Exhibit No. 99.1

Thursday, April 17, 2003, For Immediate Release

Press Release

Heartland Express, Inc. Reports Revenues and Earnings for the First Quarter of 2003.

CORALVILLE, IOWA - April 17, 2003 - Heartland Express, Inc. (Nasdaq: HTLD) announced today financial results for the first quarter ended March 31, 2003. Gross revenues for the quarter increased 29.4% to \$94.8 million from \$73.3 million in the first quarter of 2002. Net income increased 15.9% to \$11.0 million from \$9.5 million in the 2002 period. Basic earnings per share were \$0.22 compared to \$0.19 for the first quarter of 2002. Gross revenues for the first quarter of 2003 were increased by fuel surcharge revenues.

For the quarter, Heartland Express, Inc. posted an operating ratio (operating expenses as a percentage of gross revenues) of 82.9% and an 11.7% net margin. These operating results were achieved in spite of record high fuel prices, adverse weather conditions in the East, and an uncertain economy.

The Company ended the first quarter with cash, cash equivalents, and investments of \$150.7 million, a \$3.2 million decrease from the \$153.9 million reported on December 31, 2002. The Company's balance sheet continues to be debt-free.

During the quarter the Company acquired facilities in Columbus, Ohio and Olive Branch, Mississippi. The acquisition of these facilities resulted from the growth of our regional operations. The Columbus facility replaces our former terminal location and positions us for continued growth in the East Central region of the United States. The purchase of the Olive Branch location is a result of our expansion into the Memphis, Tennessee and Southern United States regional market.

The Company renegotiated its personal injury, property damage, and workers' compensation insurance policies effective April 1, 2003. The Company's self-insurance exposure increased to \$2.0 million from \$500,000 for each

Edgar Filing: HEARTLAND EXPRESS INC - Form 8-K

occurrence involving personal injury or property damage. The Company's self-insurance for workers' compensation continues to be a maximum of \$500,000 per occurrence.

This press release may contain statements that might be considered as forward-looking statements or predictions of future operations. Such statements are based on management's belief or interpretation of information currently available. These statements and assumptions involve certain risks and uncertainties. Actual events may differ from these expectations as specified from time to time in filings with the Securities and Exchange Commission.
