Item 1.01 Entry into a Material Definitive Agreement.

Allegion plc has announced that its wholly-owned subsidiary, Allegion Luxembourg Holding and Financing S.à r.l. (the “Purchaser”), entered into a Share Purchase Agreement (the “Purchase Agreement”), dated as of June 26, 2015, with SimonsVoss Luxco S.à r.l. and SimonsVoss Co-Invest GmbH & Co. KG (collectively, the “Sellers”) and Mr. Frank Rovekamp, pursuant to which the Purchaser has agreed to purchase all of the shares of capital stock of SimonsVoss Technologies GmbH (“SimonsVoss”) held by the Sellers for €210 million. SimonsVoss is an electronic lock company primarily serving Germany and other European markets.

The acquisition is expected to close during the third quarter of 2015, subject to regulatory approvals and the satisfaction of certain customary closing conditions. The Purchase Agreement also contains certain representations, warranties, covenants and limitations on Sellers’ liability which are customary to transactions of this type. The Sellers’ liability with respect to breaches of representations and warranties is limited and, as a result, breaches of certain representations and warranties are expected to be insured under an insurance policy.

A copy of the Company's press release relating to the acquisition discussed above is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is herein incorporated by reference.

Forward Looking Statements

This Current Report on Form 8-K and press release include “forward-looking statements,” which are statements that are not historical facts, including, but not limited to, statements that relate to the Company's intent to acquire SimonsVoss, the expected benefits and results of the proposed transaction, the timing of the transaction and the impact on the Company's earnings per share. These forward-looking statements are based on the Company's currently available information and our current assumptions, expectations and projections about future events. They are subject to future events, risks and uncertainties - many of which are beyond our control - as well as potentially inaccurate assumptions, that could cause actual results to differ materially from those in the forward-looking statements. Further information on these factors and other risks that may affect the Company's business is included in filings it makes with the Securities and Exchange Commission from time to time; including its Form 10-K for the year ended December 31, 2014, Form 10-Q for the quarter ended March 31, 2015 and in our other SEC filings. The Company assumes no obligations to update these forward looking statements.
