Generally, the Company does not provide executive officers with any special benefits that are triggered solely upon a change-in-control. However, upon a change-in-control, virtually all of the Company's outstanding stock options held by our executive officers become fully vested. Change-in-control generally refers to certain corporate transactions involving the Company such as a merger or consolidation, sale of assets, dissolution or the acquisition by any person of at least 51% of our voting stock. The Compensation Committee believes that for senior executives, including the Named Executive Officers, accelerated vesting of stock options in the event of a

change-in-control is generally appropriate because in some change-in-control situations, equity of the target company is cancelled making immediate acceleration necessary in order to preserve the value of the option grants. In addition, the Company relies on long-term incentive awards to provide our executive officers with the opportunity to accumulate substantial resources to fund their retirement income, and the Compensation Committee believes that a change-in-control event is an appropriate liquidation point for awards designed for such purpose.

Potential Termination Payments

This section describes and quantifies potential payments that may be made or benefits that may be provided to each Named Executive Officer at, following, or in connection with the resignation, severance, retirement, or other termination of the Named Executive Officer or a change of control of the Company. For this purpose, it is assumed that each of the foregoing events occurred on the last day of the Company's fiscal year ended September 30, 2010. The determination of potential payments and benefits is based on specific factors and assumptions which are further discussed below. Since these factors and assumptions are subject to change, the payments and benefits that may actually be made to a Named Executive Officer may differ materially from the payments and benefits disclosed in this section.

Potential termination payment values are not provided for Mr. Sanfilippo, who terminated employment with the Company before September 30, 2010. Additionally the Company executed a Resignation and Separation Agreement with Mr. Sanfilippo, dated March 14, 2010, which provided for Mr. Sanfilippo's continued service to the Company's Board of Directors of Directors as well as the termination of vesting for Mr. Sanfilippo's unvested equity interests as of March 31, 2010. The Resignation and Separation Agreement was filed as Exhibit 10.1 to our Current Report on Form 8-K, as filed with the Securities and Exchange Commission on March 15, 2010. Ms. Shanks terminated her employment effective October 1, 2010 and her potential termination values as of September 30, 2010 are set forth below.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to our Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under our equity compensation plans generally qualifies for an exemption from these restrictions imposed by Section 162(m). In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.

We, the Compensation Committee of the Board of Directors of Directors, have reviewed and discussed the foregoing Compensation Discussion and Analysis with the management of the Company. Accordingly, we have recommended to the Board of Directors of Directors that the foregoing Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2010, and in the proxy statement relating to the Company's 2011 Annual Meeting of Shareholders.

Generally, ASC Topic 718 “Compensation-Stock Comparison” (formerly SFAS No. 123(R) “Share Based Payment”) requires the full grant-date fair value of a stock option award to be amortized and recognized as compensation cost over the service period that relates to the award. Note 1, “Summary of Significant Accounting Policies,” in the Notes to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2010 sets forth the relevant assumptions used to determine the valuation of our stock option awards.

A. REDEMPTION.

1. Redemption of Shares of an Unsuitable Person. At the option of the Corporation, any or all shares of any class or series of stock of the Corporation ("Shares") owned by an Unsuitable Person may be redeemed by the Corporation for the Redemption Price out of funds lawfully available on the Redemption Date. Shares redeemable pursuant to this ARTICLE ELEVEN, Section A.1. shall be redeemable at any time and from time to time pursuant to the terms hereof.

2. Partial Redemption. In the case of a redemption of only some of the shares owned by a shareholder, the Board of Directors shall select the Shares to be redeemed, by lot or in any other manner determined in good faith by the Board of Directors.

3. Article Eleven Redemption Notice. In the case of a redemption pursuant to Section A.1. of this ARTICLE ELEVEN, the Corporation shall send a written notice to the holder of the Shares called for redemption (the "Article Eleven Redemption Notice"), which shall set forth: (a) the Redemption Date, (b) the number of Shares to be redeemed on the Redemption Date, (c) the Redemption Price and the manner of payment therefor, (d) the place where any certificates for such Shares shall be surrendered for payment, duly endorsed in blank or accompanied by proper instruments of transfer, and (e) any other requirements of surrender of the certificates (if any) representing the Shares to be redeemed.

If any portion of the Redemption Price is to be paid pursuant to a promissory note: (a) such note will have a face amount equal to the portion of the Redemption Price for which the note is given (i.e., if the Redemption Price is \$1,000, and cash of \$250 is paid, the note shall have a face amount of \$750), and (b) unless the Corporation agrees to different terms, the note will (i) be unsecured, (ii) have a term of five years, (iii) bear interest, compounded annually, at the prime rate of interest as published in the Wall Street Journal on the Redemption Date, provided that if the Wall Street Journal ceases to publish the prime rate, the Corporation will reasonably determine a substitute method for determining the prime rate, and (iv) have such other terms as are determined to be customary and appropriate by the board, in its sole discretion, after consultation with a nationally recognized investment bank.

B. RIGHTS OF HOLDERS OF SHARES. On and after the date of an Article Eleven Redemption Notice, any Unsuitable Person owning Shares called for redemption shall cease to have any voting rights with respect to such Shares and, on and after the Redemption Date specified therein, such holder shall cease to have any rights whatsoever with respect to such Shares other than the right to receive the Redemption Price, without interest, on the Redemption Date; provided, however, that if any such Shares come to be owned solely by persons other than Unsuitable Persons, such persons may exercise voting rights of such Shares, and the Corporation may determine, in its discretion, not to redeem such Shares.

C. NOTICES. All notices given by the corporation to holders of shares pursuant to this ARTICLE ELEVEN, including the Article Eleven Redemption Notice, shall be in writing and shall be deemed given when delivered by personal service, overnight courier or first-class mail, postage prepaid, to the holder's address as shown on the Corporation's books and records.

D. NON-EXCLUSIVITY OF RIGHTS. The Corporation's right to redeem shares pursuant to this ARTICLE ELEVEN shall not be exclusive of any other rights the Corporation may have or hereafter acquire under any agreement, any provision of this Articles of Incorporation or the Bylaws of the Corporation or otherwise with respect to the acquisition by the Corporation of shares or any restrictions on holders thereof.

E. SEVERABILITY. In the event that any provision (or portion of a provision) of this ARTICLE ELEVEN or the application thereof becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this ARTICLE ELEVEN (including the remainder of such provision, as applicable) will continue in full force and effect.

F. DEFINITIONS. For purposes of this ARTICLE ELEVEN, the following terms shall have the meanings specified below:

8. “Redemption Price” shall mean the price per Share to be paid by the Corporation on the Redemption Date for the redemption of Shares pursuant to Section A.1. of this ARTICLE ELEVEN and shall be equal to the Fair Market Value of a Share, unless otherwise required by any Gaming Authority.

ARTICLE VIII

This Certificate of Amendment hereby amends the Statement of Resolution by amending and restating Section B.2 to read in its entirety as follows:

2. Dividends and Distributions.

(a) Subject to ARTICLE ELEVEN and the rights of the holders of any shares of any Series of Preferred Stock ranking prior to the Series B Preferred with respect to dividends, the holders of shares of Series B Preferred, in preference to the holders of Common Stock, par value \$.01 per share (the “Common Stock”) of the Company, and of any other junior stock, will be entitled to receive, when, as and if declared by the Board out of funds legally available for the purpose, dividends payable in cash (except as otherwise provided below) on such dates as are from time to time established for the payment of dividends on the Common Stock (each such date being referred to herein as a “Dividend Payment Date”), commencing on the first Dividend Payment Date after the first issuance of a share, or fraction of a share of Series B Preferred (the “First Dividend Payment Date”), in an amount per share (rounded to the nearest cent) equal to the greater of (i) \$1.00 or (ii) subject to the provision for adjustment hereinafter set forth, one hundred times the aggregate per share amount of all cash dividends, and one hundred times the aggregate per share amount (payable in kind) of all non-cash dividends, other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Dividend Payment Date or, with respect to the First Dividend Payment Date, since the first issuance of any share or fraction of a share of Series B Preferred. In the event that the Company at any time (i) declares a dividend on the outstanding shares of Common Stock payable in shares of Common Stock, (ii) subdivides the outstanding shares of Common Stock, (iii) combines the outstanding shares of Common Stock into a smaller number of shares, or (iv) issues any shares of its capital stock in a reclassification of the outstanding shares of Common Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), then, in each such case and regardless of whether any shares of Series B Preferred are then issued or outstanding, the amount to which holder of shares of Series B Preferred would otherwise be entitled immediately prior to such event under clause (ii) of the preceding sentence will be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock, outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(b) Subject to ARTICLE ELEVEN, the Company will declare a dividend on the Series B Preferred, as provided in the immediately preceding paragraph immediately after it declares a dividend on the Common Stock (other than a dividend payable in shares of Common Stock). Each such dividend on the Series B Preferred will be payable immediately prior to the time at which the related dividend on the Common Stock is payable.

(c) Subject to ARTICLE ELEVEN, dividends will accrue on outstanding shares of Series B Preferred from the Dividend Payment Date next preceding the date of issue of such shares, unless (i) the date of issue of such shares is prior to the record date for the First Dividend Payment Date, in which case dividends on such shares will accrue from the date of the first issuance of a share of Series B Preferred or (ii) the date of issue is a Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series B Preferred entitled to receive a dividend and before such Dividend Payment Date, in either of which events such dividends will accrue from such Dividend Payment Date. Accrued but unpaid dividends will cumulate from the applicable Dividend Payment Date but will not bear interest. Dividends paid on the shares of Series B Preferred in an amount less than the total amount of such dividends at the time accrued and payable on such shares will be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board may fix a record date for the determination of holders of shares; of Series B Preferred entitled to receive payment of a dividend or distribution declared thereon, which record date will be not more than 60 calendar days prior to the date fixed for the payment thereof.

ARTICLE IX

This Certificate of Amendment hereby amends the Statement of Resolution by amending and restating Section B.3(a) and (b) to read in its entirety as follows:

3. Voting Rights. The holders of shares of Series B Preferred will have the following voting rights:

(a) Subject to ARTICLE ELEVEN and the provision for adjustment hereinafter set forth, each share of Series B Preferred will entitle the holder thereof to one hundred votes on all matters submitted to a vote of the stockholders of the Company. In the event the Company at any time (i) declares a dividend on the outstanding shares of Common Stock payable in shares of Common Stock, (ii) subdivides the outstanding shares of Common Stock, (iii) combines the outstanding shares of Common Stock into a smaller number of shares, or (iv) issues any shares of its capital stock in a reclassification of the outstanding shares of Common Stock (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), then, in each such case and regardless of whether any shares of Series B Preferred are then issued or outstanding, the number of votes per share to which holders of shares of Series A Preferred would otherwise be entitled immediately prior to such event will be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(b) Except as otherwise provided in ARTICLE ELEVEN and herein, any other resolution of the Board creating a Series of Preferred Stock or any similar stock, or by law, the holders of shares of Series B Preferred and the holders of shares of Common Stock and any other capital stock of the Company having general voting rights will vote together as one class on all matters submitted to a vote of stockholders of the Company.

ARTICLE X

This Certificate of Amendment hereby amends the Statement of Resolution by amending and restating the first sentence of Section B.4(a) to read in its entirety as follows:

(a) Subject to ARTICLE ELEVEN, whenever dividends or other dividends or distributions payable on the Series B Preferred are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Preferred outstanding have been paid in full, the Company will not:

ARTICLE XI

This Certificate of Amendment hereby amends the Statement of Resolution by amending and restating Section B.5 to read in its entirety as follows:

5. Reacquired Shares. Subject to ARTICLE ELEVEN, any shares of Series B Preferred purchased or otherwise acquired by the Company in any manner whatsoever will be retired and canceled promptly after the acquisition thereof. All such shares will upon their cancellation become authorized but unissued shares of Preferred Stock and may be reissued as part of a new series of Preferred Stock subject to the conditions and restrictions on issuance set forth herein, in the Articles of Incorporation of the Company, or in any other resolution of the Board creating a series of Preferred Stock or any similar stock or as otherwise required by law.
