Item 1: Investments

-----

On March 7, 2001, the Registrant sold 1,077,800 shares of the common stock it held in its largest investee, Williams Controls, Inc., and on March 12, 2001 the Registrant sold an additional 574,529 shares of Williams Controls, Inc., for a total of 1,652,329 shares, representing all the shares of Williams Controls, Inc. common stock owned by the Registrant at the time of this filing. These shares were acquired by the Registrant in transactions between April 1991 and August 1998. The shares were sold in open market transactions through an unaffiliated broker. Upon settlement of the trades, the Registrant received total net proceeds of approximately \$2,424,800. These proceeds were used to pay off the Company's demand loan from a bank with a balance of \$2,141,649 plus accrued interest, and make payments of or toward other debt obligations and payables that the Company had outstanding. This explains the reason for

## Edgar Filing: ENERCORP INC - Form 10QSB

the decrease in interest expense during the quarter ending September 2001. The Registrant continues to hold its other principal common stock investments in CompuSonics Video Corporation (10,001,751 shares), Ajay Sports, Inc. (310,785 common and 2,000 preferred shares), ProGolf.com (300,000 common shares) and Pro Golf International, Inc. (7,450 shares), and continues to hold 200,000 warrants in Williams Controls, Inc., which are fully vested at the time of this filing.

### Item 2: Capital Stock Transactions

-----

On September 14, 2001, the Registrant entered into a Subscription Agreement With Jack Wen, authorized agent for an investing group of qualified individuals which included Jack Wen ("Wen Group"). Under this Subscription Agreement, on September 26, 2001 upon the first payment, the Wen Group was to purchase 240,000 shares of common stock of the Registrant, representing approximately 26.4% of the Registrant's common stock issued and outstanding following the transaction. These shares were to be purchased for \$1.25 per share, the book value at that time, with aggregate gross proceeds of \$300,000 paid to the Registrant. Under the Subscription Agreement, the Wen Group was committed to make additional equity investments in the Registrant of \$3,000,000 for the purchase of 2,000,000 shares at \$1.50 per share, with \$1,000,000 being invested on or before November 5, 2001 as the second payment; and, in the third payment, \$2,000,000 was to be invested at \$1.50 per share on or before February 5, 2002. Prior to this transaction, no single shareholder or shareholder group owned more than 10% of the Registrant's issued and outstanding common stock. However, this transaction was not completed. The deal was rescinded, and the stock was never issued.

### Item 3: Board of director changes subsequently rescinded.

-----

Upon the Registrant's receipt of \$300,000 on September 26, 2001, the following changes in the Board of Directors and officers of the Registrant were effected. Under terms of the Subscription Agreement, in addition to Directors Thomas W. Itin and H. Samuel Greenawalt, Jack Wen and George Burmann of the Wen Group were elected to serve as Directors and, additionally, Jack Wen was elected Chairman of the Board, Chief Executive Officer and President and Don Johnson of the Wen Group was elected Treasurer and Chief Financial Officer.

10

Upon receipt of the first payment of \$300,000 from the Wen Group under the Subscription Agreement, Jack Wen requested that \$240,000 be invested in TIDE, a PRC company headquartered in Shanghai. This investment was completed. However, upon the recession the \$ 240,000 investment was returned to the Wen group, therefore the investment in Tide has not been and is not reflected in financial statements.

### Item 4. Management's Discussion and Analysis of Financial Condition / Results of Operations

-----

#### Material Changes in Financial Condition:

-----

The Registrant's liquidity is affected primarily by the business success, securities prices and marketability of its investee companies and by the amount and timing of new or incremental investments it makes, as well as the availability of borrowing under the credit line.

The Registrant received \$300,000 for the sale of 240,000 shares of the Company's common stock, with commitments for future funding in November 2001 of \$1,000,000 and in February of 2002 of \$2,000,000, as a result of the Subscription Agreement with the Wen Group. As a condition of the

## Edgar Filing: ENERCORP INC - Form 10QSB

Subscription Agreement, \$240,000 of the \$300,000 was invested at the request of the Wen Group in a PRC company, TIDE, leaving the Registrant with a total of \$60,000 cash on hand remaining from the Wen Group's initial investment.

There are no general terms as to how the \$30,000 note will be paid or how the Registrant intends to raise the funds for repayment or how to fund current operations. The Registrant's current plan is to bring in other investors, borrow against collateral or sell a portion of its holdings.

### Material Changes in Results of Operations:

-----  
The Registrant's revenues were \$2,175 and \$9,287 for the first quarter ended September 30, 2001 and 2000, respectively. The changes in revenues were mainly due to the decrease in net realized gain on investment from \$ 8,464 for the quarter ended Sep. 2000 to \$ 0 for the quarter ended Sep. 2001. There was no sale of investment for this quarter. The Registrant interest expenses were \$ 50 and \$ 57,509 for the quarter ended Sep. 2001 and 2000 respectively. The change is due to the payment of Company's demand loan to a bank, therefore, there was no interest expense paid for the quarter ended Sep. 2001. The Registrant recorded general and administrative expenses of \$ 669 for this quarter ended Sep. 2001 compare to general and administrative expenses of \$ 4,253 the quarter ended Sep. 2000. This change is due to the decrease in company's activity related to such expenses. General and administrative expenses include travel, telephone and other miscellaneous expenses. The Registrant recorded an unrealized Loss on investments of \$97,691 for the first quarter ended September 30, 2001 compared to a loss of \$442,330 for the first quarter ended September 30, 2000. This is mainly due to the changes in investment portfolio and fair market value of the Registrant's investment in the publicly traded companies CompuSonics Video Corporation and Ajay Sports, Inc.

11

### Item 5 Footnote: Subsequent events

-----  
The funds subscribed for and the money to be invested on November 5, were not forthcoming and the Wen Group advised us that the money was not coming in. The deal was rescinded by mutual agreement.

### Related Party Note Payable

-----  
The Registrant has Note Payable to TICO Partnership in which the Chairman is the partner. The note was issued on June 15, 2001 at 12% interest rate per annum, and is due on demand.

## PART II. OTHER INFORMATION

Item 5. Other Information

In early November of 2001, the Wen Group informed Registrant that the second and third payments under the Subscription Agreement would not be forthcoming and the Registrant accepted that conclusion. On November 26, 2001, a Settlement Agreement was signed by the Registrant, Jack Wen, and the investment group that Jack Wen represented to vacate the Subscription Agreement signed on September 14, 2001. In a Settlement Agreement signed and put into effect by Registrant and the Wen Group, funds paid in by the Wen Group were returned less any expenses incurred by the Registrant and less the \$240,000 investment into the PRC company, TIDE. The common stock that was part of the September 14, 2001 Subscription Agreement was not issued. The September 14, 2001 Subscription Agreement was rescinded. A payment of \$30,000 less expenses of \$2,174.50 of the Registrant was returned to the Wen Group and a note for the remaining \$30,000 was executed by the Registrant subject to certain conditions.

12

In a meeting of the Board of Directors of Registrant, it was resolved that the Subscription Agreement of September 14, 2001 be declared null and void, and that a request be submitted for resignations from the Wen Group officers and directors. Resignations to be requested included Jack Wen as Chairman, Director, President, CEO and COO, Don Johnson as CFO and Treasurer, George Burmann as Director, and Paul Feng as Vice President of Marketing. Further, during this meeting, Thomas W. Itin was elected to fill offices left vacant, with the exception of Vice President of Marketing, due to resignations by members of the Wen Group.

### Item 1. Changes in Control of Registrant.

Under this Agreement, on September 26, 2001, the Wen Group purchased 250,000 shares of common stock of the Registrant, representing approximately 26.4% of the Registrant's common stock issued and outstanding following this transaction.. These shares were purchased for \$1.25 per share with aggregate gross proceeds of \$300,000 paid to the Registrant. Under the Agreement, the Wen Group has committed to make additional equity investments in the Registrant of \$3,000,000 for the purchase of 2,000,000 shares at \$1.50 per share, with \$1,000,000 being invested on or before November 5, 2001 and \$2,000,000 being invested on or before February 5, 2002. This agreement, dated and executed on, and with effective date of September 14, 2001, between Jack Wen, a resident of California, USA, individually ("Wen"), and, as authorized agent for the investing group of qualified individuals which includes Jack Wen, identified here as "Wen Group," and Enercorp, Inc., ("ENCP"), a Colorado corporation with reference to the following facts, terms and conditions.

- A. Wen has extensive business interests and plans for expanding the same in the Peoples Republic of China ("PRC") and the United States ("US").
- B. ENCP has substantial interest in increasing its business in these two geographic regions, PRC and the US, noting particularly expansion of commercial activities in PRC.

16

- C. A close working relationship among the parties will substantially improve opportunities for expanding their respective business operations in PRC and the US.
- D. On April 30, 2001, Enercorp had liabilities of less than \$50,000, and had substantial stock holdings comprising ten million (10,000,000) shares in CompuSonics Video Corporation ("CPVD"); four hundred twenty thousand (420,000) shares of ProGolf.com, Inc., ("PG.com"); and seven thousand four hundred and fifty (7,450) shares of Pro Golf International, Inc. ("PGI") [to become seventy four thousand and five hundred (74,500) shares after a planned ten for one (10 for 1) stock split].
- E. ENCP is prepared to assist in funding franchisees in HK/PRC. Additional further expenses or liabilities will be incurred as a result of the normal course of continuing business and the nominal requirements of being a regulated US public company.

IN CONSIDERATION OF THE FOREGOING, the parties agree, as follows:

1. Sale of Stock. ENCP will issue to Wen and Wen Group, upon execution of this agreement by the parties, two hundred fifty thousand (250,000) shares of common shares in ENCP for three hundred thousand US dollars (US\$300,000.00), payable by September 20, 2001. On or prior to November 5, 2001, Wen and Wen Group will invest an additional one million dollars (US\$1,000,000.00), and by February 5, 2002, will put in another two million dollars (US\$2,000,000.00). ENCP will sell its shares at \$1.50/share for this \$3,000,000.00 investment. Should the full \$3,300,000.00 not be invested on the dates as agreed, then the Board may take appropriate action.
2. George Burmann, Tom Itin, Samuel Greenawalt and the current management have the opportunity to purchase up to 250,000 shares of ENCP for \$1.25/share up to September 30, 2001, and to purchase concurrent to and alongside Wen and Wen Group at a price of \$1.50 per share.
3. Verification of Stock Transaction Documentation. Wen and Wen Group will be provided with verification of ownership interest of ENCP in seven thousand four hundred fifty (7,450) shares of PGI, [PGI currently owns one hundred percent (100%) of Pro Golf of America, and approximately eighty seven per cent (87%) of PG.com], and ten million (10,000,000) shares of CPVD, and four hundred twenty thousand (420,000) shares of PG.com.
4. Development of HK/PRC, US and Canadian Business Opportunities. The parties shall collaborate closely to develop HK/PRC, US and Canadian business opportunities. ENCP will assist in the financing of PGOA, PG.com and PG Domes in the US, Canada, HK/PRC and other Far East nations or other locations deemed potentially

viable and profitable.

5. ENCP will consider investing \$2,000,000 cash in Ajay Sports, Inc. or Pro Golf International, Inc., and CompuSonics Video Corporation. The investment terms and conditions will be evaluated based on the benefits which will accrue to ENCP's shareholders.

6. ENCP will assist CompuSonics Video Corporation ("CPVD") to expand its business into China.

17

7. PGI Corporate Opportunity. ENCP agrees to assist PGI and its related affiliates to sell or broker PGI's exclusive franchise rights, and to facilitate manufacturing alliances for China and the Hong Kong territories for Pro Golf franchise retail stores and PG Domes. The terms and conditions will be mutually agreed upon at a future date.

8. Officers and Directors. ENCP directors H. Samuel Greenawalt and Thomas W. Itin will retain directorships of ENCP and Wen and George Burmann will be elected directors and will be seated on the board of ENCP when the agreement is fully executed by Wen and Wen Group and ENCP and when the first three hundred thousand dollars (US\$300,000.00) is received. Following signing this Agreement, and, further, upon confirmation of receipt of the deposit of the initial funding of three hundred thousand US dollars (US\$300,000.00) into the ENCP bank account, Wen will be elected Director and elected Chairman, President and Chief Executive Officer ("CEO"). Don Johnson will be elected Treasurer and Chief Financial Officer ("CFO"), and Paul Feng, Vice President Marketing. Upon receipt by ENCP of the US\$1,000,000.00 (second tranche), Paul Feng will be elected a director. All the foregoing elections are subject to satisfactory completion of this Subscription Agreement.

9. The company will maintain at all times appropriate Directors and Officers liability insurance ("D&O insurance"), as provided in the corporate Bylaws of ENCP.

10. Any funds received by ENCP from sale of its investments in CPVD or Ajay/PGI and/or monies paid in by Itin, Greenawalt and Burmann will be invested in the existing investee companies as decided by the Board. Any investment in or divestiture of any investee company would require prior Board approval.

11. Upon receipt by ENCP of the first \$300,000.00, the Board will elect Paul Feng, as a director and VP Marketing. Wen, Johnson and Feng will each be paid a \$2,000 salary per month commencing October 1, 2001. ENCP will move its offices to California as soon as practicable.

12. ENCP will continue to plan to form ENCP Capital and raise venture money.
