## Edgar Filing: ASTRALIS LTD - Form SC 13D/A

### Item 4. Purpose of the Transaction.

-----

Item 4 is hereby amended to read as follows:

The purpose of the transaction was an investment by SkyePharma in Astralis. SkyePharma is continuously evaluating the business and business prospects of the Issuer, and its present and future interests in, and intentions with respect to the Issuer and at any time may decide to purchase any additional shares or to dispose of any or all of the shares of Common Stock, Convertible Preferred Stock or warrants currently owned by it.

### Item 5. Interest in Securities of the Issuer.

-----

Item 5 is hereby amended to read as follows:

SkyePharma beneficially owns 2,000,000 shares of Series A Convertible Preferred Stock, par value \$0.001 per share ("Convertible Preferred Stock"), of the Issuer, 200,000 shares of Common Stock and Warrants expiring November 13, 2006 to purchase 20,000 shares of Common Stock at \$4.00 per share. At the current conversion price of \$1.60 per share (6.25 for 1), the 2,000,000 shares of Convertible Preferred Stock are convertible into 12,500,000 shares of Common Stock. Based upon 37,538,189 shares of Common Stock as reported by the Issuer in its Form 10-QSB for the quarter ended September 30, 2003 to be outstanding at November 14, 2003, SkyePharma beneficially owns 12,720,000 shares of Common Stock, or 25.4% of the 50,058,189 shares that would be outstanding if SkyePharma converted its Convertible Preferred Stock and exercised its Warrants. If the conversion price of the Convertible Preferred Stock were reduced to \$0.80 per share (12.5 for 1) as described in Item 6 below, SkyePharma would beneficially own 25,220,000 shares of Common Stock, or 35.7% of the 70,558,189 shares that would be outstanding if SkyePharma converted its Convertible Preferred Stock and exercised its Warrants and the Issuer issued additional shares of Common Stock in a fund raising as described in Item 6.

Pursuant to the Stockholders Agreement, dated as of December 10, 2001, among SkyePharma, the Issuer and the other stockholders listed therein, each stockholder agreed to vote its Common Stock and take other action necessary to elect directors as provided therein. The other stockholders include Jose Antonio O'Daly ("Mr. O'Daly"), beneficial owner of 13,640,000 shares of Common Stock representing approximately 36.3% of the outstanding Common Stock, Mike Ajnsztajn ("Mr. Ajnsztajn"), beneficial owner of 8,680,000 shares of Common Stock representing approximately 23.1% of the outstanding Common Stock, and Gaston Liebhaber ("Mr. Liebhaber"), the beneficial owner of 2,480,000 shares of Common

Stock representing approximately 6.6% of the outstanding Common Stock. SkyePharma has sole power to dispose of the Common Stock owned by it and, by virtue of the Stockholders Agreement, may be deemed to have shared power to vote the Common Stock owned by it. SkyePharma disclaims beneficial ownership of the 24,800,000 shares of Common Stock owned by Mr. O'Daly, Mr. Ajnsztajn and Mr. Liebhaber, each of whom has shared power to vote or direct the vote and sole power to dispose or direct the disposition of such shares of Common Stock beneficially owned by him.

Mr. O'Daly, a citizen of Venezuela, is the Chairman of the Board and the President of Research and Development of Astralis. Mr. Ajnsztajn, a citizen of Brazil and the United States of America, is the President and a Director of Astralis. Mr. Liebhaber, a citizen of Brazil, is the Senior Vice-President and a

Director of Astralis. The business address for Messrs. O'Daly, Ajnsztajn and Liebhaber is c/o Astralis Ltd., 75 Passaic Avenue, Fairfield, NJ 07004, U.S.A.

To the knowledge of SkyePharma, none of Mr. O'Daly, Mr. Ajnsztajn or Mr. Liebhaber during the last five years, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

No person other than SkyePharma has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, its Common Stock, Convertible Preferred Stock or Warrants.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

-----  
Item 6 is supplemented to include the following:

As contemplated by the non-binding letter of intent entered into by SkyePharma and the Issuer on November 13, 2003, as described in Amendment No. 7 to SkyePharma's Statement on Schedule 13D filed with the Commission on November 14, 2003, SkyePharma has entered into an Omnibus Conversion Agreement with the Issuer, dated as of January 12, 2004 (the "Conversion Agreement"), pursuant to which SkyePharma agreed to convert its 2,000,000 shares of Convertible Preferred Stock into Common Stock if the Issuer closes a qualifying fund raising resulting in gross proceeds for the Issuer of not less than \$4,000,000 prior to January 31, 2004, and the Issuer agreed to adjust the conversion price of the shares of Convertible Preferred Stock upon the closing of the fund raising to a price of \$0.80 per share, adjustable depending on the terms of the fund raising. The present conversion price of the Convertible Preferred Stock of \$1.60 per share is subject to adjustment on December 10, 2004, if a specified patent or notice of allowance has not been issued before that date and other conditions have not been satisfied, to a price based on the then current market price of a share of Common Stock, subject to a minimum conversion price of \$0.20 per share.

Subject to the terms and conditions of the Conversion Agreement, SkyePharma has agreed to enter into a Call Option Agreement with the Issuer pursuant to which the Issuer would obtain the right to repurchase some or all of 12,500,000 shares of Common Stock from SkyePharma at a price based on the conversion price. The call option would be exercisable beginning when the Issuer attains a "milestone event" (defined as completion of certain clinical trials relating to Psoraxine formula for the treatment of psoriasis) and ending on the third anniversary of the Call Option Agreement.

Subject to the terms and conditions of the Conversion Agreement, SkyePharma, the Issuer and other stockholders who are parties to the Stockholders Agreement, dated December 10, 2001, would enter into an amendment thereto that would amend the Stockholders Agreement to expire on the later of (i) three years after the date of such transaction or (ii) the date on which SkyePharma no longer beneficially owns 20% of the outstanding Common Stock. The amended Stockholders Agreement would require the parties to it to agree to vote all shares held by such parties for one director designated by Mr. O'Daly, one director designated by Mr. Ajnsztajn, one director designated by Mr. Liebhaber, one director designated by Gina Tedesco, one director designated by SkyePharma and two independent directors. In addition, additional parties may be added to

the Stockholders Agreement. Further, SkyePharma would be required to vote its shares of Common Stock in favor of certain enumerated transactions, where those transactions have been approved by the Board and all of the independent directors.
