(1) In accordance with the SEC's proxy disclosure rules, included in the "Stock Awards" and "Option Awards" columns are the aggregate grant date fair values of stock awards and option awards made during the respective fiscal years computed in accordance with FASB ASC Topic 718. The measurement objective of FASB ASC Topic 718 is to estimate the fair value at the grant date of the equity instruments that the entity is obligated to issue when employees have rendered the requisite service and satisfied any other conditions necessary to earn the right to benefit from the instruments (for example, to exercise share options). That estimate is based on the share price and other pertinent factors, such as in the case of stock options the expected volatility at the grant date. The grant date fair value of an award reflects the accounting expense and may not represent the actual value that will be realized. For a discussion of the assumptions used in computing this valuation, see "Management's Discussion and Analysis of Financial Condition and Results of Operations" and Note 10 of the Notes to the Consolidated Financial Statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Agreements with Mr. DiIorio

Pursuant to an Employment Agreement (the "DiIorio Employment Agreement") effective as of November 15, 2017, Mr. DiIorio was named Chief Executive Officer and is entitled to receive: (i) a base salary of \$312,000; and (ii) an annual performance bonus of up to 50% of his base salary, or \$156,000 annually, based upon satisfaction of performance objectives to be developed by the Compensation Committee. Mr. DiIorio is also eligible for additional discretionary bonuses based on the achievement of certain specified goals established by the Compensation Committee. Mr. DiIorio will be considered an "at will" employee, whereby Mr. DiIorio's employment with the Company may be terminated at any time by either party. Pursuant to the DiIorio Employment Agreement, Mr. DiIorio is also eligible for additional option grants and SARs as determined by the Compensation Committee. Mr. DiIorio is subject to a two-year non-solicitation provision for soliciting customers or employees or diverting business from the Company and a two-year non-competition provision for employment with or participation in a competitive business in the United States, Canada, Mexico or other country in which the Company has conducted business. The DiIorio Employment Agreement contains customary confidentiality, non-disparagement, protection of Company proprietary information, protection of Company intellectual property, and indemnification provisions applicable to the duration of Mr. DiIorio's employment and thereafter.

Under the DiIorio Employment Agreement, Mr. DiIorio's employment will terminate immediately upon his death or permanent disability. Mr. DiIorio would be entitled to: (i) the unpaid base salary earned for services rendered through the date of his death or permanent disability; (ii) any accrued but unpaid incentive compensation earned in the previous year ("Bonus Amount") as of the date of his death or permanent disability; (iii) the accrued but unpaid paid time off ("PTO") earned through the date of his death or permanent disability; and (iv) the limited death, disability, and/or income continuation benefits. In the event Mr. DiIorio is involuntarily terminated by the Company without "cause" (as defined in the DiIorio Employment Agreement), Mr. DiIorio will be entitled to receive: (i) the unpaid base salary earned for services rendered through the date of such termination; (ii) any accrued and unpaid Bonus Amount; (iii) the accrued but unpaid PTO; (iv) unreimbursed amounts to which he is entitled to reimbursement under the DiIorio Employment Agreement; (v) a severance payment, in an aggregate amount equal to three months of Mr. DiIorio's then-current base salary; and (vi) three months of COBRA coverage.

Table of Contents

Mr. DiIorio received, pursuant to the terms of a Stock Option Agreement by and between the Company and Mr. DiIorio, dated as of November 15, 2017 (the "Stock Option Agreement"), 200,000 stock options from the Company's 2014 Equity Plan, with an exercise price of \$2.00. The stock options were granted on November 15, 2017 and will vest monthly over a four-year period and will expire on the fifth anniversary of their grant date. Additionally, in the event of Mr. DiIorio's involuntary termination by the Company without "cause," that portion of the stock options that by their terms have not become exercisable will become immediately exercisable and, along with any portion of the stock options that have become exercisable prior to the date of such termination, will remain exercisable for three months. If Mr. DiIorio dies while the stock options are outstanding, then the personal representative or beneficiary under his will or in accordance with the laws of inheritance will have the right to exercise vested stock options until the expiration date of the stock options or for 12 months, whichever is earlier. If Mr. DiIorio terminates his employment with the Company voluntarily, unvested stock options will immediately terminate and cease to be exercisable and Mr. DiIorio will have until the expiration date of the stock options or a period of three months to exercise vested stock options, whichever is earlier. If Mr. DiIorio is terminated for "cause," he will be entitled to receive any: (i) unpaid base salary earned for services rendered through the date of his termination; (ii) accrued but unpaid Bonus Amount as of the date of his termination; and (iii) accrued but unpaid PTO earned through the date of his termination. If Mr. DiIorio is terminated for "cause," the stock options will terminate immediately, whether or not then exercisable. The vesting of the stock options may also be accelerated by the Compensation Committee, in its sole discretion.

Under the Stock Option Agreement, in the event of a Change in Control (as defined below), the Committee will take or cause to be taken one or more of the following actions to be effective as of the date of such Change in Control:

(a) provide that Mr. DiIorio's options shall be assumed, or equivalent options shall be substituted ("Substitute Options"), by the acquiring or succeeding corporation (or an affiliate thereof), provided that: the shares of stock issuable upon the exercise of such Substitute Options shall constitute securities registered in accordance with the Securities Act of 1933, as amended (the "1933 Act"), or such securities shall be exempt from such registration in accordance with Sections 3(a)(2) or 3(a)(5) of the 1933 Act (collectively, "Registered Securities"), or in the alternative, if the securities issuable upon the exercise of such Substitute Options shall not constitute Registered Securities, then Mr. DiIorio will receive upon consummation of the Change in Control transaction a cash payment for the option surrendered equal to the difference between (1) the fair market value of the consideration to be received for each share of Common Stock in the Change in Control transaction times the number of shares of Common Stock subject to the surrendered option, and (2) the aggregate exercise price of the surrendered option; or

(b) in the event of a transaction under the terms of which the holders of the shares of Common Stock of the Company will receive upon consummation thereof a cash payment (the "Merger Price") for each share of Common Stock exchanged in the Change in Control transaction, to make or to provide for a cash payment to Mr. DiIorio equal to the difference between (A) the Merger Price times the number of shares of Common Stock under the option (to the extent then exercisable at prices not in excess of the Merger Price) and (B) the aggregate exercise price of all such shares of Common Stock under the option in exchange for such shares of Common Stock under the option.

For purposes of the Stock Option Agreement, the term “Change in Control” means: (i) the sale of all or substantially all of the assets of the Company; (ii) the merger or recapitalization of the Company whereby the Company is not the surviving entity; or (iii) the acquisition, directly or indirectly, of the beneficial ownership (within the meaning of that term as it is used in Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder) of fifty percent (50%) or more of the outstanding voting securities of the Company by any person, trust, entity or group.

Mr. DiIorio further received, pursuant to the terms of a Stock Appreciation Right Award Agreement by and between the Company and Mr. DiIorio, dated as of November 15, 2017 (the "SAR Agreement"), 200,000 SARs from the Company's 2014 Equity Plan, with an exercise price of \$2.00 and an expiration date of March 31, 2019. Each SAR entitles Mr. DiIorio to receive, upon exercise, an amount equal to the excess of (i) the market value of a share on the date of exercise, over (ii) the "exercise price per stock appreciate right." The SARs are broken down as follows: (i) 100,000 SARs will vest and become exercisable during the period beginning on December 31, 2018, and ending on the expiration date, if the Compensation Committee certifies that the Company achieved ninety percent (90%) or more of target on both elements of the Company's corporate objectives under the 2018 Employee Incentive Compensation Plan; and (ii) 100,000 SARs will vest and become exercisable during the period beginning on December 31, 2018, and ending on the expiration date, if the Company's shares have a closing public market price on the NYSE American LLC of \$3.00 or more for any period of ten (10) consecutive trading days during the period beginning on January 1, 2018, and ending on December 31, 2018. No SARs shall vest after Mr. DiIorio's termination of service as an employee, director, or other service provider of the Company and its subsidiaries and any unvested SARs shall not be exercisable after Mr. DiIorio's termination of service as an employee, director, or other service provider of the Company and its Subsidiaries. Mr. DiIorio (or in the case of exercise after Mr. DiIorio's death, the Mr. DiIorio's executor, administrator, heir or legatee, as the case may be) may exercise his vested SARs, in whole or in part, by following the procedures: (1) if partially exercised, Mr. DiIorio may exercise the remaining unexercised portion of the SARs at any time after vesting and until the expiration date. No SARs shall be exercisable after the earlier of (i) the expiration date set out above; or (ii) three (3) months after the date Mr. DiIorio ceases to be an employee or director of the Company and its subsidiaries, unless Mr. DiIorio's termination of service occurred due to death, in which case the SARs will expire and may not be exercised more than one (1) year following Mr. DiIorio's date of death. To exercise the SARs, Mr. DiIorio (or in the case of exercise after Mr. DiIorio's death, Mr. DiIorio's executor, administrator, heir or legatee, as the case may be) must deliver a written notice (or notice through another previously approved method, which could include a web-based or e-mail system) to the Controller of the Company, or his or her designee, which sets forth the number of SARs being exercised, together with any additional documents the Company may require. Each such notice must satisfy whatever then-current procedures apply to the SARs and must contain such representations as the Company requires. Upon the exercise of all or a portion of the SARs, Mr. DiIorio shall be entitled to, at the election of the Committee, either (i) a cash payment equal to the appreciation value of the SARs being exercised or (ii) shares of Common Stock (if available under one of the Company's equity plans) with a market value equal to the appreciation value of the SARs being exercised, and in each case, less any amounts withheld for taxes. Unless otherwise determined by the Committee at the time of a Change in Control (as defined above), a Change in Control shall have no effect on the SARs. In the event of a Change in Control, the Committee may, in its discretion and upon at least ten (10) days' advanced notice to Mr. DiIorio, cancel the SARs and pay to Mr. DiIorio the appreciation value of the SARs based upon the price per share of Shares received or to be received by other shareholders of the Company in the event. Notwithstanding the foregoing, if at the time of a Change in Control the exercise price of the SARs equals or exceeds the price paid for a share of Common Stock in connection with the Change in Control, the Committee may cancel the SARs.

On March 16, 2017, the Compensation Committee granted Mr. DiIorio options to purchase 25,000 shares of the Company's Common Stock at an exercise price of \$2.15 per share. The options vest in equal monthly installments over a three-year period, expire after ten years and are otherwise exercisable in accordance with the Company's 2014 Equity Plan.

On September 7, 2017, the Compensation Committee granted Mr. DiIorio options to purchase 25,000 shares of the Company's Common Stock at an exercise price of \$1.98 per share. The options vest in equal annual installments over a three-year period, expire after ten years and are otherwise exercisable in accordance with the Company's 2014 Equity Plan.

Agreements with Ms. Skonieczny

Pursuant to an amended and restated Employment Agreement with Ms. Skonieczny dated January 2, 2013, Ms. Skonieczny was named Chief Operating Officer and was entitled to receive: (i) an annual salary of \$250,000, an annual cash bonus award of up to \$125,000, with the opportunity to increase the annual bonus up to \$250,000 at the Company's discretion; (ii) options for 110,000 shares of the Company's Common Stock pursuant to the 2007 Equity Plan, of which one-third of such options would vest on each of the next three anniversaries of the grant date, provided she remained employed on such dates and such options would immediately vest in the event she was terminated within six months of a change in control; and (iii) customary employee benefits available to all full-time employees of the Company. Upon termination of Ms. Skonieczny's employment by the Company without cause, Ms. Skonieczny would have been entitled to all accrued and unpaid salary, any bonus earned in the previous year, pro-rata vesting of outstanding options and restricted stock, a pro-rata bonus for the then current year, assuming full achievement of performance targets, and one year of base salary paid over one year. In the event Ms. Skonieczny's employment was terminated other than by the Company without cause (as defined in her Employment Agreement), Ms. Skonieczny would have been entitled to receive all accrued and unpaid salary, benefits and other compensation, including any bonus earned in the previous year. She would also be subject to a two-year non-competition provision and customary confidentiality, non-disparagement, protection of Company proprietary information, protection of Company intellectual property, and indemnification obligations for the duration of her employment and thereafter.

On March 11, 2015, the Compensation Committee granted Ms. Skonieczny 6,666 restricted stock units which vest in four equal annual installments beginning March 11, 2016. The grant was made under the 2014 Equity Plan. Each unit represents a contingent right to receive one share of the Company's Common Stock and settlement of the underlying shares of Common Stock will occur on each vesting date.

On August 18, 2016, the Compensation Committee granted Ms. Skonieczny options to purchase 60,000 shares of the Company's Common Stock at an exercise price of \$2.76 per share. The options vest in equal monthly installments over a three-year period, expire after ten years and are otherwise exercisable in accordance with the Company's 2014 Equity Plan.

On March 16, 2017, the Compensation Committee granted Ms. Skonieczny options to purchase 25,000 shares of the Company's Common Stock at an exercise price of \$2.15 per share. The options vest in equal monthly installments over a three-year period, expire after ten years and are otherwise exercisable in accordance with the Company's 2014 Equity Plan.

On September 7, 2017, the Compensation Committee granted Ms. Skonieczny options to purchase 25,000 shares of the Company's Common Stock at an exercise price of \$1.98 per share. The options vest in equal annual installments over a three-year period, expire after ten years and are otherwise exercisable in accordance with the Company's 2014 Equity Plan.

Ms. Skonieczny retired from the Company effective April 28, 2018. In connection with her retirement, she forfeited her outstanding restricted stock units and stock options (to the extent not exercised within three months of her retirement).

Agreements with Mr. Steen

The Company was a party to an Employment Agreement with Mr. Steen, effective as of April 1, 2013, and as amended on January 18, 2016. The employment of Mr. Steen was terminated upon mutual agreement with the Company effective May 18, 2017. On June 8, 2017, in connection with Mr. Steen's departure, the Company and Mr. Steen entered into a Separation Agreement and General Release (the "Separation Agreement"). Pursuant to the Separation Agreement and in consideration of Mr. Steen's general release and his agreement to certain restrictive covenants, Mr. Steen received certain severance benefits, including (a) any accrued but unpaid bonus, if any, (b) a payment equal to 12 months of his current base salary, payable over a period of 12 months, (c) any target bonus to which he would otherwise be entitled if employed during the next 12 months, if any, (d) for a period of three months, an amount equal to the cost of his COBRA health benefits, and (e) in lieu of receiving three months' notice of termination, a payment equal to three months of his current base salary, payable over a period of three months. Mr. Steen subsequently forfeited his unvested equity awards in connection with his departure from the Company. In accordance with Mr. Steen's stock option agreement, any stock option exercisable as of the date of his departure must have been exercised within a period of three months from the date he ceased to be an employee or director of the Company and its subsidiaries.

Restricted Stock Unit Award Agreements

Prior to her retirement, Ms. Skonieczny held restricted stock units, the terms of which were governed by restricted stock unit award agreements, unless otherwise modified by her respective employment agreement as described above. Under the terms of this agreement, in the event the grantee's employment with the Company terminated prior to the vesting of any restricted stock units, such non-vested restricted stock units would be forfeited by the grantee and no benefits would be payable with respect to such forfeited units. Notwithstanding the foregoing, in the event of a "change in control" (as defined in the agreements), the Compensation Committee would provide that any unvested restricted stock units would be assumed, or equivalent restricted stock units would be substituted ("Substitute Award") by the acquiring or succeeding corporation (or an affiliate thereof), provided that the shares of stock issuable upon the payment of such Substitute Award constituted securities registered in accordance with the Securities Act of 1933, as amended, or such securities were exempt from such registration. In the alternative, if the securities issuable upon the

payment of such Substitute Award would not meet the requirements in the preceding sentence, then the grantee would receive upon consummation of the "change in control" transaction a cash payment for the unvested restricted stock units surrendered equal to the fair market value of the consideration to be received for each share of Common Stock in the "change in control" transaction times the number of shares of Common Stock underlying the unvested restricted stock units. Ms. Skonieczny forfeited these restricted stock units upon her retirement.
