PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Oxford Immunotec Global PLC (the “Company”) is unable, without unreasonable effort or expense, to file its Annual Report on Form 10-K for the year ended December 31, 2018 (“Form 10-K”) by the March 18, 2019 filing due date applicable to accelerated filers because the Company requires additional time to complete its review procedures, primarily with respect to its accounting for income taxes and related disclosures in the financial statements. In November 2018, the Company closed the sale of its U.S. laboratory services business to Quest Diagnostics Inc. (the “Quest Transaction”). Due to the complexity of accounting for and restating the Company's financial statements for the reported year and prior periods to reflect discontinued and continuing operations following the Quest Transaction, particularly with regard to the provision for income taxes, management has determined that it requires additional time to complete its review of the Company's financial statements and other disclosures in the Form 10-K.
